Dear Sir/ Madam,

Subject: Clarification on increase in volume in the Company's Securities.

Ref.: NSE/CM/Surveillance/16295

With reference to the above, we wish to inform that the company has made the necessary disclosures of events or any information, from time to time, that has a bearing on the operation or the performance of the company pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and has not withheld any material information or event which, in our opinion, may have a bearing on the price/volume behaviour of the company's shares. Also please note there is no such information or event (including impending announcement) that may have a bearing on the price/volume behaviour of the shares which company may need to disseminate to investors for their information in this regard.

We believe that the volume/price behaviour of Company's securities appears to be due to market conditions and is apparently market-driven.

Submitted for your information and dissemination.

Thank you,
