## PRESS RELEASE

FOR IMMEDIATE RELEASE

22<sup>nd</sup> November, 2024

### **Essen Speciality Films Limited Awarded as 'Best in Class Innovation Award in Manufacturing' at MSME Make in India Initiative Award 2024 – Driving Innovation and Sustainability Forward**

Essen Speciality Films Limited is proud to announce its recognition with the prestigious 'MSME Make in India Best in Class Innovation Award in Manufacturing', conferred by the MSME Chamber of Commerce and Industry of India at Vigyan Bhavan, New Delhi on 18<sup>th</sup> November 2024.

This recognition highlights Essen's leadership to innovation and sustainability in manufacturing. The company continues to lead the way in new product development, with a strong emphasis on utilizing recyclable and recycled materials.

Commenting on the achievement, Mr. Pallav Doshi, Wholetime Director of Essen Speciality Films Limited, stated, "We are honored to receive the MSME Make in India Recognition. Innovation with sustainability is a fundamental way of doing business at Essen that encompasses profit, people, and the planet. We have always integrated sustainability across all aspects of our operations, and this recognition fuels our commitment to continuous improvement, safety, and accountability. Through teamwork and adherence to the highest quality standards, we are focused on positively impacting our customers, communities, and the environment."

This award further highlights Essen’s leadership and commitment to sustainability. As India’s leading fully integrated manufacturer and exporter of artificial plants and flowers, Essen takes pride in delivering high-quality products made from post-consumer recycled materials that meet the demands of global markets. With a global perspective, Essen now offers high quality, sustainable products locally manufactured to meet global quality standards and the Indian market needs. The company’s dedication to using recycled materials, combined with its strong collaboration with major international retailers, solidifies its position at the forefront of the manufacturing industry.

Through continuous advancements in technology and manufacturing processes, Essen remains committed to shaping the future of sustainable home décor and furnishing products.

**About Essen Speciality Films Limited:**

Essen Speciality Films Limited is a leading global manufacturer of sustainable plastic products, offering a diverse range including Bath Area and Accessories, Artificial Plants & Flowers, Kitchen & Dining, Storage & Organization, Fitness & Lifestyle, and Outdoor & Utility Products. Established in 2002 as a small family business, Essen has since grown into a powerhouse supplying top-quality products to Fortune 500 Retailers and OEMs across 47+ countries. Backed by over 38 years of machine manufacturing expertise from Rajoo Engineers Ltd., Essen prides itself on its commitment to sustainability, exclusively utilizing GRS certified recycled polymers in its manufacturing processes.
