Commenting on the performance, Mr. Amit Sheth, Managing Director of Focus Lighting & Fixtures said, “During Q3 and 9M FY26, the Company demonstrated operational resilience amid a challenging demand environment. While revenues for 9M FY26 remained stable at ₹123.47 Cr on a standalone basis, profitability was impacted due to project mix, competitive pricing pressures, and higher operating costs. Despite this, our core businesses across Retail and Home Lighting continued to contribute meaningfully, reflecting the strength of our diversified portfolio and long-standing customer relationships.

We made steady progress on the operational front by securing key infrastructure and commercial orders, including projects from Ahmedabad Municipal Corporation, Gandhinagar Municipal Corporation and PSP Projects, which reinforce our credentials in the institutional and infrastructure segments. Our

focus remains on improving execution efficiency, optimizing costs, and strengthening margins, while continuing to invest in technology-led and design-driven lighting solutions.

Looking ahead, we remain confident that improving order inflows, disciplined working capital management, and our expanding presence in infrastructure and façade lighting will support a gradual recovery in profitability and sustainable long-term growth."
