Consumption of petroleum products dips 23% in May

FE BUREAU
New Delhi, June 11

DOMESTIC CONSUMPTION OF petroleum products in May fell 23% year-on-year (y-o-y) to 14.7 million tonne (MT) on muted sales of transportation fuels amid the country-wide lockdown to contain the outbreak of the coronavirus. However, products consumed in the month was about 47% higher than April, reflecting higher usage with the gradual easing of travel restrictions.

According to provisional data by the government's petroleum planning and analysis cell (PPAC), diesel usage dipped 29% annually to 5.5 MT in May, while demand for the aviation turbine fuel (ATF) fell 84% to 1.11 thousand tonne in the month. Petrol sales fell 35% to 1.8 MT in May.

Consumption of bitumen, mostly used in road construction, dropped 21% y-o-y to 571 thousand tonne. Domestic natural gas production fell 15.9% to 2,299 million metric standard cubic metre (MMSCM) in May. The 2.6 million tonne (MT) of crude oil produced in the country in the month was also 6.9% lower than the production from a year-ago period. Domestic production has been falling with the ageing of existing fields and muted response from the industry to take up new projects, mainly due to lack of adequate incentives.

Rising consumption of products in

LPG was the only product which registered growth of 13% to 2.3 MT in May, mainly due to government scheme of free cylinder refills for poor households and higher domestic consumption of LPG cooking gas

May is a positive development for the Union government, which has sharply increased auto fuel taxes by ₹10/litre of petrol and ₹13/litre on diesel in early May. In mid-February, the Centre had also hiked taxes on both these fuel by ₹3/litre to shore up more revenues.

With the rising sales, state-run refiners Indian Oil Corporation (IOCL) has ramped up capacity utilisation at its refineries from about 55% of rated capacity in the beginning of May, to about 78% by the month end, to the current level of 83%. Liquefied petroleum gas (LPG) was the only product which registered growth of 13% to 2.3 MT in May, mainly due to government scheme of free cylinder refills for poor households and higher domestic consumption of LPG cooking gas.

The requirement of furnace oil (FO) and low-sulphur heavy stock (LSHS) fuel — which are predominantly used in industrial applications — fell 7% to 479 thousand tonne.

CBI registers separate cases against 3 firms for defrauding PNB of over ₹125 crore

PRESS TRUST OF INDIA
New Delhi, June 11

THE CBI On Thursday conducted searches at multiple locations in the country after registering three separate cases against two Nagpur-based companies and a Bhubaneswar-based firm pertaining to loan frauds in the Punjab National Bank totalling over ₹125 crore, officials said.

The agency has booked Nagpur-based Linkson Ispat and Energies, its chairman-cum-managing director Yashwant Sangla, and Linkson International in which he is a director, in two separate cases for alleged cumulative fraud of around ₹93 crore through diversion of loan funds and cheating, they said.

The case against Linkson International pertains to loss of ₹62 crore, while that of Linkson Ispat and Energies to the tune of ₹31 crore.

In connection with these two cases, the CBI carried out searches at four locations in Nagpur

at the residential and official premises of the accused from where the probe agency recovered financial documents related to loan, company's financial health, electronic evidence like hard drives among others, officials said.

The bank has alleged that the companies trading in coal allegedly availed the facilities on the basis of forged documents and diverted the loan funds to companies having common directors.

The bank noted that the chartered accountant who was signing the financial records of the accused company was clearing the financial documents of companies suspected to be receiving funds from them.

In an unrelated case, the Central Bureau of Investigation (CBI) booked a Bhubaneswar-based company — Global Trading Solutions — and its managing director Abinash Mohanty along with three other former and sitting directors, besides three senior PNB officials in a case of cheating the public sector bank of around ₹32 crore, they said.
