A review is substantially less in scope than an audit conducted in accordance with standards on auditing & consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit, accordingly we do not express an audit opinion.

Based on our limited review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with the recognition and measurement principles laid down in aforesaid Accounting Standards (AS) specified under section 133 of the companies act 2013 as amended, read with relevant rules issued thereunder and other recognized accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the listing regulations, including the manner in which it is to be disclosed or that it contains any material misstatement.
