Dear Sir/Madam,

Ref: Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015

This is in continuation to our earlier communication vide letter dated 23rd March, 2020, informing about temporary shutdown of operation at the manufacturing facilities and other offices of Exide Industries Limited in the wake of novel corona virus (COVID-19) outbreak.

We now write to inform you that taking cognizance of the Governments' views around resuming manufacturing activities with controlled entry and exit facilities, and in light of the Ministry of Home Affairs ("MHA"), GOI Order dated 15th April, 2020 and after obtaining necessary permissions as required, operations at some of the Company's locations are being partially resumed on a limited scale in a gradual and phased manner from 20th April 2020.

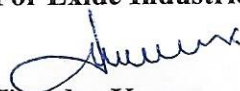

This is being done, keeping in mind social distancing norms, safety, health and well-being of the workers and employees at the locations and in line with the SOPs issued by the MHA.

Due to the continued restriction in movement of goods and people, in view of the COVID 19 pandemic, the company may not be able to operate the plants at its optimal capacities for some time. Considering the prevailing uncertainties, it is difficult at this point to ascertain the impact arising out of the suspension of operations.

We request you to kindly take the same on records.

Thanking you.

Yours faithfully,
For Exide Industries Limited

Jitendra Kumar
Company Secretary and
EVP- Legal & Administration
