Krishival Foods Limited Welcomes GST Cut on Nuts, Dried Fruits and Ice Cream

Mumbai, September 4th, 2025: Krishival Foods Limited has welcomed the reduction in the GST rate for nuts, dried fruits and ice cream as confirmed at the 56th GST Council meeting.

The GST on products such as Brazil nuts, almonds, pistachios, and other dried fruits has been reduced from 12% to 5%, and on ice cream has been reduced from 18% to 5% effective September 22, 2025.

Commenting on the development, **Sujit Bangar, Chairman, Krishival Foods**, said,

“The GST rate reduction is a transformative step for the packaged food sector. At Krishival Foods, we see this as a catalyst to accelerate category growth and strengthen India’s position as a fast-emerging market for premium nuts, dried fruits, and ice creams. We are committed to harnessing this momentum by expanding availability, innovating with new offerings, and ensuring that more consumers across India can access world-class products at affordable prices.”

With upcoming festive season, this policy change move is expected to drive a stronger consumption across categories, particularly in packaged foods, making high-quality nuts, dried fruits, and ice cream more accessible to a wider segment of consumers.
