Dear Sir/ Ma'am,

Subject: Clarification /Confirmation on news item appearing in “Media/Publication”

Ref: Emails dated 17.03.2026 received from the stock Exchanges- NSE and BSE.

With reference to the above referred emails received from the stock exchanges seeking clarification from the Company on the news item titled “*Solar module maker Emmvee Photovoltaic bets on data centres to fuel renewable energy demand*” appearing in moneycontrol.com, we would like to clarify the following:

a) On the contents of the article:

The statements attributed to the Company are based on general industry commentary shared by senior management in the normal course of interactions with media. These comments relate to the broader renewable energy demand outlook, including emerging sectors such as data centres, and do not pertain to any specific transaction, negotiation, or event involving the Company.

b) Disclosure of unpublished information:

The Company confirms that there is no unpublished price sensitive information or any material event that has not been disclosed to the stock exchanges which could have a bearing on the reported news item or on the price/volume behaviour of the Company's securities.

All company-specific information mentioned in the article, including capacity expansion, order book, margins, and strategic direction, is already in the public domain through previously disclosed investor presentations, earnings releases, earning call transcripts and stock exchange filings.

c) Material impact:

The said article does not have any material impact on the Company.

The Company remains committed to compliance with Regulation 30 of SEBI (LODR) Regulations and will continue to make appropriate disclosures as and when any material event occurs.

Kindly take the above on record.
