Dear Sir / Madam,

**Subject: Fire in one of the factories of Privi Organics India Limited (POIL), wholly owned material subsidiary of Fairchem Speciality Limited**

We refer to your mail dated 30<sup>th</sup> April, 2018 seeking clarification on two points in respect of Disclosure made by us for subject under reference under Regulation 30 of SEBI (LODR) Regulations, 2015. We give below point wise reply:

**1. Whether loss/damage covered by insurance or not, including amount.**

Yes. The loss and damage are covered by insurance policies of POIL.

**2. Expected quantum of loss/damage caused.**

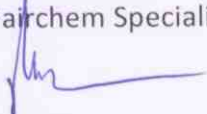

Currently the investigation and evaluation of the damage is underway by the surveyors. The assessment is expected to be completed in four – six weeks. The quantum of the loss and damage can be estimated only on completion of the assessment by the surveyors appointed by the Insurance Company. POIL is also in the process of independently evaluating the quantum of the loss and damage caused. The Company will communicate with the NSE sharing details of such assessment, once the details are available with the Company.

Kindly take note of the above.

Thanking You,

Yours faithfully,

For Fairchem Speciality Limited,

  
Rajen Jhaveri
