Emmvee Clarifies No Impact from Recent U.S. Duty Developments

BENGALURU, India - February 25, 2026

In light of recent reports regarding the US countervailing duties on solar imports from India, Emmvee Photovoltaic Power Limited would like to clarify that there is no impact on its business operations.

Emmvee's integrated solar cell and module manufacturing is primarily aligned to domestic demand. With a strong focus on the Indian market and domestic consumption of its cell output, the company remains insulated from external trade developments of this nature.

India continues to present significant growth opportunities in renewable energy, and Emmvee remains focused on scaling high-efficiency manufacturing to serve this expanding domestic market.
