Sub: Investor Presentation

Ref: BSE Scrip Code: 500650; NSE Scrip Code: EXCELINDUS

Dear Sir/ Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, we enclose herewith the Investor Presentation on the Unaudited Financial Results for the quarter ended June 30, 2026. The Investor Presentation will also be available on the website of the Company i.e. www.excelind.co.in

We request you to take the above information on record.

Thanking you,

Yours faithfully,

For Excel Industries Limited

S K Singhvi
Company Secretary
Encl: As above

EXCEL INDUSTRIES LIMITED

Investor Presentation | Q1 FY27

This presentation and the accompanying slides (the “Presentation”), which have been prepared by Excel Industries Limited (the “Company”), have been prepared solely for information purposes and do not constitute any offer, recommendation or invitation to purchase or subscribe for any securities, and shall not form the basis or be relied on in connection with any contract or binding commitment whatsoever. No offering of securities of the Company will be made except by means of a statutory offering document containing detailed information about the Company.

This Presentation has been prepared by the Company based on information and data which the Company considers reliable, but the Company makes no representation or warranty, express or implied, whatsoever, and no reliance shall be placed on the truth, accuracy, completeness, fairness and reasonableness of the contents of this Presentation. This Presentation may not be all inclusive and may not contain all of the information that you may consider material. Any liability in respect of the contents of, or any omission from, this Presentation is expressly excluded.

Certain matters discussed in this Presentation may contain statements regarding the Company’s market opportunity and business prospects that are individually and collectively forward-looking statements. Such forward-looking statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties and assumptions that are difficult to predict. These risks and uncertainties include, but are not limited to, the performance of the Indian economy and of the economies of various international markets, the performance of the industry in India and world-wide, competition, the Company’s ability to successfully implement its strategy, the Company’s future levels of growth and expansion, technological implementation, changes and advancements, changes in revenue, income or cashflows, the Company’s market preferences and its exposure to market risks, as well as other risks. The Company’s actual results, levels of activity, performance or achievements could differ materially and adversely from results expressed in or implied by this Presentation. The Company assumes no obligation to update any forward-looking information contained in this Presentation. Any forward-looking statements and projections made by third parties included in this Presentation are not adopted by the Company and the Company is not responsible for such third-party statements and projections.

All Maps used in the Presentation are not to scale. All data, information and maps are provided "as is" without warranty or any representation of accuracy, timeliness or completeness.

Q1 FY27 Financial Performance

Q1 FY27 Results Highlights (Standalone)

₹ 294 Crs

Revenue

₹ 42 Crs

EBITDA

₹ 29 Crs

PAT

- Erratic monsoon conditions impacted demand for the Agrochemical Intermediates product group
- Despite the underperformance in Agrochemical Intermediates, Q1 FY27 revenue reached ~95% of Q1 FY26 revenue
- Strong performance from other product groups largely offset the decline in Agrochemical Intermediates
- Revenue traction was supported by previously announced contract manufacturing projects with superior margin profiles
- Prudent supply chain management ensured no stock out during disruption amidst global volatility in Raw material pricing and availability
- EBITDA remained stable at ₹42 crore in Q1 FY27, despite lower revenues versus Q1 FY26
- PAT declined by ₹5 crore YoY, primarily due to lower non-operating income
- Maintained market share in key products while continuing to diversify its product portfolio

Timely Project Completion Reinforces Execution Excellence

Key Milestone

- Dedicated manufacturing project successfully completed on 23rd July 2026 as per agreed timelines
- Supports supplies under the 5-year long term supply agreement with a leading specialty chemicals company
- Dedicated Facility established with a planned capex of Rs. 40 crores
- **Customer commitment is in the form of trade advance of Rs 25 Cr**

Strategic Impact

- Demonstrates Excel's project execution capability through timely completion
- Reinforces customer confidence
- Diversifies revenue streams through specialty chemical manufacturing
- Creates platform for additional opportunities in the contract manufacturing segment

Long Term Value
Creation with
Revenue Potential
Rs. **35-40 Cr p.a.**
(Excluding Cost of
Raw Materials)

Commenting on this development, Mr. Ravi Ashwin Shroff – Managing Director said,

“We are pleased to announce the successful completion of the project for production for supplies against the long-term supply agreement on 23rd July 2026. The project has been completed as per the timelines agreed with the customer. This achievement underscores our execution abilities and our commitment towards fulfilling the customer expectations. This achievement will further strengthen our position as a reliable contract manufacturing partner, whilst diversifying our revenue base. We are hopeful that this will set the base for more opportunities for the company in the contract manufacturing space. ”

New Product launch

Capex Details

Setting up a **1,265 MTPA** specialty chemical facility at **Lote** to diversify the product portfolio.

Amount

Investment of Rs **5 crores** approx.

Completion

Expected launch – **February 2027** post commissioning of the production capacity

Scope

Market potential in a **wide range of geographies.**

Standalone performance in Q1 FY27

Revenue (₹ in Crs)

EBITDA (₹ in Crs)

PAT (₹ in Crs)

Revenue Profile (₹ in Crs)

EBITDA Margin (%)

PAT Margin (%)

Reduction in PAT due to reduction in other income

Business Outlook

- Near-term demand challenges in Agrochemical Intermediates are expected to persist
- Non-agrochemical product groups are expected to maintain growth momentum and support overall performance
- With the dedicated manufacturing setup now commissioned, we are targeting higher volumes under the long-term specialty chemical supply agreement (announced in November 2025)
- Raw material price volatility, supply availability, and shipping disruptions are expected to continue into Q2; we remains agile in managing these challenges
- Development initiatives in Biocides and Performance Solutions remain on track, with product launches targeted during FY27

Standalone Profit and loss Statement

Particulars (Rs. Cr)	Q1FY27	Q1FY26	Y-o-Y	Q4FY26	Q-o-Q	FY26

Company Overview

Excel Industries – At a Glance

Established in 1941 with an objective to make India self reliant in chemicals by developing indigenous chemical technologies

Excel Industries manufactures complex products through the best-in-class technological setup

Involved in manufacturing Agrochemical intermediates and Specialty Chemicals. Also manufactures polymer inputs, pharmaceutical intermediates and APIs (Active Pharma Ingredients)

The Company is a leading player in basic and advanced Phosphorous derivatives catering to various end use industries

Pioneer in Organic Waste Management and Municipal Solid waste management in India

Manufacturing facilities located at Roha, Lote, and Vishakhapatnam

Our Legacy of Leadership

01

Agrochemical intermediates

DETC, DMTC, NaTCP, DMPAT

02

YP Derivatives

P2S5, PSCL3, PCL3, PCL5

03

Performance Solutions

Phosphonates, Biocides, Speciality mining additives, Polymer - Property modifiers and functional additives

04

Pharma Intermediates & API

Acetyl Chloride, Febuxostat, Teneligliptin API, Butaphosphan

05

Waste Management

Excel OWC, Integrated MSW, Bioculum, Sanitreat, Plastic and Construction & Demolition Waste Management

Leveraging deep technical expertise and scalable infrastructure, we offer **Contract Manufacturing** across our core chemical portfolio

Serving Critical End-use Industries

Agrochemical Intermediates

Corrosion Inhibitors & Chelating Agents

Polymer Aids and Property modifiers

Pharma & Veterinary

Other Organic Intermediates

Biocide

Waste Management

Organophosphorus Insecticides and Herbicides

Water treatment

Soaps & Detergents

Oilfield and Lube additive

Mining additives

Household, Industrial and Institutional cleaning

Textiles

Polymer property modifiers

API for Gout, Diabetics and veterinary nutritional supplements

Phosphorus based downstream manufacturing

Recycling

MDF

Paint

ROHA

- One of Excel's first large scale facilities.
- The Roha site is the main production hub of a number of key phosphorus-based products, and it handles one of the highest quantities of yellow phosphorus in India.
- Wide range of chemical inputs and Veterinary APIs are manufactured at Roha along with key polymer additives and specialty chemicals.

LOTE

- This site is a leading producer of Organo phosphonates which are used as chelating agents in a wide range of applications including water treatment, soaps and detergents, textile auxiliaries and I & I cleaners.
- Products manufactured in this site are also used as Biocides and find application in Coatings, MDF Boards and Adhesives.
- Proposed commissioning of a new specialty chemical manufacturing project at the Lote facility with a planned capacity of 1,265 MTPA, subject to applicable approvals and disclosures.

VIZAG

- This site was acquired in 2019 and is located in Special Economic Zone (SEZ, Atchutapuram) near Visakhapatnam in Andhra Pradesh.
- Currently the Plant Manufactures Specialty Intermediates and it has a potential for future expansion.

Investing in Future Growth

Capital Expenditure

Over the next three years, we will invest Rs. 200-300 Crores in plant upgrades, product innovation, capacity expansion, and technology. Rs. 30-40 Crores per year is reserved for ongoing maintenance and improvements.

Sustainability Initiative

The Company has undertaken investments in solar renewable energy as part of its focus on sustainable and environmentally responsible growth.

Lote and Roha Sites

Undergone technological advancements and asset maintenance.

Capacity Expansion

Received EC from regulatory bodies to increase its production capabilities and product offerings. Few of the products are Phosphorus Pentasulphide, Diethyldithiophosphoryl Chloride, Diazotization Chemistry platform, Phosphonates and Pharma capacities.

Waste-water treatment

Upgraded its waste-water treatment capabilities in line with the expanded volumes.

Vizag Facility

Added volume capabilities for its existing and few new products.

Distinctive Competitive Edge

Strong legacy and experience

Rooted in decades of phosphorus chemistry, we power agrochemical and polymer innovations with enduring expertise and strategic agility

Diversified product portfolio

Blending chemical expertise with environmental innovation, we deliver sustainable solutions across agrochemicals, pharma, polymers, and waste management

Robust R&D capabilities

Fueling progress through relentless R&D, we craft future-ready chemical and environmental solutions anchored in innovation and technical excellence

Prudent capital management

Built on operational efficiency and strategic discipline, we generate sustainable value—fueling future growth with our own momentum

Backward integration

By driving backward integration, we secure supply chains, enhance efficiency, and uphold quality - strengthening our edge in pharma, specialty chemicals, and polymer additives

Strategic focus on sustainability

Sustainability has always been second nature to us - rooted in responsibility, driven by innovation, and upheld long before regulations required it

Industry has a Huge Potential

The Global Specialty Chemical Industry was valued at \$941Bn in 2025 and is projected to reach \$1,430Bn by 2036, growing at a CAGR of 3.9% from 2025 to 2036*

MARKET SEGEMENTATION

- Agrochemicals
- Dyes and Pigments
- Construction Chemicals
- Specialty Polymers
- Textile chemicals
- Base Ingredients
- Surfactants
- Water treatment
- Functional Ingredients

KEY INSIGHTS*

Asia pacific market is forecasted to captured around 50% market share by 2036

The industry is highly reliant on application-specific and high-performance chemical solution

China is largest market in terms of chemical sale and account for significant share globally due to heavy investment in R&D

OUTLOOK

- India is rapidly expanding its footprint in agrochemicals and construction chemicals^
- China is expected to keep specialty chemical imports high.
- The specialty chemicals subsegments will drive growth in the coming years, with an 80% share of India's chemical exports.#

1. * Research Nester
2. ^Fortune Business Insights
3. #Invest India

Indian industry growing at double digit

- The Indian chemical industry is expected to reach \$383 billion by 2030 *(Source: EY)*
- Market share of India to grow to 7.1% in FY27. *(Source: CRISIL Intelligence)*
- Domestic growth in the sector is predicted to be at 13-15% . *(Source: CRISIL)*
- *Exports* and revenue from India are predicted to grow 18-20% . *(Source: CRISIL)*

Globally, India is the third-largest consumer of polymers, fourth-largest producer of agrochemicals and sixth largest producer of chemicals.

India's 2030 vision is to emerge as a leading global hub for chemical manufacturing, targeting a 5-6% share in the worldwide chemical value chain.

A network of 200 plus national laboratories and 1,300 R&D centres provides a strong base to the Indian chemical industry to drive innovations

The Indian Specialty Chemical Industry was valued at \$ 65Bn in 2024 and is projected to reach \$92Bn by 2033, growing at a CAGR of 3.8% from 2024 to 2033.

ESG & CSR

Excel's Three Pillars of Sustainability

All Three Aspects – People, Profit and Planet must be balanced to ensure Sustainability

People in **Excel Industries** are guaranteed a work environment where employees find value in what they do everyday. Beyond a safe, healthy work environment, opportunities to develop one's potential are provided through education and participation.

Planet refers to the commitment by **Excel Industries** to implement environmentally sustainable practices and they continually look for ways to go beyond what is expected in order to safeguard and enhance the natural environment.

Protecting the interests of all our stakeholders

Annexure

Mr. Ashwin C. Shroff

Executive Chairman

- He has been part of the Company since 1965 and his leadership continues to inspire the entire group to march ahead
- He has been richly recognized for his contributions to the growth of the Indian Chemical industry and received the ICC Lifetime achievement award in 2018
- He previously held the position of President for Indian Chemical Council and Chairman Environment Committee at Federation of Indian Chambers of Commerce & Industry (FICCI)

Mr. Ravi A. Shroff

Managing Director

- He is a third generation industrialist who is qualified as a Chemical Engineer with Masters in Chemistry
- His areas of strengths are Strategy, New business development, R&D and Finance
- He is currently the Managing Director of Excel Industries and also on Board of other companies
- He is well connected with Startup Ecosystems and actively participates in it

Mr. Hrishit A. Shroff

Executive Director

- He is a Chartered Accountant and an alumni of Harvard Business School having completed the Owner President Management program
- Has a prior business leadership experience in Agrochemicals as Executive Director of erstwhile Excel Crop Care Ltd.
- His areas of expertise are financial planning, people development and business strategy formulation.
- He is currently the Executive Director of Excel Industries Ltd and also on Board of other companies.

Mr. Pradeep Ghattu

President & Chief Operating Officer

- He is a graduate in Electronics with a post graduate degree (M.B.A.) in Management. He has more than three decades of Industry experience.
- He has been associated with Excel Industries since 2004 in various functions including Corporate Affairs (M.D.'s office), International and Domestic Sales, ERP Implementation, Product Group Management, Heading the delivery function as President and Chief Operating Officer (COO) and long term strategy formulation.

Eminent Board

Mr. Ninad D. Gupte

Mr. Ninad D. Gupte is a Bachelor of Science from Bombay University, PGDBM from XLRI-Jamshedpur and has Diploma in Tax Management. He has a vast experience of 49 years in Agri and Specialty Chemicals Industry. He is currently a Director in Sumitomo Chemical India Ltd and Excel Crop Care (Africa) Ltd.

Mr. Vihang Virkar

Mr. Vihang Virkar holds a degree in Bachelor of Legal Studies (BLS) and a degree in Master of Laws (LLM). He has a vast experience of 22 years as corporate and commercial lawyer. He is the Lead Partner of the Mumbai Corporate practice of DMD Advocates .

Mr. Rajesh Varma

Mr. Rajesh Varma holds a Bachelor of Commerce (B. Com) degree and is a Fellow Chartered Accountant (FCA). He has vast experience of 32 years with expertise in Corporate Governance and Enterprise Risk Management. Currently he is a Managing Partner of RVCO Consultants, LLP and Independent Director in Shilchar Technologies.

Mr. Shekhar Khanolkar

Mr. Shekhar Khanolkar holds degree in B.E. (Petroleum and Petrochemical Engineering) M.N.S. (Marketing) and AMP from Harvard Business School. He has vast experience of 30 years in Leadership, People Management, Strategy, Operation & Projects. Currently he is an Independent Director and member of the audit committee with Aarti Industries Limited.

Dr. Meena A. Galliara

Dr. Meena A. Galliara is currently a Director at Jasani Center for Social Entrepreneurship & Sustainability Management and Narsee Monjee Institute of Management Studies (NMIMS). She is alumna of Tata Institute of Social Sciences (TISS). She is a co-chairman of the CSR Committee and has been appointed as the special invitee to the Board of Bombay Chambers of Commerce and Industry.

Mr. Mahtabuzzaman

Mr. Mahtabuzzaman has over 36 years of experience in the life insurance industry, handling responsibilities across operations and marketing, and served on deputation with IRDAI for three years. A Science graduate and Fellow of the Insurance Institute of India, holds a Diploma in Health Insurance and completed the PGEP from IIM Ahmedabad.
