Subject: Outcome of the Board Meeting held on Friday, November 13, 2026.

Dear Sir/Madam,

This is to inform you that, pursuant to Regulations 30 and 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Board of Directors of the Company, at its meeting held on today, i.e., Friday, November 13, 2026, has, inter alia, considered and approved the following matters:

1. The Board considered and approved the proposal to extend an inter-corporate loan to RI Networks Private Limited (Timbl), an Internet Service Provider (ISP) operating across 34 cities in India, up to an aggregate limit of ₹2,00,00,000/- (Rupees Two Crore only), in one or more tranches, towards its working capital and business requirements. and in compliance with the provisions of Companies Act, 2013.

   Timbl has an established retail base of over 1.14 lakh historical customer records and 361 active enterprise customers. Its enterprise clientele includes reputed organisations such as Larsen & Toubro (L&T), Delhivery, Reliance, Canara Bank, FedEx and SpiceJet, across sectors including logistics, banking, education, manufacturing and corporate services.

   The Board also approved the proposed strategic business engagement with Timbl to jointly explore business opportunities, leverage institutional networks and capabilities, and drive cross-sector collaboration and Public-Private Partnerships (PPPs), aligned with EQUIPPP's core mission and business.

2. The Board accorded its permission for the incorporation of a Limited Liability Partnership (LLP) jointly between EQUIPPP Social Impact Technologies Limited and Dr. Bhaskar Chatterjee, with Capital Contribution of Rs. 50,000/-(i.e., 50% of the Total Contribution), for the purpose of housing and owning the intellectual property developed in relation to AI-based CSR monitoring solutions and the CSR ecosystem.

   The Board also authorised the necessary steps and documentation to give effect to the incorporation of the LLP.
   India's CSR spending currently stands at approximately ₹41,000 crore annually, spread across over 72,000 projects and nearly 30,000 companies. With the market expected to approach ₹1 lakh crore annually and participation expanding to nearly 1 lakh companies, there is a growing need for a centralised, technology-enabled platform for real-time CSR project monitoring, tracking fund utilisation and reporting implementation progress.

   Dr. Bhaskar Chatterjee is a retired IAS officer with 41 years of service in the Government of India and is widely recognised as the "Father of CSR in India" for his contribution to shaping India's CSR legislation. He has held several senior government positions, including Secretary MCA, Director General & CEO of the Indian Institute of Corporate Affairs, and is currently a leading advisor on CSR, ESG and sustainability.

3. The Board took note of the successful listing of Grace Cancer Foundation's project on the NSE Social Stock Exchange (NSE-SSE), through which the Foundation raised ₹1 crore. This marks the 18th project listing on NSE-SSE.
   The project aims to benefit 10,000 people by improving access to preventive healthcare and early-stage cancer detection among economically vulnerable and rural populations through awareness programmes, community mobilisation, risk assessment, mobile screening camps, referral support and follow-up care.

   The Board also noted EQUIPPP's role as the Advisor to Grace Cancer Foundation in facilitating the Social Stock Exchange listing and the successful completion of the fundraising process and synergies with EQUIPPP's flagship CDX framework to implement pilot projects in Kodangal and Manthani.

4. Re-appointment of Dr. Narendra Mairpady (DIN: 00536905), Independent Director of the Company as Regular Chairperson ("Chairperson" includes Chairman) of Board of Directors with immediate effect.

5. REVIEW REPORT

To

The Board of Directors of
M/s EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED

1. We have reviewed the accompanying statement of unaudited standalone financial results of **M/s. EQUIPPP SOCIAL IMPACT TECHNOLOGIES LIMITED** (Formerly Proseed India Limited) ("the Company") for the quarter and Six months ended 30th September, 2026 ("the Statement"), being submitted by the Company pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time.

2. This statement is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, and has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "Interim financial Reporting"("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under; and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

4. Emphasis of Matter: -

Trade receivables of Rs.111.10 Lakhs as on 30.09.2026 are overdue. The matter needs to be expedited.

Our conclusion is not modified in respect of this matter.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited standalone financial results prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.
