Subject: FCS Software Solutions wins Infrastructure Management contract with revenue potential of Rs.200 crore over 3 years.

Sir/Madam,

FCS announces the acquisition of a significant client in Middle East in its Infrastructure management verticals. The company has already achieved 21% of revenue in year 2009-10 from Infrastructure Management Services, but with this 3 year contract our revenues from this segment will go up as a percentage of its total business. This segment has an added advantage of being long term and sticky and automatically leads to robust growth.

This three years contract includes data center consolidation, commissioning/ decommissioning managed services, space optimization, energy management, network optimization, capacity planning, 24/7 monitoring, latency management, patch, anti virus, back ups, archiving and disaster recovery management as its scope of work. FCS has achieved turnover of Rs. 2709 million, out of which Rs. 569 million belong to infrastructure management segment during the year 2009-10, and during the year 2008-09 it was Rs.1903 million which include Rs. 323 million of infra management segment, This segment reported a substantial growth of 76% .

FCS has been managing IT Consulting Services, Education, and Infrastructure Management Services for the past 17 years. It's esteemed clientele includes fortune 500 companies in Office Automation, Retail, Software, Food and Beverages, and Investment banks among others.

This is for your information & record.
Thanking You,

Yours truly,
For **FCS Software Solutions Limited.**

Gagan Kaushik
(Company secretary)
