Commenting on the Results,

Mr. Pratik Singhvi – Chairman & Managing Director said, "*We delivered a highest ever quarterly revenue in Q1 FY27, growing 60% YoY to ₹103 crore, EBITDA increasing 25% YoY to ₹29 crore and PAT rising 116% YoY to ₹20 crore. The quarter was driven by healthy demand across residential and commercial segments, supported by our growing portfolio of differentiated decorative surface solutions and deeper engagement with architects, designers and channel partners.*

While elevated raw material costs, and geopolitical uncertainties continued to impact global supply chains, our focus on value-added products, improved product mix and operating efficiencies enabled us to deliver healthy profitability. We remain focused on sustaining margins through premiumisation, scale benefits and disciplined execution.

The integration of URO Veneer World and Chawla Brothers is progressing well and has significantly strengthened our market reach across South and North India. Supported by a debt-free balance sheet and healthy internal accruals, we remain well positioned to capitalize on growth opportunities, unlock integration synergies, deepen market penetration and deliver sustainable long-term."
