ORDER

1. This is an Application filed under Sections 230 to 232 of the Companies Act, 2013, seeking necessary directions of this Tribunal for notices and convening meetings/dispensation of meetings of the shareholders and creditors of the Applicant Companies with respect to the Scheme of Amalgamation of Privi Fine Sciences Private Limited (Transferor Company-1) and Privi Biotechnologies Private Limited (Transferor Company-2) with Privi Speciality Chemicals Limited (Transferee Company).

2. The Applicant Companies stated that the Board of Directors of the Applicant Companies, in their respective meetings held on 19.12.2025, have approved the Scheme. All the relevant resolutions are part of the Application. The Appointed Date fixed for the Scheme is 01.10.2025.

3. The Applicant Companies further stated that Applicant Company 1 and 2 are not listed on any Stock Exchange. The Applicant Companies are not governed by any sectoral regulators. Further, the Applicant Company 1 and 2 are not required to issue notice upon the Securities and Exchange Board of India, Competition Commission of India and Reserve Bank of India.

4. The Applicant Companies further stated that the shares of the Applicant Company 3 are listed on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE) and are governed by the sectoral regulators. Pursuant to which, the Applicant Company 3 has obtained a No Objection Letter from NSE bearing reference no. NSE/LIST/52681 dated 05.05.2026 and a No Objection Letter from BSE bearing reference no. DCS/AMAL/RD/R37/53/2026-27 dated 06.05.2026. Company has furnished an undertaking which is in compliance with the No Objection Letter. Further stated that the Applicant Company 3 is not required to issue notice to the Securities and Exchange Board of India, the Competition Commission of India, and the Reserve Bank of India. Copy of letters from BSE and NSE are part of the Application.

5. ***Nature of Business***: It is submitted by the Applicant Companies that –

Application No.: CCR/NCLT/2026/136/01264
Date of Application: 2026-09-08
No. of Pages: 15
Valid with Facing Sheet Only.:

(i) The Transferor Company-1 is engaged in the business of manufacturer, exports, and trading in Specialty chemicals and other chemical products.

(ii) The Transferor Company-2 is engaged in the business of manufacturer, trading, researchers, developers, creators of Specialty chemicals and other chemical products.

(iii) The Transferee Company is engaged in the business of manufacture, trading and export of bulk Aroma and Specialty chemicals.

6. ***Rationale of the Scheme***: The Applicant Companies stated that the rationale for the proposed scheme of amalgamation is as follows:

6.1 As the Transferor Companies 1 and 2 are engaged in a similar line of business to the Transferee Company, the amalgamation will enhance and strengthen the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits, such as optimum use of infrastructure, cost reduction and efficiencies, productivity gains, logistic advantages, and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to future growth and maximizing shareholder value.

6.2 The proposed amalgamation would be in the best interest of the Transferor Companies 1 & 2, the Transferee Company and their respective Shareholders, Employees, Creditors, Customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

(a) Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

(b) Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

Valid with Facing Sheet Only.:

(c) *Creating an integrated value chain to enhance degree of vertical integration in the products segment;*

(d) *Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management;*

(e) *Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder's value.*

(f) *Integrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.*

6.3 The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

6.4 Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

6.5 The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the businesses;

6.6 The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of Transferor Company 1, Transferor Company 2 and the Transferee Company. The Transferor Companies and the Transferee Company are closely held, managed, controlled and promoted by the same family and therefore, with a view to maintaining a simple corporate structure and eliminating duplicate corporate procedures, it is desirable to merge the Transferor Companies and Transferee Company.

In view of the aforesaid, the Board of Directors of the respective Companies have formulated, considered, and proposed the Scheme.

7. The Applicant Companies stated that the Authorised, Issued, Subscribed and Paid-up Share Capital of the Applicant Companies as on 31.03.2025 are as under:

out of the said unsecured creditors, 189 unsecured creditors having an aggregate value of Rs. 11,44,51,434/- (constituting 77.56% of the total value) have been paid as on 08.06.2026. Further, 1 (One) Unsecured Creditor having a value of Rs. 3,30,37,511/- (constituting 22.39% of the total value) has issued a consent affidavit to the Scheme. Accordingly, unsecured creditors having value of Rs.14,74,88,945/- (constituting 99.95% of the total value) have been paid off and/or issued consent affidavit. In view of the same, convening and holding meeting of the unsecured creditors of the Transferor Company-1 is dispensed with. The list of Unsecured Creditors as on 31.03.2026 duly certified by a Chartered Accountant and the consent affidavit are part of the Application. However, the Transferor Company-1 is directed to serve notice to its remaining unsecured creditors by post/courier/email/hand-delivery. Representations, if any, shall be filed before this Tribunal with a copy to the Transferor Company-1 within 30 (thirty) days from the date of receipt of such notice, failing which, it shall be presumed that they have no objection to the proposed Scheme.

9.8 The Ld. PCS for the Applicant Companies further submitted that as on 31.03.2026, the Transferor Company-2 has 56 Unsecured Creditors having an outstanding amount of Rs.77,45,460 (Seventy-Seven Lakh Forty-Five Thousand Four Hundred and Sixty Rupees). It is further submitted that all 56 (Fifty-Six) unsecured creditors constituting 100% in value have been fully paid as on 08.06.2026. A copy of the certificate issued by the statutory auditor certifying the list of unsecured creditors is attached with the Application. In view of the same, convening and holding meeting of the unsecured creditors of the Transferor Company-2 is dispensed with.

9.9 The Ld. PCS for the Applicant Companies further submitted that as on 31.03.2026, the Transferee Company has 955 (Nine-Hundred Fifty-Five) Unsecured Creditors having an outstanding amount of Rs.537,88,23,955/- (Five hundred thirty-seven crore, eighty-eight lakhs, twenty-three thousand, nine hundred fifty-five Rupees). Based on the above details, the aggregate amount paid up and consent obtained as on 07.07.2026 constitutes 93.18% of the outstanding balance as at 31.03.2026. The Applicant Companies submitted that, so far as the Unsecured Creditors of the Transferee Company are concerned, they will in no way be affected by the proposed Scheme of Amalgamation, as the present scheme is filed under section 230(1)(b), i.e., the Scheme is between the Company and its members. The Scheme is not in the nature of an arrangement between the Company and its creditors as contemplated under section 230(1) (a) of the Companies Act, 2013. It is further submitted that the Unsecured Creditors of the Transferee Company are not in any manner affected by the Scheme, as no compromise or arrangement is envisaged in the Scheme with the Unsecured Creditors. The Applicants further stated that the Scheme does not contemplate any variation in the rights of the Unsecured Creditors in any manner whatsoever. The Applicants stated that upon the Scheme becoming effective, the Transferee Company shall continue with its existence and shall accordingly continue to meet the liabilities of its creditors as well as creditors of Transferor Companies as they arise in the normal course of business. Furthermore, the assets of the combined entity after the proposed amalgamation will be far more than its liabilities; i.e., the net worth of the Transferee Company as on 30.09.2025 would increase from Rs.1,24,963.81 Lakh to Rs.1,35,899.84 Lakh. In view of this, the meeting of the

B. PURPOSE AND RATIONALE OF THE SCHEME

This Scheme of Amalgamation would result, inter-alia, in the following synergies for both the Transferor Company 1, the Transferor Company 2 and the Transferee Company and thereby preserving and creating value for its shareholders, creditors and various other stakeholders:

1. The Transferor Company 1 and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen

PRIVI FINE SCIENCES PRIVATE LIMITED REGD. OFFICE Navi Mumbai-400709

PRIVI BIOTECHNOLOGIES PVT LTD

PRIVI SPECIALITY CHEMICALS LTD REGD. OFFICE Navi Mumbai - 400 710

the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

2. The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective shareholders, employees, creditors, customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

   (a) Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

   (b) Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

   (c) Creating an integrated value chain to enhance degree of vertical integration in the products segment;

   (d) Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management;

   (e) Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder's value.

(f) Integrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

3. The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

4. Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

5. The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

6. The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

PART B

AMALGAMATION OF THE TRANSFEROR COMPANIES WITH THE TRANSFEREE COMPANY

5. **VESTING OF ASSETS AND LIABILITIES**

Upon the Scheme becoming effective and with effect from the Appointed Date, the Transferor Company 1 and Transferor Company 2 shall stand amalgamated with and be vested in the Transferee Company, pursuant to Sections 230 to 232 read with other relevant provisions of the Act and Section 2(1B) of the Income Tax Act, such that all the properties (tangible and intangible), assets, rights, contracts, Permits, claims, title, interest, benefits, authorities, investments, liabilities, duties and obligations comprised in both the Transferor Companies immediately before the amalgamation shall automatically, and without any further act, instrument, deed, matter or thing, shall stand transferred to and vested in and/ or deemed to be transferred to and vested in the Transferee Company, on a 'going concern' basis for the consideration as set out hereinafter by virtue of operation of law and in the manner provided in this Scheme.

6. **TRANSFER OF ASSETS**

Without prejudice to the generality of Clause 5 above, the assets of the Transferor Company shall stand transferred to and vested in the Transferee Company in the following manner:

6.1 Such of the assets of the Transferor Companies which are movable in nature, or are incorporeal property, business licenses, Permits, trademarks, patents, domain, registrations, authorization, and/ or otherwise capable of transfer by manual or constructive delivery and/ or endorsement and delivery including cash on hand, the same may, upon coming into effect of this Scheme, be so transferred to the Transferee Company without requiring any deed or instrument of conveyance and shall upon such transfer, become the property and an integral part of the Transferee Company. Provided that for the purpose of giving effect to the vesting order passed under Sections 230 to 232 of the Act in respect of this Scheme, upon the Scheme becoming effective, the Transferee Company shall be entitled to effect the change in the title and the appurtenant legal right(s) upon the vesting of such assets of the Transferor Companies in accordance with the provisions of Sections 230 to 232 of the Act, at the office of the respective Registrar of Assurances or any other concerned authority, where any such

asset is situated, without any other order to this effect. Further, in respect of the assets of the Transferor Companies as are movable in nature or are otherwise capable of transfer by delivery of possession or by endorsement and delivery, the same shall be so transferred upon the Effective Date and shall become an asset of the Transferee Company with effect from the Appointed Date without requiring any deed or instrument of conveyance for transfer of the same.

6.2 In respect of assets other than those dealt with in Clause 6.1 above, including but not limited to actionable claims, inventory, sundry debts, receivables, bills, credits, loans, advances and deposits, if any with the Government, statutory authorities local or otherwise, bodies and customers, whether recoverable in cash or in kind or for value to be received, bank balances and deposits, etc. the same shall stand transferred to and vested in the Transferee Company without any notice or other intimation to any Person in pursuance of the provisions of the Sections 230 to 232 read with other relevant provisions of the Act to the end and intent that the right of the Transferor Companies to recover or realize the same stands transferred to the Transferee Company. The Transferee Company shall, at its sole discretion but without being obliged, give notice in such form as it may deem fit and proper, to such Person, as the case may be, that the relevant assets including but not limited to actionable claims, inventory, debt, receivable, bill, credit, loan, advance or deposit stands transferred and vested in the Transferee Company and that appropriate modification should be made in their respective books/ records to reflect the aforesaid changes.

6.3 In so far as the immovable properties including but not limited to land and buildings, any structure thereon or any other immovable properties of Transferor Companies, whether freehold or leasehold, and any documents of title, rights and easements in relation thereto upon coming into effect of this Scheme, be so transferred to the Transferee Company without requiring any deed or instrument of conveyance and shall upon such transfer, become the property and an integral part of the Transferee Company. With effect from the Appointed Date, the Transferee Company shall be entitled to exercise all rights and privileges and be liable to pay ground rent, municipal taxes and fulfil all obligations in relation to or applicable to such immovable properties. Provided that for the purpose of giving effect to the vesting order passed under Sections 230 to 232 of the

PRIVI FINE SCIENCES PRIVATE LIMITED REGD. OFFICE Navi Mumbai-400709

PRIVI SPECIALITY CHEMICALS LTD REGD. OFFICE Navi Mumbai - 400 710

Without prejudice to the generality of Clause 5 above, the liabilities of the Transferor Companies shall stand transferred to and vested in the Transferee Company in the following manner:

7.1 With effect from the Appointed Date and upon the Scheme becoming effective, all debts, liabilities (including contingent liabilities), duties and obligations of every kind, nature and description, of the Transferor Companies shall be transferred or be deemed to have been transferred to Transferee Company, to the extent they are outstanding on the Effective Date, without any further act, deed, matter or thing and the same shall be assumed by Transferee Company so as to become, on and from the Appointed Date, the liabilities and obligations of the Transferee Company on the same terms and conditions as were applicable to the Transferor Companies. The Transferee Company shall undertake to meet, discharge and satisfy the same and further, it shall not be necessary to obtain the consent of any third party or other Person who is a party to any contract or arrangement by virtue of which such debts, liabilities and obligations have arisen in order to give effect to the provisions of this Clause.

7.2 All loans, advances and other obligations (including any guarantee, letter of credit, letter of comfort or any other instrument or arrangements which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future become due between Transferor Companies and Transferee Company, shall stand discharged with effect from Appointed Date and there shall be no liability in that behalf on either party.

7.3 Upon the Scheme becoming effective, any tax liabilities under the Income Tax Act, Customs Act, 1962, Central Excise Act, 1944, Central Sales Tax Act, 1956, any other State Sales Tax, Value Added Tax, or Service Tax or Corporation Tax or Goods and Service Tax, other Applicable Laws, regulations dealing with taxes, duties, levies, cess to the extent not provided for or covered by tax provision in the Transferor Companies accounts made as on the date immediately preceding the Appointed Date shall be transferred to the Transferee Company. Any surplus in the provisions for taxation, duties or levies account including advance tax, tax deducted or collected at source and credit for Minimum Alternate Tax and such other tax, as on the date immediately preceding the Appointed Date will also be transferred to the account of and belong to the Transferee Company.

7.4 For the period between the Appointed Date and the Effective Date all debts, liabilities, duties and obligations of the Transferor Companies, shall be deemed to be for and on account of the Transferee Company.

8. **CONTRACTS, DEEDS, BONDS AND OTHER INSTRUMENTS**

Without prejudice to the generality of Clause 5 above, the contracts, deeds, etc. relating to the Transferor Companies shall stand transferred to and vested in the Transferee Company in the following manner:

8.1 With effect from the Appointed Date and upon the Scheme becoming effective, all contracts, deeds, bonds, agreements, schemes, arrangements, insurance policies, indemnities, guarantees and other instruments of whatsoever nature in relation to Transferor Companies, or to the benefit of which Transferor Companies may be eligible, and which are subsisting or having effect on or immediately before the Effective Date, shall be in full force and effect, on or against or in favour of the Transferee Company and may be forced as fully and effectually as if, instead of the Transferor Companies, the Transferee Company had been a party or beneficiary or obligee thereto.

8.2 The Transferee Company may, at any time after the effectiveness of this Scheme in accordance with the provisions hereof, if so required, under any law or otherwise, enter into, or issue or execute deeds, writings, confirmations, novations, declarations, or other documents with, or in favour of any Person to any contract or arrangement to which the Transferor Companies is a party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall be deemed to be authorised to execute any such writings on behalf of the Transferor Companies and to carry out or perform all such formalities or compliances required for the purposes referred to above on the part of the Transferor Companies.

8.3 Until the Effective Date, the Transferor Companies shall carry on the business activities in the ordinary course and shall not execute any material contract or undertake or assume any liability, obligation or undertaking without the prior written consent of the Transferee Company.

9. **LEGAL PROCEEDINGS**

9.1 All legal proceedings of whatever nature by or against the Transferor Companies pending on the Effective Date, shall not be abated, be discontinued or be, in any way, prejudicially affected by reason of the transfer of the undertakings, business, assets, properties and liabilities of the Transferor Companies or of anything contained in this Scheme but the proceedings may be continued, prosecuted and enforced by or against the Transferee Company in the same manner and to the same extent as it would or might have been continued, prosecuted and enforced by or against the Transferor Companies as if the Scheme had not been made.

9.2 On and from the Effective Date, all suits, cause of action, appeal, tax proceedings, investigations, arbitrations, any enquiry or other judicial, quasi-judicial, arbitral or other administrative proceedings of whatsoever nature by or against the Transferor Companies in relation to the provision or conduct of the business and pending or arising subsequent to the Appointed Date, shall be continued, prosecuted and enforced by or against the Transferee Company in the same manner and to the same extent as it would or might have been continued, prosecuted or enforced by or against the Transferee Company as if the Scheme had not been made.

9.3 On and from the Effective Date, the Transferee Company may initiate any legal proceeding for and on behalf of the Transferor Companies. All orders/ judgments/ awards of any Appropriate Authority in favour of the Transferor Companies or to the benefit of which Transferor Companies may be eligible, shall remain in full force and effect in favour of Transferee Company without any further act, instrument, deed or thing and may be enforced as fully and effectually as if, instead of Transferor Companies, the Transferee Company had been a party or beneficiary thereto.

10. **EMPLOYEES**

10.1 With effect from the Effective Date, all the employees of the Transferor Companies shall become the employees of the Transferee Company on such date without any break or interruption in service and upon terms and conditions not less favourable than those on which they are engaged by the Transferor Companies, immediately preceding the Effective Date.

10.2 The Transferee Company undertakes to continue to abide by any agreement/ settlement or arrangement, if any, entered into or deemed to have been entered into by the Transferor Companies with any Persons in relation to the employees of the Transferor Companies. The Transferee Company agrees that the services of all such employees with the Transferor Companies prior to the Appointed Date shall be taken into account for the purposes of all existing benefits (including any leave encashment benefits) to which the said employees may be eligible, including for the purpose of payment of any retrenchment compensation, gratuity and other retiral/ terminal benefits.

10.3 In so far as the existing provident fund, gratuity fund and pension and/ or superannuation fund, trusts, retirement fund or benefits and any other funds or benefits, if any, created by the Transferor Companies for its employees (collectively referred to as the "**Funds**"), the Funds and such of the investments made by the Funds being transferred to the Transferee Company, in terms of the Scheme shall be transferred to the Transferee Company and shall be held for their benefit pursuant to this Scheme in the manner provided hereinafter. The Funds shall, subject to the necessary approvals and permissions and at the discretion of the Transferee Company, either be continued as separate funds of the Transferee Company for the benefit of the employees of the Transferor Companies or be transferred to and merged with other similar funds of the Transferee Company. In the event that the Transferee Company does not have its own funds in respect of any of the above, the Transferee Company may, subject to necessary approvals and permissions, continue to contribute to relevant funds of the Transferor Companies, until such time that the Transferee Company creates its own fund, at which time the Funds and the investments and contributions pertaining to the employees of the Transferor Companies shall be transferred to the funds created by the Transferee Company. Subject to the relevant law, rules and regulations applicable to the Funds, the Board of Directors or any committee thereof of the Transferee Company may decide to continue to make the said contributions to the Funds of the Transferor Companies. Upon transfer of the aforesaid Funds of the Transferor Companies, the existing trust, if any created for such Funds by the Transferor Companies shall stand dissolved and no further act or deed shall be required to this effect.

10.4 It is clarified that the services of the employees of the Transferor Companies will be treated as having been continuous and not interrupted for the purpose of the said Fund or Funds.

11. INTELLECTUAL PROPERTY

Upon the Scheme coming into effect, all trade and service names and marks, patents, copyrights, designs, trade information, goodwill, business and credentials which includes the positive reputation that the Transferor Companies was enjoying to retain its clients, statutory licenses, infrastructural advantages, overall increase in market share, customer base, skilled employees, business claims, business information, business contracts, trade style and name, marketing and distribution channels, marketing or other commercial rights, customer relationship, trade secrets, information on consumption pattern or habits of the consumers in the territory, technical know-how, client records, KYC (know your customer) records/ POAs (power of attorney), authorisations, client details and other intellectual property rights of any nature whatsoever, books, records, files, papers, engineering and process information, software licenses (whether proprietary or otherwise), drawings, computer programs, computer accessories, manuals, data, catalogues, quotations, sales and advertising material, lists of present and former customers and suppliers, other customer information, customer credit information, customer pricing information and all other records and documents, whether in physical or electronic form relating to business activities and operations of the Transferor Companies, if any, shall be transferred to the Transferee Company from the Appointed Date, without any further act, instrument or deed.

12. INTER-SE TRANSACTIONS

With effect from the Effective Date, all inter-se contracts solely between the Parties shall stand cancelled and cease to operate, and appropriate effect shall be given to such cancellation and cessation in the books of accounts and records of the Transferee Company. With effect from the Effective Date, there will be no accrual of income or expenses on account of any transactions in the nature of sale or transfer of any goods, material or services, between the Transferor Companies and the Transferee Company. For avoidance of doubt, it is hereby clarified that with effect from the Effective Date, there will be no accrual of interest or other charges in respect of any inter-se loans, deposits or balances between the Transferor Companies and the Transferee Company.

13. **BORROWING LIMITS, CORPORATE APPROVALS**

13.1 With effect from the Effective Date, the borrowing and investment limits of the Transferee Company under the Act shall be deemed without any further act or deed to have been enhanced by the borrowing and investment limits of the Transferor Companies, such limits being incremental to the existing limits of the Transferee Company.

13.2 Any corporate approvals obtained by the Transferor Companies, whether for purposes of compliance or otherwise, shall stand transferred to the Transferee Company and such corporate approvals and compliance shall be deemed to have been obtained and complied with by the Transferee Company.

14. **CONSIDERATION**

14.1 Upon the Scheme becoming effective and upon the amalgamation of the Transferor Companies with the Transferee Company in terms of this Scheme:

14.1.1 the Transferee Company shall, without any further act, deed, issue and allot on a proportionate basis to each shareholder of the Transferor Company 1, whose name is recorded in the register of members on the Effective Date, in accordance with the terms of the Scheme and without any further application, act, deed, payment, consent, instrument or deed issue 1 (One) fully paid up equity shares of Rs.10/- each of the Transferee Company ("**Transferee Company New Equity Shares**"), credited as fully paid up for every 135(One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or successors in the Transferor Company 1 ("**Share Entitlement Ratio**").

14.1.2 The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

14.2 M/s. RBSA Valuation Advisors LLP, Registered Valuer (Regn No. IBBI/RV-E/05/2019/110), have issued the report on the Share Entitlement Ratio adopted under

the Scheme. The aforesaid report on the Share Entitlement Ratio has been duly considered by the Boards of Directors of both the Transferor Companies and the Transferee Company.

14.3 In the event the aforesaid allotment of Transferee Company New Equity Shares in accordance with Clause 14.1.1 results in fractional entitlements, the Board of Directors of the Transferee Company shall consolidate all such fractional entitlements and round-up the aggregate of such fractions to the next whole number, and thereupon issue and allot whole Transferee Company New Equity Shares in lieu thereof to a trustee (nominated by the Board of Directors of the Transferee Company in this behalf) in dematerialized form, who shall hold such shares, with all additions or accretions thereto, in trust for the benefit of the respective shareholders to whom they belong for the specific purpose of selling such shares in the market at such price or prices and at any time within a period of 90 days from the date of allotment of the Transferee Company New Equity Shares as the trustee may, in its sole discretion, decide and distribute the net sale proceeds (after deduction of the expenses incurred and applicable income tax) to the respective shareholders in the same proportion of their fractional entitlements. It is clarified that any such distribution shall take place only on the sale of all the fractional shares of the Transferee Company pertaining to the fractional entitlements.

14.4 The Transferee Company New Equity Shares to be issued by the Transferee Company pursuant to Clause 14.1.1 above shall be issued in dematerialized form by the Transferee Company to each member of the Transferor Company 1 whose name is recorded in the register of members on the Effective Date. The register of members maintained by the Transferee Company and/ or, other relevant records, whether in physical or electronic form, maintained by the Transferee Company, the relevant depository and registrar and transfer agent in terms of Applicable Laws shall (as deemed necessary by the Board of Directors of the Transferee Company) be updated to reflect the issue of Transferee Company New Equity Shares in terms of this Scheme. The shareholders of the Transferor Company 1 who hold equity shares in physical form, should provide the requisite details relating to his/ her/ its account with a depository participant or other confirmations as may be required, to the Transferee Company,

PRIVI BIOTECHNOLOGIES PVT LTD

PRIVI SPECIALITY CHEMICALS LTD. REGD. OFFICE Navi Mumbai - 400 710

prior to the Effective Date to enable it to issue the Transferee Company New Equity Shares.

However, if no such details have been provided to the Transferee Company by the equity shareholders of the Transferor Company 1 holding equity shares in physical share certificates on or before the Effective Date, the Transferee Company shall deal with the relevant equity shares in such manner as may be permissible under the Applicable Law, including by way of issuing the corresponding equity shares in dematerialised form to a trustee nominated by the Board of Directors of the Transferee Company who shall hold these equity shares in trust for the benefit of such shareholder. The equity shares of the Transferee Company held by such trustee for the benefit of the shareholder shall be transferred to the respective shareholder once such shareholder provides details of his/ her/ its demat account to the trustee, along with such other documents as may be required by the trustee. The respective shareholders shall have all the rights of the shareholders of the Transferee Company, including the right to receive dividend, voting rights and other corporate benefits, pending the transfer of equity shares from the trustee. All costs and expenses incurred in this respect shall be borne by Transferee Company.

14.5 In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholders of the Transferor Company 1, the Board of Directors of the Transferor Company 1 shall be empowered prior to or even subsequent to the Effective Date, to effectuate such transfers in the Transferor Company 1 as if such changes in registered holders were operative as on the Effective Date, in order to remove any difficulties arising to the transferors of the shares in relation to the Transferee Company New Equity Shares issued by the Transferee Company after the Scheme is effected. The Board of Directors of the Transferee Company shall be empowered to remove such difficulties as may arise in the course of implementation of this Scheme and registration of new shareholders in the Transferee Company on account of difficulties faced in the transition period.

14.6 In the event, any or all of the Parties restructure their share capital by way of share split / consolidation/ issue of bonus shares or any other corporate action during the

pendency of the Scheme, the Share Entitlement Ratio stated in Clause 14.1 above shall be adjusted accordingly, without the requirement of any further approval from Appropriate Authority to consider the effect of any such corporate actions undertaken by such Party.

14.7 The Transferee Company New Equity Shares issued and allotted by the Transferee Company in terms of this Scheme shall be subject to the provisions of the Memorandum and Articles of Association of the Transferee Company and shall rank pari-passu inter-se in all respects including dividends declared, voting and other rights. The issue and allotment of the Transferee Company New Equity Shares in terms of this Scheme shall be deemed to have been carried out as if the procedure laid down under Section 42 and 62(1)(c) of the Act and any other applicable provisions of the Act have been complied with.

14.8 The Transferee Company New Equity Shares issued by the Transferee Company will be listed and/or admitted to trading on the Stock Exchanges where the shares of the Transferee Company are listed and/or admitted to trading. The Transferee Company shall apply for listing of the Transferee Company New Equity Shares on the Stock Exchanges in terms of and in compliance of SEBI LODR Regulations, SEBI Circular and other relevant provisions as may be applicable. The Transferee Company New Equity Shares allotted by the Transferee Company, pursuant to the Scheme, shall remain frozen in the depository system till listing/ trading permission is given by the Stock Exchanges.

14.9 The Transferee Company shall enter into such arrangements and give such confirmations and/ or undertakings as may be necessary in accordance with Applicable Law for complying with the formalities of the Stock Exchanges.

14.10 It is clarified that the approval of the shareholders of the Transferee Company to this Scheme shall be deemed to be their consent/ approval also to the consequential alteration of its memorandum of association and articles of association or any other action contemplated as part of the Scheme pursuant to this Scheme and the Transferee Company shall not be required to seek separate consent / approval of its shareholders

PART C

GENERAL TERMS AND CONDITIONS

24. APPLICATION AND PETITION BEFORE THE TRIBUNAL

24.1 The Parties shall make the requisite company applications under Sections 230 to 232 of the Act and other applicable provisions of the Act to the Tribunal for seeking sanction of this Scheme.

24.2 Each of the Parties (acting through their respective Boards of Directors) shall, with all reasonable dispatch, make applications to the Tribunal, under the relevant provisions of Applicable Law, if any, seeking orders for dispensing with or convening, holding and/or conducting of the meetings of the classes of their respective shareholders and/or creditors and for sanctioning the Scheme with such modifications, as may be approved by the Tribunal.

25. MODIFICATIONS OR AMENDMENTS TO THE SCHEME

25.1 The Parties by their respective Board of Directors may assent to any modifications/amendments to the Scheme or to any conditions or limitations that the Tribunal and/or any other authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by them (i.e. the Board of Directors) subject to the approval of the Tribunal or any other authorities under the Applicable Law. The Parties by their respective Board of Directors be and are hereby authorized to take all such steps as may be necessary, desirable or proper to resolve any doubts, difficulties or questions whether by reason of any directive or orders of any other authorities or otherwise howsoever arising out of or under or by virtue of the Scheme and/or any matter concerned or connected therewith.

25.2 In the event any of the conditions that may be imposed by the Tribunal, while sanctioning the Scheme, which the Board of Directors of the Parties may find unacceptable for any reason, then the Parties are at liberty to withdraw from the Scheme.

26.1.3 the Transferee Company, complying with other provisions of the SEBI Circular, including seeking approval of the shareholders of the Transferee Company through e-voting, as applicable. The Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast against the proposal by the public shareholders, of the Transferee Company, as required under the SEBI Circular. The term 'public' shall carry the same meaning as defined under Rule 2 of Securities Contracts (Regulation) Rules, 1957;

26.1.4 the requisite consents, approvals or permissions of any Appropriate Authority, which by law may be necessary for the implementation of this Scheme;

26.1.5 the sanction of the Scheme by the Tribunal under Sections 230 to 232 of the Act being obtained by the Parties; and

26.1.6 the certified copies of the orders of the Tribunal referred to in this Scheme being filed with the Registrar of Companies by the Parties.

26.2 It is hereby clarified that submission of this Scheme to the Tribunal and to the Appropriate Authority for their respective approvals is without prejudice to all rights, interests, title, or defenses that Parties may have under or pursuant to all Applicable Laws.

26.3 On the approval of this Scheme by the shareholders of the Parties and such other classes of Persons of the Parties, if any, pursuant to Clause 26.1.2 and Clause 26.1.3 above, such shareholders and classes of Persons shall also be deemed to have resolved and accorded all relevant consents under the Act or otherwise to the same extent applicable in relation to the Scheme.

27. **EFFECT OF NON-RECEIPT OF APPROVALS**

27.1 In case this Scheme is not sanctioned by the Tribunal and/or Appropriate Authority or in the event any of consents, approvals, permissions, resolutions, agreements, sanctions or conditions enumerated in this Scheme not being obtained or complied or for any other reason, this Scheme cannot be implemented, this Scheme shall become null and void and be of no effect.

27.2 In the event of revocation/ withdrawal/ nullity of the Scheme, no rights and liabilities whatsoever shall accrue to or be incurred inter se the Parties or their respective shareholders or creditors or employees or any other Person, save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or in accordance with Applicable Law or in accordance with any agreement entered by the Parties and in such case, each Party shall bear its own costs, unless otherwise mutually agreed.

Notice of meeting of the Equity Shareholders of Privi Speciality Chemicals Limited (which includes public shareholders) convened in accordance with the Order of the Hon'ble National Company Law Tribunal, Mumbai Bench

To,
The Equity Shareholders of Privi Speciality Chemicals Limited,

NOTICE is hereby given that by an order dated 7th September, 2026 passed in the Company Scheme Application No. CA(CAA)136/MB/2026 ("**Order**"), the Hon'ble National Company Law Tribunal, Mumbai Bench ("**NCLT**") has directed inter-alia that a meeting of the equity shareholders of Privi Speciality Chemicals Limited ("**PSCL/ Transferee Company**") be convened and held for the purpose of considering, and if thought fit, approving with or without modification, the proposed Scheme of Amalgamation of Privi Fine Sciences Private Limited, the Transferor Company 1 and Privi Biotechnologies Private Limited, the Transferor Company 2 with Privi Speciality Chemicals Limited, the Transferee Company ("**Scheme**") under sections 230 to 232 and other applicable provisions of the Companies Act, 2013 ("**Act**") along with the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 ("**Merger Rules**") and other applicable rules under the Act. The Scheme, if approved by the equity shareholders, will be subject to the subsequent approval of NCLT and such other approvals, permissions and sanctions of regulatory or other authorities, as may be necessary.

TAKE NOTICE that in pursuance of the Order and as directed therein, a meeting of the equity shareholders of the Transferee Company will be held on Tuesday, 27th October, 2026 at 12:30 p.m. (IST) ("**Meeting**") through Video Conferencing ("**VC**")/ Other Audio-Visual Means ("**OAVM**") in compliance with the applicable provisions of the Act and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**") and by following the operating procedures (with requisite modifications as may be required) specified under the Circulars issued by the Ministry of Corporate Affairs ("**MCA**") from time to time (collectively referred to as '**MCA Circulars**') and by the Securities and Exchange Board of India ("**SEBI**") from time to time (collectively referred to as '**SEBI Circulars**'), wherein, you are requested to attend the Meeting. The deemed venue of the Meeting shall be Registered Office of the Transferee Company.

TAKE FURTHER NOTICE that a copy of the Scheme, the Notice and the Explanatory Statement under Sections 230(3), 232(1), 232(2) and 102 of the Act read with Rule 6 of the Merger Rules and other annexures as stated in the Index are enclosed herewith. A copy of this Notice and the accompanying documents will be placed on the website of the Transferee Company at https://privi.com/ and will also be available on the website of BSE Limited ("**BSE**") at www.bseindia.com, at National Stock Exchange of India Limited ("NSE") at www.nseindia.com and also on the website of MUFG Intime India Private Limited (RTA) at www.instavote.linkintime.co.in.

A copy of the Scheme along with the explanatory statement can be obtained free of charge, between 02:00 p.m. to 04:00 p.m. on any day (except Saturday, Sunday and public holidays) upto one day prior to the date of the Meeting from the Registered Office of the Transferee Company or by sending a request, along with details of your DP ID and Client ID / Folio Number, shareholding in the Transferee Company, by e-mail at investors@privi.co.in, or at the offices of the Practicing Company Secretaries for the Transferee Company, M/s. Ashish O. Lalpuria & Co., at 502, Zee Square, Mahatma Gandhi Road, Vile Parle (W), Mumbai 400057 at ashish@lalpurialegal.com.

TAKE FURTHER NOTICE that the NCLT has appointed Mr. Mohan Prasad Tiwari, Former Member (Judicial), NCLT as the Chairperson of the Meeting.

TAKE FURTHER NOTICE that the NCLT has appointed Ms. Dipti Arpit Nagori, Practicing Company Secretary (Membership No. F8603 and COP No. 9917) as the Scrutinizer for the Meeting.

The voting rights of the equity shareholders shall be in proportion to their shareholding in the Transferee Company as on the close of business hours of Tuesday, October 20, 2026 ('**Cut-Off Date**'). The Transferee Company has appointed MUFG Intime India Private Limited ("**MUFG**") for providing VC / OAVM facility and remote e-voting as well as e-voting facility for the Meeting of the equity shareholders.

TAKE FURTHER NOTICE that since this Meeting is held through VC/ OAVM facility pursuant to the Order passed by the NCLT and in compliance with the MCA Circulars and the SEBI Circulars, physical attendance of the equity shareholders has been dispensed with. Accordingly, the facility for appointment of proxies by the equity shareholders will not be available for the present Meeting and hence, the proxy form, the attendance slip and the route map are not annexed to this Notice. However, in pursuance of Section 113 of the Act, authorized representatives of institutional / corporate shareholders may be appointed for the purpose of voting through remote e-voting or e-voting during the Meeting and for participation in the Meeting through VC / OAVM facility, provided that such equity shareholder sends a scanned copy (PDF / JPG Format) of its board or governing body resolution / authorization etc., authorizing its representative to attend the Meeting through VC on its behalf, vote through e-voting during the Meeting and/or to vote through remote e-voting, to the scrutinizer at csdiptinagori@gmail.com with a copy marked to investors@privi.co.in by quoting the concerned DP ID and Client ID or Folio Number, before the remote e-voting or e-voting during the Meeting, as the case may be.

Equity Shareholders are requested to consider, and if thought fit, to pass with requisite majority, the following resolution:

"***RESOLVED THAT*** *pursuant to and in accordance with the provisions of Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, the Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 and any other rules, circulars and notifications made thereunder (including any amendment, statutory modification, variation or re-enactment thereof for the time being in force) as may be applicable; Section 2(1B) of the Income-tax Act, 1961 (corresponding Section 2(6) of Income Tax Act, 2025); the Securities and Exchange Board of India Act, 1992 and the regulations thereunder including the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as may be applicable; and any other applicable laws and regulations, including such other directions, guidelines or regulations issued / notified by the Securities and Exchange Board of India, the stock exchange(s), which may be applicable, any and all of which as notified or as may be amended from time to time and including any statutory replacement or re-enactment thereof, if any; the Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20 June 2023 issued by the Securities and Exchange Board of India; the no adverse observations letters issued by National Stock Exchange of India Limited dated 05 May, 2026 and BSE Limited dated 06 May 2026; and subject to the provisions of the Memorandum of Association and Articles of Association of PSCL ("**the Company**"); and subject to the approval of Hon'ble National Company Law Tribunal, Mumbai Bench, Mumbai ("**NCLT**"); and subject to receipt of all the permissions and consents specified in the Scheme of Amalgamation of Privi Fine Sciences Private Limited, the Transferor Company 1 and Privi Biotechnologies Private Limited, the Transferor Company 2 with Privi Speciality Chemicals Limited, the Transferee Company ("**Scheme**"), as may be necessary; and subject to such conditions and modifications as may be prescribed or imposed by the NCLT or by any regulatory or other authorities, which may be agreed to by the Board of Directors of the Company (hereinafter referred to as the "**Board**", which term shall be deemed to mean and include one or more committee(s) constituted / to be constituted by the Board or any person(s) which the Board may nominate to exercise its powers including the powers conferred by this resolution), the arrangement embodied in the Scheme, the draft of which was circulated along with this Notice, be and is hereby approved.*

RESOLVED FURTHER THAT *the Board, the company Secretary and Chief Financial Officer of the Company be and are hereby severally authorized to do all such acts, deeds, matters and things, as it may, in its absolute discretion deem requisite, desirable, appropriate or necessary to give effect to this resolution and effectively implement the arrangement embodied in the Scheme and to accept such modifications, amendments, limitations and/or conditions, if any, which may be required and/or imposed by the NCLT while sanctioning the arrangement embodied in the Scheme or by any authorities under law, or as may be required for the purpose of resolving any doubts or difficulties that may arise in giving effect to the Scheme, as they may deem fit and proper*."

6. All the documents referred to in the accompanying explanatory statements, shall be available for inspection at the website of the Transferee Company at www.privi.com. A transcript of the Meeting shall also be made available on the website of the Transferee Company.

7. Master Circular No. *SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated 20 June 2023*, as amended from time to time issued by the SEBI (hereinafter referred to as the "**SEBI Circular**"), inter alia, provides that the approval of Public Shareholders of the Transferee Company to the Scheme shall be obtained by way of voting through remote e-voting and e-voting during the Meeting. Since, the Transferee Company is seeking the approval of its equity shareholders (which includes Public Shareholders) to the Scheme by way of voting through remote e-voting and e-voting during the Meeting, no separate procedure for voting through remote e-voting and e-voting during the Meeting would be required to be carried out by the Transferee Company for seeking the approval to the Scheme by its Public Shareholders in terms of the SEBI Circular. The aforesaid notice sent to the equity shareholders (which includes Public Shareholders) of the Transferee Company would be deemed to be the notice sent to the Public Shareholders of the Transferee Company. For this purpose, the term "**Public**" shall have the meaning assigned to it in Rule 2 of the Securities Contracts (Regulations) Rules, 1957 and the term "**Public Shareholders**" shall be construed accordingly. In terms of SEBI Circular, the Transferee Company has provided the facility of voting by remote e-voting and e-voting during the Meeting to its Public Shareholders.

8. NCLT, by its Order, has, inter alia, held that since the Transferee Company is directed to convene a Meeting of its equity shareholders, which includes Public Shareholders, and the voting in respect of the equity shareholders, which includes Public Shareholders, is through remote e-voting and e-voting during the Meeting, the same is in sufficient compliance of the SEBI Circular.

9. The Scheme shall be considered approved by the equity shareholders of the Transferee Company if the resolution mentioned in the Notice has been approved by the requisite majority of equity shareholders in terms of the provisions of Sections 230 to 232 of the Act.

10. Further, in accordance with the SEBI Circular, the Scheme shall be acted upon only if the number of votes cast by the Public Shareholders (through remote e-voting and e-voting during the Meeting) in favour of the aforesaid resolution for approval of Scheme is more than the number of votes cast by the Public Shareholders against it.

11. In case of joint holders, an equity shareholder whose name appears first in the order of names as per the Register of Members of the Transferee Company will be entitled to vote at the Meeting, provided the votes are not already cast through remote e-voting.

v. <u>explanatory statement disclosing details of the scheme of compromise or arrangement including:</u>

(a) <u>parties involved in such compromise or arrangement:</u>

the Parties involved in the Scheme of Amalgamation are:

(i) Privi Fine Sciences Private Limited, the Transferor Company 1;

(ii) Privi Biotechnologies Private Limited, the Transferor Company 2

(iii) Privi Speciality Chemicals Limited, the Transferee Company

(b) <u>in case of amalgamation or merger, appointed date, effective date, share exchange ratio (if applicable) and other considerations, if any;</u>

(i) **Appointed Date:** 1st October, 2025

(ii) **Effective Date:** As per Part A, clause 1.6 of the Scheme, "Effective Date" means the date on which last of the conditions specified in Clause 26.1 (Conditions Precedent) of this Scheme are complied with. Reference in this Scheme to the date of "coming into effect of this Scheme" or "effectiveness of this Scheme" or "effect of this Scheme" or "upon the Scheme becoming effective" shall mean the Effective Date.

(iii) **Share Exchange Ratio**: The Transferee Company shall issue and allot 1 (One) fully paid up equity shares of Rs.10/- each for every 135 (One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder in the Transferor Company 1.

The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

(c) summary of valuation report (if applicable) including basis of valuation and fairness opinion of the registered valuer, if any; and the declaration that the valuation reports is available for inspection at the registered office of the company;

(i) For the purposes of the Scheme, a report in relation to the Share Exchange Ratio (hereinafter referred to as "**Valuation Report**") for issuance and allotment of shares of the Transferee Company to the shareholders of the Transferor Company 1 pursuant to and in consideration of the Merger, on 19 December 2025, was issued by Mr. Samir D. Shah having Registration Number [Registration Number: IBBJ/RV/06/2019/12263] partner of the RBSA Valuation Advisors LLP, having Registration Number [Registration Number: IBBI/RV-E/05/2019/110], describing, *inter alia*, the methodologies adopted by them in arriving at the Share Exchange Ratio and setting out the detailed computation of the Share Exchange Ratio for the proposed Merger. The basis of the valuation was determined on a 'going concern' premise to arrive at the 'Fair Value' of the equity shares of the specified companies. To determine the fair share exchange ratio, the valuer undertook a relative valuation exercise employing internationally accepted valuation methodologies, specifically assigning weights to the Market Approach (comprising the Market Price Method and Comparable Companies Multiple Method) and the Income Approach (comprising the Discounted Cash Flow Method). The Valuation Reports for the Transferor Companies and Transferee Company have been enclosed as **Annexure - B.**

(ii) In the Valuation Report, the valuer has understood that upon the Scheme being effective and in *consideration* of transfer and vesting of the Undertaking (*as defined under the Scheme*) from the Transferor Companies to the Transferee Company in terms of the Scheme, the Transferee Company shall issue and allot equity shares to the shareholders of Transferor Company 1 in

accordance with the Share Exchange Ratio. As such, 1 Transferee Company Share, credited as fully paid-up, shall be issued to the eligible shareholders of the Transferor Company 1 for every 135 equity shares of the face value of Rs. 10 each fully paid-up held by such member in the Transferor Company 1.

(iii) In compliance with the SEBI Scheme Circular, a fairness opinion on the recommended Share Exchange Ratio in connection with the transaction has been provided by Vivro Financial Services Private Limited (Category I Merchant Banker), who was appointed by the Transferee Company. A Copy of the Fairness Opinions have been enclosed as **Annexure - C.**

(iv) The recommendation of the Share Entitlement Ratio has been approved by the audit committee and board of directors of the Transferor Companies and the audit committee and the board of directors of the Transferee Company. No new shares shall be issued or payment be made in cash or in kind, whatsoever by Transferor Company 2 in connection with the Merger.

(v) The Valuation Reports and Fairness Opinions enclosed herewith are also available for inspection at the website of the Transferee Company the at www.privi.com and also at the registered office of the Transferee Company.

(d) details of capital/debt restructuring, if any;

The Scheme neither proposes capital restructuring nor debt restructuring. The present scheme is a scheme of amalgamation and proposes transfer of Authorised Share Capital of the Transferor Companies to the Authorised Share Capital of the Transferee Company.

Clause 15 of the Scheme provides as under:

"15.1 Upon the Scheme becoming effective and as an integral part of the Scheme, the Authorized Share Capital of the Transferor Company 1 viz., Rs. 2,40,00,00,000 (Rupees Two Hundred Forty Crore Only) and that of the Transferor Company 2 viz., Rs. 40,00,00,000 (Rupees Forty Crore Only) i.e. aggregate of Rs. 2,80,00,00,000/- (Rupees Two Hundred and Eighty Crores Only) comprising of 28,00,00,000 (Twenty-Eight Crores) Equity Shares of Rs.10/- each be transferred to the Authorized Share Capital of the Transferee Company automatically without any further act, instrument or deed and without payment of any fees, stamp duty, etc.

15.2 Consequently, upon the Scheme becoming effective and as stated in Clause 15.1 above, the Authorized Share Capital of the Transferee Company shall automatically stand reclassified and amended as under:

Particulars	***Amount (in Rupees)***
Authorised Capital	
33,00,10,000 Equity Shares of Rs.10/- each	*3,30,01,00,000*
50,00,000 Preference Shares of Rs.10/- each	*5,00,00,000*

TOTAL	***3,35,01,00,000***

(e) <u>rationale for the compromise or arrangement</u>

The Scheme of Amalgamation would result, inter-alia, in the following synergies for both the Transferor Company 1, the Transferor Company 2 and the Transferee Company and thereby preserving and creating value for its shareholders, creditors and various other stakeholders:

(i) The Transferor Company 1 and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

(ii) The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective shareholders, employees, creditors, customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

(a) Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

(b) Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

(c) Creating an integrated value chain to enhance degree of vertical integration in the products segment;

(d) Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management;

(e) Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder’s value.

(f) Integrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

(iii) The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

(iv) Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

(v) The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

(vi) The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

(f) <u>benefits of the compromise or arrangement as perceived by the Board of directors to the company, members, creditors and others (as applicable):</u>

The Board of Directors envisions that the proposed Scheme of Amalgamation will yield significant synergies and advantages, preserving and creating value across the board. The benefits as perceived by the Board for the respective companies, members, creditors, and other stakeholders are detailed below:

(i) Benefits to the Companies (Transferee and Transferor Companies)

- **Operational Synergies and Market Competitiveness:** As the companies are in a similar line of business, the amalgamation will enhance operational capabilities, enrich combined product offerings, and expand the customer base on both a local and global scale.
- **Resource and Infrastructure Optimization:** The merger allows for the pooling and optimal utilization of combined assets, intellectual property,

technical know-how, trade secrets, brands, and marketing resources to achieve economies of scale.

- **Vertical Integration:** It will create a fully integrated value chain, enhancing the degree of vertical integration within the combined product segments.
- **Financial and Cash Flow Efficiencies:** The combined entity will benefit from greater efficiency in cash and debt management. Unfettered access to integrated cash flows will allow for better capital deployment, building a stronger financial base for future growth.
- **Simplified Management and Cost Reduction:** The amalgamation will simplify the management structure, reduce the number of legal entities, and eliminate the duplication of compliance requirements. This rationalization will significantly reduce administrative, operational, and other common costs.

(ii) **Benefits to the Members (Shareholders)**

- **Maximization of Value:** By leveraging combined capabilities, improving long-term performance, and deploying cash flows more efficiently, the arrangement is fundamentally designed to maximize shareholder value and future business potential.
- **Protection of Interests:** The Scheme will not impose any additional burden on the shareholders, nor will it adversely affect their existing interests.

(iii) **Benefits to the Creditors**

- **Improved Debt Management:** Enhanced efficiency in cash flow generation and capital utilization will lead to stronger debt management capabilities.
- **No Prejudice or Adverse Effect:** The Board affirms that there is no likelihood that any creditor of the Transferor Companies or the Transferee Company will be prejudiced as a result of the Scheme. The arrangement imposes no additional burden and safeguards their current standing.

(iv) **Benefits to Employees and Other Stakeholders**

- **Pooling of Expertise:** The integration of financial, managerial, and technical resources, along with the combined skills, personnel, and expertise of the Transferor Companies, will create a highly capable and robust unified organization.
- **Long-Term Stability:** The resulting productivity gains, logistical advantages, and strategic focus will ensure sustained growth, directly benefiting employees, customers, and all associated stakeholders in the long term.

vi. Disclosure about the effect of the Scheme on the various stakeholders of the Company:

I. Disclosure with respect to Transferee Company

Sr No.	Category of Stakeholder	Effect of Scheme on Stakeholder
a)	Key Managerial Personnel	The Scheme by itself does not have any effect on the office, tenure, or remuneration of the existing Directors and Key Managerial Personnel (KMPs) of the Transferee Company. The composition of the Board of Directors and the office of the KMPs of the Transferee Company shall continue in the ordinary course of business, subject to the Articles of Association and applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations. Furthermore, in accordance with Clause 10 of the Scheme, all employees and KMPs of the Transferor Companies shall become employees of the Transferee Company with effect from the Effective Date without any break or interruption in service and on terms and conditions not less favorable than those on which they were engaged immediately preceding the Effective Date.
b)	Directors	The Scheme by itself does not have any effect on the office, tenure, or remuneration of the existing Directors and Key Managerial Personnel (KMPs) of the Transferee Company. The composition of the Board of Directors and the office of the

		KMPs of the Transferee Company shall continue in the ordinary course of business, subject to the Articles of Association and applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations.
c)	Promoters	The Promoters and Promoter Group of Transferor Company 1 are already part of the Promoter and Promoter Group of the Transferee Company. Upon allotment of the new equity shares pursuant to the Scheme, their shareholding in the Transferee Company will adjust proportionately. No new person or entity will be designated as a Promoter of the Transferee Company pursuant to the Scheme.
d)	Non-Promoter members	The issuance of new equity shares to the shareholders of Transferor Company 1 will result in a proportionate dilution in the percentage shareholding of the existing non-promoter/public shareholders of the Transferee Company. However, this dilution is balanced by the integration of the businesses, assets, technologies, and intellectual property of the Transferor Companies into the Transferee Company on a going concern basis. This will enhance operational capabilities, enrich product offerings, generate logistical efficiencies, and create an integrated value chain, thereby enhancing overall long-term shareholder value.
e)	Depositors	There are no depositors. Hence, this is not applicable.
f)	Creditors	Upon amalgamation of the Transferor Companies with the Transferee Company, no rights of the creditors of the Transferee Company are being affected pursuant to the Scheme. The liability towards the existing creditors of the Transferee Company is neither being reduced nor being varied or extinguished. The creditors of the Transferee Company will in no way be affected by the amalgamation of the Transferor Companies with the Transferee Company.
g)	Debenture Holders	There are no debenture holders. Hence, this is not applicable.

h)	Deposit Trustee and Debenture Trustee	There are no deposit trustees and Debenture Trustee. Hence, this is not applicable
i)	Employees	in accordance with Clause 10 of the Scheme, all employees and KMPs of the Transferor Companies shall become employees of the Transferee Company with effect from the Effective Date without any break or interruption in service and on terms and conditions not less favorable than those on which they were engaged immediately preceding the Effective Date

II. <u>Disclosure with respect to Transferor Company 1</u>

Sr No.	**Category of Stakeholder**	**Effect of Scheme on Stakeholder**
a)	Key Managerial Personnel	Upon the Scheme becoming effective, the Directors and Key Managerial Personnel (KMPs) of Transferor Company 1 shall not automatically be entitled to hold the office of Director or KMP in the Transferee Company by virtue of the Scheme. However, this shall not affect the position of any person who is already serving as a Director or KMP of the Transferee Company as on the Effective Date, and such persons shall continue to serve in their respective capacities. Notwithstanding the cessation of their official statutory designations in Transferor Company 1, all KMPs (along with all other employees) of Transferor Company 1 shall be absorbed as employees of the Transferee Company in accordance with Clause 10 of the Scheme. This transfer of employment shall take effect from the Effective Date, without any break or interruption in service, and on terms and conditions that are not less favorable than their existing engagement immediately preceding the Effective Date.
b)	Directors	Upon the Scheme becoming effective, the Directors and Key Managerial Personnel (KMPs) of Transferor Company 1 shall not

		automatically be entitled to hold the office of Director or KMP in the Transferee Company by virtue of the Scheme. However, this shall not affect the position of any person who is already serving as a Director or KMP of the Transferee Company as on the Effective Date, and such persons shall continue to serve in their respective capacities.
c)	Promoters	The Promoters and Promoter Group of Transferor Company 1 are already part of the Promoter and Promoter Group of the Transferee Company. Upon the Scheme becoming effective, the Promoters of Transferor Company 1 will receive New Equity Shares in the Transferee Company in accordance with the Share Entitlement Ratio, resulting in an adjustment/consolidation of their aggregate equity shareholding in the Transferee Company. No new person or entity shall be categorized or inducted as a Promoter of the Transferee Company pursuant to the Scheme.
d)	Non-Promoter members	Transferor Company 1 is closely held by its promoters and promoter group entities. To the extent of any non-promoter / other equity shareholders in Transferor Company 1, upon the Scheme becoming effective, they shall receive fully paid-up, listed equity shares of the Transferee Company (PSCL) ranking pari-passu with existing equity shares. This provides such shareholders with immediate liquidity and marketable securities listed on both BSE Limited and the National Stock Exchange of India Limited, without imposing any additional liability or burden.
e)	Depositors	There are no depositors. Hence, this is not applicable.
f)	Creditors	All the liabilities of the Transferor Company 1, shall become the liabilities of the Transferee Company, by virtue of the Merger, with effect from the Appointed Date (*as defined in the Scheme*) subject to the Scheme being approved by NCLT.

		The present Scheme *inter alia* includes the merger of the Transferor Company 1 into the Transferee Company and is in no manner prejudicial to the interests of the creditors of the Transferor Company 1.

8. **Brief background and salient features of the Scheme:**

a) The capitalised terms used herein below, shall have the meaning ascribed to such terms in the Scheme.

b) The Scheme provides *inter alia* for:

1. the Transferee Company shall, without any further act, deed, issue and allot on a proportionate basis to each shareholder of the Transferor Company 1, whose name is recorded in the register of members on the Effective Date, in accordance with the terms of the Scheme and without any further application, act, deed, payment, consent, instrument or deed issue 1 (One) fully paid up equity shares of Rs.10/- each of the Transferee Company ("Transferee Company New Equity Shares"), credited as fully paid up for every 135 (One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or successors in the Transferor Company 1 ("Share Entitlement Ratio").

2. The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor

Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares;

3. Dissolution without winding-up of the Transferor Companies;

4. Transfer of the authorized share capital from the Transferor Companies to the Transferee Company and the consequent amendment to the Memorandum of Association of the Transferee Company;

5. Listing of the New Equity Shares of the Transferee Company on BSE Limited and National Stock Exchange of India Limited;

6. The Appointed Date will be 1st October 2025; and

7. Various other matters consequential or integrally connected therewith.

9. **Matters pursuant to observation letters issued by the Stock Exchanges**

In compliance with the Observation Letters issued by the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE), the following information and references are hereby provided to the equity shareholders to enable them to take an informed decision:

Observations by Stock Exchanges	**Compliance by the Transferee Company**
a) A simple explanation of the scheme of arrangement	The Scheme involves the merger of Privi Fine Sciences Private Limited (Transferor Company 1) and Privi Biotechnologies Private Limited (Transferor Company 2) into Privi Speciality Chemicals Limited (Transferee Company), and the consequent dissolution of the Transferor Companies without winding up. For a detailed explanation, Members may refer to **Paragraph 8 (Brief background and salient features of the Scheme)** of the Explanatory Statement.
b) The rationale and objectives underlying the proposed scheme.	The amalgamation aims to create an integrated value chain, optimize the use of infrastructure, simplify the management structure, and enhance the Transferee Company's market competitiveness on a global scale. Members may refer to **Paragraph 7 (v)(e) (Rationale for the compromise or arrangement)** of the Explanatory Statement for comprehensive details.
c) A detailed explanation of the impact of the scheme on shareholders, including any dilution or change in rights.	The Scheme will result in the issuance of 1 (One) fully paid-up equity share of the Transferee Company for every 135 (One Hundred Thirty-Five) equity shares held in Transferor Company 1, which will result in a proportionate dilution of the existing shareholders' voting rights. However, the Scheme does not impose any additional burden on the shareholders and is fundamentally designed to maximize shareholder value. Members may refer to **Paragraph**

Observations by Stock Exchanges	Compliance by the Transferee Company
	7(v)(f)(ii) (Benefits to the Members) and Paragraph 7 (vi) of the Explanatory Statement for a detailed impact analysis.
d) A cost-benefit analysis outlining the anticipated benefits versus associated costs of the scheme.	The Board anticipates that the long-term benefits including operational synergies, resource optimization, economies of scale, and the elimination of duplicate compliance requirements will significantly outweigh the short-term costs associated with the implementation of the Scheme, such as stamp duty, regulatory filing fees, and professional advisory fees.
e) The latest financials of PSCL, PFSPL, and PBPL, not older than 6 months from the date of Stock Exchange NOC, to be hosted on the Company's website and also disclosed in the explanatory statement.	The latest audited financial statements of the Transferee Company, Transferor Company 1, and Transferor Company 2 as of March 31, 2026 (which are not older than 6 months from the date of the Stock Exchange NOC), are annexed to this Notice as **Annexure E-1, E-2 & E-3** respectively and are also hosted on the Company's website at www.privi.com.
f) Promoter-wise and aggregate shareholding details of the promoter and promoter group in PSCL, PFSPL, and PBPL, before and after the scheme, and the corresponding change in public shareholding.	The details of Promoter-wise and aggregate shareholding details of the promoter and promoter group in PSCL, PFSPL, and PBPL, before and after the scheme, and the corresponding change in public shareholding is provided as **Annexure F.**
g) Details of the Registered Valuer issuing Valuation Report and the Merchant Banker issuing Fairness opinion, along with a summary of the methods considered for arriving at the Share Exchange Ratio, Rationale for adopting such methods, basis and key assumptions underlying the projected revenues considered for the valuation and supporting documents.	Mr. Samir D. Shah, partner of RBSA Valuation Advisors LLP, issued the Valuation Report, and Vivro Financial Services Private Limited issued the Fairness Opinion. The valuation was based on a 'going concern' premise employing the Market Approach (Market Price Method and Comparable Companies Multiple Method) and the Income Approach (Discounted Cash Flow Method). For full details and rationale, Members may refer to **Paragraph 7 (v) (c)** of the Explanatory Statement.

Observations by Stock Exchanges	Compliance by the Transferee Company
h) Details of Revenue, PAT and EBIDTA of PSCL, PFSPL, and PBPL for last 3 financial years.	The detailed statement reflecting the Revenue, Profit After Tax (PAT), and EBITDA of the Transferee Company, Transferor Company 1, and Transferor Company 2 for the last 3 (three) financial years is enclosed as **Annexure G.**
i) Pre and Post scheme shareholding of PSCL, PFSPL, and PBPL as on the date of Shareholders' meeting notice, along with rationale for changes, if any, occurred between filing of Draft Scheme to Notice to shareholders.	The pre and post-Scheme shareholding patterns of the entities involved as of the date of this Notice are detailed in **Annexure H-1, H-2 & H-3**. Further no changes have occurred in the shareholding pattern between the filing of the Draft Scheme and the issuance of this Notice except the following: Vivira Investment & Trading Pvt Ltd (VITPL), a promoter group entity, originally held 15,245,188 equity shares in the Transferee Company, which constituted a 39.03% stake at the time the Draft Scheme was filed with the stock exchanges. Subsequently, VITPL sold 3,628,627 equity shares. Following this transaction, VITPL's current holding stands exactly at 11,616,561 equity shares, which reduces its individual stake to 29.74%. Consequently, the projected post-merger shareholding of the entire Promoter group will decrease from the originally stated 70.64% to 61.75%.
j) The value of Assets and liabilities of PFSPL, and PBPL being transferred to PSCL and post-scheme balance sheet of PSCL.	Details of the assets, liabilities, and revenue of the Transferee Company prior to and after the Scheme of Amalgamation, along with the details of the assets and liabilities of the Transferor Companies being merged, are annexed to this Notice as **Annexure I**.
k) Disclose details of all pending or ongoing adjudication & recovery proceedings, prosecution initiated and all other enforcement action taken, if any, against the entities involved in the scheme, including their promoters/directors/KMPs, and the possible impact of the same on PSCL.	There are no ongoing adjudication & recovery proceedings, prosecution initiated and all other enforcement action taken against the Transferor Companies and the Transferee Company, its' promoters and its' directors except as provided in **Annexure J**.
l) Disclosures of conditions imposed by lenders, if any, along with their potential impact on the scheme.	The secured creditors of the respective Companies, including RBL Bank Limited, Citi Bank NA, YES Bank Limited, HDFC Bank Limited, IDBI Bank Limited, and Standard Chartered Bank, have provided their consent and no-

Observations by Stock Exchanges	Compliance by the Transferee Company
	objection to the Scheme without imposing any specific or additional conditions. However, ICICI Bank Limited, acting as a secured creditor for both Privi Speciality Chemicals Limited (Transferee Company) and Privi Fine Sciences Private Limited (Transferor Company 1), has provided its no-objection subject to the following specific conditions: i. Nothing in the Scheme shall affect the repayment of the existing credit facilities and the terms and conditions stipulated in the existing Finance Documents. ii. Post the approval of the Scheme, the Transferee Company shall continue to be bound by and act in accordance with the terms and conditions of the Finance Documents. iii. The assets currently charged in favor of ICICI Bank and contractual comforts issued (including first and second pari passu charges on movable fixed assets, immovable fixed assets, current assets, and the personal guarantee of Ms. Snehal Babani) by Transferor Company 1 shall continue to be charged and/or remain in force by the Transferee Company as security/contractual comfort towards the repayment of the facilities. iv. Following the approval of the Scheme by the Hon'ble National Company Law Tribunal, the Transferee Company shall enter into necessary documentation and/or provide authorizations and KYC documents as may be required by ICICI Bank The conditions imposed by ICICI Bank are standard protective covenants intended to ensure the continuity and security of the existing credit facilities post-merger. The Board considers that these conditions represent ordinary course of business compliances, and they do not pose any adverse potential impact on the Scheme or its implementation.
m) The Company shall ensure that the information pertaining to the Unlisted Company involved in the scheme shall be included in the format specified for abridged prospectus as provided in Part E of Schedule VI of the ICDR Regulations, 2018, in the explanatory statement or	The information pertaining to the unlisted companies involved in the Scheme, i.e., Privi Fine Sciences Private Limited, the Transferor Company 1 and Privi Biotechnologies Private Limited, the Transferor Company 2, has been annexed to this Notice as **Annexure – K-1 & K-2** respectively in the format specified for an abridged prospectus under Part E of Schedule VI of the SEBI (ICDR) Regulations, 2018, as amended from time to time.

B. PURPOSE AND RATIONALE OF THE SCHEME

This Scheme of Amalgamation would result, inter-alia, in the following synergies for both the Transferor Company 1, the Transferor Company 2 and the Transferee Company and thereby preserving and creating value for its shareholders, creditors and various other stakeholders:

1. The Transferor Company 1 and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

2. The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective shareholders, employees, creditors, customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

   (a) Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

   (b) Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

   (c) Creating an integrated value chain to enhance degree of vertical integration in the products segment;

(d) Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management;

(e) Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder's value.

(f) Integrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

3. The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

4. Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

5. The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

6. The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

PART B

AMALGAMATION OF THE TRANSFEROR COMPANIES WITH THE TRANSFEREE COMPANY

5. **VESTING OF ASSETS AND LIABILITIES**

Upon the Scheme becoming effective and with effect from the Appointed Date, the Transferor Company 1 and Transferor Company 2 shall stand amalgamated with and be vested in the Transferee Company, pursuant to Sections 230 to 232 read with other relevant provisions of the Act and Section 2(1B) of the Income Tax Act, such that all the properties (tangible and intangible), assets, rights, contracts, Permits, claims, title, interest, benefits, authorities, investments, liabilities, duties and obligations comprised in both the Transferor Companies immediately before the amalgamation shall automatically, and without any further act, instrument, deed, matter or thing, shall stand transferred to and vested in and/ or deemed to be transferred to and vested in the Transferee Company, on a 'going concern' basis for the consideration as set out hereinafter by virtue of operation of law and in the manner provided in this Scheme.

6. **TRANSFER OF ASSETS**

Without prejudice to the generality of Clause 5 above, the assets of the Transferor Company shall stand transferred to and vested in the Transferee Company in the following manner:

6.1 Such of the assets of the Transferor Companies which are movable in nature, or are incorporeal property, business licenses, Permits, trademarks, patents, domain, registrations, authorization, and/ or otherwise capable of transfer by manual or constructive delivery and/ or endorsement and delivery including cash on hand, the same may, upon coming into effect of this Scheme, be so transferred

to the Transferee Company without requiring any deed or instrument of conveyance and shall upon such transfer, become the property and an integral part of the Transferee Company. Provided that for the purpose of giving effect to the vesting order passed under Sections 230 to 232 of the Act in respect of this Scheme, upon the Scheme becoming effective, the Transferee Company shall be entitled to effect the change in the title and the appurtenant legal right(s) upon the vesting of such assets of the Transferor Companies in accordance with the provisions of Sections 230 to 232 of the Act, at the office of the respective Registrar of Assurances or any other concerned authority, where any such asset is situated, without any other order to this effect. Further, in respect of the assets of the Transferor Companies as are movable in nature or are otherwise capable of transfer by delivery of possession or by endorsement and delivery, the same shall be so transferred upon the Effective Date and shall become an asset of the Transferee Company with effect from the Appointed Date without requiring any deed or instrument of conveyance for transfer of the same.

6.2 In respect of assets other than those dealt with in Clause 6.1 above, including but not limited to actionable claims, inventory, sundry debts, receivables, bills, credits, loans, advances and deposits, if any with the Government, statutory authorities local or otherwise, bodies and customers, whether recoverable in cash or in kind or for value to be received, bank balances and deposits, etc. the same shall stand transferred to and vested in the Transferee Company without any notice or other intimation to any Person in pursuance of the provisions of the Sections 230 to 232 read with other relevant provisions of the Act to the end and intent that the right of the Transferor Companies to recover or realize the same stands

transferred to the Transferee Company. The Transferee Company shall, at its sole discretion but without being obliged, give notice in such form as it may deem fit and proper, to such Person, as the case may be, that the relevant assets including but not limited to actionable claims, inventory, debt, receivable, bill, credit, loan, advance or deposit stands transferred and vested in the Transferee Company and that appropriate modification should be made in their respective books/ records to reflect the aforesaid changes.

6.3 In so far as the immovable properties including but not limited to land and buildings, any structure thereon or any other immovable properties of Transferor Companies, whether freehold or leasehold, and any documents of title, rights and easements in relation thereto upon coming into effect of this Scheme, be so transferred to the Transferee Company without requiring any deed or instrument of conveyance and shall upon such transfer, become the property and an integral part of the Transferee Company. With effect from the Appointed Date, the Transferee Company shall be entitled to exercise all rights and privileges and be liable to pay ground rent, municipal taxes and fulfil all obligations in relation to or applicable to such immovable properties. Provided that for the purpose of giving effect to the vesting order passed under Sections 230 to 232 of the Act in respect of this Scheme, upon the Scheme becoming effective, the Transferee Company shall be entitled to effect the change in the title and the appurtenant legal right(s) upon the vesting of such immovable properties of the Transferor Companies in accordance with the provisions of Sections 230 to 232 of the Act, at the office of the respective Registrar of Assurances or any other concerned authority, where any such property is situated, without any other order to this effect.

6.4 Without prejudice to the above, the Transferee Company may, if so required under any Applicable Law or otherwise, at any time after the Scheme becoming effective, in accordance with the provisions hereof, execute or enter into any arrangements, conveyance, confirmations, deeds, documents, letters or any other instruments relating to any asset of the Transferor Companies with any party to any contract or agreements to which the Transferor Companies is a party.

6.5 With effect from the Appointed Date and upon the Scheme becoming effective, any statutory licenses, permissions, Permits, approvals, consents, certificates, no-objection certificates, authorities (including for the operation of bank accounts), insurance policies, powers of attorney given by, issued to, or executed in favour of the Transferor Companies and the rights and benefits under the same, all quality certifications and approvals, trademarks, brands, patents, patent applications, domain names, copyrights, industrial designs, trade secrets, know-how and other intellectual property and all other interests relating to the goods or services being dealt with by the Transferor Companies, shall stand vested in or transferred to the Transferee Company without any further act or deed and shall be appropriately mutated by the statutory authorities concerned therewith in favour of the Transferee Company and the benefit of all statutory and regulatory permissions and licenses, environmental approvals and consents, registration or other licenses, and consents shall vest in and become available to the Transferee Company as if they were originally obtained by the Transferee Company.

6.6 The Transferor Companies may be entitled to various incentive schemes, exemptions, subsidies, concessions and benefits. Pursuant to this Scheme, it is declared that the benefits under all

such schemes and policies pertaining to the Transferor Companies shall be automatically transferred to and vested into the Transferee Company and all benefits, entitlements and incentives of any nature whatsoever including benefits under the Income Tax Act including, advance tax, Minimum Alternate Tax (MAT) set-off rights, pre-paid taxes, levies/liabilities, if any, Customs Act, 1962, Central Excise Act, 1944, Central Sales Tax Act, 1956, any other State Sales Tax, or Service Tax or Corporation Tax or Goods and Service Tax, CENVAT, VAT credit, input tax credit, other Applicable Laws, regulations dealing with taxes, duties, levies, cess, exemptions, concessions, remissions, subsidies and other incentives in relation to the Transferor Companies, to the extent statutorily recoverable in cash or in kind or for value to be received, shall be claimed by the Transferee Company. The Transferee Company shall be entitled to get credit/ claim refund regarding any tax paid and/ or tax deduction at source certificates, pertaining to the Transferor Companies, on or after the Appointed Date.

6.7 Any amount including refunds under the Tax Laws due to the Transferor Companies consequent to the assessment proceedings or otherwise and which have not been received by the Transferor Companies as on the date immediately preceding the Appointed Date shall also belong to and be receivable by the Transferee Company upon the Scheme being effective.

6.8 The transfer and vesting of the assets and liabilities of each of the Transferor Companies as aforesaid shall be subject to the existing securities, charges, Encumbrances, mortgages, if any, in respect of any assets of the respective Transferor Companies. Provided always that the Scheme shall not operate to enlarge the security for any loan, deposit or facility availed of by the Parties and shall not be

obliged to create any further or additional security thereof after the Effective Date or otherwise. Provided also that the Scheme shall not operate to enlarge the securities for any loan, deposits or facility availed by the Transferee Company and that the Transferee Company shall not be obliged to create any further or additional security in lieu thereof, on any assets of the Transferor Companies vested in the Transferee Company in accordance with the foregoing paragraphs of the Scheme, after the Effective Date or otherwise.

6.9 In relation to the assets, if any, belonging to the Transferor Companies, which require separate documents of transfer, the Parties will execute the necessary documents, as and when required.

7. **TRANSFER OF LIABILITIES**

Without prejudice to the generality of Clause 5 above, the liabilities of the Transferor Companies shall stand transferred to and vested in the Transferee Company in the following manner:

7.1 With effect from the Appointed Date and upon the Scheme becoming effective, all debts, liabilities (including contingent liabilities), duties and obligations of every kind, nature and description, of the Transferor Companies shall be transferred or be deemed to have been transferred to Transferee Company, to the extent they are outstanding on the Effective Date, without any further act, deed, matter or thing and the same shall be assumed by Transferee Company so as to become, on and from the Appointed Date, the liabilities and obligations of the Transferee Company on the same terms and conditions as were applicable to the Transferor Companies. The Transferee Company shall undertake to meet, discharge and satisfy the same and further, it shall not be necessary to obtain the consent of any third party or other Person

who is a party to any contract or arrangement by virtue of which such debts, liabilities and obligations have arisen in order to give effect to the provisions of this Clause.

7.2 All loans, advances and other obligations (including any guarantee, letter of credit, letter of comfort or any other instrument or arrangements which may give rise to a contingent liability in whatever form), if any, due or which may at any time in future become due between Transferor Companies and Transferee Company, shall stand discharged with effect from Appointed Date and there shall be no liability in that behalf on either party.

7.3 Upon the Scheme becoming effective, any tax liabilities under the Income Tax Act, Customs Act, 1962, Central Excise Act, 1944, Central Sales Tax Act, 1956, any other State Sales Tax, Value Added Tax, or Service Tax or Corporation Tax or Goods and Service Tax, other Applicable Laws, regulations dealing with taxes, duties, levies, cess to the extent not provided for or covered by tax provision in the Transferor Companies accounts made as on the date immediately preceding the Appointed Date shall be transferred to the Transferee Company. Any surplus in the provisions for taxation, duties or levies account including advance tax, tax deducted or collected at source and credit for Minimum Alternate Tax and such other tax, as on the date immediately preceding the Appointed Date will also be transferred to the account of and belong to the Transferee Company.

7.4 For the period between the Appointed Date and the Effective Date all debts, liabilities, duties and obligations of the Transferor Companies, shall be deemed to be for and on account of the Transferee Company.

8. **CONTRACTS, DEEDS, BONDS AND OTHER INSTRUMENTS**

Without prejudice to the generality of Clause 5 above, the contracts, deeds, etc. relating to the Transferor Companies shall stand transferred to and vested in the Transferee Company in the following manner:

8.1 With effect from the Appointed Date and upon the Scheme becoming effective, all contracts, deeds, bonds, agreements, schemes, arrangements, insurance policies, indemnities, guarantees and other instruments of whatsoever nature in relation to Transferor Companies, or to the benefit of which Transferor Companies may be eligible, and which are subsisting or having effect on or immediately before the Effective Date, shall be in full force and effect, on or against or in favour of the Transferee Company and may be forced as fully and effectually as if, instead of the Transferor Companies, the Transferee Company had been a party or beneficiary or obligee thereto.

8.2 The Transferee Company may, at any time after the effectiveness of this Scheme in accordance with the provisions hereof, if so required, under any law or otherwise, enter into, or issue or execute deeds, writings, confirmations, novations, declarations, or other documents with, or in favour of any Person to any contract or arrangement to which the Transferor Companies is a party or any writings as may be necessary to be executed in order to give formal effect to the above provisions. The Transferee Company shall be deemed to be authorised to execute any such writings on behalf of the Transferor Companies and to carry out or perform all such formalities or compliances required for the purposes referred to above on the part of the Transferor Companies.

8.3 Until the Effective Date, the Transferor Companies shall carry on the business activities in the ordinary course and shall not execute

any material contract or undertake or assume any liability, obligation or undertaking without the prior written consent of the Transferee Company.

9. **LEGAL PROCEEDINGS**

9.1 All legal proceedings of whatever nature by or against the Transferor Companies pending on the Effective Date, shall not be abated, be discontinued or be, in any way, prejudicially affected by reason of the transfer of the undertakings, business, assets, properties and liabilities of the Transferor Companies or of anything contained in this Scheme but the proceedings may be continued, prosecuted and enforced by or against the Transferee Company in the same manner and to the same extent as it would or might have been continued, prosecuted and enforced by or against the Transferor Companies as if the Scheme had not been made.

9.2 On and from the Effective Date, all suits, cause of action, appeal, tax proceedings, investigations, arbitrations, any enquiry or other judicial, quasi-judicial, arbitral or other administrative proceedings of whatsoever nature by or against the Transferor Companies in relation to the provision or conduct of the business and pending or arising subsequent to the Appointed Date, shall be continued, prosecuted and enforced by or against the Transferee Company in the same manner and to the same extent as it would or might have been continued, prosecuted or enforced by or against the Transferee Company as if the Scheme had not been made.

9.3 On and from the Effective Date, the Transferee Company may initiate any legal proceeding for and on behalf of the Transferor Companies. All orders/ judgments/ awards of any Appropriate Authority in favour of the Transferor Companies or to the benefit of which Transferor Companies may be eligible, shall remain in full

force and effect in favour of Transferee Company without any further act, instrument, deed or thing and may be enforced as fully and effectually as if, instead of Transferor Companies, the Transferee Company had been a party or beneficiary thereto.

10. **EMPLOYEES**

10.1 With effect from the Effective Date, all the employees of the Transferor Companies shall become the employees of the Transferee Company on such date without any break or interruption in service and upon terms and conditions not less favourable than those on which they are engaged by the Transferor Companies, immediately preceding the Effective Date.

10.2 The Transferee Company undertakes to continue to abide by any agreement/ settlement or arrangement, if any, entered into or deemed to have been entered into by the Transferor Companies with any Persons in relation to the employees of the Transferor Companies. The Transferee Company agrees that the services of all such employees with the Transferor Companies prior to the Appointed Date shall be taken into account for the purposes of all existing benefits (including any leave encashment benefits) to which the said employees may be eligible, including for the purpose of payment of any retrenchment compensation, gratuity and other retiral/ terminal benefits.

10.3 In so far as the existing provident fund, gratuity fund and pension and/ or superannuation fund, trusts, retirement fund or benefits and any other funds or benefits, if any, created by the Transferor Companies for its employees (collectively referred to as the "**Funds**"), the Funds and such of the investments made by the Funds being transferred to the Transferee Company, in terms of the Scheme shall be transferred to the Transferee Company and shall

be held for their benefit pursuant to this Scheme in the manner provided hereinafter. The Funds shall, subject to the necessary approvals and permissions and at the discretion of the Transferee Company, either be continued as separate funds of the Transferee Company for the benefit of the employees of the Transferor Companies or be transferred to and merged with other similar funds of the Transferee Company. In the event that the Transferee Company does not have its own funds in respect of any of the above, the Transferee Company may, subject to necessary approvals and permissions, continue to contribute to relevant funds of the Transferor Companies, until such time that the Transferee Company creates its own fund, at which time the Funds and the investments and contributions pertaining to the employees of the Transferor Companies shall be transferred to the funds created by the Transferee Company. Subject to the relevant law, rules and regulations applicable to the Funds, the Board of Directors or any committee thereof of the Transferee Company may decide to continue to make the said contributions to the Funds of the Transferor Companies. Upon transfer of the aforesaid Funds of the Transferor Companies, the existing trust, if any created for such Funds by the Transferor Companies shall stand dissolved and no further act or deed shall be required to this effect.

10.4 It is clarified that the services of the employees of the Transferor Companies will be treated as having been continuous and not interrupted for the purpose of the said Fund or Funds.

11. **INTELLECTUAL PROPERTY**

Upon the Scheme coming into effect, all trade and service names and marks, patents, copyrights, designs, trade information, goodwill, business and credentials which includes the positive reputation that the Transferor Companies was enjoying to retain its clients, statutory

licenses, infrastructural advantages, overall increase in market share, customer base, skilled employees, business claims, business information, business contracts, trade style and name, marketing and distribution channels, marketing or other commercial rights, customer relationship, trade secrets, information on consumption pattern or habits of the consumers in the territory, technical know-how, client records, KYC (know your customer) records/ POAs (power of attorney), authorisations, client details and other intellectual property rights of any nature whatsoever, books, records, files, papers, engineering and process information, software licenses (whether proprietary or otherwise), drawings, computer programs, computer accessories, manuals, data, catalogues, quotations, sales and advertising material, lists of present and former customers and suppliers, other customer information, customer credit information, customer pricing information and all other records and documents, whether in physical or electronic form relating to business activities and operations of the Transferor Companies, if any, shall be transferred to the Transferee Company from the Appointed Date, without any further act, instrument or deed.

12. **INTER-SE TRANSACTIONS**

With effect from the Effective Date, all inter-se contracts solely between the Parties shall stand cancelled and cease to operate, and appropriate effect shall be given to such cancellation and cessation in the books of accounts and records of the Transferee Company. With effect from the Effective Date, there will be no accrual of income or expenses on account of any transactions in the nature of sale or transfer of any goods, material or services, between the Transferor Companies and the Transferee Company. For avoidance of doubt, it is hereby clarified that with effect from the Effective Date, there will be no accrual of interest or other charges in respect of any inter-se loans, deposits or balances between the Transferor Companies and the Transferee Company.

13. **BORROWING LIMITS, CORPORATE APPROVALS**

13.1 With effect from the Effective Date, the borrowing and investment limits of the Transferee Company under the Act shall be deemed without any further act or deed to have been enhanced by the borrowing and investment limits of the Transferor Companies, such limits being incremental to the existing limits of the Transferee Company.

13.2 Any corporate approvals obtained by the Transferor Companies, whether for purposes of compliance or otherwise, shall stand transferred to the Transferee Company and such corporate approvals and compliance shall be deemed to have been obtained and complied with by the Transferee Company.

14. **CONSIDERATION**

14.1 Upon the Scheme becoming effective and upon the amalgamation of the Transferor Companies with the Transferee Company in terms of this Scheme:

14.1.1 the Transferee Company shall, without any further act, deed, issue and allot on a proportionate basis to each shareholder of the Transferor Company 1, whose name is recorded in the register of members on the Effective Date, in accordance with the terms of the Scheme and without any further application, act, deed, payment, consent, instrument or deed issue 1 (One) fully paid up equity shares of Rs.10/- each of the Transferee Company ("**Transferee Company New Equity Shares**"), credited as fully paid up for every 135(One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or

successors in the Transferor Company 1 ("**Share Entitlement Ratio**").

14.1.2 The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

14.2 M/s. RBSA Valuation Advisors LLP, Registered Valuer (Regn No. IBBI/RV-E/05/2019/110), have issued the report on the Share Entitlement Ratio adopted under the Scheme. The aforesaid report on the Share Entitlement Ratio has been duly considered by the Boards of Directors of both the Transferor Companies and the Transferee Company.

14.3 In the event the aforesaid allotment of Transferee Company New Equity Shares in accordance with Clause 14.1.1 results in fractional entitlements, the Board of Directors of the Transferee Company shall consolidate all such fractional entitlements and round-up the aggregate of such fractions to the next whole number, and thereupon issue and allot whole Transferee Company New Equity Shares in lieu thereof to a trustee (nominated by the Board of Directors of the Transferee Company in this behalf) in dematerialized form, who shall hold such shares, with all additions or accretions thereto, in trust for the benefit of the respective shareholders to whom they belong for the specific purpose of selling such shares in the market at such price or prices and at any time within a period of 90 days from the date of allotment of the Transferee Company New Equity Shares as the trustee may, in its sole discretion, decide and distribute the net sale proceeds (after deduction of the expenses incurred and

applicable income tax) to the respective shareholders in the same proportion of their fractional entitlements. It is clarified that any such distribution shall take place only on the sale of all the fractional shares of the Transferee Company pertaining to the fractional entitlements.

14.4 The Transferee Company New Equity Shares to be issued by the Transferee Company pursuant to Clause 14.1.1 above shall be issued in dematerialized form by the Transferee Company to each member of the Transferor Company 1 whose name is recorded in the register of members on the Effective Date. The register of members maintained by the Transferee Company and/ or, other relevant records, whether in physical or electronic form, maintained by the Transferee Company, the relevant depository and registrar and transfer agent in terms of Applicable Laws shall (as deemed necessary by the Board of Directors of the Transferee Company) be updated to reflect the issue of Transferee Company New Equity Shares in terms of this Scheme. The shareholders of the Transferor Company 1 who hold equity shares in physical form, should provide the requisite details relating to his/ her/ its account with a depository participant or other confirmations as may be required, to the Transferee Company, prior to the Effective Date to enable it to issue the Transferee Company New Equity Shares.

However, if no such details have been provided to the Transferee Company by the equity shareholders of the Transferor Company 1 holding equity shares in physical share certificates on or before the Effective Date, the Transferee Company shall deal with the relevant equity shares in such manner as may be permissible under the Applicable Law, including by way of issuing the corresponding equity shares in dematerialised form to a trustee

nominated by the Board of Directors of the Transferee Company who shall hold these equity shares in trust for the benefit of such shareholder. The equity shares of the Transferee Company held by such trustee for the benefit of the shareholder shall be transferred to the respective shareholder once such shareholder provides details of his/ her/ its demat account to the trustee, along with such other documents as may be required by the trustee. The respective shareholders shall have all the rights of the shareholders of the Transferee Company, including the right to receive dividend, voting rights and other corporate benefits, pending the transfer of equity shares from the trustee. All costs and expenses incurred in this respect shall be borne by Transferee Company.

14.5 In the event of there being any pending share transfers, whether lodged or outstanding, of any shareholders of the Transferor Company 1, the Board of Directors of the Transferor Company 1 shall be empowered prior to or even subsequent to the Effective Date, to effectuate such transfers in the Transferor Company 1 as if such changes in registered holders were operative as on the Effective Date, in order to remove any difficulties arising to the transferors of the shares in relation to the Transferee Company New Equity Shares issued by the Transferee Company after the Scheme is effected. The Board of Directors of the Transferee Company shall be empowered to remove such difficulties as may arise in the course of implementation of this Scheme and registration of new shareholders in the Transferee Company on account of difficulties faced in the transition period.

14.6 In the event, any or all of the Parties restructure their share capital by way of share split / consolidation/ issue of bonus shares or any other corporate action during the pendency of the Scheme,

the Share Entitlement Ratio stated in Clause 14.1 above shall be adjusted accordingly, without the requirement of any further approval from Appropriate Authority to consider the effect of any such corporate actions undertaken by such Party.

14.7 The Transferee Company New Equity Shares issued and allotted by the Transferee Company in terms of this Scheme shall be subject to the provisions of the Memorandum and Articles of Association of the Transferee Company and shall rank pari-passu inter-se in all respects including dividends declared, voting and other rights. The issue and allotment of the Transferee Company New Equity Shares in terms of this Scheme shall be deemed to have been carried out as if the procedure laid down under Section 42 and 62(1)(c) of the Act and any other applicable provisions of the Act have been complied with.

14.8 The Transferee Company New Equity Shares issued by the Transferee Company will be listed and/or admitted to trading on the Stock Exchanges where the shares of the Transferee Company are listed and/or admitted to trading. The Transferee Company shall apply for listing of the Transferee Company New Equity Shares on the Stock Exchanges in terms of and in compliance of SEBI LODR Regulations, SEBI Circular and other relevant provisions as may be applicable. The Transferee Company New Equity Shares allotted by the Transferee Company, pursuant to the Scheme, shall remain frozen in the depository system till listing/ trading permission is given by the Stock Exchanges.

14.9 The Transferee Company shall enter into such arrangements and give such confirmations and/ or undertakings as may be necessary in accordance with Applicable Law for complying with the formalities of the Stock Exchanges.

14.10 It is clarified that the approval of the shareholders of the Transferee Company to this Scheme shall be deemed to be their consent/ approval also to the consequential alteration of its memorandum of association and articles of association or any other action contemplated as part of the Scheme pursuant to this Scheme and the Transferee Company shall not be required to seek separate consent / approval of its shareholders for such alteration or action, as required under Sections 13, 14, 42, 61, 64 and other applicable provisions of the Act.

15. **Authorised Share Capital of the Transferee Company**

15.1 Upon the Scheme becoming effective and as an integral part of the Scheme, the Authorized Share Capital of the Transferor Company 1 viz., Rs. 2,40,00,00,000 (Rupees Two Hundred Forty Crore Only) and that of the Transferor Company 2 viz., Rs. 40,00,00,000 (Rupees Forty Crore Only) i.e. aggregate of Rs. 2,80,00,00,000/- (Rupees Two Hundred and Eighty Crores Only) comprising of 28,00,00,000 (Twenty-Eight Crores) Equity Shares of Rs.10/- each be transferred to the Authorized Share Capital of the Transferee Company automatically without any further act, instrument or deed and without payment of any fees, stamp duty, etc.

15.2 Consequently, upon the Scheme becoming effective and as stated in Clause 15.1 above, the Authorized Share Capital of the Transferee Company shall automatically stand reclassified and amended as under:

Particulars	**Amount (in Rupees)**
Authorised Capital	

33,00,10,000 Equity Shares of Rs.10/- each	3,30,01,00,000
50,00,000 Preference Shares of Rs.10/- each	5,00,00,000
TOTAL	**3,35,01,00,000**

It is clarified that the approval of the shareholders of the Transferee Company to the Scheme shall be deemed to be their consent/ approval also to the alteration of the Memorandum of Association and Articles of Association of the Transferee Company as may be required under the Act.

15.3 The Clause V of the Memorandum of Association of the Transferee Company would stand amended as follows:

"*The Authorised Share Capital of the Company is Rs. 3,35,01,00,000/- (Rupees Three Hundred Thirty-Five Crore and One Lakh only) divided into 33,00,10,000 Equity Shares of Rs.10/- (Rupees Ten each) each and 50,00,000 Preference Shares of Rs.10/- (Rupees Ten only) with power to increase and reduce the capital of the Company or to divide the shares in the capital for the time being into several classes and to attach thereto such. preferential, qualified or special rights, privileges or conditions as may be determined by or in accordance with the Articles of Association of the Company and to vary, modify or abrogate any such rights, privileges or conditions in such manner as may for time being be provided by the Articles of Association of the Company*

15.4 Upon the Scheme becoming effective, the Transferee Company shall not be required to file any forms or pay any fees, stamp duty etc., with the Registrar of Companies for alteration of its Authorized Share Capital and alteration in the Memorandum of Association, as may be required.

16. **DIVIDENDS**

16.1 The Parties shall be entitled to declare and pay dividends, whether interim or final, to its shareholders in respect of the accounting period prior to the Effective Date consistent with the past practice, or in the ordinary course.

16.2 Upon the Scheme becoming effective, on and from the Appointed Date, the profits of the Transferor Companies shall belong to and be the profits of the Transferee Company and will be available to the Transferee Company for being disposed of in any manner as it thinks fit.

16.3 It is clarified that the aforesaid provisions in respect of declaration of dividends are enabling provisions only and shall not be deemed to confer any right on any shareholder of the Transferee Company to demand or claim any dividends which, subject to the provisions of the Act, shall be entirely at the discretion of the Board of Directors of the Transferee Company, subject to such approval of the shareholders, as may be required.

17. **PROFITS, BONUS/ RIGHTS SHARES**

17.1 With effect from the Appointed Date, the Transferor Companies shall not without the prior written consent of the Transferee Company, utilise, adjust or claim adjustment of profits/ reserves, as the case may be earned/ incurred or suffered after the Appointed Date.

17.2 The Transferor Companies shall not after the Appointed Date, issue or allot any further securities, by way of rights or bonus or otherwise without the prior written consent of the Board of Directors of the Transferee Company.

18. **CONDUCT OF BUSINESS UNTIL EFFECTIVE DATE**

18.1 With effect from the date of approval of the Scheme by the respective Board of the Parties and up to and including the Effective Date:

18.1.1 the Transferor Companies shall carry on its business in ordinary course with reasonable diligence and business prudence and in the same manner as the Transferor Companies had been doing hitherto;

18.1.2 Further the Transferor Companies shall not undertake any additional financial commitments of any nature whatsoever, including borrow any amounts or incur any other liabilities or expenditure, issue any additional guarantees, indemnities, letters of comfort or commitment either for themselves or on behalf of its respective affiliates or associates or any third party, or sell, transfer, alienate, charge, mortgage or Encumber or deal in any of its properties/assets, etc. except:

(a) when the same is expressly provided in this Scheme; or

(b) when the same is in the ordinary course of business as carried on, by the Transferor Companies; or

(c) when written consent of the Transferee Company has been obtained in this regard;

18.1.3 the Transferee Company shall be entitled, pending the sanction of the Scheme, to apply to the Appropriate Authorities concerned as necessary under Applicable Law for such consents, approvals and sanctions which the Transferee Company may require to carry on the relevant business of the Transferor Companies and to give effect to the Scheme;

18.2 The Transferor Companies with effect from the Appointed Date and up to and including the Effective Date:

18.2.1 shall be deemed to have been carrying on and to be carrying on all business and activities and stand possessed of all the assets, rights, title, interest, authorities, contracts, investments and strategic decisions of the Transferor Companies for and on account of and in trust for, the Transferee Company;

18.2.2 all profits and income accruing to the Transferor Companies, and losses and expenditure incurred by it (including taxes but excluding advance taxes, if any, accruing or paid in relation to any profits or income), relating to the Transferor Companies for the period from the Appointed Date based on the accounts of the Transferor Companies shall for all purposes be treated as the profits, income, losses or expenditure, as the case may be, of the Transferee Company; and

18.2.3 any of the rights, powers, authorities, privileges, attached, exercised by the Transferor Companies shall be deemed to have been exercised by the Transferor Companies for and on behalf of, and in trust for and as an agent of the Transferee Company. Similarly, all of the obligations, duties and commitments attached, undertaken by the Transferor Companies shall be deemed to have been undertaken for and on behalf of the Transferee Company.

18.3 The transfer and vesting of the assets, liabilities and obligations of the Transferor Companies and the continuance of the proceedings by or against the Transferor Companies under this Scheme shall not affect any transaction or proceedings already completed by the Transferor Companies on or before the Effective Date in

accordance with the Scheme, to the end and intent that, the Transferee Company accepts all acts, deeds and things done and executed by and or on behalf of the Transferor Companies as acts, deeds and things done and executed by and on behalf of the Transferee Company.

19. **ACCOUNTING TREATMENT IN THE BOOKS OF THE TRANSFEREE COMPANY**

19.1 Upon the Scheme becoming effective the Transferee Company shall account for the amalgamation of the Transferor Companies in the books of accounts in accordance with "Pooling of Interest Method" of accounting as stated in IND-AS 103 (Business Combinations) of entities under common control with effect from the Appointed Date as under:

19.1.1 The Transferee Company shall record all the assets, liabilities and reserves of the Transferor Companies vested in it pursuant to this Scheme at the close of business immediately preceding the Appointed Date at their carrying amounts as appearing in the books of account of the Transferor Companies, on the Appointed Date;

19.1.2 The Transferee Company shall credit to its share capital account, the aggregate face value of the equity shares issued by the Transferee Company pursuant to the Scheme;

19.1.3 The investment made in the Share Capital of the Transferor Company 2 by the Transferee Company shall stand cancelled;

19.1.4 The identity of the reserves of Transferor Companies shall be preserved and they shall appear in the financial statements of Transferee Company in the same form and manner, in which they appeared in the financial statements of Transferor Companies, prior to this Scheme becoming effective.

19.1.5 Inter-Company transactions and balances including loans, advances, receivables, payables and other dues inter-se between the Transferor Companies and the Transferee Company, if any, will stand cancelled;

19.1.6 In case of any differences in accounting policy between Transferor Companies and Transferee Company, the accounting policies followed by Transferee Company will prevail and the difference shall be adjusted in accordance with applicable Indian Accounting Standards to ensure that the financial statements of Transferee Company reflect the financial position on the basis of consistent accounting policy.

19.1.7 Notwithstanding the above, the Board of Directors of the Transferee Company, in consultation with its statutory auditors, is authorized to account for any of the balances in any other manner in accordance with the applicable accounting standards, if such accounting treatment is considered more appropriate.

20. **TAX TREATMENT**

20.1 The amalgamation of the Transferor Companies into the Transferee Company shall be as a going concern, in accordance with Section 2(1B), Section 47(vi) and Section 72A of the Income Tax Act. If any terms or provisions of the Scheme are found or interpreted to be inconsistent with the provisions of the Income Tax Act, at a later date for any reason whatsoever, the provisions of the Income Tax Act shall prevail and the Scheme shall stand modified to the extent deemed necessary to comply with Section 2(1B), Section 47(vi) and Section 72A of the Income Tax Act. Such modifications, however, shall not affect the other parts of the Scheme.

20.2 All the benefit of the tax credits whether central, state or local, availed by the Transferor Companies including Minimum

Alternate Tax, Input Tax Credit, tax deduction at source on income of the Transferor Companies, obligation for tax deduction at source on any payments made by or to be made by the Transferor Companies, and the obligations if any for payment of the tax on any assets of the Transferor Companies or their erection and/ or installation, etc. shall be deemed to have been availed by the Transferor Companies or as the case may be deemed to be the obligations of the Transferee Company. Consequently, and as the Scheme does not contemplate removal of any asset by the Transferor Companies from the premises in which it is installed, no reversal of any tax credit needs to be made.

20.3 With effect from the Appointed Date and upon the Scheme becoming effective, all taxes, duties, credits, cess payable/ receivable by the Transferor Companies including all or any refunds/ credits/ claims relating thereto shall be treated as the asset/ liability or refunds/ credits/ claims, as the case may be, of the Transferee Company.

20.4 The Transferee Company is expressly permitted to revise its tax returns including tax deducted at source (TDS) certificates/ returns and to claim refunds, advance tax credits, goods and service tax credits, set offs, rebates, credits, etc., on the basis of the accounts of the Transferor Companies as vested with the Transferee Company upon coming into effect of this Scheme, and its right to make such revisions in the related tax returns and related certificates, as applicable, and the right to claim refunds, adjustments, credits, set-offs, advance tax credits pursuant to the sanction of this Scheme and the Scheme becoming effective is expressly reserved.

21. **CONCLUDED TRANSACTIONS**

The transfer of assets, properties and liabilities above and the continuance of proceedings by or against the Transferee Company above shall not affect any transaction or proceedings already concluded in the Transferor Companies, on or after the Appointed Date till the Effective Date, to the end and intent that the Transferee Company accepts and adopts all acts, deeds and things done and executed by the Transferor Companies, in respect thereto as done and executed on its behalf.

22. **OTHER ENTITLEMENTS**

22.1 On and from the Effective Date and till such time that the bank accounts of the Transferor Companies have been transferred in favour of the Transferee Company or the Transferor Companies name has been replaced with that of the Transferee Company, the Transferee Company shall be entitled to maintain and operate the bank accounts of the Transferor Companies in the name of the Transferor Companies and for such time as may be determined to be necessary by the Transferee Company.

All cheques and other negotiable instruments (including but not limited to bank guarantee(s), letter(s) of credit), payment orders, electronic fund transfers like NEFT, RTGS etc. received or presented for encashment, in the name of Transferor Companies after the Effective Date shall be accepted by the bankers of the Transferee Company and credited to the account of the Transferee Company. Similarly, the bankers of the Transferee Company shall honour cheques issued by Transferor Companies for payment after the Effective Date.

22.2 Upon the coming into effect of this Scheme the resolutions, if any, of Transferor Companies, which are valid and subsisting on the Effective Date shall continue to be valid and subsisting and be considered as resolutions of the Transferee Company and if any

such resolutions have upper monetary or other limits being imposed under the provisions of the Act, or any other applicable provisions, then the said limits shall be added and shall constitute the aggregate of the said limits in the Transferee Company.

23. **DISSOLUTION OF TRANSFEROR COMPANY 1 AND TRANSFEROR COMPANY 2**

On this Scheme becoming effective, the Transferor Company 1 and the Transferor Company 2 shall stand dissolved without winding up and the Board of Directors and any committees thereof of the Transferor Company 1 and the Transferor Company 2 shall without any further act, instrument or deed be and stand discharged. On and from the Effective Date, the name of the Transferor Company 1 and the Transferor Company 2 shall be struck off from the records of the concerned Registrar of Companies.

PART C

GENERAL TERMS AND CONDITIONS

24. **APPLICATION AND PETITION BEFORE THE TRIBUNAL**

24.1 The Parties shall make the requisite company applications under Sections 230 to 232 of the Act and other applicable provisions of the Act to the Tribunal for seeking sanction of this Scheme.

24.2 Each of the Parties (acting through their respective Boards of Directors) shall, with all reasonable dispatch, make applications to the Tribunal, under the relevant provisions of Applicable Law, if any, seeking orders for dispensing with or convening, holding and/or conducting of the meetings of the classes of their respective shareholders and/or creditors and for sanctioning the Scheme with such modifications, as may be approved by the Tribunal.

25. **MODIFICATIONS OR AMENDMENTS TO THE SCHEME**

25.1 The Parties by their respective Board of Directors may assent to any modifications/amendments to the Scheme or to any conditions or limitations that the Tribunal and/or any other authority may deem fit to direct or impose or which may otherwise be considered necessary, desirable or appropriate by them (i.e. the Board of Directors) subject to the approval of the Tribunal or any other authorities under the Applicable Law. The Parties by their respective Board of Directors be and are hereby authorized to take all such steps as may be necessary, desirable or proper to resolve any doubts, difficulties or questions whether by reason of any directive or orders of any other authorities or otherwise howsoever arising out of or under or by virtue of the Scheme and/or any matter concerned or connected therewith.

25.2 In the event any of the conditions that may be imposed by the Tribunal, while sanctioning the Scheme, which the Board of Directors of the Parties may find unacceptable for any reason, then the Parties are at liberty to withdraw from the Scheme.

25.3 Subject as provided hereinafter, if any part of this Scheme is held invalid, ruled illegal by the Tribunal or any other Appropriate Authority of the competent jurisdiction, or becomes unenforceable for any reason whatsoever, whether under present or future laws, then it is the intention of the Parties that such part shall be severable from the remainder of this Scheme and this Scheme shall not be affected thereby, unless the deletion of such part shall cause this Scheme to become materially adverse to any party, in which case the Parties shall attempt to bring about a modification in this Scheme, as will best preserve for the Parties the benefits and obligations of this Scheme, including but not limited to such part.

26. **CONDITIONS PRECEDENT**

26.1 Unless otherwise decided (or waived) by Parties, the Scheme is conditional upon and subject to the following conditions precedent:

26.1.1 receipt of no-objection letters from the Stock Exchanges in respect of the Scheme and the transaction contemplated herein under Regulation 37 of the SEBI LODR Regulations, which in form and substance is acceptable to the Parties, each acting reasonably and in good faith;

26.1.2 the Scheme being approved by the requisite majorities of the shareholders and creditors of the Parties, as required under

Applicable Laws and/or as may be directed by the Tribunal or any other authority as may be prescribed or notified;

26.1.3 the Transferee Company, complying with other provisions of the SEBI Circular, including seeking approval of the shareholders of the Transferee Company through e-voting, as applicable. The Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast against the proposal by the public shareholders, of the Transferee Company, as required under the SEBI Circular. The term 'public' shall carry the same meaning as defined under Rule 2 of Securities Contracts (Regulation) Rules, 1957;

26.1.4 the requisite consents, approvals or permissions of any Appropriate Authority, which by law may be necessary for the implementation of this Scheme;

26.1.5 the sanction of the Scheme by the Tribunal under Sections 230 to 232 of the Act being obtained by the Parties; and

26.1.6 the certified copies of the orders of the Tribunal referred to in this Scheme being filed with the Registrar of Companies by the Parties.

26.2 It is hereby clarified that submission of this Scheme to the Tribunal and to the Appropriate Authority for their respective approvals is without prejudice to all rights, interests, title, or defenses that Parties may have under or pursuant to all Applicable Laws.

26.3 On the approval of this Scheme by the shareholders of the Parties and such other classes of Persons of the Parties, if any, pursuant to Clause 26.1.2 and Clause 26.1.3 above, such shareholders and

classes of Persons shall also be deemed to have resolved and accorded all relevant consents under the Act or otherwise to the same extent applicable in relation to the Scheme.

27. **EFFECT OF NON-RECEIPT OF APPROVALS**

27.1 In case this Scheme is not sanctioned by the Tribunal and/or Appropriate Authority or in the event any of consents, approvals, permissions, resolutions, agreements, sanctions or conditions enumerated in this Scheme not being obtained or complied or for any other reason, this Scheme cannot be implemented, this Scheme shall become null and void and be of no effect.

27.2 In the event of revocation/ withdrawal/ nullity of the Scheme, no rights and liabilities whatsoever shall accrue to or be incurred inter se the Parties or their respective shareholders or creditors or employees or any other Person, save and except in respect of any act or deed done prior thereto as is contemplated hereunder or as to any right, liability or obligation which has arisen or accrued pursuant thereto and which shall be governed and be preserved or worked out as is specifically provided in the Scheme or in accordance with Applicable Law or in accordance with any agreement entered by the Parties and in such case, each Party shall bear its own costs, unless otherwise mutually agreed.

28. **REPEALS AND SAVINGS**

Any direction or order given by the Tribunal or other Appropriate Authority under the provisions of the Act and any act done by the Transferor Companies and the Transferee Company, based on such directions or order shall be deemed to be in accordance with and consistent with the provisions of the Act.

29. **COST, CHARGES AND EXPENSES**

All costs, charges, taxes including duties, levies and all other expenses, if any (save as expressly otherwise agreed) arising out of, or incurred in connection with the amalgamation of the Transferor Companies into the Transferee Company, as set out in Part B of this Scheme and matters incidental thereto, shall be borne by the Transferee Company.

30. **COMPLIANCE WITH APPLICABLE LAWS**

The Parties undertake to comply with all Applicable Laws including making the requisite intimations and disclosures to any statutory or regulatory authority and obtaining the requisite consent, approval or permission, of the Central Government, Stock Exchanges, SEBI, as may be required or any other statutory or regulatory authority, which by law may be required for the implementation of this Scheme or which by law may be required in relation to any matters connected with this Scheme.

Subject: Recommendation of the Fair Share Exchange Ratio for the Proposed Amalgamation of Privi Fine Sciences Private Limited and Privi Biotechnologies Private Limited with Privi Speciality Chemicals Limited

Dear Sir / Madam,

We refer to the engagement letter dated December 5, 2025, whereby RBSA Valuation Advisors LLP ("RBSA" or the "Valuer") has been jointly appointed by Privi Speciality Chemicals Limited ("PSCL"), Privi Fine Sciences Private Limited ("PFSPL") and Privi Biotechnologies Private Limited ("PBPL") (together referred to as "the Companies"), to assist in recommending the fair share exchange ratio ("Share Exchange Ratio") in connection with the proposed amalgamation of PFSPL and PBPL with PSCL pursuant to Scheme of Amalgamation under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, including statutory modification, re-enactment or amendment thereof, Section 2(1B) of the Income Tax Act, 1961 and other applicable laws, rules and regulations ("Proposed Merger").

PSCL and PFSPL are together referred to as the "Specified Companies" and individually referred to as "Company", as the context may require.

The Share Exchange Ratio for this report refers to the number of equity shares of PSCL to be issued to the equity shareholders of PFSPL as consideration for the Proposed Merger ("Report"). Since PBPL is a wholly owned subsidiary of PSCL, no equity shares are to be issued on its merger with PSCL.

In the following paragraphs, we have summarized our valuation analysis together with the description of the methodologies used and limitations on our scope of work.

1. CONTEXT AND PURPOSE OF THIS REPORT

1.1 *Privi Speciality Chemicals Limited*
PSCL, incorporated on May 25, 1985, is engaged in the manufacture and supply of bulk aroma and specialty chemicals primarily used in the Fragrance and Flavours industry. Its product range

includes bulk aroma chemicals in Pine Chemicals, Citral derivatives, Phenol range of products, Musk and its variants, Speciality and Sandal based products. The Company operates manufacturing facilities located at Mahad and Jhagadia and undertakes export activities serving domestic and international customers. Around 70% of the Company's revenues are from exports. The equity shares of PSCL are listed on the BSE Limited and the National Stock Exchange of India Limited. For the financial year ended March 31, 2025, PSCL reported consolidated revenue of INR 21,012 Mn and consolidated profit after tax of INR 1,848 Mn.

1.2 *Privi Fine Sciences Private Limited*

PFSPL, incorporated on April 13, 2021, is engaged in the production, processing and trading of a broad range of chemicals, including fragrances and flavours, essence oils and food-related ingredients. Its activities extend to organic and inorganic chemicals as well as other industrial intermediates. The company conducts its manufacturing operations from its facility located at MIDC Lote, Ratnagiri, where commercial operations have recently commenced. It also owns a parcel of non-core land and building thereon at Jhagadia ("Unit 2"). The Company targets to have exports revenues of ~30-35% by FY2030. For the year ended March 31, 2025, PFSPL reported revenue of INR 483 Mn and a loss after tax of INR 345 Mn. The company's equity shares are not listed on any stock exchange.

1.3 *Privi Biotechnologies Private Limited*

PBPL, incorporated on September 20, 1985, is engaged in research and development of biotechnology-based products and related chemicals. It also develops proprietary technologies and diagnostic tools relevant to chemical and biotech applications. For the financial year ended March 31, 2025, PBPL reported revenue of INR 48 Mn and loss after tax of INR 76 Mn. It is a wholly owned subsidiary of Privi Speciality Chemicals Limited and its shares are not listed on any stock exchange.

1.4 *Proposed Merger*

We understand that the management of PSCL, PFSPL and PBPL (collectively, the "Management") is evaluating a proposed amalgamation of PFSPL and PBPL with PSCL, pursuant to a Scheme of Amalgamation under Sections 230 to 232 of the Companies Act, 2013, including any statutory modification, re-enactment or amendment thereof, and other applicable securities and capital market laws and regulations (the "Scheme").

Under the Scheme:
(a) PFSPL is proposed to be amalgamated into PSCL ("Proposed Transaction 1"); and
(b) PBPL is proposed to be amalgamated into PSCL ("Proposed Transaction 2").

As a consideration for the Proposed Transaction 1, equity shares of PSCL would be issued to equity shareholders of PFSPL. Pursuant to Proposed Transaction 2, no equity shares will be issued, since PBPL is a wholly owned subsidiary of PSCL.

1.5 *Scope of Work and Purpose of Valuation*

The Management has requested RBSA, Registered Valuer – Securities and Financial Assets, to submit this Report recommending the Share Exchange Ratio for Proposed Transaction 1, for the consideration of the Board of Directors of the Specified Companies.

RBSA VALUATION ADVISORS LLP

1.5.1 The scope of our engagement is to conduct a relative (and not absolute) valuation of the equity shares of PSCL and PFSPL (together, the "Valuation Subjects") as of the Valuation Date and recommend the Share Exchange Ratio in accordance with generally accepted valuation principles and ICAI Valuation Standards (ICAI VS) to the extent applicable.

1.5.2 This Report will be placed before the respective Boards of the Specified Companies and, to the extent required under applicable law, may be submitted to shareholders, stock exchanges, SEBI, NCLT and other regulatory authorities in connection with the Scheme. For the purpose of this Report, the Valuation Date considered is December 18, 2025, and the financial information has been considered as of September 30, 2025.

1.5.3 This Report is deliverable for the above engagement.

1.5.4 This Report is subject to the scope, assumptions, exclusions, limitations and disclaimers detailed hereinafter. As such, the Report is to be read in totality, and not in parts, in conjunction with the relevant documents referred to therein.

2. SOURCES OF INFORMATION

In connection with this exercise, we have used the following information received from the Management and/or gathered from public domain while arriving at the Share Exchange Ratio for the Proposed Merger.

RBSA VALUATION ADVISORS LLP

6. APPROACH FOR THE RECOMMENDATION OF SHARE EXCHANGE RATIO

In order to determine the Share Exchange Ratio under the Scheme, we have undertaken a relative valuation exercise of the equity shares of the Valuation Subjects. Our choice of methodology for valuation has been arrived at using usual and conventional methodologies adopted for such transactions and our reasonable judgment, in an independent and bonafide manner based on our previous experience of assignments of a similar nature.

The Proposed Transaction 1 contemplates merger of PFSPL into PSCL under the provisions of Section 230 to 232 and other applicable provisions of the Companies Act, 2013. Arriving at the Share Exchange Ratio for the purpose of the Proposed Merger would require determining the equity value of the Valuation Subjects on a relative basis, without considering the effect of the Proposed Merger.

Our valuation approach is given in Annexure 2 to this Report.

7. BASIS OF SHARE EXCHANGE RATIO

7.1 The Share Exchange Ratio has been arrived at on the basis of the relative value of the Valuation Subjects based on the various approaches / methods explained in this Report and various qualitative factors relevant to the Valuation Subjects and the business dynamics and growth potentials of the businesses, having regard to information base, key underlying assumptions and limitations.

7.2 While we have provided our recommendation of the Share Exchange Ratio based on the information available to us and within the scope and constraints of our engagement, others may have a different opinion for the Share Exchange Ratio. The final responsibility for the determination of the ratio at which the Proposed Merger shall take place will be with the Board of Directors of the respective Specified Companies who should take into account other factors such as their own assessment of the Proposed Merger and input of other advisors.

8. SCOPE LIMITATIONS, ASSUMPTIONS, QUALIFICATIONS, EXCLUSIONS AND DISCLAIMERS

8.1 Provision of valuation opinions and consideration of the issues described herein are areas of our regular practice. These services do not represent accounting, assurance, accounting / tax due diligence, consulting or tax related services that may otherwise be provided by us or our affiliates.

8.2 The user to which this Report is addressed should read the basis upon which the valuation has been carried out and be aware of the potential for later variations in value due to factors that are unforeseen at the Valuation Date. The recommendation contained herein is not intended to represent value at any time other than the date of the Report. Also, it may not be valid if done on behalf of any other entity.

8.3 This Report, its contents and the conclusion herein are specific to (i) the purpose of valuation agreed as per the terms of our engagement; (ii) the Valuation Date and (iii) are based on the data detailed in the section – Sources of Information. An analysis of this nature is necessarily based on the information made available to us, the prevailing stock market, financial, economic and other conditions in general and industry trends in particular, as of the Valuation Date. Events

RBSA VALUATION ADVISORS LLP

occurring after the date hereof may affect this Report and the assumptions used in preparing it, and we do not assume any obligation to update, revise or reaffirm this Report.

8.4 The recommendation contained in this Report is based on the information made available to us by the Management of the Specified Companies (or their representatives) and other sources as of the Report Date. This recommendation is non-binding in nature and is not intended to, nor should it be construed to, provide any advice in relation to the purchase or sale of securities.

8.5 It should be understood that valuation of any entity or its assets is inherently subjective and is subject to uncertainties and contingencies, all of which are difficult to predict and are beyond our control. In performing our analysis, we have relied on explanations provided by the Management and have made assumptions with respect to industry performance and general business and economic conditions, many of which are beyond the control of the Specified Companies. This valuation could fluctuate with lapse of time, changes in prevailing market conditions and prospects, foreign exchange rates, industry performance and general business and economic conditions, financial or otherwise, of the companies, and other factors which generally influence the valuation of companies and their assets.

8.6 The recommendation of a Share Exchange Ratio is not precise science and the conclusions arrived at in many cases will, of necessity, be subjective and dependent on the exercise of individual judgement. In the ultimate analysis, valuation will require exercise of judicious discretion and judgment taking into accounts all the relevant factors. There is, therefore, no single undisputed Share Exchange Ratio.

8.7 In the course of the valuation, we were provided with both written and verbal information, including information as detailed in the section - Sources of Information. In accordance with the terms of our engagement, we have assumed and relied upon (i) the accuracy of the information that was publicly available and formed a basis for this Report and (ii) the accuracy of information made available to us by the Management. In accordance with the customary approach adopted in valuation exercises, we have not audited or otherwise investigated the historical/projected financial information provided to us. Although we have made the necessary enquiries regarding the key assumptions considered in the business model in the context of the Specified Companies, their industry or their economy and reviewed such data for consistency and reasonableness, we have not independently investigated the data provided by the Management. Accordingly, we do not express an opinion or offer any form of assurance regarding the truth and fairness of the financial position as indicated in the financial statements. Also, with respect to explanations and information sought from the Management, we have been given to understand by the Management that they have not omitted any relevant and material factors. Our conclusions are based on the assumptions and information given by / on behalf of the Specified Companies. The Management has indicated to us that they have understood that any omissions, inaccuracies or misstatements may materially affect our valuation analysis/results. Also, we assume no responsibility for financial/technical information furnished by Management.

8.8 Accordingly, we assume no responsibility for any errors in the information furnished by the Management or obtained from public domain and their impact on the Report. However, nothing has come to our attention to indicate that the information provided was materially mis-stated/ incorrect or would not afford reasonable grounds upon which to base the Report.

RBSA VALUATION ADVISORS LLP

8.9 We have relied on data from external sources to conclude the valuation. These sources are believed to be reliable and therefore, we assume no liability for the truth or accuracy of any data, opinions or estimates furnished by others that have been used in this analysis. Where we have relied on data, opinions or estimates from external sources, reasonable care has been taken to ensure that such data has been correctly extracted from those sources and/or reproduced in its proper form and context.

8.10 The Management have represented that the business activities have been carried out in the normal and ordinary course between September 30, 2025, and the Report Date for the Valuation Subjects and that no material adverse change has occurred in their respective operations and financial position between the respective aforementioned dates.

8.11 The Report assumes that the Valuation Subjects, their subsidiaries, comply fully with relevant laws and regulations applicable in all their areas of operations unless otherwise stated, and that all the companies will be managed in a competent and responsible manner. Further, except as specifically stated to the contrary, this Report has given no consideration to matters of regulatory nature, tax nature and legal nature, including issues of legal title and compliance with local laws, and litigation and other contingent liabilities that are not recorded in the audited/unaudited balance sheet of the Valuation Subjects and their subsidiaries. We assume that the business continues normally without any disruptions due to statutory or other external/ internal occurrences. Our conclusion of value assumes that the assets and liabilities reflected in the latest balance sheets remain intact as of the Report Date.

8.12 This Report does not look into the business/ commercial reasons behind the Proposed Merger nor the likely benefits arising out of the same. Similarly, it does not address the relative merits of the Proposed Merger as compared with any other alterative business transaction or other alternatives or whether such alternatives could be achieved or are available.

8.13 No investigation / inspection of the Specified Companies' claim to title of assets has been made for the purpose of this Report and the Specified Companies' claim to such rights has been assumed to be valid. No consideration has been given to liens or encumbrances against the assets, beyond the loans/liabilities disclosed in the accounts. Therefore, no responsibility is assumed for matters of a legal nature.

8.14 We have no present or planned future interest in the Companies. The fee for this Report is not contingent upon the values or results reported herein.

8.15 We will not be liable for any losses, claims, damages or liabilities arising out of the actions taken, omissions of or advice given by any other advisor to the Specified Companies. In no event shall we be liable for any loss, damages, cost or expenses arising in any way from fraudulent acts, misrepresentations or willful default on part of the Specified Companies, their directors, employees or agents.

8.16 We do not accept any liability to any third party in relation to the issue of this Report. It is understood that this analysis does not represent a fairness opinion on the Share Exchange Ratio. This Report is not a substitute for the third party's own due diligence/ appraisal/ enquiries/ independent advice that the third party should undertake for his purpose. Our Report is not, nor

RBSA VALUATION ADVISORS LLP

should it be construed as our opining or certifying the compliance of the Proposed Merger with the provisions of any law including companies, taxation or as regards any legal implications or issues arising thereon.

8.17 This Report is subject to the laws of India.

8.18 Neither this Report nor its contents may be referred to or quoted in any registration statement, prospectus, offering memorandum, annual report, loan agreement or other agreement or document given to third parties, without our prior written consent except for disclosures to be made to relevant regulatory authorities including National Company Law Tribunal, recognized stock exchanges or as required under applicable law. This Report does not in any manner address the price at which equity shares of the PSCL will trade following the consummation of the Proposed Transaction and we express no opinion or recommendation as to how the shareholders should vote at the shareholders' meeting(s) to be held in connection with the Proposed Transaction 1.

8.19 This Report and the information contained in it is absolutely confidential and intended only for the sole use and information of the Board of Companies and only in connection with the Proposed Merger. Without limiting the foregoing, we understand that the Specified Companies may be required to share this Report with regulatory or judicial authorities in connection with the Proposed Merger. We hereby give consent to such disclosure of this Report, on the basis that to the fullest extent permitted by law, the Valuer accept no responsibility or liability to any party (other than the Specified Companies), in connection with this Report. It is clarified that reference to this Report in any document and / or filing with any recipient, in connection with the Proposed Merger, shall not be deemed to be an acceptance by the Valuer of any responsibility or liability to any person / party other than the Specified Companies.

8.20 The scope of work has been limited both in terms of the areas of the business and operations which we have reviewed and the extent to which we have reviewed them. There may be matters, other than those noted in this Report, which might be relevant in the context of the Proposed Merger and which a wider scope might uncover. Our assistance/ this Report should not be considered any advice for financial reporting purposes. The Report is for regulatory compliance only and may not be used for any other purpose other than that stated herein and in our Engagement Letter, in particular for accounting or financial reporting purposes. The Management are solely responsible for determining any amounts recorded in the books and records and financial statements and footnotes thereto.

8.21 Our Report can be used by the Specified Companies only for the purpose, as indicated in this Report, for which we have been appointed. The results of our valuation analysis and our Report cannot be used or relied on by the Specified Companies for any other purpose or by any other party for any purpose whatsoever. We are not responsible to any other person / party for any decision of such person / party based on this Report. Any person / party intending to provide finance / invest in the shares / business of the Specified Companies / their holding companies / subsidiaries / associates / investee companies / other group companies, if any, shall do so after seeking their own professional advice and after carrying out their own due diligence procedures to ensure that they are making an informed decision. If any person / party (other than the Specified Companies) chooses to place reliance upon any matters included in the Report, they shall do so at their own risk and without recourse to the Valuer. It is hereby notified that usage,

RBSA VALUATION ADVISORS LLP

reproduction, distribution, circulation, copying or otherwise quoting of this Report or any part thereof, except for the purpose as set out earlier in this Report, without our prior written consent, is not permitted, unless there is a statutory or a regulatory requirement to do so.

8.22 Any discrepancies in any table / annexure between the total and the sums of the amounts listed are due to rounding off.

9. CONCLUSION

Based on the foregoing and on consideration of all the relevant factors and circumstances as discussed and outlined hereinabove, we recommend the following Share Exchange Ratio for the Proposed Merger:

1 (One) equity share of PSCL of INR 10 each fully paid up, for every 135 (One Hundred and Thirty-Five) equity shares of PFSPL of INR 10 each fully paid up.

It should be noted that we have not examined any other matter including economic rationale for the Proposed Merger per se or accounting, legal or tax matters involved in the Proposed Merger.

Respectfully submitted.

Annexure 1 - Historical and Projected Performance

1. *Industry CAGR:*
   As per the Motilal Oswal Research Report (November 2025), the global aroma chemicals market is projected to grow from USD 5.4 billion in CY23 to USD 9.2 billion by CY30, at an estimated CAGR of approximately 8% over CY23–CY30. This also aligns with research from IMARC Group (6.6% CAGR), Fortune Business Insights (7.1% CAGR) and Allied Market Research (8.3% CAGR).

2. PSCL:
   PSCL's projected revenue growth over the forecast period differs from industry growth due to company-specific operational and strategic factors. The projections reflect the ramp-up of capacity expansion from 48,000 MT to 66,000 MT by FY28, supported by debottlenecking, enhancement of the CST backward integration unit and scaling of high-margin flagship aroma chemicals. In addition, the introduction of new specialty aroma ingredients, strengthening of the Givaudan JV portfolio, and improvement in product mix towards higher-value molecules provide an uplift that is not directly captured in the broader industry CAGR.

   We have reviewed PSCL's historical performance, its revenue CAGR of 14% over FY22–FY25, consistent margin progression and strong RoE profile and benchmarked these against the Management's projections. Based on our review of past performance, capacity expansion plans, industry growth metrics and available market research, the Company is expected to deliver EBITDA margins of ~25% to ~26% over the period FY27-FY30 and stabilizing thereafter to ~26% from FY31 onwards.

3. PFSPL:
   PFSPL's projected growth rates exceed the industry CAGR as they incorporate factors unique to the Company. Commercial operations at the Lote facility have recently commenced, and the projections capture the scale-up of new bio-based specialty aroma chemicals such as furfural, cyclopentanone and maltol, which operate in niche, high-margin segments and benefit from early-stage penetration. Further, capacity utilisation is expected to increase progressively, reaching ~87% by FY30, supported by a combination of operational efficiency improvements, debottlenecking measures and market development initiatives in export-oriented products. The projections also reflect revenue recognition from products with structurally higher gross margins (40%+), which leads to a growth trajectory that is not directly comparable with the industry average. We have reviewed PFSPL's historical financials, commencement of new capacities, capex phasing (~INR 500 Mn) and the Management's justification for expected ramp-up.

   PFSPL has reported negative EBITDA margins historically, largely due to the semi-fixed operating expenses associated with the manufacturing facility, along with low revenue base. Based on the projected scale-up in revenues and the associated improvement in the absorption of semi-fixed overheads, the company is expected to deliver EBITDA margins of ~20% to ~23% over the period FY27-FY30 and stabilizing to ~23% from FY31 onwards.

Annexure 2 – Approach to Valuation

For the purpose of arriving at valuation of Specified Companies, we have considered the valuation base as 'Fair Value'. Valuation has been carried out on a 'going concern value' premise.

It should be understood that the valuation of any entity or business is inherently subjective and subject to various uncertainties and contingencies, many of which are difficult to predict and beyond our control. In conducting our analysis, we have relied upon information and explanations provided by the Management and have made certain assumptions regarding industry performance, as well as general business and economic conditions, many of which are also beyond the control of the Management and the Specified Companies. The valuation is subject to change with the passage of time, variations in prevailing market conditions and outlook, industry performance, general business and economic factors - financial and otherwise - affecting the Companies, and other factors that generally influence the valuation of the Specified Companies and their respective assets.

We have carried out the valuation in accordance with the principles laid in the ICAI VS, as applicable to the purpose and terms of this engagement. ICAI VS 301 specifies that generally, the following three approaches can be used for the valuation of a business to determine the value of the equity shares of a company/ business,

- Income Approach
- Market Approach
- Asset Approach

There are several commonly used and accepted methods within the market approach, income approach and asset approach, for determining the relative fair value of equity shares of the Specified Companies, which can be considered in the present valuation exercise, to the extent relevant and applicable, to arrive at the Share Exchange Ratio for the purpose of the Proposed Transaction, subject to the availability of the relevant information.

Income Approach - Discounted Cash Flow ("DCF") Method
Income approach is a valuation approach that converts maintainable or future amounts (e.g., cash flows or income and expenses) to a single current (i.e., discounted or capitalized) amount.

Under the DCF method the projected free cash flows to the firm are discounted at the weighted average cost of capital. This method is used to determine the present value of a business on a going concern assumption and recognizes the time value of money by discounting the free cash flows for the explicit forecast period and the perpetuity value at an appropriate discount factor. The terminal value represents the total value of the available cash flow for all periods subsequent to the horizon period. The terminal value of the business at the end of the horizon period is estimated, discounted to its present value equivalent, and added to the present value of the available cash flow to estimate the value of the business.

Such DCF analysis involves determining the following:

- Estimating future free cash flows: Free cash flows to firm are the cash flows expected to be generated by the company/ business that are available to the providers of the company's capital – both debt and equity.

RBSA VALUATION ADVISORS LLP

- Appropriate discount rate to be applied to cash flows i.e., the cost of capital: This discount rate, which is applied to the free cash flows, should reflect the opportunity cost to all the capital providers (namely shareholders and creditors), weighted by their relative contribution to the total capital of the company. The opportunity cost to the capital provider equals the rate of return the capital provider expects to earn on other investments of equivalent risk.

Market Approach
Under this approach, value of a company is assessed on the basis of its market price (i.e. if its shares are quoted on a stock exchange) or basis multiples derived using comparable (i.e., similar) listed companies or transactions in similar companies. Following are the methods under Market Approach:

Market Price Method:
Under this method, the value of shares of a company is determined by taking the average of the market capitalization of the equity shares of such company as quoted on a recognized stock exchange over reasonable period of time where such quotations are arising from the shares being regularly and freely traded in an active market, subject to the element of speculative support that may be inbuilt in the market price.

Comparable Companies Multiple ("CCM") Method:
Under this method, the value of the business is estimated by applying the derived market multiple based on market quotations of comparable public / listed companies, in an active market, possessing attributes similar to the business of such company – to the relevant financial parameter of the Company/ business (based on past and / or projected working results) after making adjustments to the derived multiples on account of dissimilarities with the comparable companies and the strengths, weaknesses and other factors peculiar to the company being valued. These valuations are based on the principle that such market valuations, taking place between informed buyers and informed sellers, incorporate all factors relevant to valuation. Relevant multiples need to be chosen carefully and adjusted for differences between the circumstances.

Asset Approach
The asset-based valuation approach determines value based on the underlying net assets of the business, either on a book value, realizable value, or replacement cost basis. It generally reflects the floor value of a business, as it is derived from historical accounting data and does not capture future earnings potential or the worth to a buyer considering the business as a going concern. This methodology is most appropriate where the value of a business resides in its underlying assets rather than in its ongoing operations.

Our choice of methodology of valuation has been arrived at using usual and conventional methodologies adopted for transactions of a similar nature and our reasonable judgment, in an independent and bonafide manner. The valuation approaches/methods used, and the values arrived at using such approaches / methods by us have been discussed below.

RBSA VALUATION ADVISORS LLP

Valuation Methodology adopted for PSCL:

- As per Securities and Exchange Board of India (Issue Of Capital and Disclosure Requirements) Regulations, 2018 ("SEBI ICDR"), as amended, the issuance of shares under schemes in case of allotment of shares by listed companies only to a select group of shareholders or shareholders of unlisted companies, pursuant to such schemes, shall follow the pricing provisions of the said regulations and the relevant date for the purpose of computing pricing shall be the date of the Board meeting in which the scheme is approved.

  The SEBI ICDR regulations provide that if the equity shares of the issuer company have been listed on a stock exchange for a period of 90 trading days or more as on the relevant date, the price of the equity shares to be allotted pursuant to the preferential issue shall be not less than higher of the following:
  a) the 90 trading days' volume weighted average price of the equity shares quoted on the stock exchange preceding the relevant date, or
  b) the 10 trading days' volume weighted average prices of the equity shares quoted on the stock exchange preceding the relevant date.

  Accordingly, the higher of 90 trading days / 10 trading days volume weighted average price for valuation of PSCL has been adopted.

- Considering the stage of operations of PSCL, industry within which it operates and the present profitability, we have considered the Enterprise Value/Earnings before interest depreciation, tax, and amortization ('EV/EBITDA') multiples of listed comparable companies, after appropriate adjustment for PSCL specific factors. We have relied on publicly available information and subscribed databases to arrive at the comparable company multiple. The list of comparable companies considered for the purpose of valuation include,
  a) Vinati Organics Limited
  b) S H Kelkar and Company Limited
  c) Yasho Industries Limited
  d) Mangalam Organics Limited
  e) SRF Limited
  f) Navin Fluorine International Limited

- The management of PSCL has provided management projections, which represents their best estimate of the expected performance of PSCL. Considering this, DCF method has been adopted for the valuation of PSCL.

Valuation Methodology adopted for PFSPL:

- Considering that the shares of PFSPL are not listed, Market Price Approach is not applicable.

- PFSPL has recently commenced commercial production and has incurred operating losses over past few years. The business is currently operated from its manufacturing facility located at MIDC Lote, District Ratnagiri, and the plant is proposed to incur further capital expenditure towards debottlenecking and stabilisation in order to ramp up operations and achieve optimum capacity utilisation. Considering that PFSPL's operations are presently in the stabilisation and ramp-up phase, its current and near-term EBITDA is not considered representative of sustainable, normalised operating performance. Further, in the absence of reliable and

RBSA VALUATION ADVISORS LLP 5

52

independently verifiable forward EBITDA estimates and publicly available forward trading multiples for comparable listed companies, the application of EV/EBITDA multiples would not provide a meaningful basis for valuation at this stage. Accordingly, the EV/EBITDA multiple method has not been relied upon for the purpose of this valuation.

- The management of PFSPL has provided management projections, which represents their best estimate of the expected performance of PFSPL. Based on these projections, we have adopted the DCF method to estimate the equity value of the Company.

- For the present valuation analysis, the merger of Valuation Subjects is proceeded with on the assumption that it would continue as going concern and an actual realization of the assets is not contemplated. In such a going-concern scenario, the relative earning power, as reflected under the Income and/or Market approach, is of greater importance to the basis of merger, with the values arrived at on the net assets being of limited relevance. Hence, value per share of Valuation Subjects under the Asset Approach has not been calculated.

We have considered appropriate weights to values arrived at under various approaches as discussed above. The computation of Share Exchange Ratio for the Proposed Merger is given below:

Valuation Approach	PSCL (A)		PFSPL (B)	
	Value per Share (in INR)	Weights	Value per Share (in INR)	Weights
Market Approach:				
- Market Price Method	3,095.9	50%	N.A.	-
- Comparable Companies Multiple Method	3,184.3	50%	N.A.	-
Income Approach:				
- Discounted Cash Flow Method	2,028.8	-	23.3	100%
Asset Approach:				
- Adjusted Net Assets Value Method	N.A.	-	N.A.	-
Concluded Relative Value per share	**3,140.1**	**100%**	**23.3**	**100%**
Share Exchange Ratio (A/B) (Rounded)	**135.0**			

N.A. – Not Applied / Adopted

Note:

For PSCL:

- Considering that the value arrived under the Discounted Cash Flow (DCF) Method is lower than the concluded value per share under market approach, no weight has been assigned to DCF method.

For PFSPL:

- CCM Method has not been applied, considering the current stage of operations of the Company.
- Market price method has not been adopted as the shares of the company are not listed.

Considering that the businesses of PSCL and PFSPL are intended to be continued on a going-concern basis and there is no intention to dispose-off the assets, the Asset Approach has not been adopted for the valuation exercise.

Dear Madam,

We refer to our report issued on December 19, 2025 ("Report") wherein we were jointly appointed by Privi Speciality Chemicals Limited ("PSCL"), Privi Fine Sciences Private Limited ("PFSPL") and Privi Biotechnologies Private Limited ("PBPL") (together referred to as "the Companies"), to assist in recommending the fair share exchange ratio ("Share Exchange Ratio") in connection with the proposed amalgamation of PFSPL and PBPL with PSCL on a going concern, as is where is basis, through a Scheme of Amalgamation under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, including statutory modification, re-enactment or amendment thereof, Section 2(1B) of the Income Tax Act, 1961 and other applicable laws, rules and regulations ("Proposed Merger").

We also refer to your request to provide specific information sought by the Stock Exchanges in India with respect to the recommendation of Share Exchange Ratio related to the Proposed Merger. In this regard, please find enclosed the detailed workings for the value per share arrived for shareholders of PSCL and PFSPL to be filed with the stock exchanges and other relevant details as per the requirements of SEBI (LODR) Regulations, 2015.

We confirm that we have carried out the valuation in accordance with the principles laid in the ICAI Valuation Standards ("ICAI VS"), as applicable to the purpose and terms of this engagement.

Comments:

PSCL is engaged in the manufacture and supply of bulk aroma and specialty chemicals and has developed strong in-house process and manufacturing capabilities over more than three decades of operations. The Company has a diversified portfolio of over 75 aroma and specialty chemical products, supported by established research and development infrastructure.

A key technological differentiator for PSCL is its capability to process Crude Sulphate Turpentine (CST), a critical raw material used in the manufacture of several aroma chemicals. PSCL is among a limited number of companies globally, and the only company in Asia, with the technical capability and scale to process CST. This provides the Company with significant cost optimisation flexibility and insulation from volatility in alternative feedstocks such as Gum Turpentine Oil. In addition, PSCL possesses the ability to switch between CST- and GTO-based feedstocks, enabling optimisation of input costs depending on prevailing market conditions.

Further, PSCL operates a joint venture with Givaudan at its Mahad facility, which focuses on the manufacture of complex, high-value speciality fragrance ingredients. The JV leverages advanced synthesis, formulation and purification technologies suited for low-to-mid volume, high-margin aroma molecules and enhances PSCL's access to differentiated technologies, product innovation and global customer relationships.

The increase in revenue during Q2 FY26 and H1 FY26 was primarily driven by higher volumes across the Company's flagship aroma chemical products, supported by incremental contribution from newly introduced products and improved capacity availability following partial completion of Phase I of the expansion ahead of schedule. The improvement in EBITDA and EBITDA margins during the period was attributable to a combination of operational efficiency initiatives, favourable product mix and benefits arising from backward integration, resulting in improved process yields, lower operating costs, and enhanced value realisation from by-products.

The Company is currently executing a phased capacity expansion programme for its core aroma chemical products, pursuant to which its installed capacity is expected to increase from approximately 48,000 MT as of FY25 to around 66,000 MT by FY28. This expansion is being undertaken through a combination of debottlenecking initiatives and incremental capital expenditure of approximately INR 13,000 million and is expected to support volume growth and improved operating leverage over the medium term.

For the projection period, the Management, based on its experience, business plans and existing infrastructure, has projected revenues of the company to grow at a CAGR of approximately 71% over FY26–FY30, factoring in the ramp-up of operations. The projected revenue growth is expected to be driven by higher production volumes through FY27 and achievement of peak capacity utilisation from FY29 onwards. EBITDA margins are expected to be in the range of approximately 25% to 26% over the period FY27-FY30 and stabilizing thereafter to ~26% from FY31 onwards.

For valuation purposes, a long-term inflation rate of approximately 5%* is generally considered. In valuing PSCL, a terminal growth rate of 4% has been adopted, derived based on observed historical inflation-linked increases in selling prices and the assumption that, post achievement of peak capacity utilisation, revenue growth would largely be driven by inflation rather than volume expansion. Accordingly, the deviation from the broader industry growth rate is intended to appropriately reflect the mature and steady-state operating characteristics of the business over the terminal period.

Comments:

PFSPL is engaged in the production, processing and trading of a wide range of chemicals, including flavours, fragrances, essences, oils and food-related ingredients. The Company's operations are focused on green chemistry processes that utilise renewable agricultural feedstocks rather than conventional petroleum-based inputs.

PFSPL's technology platform is centred around the use of biomass-derived feedstocks such as corn cobs, enabling the manufacture of bio-based intermediates and downstream speciality aroma chemicals. This includes the development of products such as furfural and its derivatives, which serve as building blocks for higher-value aroma and speciality chemical applications. These processes represent sustainable and differentiated manufacturing routes, aligned with increasing global demand for environmentally responsible chemical production.

The Company conducts its manufacturing operations from its facility located at MIDC Lote, Ratnagiri, with an installed capacity of approximately 9,000 MT per annum, where commercial operations have recently commenced. The operations are currently in the stabilisation and ramp-up phase, and PFSPL has undertaken debottlenecking initiatives involving capital expenditure of approximately INR 500 million, which are expected to be completed in early FY27. Upon stabilisation, the Company is expected to benefit from improved capacity utilisation, operating leverage and favourable product mix, supported by its bio-based and renewable chemistry focus.

For the projection period, the Management, based on its experience, business plans and existing infrastructure, has projected revenues of the company to grow at a CAGR of approximately 23% over FY27–FY30, factoring in the ramp-up of operations. The projected revenue growth is expected to be driven by higher production volumes through FY27 and achievement of peak capacity utilisation from FY29 onwards. The company expects its operations to peak in FY29, with a capacity utilisation of ~87% and maintainable EBITDA margins of 23%, supported by operating leverage, launch of new products and product mix improvement.

For valuation purposes, a long-term inflation rate of approximately 5% is generally considered. In valuing PFSPL, a terminal growth rate of 4% has been adopted, derived based on observed historical inflation-linked increases in selling prices and the assumption that, post achievement of peak capacity utilisation, revenue growth would largely be driven by inflation rather than volume expansion. Accordingly, the deviation from the broader industry growth rate is intended to appropriately reflect the mature and steady-state operating characteristics of the business over the terminal period.

In terms of Regulation 16(1)(c) of the Listing Regulations read with the 'Policy on Material Subsidiary' adopted by the Company, the Company does not have any material subsidiary for the year ended March 31, 2026. The Company has a policy for determining 'material subsidiaries' in terms of Regulation 16 of SEBI Listing Regulations and the same is available on the Company's website and can be accessed at: https://privi.com/investor-relations/corporate-governance/company-policies.

TRANSFER TO RESERVES:

Out of the profits available for the Financial Year 2025-26, the Board of Directors has recommended payment of dividend aggregating to ₹ 39.06 crores to the shareholders. The balance amount of profits is proposed to be retained in the business and transferred to the Reserves of the Company to strengthen its financial position and support future growth initiatives.

MAJOR EVENTS OCCURRED DURING THE YEAR UNDER REVIEW AND AFTER THE CLOSURE OF YEAR BUT BEFORE SIGNING OF THIS REPORT:

1. **Withdrawal of the proposed fund raising by way of issue of securities through Qualified Institutional Placement as approved by the shareholders of the Company:**

   The shareholders of the Company, through Postal Ballot on August 12, 2024, approved raising of further capital by way of one or more public and/or private offerings, Qualified Institutions Placement ("QIP") and/or preferential allotment basis or any combination thereof, in one or more tranches of an aggregate amount not exceeding ₹ 1,000 Crores (Rupees One Thousand Crores Only), for the purposes of capex and investment in the related party entity. The said approval was valid for a period of 1 (One) year from the date of shareholders' approval. However, the said fund-raising activity was kept on hold by the management of the Company due to prevailing volatility in the Capital markets. Subsequently, considering the improved financial performance and availability of adequate internal cash accruals, the Board of Director, at its meeting held on June 14, 2025, approved the withdrawal of the aforesaid fund-raising proposal.

2. **Equity Infusion of ₹ 50 Crores in Prigiv Specialties Private Limited, Joint Venture Company in the ration of 51:49:**

   The Board of Directors, at its meeting held on February 09, 2026, approved the infusion of additional equity share capital aggregating to ₹ 50 crores into Prigiv Specialties Private Limited by the Company and its joint venture partner, Givaudan SA, in their existing shareholding ratio of 51:49. Pursuant to the said approval, the Company has contributed ₹ 25.50 crores, representing 51% of the total proposed infusion, while Givaudan SA has contributed ₹ 24.50 crores, representing 49% thereof. The aforesaid investment by the Company is within the limits prescribed under Section 186 of the Act.

3. **Scheme of Amalgamation of Privi Fine Sciences Private Limited (Transferor Company 1), Privi Biotechnologies Private Limited (Transferor Company 2) with Privi Speciality Chemicals Limited (Transferee Company) and their respective Shareholders:**

   Based on the recommendation of the Audit Committee, the Board of Directors, at its meeting held on December 19, 2025, approved the Scheme of Amalgamation of Privi Fine Sciences Private Limited (Transferor Company 1) and Privi Biotechnologies Private Limited (Transferor Company 2) with Privi

Speciality Chemicals Limited (Transferee Company), subject to the approval of the shareholders and other requisite regulatory authorities.

The rationale for the Scheme, inter alia, includes acquisition of a company possessing unique technology for conversion of bio-waste into high-value chemical substitutes, access to available land for setting up a manufacturing facility, and leveraging the growth trajectory of Transferor Company 1, which has strong customer and product synergies with the Company.

Further, Transferor Company 2, being a wholly owned subsidiary of the Company, is actively engaged in research and development across various chemistries and products for the Company, and the proposed amalgamation is expected to result in operational efficiencies, consolidation of R&D capabilities, and overall business synergies.

Upon the Scheme becoming finally effective, in consideration of the transfer of and vesting of the undertaking of the Transferor Companies, in the Transferee Company in terms of the Scheme ,based on the Valuation Report dated December 19, 2025 issued by RBSA Valuation Advisors LLP, an Independent Registered Valuer Entity (IBBI Registration No. IBBI/RV-E/05/2019/110), the Transferee Company shall, subject to the provisions of the Scheme and without any further application, act, or deed, issue and allot 1 (One) New Equity Shares of ₹ 10/- (Rupees Ten only) each, credited as fully paid up in the Capital of the Transferee Company, to the members of the Transferor Company 1, whose names appear in the Register of members of Transferor Company 1 on the Record Date to be fixed by the Board of Directors of the Transferee Company for every 135 (One Hundred Thirty Five) Equity Shares of the face value of ₹ 10/- (Rupees Ten only) each fully paid-up or credited as paid-up and held by the said members or their heirs, executors, administrators or their legal representatives as the case may be, in the Transferor Company ("Share Exchange Ratio"). The entire share capital of the Transferor Company 2 is held by the Transferee Company and the same shall without any further application act or instrument or deed, be deemed to have been automatically cancelled. Therefore, the Transferee Company shall not be required to issue shares or pay any consideration to the Transferor Company 2 or to their shareholders.

Further, after the closure of the year and before the signing of this report, the Company has received No-Objection letters from the National Stock Exchange of India Limited ("NSE") and BSE Limited ("BSE") on May 05, 2026, and May 06, 2026. The final petition is currently pending sanction before the Hon'ble National Company Law Tribunal (NCLT) Bench. Pending final regulatory approvals, no accounting adjustments have been introduced into the current financial statements.

BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT:

At the Company, sustainability is not merely a practice but a deeply embedded philosophy and integral part of its culture. From sustainable manufacturing and product safety to economic stewardship, responsible sourcing, and a community-oriented supply chain, the Company's approach encompasses all dimensions of sustainable development.

In compliance with Regulation 34(2)(f) of the Listing Regulations, read with relevant SEBI Circulars, the top 1,000 listed companies by market capitalisation are required to include a Business Responsibility and Sustainability Report ("BRSR") as part of their Annual Report. The Company is pleased to comply with this requirement, reinforcing its commitment to transparency, accountability, and sustainable business practices. The BRSR for the year ended March 31, 2026, forms part of this Annual Report as required under Regulation 34(2) of the Listing Regulations.

The initiatives undertaken from an Environmental, Social, and Governance (ESG) perspective, in the prescribed BRSR format, form part of a separate section of this Report and are also available on the Company's website at https://privi.com/sustainability/sustainability-report.

DEPOSITS FROM PUBLIC:

During the year under review, the Company has not accepted any Deposits from public which are covered under Chapter V of the Act and as such no amount on account of principal or interest on Deposit from public was outstanding as on the date of the Balance Sheet.

CREDIT RATING:

The Company's credit rating was reaffirmed during the year under review. CRISIL Ratings Limited, vide its letter dated April 21, 2026, have reaffirmed the rating as follows:

1. For Long-term Bank facilities: CRISIL AA- / Stable (Revised from A+/Positive)
2. For Short term Bank facilities: CRISIL A1+ / (Revised from A1)

INVESTOR EDUCATION AND PROTECTION FUND (IEPF):

In accordance with the applicable provisions of the Act read with Investor Education and Protection Fund (Accounting Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), all unclaimed dividends are required to be transferred by the Company to the Investor Education and Protection Fund ("IEPF") upon completion of 7 (Seven) years.

Further, pursuant to the IEPF Rules, shares in respect of which dividends have not been claimed by shareholders for 7 (Seven) consecutive years or more are required to be transferred to the demat account of the IEPF Authority. Details of the amount of dividend transferred to the IEPF and the corresponding shares on which dividends remained unclaimed for 7 (Seven) consecutive years are provided in the General Shareholders' Information section of this Annual Report

During the year under review, the amount of ₹ 1,31,946, being unclaimed dividend for the financial year 2016–17, was transferred to the IEPF. The Company is in the process of transferring the unclaimed dividend and corresponding shares relating to the financial year 2017–18 to the IEPF, in accordance with the applicable provisions.

DETAILS OF NODAL OFFICER:

Pursuant to Rule 7(2A) of the IEPF Rules, every company is required to appoint a Nodal Officer, who shall be either a Director, Chief Financial Officer or Company Secretary of the Company. In compliance with the said requirement, Ms. Ashwini Saumil Shah, Company Secretary and Compliance Officer of the Company, has been appointed as the Nodal Officer by the Board of Directors.

TECHNICAL ACHIEVEMENT:

Process technology and its development form the core strength of Privi and have been fundamental to the Company's consistent and sustainable growth.

The development process functions in two broad areas: a) Understanding chemistry behind various processes and its application, and b) application of Chemical Engineering principles to translate such process knowledge into commercial applications.

In the area of chemistry, the Company has successfully developed alternative manufacturing routes for existing molecules by utilizing side stream products. Notably, the Company has developed high-value specialty molecules from such side streams, thereby enhancing profitability in a sustainable manner. The uniqueness of these by-product streams, particularly their extraction from waste, provides a distinct competitive advantage to the Company. A significant portion of the improvement in the Company's EBITDA margins can be attributed to the effective application of advanced chemistry in its operations.

In the area of chemical engineering, the Company continues to focus on process optimisation, including advancements in separation processes and reaction engineering. The Company has successfully converted several batch processes into continuous processes, resulting in improved product consistency, reduced utility costs, lower manpower requirements, and optimisation of equipment usage. Further, the application of advanced chemical engineering techniques has enabled the transition from conventional catalyst-based processes to more efficient resin-based processes in certain operations. These initiatives have contributed to improved operating margins and are expected to generate additional revenues from the existing asset base over the long term.

The Company's registered office and its Manufacturing Units located at Mahad and Jhagadia have been assessed and certified as meeting requirements of ISO/IEC 27001:2022 on March 21, 2025.

COMPANY'S POLICY ON DIRECTORS' APPOINTMENT AND REMUNERATION INCLUDING CRITERIA FOR DETERMINING QUALIFICATIONS, POSITIVE ATTRIBUTES, INDEPENDENCE OF A DIRECTOR ETC.:

(d) Provide details of the capital asset(s) created or acquired (including complete address and location of the capital asset).

11. Specify the reason(s), if the company has failed to spend two per cent of the average net profit as per Section 135(5).

The Company had undertaken CSR projects towards MIDC Road Safety Initiatives and development of a Joggers Track on MIDC land under its Environmental CSR activities. However, these projects could not be completed within the financial year due to factors beyond the Company's control.

With respect to the road safety initiatives, the roads within the MIDC area were undergoing concretisation during the year. The proposed CSR activities, including installation of crash guards and roadside plantation, were contingent upon completion of the road construction. Further, extended monsoon conditions until October 2025 delayed the progress of civil works. Although installation of crash guards commenced in February 2026, the same could not be completed by March 31, 2026. Consequently, an amount of ₹11.31 lakhs remained unspent as at the end of the financial year.

In relation to the development of the Joggers Track, there was a delay in obtaining necessary approvals from MIDC, which impacted the project timeline. The work is currently in its final stages and is expected to be completed within the first quarter of the ensuing financial year. As the project could not be completed by March 31, 2026, an amount of ₹2.32 lakhs remains unspent.

Based on the recommendation of the CSR Committee and with the approval of the Board of Directors, both projects have been classified as ongoing projects. Accordingly, the total unspent amount of ₹13.63 lakhs has been transferred on April 23, 2026, to a separate bank account titled "Unspent CSR Account – FY 2025–26" in compliance with the provisions of Section 135(6) of the Companies Act, 2013.

Report on Corporate Governance

This report has been prepared in accordance with the provisions of Regulation 34(3) read with Schedule V and other applicable provisions, if any, of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and the report contains the details of Company's compliance with requirements of Corporate Governance.

1. COMPANY'S PHILOSOPHY ON THE CODE OF GOVERNANCE

The Company firmly believes that robust Corporate Governance is fundamental to achieve sustainable growth and long-term value creation. It serves as the cornerstone for an efficient, effective and entrepreneurial management framework that enables the Company to respond proactively to a dynamic and evolving business environment.

Corporate Governance at the Company represents a system of direction and control, encompassing a comprehensive framework of laws, regulations, processes, and ethical standards. It acts as a critical enabler for both the Board and the Management to make informed, balanced and responsible decisions while safeguarding the interests of all stakeholders.

At its core, the Company's governance philosophy is anchored in the principles of integrity, fairness, equity, transparency, accountability and unwavering commitment to ethical conduct. The Company recognizes that strong governance practices foster trust, enhance stakeholder confidence and contribute to the resilience and sustainability of the organization.

The Company is committed to ensuring that sound decision-making processes and robust internal controls are embedded across all levels of the organization. These mechanisms help balance the interests of shareholders, employees, customers, suppliers and the community at large.

In pursuit of excellence in governance, the Company has implemented a comprehensive framework of practices, including:

- Clearly defined accountability and performance evaluation systems across all levels
- Strong internal control systems and risk management processes
- Constitution of Board Committees to enhance oversight and governance effectiveness
- Balanced Board composition with an appropriate mix of Executive, Non-Executive, and Independent Directors
- Timely and strict compliance with applicable statutory and regulatory requirements
- Transparent and timely disclosures on financial performance, ownership and governance matters
- Adherence to statutory obligations, including payment of all dues

These initiatives reflect the Company's commitment to uphold the highest standards of Corporate Governance and to conduct its business with integrity, transparency and responsibility.

The Company takes pride in its core values of Safety, Sustainability, Sense of Urgency, Supreme Transparency and Sincere Respect & Care, which guide its actions and decision-making processes.

Further strengthening its governance framework, the Company has adopted and implemented various policies and codes, including the Code of Conduct for Prevention of Insider Trading, Anti-Bribery and Anti-Corruption Policy, Anti-Money Laundering Policy, Anti-Discrimination and Equal Opportunity Policy and a robust Grievance Redressal Mechanism.

Vigil Mechanism & Whistle Blower Policy

Pursuant to Section 177 of the Act and Rules framed thereunder and Regulation 22 of Listing Regulations, the Company has established a comprehensive Vigil Mechanism & Whistle Blower Policy for its Directors and employees to report genuine concerns. The Policy provides a mechanism for reporting instances of unethical behavior, actual or suspected fraud, violation of the Company's Code of Conduct or any other improper activities. It ensures that all concerns are addressed in a fair and transparent manner. The Audit Committee oversees the functioning of the Vigil Mechanism and reviews the complaints received, if any, on a periodic basis. During the financial year under review, no complaint was received under the said mechanism and no personnel has been denied access to the Audit Committee/Chairman of the Audit Committee.

The Policy is available on the Company's Website at https://privi.com/Downloads/Policies-PSCL/PSCL-Vigil-Mechanism-Policy-V-1-2.pdf

Code of Conduct

The Company has in place a Code of Conduct applicable to all the Directors and the Senior Management Personnel, which aims to uphold, inter alia, the highest standards of personal and professional integrity, ethical conduct and accountability. The Code has been hosted on the Company's website https://privi.com/Downloads/Policies-PSCL/PSCL-Code-of-Conduct-V-1-1.pdf. The code has been duly circulated to all the Directors and Senior Management Personnel who affirm compliance with the provisions of the Code on an Annual basis. A declaration signed by the Managing Director affirming compliance with the Code of Conduct by the Members of the Board and Senior Management personnel is provided as Annexure -I to this Report.

The Company also has adopted Code of Conduct for Prevention of Insider Trading in accordance with the provisions of the SEBI (Prohibition of Insider Trading) Regulations, 2015 ("**SEBI PIT Regulations"**). This code is applicable to all Designated Persons/insiders as defined therein and lays down guidelines to regulate, monitor and report trading in the Company's Securities. It also ensures prevention of insider trading by restricting dealing in securities while in possession of Unpublished Price Sensitive Information (**"UPSI"**).

In line with regulatory requirements, including maintenance of a Structured Digital Database (**"SDD"**) and enhanced compliance framework, the Company has implemented adequate systems and controls. The Company has installed an in-house software, "Trackin", which facilitates maintenance of the structured digital database, preserves UPSI-related data, and enables monitoring and compliance with the SEBI PIT Regulations. Access to the said system is restricted to the Company Secretary and other authorized officials.

The Company has also adopted a Supplier Code of Conduct, which sets out the principles and standards expected to be followed by all suppliers. This Code is applicable to all "Suppliers" of the Company.

Further, the Company has availed specialized services of its Registrar to an Issue and Share Transfer Agent, M/s. MUFG Intime India Private Limited (Formerly Known as Link Intime (India) Private Limited), ("**RTA**") for monitoring trading activities in the equity shares of the Company, particularly during trading window closure periods and in respect of contra trades undertaken by Designated Persons. Relevant details of Designated Persons and their immediate relatives have been shared with the RTA to enable effective monitoring.

The Company continuously endeavours to strengthen its compliance framework in line with evolving regulatory requirements under the SEBI PIT Regulations and the Listing Regulations, including enhanced disclosure, monitoring and internal control mechanisms.

Structural Digital Database ("SDD")

In Compliance with provisions of Regulation 3(5) and 3(6) of SEBI (PIT) Regulations, 2015, the Company has put in place a Structural Digital Database (**"SDD"**) for maintaining details of persons with whom UPSI is shared. The SDD is maintained in electronic form with adequate internal controls and is designed to capture the nature of UPSI, the name of persons who have shared the information and the name of persons with whom such information is shared, along with Permanent Account Number (**"PAN"**) or any other identifier authorised by law. The database is maintained with appropriate safeguards to ensure that it is non-tamperable and entries in the Database are recorded with time stamping and audit trail. The Company ensures that the SDD is preserved and maintained strictly in accordance with the applicable regulatory requirements. Access to the database is restricted to authorized personnel and adequate checks are in place to ensure confidentiality, integrity and security of the information.

The Company Secretary and Compliance Officer is responsible for overseeing the maintenance and updation of the SDD and ensuring compliance with the applicable provisions of the SEBI PIT Regulations.

Related Party Transaction Policy

In compliance with the requirements of Regulation 23 of the Listing Regulations, the Board of Directors of the Company have approved a Related Party Transaction Policy, to ensure proper identification, reporting, approval and disclosure of transactions with related parties. The Policy lays down the framework for governance and monitoring Related Party Transactions including the process for seeking prior approval of the Audit Committee and, wherever applicable, the Board and/or the shareholders. The broad objective of the Policy is to ensure that such transactions are carried out at arm's length basis and in the ordinary course of business, in compliance with applicable laws and regulations. During the year under review, the policy on Related Party Transactions was amended.

The said amended Related Party Transaction Policy can be viewed on https://privi.com/Downloads/Policies-PSCL/PSCL-Policy-on-Related-Party-Transactions-V-1-3.pdf.

Familiarisation Programmes for Independent Directors

In compliance with the requirements of the Listing Regulations, the Company has in place a Familiarisation Programme for Independent Directors to enable them to understand the Company's business, operations, industry dynamics and regulatory environment. The Independent Directors are periodically apprised of the Company's performance, business strategy, risk management framework, internal control systems and changes in the regulatory landscape. They are also updated on their roles, rights and responsibilities as Independent Directors under applicable laws, including the Act.

The details of such Familiarisation programmes, including the number of hours spent and other relevant information, are disclosed on the Company's website and can be accessed at https://privi.com/Downloads/Policies-PSCL/Details-of-Directors-FamilarizationProgramme-March-26.pdf.

The Company ensures that Independent Directors are provided with necessary documents, reports and presentations to enable them to effectively contribute to the deliberations of the Board and its Committees.

2. BOARD OF DIRECTORS

Composition of Board of Directors:

The Composition of the Board of Directors of the Company is in compliance with the requirements of Regulation 17 of Listing Regulations, as amended from time to time. In compliance with the Corporate Governance norms in terms of constitution of the Board, the Board consists of 6 (Six) Directors, headed by Chairman and Managing Director and consists of 1 (One) Executive Director, 4 (Four) Non-Executive Independent Directors including 1 (One) Woman Director, representing optimum combination of professionalism, knowledge and experience to ensure the independence of the Board and to separate the Board functions of governance and management. 26. Overview of the entity's material responsible business conduct issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Water Conservation	Risk and Opportunity	Water is a vital and irreplaceable natural resource, and its scarcity poses a significant risk to industrial operations. At Privi, we acknowledge our dependency on water and recognize water conservation as a strategic opportunity, not only to reduce operational risks but also to enhance long-term sustainability and regulatory compliance. Effective water management contributes to cost savings, improves resource efficiency, and strengthens our water stewardship program, aligning with stakeholder expectations and global sustainability goals.	To address water-related risks and seize conservation opportunities, Privi has adopted key measures: i) Zero Liquid Discharge (ZLD) across all running plants ensures no wastewater is released. ii) RO and MEE systems further treat wastewater, with recovered water reused for non-potable needs. iii) Rainwater harvesting systems support water supply and recharge. iv) Internal reuse of treated water, especially for cooling and utilities, reduces freshwater dependency.	Positive
2.	Climate Change and Carbon Emissions	Risk and Opportunity	Climate change presents both a challenge and an opportunity for responsible businesses. Privi recognizes the urgency to transition toward a low-carbon economy and views this transition as a strategic opportunity to build resilience, improve operational efficiency, and align with global climate expectations. By adopting science-based emission reduction targets (validated by the SBTi), the Company is committed to reducing its carbon footprint in line with the goals of the Paris Agreement. This commitment also enhances our reputation with stakeholders, including investors, customers, employees and regulators.	i) Energy Transition: Shifting toward low-emission and renewable energy sources to reduce dependency on fossil fuels. ii) Carbon Footprint Reduction: Implementation of energy-efficient technologies across operations and the supply chain. iii) SBTi Commitment: Science-Based Targets initiative (SBTi) validated GHG reduction targets provide a clear, measurable pathway for emissions reduction aligned with climate science. iv) Process Optimization: Continuous improvement in process efficiency and fuel mix to lower Scope 1 and Scope 2 emissions.	Positive
				v) Green Procurement & Logistics: Engaging suppliers and logistics partners to adopt lower-emission practices and materials. Vi) Climate Risk Assessment: Integration of climate-related physical and transition risks into company's risk management to protect long-term value.	
3.	Energy Management and Efficiency	Risk and Opportunity	Energy efficiency is central to Privi's operational strategy, offering both environmental and financial benefits. Rising energy costs and regulatory expectations present a risk, but also an opportunity to innovate, reduce emissions, and improve competitiveness. Efficient energy use lowers greenhouse gas emissions, reduces operational costs, and strengthens climate resilience.	By embedding energy efficiency into our operational strategy, Privi not only mitigates risks associated with energy costs and regulation but also leverages opportunities to innovate, reduce environmental impact, and enhance market competitiveness. Its a three pronged approach. first is to get energy audits done & implement improvement actions. second is to replace old equipments with new energy efficient ones & this is to improve the processes to consume less energy.	Positive
4.	Waste Management and Circular Economy	Opportunity	Inefficient waste handling can become a liability, Increasing environmental risks and compliance costs. At Privi, we embrace a circular economy approach viewing waste as a resource to be repurposed rather than discarded. By designing out waste, keeping materials in use, and supporting the regeneration of natural systems, we turn environmental challenges into opportunities for innovation, cost savings, and sustainability leadership. This approach enhances resource efficiency, reduces operational waste, and aligns with global sustainability goals, strengthening our reputation and resilience.	We create economic value by keeping materials in use and regenerating natural systems. i) Waste Valorization: Converting waste into useful by-products. ii) Circular Design: Designing processes to minimize waste from each step. iii) Reuse : Extending material life through reuse in operations. iv) Recycling: Implementing systems to recover and recycle waste responsibly. V) Process Efficiency: Reducing waste at source through operational improvements Our ultimate aim is to Zero Landfill.	Positive

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
5.	Ethics, Compliance, and Anti-Corruption	Risk and opportunity	Strong ethical governance is not only essential for legal compliance but also a key driver of long-term business sustainability and stakeholder trust. At Privi, we see robust ethics and anti-corruption practices as a strategic opportunity to build reputation, minimize legal risks, and ensure responsible growth. Upholding integrity across operations reduces the risk of financial penalties, enhances investor confidence, and strengthens global partnerships.	i) Anti-Bribery & Anti-Corruption Policy: A formal policy governs our commitment to ethical conduct and zero tolerance for bribery or corruption. ii) Internal Controls: Strong internal checks and reporting mechanisms to detect and prevent misconduct. iii) Employee Training: Regular training and awareness sessions to reinforce ethical behavior and compliance expectations. iv) Ethical Culture: Promoting a culture of responsibility, transparency, and accountability at all organizational levels. v) Whistleblower Protection: Secure channels for reporting unethical behavior without fear of retaliation. vi) Ongoing Monitoring: Regular internal audits and reviews to ensure adherence to policies and continuous improvement.	Positive
6.	Occupational Health and Safety	Risk and Opportunity	Occupational Health and Safety (OHS) is a critical material topic for the Company, given its direct impact on employee well-being, operational continuity, and regulatory compliance. The Company's commitment to OHS is reflected through its ongoing efforts to promote a strong safety culture by conducting periodic training and mock drill sessions across all employee and worker levels. These initiatives aim to build awareness, preparedness, and capability to effectively prevent and respond to potential safety incidents.	At Privi, a robust OHS framework positions the Company as a responsible employer and business partner, strengthening its reputation and stakeholder trust. It also creates a foundation for continuous improvement through data-driven decision-making and feedback loops. In an evolving regulatory and societal landscape, such proactive OHS practices provide a competitive advantage by aligning with expectations for ethical, sustainable business conduct.	Negative
			Trained safety professionals are deployed on-site to monitor accident statistics and ensure proactive risk identification and mitigation. The systematic tracking and analysis of safety data enable the Company to detect patterns, uncover root causes, and implement corrective measures. Regular reporting of safety performance and incidents to senior management, including the Board of Directors, ensures accountability and supports strategic oversight.	The Company's focus on Occupational Health and Safety not only safeguards its workforce and operations but also creates long-term value through enhanced compliance, stakeholder confidence, and organizational performance. It can be seen from the awards & recognition the company has received from National Safety Council, Maharashtra for its meritorious performance in Safety. The practice of Behavior Based Safety followed by the company indicates the culture of preventing unsafe behavior itself. Safe behavior is part of individual employee's KPI's.	
7.	Supply Chain Transparency	Opportunity	A sustainable supply chain adopts environmentally and socially responsible practices at every stage, from raw materials procurement to final production. The organization maintains environmental and social standards within its own operations as well as those of its suppliers.	The company continually strives to procure materials from alternative and sustainable sources (including biomass) and to diversify its energy portfolio, contributing to the nation's energy security	Positive
8.	Product Innovation and Sustainable Design	Risk and Opportunity	Product Innovation and Sustainable Design is a key material topic that supports the Company's long-term competitiveness, environmental responsibility, and alignment with evolving customer expectations. As markets and regulatory landscapes shift toward sustainability and circular economy principles, the ability to innovate products with reduced environmental impact is both a strategic imperative and an opportunity for differentiation.	From a risk perspective, failure to innovate sustainably may lead to product obsolescence, regulatory non-compliance, and loss of market relevance. Additionally, stakeholders including investors, customers, and supply chain partners are increasingly evaluating companies based on their sustainability credentials. Lagging in this area can result in reputational damage and reduced access to key markets. Conversely, there are significant opportunities associated with sustainable product innovation	Positive

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
			The Company integrates sustainability considerations early in the product development lifecycle by adopting principles such as resource efficiency, recyclability, and eco-friendly material selection. This proactive approach reduces the environmental footprint of its products while meeting stringent environmental regulations and standards. Innovation efforts are also geared towards enhancing product performance, longevity, and usability, thereby delivering greater value to customers while minimizing waste and emissions across the product lifecycle.	These include unlocking new markets, attracting sustainability-conscious customers, and securing long-term growth through responsible innovation. Sustainable design also opens avenues for cost reduction through material efficiency, energy savings, and improved production processes. It further supports the Company's ESG commitments and strengthens its position in sustainability indices and ratings.	
9.	Diversity, Equity, and Inclusion (DEI)	Risk and Opportunity	Diversity, Equity, and Inclusion (DEI) is a critical material topic that influences the Company's organizational culture, talent acquisition, innovation capacity, and stakeholder relationships. A commitment to DEI reflects the Company's dedication to fostering an environment where all employees, regardless of their background, feel valued, respected, and empowered to contribute their unique perspectives. Implementing DEI initiatives enhances creativity and problem-solving by bringing together individuals with diverse experiences and viewpoints. Research indicates that diverse teams are more innovative and make better decisions, leading to improved business performance and competitiveness.	Embracing DEI presents significant opportunities. It enables the Company to attract and retain top talent from a broader pool, enhancing organizational performance and adaptability. Inclusive workplaces foster higher employee engagement and satisfaction, which are linked to increased productivity and reduced turnover. Thus, prioritizing Diversity, Equity, and Inclusion not only mitigates risks associated with talent retention and innovation but also unlocks opportunities for enhanced organizational performance, stakeholder trust, and long-term success. The company identifies & grooms talent pool for future leadership positions. it also has developed infrastructure which can help differently abled persons to work at its facilities by providing equal opportunities.	Positive
			From a risk perspective, neglecting DEI can result in a work environment that stifles creativity and innovation. It may also lead to higher employee turnover, particularly among underrepresented groups, and potential reputational damage as stakeholders increasingly prioritize diversity and inclusion in their evaluations.		
10.	Community Engagement and Development	Risk and Opportunity	Community Engagement and Development is a material topic because it directly influences an organization's social acceptability to operate, long-term viability, and its role as a responsible corporate citizen. At Privi, we contribute to the well-being of the communities in which we operate, not only to mitigate risks but also to unlock new opportunities for shared value creation. Failure to engage effectively with local communities poses significant strategic, operational, and reputational risks. Poor engagement can lead to community dissatisfaction, protests, project delays, or even shutdowns. These disruptions can incur direct financial losses and cause reputational harm that affects investor confidence and stakeholder trust. Furthermore, neglecting community concerns may result in heightened regulatory scrutiny or the revocation of permits, particularly in industries with high environmental or social footprints. Inaction or superficial engagement increases the risk of being perceived as exploitative or disconnected, undermining long-term business sustainability.	The Company's approach to community engagement is guided by its CSR policy, which emphasizes impact-driven initiatives to uplift communities in its operational areas. Aligned with Schedule VII of the Companies Act, 2013, and the UN Sustainable Development Goals (SDGs), our CSR efforts focus on three core areas: Education, Health & Hygiene, and Environmental Sustainability. Programs are implemented in collaboration with local stakeholders to ensure relevance, transparency, and measurable social impact. Through these initiatives, the Company aims to foster inclusive growth, strengthen community relations, and contribute to long-term sustainable development.	Positive

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
			Conversely, meaningful community engagement presents an opportunity to build strong, trust-based relationships that foster mutual benefit. By supporting local development through employment, education, infrastructure, or entrepreneurship initiatives, organizations can strengthen their social capital, secure long-term community support, and create resilient operational environments. Active collaboration with communities can also drive innovation, generate local knowledge, and open new markets or partnerships. Beyond direct benefits, strong community ties contribute to a positive brand image, improved employee morale, and stronger ESG performance all of which enhance competitiveness and long-term value creation.		
11.	Sustainable Land Use and Habitat Preservation	Risk and Opportunity	Biodiversity is a critical aspect of environmental sustainability and is essential for maintaining healthy ecosystems that support business operations and community well-being. Recognizing the potential impact of its activities on local flora and fauna, the Company prioritizes biodiversity conservation as a material topic. Biodiversity loss poses significant risks to the Company's operational sustainability, reputation, and regulatory compliance. Direct impacts, such as habitat destruction or ecosystem degradation around operational sites, can lead to conflicts with local communities, increased regulatory scrutiny,	Initiatives like Miyawaki forest development and crocodile conservation & target to plant 120000 trees over a period of 5 years demonstrate tangible commitment to ecosystem restoration and species protection, which can enhance community relations and improve biodiversity outcomes. Additionally, sourcing natural raw materials from RSPO and FSC certified suppliers helps ensure sustainable supply chains, reduces risk of deforestation, and aligns the Company with global best practices and investor expectations. These efforts contribute to positive brand value, long-term resilience, and compliance with evolving environmental regulations.	Positive

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
			and operational disruptions. Indirect risks arise through the supply chain, where sourcing natural raw materials from non-certified, unsustainable sources may contribute to deforestation, ecosystem damage, and exposure to reputational and compliance risks. Failure to address biodiversity impacts can result in financial losses, legal penalties, and erosion of stakeholder trust. Conversely, proactive biodiversity conservation offers substantial opportunities to strengthen the Company's environmental leadership and social license to operate.	By integrating biodiversity conservation into operational and supply chain strategies, the Company effectively mitigates environmental and reputational risks while unlocking opportunities for sustainable growth, compliance, and stakeholder engagement.

Governance, leadership and oversight										
7.	Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)	As part of Privi's sustainability commitment, we are committed to achieve our Net Zero target by 2050. We have pledged our commitment to UNGC as well as SBTi. As per the Net Zero strategy, we actively work to minimize our environmental impact by embedding responsible practices across our operations. Our approach includes reducing greenhouse gas emissions, conserving natural resources such as energy and water, managing waste sustainably, and promoting circular economy strategies. We continue to invest in innovative technologies and process improvements that enhance resource efficiency and mitigate environmental risks. We have already implemented 10 MW renewable solar power under open Access, 0.6 MW under roof top & further implementing 5 MW solar projects to be completed before September 2026. Delivering safe, sustainable, and high-quality products remains central to our mission. We rigorously adhere to applicable regulations and industry standards, while proactively addressing environmental, safety, and quality considerations throughout the product lifecycle. Through ongoing research and development, we are creating environmentally conscious solutions that contribute to a more sustainable and resilient future. Privi Speciality Chemicals Limited is firmly committed to global sustainability standards and ethical business practices. As a UN Global Compact signatory since 2023, we submit our annual Communication on Progress (CoP) to demonstrate alignment with the UNGC's principles on human rights, labor, environment, and anti-corruption. Our near-term emission reduction targets are validated by the Science Based Targets initiative (SBTi) include a 50.4% reduction in Scope 1 and 2 emissions by FY2032 and a 35% reduction in Scope 3 emissions by FY2034. These goals align with the 1.5°C climate trajectory. We have planted over 88000 trees in last 3 years & plan to take this number to 120000 trees by 2028. Most of these are fruit trees which will benefit the community livelihood. This will also have carbon sequestration of around 2500 MT of carbon. We hold key certifications including ISO 9001, 14001, 45001, and 27001, reflecting our commitment to quality, safety, environmental stewardship, and information security. We've also earned a Platinum rating from EcoVadis and actively engage with platforms such as Sedex, RSPO, and TfS to promote responsible sourcing and transparency. We also actively work on 10 out of 17 UN SDG's under our CSR obligations. These achievements reinforce Privi's position as a sustainability leader in the chemical sector as we move upwards on various global disclosure platforms in our ratings. Our future endeavor will be to develop products from renewable materials, make value added products from current undesired byproducts, co-processing of waste instead of sending it for landfill.

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe

Essential Indicators

1. Percentage of R&D and capital expenditure (capex) investments in specific technologies to improve the environmental and social impacts of product and processes to total R&D and capex investments made by the entity, respectively.

(₹ in lakhs)

Parameter	FY 2025-26	FY 2024-25	Details of improvements in the environmental and social impacts
R&D	Rs. 470.03	Rs. 300.5	The R&D investments are directed toward sustainable technologies aimed at improving environmental and social outcomes. Our R&D focuses on green chemistry, the use of renewable raw materials, safer formulations, and process innovations that enhance yield and reduce waste. These initiatives help reduce emissions, improve material efficiency, minimize by-product generation, and lower overall resource consumption, while also ensuring better worker safety. In FY 2025-26, we invested a total of ₹470.03 lakhs in R&D, including ₹275.33 lakhs for new sustainable product development, ₹121.82 lakhs for process improvements, and ₹69.79 lakhs for yield enhancement. These efforts contribute not only to environmental protection but also to operational efficiency and long-term value creation. Through these innovations, Privi continues to drive progress toward a more responsible, health-conscious, and sustainable fragrance industry.
Capex	Rs.1255.53	Rs. 599.54	Our organization strategically allocates capital expenditure (capex) to projects that drive environmental sustainability, reflecting our commitment to sustainable development beyond regulatory obligations. In FY 2025-26, we invested approximately ₹278.98 lakhs in various environmental sustainability initiatives. Apart from this during the year the Company has placed an order for Sulphuric Acid(H2SO4) Concentration Plant which will enable the company to minimise fresh use of H2SO4 and ensure complete recycling of H2SO4 being purchased and no discharge to ETP of spent H2SO4. The Company of the above amount has spent an amount of Rs.22.50 lakhs for ETP well tank so as to ensure desludging in the ETP well. and ₹87.45 lakhs toward improving coal handling systems and establishing a dust-free atmosphere, thereby reducing particulate emissions and ensuring a safer working environment. A further significant investment of ₹175.65 lakhs was made in controlling emissions from diesel generator sets through the installation of Retrofit Emission Control Devices (RECDs), supporting our air quality improvement goals. The company had invested on RECDs even in the previous year and seeing the desired results have invested further during the year. In alignment with our transition to cleaner energy, ₹177 lakhs were directed toward subscribing to a joint venture solar power company which will enable the company to generate 25% of its power requirement for its Unit 1 & 3 solar power, reducing dependency on fossil fuels and lowering our carbon footprint. Additionally, ₹13.14 lakhs were invested in advanced energy monitoring software to enable real-time tracking and optimization of energy consumption, thereby enhancing energy efficiency across operations. These capex investments align with our broader ESG goals of pollution control, energy efficiency, emission reduction, and climate resilience. In addition, we have made significant strides in water stewardship through the adoption of Zero Liquid Discharge (ZLD) systems, ensuring that all wastewater is treated and reused internally. We are also actively pursuing zero waste to landfill, reinforcing our commitment to circular economy principles. Investments in effluent treatment plants (ETPs), air scrubbers, and fire protection systems safeguard human health and the environment. Further to the above the Company has invested in several energy saving investments to bring down the overall power costs. A new chilling brine plant system was installed with the latest technology at a cost of Rs. 100.25 lakhs in order to bring down power costs as existing chilling plant was consuming more power and energy. Several vacuum pumps totalling to Rs. 395.90 lakhsof the make of Ital vac was brought replacing old vacuum pumps in order to reduce steam losses thereby saving on precious energy. Furthermore, Privi supports ethical supply chain practices through certifications that ensure responsible procurement and the use of sustainable raw materials. As part of this commitment, an investment of ₹19.65 lakhs has been made towards certifications that strengthen supply chain transparency and promote the sourcing of sustainable inputs.

2. a. Does the entity have procedures in place for sustainable sourcing? (Yes/No)

Yes. The organization acknowledges its responsibility to minimize its impact on human health, the environment, and the community. To support this commitment, it has implemented a Sustainable Sourcing Policy, which aims to procure materials, products, and services in a way that upholds fiscal responsibility, promotes social equity, and ensures environmental stewardship.

b. If yes, what percentage of inputs were sourced sustainably?

The organization sources 90% (inputs to total inputs by value) of its feedstocks from sustainable sources.

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

The organization does not reclaim products, since all the wastes generated are disposed off scientifically to the authorized vendors certified by the Pollution Control Board.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Yes, the Company is registered under the Extended Producer Responsibility (EPR) framework for the plastic packaging and complies with the Plastic Waste Management Rules, as prescribed by the Central Pollution Control Board (CPCB), including all subsequent amendments. EPR obligations cover our plastic packaging of local packaging material. Recycling and safe disposal of this plastic packaging are carried out in accordance with regulatory requirements from time to time. Therefore, we fulfil the requirements of waste collection plan and is aligned with the EPR plan which is submitted to the Pollution Control Board.

Leadership Indicators

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

NIC Code	Name of Product/ Service	% of total Turnover Contributed	Boundary for which the Life Cycle Perspective / Assessment was conducted	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No) If yes, provide the web-link.

10. Health and safety management system:

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage of such system?

Yes, the Organization is certified ISO 45001:2018 standard Certification Accredited by Bureau Veritas (Occupational Health & Safety Management System (OHSMS) for all Manufacturing Units.

PRIVI continues to uphold health and safety management system which are designed to ensure the well-being of all individuals involved in its operations. This system integrates various standards and guidelines such as Plant Safety Inspection, HIRA (Hazard Identification & Risk Assessment), HAZOP (Hazard Operability) Study, Contractor Safety Management, Scheduled Senior Team Safety Audit Safety Round observations, surprise BPCR inspections for routine

activities on a daily basis. For non routine activities job safety analysis (JSA) is performed. These various checks and balances including SOP's emphasizes proactive measures to identify and mitigate risks, promote a safety-oriented culture, and comply beyond regulatory requirements.

Regular health and safety training which includes process safety, mock fire drills are conducted to ensure all employees and workers are aware of the processes in place

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

PRIVI undertakes regular safety audits to identify hazardous and unsafe acts, ensure compliance with standard operating procedures, and assess the performance of the company's safety measures. The Company focuses on formation, review and enforcement of SOPs, safety in operations, statutory compliance, emergency preparedness, awareness creation and progress review on policy compliance. Our top management periodically reviews progress on compliance of various statutory audits and time bound action plans for redressal of safety observations. Considering the hazards associated with operations and hazardous chemicals used, the site uses structured Hazard Assessment, and Management processes that are regularly reviewed to ensure safety. The process also considers roles and responsibilities, monitoring control and measures, competency training and awareness of individuals associated with such activities.

The organization follows various measures to identify work-related hazards.

- Hazard identification and risk assessment checklists are used to assess the work-related hazard and to evaluate risk with mitigation measures. All routine and non-routine activities are covered under this tool.
- Risk assessment of new process is evaluated through HAZOP (Hazard and Operability) study and before startup / commissioning of any activity of process/ equipment, we conduct Pre-start up Safety Review (PSSR).
- Job Safety Analysis is conducted for critical hot work, lifting work etc.

c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)

Yes, PRIVI has several processes and forums for workers to report work-related hazards formally/ informally and through BBS (Behavior Based Safety Observations) as well as daily safety toolbox talk (TBT) Workers are also encouraged to participate in resolving and mitigating hazards. Such forums include Departmental & Central Safety Committee Meetings, Field Audits/ Observations and Training & Awareness Sessions. These training modules cover aspects of the methodology to identify work-related hazards, analyse the risks associated with it and take subsequent steps to mitigate them. All individuals are expected to set examples with safety behaviours. Each individual is expected to look for unsafe conditions and acts at the workplace and thereafter report them.

d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)

Yes, the primary focus of PRIVI on Occupation health and safety (OHS) refers to all aspects of health and safety in the workplace with particular focus on preventing accidents and hazards. The Company's commitment to health and safety is also extended to its customers and the communities close to its operations. As per the Factories Act, PRIVI conducts annual medical check-ups twice in a year for all its employees and contract labour working in operating locations. PRIVI also carry- out following activities towards OHS.

1. First aid kit is maintained at both the manufacturing units.
2. 20% of the employees are given first-aid training and refresher course.
3. OHC Centre is maintained at both the operating locations which can be accessed by employees/workers working at locations.

Occupational Health Centre is located at Unit-II.

The OHC has necessary equipment and arrangements for first-aid treatments in compliance with the requirements of Factories Act and Maharashtra Factories Rules.

The OHC is manned with medical assistant and trained first aiders round the clock.

11. Details of safety related incidents, in the following format:

Safety Incident/Number	Category	FY 2025-26	FY 2024-25
Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked)	Employees	Nil	Nil
	Workers	Nil	Nil
Total recordable work-related injuries	Employees	0	0
	Workers	0	0
No. of fatalities	Employees	0	0
	Workers	0	0
High consequence work-related injury or ill-health (excluding fatalities)	Employees	0	0
	Workers	0	0

12. Describe the measures taken by the entity to ensure a safe and healthy work place.

The Company's plants, facilities and equipment are designed based on careful consideration of statutory requirements, applicable Indian and International Standards for a healthy and safe workplace. One of the key focus areas is the safety of employees by investing in technologies and processes to avoid and minimize the manual interfaces with machines.

A safe workplace is ensured with the help of various elements of Safety Management System which are Operation and Maintenance Procedure, Work Permit System, Personnel Safety using PPEs, Trainings, Risk Analysis and Management, Process Safety information, Management of Change, Safety Audit, Employee Participation in building Safety Culture, Incident Investigation and Analysis, Emergency Planning and Response.

PRIVI continuously identifies and implements solutions to strengthen our safety culture. Adequate emergency preparedness is also put in place to mitigate any unforeseen eventualities. Acting responsibly according to the guidelines is a long term investment for the Company to continuously improve our environmental health and safety performance and to monitor this progress.

To ensure a healthy workplace, the following measures are taken:

1. On Site Emergency Plan available with clear identification of likely worst-case scenario and responsibilities.
2. Integrated Management System is implemented comprising of ISO 9001, ISO 14001 and OSHA 45001.
3. The Safety Management System comprises of Work Permit System which includes Job Safety Analysis, working at height, Incident Reporting System, Safety Meetings at various levels.
4. Capability building comprises of imparting training at entry level, refresher training and workshops.
5. We have an integrated command & control centre wherein all the CCTV cameras are connected & is being watched by an attendant 24X7. Any unsafe act, Unsafe condition, PPE non compliance when noted is immediately reported to the respective shift in charge / HOD immediately.

13. Number of Complaints on the following made by employees and workers:

	FY 2025 - 26			FY 2024 - 25		
	Filed during the year	Pending resolution at the end of year	Remarks	Filed during the year	Pending resolution at the end of year	Remarks

14. Assessments for the year:

	% of your plants and offices that were assessed (by entity or statutory authorities or third parties)
Health and safety practices	100.00%
Working Conditions	100.00%

15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

Incidents are investigated in accordance with the applicable statutory regulations and guidelines for identification of potential gaps and compliance to the recommendations for systemic improvement with the objective of learning and to avoid recurrence of the same accidents.

PRIVI sees that the recommendations are implemented in time bound manner. Corrective or preventative actions (CAPA) are suggested / recommended for elimination of the causes of potential incidents and PRIVI ensures that the suggested CAPA are appropriate to the magnitude of problems and commensurate with the risks encountered. The company also ensures that the learnings are disseminated to all associated stakeholders to address all Safety related incident concerns and implement corrective and preventive actions, which are being tracked and reviewed periodically for compliance in time-based manner.

Further, organization also follows certain regular practices such as:

- All actions compliance levels are tracked, and their statuses are discussed during daily meetings and in departmental safety meetings.
- All actions are characterized by engineering control, administrative controls and are effectively implemented.
- We have also implemented ISO 45001(OSHA) to assure safe and healthful conditions for workers by setting and enforcing standards and providing training, outreach, education and compliance assistance.

Leadership Indicators

1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).

Yes, all employees and workers are covered under the Term Life Insurance, Personal Accident policy. Workers are also covered under the workman compensation policy. Further, all employees and workers are covered under Group Term Life Insurance.

2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

The organization takes proper measures and monitors whether statutory dues have been deducted and deposited by the value chain partners through checklists which is followed by HR department and through periodic audits by various internal and external audit agencies.

3. Provide the number of employees / workers having suffered high consequence work- related injury / ill-health / fatalities (as reported in Q11 of Essential Indicators above), who have been rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:

Parameter	Total no. of affected employees/ workers		No. of employees/ workers that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment

4. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/ No)

Yes, the entity provides transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment.

5. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Health and safety practices	90.00%
Working Conditions	90.00%

6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners.

Privi believes that its workforce is one of its most valuable assets, playing a pivotal role in the Company's continued success. In alignment with this belief, Privi ensures that Occupational Health and Safety (OHS) standards across all its locations are benchmarked against global best practices.

The Company's commitment to maintaining world-class OHS standards is clearly articulated in its Environment, Health and Safety (EHS) Policy. A qualified and experienced OHS management team is deployed across all sites to continuously monitor operations, manage safety measures, and respond effectively to any emergencies.

All of Privi's manufacturing facilities are ISO 45001 certified. Employees with access to operating sites are comprehensively covered under the OHS management system, which undergoes regular audits. Additionally, all visitors are given a safety briefing prior to entering any facility premises to ensure awareness and compliance with safety protocols.

Any risks identified through assessments of health and safety practices or working conditions are promptly addressed by the site EHS team through appropriate corrective and preventive actions. These actions are regularly reviewed by site heads to ensure continuous improvement and accountability.

Extending its commitment to health and safety beyond internal operations, Privi has also implemented a 'Sustainable Procurement Policy' for its suppliers, including contract manufacturers. This policy outlines clear expectations regarding the provision of safe and healthy working environments and adherence to fair labour practices. The Company periodically conducts Environment, Health, and Safety (EHS) / Sustainability audits for its critical suppliers and shares observations and recommendations with the suppliers' management for necessary action.

PRINCIPLE 4: Businesses should respect the interests of and be responsive to all its stakeholders.

Essential Indicators

1. Describe the processes for identifying key stakeholder groups of the entity.

The Company employs a robust procedure to identify its internal and external stakeholders, considering the impact of Privi's operations on them and their ability to influence the Company. Privi have identified Regulatory authorities, Industry associations, Customers, Competitors, Community and NGOS, Dealers and distributors, Suppliers & Contractors, Industry Trade Association as its external Stakeholders and Employees, Investors and Shareholders etc. as its Internal Stakeholders. These stakeholder groups are significant to the Company's operations.

Privi believes in upholding the highest standard of ethics, integrity, transparency and accountability in conducting the affairs of the Company so as to disseminate the information to the stakeholders in a transparent manner. Leadership Indicators

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

The Company has established a structured process to ensure effective consultation between stakeholders and the Board on key economic, environmental, and social matters.

The Board of Directors is regularly apprised of significant socio-economic and environmental developments that may impact the Company's operations, performance, or long-term strategy. Updates are provided during Board meetings by the management team, covering regulatory changes, industry trends, sustainability considerations, environmental risks, and social factors affecting stakeholders. The Board also reviews the actions already taken by the Company as well as proposed initiatives to address such factors.

Where direct consultation with stakeholders is undertaken at the management or committee level, the outcomes and key insights from such engagements are systematically documented and presented to the Board. This ensures that stakeholder perspectives are duly considered in strategic decision-making. Feedback mechanisms include internal reports, presentations, and periodic updates submitted by senior management or functional heads responsible for stakeholder engagement.

In addition, the Risk Management Committee plays a critical role in this framework. The Committee periodically reviews risks associated with the Company's business, including those arising from economic conditions, environmental impacts, and social considerations. It evaluates the effectiveness of mitigation strategies and recommends necessary actions to the Board. The Committee's findings, risk assessments, and recommendations are placed before the Board at regular intervals for review and guidance.

Through this integrated approach, the Company ensures that stakeholder concerns and emerging risks are continuously monitored, assessed, and addressed at the highest level of governance, enabling informed and responsible decision-making.

2. Whether stakeholder consultation is used to support the identification and management of environmental and social topics (Yes / No). If so, provide details of instances as to how the input received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, the organization engages through various interactive sessions with its stakeholders like that of talk forums, meetings, customer meets and many others, so as to identify and prioritize the issues pertaining to economic, environmental and social topics. Since this is an evolving process the suggestions by the stakeholders are filtered through Board processes made by policies/ SOP.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/ marginalized stakeholder groups.

The organization has not come across any such instance. However, it has proper procedure in place to identify and deal with any such issues which comes to is knowledge.

PRINCIPLE 5 : Businesses should respect and promote human rights.

Essential Indicators

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

Child Labour	90.00%
Forced/involuntary labour	90.00%
Sexual Harassment	90.00%
Discrimination at workplace	90.00%
Wages	90.00%
Others- (please specify)	Nil

Formal assessment has been done through SMETA Audit (SEDEX guidelines) by SGS India Pvt Ltd.

11. Provide details of any corrective actions taken or underway to address significant risks/ concerns arising from the assessments at Question 9 above.

Not applicable, since no significant risks/ concerns arose from the assessment, and thereby no actions are required to be taken pursuant to the assessments done.

Leadership Indicators

1. Details of a business process being modified / introduced as a result of addressing human rights grievances/ complaints

The organization with the aim to keep its working environment great, has in place grievance redressal policy, applicable to all individuals associated with the organization.

However, the organization during the year have not identified any major issue relating to Human Rights violation, however, the policy has regularly been monitored and requisite modification are made as and when required.

2. Details of the scope and coverage of any Human rights due-diligence conducted.

Not Applicable, since during the reporting period no formal due-diligence was conducted.

3. Is the premise/office of the entity accessible to differently abled visitors, as per the requirements of the Rights of Persons with Disabilities Act, 2016?

Yes, the organization promotes a culture of diversity and inclusion for all at its workplace, and thereby has developed premises accessible to differently abled visitors as per the requirements of the Rights of Persons with Disabilities Act, 2016.

4. Details on assessment of value chain partners:

	% of value chain partners (by value of business done with such partners) that were assessed
Sexual Harassment	All these factors are part of Privi's Code of Conduct and added into the vendor assessment criteria. The 90% of value chain partners on these topics as a part of vendor assessment programme.
Discrimination at workplace	
Child Labour	
Forced Labour / Involuntary Labour	
Wages	
Others- (please specify)	

5. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from the assessments at Question 4 above.

No such significant risks / concerns and hence not applicable.

PRINCIPLE 6 : Businesses should respect and make efforts to protect and restore the environment

Essential Indicators

1. Details of total energy consumption (in Joules or multiples) and energy intensity, in the following format:

Parameter	FY 2025-26 In GJ	FY 2024-25 in GJ
From renewable sources		
Total electricity consumption (A)	60209**	64035
Total fuel consumption (B)	99006	84049
Energy consumption through other sources (C)	Nil	Nil
Total energy consumed from renewable sources (A+B+C)	159216	148084
From non-renewable sources		
Total electricity consumption (D)	129072	176127
Total fuel consumption (E)	2479105	21,46,306
Energy consumption through other sources (F)	Nil	Nil
Total energy consumed from non-renewable sources (D+E+F)	2608177	2322433
Total energy consumed (A+B+C+D+E+F) in GJ	2767392	2470517
Energy intensity per rupee of turnover (Total energy consumed in GJ / Revenue from operations in rupees	0.0001136	0.0001164
Energy intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total energy consumed in GJ / Revenue from operations adjusted for PPP in $)*	0.000517	0.000502
Energy intensity in terms of physical Output (Total energy consumed in GJ / Total production in KG)	0.062	0.065

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published for the year 2024 by World Bank for India which is 20.42

*We have procured 15,000 MWh of Renewable Energy Certificates (I-RECs) from a third-party during FY 2025-26. These I-RECs have been claimed to represent the Privi's renewable energy consumption for the said period. We redeem IRECs to neutralize Scope 2 emissions arising from non-renewable electricity consumption.

** The actual solar units generated during the FY 2025-26 were higher compared to FY2024-25. But due to the state electricity distribution company policy change the banking of units was not allowed & the excess units were given to the state grid & less were available for consumption.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Ernst & Young Associates LLP has provided Reasonable assurance on data reported under this indicator and assurance statement is available as a part of our sustainability report.

2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any

Not applicable, since the organization does not have sites/ facilities identified as Designated Consumer under the PAT Scheme.

3. Provide details of the following disclosures related to water, in the following format:

Parameter	FY 2025-26	FY 2024-25
Water withdrawal by source (in litres)		
(i) Surface water	Nil	Nil
(ii) Groundwater	Nil	Nil
(iii) Third party water (MIDC water)	70,18,20,000	62,41,18,000

Total volume of water consumption (in litres)	**69,13,84,644	63,11,48,790
Water intensity per rupee of turnover (L of consumption/ turnover in rupees)	0.028	0.029
Water intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total water consumption in Litres / Revenue from operations adjusted for PPP in $)*	0.129	0.123
Water intensity in terms of physical output – (L of consumption/ KG of production)	15.38	16.75

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published for the year 2024 by World Bank for India which is 20.42

**The increase in water consumption during FY 2025-26 was mainly attributable to higher production volumes.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Ernst & Young Associates LLP has provided Reasonable assurance on data reported under this indicator and assurance statement is available as a part of our sustainability report.

4. Provide the following details related to water discharged:

Parameter	FY 2025-26	FY 2024-25
Water discharge by destination and level of treatment (in kilolitres)		
(i) To Surface water	Nil	Nil
- No treatment	Nil	Nil

Total water discharged (in kilolitres)	**64,960 KL**	**45,931 KL**

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Ernst & Young Associates LLP has provided Reasonable assurance on data reported under this indicator and assurance statement is available as a part of our sustainability report.

5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.

The organization has implemented Reverse Osmosis Plant and Multi Effect Evaporator plant to recycle, and reuse treated wastewater which enables to utilize treated water. The organization's Jhagadia unit (Gujarat) is designated as ZLD by Gujarat Pollution Control Board. Further, at Mahad unit (Maharashtra) the organization has implemented ZLD in its Unit-I, unit-II, U-III & U-X and the maximum water has been recycled back into the process.

6. Please provide details of air emissions (other than GHG emissions) by the entity, in the following format:

Parameter	Unit	FY 2025-26	FY 2024-25
NOx	MT/Year	19.20	0.0032
SOx	MT/Year	57.31	18.77
Particulate matter (PM)	MT/Year	11.16	10.03
Persistent organic pollutants (POP)		Nil	Nil
Volatile organic compounds (VOC)		Nil	Nil
Hazardous air pollutants (HAP)		Nil	Nil
Others		Nil	Nil

*Increase in air emissions compared to the previous year is primarily due to the change in the reporting boundary, with the Jhagadia site being included in the current reporting period.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Ernst & Young Associates LLP has provided Reasonable assurance on data reported under this indicator and assurance statement is available as a part of our sustainability report.

7. Provide details of greenhouse gas emissions (Scope 1 and Scope 2 emissions) & its intensity, in the following format:

Parameter	Unit	FY 2025-26	FY 2024-25
Total Scope 1 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	243070 MTCO2e	2,12,476 MTCO2e
Total Scope 2 emissions (Break-up of the GHG into CO2, CH4, N2O, HFCs, PFCs, SF6, NF3, if available)	Metric tonnes of CO2 equivalent	25456 MTCO2e	35568 MTCO2e
Total Scope 1 and Scope 2 emission intensity per rupee of turnover (Total Scope 1 and Scope 2 GHG emissions / Revenue from operations in ₹ Crore)		110.27 MTCO2e per Cr Turnover	116.94 MTCO2e per Cr Turnover
Total Scope 1 and Scope 2 emission intensity per rupee of turnover adjusted for Purchasing Power Parity (PPP) (Total Scope 1 and Scope 2 GHG emissions in MTCO2e / Revenue from operations adjusted for PPP in $ CR)*		502.10 MTCO2e per $ Crore	504.13 MTCO2e per $ Crore
Total Scope 1 and Scope 2 emission intensity in terms of physical output (MTCO2e of consumption/ MT of production)		5.97 MTCO2e per MT production. Total considered 44962 MT	6.58 MTCO2e per MT production. Total considered 37677 MT

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published for the year 2024 by World Bank for India which is 20.42

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Ernst & Young Associates LLP has provided Reasonable assurance on data reported under this indicator and assurance statement is available as a part of our sustainability report.

8. Does the entity have any project related to reducing Green House Gas emission? If yes, then provide details.

Yes, the Company has embarked on a carbon emission reduction journey and has developed a Ner Zero roadmap with several initiatives to achieve this goal. The Company has invested in renewable energy sources to reduce dependency on fossil fuels and reduce greenhouse gas emissions (GHG) and other energy solutions like use of biomass and biofuel, transition to Electric Vehicles (EVs) company-owned, for employee travel. The Company has also focussed on improving energy efficiency in manufacturing processes by adopting advanced technologies, optimising equipment efficiencies and implementing energy management systems. The Company is implementing interventions such as solar projects, waste generation reduction and waste heat recovery. The Company procured 15,000 MWh of Renewable Energy Certificates (I-RECs), which have been claimed as offset to represent renewable electricity consumption and are used to neutralize Scope 2 emissions arising from grid electricity consumption. Also, another 100 KW rooftop installed at Unit-10. The Company has implemented systems to monitor and measure greenhouse gas emissions across its operations for identifying areas for improvement and drive a continuous reduction in emissions. The company has also undertaken replacement of boiler in one of its Units wherein the new boiler will be capable of handling 100% of biomass pellets as fuel which can replace coal as fuel. The Company supports research and development initiatives aimed at developing new technologies and processes that reduce greenhouse gas emissions to fulfil its Science Based Targets commitment for Near term target by 2032 and Net Zero by 2050.

9. Provide details related to waste management by the entity, in the following format:

Parameter	FY 2025-26	FY 2024-25
Total Waste generated (in metric tonnes)		
Plastic waste (A)	5.26	0.580
E-waste (B)	1.825	1.303

(i) Incineration	1550.61	238.99
(ii) Landfilling (we are sending waste to authorised member of waste treatment plant (Mahad Waste Management Limited (MWML)and Bharuch Enviro Infrastructure Limited (BEIL) who further processed for landfilling and Incineration)	5955.39	5939.117
(iii) Other disposal operations	Nil	Nil
Total	**7506.00**	**6178.10**

*The revenue from operations has been adjusted for PPP based on the latest PPP conversion factor published for the year 2024 by World Bank for India which is 20.42

** Hazardous waste from MEE & ATFD has increased as the company has brought in more units under ZLD. As more treated effluent gets recycled more the salts from concentration techniques which are send for land fill / incineration.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Ernst & Young Associates LLP has provided Reasonable assurance on data reported under this indicator and assurance statement is available as a part of our sustainability report.

10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes

The Company has a membership with Mumbai Waste Management Limited (MWML) in Maharashtra and Bharuch Enviro Infrastructure Limited (BEIL) in Gujarat who are responsible for further processing of landfilling and incineration pre-processing and co-processing operation as per local laws. The Company has initiated a zero-landfilling and zero-incineration initiative by adopting pre-processing and co-processing as treatment methods for the hazardous waste generated at Mahad. For discharge of treated effluent, the company has the membership of Common Effluent Treatment Plants (CETP) at Mahad. The annual returns on quantity of waste generated is being reported to the state pollution control board by filling and submission of form IV & V (Rules & Regulation Published in the Gazette of India, Part-II, Section-3, Sub-section (ii)] Ministry of Environment, Forest and Climate Change).

The (Effluent Treatment Plants) ETP of each unit is equipped with primary, secondary, tertiary treatment followed by Reverse Osmosis (RO) system. Tertiary treated effluent is either recycled through RO or discharged to the common effluent system. The Aqueous effluent generated from processes having low COD and high Total Dissolved Solids (TDS) is fed to the Multiple Effect Evaporator (MEE) along with the RO reject, and condensate of the evaporator is sent for treatment in the Effluent treatment plant or recycled/reused. The sludge generated from the evaporator (MEE) and ETP is sent to an authorised secured landfill site and also small qty send to pre-processing and co-processing.

11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:

S. No.	Location of operations/offices	Types of operations	Whether the conditions of environmental approval / clearance are being complied with? (Y/N) If no, the reasons thereof and corrective action taken, if any.
Not Applicable, since none of our unit is located at ecologically sensitive area.			

12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:

Name and brief details of project	EIA Notification No.	Date	Whether conducted by independent external agency (Yes / No)	Results communicated in public domain (Yes / No)	Relevant Web link
Nil	-	-	-	-	-

Note* - The latest SIA was done in Year 2022 and there was no expansion proposed since 2022, therefor no EIA conducted as per EIA notification 2006 requirement.

13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, and Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:

Serial Number	Specify the law / regulation / guidelines which was not complied with	Provide details of the non- compliance	Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts	Corrective taken, if any action
Yes, the organization is fully compliant with all the applicable environmental legislations.				

Leadership Indicators

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres):

For each facility / plant located in areas of water stress, provide the following information:

(i) Name of the area

(ii) Nature of operations

(iii) Water withdrawal, consumption and discharge in the following format:

Parameter	FY 2025-26	FY 2024-25
Water withdrawal by source (in kilolitres)	Not Applicable, since the company does not withdraw, consume, or discharge water in Central Ground Water Board (CGWB) notified areas of water stress.	
(i) Surface water		
(ii) Groundwater		
(iii) Third party water		
(iv) Seawater / desalinated water		
(v) Others		
Total volume of water withdrawal (in kilolitres)		
Total volume of water consumption (in kilolitres)		
Water intensity per rupee of turnover (water consumed in KL/Turnover of Cr in rupee)		
Water intensity (Water consumed in KL /production qty in MT)		

Parameter	FY 2025-26	FY 2024-25
Water discharge by destination and level of treatment (in kilolitres)		
(i) Into Surface water		
- No treatment		
- With treatment – please specify level of treatment		
(ii) Into Groundwater		
- No treatment		
- With treatment – please specify level of treatment		
(iii) Into Seawater		
- No treatment		
- With treatment – please specify level of treatment	Not Applicable	
(iv) Sent to third-parties		
- No treatment		
- With treatment – please specify level of treatment		
(v) Others		
- No treatment		
- With treatment – please specify level of treatment		
Total water discharged (in kilolitres) – No water discharge as unit is ZLD (Zero Liquid Discharge).		

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Not applicable, as the company neither withdraws, nor discharge water in areas notifies as water stressed by Central Ground Water Board (CGWB).

2. Please provide details of total Scope 3 emissions & its intensity, in the following format:

Parameter	Unit	FY 2025-26	FY 2024-25
Total Scope 3 emissions	Metric tonnes of CO2 equivalent	2,24,566.01 MTCO2e	2,13,959.76 MTCO2e
Total Scope 3 emissions (MT of CO2e/ Turnover in ₹ Crore)		92.22	105.82
Total Scope 3 emission intensity – (MT of CO2e/ MT production)		4.99	5.67

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Yes, Ernst & Young Associates LLP has provided Limited assurance on data reported under this indicator and assurance statement is available as a part of our sustainability report.

3. With respect to the ecologically sensitive areas reported at Question 10 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.

Not Applicable, as none of our unit is located at ecologically sensitive area.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

Sr. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
1	Transitioning to renewables.	Total installed solar power capacity stands at 10.6 MW as of March 2026. I. 10 MW is sourced through an open access solar farm located in Jalna, II. 500 kW rooftop solar is installed at Unit-10, Mahad & another 100 kW rooftop solar plant is operational at Unit-6, Jhagadia, III. Procured 15,000 MWh of Renewable Energy Certificates (I-RECs) from a third-party seller enabling the entity to offset an equivalent quantum of grid electricity with certified renewable energy. IV. The company is in the process of signing MoU for another 2.7 MW hybrid solar & wind power through open access to start functioning by mid of 2027.	The Company achieved a total solar power consumption of 167,24,801 kWh during the financial year 2025–26. I. This shift to renewable energy resulted in an emission reduction of approximately 11,875 metric tonnes of CO_2e, significantly contributing to the Company's decarbonization goals. II. By leveraging solar power, the Company anticipates a cost saving of approximately ₹17.56 crore, based on an average energy rate of ₹10.5 per kWh. III. Additionally, a 100 kW rooftop solar system has been installed, generating 103,648 kWh annually and contributing to an annual reduction of 73.59 metric tonnes of CO_2 emissions. IV. This initiative has resulted in an estimated reduction of 11,875 $MTCO_2e$ of greenhouse gas emissions, computed basis the applicable CEA grid emission factor for the year.
2	Energy Conservation	Mahad: I. 10 Nos of Italvac vacuum pump to replace steam ejectors, this reduces steam consumption by 2 TPH and effluent reduction. II. We have installed VFDs for CT fans in the first stage in 2024-25 and 2nd stage in 2025-2026. III. Total installed captive power plant is 1425 MW (500 MW & 925 MW). IV. Power saving by optimization of Brine plant & chilling plant compressors Jhagadia: I. Energy audit of Unit- 6 facility has conducted. II. Replaced all conventional bulbs into LED lighting across all plants. III. All ceiling fans (35 units) have been upgraded to energy-efficient BLDC type. IV. Increased Electrical load factor by reducing our Contract demand with DGVCL from 3500 kVA to 2490 kVA	Mahad: I. Italvac Vaccum Pump: 300 tonnes savings reflect the first five months only. II. Cooling tower fan blade replacement : Achieved 737 MWh , VFD installation for cooling tower pumps: Power Saving achieved 1205 MWh . Also, three old air compressor replaced with Single Energy Efficient air compressor: Achieved 5265 MWh Power saving. III. The Company has generated 7374.90 MWH power from steam Turbine IV. Power Saving achieved 229.00 MWH in five months by optimization of Brine and Chilling plant compressor. Jhagadia: I. The recommendations/Savings will be implemented in current year 2025-26. II. 500 KWh of power has saved by replacing ceiling fans into BLDC type fans.

Sr. No	Initiative undertaken	Details of the initiative (Web-link, if any, may be provided along-with summary)	Outcome of the initiative
3	Water Conservation	i. Process condensate recovery and reusing it in process. ii. The Company has increased its rooftop rainwater harvesting capacity at its Mahad units to conserve and harvest rainwater during the monsoons. iii. Maintaining Zero Liquid Discharge at all sites which will further conserve fresh water. iv. The Company has initiated a Water Neutrality assessment to establish its baseline water footprint and identify opportunities for conservation, reuse, recycling, and replenishment.	I. The Company achieved a notable reduction in overall water consumption and increased its rainwater harvesting capacity to 29,911 KL, harvesting 12,654 KL of rainwater during the year. II. Approximately 26.34 % of Privi's total water requirement is currently fulfilled through internal water recycling efforts, leading to an estimated cost saving of ₹1.11 crore annually, based on a water rate of ₹56 per kilo Litre. III. In addition, 69% of treated effluent/ wastewater has been recycled and reused within our manufacturing units, and contributing to a circular water management approach. IV. Achieved Zero Liquid Discharge (ZLD) at Units-2, Unit - 6, and Unit-10 through wastewater treatment, recycling, and reuse.
4	Waste Management Initiatives	i. Our factories have identified innovative ways to reuse various hazardous waste streams and achieve the status of zero hazardous waste to landfills in factories and offices across the Company. ii. The Company disposed collected plastic waste to authorized recyclers as part of its sustainability and waste management efforts. iii. Hazardous Byproducts are sent for recycling to authorise end user to make useful products. i. Acetic acid & Sulphuric acid recovery & recycle implemented.	I. From Nov-2025, the disposal of haz. waste for pre-processing and co-processing has commenced. A total of 48.11 MT of haz. waste has been sent till Mar-2026. As this activity has only recently started, it is partially implemented this year, and a significant impact is expected in the upcoming year. II. In FY 2025–26, 5.26 metric tonnes of plastic waste were responsibly disposed of by sending it to authorized recyclers. III. We generated 16.004 MT of compost from organic waste, utilized for green belt development and soil health improvement. IV. During the year, 29031.68 metric tonnes of by-products were recycled or repurposed as raw materials by peer industries, reinforcing our commitment to circular economy principles and minimizing waste sent to landfill. V. Recovered 968.364 tonnes by utilizing 1283 MT of fresh acetic acid for reuse, achieving a 43.02% recovery rate same about Sulphuric acid we recovered 12191.97 tonnes by utilizing 2050.74 of fresh sulphuric acid, achieving a 85.6% recovery rate. VI. In packaging, for local customers instead of galvanized metal drums started using recyclable HDPE drums.

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Yes, the organization has Business Continuity Plan (BCP) & Disaster management plans in place. The organization has identified risk related to any loss of connectivity, utility service, injury, staff loss material shortage and many others, which can disrupt the continuity of business, thereby the organization has mitigation plans in place mentioning all probabilities and ways through the same. The organization also reviews the same every year.

The Disaster Management plan covers entire Plants and Office Operations, Supply Chain, IT, etc & all possible scenarios are covered and considered in the plan. The disaster management plan is submitted to Directorate of Industrial Safety and Health (DISH). We also conduct mock drills every quarter to maintain high state of emergency preparedness.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard?

During the year, there were no significant adverse environmental impacts arising from the value chain of the entity.

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

We asses our supplier based on Environmental, Social and Governance (ESG) aspects. The protocol includes ESG criteria such as- Climate change, environment, health & safety, labour and human rights and governance such as ethics and compliance, fair business practices, etc. During the reporting period, 54% of our suppliers were assessed for environmental impacts.

8. How many Green Credits have been generated or procured:

a. By the listed entity -

b. By the top ten (in terms of value of purchases and sales, respectively) value chain partners-

None generated or procured by the entity in FY 2025-26.

PRINCIPLE 7 : : Businesses, when engaging in influencing public and regulatory policy, should do so in a manner that is responsible and transparent.

Essential Indicators

1. a. Number of affiliations with trade and industry chambers/ associations.

The organization is affiliated with 9 trade and industry chambers/associations.

b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to

S. No	Name of the trade and industry chambers/ associations	Reach of trade and industry chambers/ associations (State/National)
1	International Fragrance Association (IFRA)	International
2	Pine Chemical Association (PCA)	International
3	Chemical Export Promotion Council (CHEMEXCIL)	National
4	Federation of Indian Chambers of Commerce and Industry (FICCI)	National
5	Flavours and Fragrance Association of India (FAFAI)	National
6	Export Inspection Agency (EIA)	National
7	Indian Institute of Packaging (IIP)	National
8	Indo-Arab Chamber of Commerce and Industries	National
9	Indian Merchants' Chamber (IMC)- Chamber of Commerce and Industry	National
10	Mahad Manufacturers Association (MMA)	State

2. Provide details of corrective action taken or underway on any issues related to anticompetitive conduct by the entity, based on adverse orders from regulatory authorities:

Name of authority	Brief of the case	Corrective active taken
Not Applicable, as no adverse orders were received from regulatory authorities.		

Leadership Indicators

1. Details of public policy positions advocated by the entity:

Sr. No	Public policy advocated	Method resorted for such advocacy	Whether information available in public domain? (Yes/No)	Frequency of Review by Board (Annually/ Half yearly/ Quarterly / Others – please specify)	Web Link, If available
	Statutory and regulatory enactments, applicable to the company	Representation Through the industry association.	-	As and when required	-

PRINCIPLE 8 : : Businesses should promote inclusive growth and equitable development

Essential Indicators

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

Name and Brief details of project	SIA Notification No.	Date of notification	Whether conducted by independent external agency (Yes/No)	Results communicated in public domain (Yes/No)	Relevant Web Link
During the current financial year no SIA of projects were undertaken by the entity based on applicable laws.					

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

S. No	Name of Project for which R&R is ongoing	State	District	No. Of Project Affected Families (PAFs)	5 of PAFs covered by R&R	Amounts paid to PAFs in the FY (in INR)
The organization has not undertaken any project during the year attracting the provisions of rehabilitation and resettlement.						

3. Describe the mechanisms to receive and redress grievances of the community.

The organization engages with the community by conducting informal and formal meetings apart from program specific meetings to facilitate harmony.

4. Percentage of input material (inputs to total inputs by value) sourced from suppliers:

Parameter	FY 2025-26	FY 2024-25
Directly sourced from MSMEs/ small producers	6.61%	8.43%
Sourced directly from within the district and neighbouring districts	28.54%	28%

5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost.

Parameter	FY 2025-26	FY 2024-25
Rural	Nil	Nil
Semi-Urban	76.59%	78.30%
Urben	Nil	Nil
Metropolitan	23.41%	21.70%

(Place to be categorized as per RBI Classification System - rural / semi-urban / urban / metropolitan)

Leadership Indicators

1. Provide details of actions taken to mitigate any negative social impacts identified in the Social Impact Assessment (Reference: Question 1 of Essential Indicators above):

Details of negative social impact identified	Corrective action taken
Not Applicable, since no SIA was undertaken by the organization	

2. Provide the following information on CSR projects undertaken by your entity in designated aspirational districts as identified by government bodies:

S. No	State	Aspirational District	Amount spent (In INR)
	Nil	Nil	Nil

3. (a) Do you have a preferential procurement policy where you give preference to purchase from suppliers comprising marginalized /vulnerable groups? (Yes/No)

Considering the type of industry and our requirements, we are committed to include the marginalized groups and look forward to jointly scale up the business.

(b) From which marginalized /vulnerable groups do you procure?

While considering the type of industry and specialised requirements, the organization has not been able to identify the marginalized/ vulnerable group, however, the same is being explored.

(c) What percentage of total procurement (by value) does it constitute?

Not applicable at present.

4. Details of the benefits derived and shared from the intellectual properties owned or acquired by your entity (in the current financial year), based on traditional knowledge:

S. No	Intellectual Property based on traditional knowledge	Owned/ Acquired (Yes/No)	Benefit shared (Yes / No)	Basis of calculating benefit share
Not Applicable, since no Intellectual Property was acquired by the entity				

5. Details of corrective actions taken or underway, based on any adverse order in intellectual property related disputes wherein usage of traditional knowledge is involved.

Name of authority	Brief of the case	Corrective Action taken
Not Applicable, since no Intellectual Property was owned or acquired by the entity		

6. Details of beneficiaries of CSR Projects

S. No	CSR Project	No. of persons benefitted from CSR projects	% of beneficiaries from vulnerable and marginalized groups
1	Health & Hygiene	6500	Data for the above is not ascertainable, howsoever the CSR team would endeavour the data collection on the same in the coming years.
2	Environment	10,000	
3	Education	488	

PRINCIPLE 9 : Businesses should promote inclusive growth and equitable development

The company being highly regulated industry, follows and fulfils all its statutory and mandatory labelling requirements, however, it does not provide any involuntary information over the product. The organization further conducts customer satisfaction survey annually.

Independent Auditor's Report

To the Members of

Privi Speciality Chemicals Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Privi Speciality Chemicals Limited (the "Company") which comprise the standalone balance sheet as at 31 March 2026, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including material accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2026, and its profit and other comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

See Note 2(xvi), 20 and 37 to standalone financial statements

The Key Audit Matter	How the matter was addressed in our audit
The Company's revenue is derived primarily from sale of products. The principal products of the Company comprise of aroma chemicals. Revenue from sale of goods is recognised on transfer of the products to the customer. The Company uses a variety of shipment terms across its operating markets and this has an impact on the timing of revenue recognition. The performance obligations in the contracts may be fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on contract terms. There is a risk that revenue could be recognised at a time which is different from transfer of control especially for sales transactions occurring on and around the reporting period. Also, there is a risk of recognizing fictitious revenue throughout the year. In view of this and since revenue is a key performance indicator of the Company, we have identified timing of the revenue recognition as a key audit matter.	We applied the following audit procedures in this area to obtain sufficient appropriate audit evidence:- ▪ Assessed the appropriateness of Company's accounting policies relating to revenue recognition as per the applicable accounting standard. ▪ Obtained an understanding of the Company's sales process and evaluated the design and implementation of key internal controls in relation to the timing of revenue recognition. We also tested the operating effectiveness of such controls for a sample of transactions and also of controls over revenue recognised on and around the reporting period. ▪ For a sample of sale transactions selected using statistical sampling, performed detailed testing and in particular examined whether these are recognised in the period in which control is transferred. This included examination of the terms and conditions as per customer orders, such as shipping terms, transporter documents and customer acceptances.

The Key Audit Matter	How the matter was addressed in our audit
	• Tested on a sample basis, specific revenue transactions recorded around the year end date to check whether revenue has been recognised in the correct reporting period by examining the underlying documents. • Tested sample using statistical sampling approach for journal entries for revenue recognised during the year, selected based on specified risk-based criteria, to identify unusual transactions. • Evaluating the Company's disclosures in the standalone financial statements in respect of revenue recognitions. (Refer Note 37 of standalone financial statement)

Other Information

The Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board Of Directors Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of standalone financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

   c. The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account.

   d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

   e. On the basis of the written representations received from the directors as on 1 April 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

   f. the modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

   g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

a. The Company has disclosed the impact of pending litigations as at 31 March 2026 on its financial position in its standalone financial statements - Refer Note 34 to the standalone financial statements.

b. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts –

Refer Note 18 to the standalone financial statements.

c. The following are the instances of delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Financial Year	AGM Date	Dividend to be paid Withing 30 days from AGM Date	Unclaimed dividend amount	Due Date of Transfer to IEPF (7 years)	Remarks
2017-18	10 August 2018	9 September 2018	Rs. 2.39 lakhs	15 September 2025	Unclaimed dividend not transferred to IEPF account as of date

d (i) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 41(a)(vii) to the standalone financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(ii) The management has represented that, to the best of its knowledge and belief, as disclosed in the Note 41(a)(viii) to the standalone financial statements, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(iii) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (i) and (ii) above, contain any material misstatement.

e. The final dividend paid by the Company during the year, in respect of the same declared for the previous year, is in accordance with Section 123 of the Act to the extent it applies to payment of dividend.

As stated in Note 38 to the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend declared is in accordance with Section 123 of the Act to the extent it applies to declaration of dividend.

f. Based on our examination which included test checks, the Company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility except that audit trail was not enabled at the database level for accounting software to log any direct data changes.

For accounting software for which audit trail feature is enabled, the audit trail facility has been operating throughout the year for all relevant transactions recorded in the software and we did not come across any instance of audit trail feature being tampered with during the course of our audit. Additionally, where the audit trail (edit log) functionality was enabled and operated during the previous year, the Company has preserved the audit trail in accordance with the statutory record retention requirements.

C. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

Annexure A to the Independent Auditor's Report on the Standalone Financial Statements of Privi Speciality Chemicals Limited for the year ended 31 March 2026

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

(i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(i) (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the leases agreements are duly executed in favour of the lessee) disclosed in the standalone financial statements are held in the name of the Company.

(d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

(e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.

(ii) (a) The inventory, except goods-in-transit and stocks lying with third parties, has been physically verified by the management during the year.For stocks lying with third parties at the year-end, written confirmations have been obtained and for goods-in-transit subsequent evidence of receipts has been linked with inventory records. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were more than 10% in the aggregate of each class of inventory

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks or financial institutions are in agreement with the books of account of the Company except as follows:

Quarter	Name of bank	Particulars	Amount as per books of account (Rs in lakhs)	Amount as per books of account (Rs in lakhs)	Amount of difference (Rs in lakhs)	Whether return/ sta tement subsequ ently rectified

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.

(c) In our opinion and according to the information and explanations given to us by the management, term loans were applied for the purpose for which the loans were obtained.

(d) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that no funds raised on short-term basis have been used for long-term purposes by the Company.

(e) According to the information and explanations given to us and on an overall examination of the standalone financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Act.

(f) According to the information and explanations given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries (as defined under the Act).

(x) (a) The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

(b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.

(xi) (a) During the course of our examination of the books and records of the Company and according to the information and explanations given to us, no fraud by the Company or on the Company has been noticed or reported during the year.

(b) According to the information and explanations given to us, no report under sub-section (12) of Section 143 of the Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.

(c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

(xii) According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.

(xiii) In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Section 177 and 188 of the Act, where applicable, and the details of the related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

(xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

(b) We have considered the internal audit reports of the Company issued till date for the period under audit.

(xv) In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Act are not applicable to the Company.

(xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.

(b) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.

(c) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.

Annexure B to the Independent Auditor's Report on the Standalone Financial Statements of Privi Speciality Chemicals Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Privi Speciality Chemicals Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Management's and Board Of Directors' Responsibilities for Internal Financial Controls

The Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

MEANING of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the Standalone Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

1 General Information

Privi Speciality Chemicals Limited ('PSCL or 'the Company') incorporated on 25 May 1985 under the provisions of the Companies Act, 1956 is a public company domiciled in India. The Company is having register office at A-71, Privi House, Thane Belapur Road, TTC, Navi Mumbai-400710, Maharashtra, India. The Company is primarily engaged in the manufacture and export of aroma chemicals and in the trading of chemicals. The Company's manufacturing units are located at Mahad and Jhagadia. The equity shares of the Company are listed on Bombay Stock Exchange Limited and National Stock Exchange of India Ltd.

2 Material accounting policies

This note provides a list of the material accounting policies adopted by the Company in the preparation of standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of Compliance

These Standalone Financial Statements of the Company comprising the Balance Sheet as at March 31, 2026, Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity, and Cash Flow Statement for the year ended March 31, 2026, and a summary of material accounting policies and other explanatory information have been prepared by the Company in accordance with the Indian Accounting Standards notified under Section 133 of the Companies Act, 2013 (the 'Act'), other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India.

The standalone financial statements were authorised for issue by the Company's Board of Directors at their meetings held on May ,11 2026.

i. Basis of preparation and Presentation

Basis of Preparation

The financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

(i) Derivative Financial Instruments measured at fair value. (refer note no. 18)

(ii) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

(iii) Employee's Defined Benefit Plan as per actuarial valuation.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional and Presentation Currency

The standalone financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates. All values are rounded to the nearest lakh, unless otherwise stated.

ii. Use of estimates, judgements, and assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of income, expenses, assets and liabilities, Actual results may differ from these estimates and assumptions.

Estimate and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised prospectively.

The Company has identified the following areas where significant judgements, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and in the relevant notes to the financial statements.

Financial reporting results rely on the estimate of the effect of certain matters that are inherently uncertain. Future events rarely develop exactly as forecast and the best estimates require adjustments, as actual results may differ from these estimates under different assumptions or conditions. Estimates and Judgments are continually evaluated and are based on historical experience and other factors, including expectation of future events that are believed to be reasonable under the circumstances. The Management believes that the estimates used in preparation of these financial statements are prudent and reasonable. Existing circumstances and assumptions about future

Notes to the Standalone Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. "revisions to accounting estimates are accounted for prospectively.

Judgements:

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognised in the financial statements.

a. Lease term, whether the Company is reasonably certain to exercise extension options – (refer note 4 a)

Assumptions and estimation uncertainties

Information about judgements in applying accounting policies, as well as estimates and assumptions that have the most significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

(a) Measurement of defined benefit obligations for key actuarial assumptions - refer note 31

(b) Recognition of deferred tax assets – Note 16

(c) Useful Lives of Property, Plant and Equipment, Right of use assets and Intangible Assets: Note 3 and 4

(d) Recognition and Measurement of Provisions and Contingencies: Note 34

iii. Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

(a) it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle.

(b) it is held primarily for the purpose of being traded.

(c) it is expected to be realised within 12 months after the balance sheet date; or

(d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the balance sheet date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

(a) it is expected to be settled in, the Company's normal operating cycle.

(b) it is held primarily for the purpose of being traded.

(c) it is due to be settled within 12 months after the balance sheet date; or

(d) the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Terms of a liability that could, at the option of the counter party, result in its settlement by issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

The operating cycle is twelve months from the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

iv. Property, Plant and Equipment ("PPE") and depreciation

I Recognition and Measurement

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Property, Plant and equipment are measured at cost including nonrefundable taxed and import duties, which also includes capitalized borrowing costs less accumulated depreciation and any accumulated impairment losses. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. The Company's date of transition to the standards was determined with reference to its fair value at the date.

Depreciation on additions/disposals) is provided on a pro-rata basis i.e. from/ (upto) the date on which asset is ready for use/ (disposed off).

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of Property, Plant and equipment. Any Gain or loss on disposal of an item of Property, Plant and equipment is recognised in profit or loss.

II Subsequent Expenditure

Subsequent Expenditure is capitalized only if it is probable that the future economic benefits flow to the associated with the Expenditure will flow to the entity.

Depreciation and amortization

Depreciation is calculated using the straight-line method to allocate cost of property plant and equipment, net of residual values, over their estimated useful lives as per the useful life prescribed in schedule II of the Companies Act, 2013 except in case of the following class of assets where the useful life is based on technical evaluation of the management:

Fixtures in leasehold premises are amortized over the primary period of the lease or useful life of the fixtures, whichever is lower.

Asset Class	Estimated useful life (in Years)	
	Useful life considered by the Company as per Schedule II / Technical Evaluation	Schedule II of the Companies Act, 2013
Building	33	30
Plant and Machinery	10	15
Electrical installation	10	10
Laboratory equipment's	10	10
Furniture & Fixtures	16	10
Office Equipment	10	5
Leasehold Improvement	15	15
Vehicle	10	8
Computer	6	6

Depreciation on additions / deletions during the year is provided from the date in which the asset is ready to use to the date in which the asset is disposed of.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets required under finance leases are depreciated over the shorter of the lease term and their useful lives (not being greater than the useful life envisaged in Schedule II of Companies Act, 2013) unless it is reasonably certain that Company will obtain ownership by the end of lease term, in which case the depreciation rates applicable for similar assets owned by the Company are applied.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/(losses).

v. Intangible assets and amortisation

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. Cost includes taxes, duties and other incidental expenses related to acquisition and other incidental expenses.

Notes to the Standalone Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of respective intangible assets.

Asset Class	Estimated useful life (in Years)
Computers Softwares	3 to 6 Years
Rights of Sale of Products	5 Years
Development Rights	5 Years

About internally generated intangible assets:

Expenditure on research activities, undertaken with the prospect of development of new products or gaining new technical knowledge and understanding, is recognised in profit or loss as incurred.

Capital expenditure on research and development is capitalized and depreciated as per accounting policy mentioned above. Revenue expenditure is charged off in the year in which it is incurred.

Development activities involve a plan or design for the production of new or substantially improved products or processes. Development expenditure is capitalised only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resources to complete development and to use the asset. The expenditure capitalised includes the cost of materials, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use, and directly attributable borrowing costs (in the same manner as in the case of tangible fixed assets). Other development expenditure is recognised in profit or loss as incurred.

Intangible assets are amortised in profit or loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

vi. Impairment of Non-financial assets

At each reporting date, the Company reviews the carrying amounts of its non-financial assets (other than biological assets. investment property, inventories, contract assets and deferred tax assets to determine whether there is any indication of impairment. If any such indication exists, then the asset's referable amount is estimated. Goodwill is tested annually for impairment.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs. Goodwill arising from a business combination is allocated to CGUs or group of CGUs that are expected to benefit from the synergies of the combination.

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value Jess costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

An impairment loss is recognised if the carrying amount of an asset or CGU exceeds its Recoverable amount.

Impairment losses are recognised in profit or loss. They are allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets in the CGU on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. For other assets, an impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortization. if no impairment loss had been recognised.

vii. Borrowing costs

Borrowing costs are interest and other costs that the Company incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs include interest costs measured at EIR amortization of discounts, hedge related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange differences arising from foreign currency borrowings (other than long term foreign currency borrowings) to the extent they are regarded as an adjustment to the interest cost.

Notes to the Standalone Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

Borrowing costs, allocated to qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

All other borrowing costs are recognised as an expense in the period which they are incurred.

viii. Foreign currency transactions

Transactions denominated in foreign currency are recorded at the exchange rate prevailing on the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of profit and loss of the year.

Monetary assets and liabilities in foreign currency, which are outstanding as at the balance sheet date are translated at the year-end at the closing exchange rate and the resultant exchange differences are recognised in the statement of profit and loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other incomes/expenses.

ix. Financial Instruments

a. Financial assets

Initial Recognition and Measurement

All financial assets are recognised initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification and subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

Financial assets at amortised cost

A financial asset is classified as subsequently measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Financial assets at fair value through Other Comprehensive Income ("FVTOCI")

A financial asset is classified as subsequently measured at fair value through Other Comprehensive Income if both the following conditions are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognised in other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to P&L. The Company did not have any financial assets at FVTOCI during the current year as well as previous year.

Financial assets at fair value through Profit and loss ("FVTPL")

Financial assets at FVTPL are a residual category for financial assets. Any financial assets which do not meet the criteria of categorizing it at amortised cost or at FVTOCI is classified as at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the P&L.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a Company of similar financial assets) is primarily derecognised (i.e., removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.
- When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the
- extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of Financial Assets

In view of its past experience of having insignificant impairment bad debts/write-offs and based on management's estimate considering its portfolio of customers, this trend would continue for the foreseeable future, the Company has determined that significant impairment of Financial assets is not required to be recognised based on Expected Credit Loss model.

b. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at amortised cost and financial liabilities at FVTPL. Derivative liabilities are classified as FVTPL. All financial liabilities are recognised initially at fair value. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVTPL

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the profit or loss. Except derivative instruments, the Company has not designated any financial liability as at FVTPL.

Financial liabilities at amortised cost

All financial liabilities except for derivatives are classified as measured at amortised cost. This category includes bank and other borrowings, trade payables and other financial liabilities.

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

c. Offsetting of Financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Business Model Assessment

Financial assets -Business model assessment

The Company makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed, and information is provided to management. The information considered includes: the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities, or expected cash outflows or realizing cash flows through the sale of the assets.

- how the performance of the portfolio is evaluated and reported to the Company's management.
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.
- how managers of the business are compensated- e.g., whether compensation is based on the fair value of the assets managed, or the contractual cash flows collected, and the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Company's continuing recognition of the assets.

Financial Assets that are held for trading or are managed and whose performance I evaluated on a fair value basis are measured at FVTPL.

d. Derivatives

Initial recognition and subsequent measurement The Company uses derivative financial instruments, such as forward currency contracts, interest rate swaps and currency SWAPS, to hedge its foreign currency risks, interest rate risks and its long term loans, respectively. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. The purchase contracts that meet the definition of a derivative under Ind-AS 109 are recognised in the Statement of Profit and Loss.

x. Segment Reporting

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company Chief Executive Officer (CEO) to make decisions about resources to be allocated to the segments and assess their performance.

The Chief Operational Decision Maker (CODM) monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit or loss in the standalone financial statements. Operating segments have been identified on the basis of nature of products / services. The Accounting Policies adopted for segment reporting are in

Notes to the Standalone Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

line with the Accounting Policies of the Company. Segment assets include all operating assets used by the business segments and consist principally of fixed assets, trade receivables and inventories. Segment liabilities include the operating liabilities that result from the operating activities of the business. Segment assets and liabilities that cannot be allocated between the segments are shown as part of unallocated corporate assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated corporate income / expenses.

xi. Cash flows

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flow. The cash flows from operating, investing and financing activities of the Company are segregated based on available information.

xii. Cash and Cash equivalents

Cash and cash equivalent in the balance sheet and for the statement cash flow comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

xiii. Investment in subsidiaries and joint ventures

Investment in subsidiary companies and joint venture companies are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary companies and joint venture companies, the difference between net disposal proceeds and the carrying amount are recognised in the statement of Profit and Loss.

The Company reviews its carrying value of investments in subsidiaries annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for. Determining whether the investments in subsidiaries are impaired requires an estimate in the value in use of investments. The Management carries out impairment assessment for each investment by comparing the carrying value of each investment with the net worth of each Company based on audited financials, comparable market price and comparing the performance of the investee companies with projections used for valuations, in particular those relating to the cash flows, sales growth rate, pre-tax discount rate and growth rates used and approved business plans.

xiv. Lease as a lessee

The Company has adopted Ind AS 116 effectives from April 01 2019 using modified retrospective approach. For the purpose of preparation of Standalone Financial statement, management has evaluated the impact of change in accounting policies required due to adoption of Ind AS 116 in first year of applicability.

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Company assesses whether: (i) the contact involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

As a lessee, the Company recognises a right-of-use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located,less any lease incentives received.

The right of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition, the right- of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Company's incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in-substance fixed payments.

The lease liability is measured at amortised cost using the effective interest method.

The Company has used number of practical expedients when applying Ind AS 116: - Short-term leases, leases of low-value assets and single discount rate.

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term. The Company applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.

The Company's leases primarily comprise land and buildings and Plant and equipment. The Company leases land and buildings for warehouse facilities.

xv. Inventories

Inventories include raw materials, packing materials, fuel, consumable stores and spares and manufactured inventory. Inventory is valued at the lower of cost and net realisable value.

Cost comprises the purchase price, costs of conversion and other related costs incurred in bringing the inventories to their present location and condition. Cost of raw materials, packing materials, fuel, consumable, stores and spares are determined on the basis of Periodic moving weighted average method. Cost of finished goods and work in progress are determined using the absorption costing principle. Cost includes the cost of material consumed, labour and appropriate proportion of costs of conversion which include variable and fixed overheads.

Obsolete, defective, and unserviceable inventories are duly provided for. The comparison of cost and net realisable value is made on an item-to-item basis. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale. The net realisable value of work in progress is determined by reference to the selling prices of related finished products

xvi. Revenue Recognition

Revenue recognition revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer i.e., when the customer is able to direct the use of the transferred goods or rendering of services and obtains substantially.

All of the remaining benefits at an amount that reflects the consideration entitled in exchange for those goods or services. The policy of recognizing the revenue is determined according to Ind AS 115 "Revenue from contracts with customers".

Sale of Goods: Revenue is recognised upon transfer of control of promised goods to customers for an amount that reflects the consideration which the Company expects to receive in exchange for those goods. Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch/ delivery of goods, based on contracts with the customers. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions, incentives, and returns, if any, as specified in the contracts with the customers.

Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Company as part of the contract

Interest

Notes to the Standalone Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

Interest revenue is calculated by using the effective interest method for financial assets measured at amortised cost.

Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received. Government grants are recognised in the statement profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

An export incentive is recognised in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of export made, and there is no uncertainty as to its receipt.

xvii. Employee Benefits

Short Term Employee Benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus, ex-gratia etc. These are recognised as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

Post-employment Benefits

(i) Provident Fund

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's. Contribution is recognised as an expense in the statement of profit and loss during the period in which the employee renders the related service.

(ii) Gratuity

The Company's gratuity benefit scheme is a defined benefit plan. The Company`s net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The calculation of the Company's obligation under the plan is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the assets ceiling (if any, excluding interest), are recognised in OCI. All expenses related to defined benefit plan are recognised in employee benefits expense in the Statement of Profit and Loss.

(iii) Compensated Absences

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/ availment. The Company makes provision for compensated absences based on an independent external actuarial valuation carried out at the end of the year.

xviii. Taxation

Income tax expense comprises current tax and deferred tax charge or credit.

Current Income Tax

Provision for current tax is determined as the amount of tax payable in respect of taxable income for the year in accordance with the provisions of the Income Tax Act, 1961.Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the enacted or substantively enacted tax rates and tax laws. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

"Current tax is recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is also recognised in other comprehensive income or directly in equity respectively. "

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

On March 30, 2019, MCA has issued amendment regarding the income tax Uncertainty over Income Tax Treatments. The notification clarifies the recognition and measurement requirements when there is uncertainty over income tax treatments. In assessing the uncertainty, an entity shall consider whether it is probable that a taxation authority will accept the uncertain tax treatment. This notification is effective for annual reporting periods beginning on or after April 1, 2019. As per the Company's assessment,there are no material income tax uncertainties over income tax treatments.

Current tax assets and current tax liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis, or their tax assets and liabilities will be realized simultaneously.

Current Tax is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Deferred Tax

Deferred tax is recognised in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

xix. Earnings per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share are the net profit for the year attributable to equity shareholders. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares, except where the results would be anti-dilutive.

xx. Provisions and contingent liabilities

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provision in respect of loss contingencies relating to claims litigation, assessment, fines, penalties etc. are recognised when it is probable that a liability has been incurred, and the amount can be estimated reliably.

Notes to the Standalone Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, probably will not, require an outflow of resources embodying economic benefits, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote. Contingent assets are neither recognised nor disclosed in the standalone financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic resources embodying economic benefits will arise, related income are recognised in the year in which the change occurs.

xxi. Fair value measurement

The Company measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

xxii. Recent accounting pronouncements: -

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

For the year ended March 31, 2026,

MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its Standalone financial statements.

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(A) In May 2025, MCA further notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

(B) In August 2025, MCA notified the following amendments to:

(i) Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

(ii) Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

(iii) Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

xxiii Equity shares

Equity shares Incremental costs directly attributable to the issue of equity shares are recognised as a deduction from equity. Income tax relating to transaction costs of an equity transaction is accounted for in accordance with Ind AS 12.

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has considered restructured compensation of its employees with effect from April 1, 2026, and assessed the impact of the changes, consistent with the Labour Codes, draft rules and FAQs. The Company has included such incremental impact Rs.364.23 Lakh in the "employee benefit expenses" in the standalone statement of profit and loss for the year ended March 31, 2026.

The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

31 Employee benefits - post-employment benefit plans

a) Defined contribution plans

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund and ESI which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to statement of profit and loss as they accrue.

The Company has recognised the following amount as an expense and included in the refer note 24 under "Contribution to provident & other funds":

	Year ended March 31, 2026	Year ended March 31, 2025
Contribution to employees provident fund	389.68	338.45
Contribution to labour welfare fund	0.73	0.66
Contribution to ESI	0.77	0.51

b) Defined benefit plans

The Company operates one unfunded post-employment defined benefit plan that provides gratuity. The gratuity plan entitles an employee, who has rendered at least five years of continuous service, to receive one-half month's salary for each year of completed service at the time of retirement. In case of employees completing longer service periods, the Company's scheme is more favourable as compared to the obligation under Payment of Gratuity Act, 1972.

32 Financial instruments

Company has an established control framework with respect to the measurement of fair values.

This includes a management has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the internal valuation team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of the applicable financial reporting framework, including the level in the fair value hierarchy in which the valuations should be classified.

Significant valuation issues are reported to Company's audit committee if any.

When measuring the fair value of an asset or a liability, Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

a. Accounting classification and fair values

b. The fair value of financial instruments as referred to in note (a) above have been classified into a three categories depending on the inputs used in the valuation technique.

The categories used are as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

c. Calculation of fair values

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended March 31, 2026.

(i) The fair values of the derivative financial instruments has been determined using valuation techniques with market observable inputs. The models incorporate various inputs including the credit quality of counter-parties and foreign exchange forward rates. In case the forwards are taken from banks and financial institutions, the fair value is determined using quoted forward exchange rates at the reporting date and present value calculations based on high credit quality yield curves in the respective currencies by the bankers.

(ii) The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

(iii) Loans, lease liabilities and borrowings have fair values that approximate to their carrying amounts as it is based on the net present value of the anticipated future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

(iv) Cash and cash equivalents, trade receivables, investments in term deposits, other financial assets (except derivative financial instruments), trade payables, and other financial liabilities (except derivative financial instruments) have fair values that approximate to their carrying amounts due to their short-term nature.

33 Financial risk management

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework.The Board of Directors has established the risk management committee, which is responsible for developing and monitoring the company's risk management policies. The committee reports regularly to the board of Directors on its activities.

The Company's risk management are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits.Risk management policies and systems are reviewed regularly to reflect changes in market conditions and activities.

The Audit committee oversees how management monitors compliance with the company's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The Audit committee is assisted in its oversight role by internal audit by external party."

The Company has exposure to the following risks arising from the financial instruments:

a. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counter-party fails to meet its contractual obligations and arises principally from the Company's receivables from customers.The carrying amount of financial assets represent the maximum credit exposure.

The Company's exposure to credit risk is influenced mainly by the individual characterisitc of each customer.However, management also consider the factors that may influence the credit risk of its customer base. including the default risk associated with the industry and country in which company operates.

The Company analyses credit worthiness of each new customer individually before standard payment and delivery terms are offered.The Company is monitoring economic environment in countires where it operates and is taking actions to limit its exposure to customers in those countries experiencing particular economic volatility.

The Company uses an allowance matrix to measure the expected credit loss of trade receivables.Based on the industry practices and the business environment in which the entity operates, Management considers that the trade receivables are in default (credit impaired) if the payments are more than 365 days past due.

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk and the current provision for the bad debts represents the impacted credit loss it foresees in its receivables.

Financial assets other than trade receivables are not impaired and further, there are no amounts that are past due. Management believes that the amounts are collectible in full, based on historical payment behavior.

b. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company maintains the level of its cash and cash equivalents at an amount in excess of expected cash outflow on financial liabilities.The Company also monitors the level of expected cash inflows on trade and other receivables together with expected cash outflows on trade and other payables

* The exposure disclosed here is net of currency swap taken by the Company

Currency exposure for borrowings is exclusive of Currency swap on HDFC Bank Rupee loan of Rs 7,400 lakhs is taken @ 75.83 per USD which are classified as Indian currency loan.

The Company's corporate treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risk relating to the operation of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The use of financial derivatives is governed by the Company's policies approved by the board of directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, etc.

The Corporate treasury function reports quarterly to the Company's risk management committee, an independent body that monitors risks and policies implemented to mitigate risk exposures.

d. Sensitivity analysis

A reasonably possible strengthening (weakening) of the foreign currencies against ₹ at March 31, 2026 would have affected the measurement of financial instruments denominated in US dollars and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Effect in Indian Rupees in lakhs	Profit before tax		Equity, net of tax

Independent Auditor's Report

To The Members of

Privi Speciality Chemicals Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of Privi Speciality Chemicals Limited (hereinafter referred to as the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at 31 March 2026, and the consolidated statement of profit and loss (including other comprehensive income), consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including material accounting policies and other explanatory information (hereinafter referred to as the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of the other auditor on separate financial statements of such subsidiaries as were audited by the other auditor, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2026, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in terms of the Code of Ethics issued by the Institute of Chartered Accountants of India and the relevant provisions of the Act, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence obtained by us along with the consideration of reports of the other auditor referred to in paragraph (a) of the "Other Matter" section below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Revenue recognition

See Note 2(xvi), 21 and 41 to consolidated financial statements

The Key Audit Matter	How the matter was addressed in our audit
The Group's revenue is derived primarily from sale of products. The principal products of the Group comprise of aroma chemicals	We applied the following audit procedures in this area, among others to obtain sufficient appropriate audit evidence:-
Revenue from sale of goods is recognised on transfer of the products to the customer. The Group uses a variety of shipment terms across its operating markets and this has an impact on the timing of revenue recognition. The performance obligations in the contracts may be fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on contract terms. There is a risk that revenue could be recognised at a time which is different from transfer of control especially for sales transactions occurring on and around the reporting period. Also, there is a risk of recognising fictitious revenue throughout the year. In view of this and since revenue is a key performance indicator of the Group, we have identified timing of the revenue recognition as a key audit matter.	• Assessed the appropriateness of Group's accounting policies relating to revenue recognition as per the applicable accounting standard. • Obtained an understanding of the Group's sales process and evaluated the design and implementation of key internal controls in relation to the timing of revenue recognition. We also tested the operating effectiveness of such controls for a sample of transactions and also to controls over revenue recognised on and around the year end. • For a sample of sale transactions selected using statistical sampling, performed detailed testing and in particular examined whether these are recognised in the period in which control is transferred. This included examination of the terms and conditions as per customer orders , such as shipping terms, transporter documents and customer acceptances.

The Key Audit Matter	How the matter was addressed in our audit
	• Tested on a sample basis, specific revenue transactions recorded around the year end date to check whether revenue has been recognised in the correct reporting period by examining the underlying documents. • Evaluating the Company's disclosures in the consolidated financial statements in respect of revenue recognitions. (Refer Note 41 of consolidated financial statement)

Other Information

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in term of the requirements of the Act that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated statement of changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of each Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies included in the Group are responsible for assessing the ability of each Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion,

forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting in preparation of consolidated financial statements and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast
- significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial statements of such entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph (a) of the section titled "Other Matter" in this audit report.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matter

a. We did not audit the financial statements of 3 subsidiaries, whose financial statements reflects total assets (before consolidation adjustments) of ₹58,654.18 lakhs as at 31 March 2026, total revenues (before consolidation adjustments) of ₹ 63,081.82 lakhs and net cash inflows (before consolidation adjustments) amounting to ₹ 92.69 lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditor whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditor.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2 A. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditor on separate financial statements of such subsidiaries, as were audited by other auditor, as noted in the "Other Matter" paragraph, we report, to the extent applicable, that:

a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors except for the matter stated in the paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

c. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

d. In our opinion, the aforesaid consolidated financial statements comply with the Ind AS specified under Section 133 of the Act.

e. On the basis of the written representations received from the directors of the Holding Company as on 31 March 2026 and 1 April 2025 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary Companies incorporated in India, none of the directors of the Group Companies incorporated in India is disqualified as on 31 March 2026 from being appointed as a director in terms of Section 164(2) of the Act.

f. the modification relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2A(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2B(f) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

g. With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company and its subsidiary companies incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".

B. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditor on separate financial statements of the subsidiaries, as noted in the "Other Matter" paragraph:

a. The consolidated financial statements disclose the impact of pending litigations as at 31 March 2026 on the consolidated financial position of the Group. Refer Note 36 to the consolidated financial statements.

b. Provision has been made in the consolidated financial statements, as required under the applicable law or Ind AS, for material foreseeable losses, on long-term contracts including derivative contracts. Refer Note 19 to the consolidated financial statements in respect of such items as it relates to the Group.

c. The following are the instances of delay in transferring amounts, to the Investor Education and Protection Fund by the Holding Company during the year ended 31 March 2026:

Annexure B to the Independent Auditor's Report on the Consolidated Financial Statements of Privi Speciality Chemicals Limited for the year ended 31 March 2026

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act

(Referred to in paragraph 2(A)(g) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

In conjunction with our audit of the consolidated financial statements of Privi Speciality Chemicals Limited (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2026, we have audited the internal financial controls with reference to financial statements of the Holding Company and such companies incorporated in India under the Act which are its subsidiary companies, as of that date.

In our opinion and based on the consideration of reports of the other auditor on internal financial controls with reference to financial statements of subsidiary companies, as were audited by the other auditor, the Holding Company and such companies incorporated in India which are its subsidiary companies, have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2026, based on the internal financial controls with reference to financial statements criteria established by the Holding Company considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the Guidance Note").

Management's and Board of Directors' Responsibilities for Internal Financial Controls

The respective Company's Management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the respective company/Company/Holding Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor

of the relevant subsidiary companies in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to 2 subsidiary companies, which is a company incorporated in India, is based on the corresponding report of the auditor of such companies incorporated in India.

Our opinion is not modified in respect of above matter.

2. Material accounting policies

This note provides a list of the material accounting policies adopted by the Group in the preparation of these Consolidated financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of Compliance

These Consolidated Financial Statements of the Group comprising the Balance Sheet as at March 31, 2026, Statement of Profit and Loss (including other comprehensive income), Statement of Changes in Equity, and Cash Flow Statement for the year ended March 31, 2026, and a summary of material accounting policies and other explanatory information have been prepared by the Group in accordance with the Indian Accounting Standards notified under Section 133 of the Companies Act, 2013 (the 'Act'), other relevant provisions of the Act and guidelines issued by the Securities and Exchange Board of India.

The consolidated financial statements were authorised for issue by the Company's Board of Directors at their meetings held on May 11, 2026.

i. Basis of preparation and Presentation

Basis of Preparation

The consolidated financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

(i) Derivative Financial Instruments measured at fair value. (refer note no 18)

(ii) Certain financial assets and liabilities measured at fair value (refer accounting policy regarding financial instruments)

(iii) Employee's Defined Benefit Plan as per actuarial valuation.

Fair value is the price that would be received to sell an asset or paid to transfer liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Group takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional & Presentation Currency

Items included in the financial statements of each of the Group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The consolidated financial statements are presented in Indian Rupee (₹), which is also the Company's functional. Currency and reporting currency of the Group. All values are rounded to the nearest lakh, unless otherwise stated.

ii. Principles of consolidation and equity accounting

The Consolidated Financial statements (CFS) include the financial statements of the Company and its subsidiaries. Subsidiaries are entities over which the group has control. The group controls an entity when the group is exposed to, or has rights to,

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases. The group combines the financial statements of the parent and its subsidiaries line by line by adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealised gains on transactions between group companies are eliminated.

These consolidated financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time and presentation requirements of Schedule III (Division II) to the Companies Act, 2013, as applicable to the consolidated financial statements.

The consolidated financial statements comprise the financial statements of Privi Speciality Chemicals Limited, the Parent Company, and its subsidiaries. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. The Group controls an investee if and only if the Group has: a) Power over the investee (i.e., existing rights that give it the current ability to direct the relevant activities of the investee) b) Exposure, or rights, to variable returns from its involvement with the investee, and c) The ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including: a) The contractual arrangement with the other vote holders of the investee b) Rights arising from other contractual arrangements c) The Group's voting rights and potential voting rights The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. The financial statements of the subsidiaries in the Group are added on a line-by-line basis and inter-company balances and transactions including unrealized gain/loss from such transactions, are eliminated upon consolidation. The consolidated financial statements are prepared by applying uniform accounting policies in use by the Group. An associate is an entity over which the Group has significant influence but not control or joint control over financial and operating policies. Investments in associates are accounted for using the equity method of accounting, after initially being recognized at cost. The aggregate of the Group's share of profit and loss of an associate is shown on the face of the consolidated statement of profit and loss.

Consolidation of subsidiary in which is not fully owned by the Parent Company is done line by line and profit/loss and each component of other comprehensive income or loss attributed to the owners of the company and to the non-controlling interest. Total comprehensive income or loss of subsidiaries is attributed to the owners of the Company and to the non-controlling interests even if this results in non-controlling interests having deficit balance.

iii. Use of estimates, judgements, and assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of income, expenses, assets and liabilities, Actual results may differ from these estimates and assumptions.

Estimate and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates are recognised prospectively.

The Group has identified the following areas where significant judgements, estimates and assumptions are required. Further information on each of these areas and how they impact the various accounting policies are described below and in the relevant notes to the financial statements. Changes in estimates are accounted for prospectively.

Judgements:

In the process of applying the Group's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements.

a. Lease term, whether the group is reasonably certain to exercise extension options Note 4 a

Assumptions and estimation uncertainties

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

Information about judgements in applying accounting policies, as well as estimates and assumptions that have the most significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

(a) Measurement of defined benefit obligations for key actuarial assumptions. - Note 33

(b) Recognition of deferred tax assets – Note 17.

(c) Useful Lives of Property, Plant and Equipment and Intangible Assets, Right of use assets: Note 3 and 4

(d) Recognition and Measurement of Provisions and Contingencies: Note 36

iv. Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

(a) it is expected to be realised in, or is intended for sale or consumption in, the Group's normal operating cycle.

(b) it is held primarily for the purpose of being traded.

(c) it is expected to be realised within 12 months after the balance sheet date; or

(d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the balance sheet date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

(a) it is expected to be settled in, the group's normal operating cycle.

(b) it is held primarily for the purpose of being traded.

(c) it is due to be settled within 12 months after the balance sheet date; or

(d) the group does not have an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Terms of a liability that could, at the option of the counter party, result in its settlement by issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

v. Property, Plant and Equipment ("PPE") and depreciation

I Recognition and Measurement

The cost of an item of property, plant and equipment shall be recognised as an asset if, and only if it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably.

Property, Plant and equipment are measured at cost including nonrefundable taxed and import duties, which also includes capitalized borrowing costs less accumulated depreciation and any accumulated impairment losses. Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. The Company's date of transition to the standards was determined with reference to its fair value at the date.

Depreciation on additions/ (disposals) is provided on a pro-rata basis i.e. from/ (upto) the date on which asset is ready for use/ (disposed off).

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

items (major components) of Property, Plant and equipment. Any Gain or loss on disposal of an item of Property, Plant and equipment is recognized in profit or loss.

II Subsequent Expenditure

Subsequent Expenditure is capitalized only if it is probable that the economic benefits flow to the associated with the Expenditure will flow to the entity.

Depreciation and amortization

Depreciation is calculated using the straight-line method to allocate cost of property plant and equipment, net of residual values, over their estimated useful lives as per the useful life prescribed in schedule II of the Companies Act, 2013 except in case of the following class of assets where the useful life is based on technical evaluation of the management:

Asset Class	Estimated useful life (in Years)	
	Useful life considered by the Group as per Schedule II / Technical Evaluation	Schedule II of the Companies Act, 2013
Building	33	30
Plant and Machinery	10	15
Electrical installation	10	10
Laboratory equipment's	10	10
Furniture & Fixtures	16	10
Office Equipment	10	5
Leasehold Improvement	15	15
Vehicle	10	8
Computer	6	6

Fixtures in leasehold premises are amortized over the primary period of the lease or useful life of the fixtures, whichever is lower.

Depreciation on additions / deletions during the year is provided from the month in which the asset is ready to use to the month in which the asset is disposed of.

The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets required under finance leases are depreciated over the shorter of the lease term and their useful lives (not being greater than the useful life envisaged in Schedule II of Companies Act, 2013) unless it is reasonably certain that group will obtain ownership by the end of lease term, in which case the depreciation rates applicable for similar assets owned by the group are applied.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other gains/ (losses).

vi. Intangible assets and amortisation

Intangible assets with finite useful life are stated at cost of acquisition, less accumulated depreciation/ amortisation and impairment loss, if any. Cost includes taxes, duties and other incidental expenses related to acquisition and other incidental expenses.

Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of respective intangible assets.

Asset Class	Years
Computers and Soft wares	3 to 6 Years
Rights of Sale of Products	5 Years
Development Rights/ Patents	5 Years

About internally generated intangible assets:

Expenditure on research activities, undertaken with the prospect of development of new products or gaining new technical knowledge and understanding, is recognised in profit or loss as incurred.

Capital expenditure on research and development is capitalized and depreciated as per accounting policy mentioned above. Revenue expenditure is charged off in the year in which it is incurred.

Development activities involve a plan or design for the production of new or substantially improved products or processes. Development expenditure is capitalised only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Group intends to and has sufficient resources to complete development and to use the asset. The expenditure capitalised includes the cost of materials, direct labour, overhead costs that are directly attributable to preparing the asset for its intended use, and directly attributable borrowing costs (in the same manner as in the case of tangible fixed assets). Other development expenditure is recognised in profit or loss as incurred.

vi. Intangible assets and amortization (continued)

Intangible assets are amortised in profit or loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit or loss when the asset is derecognised.

vii Impairment of Non-financial assets

At each reporting date, the Group reviews the carrying amounts of its non-financial assets (other than biological assets. investment property, inventories, contract a assets and deferred tax asset to determine whether there is any indication of impairment nt. If any such indication exists, then the asset's referable amount is estimated. Goodwill is tested annually for impairment.

For impairment testing, assets are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or CGUs. Goodwill arising from a business combination is allocated to CGUs or groups of CGUs that are expected to benefit from the synergies of the combination.

The recoverable amount of an asset or CGU is the greater of its value in use and its fair value Jess costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU.

An impairment loss is recognized if the carrying amount of an asset or CGU exceeds its Recoverable amount.

Impairment losses are recognized in profit or loss. They are allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets in the CGU on a pro rata basis.

An impairment loss in respect of goodwill is not reversed. For other assets, an impairment loss is reversed only to the extent that the asset's carrying a mount does not exceed the carrying amount that would have been determined, net of depreciation or amortization. if no impairment loss had been recognized.

viii. Borrowing costs

Borrowing costs are interest and other costs that the Group incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs include interest costs measured at EIR amortization of discounts, hedge related cost incurred in connection with foreign currency borrowings, ancillary costs incurred in connection with borrowing of funds and exchange differences arising from foreign currency borrowings (other than long term foreign currency borrowings) to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, allocated to qualifying assets, pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the date of capitalisation of such asset are added to the cost of the assets. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

All other borrowing costs are recognised as an expense in the period which they are incurred.

ix. Foreign currencies

Foreign currency transactions

Transactions in foreign currencies are translated into the functional currency at the exchange rate at the date of the transaction or an average rate if the average rate approximate the actual rate at the date of the transaction.

Monetary assets and liabilities denominated in foreign currencies are translated into the functional currency at the exchange rate at the reporting date. Non-monetary assets and liabilities that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

the dates of the initial transactions. Non-monetary item measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items who is fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

Exchange differences arising on settlement or translation of monetary items are recognised in profit or loss.

Foreign currency operation

The assets and liabilities of foreign operations are translated into Rupees, the functional currency of the Company, at the exchange rates at the reporting date. The income and expenses of foreign operations are translated using an average exchange rate if the average rate approximates the actual rate at the date of transaction. All resulting exchange differences recognised in other comprehensive income.

The cumulative amount of the exchange differences is presented in a separate component of equity until disposal of the foreign operation. When the exchange differences relate to a foreign operation that is consolidated but not wholly owned accumulated exchange differences arising from translation and attributable to non-controlling interests are allocated to, and recognised as part of, non-controlling interests in the consolidated balance sheet.

On the disposal of a foreign operation, the cumulative amount of the exchange differences relating to that foreign operation, recognised in other comprehensive income and accumulated in the separate component of equity, shall be reclassified from equity to profit and loss (as a reclassification adjustment) when the gain or loss on disposal is recognised.

x. Financial Instruments

a. Financial assets

Initial Recognition and Measurement

All financial assets are recognized initially at fair value, plus in the case of financial assets not recorded at fair value through profit or loss (FVTPL), transaction costs that are attributable to the acquisition of the financial asset, However, trade receivables that do not contain a significant financing component are measured at transaction price.

Classification and subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

Financial assets at amortised cost

A financial asset is classified as subsequently measured at the amortised cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

The losses arising from impairment are recognised in the profit or loss. This category generally applies to trade and other receivables.

Financial assets at fair value through Other Comprehensive Income ("FVTOCI")

A financial asset is classified as subsequently measured at fair value through Other Comprehensive Income if both the following conditions are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in other comprehensive income (OCI). However, the Group recognisers interest income, impairment losses & reversals and foreign exchange gain or loss in the P&L. On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified from equity to P&L. The Group did not have any financial assets at FVTOCI during the current year as well as previous year.

Financial assets at fair value through Profit and loss ("FVTPL")

Financial assets at FVTPL is a residual category for financial assets. Any financial assets which does not meet the criteria of categorizing it at amortised cost or at FVTOCI is classified as at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Group has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Group has transferred substantially all the risks

and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset but has transferred control of the asset.

- When the Group has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks

and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Group could be required to repay.

Impairment of Financial Assets

In view of its past experience of having insignificant impairment bad debts / write-offs and based on management's estimate considering its portfolio of customers, this trend would continue for the foreseeable future, the Group has determined that significant impairment of financial assets is not required to be recognised based on Expected Credit Loss model.

b. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at amortised cost and financial liabilities at FVTPL. Derivative liabilities are classified as FVTPL. All financial liabilities are recognised initially at fair value. The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVTPL

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognised in the profit or loss. Except derivative instruments, the Group has not designated any financial liability as at FVTPL.

Financial liabilities at amortised cost

All financial liabilities except for derivatives are classified as measured at amortised cost. This category includes bank and other borrowings, trade payables and other financial liabilities.

Notes to the Consolidated Financial Statements

(Currency: Indian Rupees in Lakhs)

De-recognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Offsetting of Financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Business Model Assessment

Financial assets -Business model assessment

The Group makes an assessment of the objective of the business model in which a financial asset is held at a portfolio level because this best reflects the way the business is managed, and information is provided to management. The information considered includes:

the stated policies and objectives for the portfolio and the operation of those policies in practice. These include whether management's strategy focuses on earning contractual interest income, maintaining a particular interest rate profile, matching the duration of the financial assets to the duration of any related liabilities, or expected cash outflows or realizing cash flows through the sale of the assets.

- how the performance of the portfolio is evaluated and reported to the Group's management.
- the risks that affect the performance of the business model (and the financial assets held within that business model) and how those risks are managed.
- how managers of the business are compensated- e.g., whether compensation is based on the fair value of the assets managed, or the contractual cash flows collected, and the frequency, volume and timing of sales of financial assets in prior periods, the reasons for such sales and expectations about future sales activity.

Transfers of financial assets to third parties in transactions that do not qualify for derecognition are not considered sales for this purpose, consistent with the Group's continuing recognition of the assets.

Financial Assets that are held for trading or are managed and whose performance I evaluated on a fair value basis are measured at FVTPL.

c. Derivatives

Initial recognition and subsequent measurement The Company uses derivative financial instruments, such as forward currency contracts, interest rate swaps and currency SWAPS, to hedge its foreign currency risks, interest rate risks and its long term loans, respectively.Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.The purchase contracts that meet the definition of a derivative under Ind-AS 109 are recognised in the Statement of Profit and Loss.

xi. Segment Reporting

An operating segment is a component of the Group that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Group's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Group's Chief Executive Officer (CEO) to make decisions about resources to be allocated to the segments and assess their performance.

The Chief Operational Decision Maker (CODM) monitors the operating results of its business Segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit and loss and is measured consistently with profit or loss in the consolidated financial statements. Operating segments have been identified on the basis of nature of products / services. The Accounting Policies adopted for segment reporting are in line with the Accounting Policies of the Group. Segment assets include all operating assets used by the business segments and consist principally of fixed assets, trade receivables and inventories. Segment liabilities include the operating liabilities that result from the operating activities of the business. Segment assets and liabilities that cannot be allocated between the segments are shown as part of unallocated corporate assets and liabilities respectively. Income / Expenses relating to the enterprise as a whole and not allocable on a reasonable basis to business segments are reflected as unallocated corporate income / expenses.

xii. Cash flows

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flow. The cash flows from operating, investing and financing activities of the Group are segregated based on available information.

xiii. Cash and Cash equivalents

Cash and cash equivalent in the balance sheet and for the statement cash flow comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Investment in subsidiary companies and joint venture companies are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments in subsidiary companies and joint venture companies, the difference between net disposal proceeds and the carrying amount are recognised in the statement of Profit and Loss

xiv. In subsidiaries and joint ventures

The Group reviews its carrying value of investments in subsidiaries annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for. Determining whether the investments in subsidiaries are impaired requires an estimate in the value in use of investments. The Management carries out impairment assessment for each investment by comparing the carrying value of each investment with the net worth of each Company based on audited financials, comparable market price and comparing the performance of the investee companies with projections used for valuations, in particular those relating to the cash flows, sales growth rate, pre-tax discount rate and growth rates used and approved business plans.

xiv. Lease as a lessee

The Group has adopted Ind AS 116 effective from April 1 2019 using modified retrospective approach. For the purpose of preparation of Consolidated Financial Information, management has evaluated the impact of change in accounting policies required due to adoption of Ind AS 116 in first year of applicability .

The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified assets, the Group assesses whether: (i) the contact involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

As a lessee, the Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement

date, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment. In addition,

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Group's incremental borrowing rate. Generally, the Group uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the fixed payments, including in-substance fixed payments.

The lease liability is measured at amortised cost using the effective interest method.

The Group has used number of practical expedients when applying Ind AS 116: - Short-term leases, leases of low-value assets and single discount rate.

The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets. The Group recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

The Group applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date.

The Group's leases mainly comprise land and buildings and Plant and equipment. The Group leases land and buildings for warehouse facilities. The Group also has leases for equipment.

xv. Inventories

Inventories include raw materials, packing materials, fuel, consumable stores and spares and manufactured inventory. Inventory is valued at the lower of cost and net realisable value.

Cost comprises the purchase price, costs of conversion and other related costs incurred in bringing the inventories to their present location and condition. Cost of raw materials, packing materials, fuel, consumable, stores and spares are determined on the basis of Periodic moving weighted average method. Cost of finished goods and work in progress are determined using the absorption costing principle. Cost includes the cost of material consumed, labour and appropriate proportion of costs of conversion which include variable and fixed overheads.

Obsolete, defective, and unserviceable inventories are duly provided for. The comparison of cost and net realisable value is made on an item-to-item basis. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale. The net realisable value of work in progress is determined by reference to the selling prices of related finished products.

xvi. Revenue Recognition

Revenue recognition Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer i.e. when the customer is able to direct the use of the transferred goods or rendering of services and obtains substantially.

All of the remaining benefits at an amount that reflects the consideration entitled in exchange for those goods or services. The policy of recognising the revenue is determined according to Ind AS 115 Revenue from contracts with customers.

Sale of Goods: Revenue is recognised upon transfer of control of promised goods to customers for an amount that reflects the consideration which the group expects to receive in exchange for those goods. Revenue from the sale of goods is recognised at the point in time when control is transferred to the customer which is usually on dispatch/ delivery of goods, based on contracts with the customers. Revenue is measured based on the transaction price, which is the consideration, adjusted for volume discounts, price concessions, incentives, and returns, if any, as specified in the contracts with the customers. Revenue excludes taxes collected from customers on behalf of the government. Accruals for discounts/incentives and returns are estimated (using the most likely method) based on accumulated experience and underlying schemes and agreements with customers. Due to the short nature of credit period given to customers, there is no financing component in the contract.

xvi. Revenue Recognition (continued)

Revenue towards satisfaction of a performance obligation is measured at the amount of transaction price (net of variable consideration) allocated to that performance obligation. The transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by the Group as part of the contract.

Interest

Interest revenue is calculated by using the effective interest method for financial assets measured at amortised cost.

Government grants

Government grants are not recognised until there is reasonable assurance that the group will comply with the conditions attached to them and that the grants will be received. Government grants are recognised in the statement profit or loss on a systematic basis over the periods in which the group recognises as expenses the related costs for which the grants are intended to compensate.
An export incentive is recognised in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of export made, and there is no uncertainty as to its receipt.

xvii. Employee Benefits

(a) Short Term Employee Benefits

Employee benefits payable wholly within twelve months of receiving employee services are classified as short-term employee benefits. These benefits include salaries and wages, bonus, ex-gratia etc. These are recognised as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

(b) Post-employment Benefits

(i) Provident Fund

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Group makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Group's contribution is recognised as an expense in the statement of profit and loss during the period in which the employee renders the related service.

(ii) Gratuity

The Group's gratuity benefit scheme is a defined benefit plan. The Group`s net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The calculation of the Group's obligation under the plan is performed annually by a qualified actuary using the projected unit credit method. Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the assets ceiling (if any, excluding interest), are recognised in OCI. All expenses related to defined benefit plan are recognised in employee benefits expense in the Statement of Profit and Loss.

(iii) Compensated Absences

The Group provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/ availment. The Group makes provision for compensated absences based on an independent external actuarial valuation carried out at the end of the year.

xviii. Taxation

Income tax expense comprises current tax and deferred tax charge or credit.

Current Income Tax

Provision for current tax is determined as the amount of tax payable in respect of taxable income for the year in accordance with the provisions of the Income Tax Act, 1961.Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the enacted or substantively enacted tax rates and tax laws.

Current tax is recognised in statement of profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current tax is

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

also recognised in other comprehensive income or directly in equity respectively.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

On March 30, 2019, MCA has issued amendment regarding the income tax Uncertainty over Income Tax Treatments. The notification clarifies the recognition and measurement requirements when there is uncertainty over income tax treatments. In assessing the uncertainty, an entity shall consider whether

it is probable that a taxation authority will accept the uncertain tax treatment. This notification is effective for annual reporting periods beginning on or after April 1, 2019. As per the Group's assessment, there are no material income tax uncertainties over income tax treatments.

Current tax assets and current tax liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority, but they intend to settle current tax liabilities and assets on a net basis, or their tax assets and liabilities will be realized simultaneously.

Current Tax is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Deferred Tax

Deferred tax is recognized in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in other comprehensive income or in equity. Deferred tax items are recognised in correlation to the underlying transaction either in OCI or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternative tax ('MAT') under the provisions of the Income tax Act, 1961 is recognized as current tax in the Statement of Profit and loss. The credit available under the Act in respect of MAT paid is recognized as an asset only when and to the extent it is probable that the Group will pay normal income tax during the year for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognized as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

xix. Earnings per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Group's earnings per share are the net profit for the year attributable to equity shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares, except where the results would be anti-dilutive.

xx. Provisions and contingent liabilities

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Provision in respect of loss contingencies relating to claims litigation, assessment, fines, penalties etc. are recognized when it is probable that a liability has been incurred, and the amount can be estimated reliably.

A contingent liability exists when there is a possible but not probable obligation, or a present obligation that may, probably will not, require an outflow of resources embodying economic benefits, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of outflow of resources is remote.

Contingent assets are neither recognized nor disclosed in the consolidated financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic resources embodying economic benefits will arise, related income are recognized in the year in which the change occurs.

xxi. Fair value measurement

The Group measures financial instruments, such as, derivatives at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

xxii. Recent accounting pronouncements: -

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

For the year ended March 31, 2026, MCA has notified Ind AS – 117 Insurance Contracts and amendments to Ind AS 116 – Leases, relating to sale and leaseback transactions, applicable to the Company w.e.f. April 1, 2024. The Company has reviewed the new pronouncements and based on its evaluation has determined that it does not have any significant impact in its Standalone financial statements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time.

(A) In May 2025, MCA further notified amendments to Ind AS 21 - The Effects of Changes in Foreign Exchange Rates, applicable w.e.f. April 1, 2025. The Company has reviewed the amendment and based on its evaluation has

Notes to the Consolidated Financial Statements
for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

determined that it does not have any impact in its financial statements.

(B) In August 2025, MCA notified the following amendments to:

(i) Ind AS 1, Presentation of Financial Statements, applicable w.e.f. April 1, 2025 – The amendment relates to classification of liabilities as current or non-current and non-current liabilities with covenants. In the context of classifying a liability as current, it removes the requirement of existence of a right to defer settlement for at least 12 months after the reporting date and instead requires that the said right should exist on the reporting date and have substance. The amendment also introduces guidance on classification of liabilities with covenants. The Company has no impact of these amendments in its classification criteria of current and non-current liabilities.

(ii) Ind AS 7, Statement of Cash Flows and Ind AS 107, Financial Instruments: Disclosures, applicable w.e.f. April 1, 2025 – The amendment in Ind AS 7 requires to inform users of financial statements of the existence of supplier finance arrangements and explain the nature of the arrangements, the carrying amount of liabilities and the range of payment due dates. Ind AS 107 has been amended to add supplier finance arrangements as a factor that may cause concentration of liquidity risk. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any significant impact in its financial statements.

(iii) Ind AS 12, International Tax Reform – Pillar Two Model Rules applicable immediately - The amendments provide a temporary mandatory relief from deferred tax accounting for top-up tax and disclose that they have applied the relief. The Company has reviewed the amendment and based on its evaluation has determined that it does not have any impact in its financial statements.

xxiii Equity shares

Equity shares Incremental costs directly attributable to the issue of equity shares are recognised as a deduction from equity. Income tax relating to transaction costs of an equity transaction is accounted for in accordance with Ind AS 12.

B Rights, preferences and restrictions attached to equity shares

The Holding company has a single class of equity shares. Accordingly, all equity shares rank equally with regards to dividends and share in the Holding company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll (not on show of hands) are in proportion to its share of the paid-up equity capital of the Holding company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid. Failure to pay any amount called up on shares may lead to forfeiture of the shares.

On winding up of the Holding company, the holders of equity shares will be entitled to receive the residual assets of the Holding company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has considered restructured compensation of its employees with effect from April 1, 2026, and assessed the impact of the changes, consistent with the Labour Codes, draft rules and FAQs. The Company has included such incremental impact₹389.75 Lakh in the "employee benefit expenses" in the Consolidated statement of profit and loss for the year ended March 31, 2026.

The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

Compensatory absences

The Group provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation. Amount of ₹280.11 lakhs (31 March, 2025 ₹454.98 lakhs) has been recognised in the Consolidated Statement of profit and loss on account of provision for long-term employment benefit.

34 Financial instruments

The Group has an established control framework with respect to the measurement of fair values.

This includes a management has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The management regularly reviews significant unobservable inputs and valuation adjustments. If third party information, such as broker quotes or pricing services, is used to measure fair values, then the internal valuation team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of the applicable financial reporting framework, including the level in the fair value hierarchy in which the valuations should be classified.

Significant valuation issues are reported to the Group's audit committee if any.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

b. The fair value of financial instruments as referred to in note (a) above have been classified into a three categories depending on the inputs used in the valuation technique.

The categories used are as follows:

Level 1 - Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

34 Financial instruments (Contd.)

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3 - Inputs for the assets or liabilities that are not based on observable market data (unobservable inputs).

There were no significant changes in classification of fair value of financial assets and financial liabilities. There were also no significant movements between the fair value hierarchy classifications.

c. Calculation of fair values

The fair values of the financial assets and liabilities are defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Methods and assumptions used to estimate the fair values are consistent with those used for the year ended March 31, 2026.

(i) The fair values of the derivative financial instruments has been determined using valuation techniques with market observable inputs. The models incorporate various inputs including the credit quality of counter-parties and foreign exchange forward rates. In case the forwards are taken from banks and financial institutions, the fair value is determined using quoted forward exchange rates at the reporting date and present value calculations based on high credit quality yield curves in the respective currencies by the bankers.

(ii) The fair values of investments in mutual fund units is based on the net asset value ('NAV') as stated by the issuers of these mutual fund units in the published statements as at Balance Sheet date. NAV represents the price at which the issuer will issue further units of mutual fund and the price at which issuers will redeem such units from the investors.

(iii) Loans, lease liabilities and borrowings have fair values that approximate to their carrying amounts as it is based on the net present value of the anticipated future cash flows using rates currently available for debt on similar terms, credit risk and remaining maturities.

(iv) Cash and cash equivalents, trade receivables, investments in term deposits, other financial assets (except derivative financial instruments), trade payables, and other financial liabilities (except derivative financial instruments) have fair values that approximate to their carrying amounts due to their short-term nature.

35 Financial risk management

The Group's Board of Directors has overall responsibility for the establishment and oversight of the Group's risk management framework. The Board of Directors has established the risk management committee, which is responsible for developing and monitoring the Group's risk management policies. The committee reports regularly to the board of Directors on its activities.

The Group's risk management are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and activities.

The Audit committee oversees how management monitors compliance with the Group's risk management policies and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group. The Audit committee is assisted in its oversight role by internal audit by external party.

The Group has exposure to the following risks arising from the financial instruments:

a. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counter-party fails to meet its contractual obligations and arises principally from the Group's receivables from customers. The carrying amount of financial assets represent the maximum credit exposure.

The Group's exposure to credit risk is influenced mainly by the individual characteristic of each customer. However, management also consider the factors that may influence the credit risk of its customer base. including the default risk associated with the industry and country in which Group operates.

(Currency: Indian Rupees in Lakhs)

35 Financial risk management (Contd.)

The Group analyses credit worthiness of each new customer individually before standard payment and delivery terms are offered. The Group is monitoring economic environment in countries where it operates and is taking actions to limit its exposure to customers in those countries experiencing particular economic volatility.

The Group's exposure to credit risk for trade receivables by geographic region was as follows

Particulars	As at March 31, 2026	As at March 31, 2025

The Group uses an allowance matrix to measure the expected credit loss of trade receivables. Based on the industry practices and the business environment in which the entity operates, Management considers that the trade receivables are in default (credit impaired) if the payments are more than 365 days past due.

Notes to the Consolidated Financial Statements

for the financial year ended March 31,2026

(Currency: Indian Rupees in Lakhs)

35 Financial risk management (Contd.)

Management believes that the unimpaired amounts that are past due by more than 30 days are still collectible in full, based on historical payment behaviour and extensive analysis of customer credit risk and the current provision for the bad debts represents the impacted credit loss it foresees in its receivables.

Financial assets other than trade receivables are not impaired and further, there are no amounts that are past due. Management believes that the amounts are collectible in full, based on historical payment behaviour.

b. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

The Group maintains the level of its cash and cash equivalents at an amount in excess of expected cash outflow on financial liabilities. The Group also monitors the level of expected cash inflows on trade and other receivables together with expected cash outflows on trade and other payables.

Exposure to liquidity risk:

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments and exclude the impact of netting agreements.

*The exposure disclosed here is net of currency swap taken by the Group

Currency exposure for borrowings is exclusive of Currency swap on HDFC Bank Rupee loan of ₹7,400 lakhs is taken @ 75.83 per USD which are classified as Indian currency loan.

The Group's corporate treasury function provides services to the business, co-ordinates access to domestic financial markets, monitors and manages the financial risk relating to the operation of the Group through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

The use of financial derivatives is governed by the Group's policies approved by the board of directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, etc.

The Group`s treasury function reports quarterly to the Group's risk management committee, an independent body that monitors risks and policies implemented to mitigate risk exposures.

35 Financial risk management (Contd.)

d. Sensitivity analysis

A reasonably possible strengthening (weakening) of the foreign currencies against INR at March 31, 2026 would have affected the measurement of financial instruments denominated in US dollars and affected equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Effect in Indian Rupees in lakhs	Profit before tax		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
March 31, 2026				
USD (3 % movement)	1,192.47	(1,192.47)	892.33	(892.33)
EUR (3 % movement)	30.74	(30.74)	23.00	(23.00)
	1,223.21	**(1,223.21)**	**915.33**	**(915.33)**

Effect in Indian Rupees in lakhs	Profit before tax		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
March 31, 2025				
USD (3 % movement)	203.62	(203.62)	152.37	(152.37)
EUR (3 % movement)	(33.43)	33.43	(25.02)	25.02
	170.19	**(170.19)**	**127.35**	**(127.35)**

e. Interest risk

The group is exposed primarily to fluctuation in USD SOFR rates. Interest rate risk on financial debt is managed through interest rate swaps.

The interest rate profile of the Group`s interest-bearing financial instruments is as follows :

Particulars	March 31, 2026	March 31, 2025
Fixed-rate instruments*		
Financial assets (bank deposits)	5,500.42	3,464.97
Financial liabilities (borrowings)	23,200.00	23,200.00
Variable-rate instruments		
Financial liabilities (borrowings)*	77,789.29	89,069.17
Total borrowings	**28,700.42**	**26,664.97**

*Effect of interest rate swaps is disclosed in Note 14 a .

Financial assets classified at amortised cost have fixed interest rate. Hence, the group is not subject to interest rate risk on such financial assets.

Cash flow sensitivity analysis for variable-rate instruments

A reasonably possible change of 100 basis points in interest rates at the reporting date would have increased (decreased) equity and profit or loss by the amounts shown below. This analysis assumes that all other variables, in particular foreign currency exchange rates, remain constant.

	Profit or loss		Equity, net of tax	
	100 bp increase	100 bp decrease	100 bp increase	100 bp decrease
March 31, 2026				
Variable-rate instruments	777.89	(777.89)	582.10	(582.10)

39 Transfer Pricing

Transactions with related parties are governed by transfer pricing regulations of the Indian Income-tax Act, 1961. The Holding Company's international and domestic transactions with related parties are at arm's length as per the independent accountants report for the year ended March 31, 2025. Management believes that the Company's international and domestic transactions with related parties post March 2025 continue to be at arm's length and that the transfer pricing legislation will not have any impact on the financial statements, particularly on the amount of tax expense and that of provision for taxation.

Explanatory Statement pursuant to Section 102(1) of the Companies Act, 2013 read together with Regulation 17(11) of the SEBI Listing Regulations ('As amended')

The following Statement sets out all material facts, rationale and recommendation of the Board relating to the Business set out in Item Nos. 4 and 5 of the accompanying Notice.

Item No. 4:

The Board of Directors, on the recommendation of the Audit Committee, have approved the appointment and remuneration of M/s. Kishore Bhatia & Associates, Cost Accountants (Firm Registration No.: 00294) as Cost Auditors to conduct the audit of the cost records of the Company for the Financial Year ending March 31, 2027, at a remuneration of ₹ 9,00,000/- (Rupees Nine Lakhs Only) plus applicable taxes and reimbursement of out-of-pocket expenses incurred in connection with the audit.

Pursuant to the provisions of Section 148 of the Companies Act, 2013 ('the Act') read with the Companies (Cost Records and Audit) Rules, 2014 as amended from time to time, the Company is required to have the audit of its cost records maintained by the Company, by a Cost Accountant. Further, in accordance with the provisions of Section 148(3) of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration, as approved by the Board of Directors on the recommendation of Audit Committee, payable to the Cost Auditor has to be ratified by the Members of the Company.

Accordingly, the consent of the Members is sought by way of an Ordinary Resolution as set out at Item No. 4 of the Notice for ratification of the remuneration payable to the Cost Auditor for the Financial Year ending March 31, 2027.

Your Board recommends the resolution as set out at Item No. 4 of the notice for approval of the Members of the Company as an Ordinary Resolution.

None of the Directors and/or Key Managerial Personnel of the Company or their relatives are in any way concerned or interested, financially or otherwise, in the resolution set out at Item No. 4 of the Notice.

Item No. 5:

He is also not disqualified from being appointed as Director in terms of Section 164 of the Act. He is not debarred from holding the office of Director by virtue of any order passed by the Securities and Exchange Board of India or any other such authority pursuant to BSE Circular No.LIST/COMP/14/2018-19 and NSE Circular No. NSE/CML/2018/24, both dated June 20, 2018.

Having regard to the qualifications, experience and knowledge, the Board is of the view that the re-appointment of Mr. Bhaktavatsala Rao Doppalapudi as an Executive (Whole-time) Director will be beneficial to the functioning and future growth opportunities of the Company and the remuneration payable to him is commensurate with his abilities and experience. Further, the Company seeks consent of the members under the provisions of Section 196(3)(a) of the Act by way of special resolution for continuation of his holding the

existing office, as he has attained the age of 80 years on the terms and conditions as stated above.

The Board of Directors of the Company based on the recommendation of NRC in their meeting held on May 11, 2026 approved and recommended for payment of total managerial remuneration not exceeding the remuneration as mentioned in the said resolution, with effect from August 13, 2026 to August 12, 2029 (both days inclusive) in terms of Section 197, 198, Schedule V and any other applicable provisions of the Act for the aforesaid period. Further, consent of the members is required pursuant to the provisions of Section 197(3) of the Act by way of special resolution for payment of remuneration as mentioned above.

Further, pursuant to the amended provisions of Regulation 23 of Listing Regulations vide SEBI Notification dated December 12, 2024, the Audit Committee at its meeting held on May 11, 2026, approved the remuneration payable to Mr. Bhaktavatsala Rao Doppalapudi (DIN: 00356218) as an Executive (Whole-time) Director for a period of 3 (Three) consecutive years, subject to the approval of the members of the Company. The said approval was granted in accordance with Regulation 23(2)(e) of Listing Regulations.

Further, the management has provided the Audit Committee with the relevant details of the proposed remuneration payable to Mr. Bhaktavatsala Rao Doppalapudi and the Audit Committee has reviewed and granted its approval. The details including the information required to be disclosed in the Explanatory Statement pursuant to the SEBI Master Circular dated January 30, 2026 is enclosed as 'Annexure-A' for the review of members of the Company.

Additional information as per Schedule V to the Act is annexed to this Notice as 'Annexure-B'.

Relevant details relating to re-appointment of Mr. Bhaktavatsala Rao Doppalapudi, as required under the Act, the Listing Regulations and SS-2 issued by the ICSI are provided in the 'Annexure-C' to this Notice.

The above may be treated as a written memorandum setting out the terms of the re-appointment of Mr. Bhaktavatsala Rao Doppalapudi under Section 190 of the Act.

Pursuant to provisions of Section 196 read with Schedule V of the Act, the appointment of person who has attained the age of 70 (Seventy) years shall be approved by way of special resolution. Mr. Bhaktavatsala Rao Doppalapudi has attained the age of 80 (Eighty) years and hence, his re-appointment requires the approval of the members at the AGM by way of Special Resolution.

Accordingly, the Board recommends the Resolution set out at Item No. 5 of the Notice in relation to the re-appointment of Mr. Bhaktavatsala Rao Doppalapudi as an Executive (Whole-time) Director and the remuneration payable to him for a period of 3 (Three) consecutive years with effect from August 13, 2026, to August 12, 2029, (both days inclusive) for the approval of the Members by way of Special Resolution.

Except for Mr. Bhaktavatsala Rao Doppalapudi and his relatives, none of the Directors or Key Managerial Personnel ('KMP') of the Company and their relatives are concerned or interested, financially or otherwise, in the resolution set out at Item No. 5 of the Notice.

AUDITOR'S REPORT

To the Members of PRIVI FINE SCIENCES PRIVATE LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **PRIVI FINE SCIENCES PRIVATE LIMITED** ("the Company"), which comprise the standalone balance sheet as at 31st March 2026, and the standalone statement of profit and loss and the standalone cash flow statement for the year then ended, and notes to the standalone Accounting Standards financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone financial statements')..

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical

requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at 31st March 2026, and its loss and its cash flows for the year ended on that date.

Privi Fine Sciences Private Limited

Annexure B to the Independent Auditors' report - 31 March 2026

(Referred to in paragraph A (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Privi Fine Sciences Private Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls were operating effectively as at 31 March, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note').

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as 'the Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

Privi Fine Sciences Private Limited

Annexure B to the Independent Auditors' Report (Continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Notes to the financial statements *(Continued)*

for the period from 01 April 2025 to 31 March 2026

(Currency: Indian Rupees in Lakhs)

1 Company overview

Privi Fine Sciences Pvt. Ltd. ("Privi" or "the Company") is a manufacturer, exporter, and trader in Specialty chemicals and other chemical products having presence in Maharahtra & Gujarat State. The unit located at Lote Parshuram MIDC, Dist.- Ratnagiri in Maharashtra commenced it's manufacturing operations from 30th September, 2023 at factory located at Plot No. C-39 & C-39 (Part), MIDC Lote, Tq.-Khed, Dist.- Ratnagiri.

The unit located at Jhagadia, Dist.Bharuch in the state of Gujarat has acquired land during the year 2022-23 for the purpose of manufacturing additional products in the aroma chemicals space. It is in the process of acquiring various statutory permissions from regulatory authorities to start the construction of the project for manufacture of the products using the green technology.

2 Significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.1 Basis of preparation of financial statements

The financial statements have been prepared and presented under the historical cost convention on an accrual basis of accounting and in accordance with the accounting principles generally accepted in India and comply with the accounting standards referred in the Companies (Accounting Standards) Rules, 2006 which continue to apply under section 133 of the Companies Act, 2013 read with Rule 7 of the Companies (Account) Rules, 2014 and other relevant provision of the Companies Act, 1956 to the extent applicable. The financial statements are prepared on the Historical Cost basis and on the principles of a going concern.

2.2 Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles (GAAP) in India requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, and the disclosure of contingent liabilities on the date of the financial statements. Actual results could differ from those estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Any revision to accounting estimates is recognized prospectively in current and future periods.

E.E. SITABKHAN & CO. MUMBAI Chartered Accountants

PRIVI FINE SCIENCES PRIVATE LIMITED REGD. OFFICE Navi Mumbai - 400709

2.3 Current and non-current classification

Schedule III to the Companies Act, 2013 requires assets and liabilities to be classified as either Current or Non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

(a) it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;

(b) it is held primarily for the purpose of being traded;

(c) it is expected to be realised within 12 months after the reporting date; or

(d) it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

(a) it is expected to be settled in the company's normal operating cycle;

(b) it is held primarily for the purpose of being traded;

(c) it is due to be settled within 12 months after the reporting date; or

(d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents and is 12 months for the Company.

2.4 Inventories

Inventories which comprise Raw material, packing material, stock-in-trade, stores and spares, and work-in-process are carried at a lower of cost and net realizable value. Costs include purchase price (net of refundable taxes and levies) and other costs incurred in bringing the inventories to their present location and condition. The closing stock of finished goods is valued at cost or net realizable value, whichever is lower.

E.E. SITABKHAN & CO. MUMBAI Chartered Accountants

PRIVI FINE SCIENCES PRIVATE LIMITED REGD. OFFICE Navi Mumbai - 400709

2.5 (i)Revenue Recognition

Revenue from the sale of goods in the course of ordinary activities is recognized when property in the goods or all significant risks and rewards of their ownership is transferred to the customer and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of the goods and regarding its collection.

(ii) Government grants

Government grants are not recognised until there is reasonable assurance that the Company will comply with the conditions attached to them and that the grants will be received. Government grants are recognised in the statement profit or loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

An export incentive is recognised in the statement of profit and loss when the right to receive credit as per the terms of the scheme is established in respect of export made, and there is no uncertainty as to its receipt

2.6 Fixed Asset

Tangible assets are stated at cost less accumulated depreciation and net of impairment if any. The cost of an asset comprises its purchase price (net of taxes if any) and the directly attributable cost of bringing an asset to working condition for its intended use.

Leasehold land is amortized at a rate, which will reduce the lease amount to "Nil" at the expiry of the remaining period of the lease.

Depreciation is provided on the Straight line method at the rate specified in Schedule II and provisions made therein, of the Companies Act, 2013 on the Original Cost of the assets. The rate of depreciation is charged per triple shift of work. Asset costs individually depreciated up to 95% of the cost of each individual asset only.

2.7 (i) Depreciation and Amortization

Depreciation is calculated using the straight-line method to calculate the cost of Property Plant and equipment net of residual values, over their estimated useful lives as per the useful lives prescribed in Schedule II of the Companies Act, 2013 except in the case of the following class of assets where useful life is based on technical evaluation of the management:

Asset Class	Useful life Considered
Factory Building	30 Years
Plant & Machinery	10 Years
Furniture & Fixtures	16 Years
Office Equipment	10 Years
Computers	6 Years
Vehicle	10 Years

Depreciation on additions/ deletions during the year is provided from the month in which the asset is capitalized up to the month in which the asset is disposed off.

E.E. SITABKHAN & CO. MUMBAI Chartered Accountants

PRIVI FINE SCIENCES PRIVATE LIMITED REGD. OFFICE Navi Mumbai - 400709

The estimated useful lives, residual values, and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

(ii) Intangible assets & Amortization

Amortisation is recognised in profit or loss on a straight-line basis over the estimated useful lives of respective intangible assets.

2.8 Retirement Benefits

Provident Fund: Provident Fund contributions are made to the Government Provident Fund Authority

Gratuity: The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The calculation of the Company's obligation under the plan is performed annually by a qualified actuary using the projected unit credit method. All expenses related to the defined benefit plan are recognized in employee benefits expense in the Statement of Profit and Loss.

Compensated Absences: The Company provides for encashment of leave or leaves with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/ availment. The Company makes provision for compensated absences based on an independent external actuarial valuation carried out at the end of the year.

2.9 Provisions and contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are recognized at the best estimate of the expenditure required to settle the present obligation at the balance sheet date. The provisions are measured on an undiscounted basis.

A contingent liability exists when there is a possible but not probable obligation or a present obligation that may, but probably will not, require an outflow of resources, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of an outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic benefits will arise, the asset and related income are recognized in the period in which the change occurs.

2.10 Taxes on Income

Current Tax:- Provision for Income Tax is determined in accordance with the provision of the Income Tax Act 1961.

Deferred Taxation: Income tax expense comprised current tax and deferred tax charge or release. The deferred tax charge or credit is recognized using current tax rates. Deferred tax assets are recognized only if there is virtual certainty of realization of such amounts.

E.E. SITABKHAN & CO. MUMBAI Chartered Accountants

PRIVI FINE SCIENCES PRIVATE LIMITED REGD. OFFICE Navi Mumbai - 400709

2.11 Earnings per share ('EPS')

Basic EPS is computed using the weighted average number of equity shares outstanding during the year. Diluted EPS is computed using the weighted average number of equity and dilutive equity equivalent shares outstanding during the year except where the results would be anti-dilutive.

2.12 Cash and cash equivalent

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of changes in value.

27 *Employee benefits - Post-employment benefit plans*

a) Defined contribution plans

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Super annuation fund and ESI which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to statement of profit and loss as they accrue.

The Company has recognised the following amount as an expense and included in the Note 21 under "Contribution to provident & other funds":

	Year ended 31st March, 2026	Year ended 31st March 2025

	As at 31st March, 2026	As At 31st March,2025
Goods & Service Tax	91.68	-
The Demand of Rs.91.68 lakhs (Rs.NIL 31st March, 2025) was raised by Goods & Service Tax authorities (GST). Out of the said amount Rs. 9.17 lakhs paid under Protest & appeal has been filed with the appellate authorities. The balance Rs.82.51 lakhs is unpaid as on 31st March, 2026.		

30 *Note on New Labour Code:*

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has considered restructured compensation of its employees with effect from April 1, 2026, and assessed the impact of the changes, consistent with the Labour Codes, draft rules and FAQs. The Company has included such incremental impact Rs.4.16 Lakhs in the "employee benefit expenses" in the statement of profit and loss for the year ended March 31, 2026.
The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

31 *Note on scheme of Arrangement & Amalgamation*

At its meeting held on 19th December, 2026 the board approved the composite scheme of Arrangement & Amalgamation among Privi Fine Sciences Pvt. Ltd.(PFSPL) & the related entity Privi Speciality Chemcials Ltd.(PSCL) & it's wholly owned subsidiary Privi Biotechnologoes Pvt. Ltd. (PBPL) together with their respective shareholders pursuant to the provisions of sections 230 to 232 read with sections 61 & 66 of the companies Act 2013. The scheme inter alia provides for the amalgamation of PFSPL & PBPL with PSCL. The scheme is subject to the receipt of all requisite statutory & regulatory approvals.

32 *CSR activities*

As per Section 135 of the Companies Act, 2013, the Company has constituted a Corporate Social Responsibility (CSR) Committee. The total amount spent by the Company on CSR activities during the year is Rs. Nil (FY 2024-25: NIL), as the company incurred, a loss during the year.

INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Privi Biotechnologies Private Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of Privi Biotechnologies Private Limited ('the Company'), which comprise the standalone balance sheet as at 31st March 2026, and the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone cash flow statement for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2026, its Loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

INDEPENDENT AUDITORS' REPORT (Continued)
Privi Biotechnologies Private Limited

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act, for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the standalone financial statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

INDEPENDENT AUDITORS' REPORT (Continued)
Privi Biotechnologies Private Limited

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditors' Report) Order, 2016 ('the Order') issued by the Central Government in terms of Section 143 (11) of the Act, we give in the 'Annexure A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The standalone balance Sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone cash flow statement dealt with by this report are in agreement with the books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on 31st March 2026 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2026 from being appointed as a director in terms of Section 164(2) of the Act: and

f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer our separate Report in 'Annexure B'.

Privi Biotechnologies Private Limited

Annexure B to the Independent Auditors' report - 31 March 2026

(Referred to in paragraph A (f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Opinion

We have audited the internal financial controls with reference to financial statements of Privi Biotechnologies Private Limited ("the Company") as of 31 March 2026 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls were operating effectively as at 31 March, 2026, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note').

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as 'the Act').

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

Privi Biotechnologies Private Limited

Annexure B to the Independent Auditors' Report (Continued)

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial controls with Reference to financial statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

1 Corporate Information

Privi Biotechnologies Private Limited (The Company) is incorporated on September 20, 1985, under the provision of the companies act 2013. The Company is a 100% subsidiary of Privi Specialty Chemicals Limited.

The Company's Pilot Plant is located at Nerul, Navi Mumbai, Maharashtra, and its Registered office is situated at Koparkhairne. Navi Mumbai, Maharashtra

2 Significant accounting policies

Statement of Compliance

These standalone financial statements (hereinafter referred to as "financial statements") are prepared in accordance with the Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Companies Act, 2013 ("the Act''), amendments thereto and other relevant provisions of the Act. The standalone financial statements of the Company were approved for issue in accordance with the resolution of the Board of Directors on April 20, 2023.

i. Basis of Preparation

The standalone financial statements have been prepared on a historical cost basis, except for the following assets and liabilities:

(i) Derivative Financial Instruments measured at fair value.
(ii) Certain financial assets and liabilities measured at fair value (refer to accounting policy regarding financial instruments)
(iii) Employee's Defined Benefit Plan as per actuarial valuation.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company considers the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

Functional and Presentation Currency

The financial statements are presented in Indian Rupees, which is the functional currency of the Company and the currency of the primary economic environment in which the Company operates.

2 Significant accounting policies (Continued)

ii. Use of estimates

The preparation of financial statements requires management to make judgments, estimates, and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, and expenses. Actual results may differ from these estimates. Estimates and judgments are continuously evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future period affected.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

(a) Measurement of defined benefit obligations for any actuarial assumption
(b) Recognition of deferred tax assets

iii. Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

(a) it is expected to be realized in, or is intended for sale or consumption in, the company's normal operating cycle;

(b) it is held primarily for the purpose of being traded;

(c) it is expected to be realized within 12 months after the balance sheet date; or

(d) it is cash or a cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the balance sheet date.

Current assets include the current portion of non-current financial assets.

All other assets are classified as non-current

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

(a) it is expected to be settled in, the company's normal operating cycle.

(b) it is held primarily for the purpose of being traded.

(c) it is due to be settled within 12 months after the balance sheet date; or

iii. Current and non-current classification (Continued)

(d) the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the balance sheet date.

Terms of a liability that could, at the option of the counter party, result in its settlement by issue of equity instruments do not affect its classification. Current liabilities include current portion of non-current financial liabilities.

All other liabilities are classified as non-current.

Operating cycle

Operating cycle is the time between the acquisition of assets for processing and their realization in cash or cash equivalents.

iv. Property, Plant, and Equipment ("PPE") and depreciation

Freehold land is carried at historical cost. All other items of property, plant, and equipment are stated at historical cost, less accumulated depreciation/amortization and impairments, if any. Historical costs include taxes, duties, freight, and other incidental expenses related to acquisition and installation. Indirect expenses during the construction period, which are required to bring the asset in the condition for its intended use by the management and are directly attributable to bringing the asset to its position, are also capitalized.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably.

If significant parts of an item of PPE have different useful lives, then they are accounted for as separate items (major components) of PPE.

Material items such as spare parts, stand-by equipment and service equipment are classified as PPE when they meet the definition of PPE as specified in Ind AS 16 – Property, Plant and Equipment.

The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Statement of Profit and Loss.

2 Significant accounting policies (Continued)

iv. Property, Plant, and Equipment ("PPE") and depreciation (Continued)

Depreciation and amortization

Depreciation is calculated using the straight-line method to allocate the cost of property plant equipment, net of residual values, over their estimated useful lives as per the useful life prescribed in schedule II of the Companies Act, 2013 except in the case of the following class of assets where the useful life is based on technical evaluation of the management:

Asset Class	Years
Plant and Machinery	10
Furniture & Fixtures	16
Electrical Installation	10
Office Equipment	10
Computer	6

Fixtures in leasehold premises are amortized over the primary period of the lease or the useful life of the fixtures, whichever is lower.

Depreciation on additions/deletions during the year is provided from the month in which the asset is capitalized up to the month in which the asset is disposed of.

The estimated useful lives, residual values, and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Assets required under finance leases are depreciated over the shorter of the lease term and their useful lives (not being greater than the useful life envisaged in Schedule II of the Companies Act, 2013) unless it is reasonably certain that the company will obtain ownership by the end of lease term, in which case the depreciation rates applicable for similar assets owned by the company are applied.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amounts. These are included in profit or loss within other gains/(losses).

v. Intangible assets and amortization

Intangible assets with finite useful life are stated at the cost of acquisition, less accumulated depreciation/ amortization, and impairment loss, if any. Cost includes taxes, duties, and other incidental expenses related to the acquisition and other incidental expenses.

v. Intangible assets and amortization (Continued)

Amortization is recognized in profit or loss on a straight-line basis over the estimated useful lives of respective intangible assets.

Asset Class	Years
Patent	5 Years
Computer & Software's	5 Years

Regarding internally generated intangible assets:

Expenditure on research activities, undertaken with the prospect of developing new products or gaining new technical knowledge and understanding, is recognized in profit or loss as incurred.

Capital expenditure on research and development is capitalized and depreciated as per the accounting policy mentioned above. Revenue expenditure is charged off in the year in which it is incurred.

Development activities involve a plan or design for the production of new or substantially improved products or processes. Development expenditure is capitalized only if development costs can be measured reliably, the product or process is technically and commercially feasible, future economic benefits are probable, and the Company intends to and has sufficient resources to complete development and to use the asset. The expenditure capitalized includes the cost of materials, direct labor, overhead costs that are directly attributable to preparing the asset for its intended use, and directly attributable borrowing costs (in the same manner as in the case of tangible fixed assets). Another development expenditure is recognized in profit or loss as incurred.

Intangible assets are amortized in profit or loss over their estimated useful lives, from the date that they are available for use based on the expected pattern of consumption of economic benefits of the asset.

Gains or losses arising from the recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is derecognized.

Research and Development:

Capital expenditure on research and development is capitalized and depreciated as per the accounting policy mentioned in para h and I above. Revenue expenditure is charged off in the year in which it is incurred.

Gains or losses arising from the de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is de-recognized.

The useful life of intangible assets of the company comprising of Patents & Know-how, Licenses & Certificates, and Software are considered finite and estimated at five years.

2 Significant accounting policies (Continued)

vi. Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset or a group of assets (cash-generating unit) may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset or a group of assets.

The recoverable amount of an asset or CGU is greater than its value in use and its net selling price. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset or CGU. If the recoverable amount of the asset or the recoverable amount of the cash-generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognized in the Statement of profit and loss. If at the

balance sheet date there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed, and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

vii. Inventories

Inventories that comprise Raw material, packing material, stores, and spares stock-in-trade, and work-in-process are carried at a lower cost and net realizable value. Costs are determined on a periodic unit price basis.

Costs include purchase price (net of refundable taxes and levies) and other costs incurred in bringing the inventories to their present location and condition. The closing stock of finished goods is valued at estimated cost or net realizable value, whichever is lower. The net realizable value of work in progress is determined by reference to the selling prices of related finished products.

Obsolete, defective, and unserviceable inventories are duly provided for. The comparison of cost and net realizable value is made on an item-to-item basis. Net realizable value is the estimated selling price in the ordinary course of business, less the estimated cost of completion and the estimated costs necessary to make the sale.

viii. Revenue Recognition

Revenue from the sale of services is recognized on the basis of approved contracts regarding the transfer of services to a customer as per agreed terms of service, recovery of consideration is probable, the associated costs and possible return of services can be estimated reliably, there is no continuing effective control over or managerial involvement with the services, for an amount that reflects the consideration to which the entity expects to be entitled to in exchange for those services. Revenue from the service is measured at the fair value of the consideration received or receivable, net of return of discounts and rebates, and Goods and Service tax. The Company does not provide any warranties or maintenance contracts to its customers.

2 Significant accounting policies (Continued)

viii. Revenue Recognition (Continued)

Significant financing component - Generally, the Company receives short-term advances from its customers. Using the practical expedient in Ind AS 115, the Company does not adjust the promised amount of consideration for the effects of a significant financing component if it expects, at contract inception, that the period between the transfer of the promised good or service to the customer and when the customer pays for that good or service will be one year or less.

Interest

Interest revenue is calculated by using the effective interest method for financial assets measured at amortized cost.

Dividend Income

Dividend income is recognized when the right to receive payment is established.

ix. Borrowing costs

Borrowing costs are interest and other costs that the Group incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing. Borrowing costs include interest costs measured at EIR and exchange differences arising from foreign currency borrowings (other than long-term foreign currency borrowings) to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, allocated to qualifying assets, pertaining to the period from commencement of activities relating to construction/development of the qualifying asset up to the date of capitalization of such asset are added to the cost of the assets. Capitalization of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

All other borrowing costs are recognized as an expense in the period in which they are incurred.

x. Financial Instruments

a. Financial assets

Initial recognition and initial measurement

All financial assets are initially recognized at fair value plus, for an item not at fair value through profit or loss, transaction costs that are directly attributable to its acquisition or issue.

Classification and subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

E.E. SITABKHAN & CO. MUMBAI Chartered Accountants

Privi Biotechnologies Private Limited

Notes to financial statements *(Continued)*

for the financial year ended 31 March 2026

(Currency: Indian Rupees in Lakhs)

3 Significant accounting policies (Continued)

x. Financial Instruments (Continued)

Financial assets at amortized cost

A financial asset is classified as subsequently measured at the amortized cost if both the following conditions are met:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

The losses arising from impairment are recognized in the profit or loss. This category generally applies to trade and other receivables.

Financial assets at fair value through Other Comprehensive Income ("FVTOCI")

A financial asset is classified as subsequently measured at fair value through Other Comprehensive Income if both the following conditions are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets, and
- Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in other comprehensive income (OCI). However, the Company recognizes interest income, impairment losses & reversals, and foreign exchange gain or loss in the P&L. On de-recognition of the asset, cumulative gain or loss previously recognized in OCI is reclassified from equity to P&L. The company did not have any financial assets at FVTOCI during the current year as well as the previous year.

Financial assets at fair value through Profit and loss ("FVTPL")

Financial assets at FVTPL are a residual category for financial assets. Any financial asset which does not meet the criteria of categorizing it at amortized cost or at FVTOCI is classified as at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognized in the P&L.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

Privi Biotechnologies Private Limited

Significant accounting policies (Continued)

x. Financial Instruments (Continued)

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset nor transferred control of the asset,

the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of Financial Assets

In view of its past experience of having no bad debts/write-offs during the past two years and based on management's estimate that this trend would continue for the foreseeable future, the Company has determined that no impairment of Financial assets is required to be recognized based on Expected Credit Loss model.

b. Financial liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at amortized cost and financial liabilities at FVTPL. Derivative liabilities are classified as FVTPL. All financial liabilities are recognized initially at fair value. The Company's financial liabilities include trade and other payables, loans, and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at FVTPL

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes

derivative financial instruments entered into by the Company that is not designated as hedging instruments in hedge relationships as defined by Ind AS 109.

Gains or losses on liabilities held for trading are recognized in the profit or loss. Except for derivative instruments, the Company has not designated any financial liability at FVTPL.

x. Financial Instruments (Continued)

Financial liabilities at amortized cost

All financial liabilities except for derivatives are classified as measured at amortized cost. This category includes bank and other borrowings, trade payables, and other financial liabilities.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

c. Offsetting of Financial instruments

Financial assets and financial liabilities are offset, and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

xi. Cash and Cash equivalents

Cash and cash equivalent in the balance sheet and for the statement cash flow comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

Interest

Interest revenue is calculated by using the effective interest method for financial assets measured at amortized cost.

xii. Government grants

Grants from the government are recognized at their fair value where there is a reasonable assurance that the grant will be received, and the company will comply with all attached conditions.

Government grants relating to income are deferred and recognized in the profit or loss over the period necessary to match them with the costs that they are intended to compensate and reduce from the corresponding cost.

xii. Government grants (Continued)

Income from export incentives such as a premium on the sale of import licenses, duty drawback, etc. is recognized on an accrual basis to the extent the ultimate realization is reasonably certain.

Government grants relating to the purchase of property, plant, and equipment are included in non-current liabilities as deferred income and are credited to profit or loss on a straight-line basis over the expected lives of the related assets and presented within other operating income.

xiii. Employee Benefits

(a) Short-Term Employee Benefits

Employee benefits are payable wholly within twelve months of receiving employees' services and are classified as short-term employee benefits. These benefits include salaries and wages, bonuses, ex-gratia, etc. These are recognized as an expense at an undiscounted amount in the Statement of Profit and Loss of the year in which the related service is rendered.

(b) Post-employment Benefits

(i) Provident Fund

A defined contribution plan is a post-employment benefit plan under which an entity pays specified contributions to a separate entity and has no obligation to pay any further amounts. The Company makes specified monthly contributions towards employee provident fund to Government administered provident fund scheme which is a defined contribution plan. The Company's contribution is recognized as an expense in the statement of profit and loss during the period in which the employee renders the related.

(ii) Gratuity

The Company's gratuity benefit scheme is a defined benefit plan. The Company's net obligation in respect of a defined benefit plan is calculated by estimating the amount of future benefit that employees have earned in return for their service in the current and prior periods; that benefit is discounted to determine its present value. The calculation of the Company's obligation under the plan is performed annually by a qualified actuary using the projected unit credit method. The Company recognizes all actuarial gains and losses arising from the defined benefit plan immediately in the Statement of Profit and Loss. All expenses related to the defined benefit plan are recognized in employee benefits expense in the Statement of Profit and Loss.

xiii. Employee Benefits (Continued)

(iii) Compensated Absences

The Company provides for encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits for future encashment/availment. The Company makes provisions for compensated absences based on an independent external actuarial valuation carried out at the end of the year. Actuarial gains and losses are recognized in the Statement of Profit and Loss.

xiv. Taxation

Income tax expense comprises current tax and deferred tax charges or credits.

Current Income Tax

Provision for current tax is determined as the amount of tax payable in respect of taxable income for the year in accordance with the provisions of the Income Tax Act, 1961. Current tax is measured at the amount expected to be paid to (recovered from) the taxation authorities, using the enacted or substantively enacted tax rates and tax laws. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred Tax

Deferred tax is recognized in respect of temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognized for all taxable temporary differences.

Deferred tax assets are recognized for all deductible temporary differences, the carry forward of unused tax credits, and any unused tax losses. Deferred tax assets are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

xiv. Taxation (Continued)

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

Minimum Alternative tax ('MAT') under the provisions of the Income Tax Act, 1961 is recognized as the current tax in the Statement of Profit Loss. The credit available under the Act in respect of MAT paid is recognized as an asset only when and to the extent it is probable that the company will pay normal income tax during the year for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognized as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

xv. Earnings per share

Basic earnings per share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year. Earnings considered in ascertaining the Company's earnings per share are the net profit for the year attributable to equity shareholders. The weighted average number of equities shares outstanding during the year end for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equities shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year is adjusted for the effects of all dilutive potential equity shares.

xvi. Provisions and contingent liabilities

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A provision in respect of loss contingencies relating to claims litigation, assessment, fines, penalties, etc. are recognized when it is probable that a liability has been incurred, and the amount can be estimated reliably.

xvi. Provisions and contingent liabilities (Continued)

A contingent liability exists when there is a possible but not probable obligation or a present obligation that may, probably will not, require an outflow of resources embodying economic benefits, or a present obligation whose amount cannot be estimated reliably. Contingent liabilities do not warrant provisions but are disclosed unless the possibility of an outflow of resources is remote. Contingent assets are neither recognized nor disclosed in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an inflow of economic resources embodying economic benefits will arise, related income is recognized in the year in which the change occurs.

xvii. Fair value measurement

The Company measures financial instruments, such as derivatives, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

xvii. Fair value measurement (Continued)

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

23 Employee benefits - Post-employment benefit plans

a) Defined contribution plans

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Super annuation fund and ESI which are defined contribution plans. The Company has no obligations other than to make the specified contributions. The contributions are charged to statement of profit and loss as they accrue.

The Company has recognised the following amount as an expense and included in the Note 17 under "Contribution to provident & other funds":

	Year ended March 31, 2026	Year ended March 31, 2025
Contribution to employees provident fund	**18.26**	13.63
Contribution to ESI	**-**	-

b) Defined benefit plans

The Company operates one post-employment defined benefit plan (funded plan) that provides gratuity. The gratuity plan entitles an employee, who has rendered at least five years of continuous service, to receive one-half month's salary for each year of completed service at the time of retirement. In case of employees completing longer service periods, the Company's scheme is more favourable as compared to the obligation under Payment of Gratuity Act, 1972.

Mortality Tables	**Indian Assured Lives Mortality (2012-14)**	Indian Assured Lives Mortality (2012-14)

The estimates of future salary increase , considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

Estimated rate of return on plan assets is based on average long term rate of return expected on investments of the Fund during the estimated term of the obligations.

A quantitative sensitivity analysis for significant assumption is as shown below:

	Discount rate		Future salary increase

On November 21, 2025, the Government of India notified the four Labour Codes - the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020 - consolidating 29 existing labour laws. The Ministry of Labour & Employment published draft Central Rules and FAQs to enable assessment of the financial impact due to changes in regulations. The Company has considered restructured compensation of its employees with effect from April 1, 2026, and assessed the impact of the changes, consistent with the Labour Codes, draft rules and FAQs. The Company has included such incremental impact Rs.12.40 Lakhs in the "employee benefit expenses" in the statement of profit and loss for the year ended March 31, 2026.

The Company continues to monitor the finalisation of Central / State Rules and clarifications from the Government on other aspects of the Labour Code and would provide appropriate accounting effect on the basis of such developments as needed.

DETAILS OF THE SCHEME

BRIEF PARTICULARS OF THE SCHEME:

This Scheme of Amalgamation is presented under Sections 230 to 232 and other applicable provisions of the Companies Act 2013 and Rules framed thereunder for amalgamation of Privi Fine Sciences Private Limited (**"PFSPL" or** "**Transferor Company 1**") and Privi Biotechnologies Private Limited **("PBPL"** or **Transferor Company 2**) with Privi Speciality Chemicals Limited ("**PSCL**" **or** "**Transferee Company**"). This Scheme also provides for various other matters consequential and otherwise integrally connected therewith.

RATIONALE OF SCHEME OF AMALGAMATION:

This Scheme of Amalgamation would result, inter-alia, in the following synergies for both the Transferor Company 1, the Transferor Company 2 and the Transferee Company and thereby preserving and creating value for its shareholders, creditors and various other stakeholders:

1. The Transferor Company l and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen the Transferee Company's business by

improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

2. The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective shareholders, employees, creditors, customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

a) Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

b) Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

c) Creating an integrated value chain to enhance degree of vertical integration in the products segment;

d) Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management

e) Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder/s value.

f) lntegrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

3. The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

4. Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

5. The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

6. The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

CONSIDERATION

Upon the Scheme becoming effective and in consideration of the Amalgamation:

1. PFSPL- The Transferee Company shall, issue and allot on a proportionate basis to each shareholder of the Transferor Company 1, whose name is recorded in the register of members on the Effective Date, in accordance with the terms of the Scheme , 1 (One) fully paid up equity shares of Rs.10/- each of the

Transferee Company ("**Transferee Company New Equity Shares**"), credited as fully paid up for every 135(One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or successors in the Transferor Company 1 ("**Share Entitlement Ratio**").

2. PBPL - The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

Dear Sir/Madam,

Sub: Due Diligence Certificate ("Certificate") on the adequacy and accuracy of disclosure of information about Privi Fine Sciences Private Limited ("PFSPL") in the format of abridged prospectus in relation to the scheme of arrangement between Privi Fine Sciences Private Limited ("PFSPL" or "Transferor Company 1") and Privi Biotechnologies Private Limited ("PBPL" or Transferor Company 2) with Privi Speciality Chemicals Limited ("PSCL" or "Transferee Company") and their respective shareholders (hereinafter referred to as the "Scheme")

This is regarding our engagement letter dated December 05, 2026, entered with Privi Speciality Chemicals Limited for certifying the adequacy and accuracy of disclosure of information about PFSPL prepared by PSCL and to be sent to the shareholders of PSCL at the time of seeking their approval for the Scheme.

The Scheme of Arrangement, *among other things*, provides for the amalgamation of the PFSPL with PSCL, their respective shareholders and various other matters consequential or otherwise integrally connected therewith.

SEBI Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023, (**"SEBI Master Circular"**) prescribed requirements to be fulfilled by listed entities when they propose a Scheme of Arrangement. The said SEBI Master Circular, *inter alia*, provides that in the event a listed entity enters into a scheme of Arrangement with an unlisted entity, the listed entity shall disclose to its shareholders applicable information about the unlisted entity in the format specified for abridged prospectus as provided in Part E of Schedule VI of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("**SEBI ICDR Regulations**").

Further, the adequacy and accuracy of such disclosure of information pertaining to an unlisted entity is required to be certified by a SEBI-registered Merchant Banker.

Accordingly, we have been provided with the abridged prospectus of PFSPL (**Abridged Prospectus**') as prepared by PSCL and enclosed herewith. The Abridged Prospectus will be circulated to the shareholders of PSCL at the time of seeking their approval of the Scheme as a part of the explanatory statement to the notice.

Based on the information, documents, confirmations, representations, undertakings and certificates provided to us by PFSPL and PSCL as well as discussions with their management, directors and officers, we confirm that the information contained in the Abridged Prospectus of PFSPL is adequate and accurate in terms of the SEBI Master Circular read with Part E of Schedule VI of the SEBI ICDR Regulations.

The above confirmation is based on the information and documents provided by PFSPL and PSCL and explanations provided by the management of PFSPL and PSCL and information available in the public domain. Wherever required, appropriate representations from PFSPL and PSCL have also been obtained. This certificate is based on such information and explanations as are received or provided till the date of this Certificate. We have relied on the financial information, information and representations provided to us on an as-is basis and have not carried out an audit of such information. Our scope of work does not constitute an audit for financial information and accordingly, we do not express an opinion on the fairness of the financial information referred to in the Abridged Prospectus and have assumed that the same is

complete and accurate in all material aspects on an as-is basis. This Certificate is a specific purpose certificate issued in terms of and in compliance with the SEBI Circular and hence it should not be used for any other purpose or transaction. This certificate is not, nor should it be construed as our opining or certifying the compliance of the proposed Scheme of Arrangement with the provisions of any law including companies, taxation and capital market-related laws or as regards any legal implications or issues arising thereon, in their respective jurisdiction, except for the purpose expressly mentioned herein.

We express no opinion whatsoever and make no recommendation at all on the Company's decision to affect the Scheme or how the holders of equity shares should vote at their meeting held in connection with the proposed Scheme. We do not and should not be deemed to have expressed any views on any terms of the Scheme or its success. We also express no opinion and accordingly accept no responsibility for or as to the price at which the equity shares of PSCL will trade following the Scheme or as to the financial performance of PSCL following the consummation of the Scheme. We express no opinion whatsoever and make no recommendations at all (and accordingly take no responsibility) as to whether shareholders/investors should buy, sell or hold any stake in PSCL or any of its related parties. We shall not be liable for any losses whether financial or otherwise or expenses arising directly or indirectly out of the use of or reliance on the information set out here in this certificate.

DETAILS OF THE SCHEME

BRIEF PARTICULARS OF THE SCHEME:

This Scheme of Amalgamation is presented under Sections 230 to 232 read with Section 66 and other applicable provisions of the Companies Act 2013 and Rules framed thereunder for Amalgamation of Privi Fine Sciences Private Limited **("PFSPL" or** "**Transferor Company 1**"), Privi Biotechnologies Private Limited (**"PBPL"** or **"Transferor Company 2"**) with Privi Speciality Chemicals Limited (**"PSCL"** or **"Transferee Company "**) with the Privi Speciality Chemicals Limited **("Transferee company").** This Scheme also provides for various other matters consequential and otherwise integrally connected therewith.

RATIONALE OF SCHEME OF AMALGAMATION:

This Scheme of Amalgamation would result, inter-alia, in the following synergies for both the Transferor Company 1, the Transferor Company 2 and the Transferee Company and thereby preserving and creating value for its shareholders, creditors and various other stakeholders:

1. The Transferor Company l and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product

offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

2. The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective shareholders, employees, creditors, customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

   a) Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

   b) Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

   c) Creating an integrated value chain to enhance degree of vertical integration in the products segment;

   d) Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management

   e) Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder/s value.

   f) lntegrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

3. The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

4. Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

5. The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

6. The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

CONSIDERATION

Upon the Scheme becoming effective and in consideration of the Amalgamation:

1. PFSPL- The Transferee Company shall, issue and allot on a proportionate basis to each shareholder of the Transferor Company 1, whose name is recorded in the register of members on the Effective Date, in accordance with the terms of the Scheme , 1 (One) fully paid up equity shares of Rs.10/- each of the Transferee Company ("**Transferee Company New Equity Shares**"), credited as fully paid up for every 135(One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or successors in the Transferor Company 1 ("**Share Entitlement Ratio**").

1. PBPL - The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

Dear Sir/Madam,

Sub: Due Diligence Certificate ("Certificate") on the adequacy and accuracy of disclosure of information about Privi Biotechnologies Private Limited ("PBPL") in the format of abridged prospectus in relation to the scheme of arrangement between Privi Fine Sciences Private Limited ("PFSPL" or "Transferor Company 1") and Privi Biotechnologies Private Limited ("PBPL" or Transferor Company 2) with Privi Speciality Chemicals Limited ("PSCL" or "Transferee Company") and their respective shareholders (hereinafter referred to as the "Scheme")

This is regarding our engagement letter dated December 05, 2026, entered with Privi Speciality Chemicals Limited for certifying the adequacy and accuracy of disclosure of information about PBPL prepared by PSCL and to be sent to the shareholders of PSCL at the time of seeking their approval for the Scheme.

The Scheme of Arrangement, *among other things*, provides for the amalgamation of the PBPL with PSCL, their respective shareholders and various other matters consequential or otherwise integrally connected therewith.

SEBI Master Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023, (**"SEBI Master Circular"**) prescribed requirements to be fulfilled by listed entities when they propose a Scheme of Arrangement. The said SEBI Master Circular, *inter alia*, provides that in the event a listed entity enters into a scheme of Arrangement with an unlisted entity, the listed entity shall disclose to its shareholders applicable information about the unlisted entity in the format specified for abridged prospectus as provided in Part E of Schedule VI of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("**SEBI ICDR Regulations**").

Further, the adequacy and accuracy of such disclosure of information pertaining to an unlisted entity is required to be certified by a SEBI-registered Merchant Banker.

Accordingly, we have been provided with the abridged prospectus of PBPL (**Abridged Prospectus**') as prepared by PSCL and enclosed herewith. The Abridged Prospectus will be circulated to the shareholders of PSCL at the time of seeking their approval of the Scheme as a part of the explanatory statement to the notice.

Based on the information, documents, confirmations, representations, undertakings and certificates provided to us by PBPL and PSCL as well as discussions with their management, directors and officers, we confirm that the information contained in the Abridged Prospectus of PBPL is adequate and accurate in terms of the SEBI Master Circular read with Part E of Schedule VI of the SEBI ICDR Regulations.

The above confirmation is based on the information and documents provided by PBPL and PSCL and explanations provided by the management of PBPL and PSCL and information available in the public domain. Wherever required, appropriate representations from PBPL and PSCL have also been obtained. This certificate is based on such information and explanations as are received or provided till the date of this Certificate. We have relied on the financial information, information and representations provided to us on an as-is basis and have not carried out an audit of such information. Our scope of work does not constitute an audit for financial information and accordingly, we do not express an opinion on the fairness of the financial information referred to in the Abridged Prospectus and have assumed that the same is complete and accurate in all material aspects on an as-is basis. This Certificate is a specific purpose certificate issued in

terms of and in compliance with the SEBI Circular and hence it should not be used for any other purpose or transaction. This certificate is not, nor should it be construed as our opining or certifying the compliance of the proposed Scheme of Arrangement with the provisions of any law including companies, taxation and capital market-related laws or as regards any legal implications or issues arising thereon, in their respective jurisdiction, except for the purpose expressly mentioned herein.

We express no opinion whatsoever and make no recommendation at all on the Company's decision to affect the Scheme or how the holders of equity shares should vote at their meeting held in connection with the proposed Scheme. We do not and should not be deemed to have expressed any views on any terms of the Scheme or its success. We also express no opinion and accordingly accept no responsibility for or as to the price at which the equity shares of PSCL will trade following the Scheme or as to the financial performance of PSCL following the consummation of the Scheme. We express no opinion whatsoever and make no recommendations at all (and accordingly take no responsibility) as to whether shareholders/investors should buy, sell or hold any stake in PSCL or any of its related parties. We shall not be liable for any losses whether financial or otherwise or expenses arising directly or indirectly out of the use of or reliance on the information set out here in this certificate.

Mr. Bhaktavatsala Rao Doppalapudi, Executive Director
Mr. Anurag Surana, Independent Director
Mr. Hemang Gandhi, Independent Director
Mr. Naresh Tejwani, Independent Director
Mr. Priyamvada Bhumkar, Independent Director

1. Background

1.1. A meeting of Board of Directors of the Privi Speciality Chemicals Limited was held on December 19, 2025 to consider the proposed draft Scheme of Amalgamation of Privi Fine Sciences Private Limited (**"Transferor Company 1"**) and Privi Biotechnologies Private Limited (**"Transferor Company 2"**) (Transferor Company 1 and Transferor Company 2 are collectively referred to as "**Transferor Companies**") with Privi Speciality Chemicals Limited (**"Transferee Company"**) and their respective shareholders and/or creditors (hereinafter referred to as "**Scheme**") to be implemented under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013 (**"Act"**) and other applicable laws.

1.2. The Transferee Company is a listed public company incorporated under the provisions of the Companies Act, 1956. The equity shares of the Transferee Company are listed on BSE Limited ("**BSE**") and the National Stock Exchange of India Limited ("**NSE**"). The Transferee Company will be filing the Scheme along with the necessary documents/information with the BSE and NSE for their No-objection Letter pursuant to Regulation 37 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 **("SEBI LODR Regulations")** and applicable statutory provisions.

1.3. The Transferor Company 1 is a private limited company incorporated under the Companies Act, 2013.

1.4. The Transferor Company 2 is a private limited company incorporated under the Companies Act, 1956. The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company.

1.5. The proposed Scheme provides for the amalgamation of the Transferor Company 1 and the Transferor Company 2 with the Transferee Company and dissolution of Transferor Company 1 and the Transferor Company 2 without winding up.

1.6. Pursuant to the SEBI Circular No. SEBI/HO/CFD/POD-2/P/CIR/2023/93 dated June 20, 2023, as amended from time to time ("SEBI Circular") and as per Section 232(2)(c) of the Act, a report from the Board of the Company explaining the effect of the Scheme on each class of shareholders (promoters and non - promoter shareholders) and key managerial personnel (**"KMPs"**), of the Company, setting out, among other things, the share exchange ratio, specifying any special valuation difficulties, is required to be adopted by the Board. Such report is then required to be appended with the notice of the meeting of shareholders and creditors if ordered by the jurisdictional National Company Law Tribunal.

1.7. The Board perused the following documents and gave its observations on the draft scheme:

1.7.1. Draft Scheme of Amalgamation of Privi Fine Sciences Private Limited (**"Transferor Company 1"**) and Privi Biotechnologies Private Limited (**"Transferor Company 2"**) With Privi Speciality Chemicals Limited (**"Transferee Company"**) and their respective Shareholders and Creditors (the **"Scheme"**).

1.7.2. The Valuation Report dated December 19, 2025 issued by the Registered Valuers M/s. RBSA Valuation Advisors LLP (Regd. No. IBBI/RV-E/05/2019/110) recommending the fair share entitlement ratio (the **"Valuation Report"**).

1.7.3. The Fairness Opinion dated December 19, 2025 given by an independent SEBI registered Category I Merchant Banker viz. Vivro Financial Services Private Limited, (Registration No. INM000010122) providing the opinion on the fairness of the share exchange ratio as recommended in the Valuation Report (the **"Fairness Opinion"**).

1.7.4. The Certificate dated December 19, 2025 issued by M/s BSR & Co. LLP, Chartered Accountants (ICAI Firm Registration No. 101248W/W-100022), the statutory auditor of the Transferee Company pursuant to paragraph A(5) of Part I of the SEBI Master Circular dated 20 June, 2023 bearing reference number SEBI/HO/CFD/POD-2/P/CIR/2023/93 and all amendments thereto (the "SEBI Master Circular"), certifying that the accounting treatment contained in the Scheme is in compliance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and circulars issued thereunder and all the applicable Accounting Standards notified by the Central Government under Section 133 of the Companies Act, 2013 read with the rules made thereunder and other Generally Accepted Accounting Principles;

1.7.5. Report adopted by the Audit Committee of the Company at its meeting held on December 19, 2025, recommending the Scheme.

1.7.6. Report adopted by the Independent Directors Committee of the Company at its meeting held on December 19, 2025, recommending the Scheme.

1.7.7. Audited financial statements of the Transferee Company and the Transferor Companies for the year ended 31st March, 2025 and Limited Reviewed Financials for the half year ended 30th September, 2025;

1.7.8. Latest Shareholding pattern of the Transferee Company, the Transferor Company 1 and the Transferor Company 2

1.7.9. Other documents and information furnished before the Board pertaining to the Draft Scheme.

2. Salient Features of the Scheme

The salient features of the Scheme are as under:

2.1 the Transferor Companies will amalgamate with and into the Transferee Company, upon which the Transferor Companies will dissolve without winding up and the Board of Directors and any committees thereof of the Transferor Companies shall without any further act, instrument or deed be and stand discharged. On and from the Effective Date, the name of the Transferor Companies shall be struck off from the records of the concerned Registrar of Companies;

2.2 The Appointed Date for the Scheme shall be October 1, 2025, the Scheme shall be effective from the Appointed Date but shall be operative from the Effective Date, being the date on which the last of the conditions specified in Clause 26.1 of the Scheme are complied with.

2.3 Upon the Scheme becoming effective and with effect from the Appointed Date, the Transferor Company 1 and Transferor Company 2 shall stand amalgamated with and be vested in the Transferee Company, pursuant to Sections 230 to 232 read with other relevant provisions of the Act and Section 2(1B) of the Income Tax Act, such that all the properties (tangible and intangible), assets, rights, contracts, Permits, claims, title, interest, benefits, authorities, investments, liabilities, duties and obligations comprised in both the Transferor Companies immediately before the amalgamation shall automatically, and without any further act, instrument, deed, matter or thing, shall stand transferred to and vested in and/ or deemed to be transferred to and vested in the Transferee Company, on a 'going concern' basis for the consideration as set out hereinafter by virtue of operation of law and in the manner provided in this Scheme.

2.4 All inter-company balances and agreements, loans and advances, if any, between the Transferee Company and the Transferor Companies will stand cancelled as a result of amalgamation.

2.5 upon the amalgamation of the Transferor Companies into the Transferee Company pursuant to the Scheme becoming effective on the Effective Date, the Transferee Company will issue 1 (One) fully paid up equity share of Rs.10/- each of the Transferee Company ("**Transferee Company New Equity Shares**"), credited as fully paid up for every 135 (One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or successors in the Transferor Company 1 ("**Share Entitlement Ratio**") on the Effective Date (as defined in the Scheme), in accordance with the Share Entitlement Ratio (as set out in paragraph 14.1.1 of the Scheme) approved by the board of directors of the Transferor Company 1 and the Transferee Company and pursuant to Sections 230 to 232, and other relevant provisions of the Companies Act, 2013 and other applicable laws, in the manner provided for in the Scheme;

2.6 The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor

Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

2.7 The New Equity Shares that will be issued to the shareholders of the Transferor Company 1 pursuant to the Scheme are proposed to be listed on the Stock Exchanges;

2.8 the transfer of authorised share capital of the Transferor Company 1 and the Transferor Company 2 to the Transferee Company and consequential increase in the authorised share capital of the Transferee Company;

2.9 In the event the aforesaid allotment of Transferee Company New Equity Shares in accordance with Clause 14.1.1 of the scheme, results in fractional entitlements, the Board of Directors of the Transferee Company shall consolidate all such fractional entitlements and round-up the aggregate of such fractions to the next whole number, and thereupon issue and allot whole Transferee Company New Equity Shares in lieu thereof to a trustee (nominated by the Board of Directors of the Transferee Company in this behalf) in dematerialized form, who shall hold such shares, with all additions or accretions thereto, in trust for the benefit of the respective shareholders to whom they belong for the specific purpose of selling such shares in the market at such price or prices and at any time within a period of 90 days from the date of allotment of the Transferee Company New Equity Shares as the trustee may, in its sole discretion, decide and distribute the net sale proceeds (after deduction of the expenses incurred and applicable income tax) to the respective shareholders in the same proportion of their fractional entitlements. It is clarified that any such distribution shall take place only on the sale of all the fractional shares of the Transferee Company pertaining to the fractional entitlements.

2.10 the Transferee Company shall account for amalgamation of the Transferor Companies, together, in its books of accounts as per the 'Pooling of Interest Method' in accordance with accounting principles as laid down in Appendix C to the Indian Accounting Standard 103 (Business Combinations), notified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as may be amended from time to time, in the books of accounts of the Transferee Company; and

2.11 the Scheme is conditional and subject to, where applicable:

a. receipt of no-objection letters from the Stock Exchanges in respect of the Scheme and the transaction contemplated herein under Regulation 37 of the SEBI LODR Regulations, which in form and substance is acceptable to the Parties, each acting reasonably and in good faith;

b. the Scheme being approved by the requisite majority of the shareholders and creditors of the Parties, as required under Applicable Laws and/or as may be directed by the Tribunal or any other authority as may be prescribed or notified;

c. the Transferee Company, complying with other provisions of the SEBI Circular, including seeking approval of the shareholders of the Transferee Company through e-voting, as applicable. The Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast against the proposal by the public shareholders, of the Transferee Company, as required under the SEBI Circular. The term 'public' shall carry the same meaning as defined under Rule 2 of Securities Contracts (Regulation) Rules, 1957;

d. the requisite consents, approvals or permissions of any Appropriate Authority, which by law may be necessary for the implementation of this Scheme;
e. the sanction of the Scheme by the Tribunal under Sections 230 to 232 of the Act being obtained by the Parties; and
f. the certified copies of the orders of the Tribunal referred to in this Scheme being filed with the Registrar of Companies by the Parties.

2.12 It is hereby clarified that submission of this Scheme to the Tribunal and to the Appropriate Authority for their respective approvals is without prejudice to all rights, interests, title, or defences that Parties may have under or pursuant to all Applicable Laws.

2.13 On the approval of this Scheme by the shareholders of the Parties and such other classes of Persons of the Parties, if any, such shareholders and classes of Persons shall also be deemed to have resolved and accorded all relevant consents under the Act or otherwise to the same extent applicable in relation to the Scheme.

2.14 With effect from the Effective Date, all inter-se contracts solely between the Transferor Company 1, the Transferor Company 2 and the Transferee Company (collectively referred to as the "Parties") (i.e., not having any other third Person other than the Parties) shall stand cancelled and cease to operate, and appropriate effect shall be given to such cancellation and cessation in the books of accounts and records of the Transferee Company. With effect from the Effective Date, there will be no accrual of income or expenses on account of any transactions in the nature of sale or transfer of any goods, material or services, between the Transferor Companies and the Transferee Company. For avoidance of doubt, it is hereby clarified that with effect from the Effective Date, there will be no accrual of interest or other charges in respect of any inter-se loans, deposits or balances between the Transferor Companies and the Transferee Company.

3. Rationale and Benefits of the Scheme

The Board noted the rationale of the Scheme, which proposes to integrate the respective business activities of the entities into a single entity.

3.1 The Transferor Company 1 and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

3.2 The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective Shareholders,

Employees, Creditors, Customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

3.2.1 Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

3.2.2 Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

3.2.3 Creating an integrated value chain to enhance degree of vertical integration in the products segment;

3.2.4 Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management;

3.2.5 Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder's value.

3.2.6 Integrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

3.3 The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

3.4 Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

3.5 The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

3.6 The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the

shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

4. Effect of the Scheme in terms of Section 232(2)(c) of the Act:

a. **Effect on shareholders (Promoter and non-promoter shareholders)**

i. **Share Entitlement Ratio & Capital Impact:**

In consideration for the amalgamation of Transferor Company 1 (PFSPL), the Transferee Company will issue and allot 1 (One) fully paid-up equity share of Rs. 10/- each for every 135 (One Hundred Thirty-Five) fully paid-up equity shares of Rs. 10/- each held in Transferor Company 1 as on the Effective Date.

In respect of Transferor Company 2 (PBPL), being a wholly-owned subsidiary, its entire share capital held by the Transferee Company shall stand cancelled, and no new shares shall be issued.

The Share Entitlement Ratio has been arrived at based on the Valuation Report dated December 19, 2025, issued by M/s. RBSA Valuation Advisors LLP, Registered Valuer, and confirmed to be fair by the Fairness Opinion dated December 19, 2025, issued by Vivro Financial Services Private Limited, Category-I Merchant Banker. **No special valuation difficulties were reported by the Registered Valuer.**

ii. **Effect on Promoters:**

The Promoters and Promoter Group of Transferor Company 1 are already part of the Promoter and Promoter Group of the Transferee Company. Upon allotment of the new equity shares pursuant to the Scheme, their shareholding in the Transferee Company will adjust proportionately. No new person or entity will be designated as a Promoter of the Transferee Company pursuant to the Scheme.

iii. **Effect on Non-Promoter / Public Shareholders:**

The issuance of new equity shares to the shareholders of Transferor Company 1 will result in a proportionate dilution in the percentage shareholding of the existing non-promoter/public shareholders of the Transferee Company. However, this dilution is balanced by the integration of the businesses, assets, technologies, and intellectual property of the Transferor Companies into the Transferee Company on a going concern basis. This will enhance operational capabilities, enrich product offerings, generate logistical efficiencies, and create an integrated value chain, thereby enhancing overall long-term shareholder value.

iv. **General Impact on Rights:**

The Scheme does not alter the fundamental rights of the existing shareholders of the Transferee Company. The new equity shares issued to the shareholders of Transferor Company 1 will rank *pari passu* in all respects, including dividend, voting, and other corporate rights, with the existing equity shares of the Transferee Company, and will be listed on BSE Limited and the National Stock Exchange of India Limited

b. **Effect on Key Managerial Personnel**

The Scheme by itself does not have any effect on the office, tenure, or remuneration of the existing Directors and Key Managerial Personnel (KMPs) of the Transferee Company. The composition of the Board of Directors and the office of the KMPs of the Transferee Company shall continue in the ordinary course of business, subject to the Articles of Association and applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations.

Furthermore, in accordance with Clause 10 of the Scheme, all employees and KMPs of the Transferor Companies shall become employees of the Transferee Company with effect from the Effective Date without any break or interruption in service and on terms and conditions not less favourable than those on which they were engaged immediately preceding the Effective Date.

Conclusion

Having deliberated upon the draft Scheme, the Valuation Report, and the Fairness Opinion, the Board has evaluated the impact of the Scheme on each class of shareholders, promoters and non-promoter/public shareholders, Directors, and Key Managerial Personnel. The Board is of the considered view that the Scheme is fair, reasonable, and in the best interests of the Company and these stakeholders, and will not cause any prejudice to them in any manner whatsoever.

2. Salient Features of the Scheme

The salient features of the Scheme are as under:

2.1 the Transferor Companies will amalgamate with and into the Transferee Company, upon which the Transferor Companies will dissolve without winding up and the Board of Directors and any committees thereof of the Transferor Companies shall without any further act, instrument or deed be and stand discharged. On and from the Effective Date, the name of the Transferor Companies shall be struck off from the records of the concerned Registrar of Companies;

2.2 The Appointed Date for the Scheme shall be October 1, 2025, the Scheme shall be effective from the Appointed Date but shall be operative from the Effective Date, being the date on which the last of the conditions specified in Clause 26.1 of the Scheme are complied with.

2.3 Upon the Scheme becoming effective and with effect from the Appointed Date, the Transferor Company 1 and Transferor Company 2 shall stand amalgamated with and be vested in the Transferee Company, pursuant to Sections 230 to 232 read with other relevant provisions of the Act and Section 2(1B) of the Income Tax Act, such that all the properties (tangible and intangible), assets, rights, contracts, Permits, claims, title, interest, benefits, authorities, investments, liabilities, duties and obligations comprised in both the Transferor Companies immediately before the amalgamation shall automatically, and without any further act, instrument, deed, matter or thing, shall stand transferred to and vested in and/ or deemed to be transferred to and vested in the Transferee Company, on a 'going concern' basis for the consideration as set out hereinafter by virtue of operation of law and in the manner provided in this Scheme.

2.4 All inter-company balances and agreements, loans and advances, if any, between the Transferee Company and the Transferor Companies will stand cancelled as a result of amalgamation.

2.5 upon the amalgamation of the Transferor Companies into the Transferee Company pursuant to the Scheme becoming effective on the Effective Date, the Transferee Company will issue 1 (One) fully paid up equity share of Rs.10/- each of the Transferee Company ("**Transferee Company New Equity Shares**"), credited as fully paid up for every 135 (One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or successors in the Transferor Company 1 ("**Share Entitlement Ratio**") on the Effective Date (as defined in the Scheme), in accordance with the Share Entitlement Ratio (as set out in paragraph 14.1.1 of the Scheme) approved by the board of directors of the Transferor Company 1 and the Transferee Company and pursuant to Sections 230 to 232, and other relevant provisions of the Companies Act, 2013 and other applicable laws, in the manner provided for in the Scheme;

2.6 The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

2.7 the New Equity Shares that will be issued to the shareholders of the Transferor Company 1 pursuant to the Scheme are proposed to be listed on the Stock Exchanges;

2.8 the transfer of authorised share capital of the Transferor Company 1 and the Transferor Company 2 to the Transferee Company and consequential increase in the authorised share capital of the Transferee Company;

2.9 In the event the aforesaid allotment of Transferee Company New Equity Shares in accordance with Clause 14.1.1 of the scheme, results in fractional entitlements, the Board of Directors of the Transferee Company shall consolidate all such fractional entitlements and round-up the aggregate of such fractions to the next whole number, and thereupon issue and allot whole Transferee Company New Equity Shares in lieu thereof to a trustee (nominated by the Board of Directors of the Transferee Company in this behalf) in dematerialized form, who shall hold such shares, with all additions or accretions thereto, in trust for the benefit of the respective shareholders to whom they belong for the specific purpose of selling such shares in the market at such price or prices and at any time within a period of 90 days from the date of allotment of the Transferee Company New Equity Shares as the trustee may, in its sole discretion, decide and distribute the net sale proceeds (after deduction of the expenses incurred and applicable income tax) to the respective shareholders in the same proportion of their fractional entitlements. It is clarified that any such distribution shall take place only on the sale of all the fractional shares of the Transferee Company pertaining to the fractional entitlements.

2.10 the Transferee Company shall account for amalgamation of the Transferor Companies, together, in its books of accounts as per the 'Pooling of Interest Method' in accordance with accounting principles as laid down in Appendix C the Indian Accounting Standard 103 (Business Combinations), notified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as may be amended from time to time, in the books of accounts of the Transferee Company; and

2.11 the Scheme is conditional and subject to, where applicable:

a. receipt of no-objection letters from the Stock Exchanges in respect of the Scheme and the transaction contemplated herein under Regulation 37 of the SEBI LODR Regulations, which in form and substance is acceptable to the Parties, each acting reasonably and in good faith;
b. the Scheme being approved by the requisite majority of the shareholders and creditors of the Parties, as required under Applicable Laws and/or as may be directed by the Tribunal or any other authority as may be prescribed or notified;
c. the Transferee Company, complying with other provisions of the SEBI Circular, including seeking approval of the shareholders of the Transferee Company through e-voting, as applicable. The Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast against the proposal by the public shareholders, of the Transferee Company, as required under the SEBI Circular. The term 'public' shall carry the same meaning as defined under Rule 2 of Securities Contracts (Regulation) Rules, 1957;
d. the requisite consents, approvals or permissions of any Appropriate Authority, which by law may be necessary for the implementation of this Scheme;
e. the sanction of the Scheme by the Tribunal under Sections 230 to 232 of the Act being obtained by the Parties; and

f. the certified copies of the orders of the Tribunal referred to in this Scheme being filed with the Registrar of Companies by the Parties.

2.12 It is hereby clarified that submission of this Scheme to the Tribunal and to the Appropriate Authority for their respective approvals is without prejudice to all rights, interests, title, or defences that Parties may have under or pursuant to all Applicable Laws.

2.13 On the approval of this Scheme by the shareholders of the Parties and such other classes of Persons of the Parties, if any, such shareholders and classes of Persons shall also be deemed to have resolved and accorded all relevant consents under the Act or otherwise to the same extent applicable in relation to the Scheme.

2.14 With effect from the Effective Date, all inter-se contracts solely between the Transferor Company 1, the Transferor Company 2 and the Transferee Company (collectively referred to as the "Parties") (i.e., not having any other third Person other than the Parties) shall stand cancelled and cease to operate, and appropriate effect shall be given to such cancellation and cessation in the books of accounts and records of the Transferee Company. With effect from the Effective Date, there will be no accrual of income or expenses on account of any transactions in the nature of sale or transfer of any goods, material or services, between the Transferor Companies and the Transferee Company. For avoidance of doubt, it is hereby clarified that with effect from the Effective Date, there will be no accrual of interest or other charges in respect of any inter-se loans, deposits or balances between the Transferor Companies and the Transferee Company.

3. Rationale and Benefits of the Scheme

The Board noted the rationale of the Scheme, which proposes to integrate the respective business activities of the entities into a single entity.

3.1 The Transferor Company 1 and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

3.2 The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective Shareholders, Employees, Creditors, Customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

3.2.1 Providing an opportunity to leverage combined assets, capabilities, experience

expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

3.2.2 Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

3.2.3 Creating an integrated value chain to enhance degree of vertical integration in the products segment;

3.2.4 Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management;

3.2.5 Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder's value.

3.2.6 Integrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

3.3 The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

3.4 Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

3.5 The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

3.6 The amalgamation is in the interest of the Transferor Company and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

4. Effect of the Scheme in terms of Section 232(2)(c) of the Act:

a. **Effect on Shareholders (Promoter and non-promoter shareholders)**

i. Share Entitlement Ratio & Consideration:

Upon the Scheme becoming effective, the Transferee Company shall, without any further application, act, or deed, issue and allot to the equity shareholders of Transferor Company 1 whose names are recorded in the register of members on the Effective Date, 1 (One) fully paid-up equity share of Rs. 10/- each of the Transferee Company for every 135 (One Hundred Thirty-Five) fully paid-up equity shares of Rs. 10/- each held in Transferor Company 1 ("Share Entitlement Ratio").

The Share Entitlement Ratio has been arrived at on the basis of the valuation report dated December 19, 2025 issued by M/s. RBSA Valuation Advisors LLP, Registered Valuer, and confirmed to be fair by the Fairness Opinion dated December 19, 2025 issued by Vivro Financial Services Private Limited, Category-I Merchant Banker. No special valuation difficulties were encountered in arriving at the said ratio.

ii. Effect on Promoters:

The Promoters and Promoter Group of Transferor Company 1 are already part of the Promoter and Promoter Group of the Transferee Company. Upon the Scheme becoming effective, the Promoters of Transferor Company 1 will receive New Equity Shares in the Transferee Company in accordance with the Share Entitlement Ratio, resulting in an adjustment/consolidation of their aggregate equity shareholding in the Transferee Company. No new person or entity shall be categorized or inducted as a Promoter of the Transferee Company pursuant to the Scheme.

iii. Effect on Non-Promoter Shareholders:

Transferor Company 1 is closely held by its promoters and promoter group entities. To the extent of any non-promoter / other equity shareholders in Transferor Company 1, upon the Scheme becoming effective, they shall receive fully paid-up, listed equity shares of the Transferee Company (PSCL) ranking pari-passu with existing equity shares. This provides such shareholders with immediate liquidity and marketable securities listed on both BSE Limited and the National Stock Exchange of India Limited, without imposing any additional liability or burden.

iv. General Impact on Rights: The Scheme does not disproportionately affect or alter the underlying economic rights of the shareholders of Transferor Company 1. The rights of the shareholders in the amalgamated entity will remain governed by the Memorandum and Articles of Association of the Transferee Company and applicable provisions of the Companies Act, 2013 and SEBI Listing Regulations.

b. **Effect on Key Managerial Personnel**

Upon the Scheme becoming effective, the Directors and Key Managerial Personnel (KMPs) of Transferor Company 1 shall not automatically be entitled to hold the office of Director or KMP in the Transferee Company by virtue of the Scheme. However, this shall not affect the position of any person who is already serving as a Director or KMP of the Transferee

Company as on the Effective Date, and such persons shall continue to serve in their respective capacities.

Notwithstanding the cessation of their official statutory designations in Transferor Company 1, all KMPs (along with all other employees) of Transferor Company 1 shall be absorbed as employees of the Transferee Company in accordance with Clause 10 of the Scheme. This transfer of employment shall take effect from the Effective Date, without any break or interruption in service, and on terms and conditions that are not less favorable than their existing engagement immediately preceding the Effective Date.

Conclusion

Having deliberated on the provisions of the Scheme and the Valuation Report, the Board has carefully evaluated the impact of the Scheme on each class of shareholders (comprising both promoters and non-promoter shareholders) and Key Managerial Personnel. The Board is of the considered view that the Scheme, including the Share Entitlement Ratio, is fair, reasonable, and in the best interests of the Company and these respective stakeholders. The implementation of the Scheme will not cause any prejudice to them in any manner whatsoever.

2.2 The Appointed Date for the Scheme shall be October 1, 2025, the Scheme shall be effective from the Appointed Date but shall be operative from the Effective Date, being the date on which the last of the conditions specified in Clause 26.1 of the Scheme are complied with.

2.3 Upon the Scheme becoming effective and with effect from the Appointed Date, the Transferor Company 1 and Transferor Company 2 shall stand amalgamated with and be vested in the Transferee Company, pursuant to Sections 230 to 232 read with other relevant provisions of the Act and Section 2(1B) of the Income Tax Act, such that all the properties (tangible and intangible), assets, rights, contracts, Permits, claims, title, interest, benefits, authorities, investments, liabilities, duties and obligations comprised in both the Transferor Companies immediately before the amalgamation shall automatically, and without any further act, instrument, deed, matter or thing, shall stand transferred to and vested in and/ or deemed to be transferred to and vested in the Transferee Company, on a 'going concern' basis for the consideration as set out hereinafter by virtue of operation of law and in the manner provided in this Scheme.

2.4 All inter-company balances and agreements, loans and advances, if any, between the Transferee Company and the Transferor Companies will stand cancelled as a result of amalgamation.

2.5 upon the amalgamation of the Transferor Companies into the Transferee Company pursuant to the Scheme becoming effective on the Effective Date, the Transferee Company will issue 1 (One) fully paid up equity share of Rs.10/- each of the Transferee Company ("**Transferee Company New Equity Shares**"), credited as fully paid up for every 135 (One Hundred Thirty Five) fully paid equity shares of Rs.10/- each held by such shareholder or his/ her/ its heirs, executors, administrators or successors in the Transferor Company 1 ("**Share Entitlement Ratio**") on the Effective Date (as defined in the Scheme), in accordance with the Share Entitlement Ratio (as set out in paragraph 14.1.1 of the Scheme) approved by the board of directors of the Transferor Company 1 and the Transferee Company and pursuant to Sections 230 to 232, and other relevant provisions of the Companies Act, 2013 and other applicable laws, in the manner provided for in the Scheme;

2.6 The entire paid-up share capital of the Transferor Company 2 is held by the Transferee Company. Upon the Scheme becoming effective, the equity shares of the Transferor Company 2 held by the Transferee Company shall stand cancelled in their entirety and no new shares of the Transferee Company will be issued against the cancelled shares.

2.7 the New Equity Shares that will be issued to the shareholders of the Transferor Company 1 pursuant to the Scheme are proposed to be listed on the Stock Exchanges;

PRIVI BIOTECHNOLOGIES PVT LTD

2.8 the transfer of authorised share capital of the Transferor Company 1 and the Transferor Company 2 to the Transferee Company and consequential increase in the authorised share capital of the Transferee Company;

2.9 In the event the aforesaid allotment of Transferee Company New Equity Shares in accordance with Clause 14.1.1 of the scheme, results in fractional entitlements, the Board of Directors of the Transferee Company shall consolidate all such fractional entitlements and round-up the aggregate of such fractions to the next whole number, and thereupon issue and allot whole Transferee Company New Equity Shares in lieu thereof to a trustee (nominated by the Board of Directors of the Transferee Company in this behalf) in dematerialized form, who shall hold such shares, with all additions or accretions thereto, in trust for the benefit of the respective shareholders to whom they belong for the specific purpose of selling such shares in the market at such price or prices and at any time within a period of 90 days from the date of allotment of the Transferee Company New Equity Shares as the trustee may, in its sole discretion, decide and distribute the net sale proceeds (after deduction of the expenses incurred and applicable income tax) to the respective shareholders in the same proportion of their fractional entitlements. It is clarified that any such distribution shall take place only on the sale of all the fractional shares of the Transferee Company pertaining to the fractional entitlements.

2.10 the Transferee Company shall account for amalgamation of the Transferor Companies, together, in its books of accounts as per the 'Pooling of Interest Method' in accordance with accounting principles as laid down in Appendix C the Indian Accounting Standard 103 (Business Combinations), notified under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as may be amended from time to time, in the books of accounts of the Transferee Company; and

2.11 the Scheme is conditional and subject to, where applicable:

a. receipt of no-objection letters from the Stock Exchanges in respect of the Scheme and the transaction contemplated herein under Regulation 37 of the SEBI LODR Regulations, which in form and substance is acceptable to the Parties, each acting reasonably and in good faith;
b. the Scheme being approved by the requisite majority of the shareholders and creditors of the Parties, as required under Applicable Laws and/or as may be directed by the Tribunal or any other authority as may be prescribed or notified;
c. the Transferee Company, complying with other provisions of the SEBI Circular, including seeking approval of the shareholders of the Transferee Company through e-voting, as applicable. The Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast against the proposal by the public shareholders, of the Transferee Company, as required under the SEBI Circular. The term 'public' shall carry the same meaning as defined under Rule 2 of Securities Contracts (Regulation) Rules, 1957;
d. the requisite consents, approvals or permissions of any Appropriate Authority, which by law may be necessary for the implementation of this Scheme;
e. the sanction of the Scheme by the Tribunal under Sections 230 to 232 of the Act

PRIVI BIOTECHNOLOGIES PVT LTD

being obtained by the Parties; and

f. the certified copies of the orders of the Tribunal referred to in this Scheme being filed with the Registrar of Companies by the Parties.

2.12 It is hereby clarified that submission of this Scheme to the Tribunal and to the Appropriate Authority for their respective approvals is without prejudice to all rights, interests, title, or defences that Parties may have under or pursuant to all Applicable Laws.

2.13 On the approval of this Scheme by the shareholders of the Parties and such other classes of Persons of the Parties, if any, such shareholders and classes of Persons shall also be deemed to have resolved and accorded all relevant consents under the Act or otherwise to the same extent applicable in relation to the Scheme.

2.14 With effect from the Effective Date, all inter-se contracts solely between the Transferor Company 1, the Transferor Company 2 and the Transferee Company (collectively referred to as the "Parties") (i.e., not having any other third Person other than the Parties) shall stand cancelled and cease to operate, and appropriate effect shall be given to such cancellation and cessation in the books of accounts and records of the Transferee Company. With effect from the Effective Date, there will be no accrual of income or expenses on account of any transactions in the nature of sale or transfer of any goods, material or services, between the Transferor Companies and the Transferee Company. For avoidance of doubt, it is hereby clarified that with effect from the Effective Date, there will be no accrual of interest or other charges in respect of any inter-se loans, deposits or balances between the Transferor Companies and the Transferee Company.

3. Rationale and Benefits of the Scheme

The Board noted the rationale of the Scheme, which proposes to integrate the respective business activities of the entities into a single entity.

3.1 The Transferor Company 1 and the Transferor Company 2 are engaged in the similar line of business as the Transferee Company. The amalgamation will enhance and strengthen the Transferee Company's business by improving its operational capabilities and market competitiveness. It aims to enrich the combined product offerings and expand the customer base both locally and globally. Consolidation as a single entity shall provide several benefits like optimum use of infrastructure, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs, reducing the number of legal entities, thereby significantly contributing to the future growth and maximizing shareholder value.

3.2 The proposed amalgamation would be in the best interest of the Transferor Company 1, the Transferor Company 2, the Transferee Company and their respective Shareholders, Employees, Creditors, Customers and other stakeholders as the proposed amalgamation will yield advantages as set out, inter alia, below:

PRIVI BIOTECHNOLOGIES PVT. LTD.

3.2.1 Providing an opportunity to leverage combined assets, capabilities, experience, expertise, infrastructure of the companies, intellectual property, technical know-how, trade secrets, brands etc. enabling optimum utilization of existing resources and economies of scale;

3.2.2 Combining distribution and marketing resources of each other in the interest of maximizing value to their shareholders and the other stakeholders;

3.2.3 Creating an integrated value chain to enhance degree of vertical integration in the products segment;

3.2.4 Enabling greater efficiency in cash and debt management and unfettered access to cash flow generated by the combined business, which can be deployed more efficiently, to maximize shareholders value and better debt management;

3.2.5 Improved cash flows and more efficient utilization of capital and infrastructure to create a stronger base for future growth, enhance future business potential, and achieve greater efficiencies, productivity gains and advantages by pooling of resources of the companies thereby significantly contributing to future growth and maximizing shareholder's value.

3.2.6 Integrate the financial, managerial and technical resources, personnel, capabilities, skills, expertise and technologies of each of the Transferor Companies pooled in the merged entity, to lead to optimum use of resources, cost reduction and efficiencies, productivity gains and logistic advantages and reduction of administrative and operational costs.

3.3 The proposed amalgamation would not only create economies of scale but also simplify management and strategic focus, leading to improved long-term performance. It will facilitate better and more efficient control over the business and financial conduct of the Transferee Company, allowing for a more streamlined and coordinated approach to governance and strategic decision-making.

3.4 Simplification of management structure, elimination of duplication and multiplicity of compliance requirements, rationalization of administrative expenses, better administration and cost reduction (including reduction in administrative and other common costs).

3.5 The Transferor Company 2 is a wholly owned subsidiary of the Transferee Company and engaged in similar line of business and the proposed amalgamation pursuant to this Scheme will create synergies amongst the business;

3.6 The amalgamation is in the interest of the Transferor Companies and the Transferee Company and their respective shareholders, creditors and all other stakeholders. There is no likelihood that any creditor of the Transferor Company 1, Transferor Company 2 or the Transferee Company will be prejudiced as a result of the Scheme. The Scheme will neither impose any additional burden, nor will it adversely affect the interests of any of the shareholders or creditors of the Transferor Company 1, the Transferor Company 2 and the Transferee Company.

PRIVI BIOTECHNOLOGIES PVT LTD

4. **Effect of the Scheme in terms of Section 232(2)(c) of the Act:**

a. **Effect on Shareholders (Promoter and non-promoter shareholders)**

i. **Shareholding Structure & Consideration:**
Transferor Company 2 is a wholly-owned subsidiary of the Transferee Company (PSCL). The entire issued, subscribed, and paid-up equity share capital of Transferor Company 2 is held by the Transferee Company and its nominees. Upon the Scheme becoming effective, no new equity shares of the Transferee Company shall be issued or allotted in lieu of the shares held in Transferor Company 2. The entire equity share capital of Transferor Company 2 shall stand automatically cancelled and extinguished without any further act, instrument, or deed.

ii. **Effect on Promoters:**
The Transferee Company itself is the sole promoter and 100% shareholder of Transferor Company 2. Upon the amalgamation, its investment in Transferor Company 2 will be cancelled.

iii. **Effect on Non-Promoter Shareholders:**
There are no non-promoter shareholders in Transferor Company 2. Therefore, the Scheme has no effect on any non-promoter shareholders.

iv. **Share Exchange Ratio & Valuation Difficulties:**
Given that Transferor Company 2 is a wholly-owned subsidiary and its shares will be cancelled without any fresh issuance of shares, no separate valuation or share exchange ratio is applicable or required for its merger into the Transferee Company. Consequently, no special valuation difficulties were encountered in relation to Transferor Company 2.

b. **Effect on Key Managerial Personnel**

Upon the Scheme becoming effective, the Directors and Key Managerial Personnel (KMPs) of Transferor Company 2 shall not automatically be entitled to hold the office of Director or KMP in the Transferee Company by virtue of the Scheme. However, this shall not affect the position of any person who is already serving as a Director or KMP of the Transferee Company as on the Effective Date, and such persons shall continue to serve in their respective capacities.

Notwithstanding the cessation of their official statutory designations in Transferor Company 2, all KMPs (along with all other employees) of Transferor Company 2 shall be absorbed as employees of the Transferee Company. This transfer of employment shall take effect from the Effective Date, without any break or interruption in service, and on terms and conditions that are not less favourable than their existing engagement immediately preceding the Effective Date.

Conclusion

Having deliberated on the provisions of the Scheme, the Board has carefully evaluated the impact of the Scheme on its shareholder (the Transferee Company being the sole 100% shareholder), Directors, and Key Managerial Personnel. The Board is of the considered view that the Scheme is fair, reasonable, and in the best interests of the Company and these respective stakeholders. The implementation of the Scheme will not cause any prejudice to them in any manner whatsoever.

Limited Review Report on unaudited standalone financial results of Privi Specialty Chemicals Limited for the quarter ended 30 June 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Privi Specialty Chemicals Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Privi Specialty Chemicals Limited (hereinafter referred to as "the Company") for the quarter ended 30 June 2026 ("the Statement").

2. This Statement, which is the responsibility of the Company's management and approved by its Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations"). Our responsibility is to issue a report on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 *"Review of Interim Financial Information Performed by the Independent Auditor of the Entity"*, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Attention is drawn to the fact that the figures for the three months ended 31 March 2026 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Limited Review Report on unaudited consolidated financial results of Privi Speciality Chemicals Limited for the quarter ended 30 June 2026 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Privi Speciality Chemicals Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Privi Speciality Chemicals Limited (hereinafter referred to as "the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") for the quarter ended 30 June 2026 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").

2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.

3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 *"Review of Interim Financial Information Performed by the Independent Auditor of the Entity"*, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

   We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the following entities :

Sr. No	Name of the Entity	Relationship
1	Privi Speciality Chemicals Limited	Parent Company
2	Privi Biotechnologies Private Limited	Wholly Owned Subsidiary
3	Privi Speciality Chemicals USA Corporation	Wholly Owned Subsidiary
4	Prigiv Specialties Private Limited	Subsidiary

5. Attention is drawn to the fact that the figures for the three months ended 31 March 2026 as reported in the Statement are the balancing figures between audited figures in respect of the full previous financial year and the published year to date figures up to the third quarter of the previous financial year. The figures up to the end of the third quarter of previous financial year had only been reviewed and not subjected to audit.

Limited Review Report *(Continued)*

Privi Speciality Chemicals Limited

6. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

7. We did not review the interim financial results of three Subsidiaries included in the Statement, whose interim financial results reflects total revenues (before consolidation adjustments) of Rs. 15,580.50 lakhs, total net (loss) after tax (before consolidation adjustments) of Rs. 132.77 lakhs and total comprehensive loss (before consolidation adjustments) of Rs. 104.81 lakhs, for the quarter ended 30 June 2026, as considered in the Statement. These interim financial results have been reviewed by other auditor whose reports have been furnished to us by the Parent's management and our conclusion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these subsidiaryies, is based solely on the reports of the other auditor and the procedures performed by us as stated in paragraph 3 above.

   Our conclusion is not modified in respect of this matter.
