**INDEPENDENT AUDITOR'S REVIEW REPORT ON THE QUARTERLY AND HALF YEARLY
STATEMENT OF UNAUDITED FINANCIAL RESULTS**

**To the Board of Directors of
Fidel Softech Limited**

1. We have reviewed the accompanying Statement of unaudited financial results of **Fidel Softech Limited** (the "Company") for the quarter and half year ended September 30, 2024, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard 25 "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review of interim financial information consists of making enquiries, primarily of persons responsible for financials and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that

we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement of Un-audited Financial Results, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies, has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

From the desk of our Managing Director

- 10.86% revenue growth over Q1 of FY 24-25
- 44.7 % revenue growth over Q2 of FY 23-24 & 40% revenue growth over H1 of FY 23-24

This is our straight **10th quarter** where we continue to better than our previous quarter. We have been adding to our cash reserves the free cash flow generated during the period. Our EPS is improving, and we are focused working on further improving the EPS to double digits.

Financial Highlight for Q2 (July-Sept) FY24-25

(₹ in Cr.)

Particulars	Q2 2024-25	Q1 2024-25	Q2 2023-24
Revenue	13.82	12.46	9.55
Profit Before Tax	3.19	2.80	2.17
PAT	2.37	2.11	1.64
EPS	1.73	1.54	1.2

Financial Highlight for H1 (Apr-Sept) FY24-25

(₹ in Cr.)

Particulars	Apr-Sept 2024	Apr-Sept 2023
Revenue	26.28	18.77
Profit Before Tax	5.99	4.30
PAT	4.48	3.21
EPS	3.26	2.33

Some of the key wins and strategic insights for the quarter include:

- This quarter Fidel delivered product internationalization support to a listed Indian firm supporting in 11 global languages
- It successfully delivered an end-to-end implementation of Infor Syteline project in Japan geography for a US manufacturing client.
- The Hyderabad office operations continue to be steady and show incremental progress.
- Fidel has also initiated technical partnerships with E2E (API GPU Cloud & data center provider) & Cisco for further support. It's managed services & infrastructure support practice.
- This quarter Fidel signed up MOU with a Japanese firm for supporting their dev center for migration of application to cloud.
- We brought the yearly salary appraisal cycles to July – June cycle. This helps us stabilize the Q1 and absorb any cost impact in Q2 which has been traditionally strong for us.
- Fidel has setup a wholly owned subsidiary (WOS) in the US. It has also setup a small office in Delhi.

35 New hiring's (Including employees, consultants, and Interns) in Q2 (24-25)

- The outlook is fairly positive. This year we had decided to plan to pursue an avg 8-10% growth per quarter and overall H1 has a sequential 10%+ per Q growth.
- Our focus on Account Management is helping us to get better insight and visibility in some of our strategic accounts that we have marked for future growth. Our new Japan – India consulting practice is also showing some traction and we see some interest in setting up small ODCs/GCCs in India, market research for certain domains etc.
- We have also participated in few govt related RFPs (for which we have to show a setup in Delhi and hence the Delhi branch office).
- We are seeing some traction & increase in queries for Infor Syteline practice. We are also seeing scope for language engineering services.
- While business from Japan is stable, we continue to focus on India / US-Europe geographies to tap new business. We have set up a US subsidiary and have started reaching out to US clients for more opportunities
- Fidel also setup a MOU with a Japanese client for a 15-month work and should see some traction from Q4 onwards
- We are looking at few inorganic growth opportunities for growth. While we are not rushing into anything, we are exploring new complimentary competencies, geographies and scale.
- We continue to focus on building & training our next level of leadership team comprising of 25+ members who are the cohesive force behind consistent & sustainable growth.
- We are cautiously positive about the economic outlook and continue to focus on building and expanding our core competencies as well as increasing opportunities to expand into new geographies through new partnerships.

Thank You.
