**Subject: Disclosure under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") – General Update**

Dear Sir/ Madam(s),

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform that EPACK Durable Limited ("the Company") has received communications from its gas suppliers indicating the possibility of certain constraints in gas availability, which is utilized for specific manufacturing operations.

This development is in the backdrop of the ongoing geopolitical developments and conflict in the Middle East region impacting the overall gas supply scenario. However, the gas suppliers are making efforts to accommodate the Company's requirements to the extent possible. As a precautionary measure, the Company has temporarily stopped certain production catering to the West Asia market. However, the Company does not currently anticipate any material impact on its overall operations.

As a matter of prudent corporate governance and transparency, the Company is informing the stock exchanges of the above. The Company is also closely monitoring the situation and evaluating alternative arrangements, if required, to ensure continuity of its manufacturing operations. The Company will keep the stock exchanges informed of any material developments in this regard.

Kindly take the same on records and oblige.

Thanking You

For **EPACK Durable Limited**
