FlySBS Aviation Signs Long-Term Aviation Fuel Supply Agreement with HPCL

Chennai - September 23, 2026 – FlySBS Aviation Limited (FLYSBS), a private jet charter and business aviation operator, has entered into a long-term Aviation Fuel Supply Agreement with Hindustan Petroleum Corporation Limited (HPCL), a Government of India Maharatna Central Public Sector Enterprise with a nationwide aviation fuelling network.

Structured on the IATA Model Terms for Aviation Fuel Supply and administered through a Location Agreement to meet FlySBS's operational requirements across HPCL's aviation fuelling network in India. The agreement will support reliable Jet A-1 fuel availability, consistent service, competitively priced and operational coordination across HPCL's aviation fuelling network.

Speaking on the occasion, Mr. R. Amba Shankar, Director & CEO, FlySBS Aviation Limited, said the agreement would enhance planning certainty, operational coordination and support FlySBS's future growth plans, including fleet and network expansion.

Commenting on the development, Mr. Kannan Ramakrishnan, Director of FlySBS Aviation Limited, said: *"This partnership with HPCL strengthens our operating framework as we continue to expand our business aviation services across India. HPCL's aviation fuel network, operational experience and service standards will support FlySBS in delivering dependable and efficient travel solutions to our customers."*

Commenting on the development, Mr. Sibi Mathew, Executive Director – Aviation, HPCL, said: *"HPCL is pleased to partner with FlySBS Aviation Limited and support its aviation fuel requirements across our network. We look forward to delivering safe, reliable and quality-assured fuelling services that meet the needs of business aviation customers."*
