Management Comments:

Commenting on the results, Mr. Ajay DD Singhania, Managing Director and CEO, said: “In H1 FY27, EPACK delivered its highest-ever first-half revenue of INR 13,253 Mn, up 51.3% year-on-year. Q2 revenue more than doubled, and our diversification is now visible in the mix: SDA & LDA revenue exceeded RAC revenue this quarter.

Reported margins reflect the absence of PLI income, which was part of last year’s base. Excluding it, Q2 EBITDA improved by INR 146 Mn year-on-year and H1 EBITDA rose 77%.

We are also sharpening our focus on the core business. The Board has approved the transfer of our 50% stake in the EPAVO Electricals joint venture to our partner, the Ram Ratna Group, and the winding up of two subsidiaries, Bumjin India Audio Products Private Limited and Epack Electronic Component Private Limited. Our capital and management attention will be fully on EPACK Durable and our wholly owned subsidiary, EMTPL.

Our priority now is converting record scale into stronger profitability.”
