Independent Auditor's Review Report on Standalone Unaudited Financial Results of the Company for the Quarter and Half Year Ended September 30th, 2023 pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended.

To

The Board of Directors

FCS Software Solutions Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of M/s FCS Software Solutions Limited ("the Company") for the quarter and half year ended September 30, 2023, (the "Statement") attached herewith, being submitted by the Company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity" issued by The Institute of Chartered Accountant of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all

significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. We draw attention to Note No. 7 of the Statement, whereas the company has decided to create provision of Rs. 613.52 Lakhs against the loan amount recoverable from M/s FCS Foundation because of uncertainty in the recovery of the same. The Company has decided not to book interest income on the balance outstanding amount. The same will be booked on receipt basis
5. Based on our review conducted as above, nothing has come to our attention that causes us to believe that accompanying statement of unaudited standalone financial results, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with the relevant rules issued there under and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

2	The results have been prepared in accordance with the recognition and measurement principles of applicable Indian Accounting Standards (Ind AS) as notified under the Companies (Indian Accounting Standards) Rules 2015 (as amended) specified under section 133 of the Companies Act 2013 and in compliance with Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
3	The format for Unaudited results as prescribed in SEBI's circular dated 30th November 2015 has been modified to comply with the requirement of SEBI's circular dated 5th July 2017, Ind AS and Schedule III (Division II) of the Companies Act, 2013, applicable to companies that are required to comply with Ind AS.

7	The consolidated results for the quarter and half year ended September 30, 2023 includes management accounts of three foreign subsidiary companies viz. F.C.S. Insync Business Solutions Ltd., Stablescore: Infraservices Private Limited and one Associate Company named M/s Enstaserv E Services Limited.
8	The Board has decided to make a provision of Rs. 613.52 Lakhs against the loan amount recoverable from FCS Foundation because of uncertainty in the recovery of the same. The same will be accounted for on receipt basis whenever the company will be able to recover the same.
9	The figures for the quarter ended September 30, 2023 and September 30, 2022 are the balancing figure between the audited figures in respect of the first half year and the published year to date (unaudited) upto the first quarter of the relevant financial year.
