**About Felix:** Founded in 2010, Felix Industries Limited is a leader in environmental conservation, dedicated to sustainable practices through innovative technologies. Today, Felix Industries is renowned as a high-performance water reclamation company delivering end-to-end solutions that encompass the entire spectrum of integrated water management. Felix Industries champions a Zero Waste Philosophy with a focus on Recycling, Re-using, Recovering, and Reducing, especially in wastewater management. The company's expertise extends across segments, such as Water & Wastewater Management, Solid Waste Management (both hazardous and non-hazardous), and Hydrocarbon Recycling. It boasts a robust presence in both India and Oman, equipped with cutting-edge manufacturing facilities. The company has successfully completed more than 100 projects and processed substantial amounts of waste and wastewater. With a portfolio of proprietary technologies and a patent for salt recovery, Felix also operates a large government-approved e-waste recycling
