**Ref: Clarification dated 4<sup>th</sup> February 2026 on NSE Portal**

Dear Sir / Madam,

We refer to NSE's communication dated 4<sup>th</sup> February 2026 seeking clarification on Financial results submitted in XBRL with discrepancies \_EPS mismatch between pdf and XBRL.

**NSE's query:** Financial results submitted in XBRL with discrepancies \_EPS mismatch between pdf and XBRL

**Clarification:**

With reference to the query regarding the mismatch in Earnings Per Share (EPS) between the PDF financial results and the XBRL submission, we wish to clarify that the financial results submitted in PDF format to the Stock Exchange are correct and duly approved by the Board.

The discrepancy has arisen solely due to an inadvertent omission while preparing the XBRL filing, wherein the EPS value was not captured. The correct Basic and Diluted EPS for the relevant period is **4.66**, which is correctly reflected in the signed PDF financial results submitted to the Exchange.

The discrepancy is purely clerical in nature and does not impact any other financial information or the financial results approved by the Board. We sincerely regret this inadvertent error.

The Company is taking immediate steps to file the revised XBRL submission incorporating the correct EPS value of **4.66** and requests the Exchange to kindly take the same on record.

Kindly consider this clarification letter.

We hope the above clarification would suffice and request you to take Financial Results for the quarter, half year ended 30<sup>th</sup> September, 2025 on your records.

Thanking You,
