Independent Auditor's Review Report on the Unaudited Standalone Financial Results of Eveready Industries India Limited for the quarter ended June 30, 2026 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.

To,
The Board of Directors
Eveready Industries India Limited
2, Rainey Park,
Kolkata – 700019

1. We have reviewed the accompanying unaudited standalone financial results of **Eveready Industries India Limited** ("the Company") for the quarter ended June 30, 2026 together with the notes thereon (herein after referred to as "the Statement") attached herewith. The Statement is being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Regulation") as amended and has been initialed by us for identification purpose.

2. This Statement is the responsibility of the Company's Management and approved by the Board of Directors in their meeting held on August 8, 2026, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 (Ind AS 34) "Interim Financial Reporting" prescribed under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", specified under Section 143(10) of the Companies Act, 2013. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of the Company's personnel responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing specified under section 143(10) of the Companies Act, 2013 and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ('Ind AS') specified under section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

We draw attention to the following matter:

5. Note 4 to the Statement regarding penalty of Rs. 171.55 Crores levied by Competition Commission of India for non-compliance with provision of the Competition Act 2002, against which an appeal has been filed by the Company with the National Company Law Appellate Tribunal (NCLAT), New Delhi and stay has been granted by NCLAT. As per legal advice obtained by the Company, the amount of penalty cannot be reliably estimated at this stage owing to the uncertainty of the future outcome of the litigation. Accordingly, no provision has been made.

SINGHI & CO. ★ Chartered Accountants ★

Our Conclusion is not modified in respect of above matter.

Other Matter:

6. The figures for the quarter ended March 31, 2026 as reported in the Statement is the balancing figures between audited figures in respect of the full financial year ended on March 31, 2026 and the published year to date figures up to the end of the third quarter ended December 31, 2025. Also, figures up to the end of the third quarter had only been reviewed by us as required under the Listing Regulations and not subjected to audit.

   Our Conclusion is not modified in respect of above matter.

Pursuant to the Battery Waste Management Rules, 2022 ("the Rules"), the Parent Company is required to fulfil Extended Producer Responsibility ("EPR") obligations from FY 2025–26 in respect of its Non-Rechargeable Portable Batteries. Certain operational and implementation aspects of the Rules, including the EPR compliance framework through the Central Pollution Control Board ("CPCB") Portal and the pricing mechanism for EPR Credits, continue to be under further deliberation by the Ministry of Environment, Forest and Climate Change ("MoEFCC") and the CPCB. The Parent Company continues to take all necessary measures towards compliance, including various collection & recycling initiatives and procurement of EPR Credits from registered Recyclers. Pending regulatory clarity and stabilisation of the implementation framework, the Parent Company is currently unable to reliably estimate the further financial impact, if any, arising from the Rules which will be accounted for once the reliable estimate is established.
