- The Interim Dividend has already been remitted through electronic modes i.e. NEFT / RTGS / Direct Credit / NACH etc. to those shareholders whose bank accounts are registered with the Company / Depositories.
- To the shareholders to whom the dividend is to be paid through non-electronic mode i.e. through issuance of Demand Drafts (DDs)/ Dividend Warrants, there will be a delay in posting / dispatch as the printing services along with courier and/ or post services in the country have been suspended/ become non-functional due to the nation-wide lockdown announced by the Government of India on the account of COVID-19 pandemic.
