Notes to financial results :

- The Financial Results have been prepared in accordance with the principles and procedures of Indian Accounting Standards ("Ind AS") as notified under the Companies (Indian Accounting Standards) Rules, 2015, as specified in Section 133 of the Companies Act, 2013.
- As the Company has only one Operating Segment, disclosure under Ind AS 108-Operating Segment is not applicable.
- The above results were reviewed by the audit committee and approved by the Board of Directors in their meeting held on May 26, 2023 and the Statutory Auditors of the Company have carried out audit of said financial results for the quarter and year ended March 31, 2023.
- Trade Payables, Trade Receivables and other Loans and Advances given or taken continued to be subject to reconciliation and confirmation. Further Term Loan Accounts with the banks are also subject to reconciliation / confirmation.
- The Company's financial statements are prepared on a going concern basis, which contemplates the realization of assets and the satisfaction of obligations in the normal course of business. It has to be noted that the company has accumulated losses and negative net worth as on 31/03/2023. The current liabilities are exceeding the current assets due to the reason that the outstanding term/Working Capital loans including accrued interest are accounted under the Head of Current liabilities as the same has been termed as NPA by the lenders. The Company is in active discussion with the lenders for resolution of the debt. Considering the continuity of the operations, positive EBITDA, Central Government thrust on the development of Infrastructure projects in the country and the encouraging order book of the company, maintaining a going concern basis of accounting is appropriate.
- The Company has outstanding loans Rs. 41174.28 Lakhs including interest accrued and due thereon from Banks & Financial Institutions which have been declared as non-performing assets (NPA) by these lenders in earlier years as the repayments and interest against these loans have become overdue. In the current FY 2022-23, the company has settled its outstanding debts with Bank of Baroda through One Time Settlement (OTS) and the impact of the same has been disclosed in the Exceptional Item of Profit & Loss A/c. The company is in active discussion with other lenders also for similar resolutions. Further, the Company has classified all its borrowings from banks & Financial institution as current liabilities.
- The figures for the quarter ended March 31, 2023 and corresponding quarter ended March 31, 2022 are derived balancing figures between audited figures for the full financial year ended March 31, 2023 and March 31, 2022 respectively.
- The figures for the previous period have been re-grouped/re-classified to make them comparable with the figures for the current period.
- The Audited Financial Results for the Quarter and Year ended March 31, 2023 is available on the website of the Company <https://aiml.in> and the website of BSE i.e. www.bseindia.com
