Sub: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Further update on NVIDIA Partner Network (NPN) Membership – Elevation to “Elite” Level

Dear Sir/ Ma’am,

This is in furtherance to our earlier intimation dated **October 22, 2024**, wherein Esconet Technologies Limited (“the Company”) had informed the Exchange regarding its recognition as a **“Preferred Level Partner” under the Compute competency** in the NVIDIA Partner Network (NPN) Program.

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), we hereby inform that the Company has now received an official communication from **NVIDIA Corporation** dated **April 15, 2026**, intimating a further elevation in its partnership status.

The Company has been upgraded to the **“Elite” level under the Compute competency** within the **NPN Solution Provider Partner Program**.

The “Elite” designation represents the **highest tier of partnership** within the Solution Provider category for the specified competency and reflects the Company’s continued advancement, technical proficiency, and deeper alignment with NVIDIA’s partner ecosystem and program requirements. This progression from “Preferred” to **“Elite”** level underscores the Company’s sustained engagement and capability development within the NVIDIA ecosystem.

This elevation is expected to further enhance the Company’s positioning and may enable access to advanced partner benefits, including higher levels of technical enablement, priority support, and expanded go-to-market collaboration opportunities, in accordance with NVIDIA’s program framework.

The Company does not expect any immediate material financial impact solely on account of this development.

Exchange is requested to take note of the same.

For and Behalf of
Esconet Technologies Limited

Rajnish Pandey
Company Secretary & Compliance Officer
