Higher FDI limit for CCEA nod seen to quicken M&As

- No visible rush of deals above ₹5k-cr since March 2016

MUKESH JAGOTA
New Delhi, August 11

LARGE FDI PROPOSALS APPROVED BY CCEA SINCE 2016

Year	Proposal	Transaction	FDI value unlocked (₹ cr)
April 2016	Viom Networks	ATC Asia Pacific acquires 51% of Viom Networks	5,857
May 2016	YES Bank	Foreign investment limit raised from 41.87% to 74%	6,885
July 2016	Axis Bank	Foreign investment limit raised from 62% to 74%	12,973
May 2017	Twin Star Technologies	Investment from Twin Star Overseas, Mauritius	Up to 9,000
February 2019	Vodafone Idea*	Proposed rights issue/ equity-linked securities	5,000-25,000
November 2020	ATC Telecom Infrastructure	ATC Asia Pacific acquires 12.32% stake	5,417 **
Septmber 2023	Suven Pharmaceuticals	Berhyanda, Cyprus acquires up to 76.1%	Up to 9,589

Note: In March 2016, the government raised the threshold for FDI proposals requiring CCEA approval to ₹5,000 crore from ₹3,000 crore; * Company already had approval for 100% foreign equity ** Total cumulative FDI

ONLY SEVEN FOREIGN Direct Investment (FDI) proposals have required approval of the Cabinet Committee on Economic Affairs (CCEA) since the floor above which projects need clearance from the top decision-making body was raised to ₹5,000 crore in March 2016.

Other than the FDI transaction of ₹25,000 crore regarding Vodafone Idea's fully subscribed rights issue, no single inflow exceeded the new threshold of ₹15,000 crore for CCEA approval which the government is reportedly going to introduce.

According to government sources, the floor for CCEA nod is being reviewed given the prevailing economic conditions and India's increasing attraction as an investment destination for large scale projects in key strategic sectors amidst liberal government support. But a look at the FDI proposals of the last few years doesn't indicate a visible rush of poposals requiring CCEA approvals

Analysts flag issues of inflation and rupee depreciation. The last revision that raised the floor to ₹5,000 crore from ₹3,000 crore was 10 years ago. At that time, a sum of ₹5,000 crore amounted to $750 million, but at current exchange rate, it is worth about $525 million only.

The proposed increase in CCEA threshold does not change how much an investor can invest in India, or the sectoral caps, in the small set of areas where they exist.

"It changes the process once the investment gets large enough. That distinction matters, particularly in Mergers and Acquisitions (M&A), where an additional approval can become part of the closing timetable and add uncertainty to the deal," Managing Partner at SVAS Business Advisors Vishwas Panjiar said.

"The reshaping of global supply chains gives India an opportunity, but it also means India has to compete harder for that capital. The recent changes to FDI, capital markets and regulatory approvals are broadly moving in the same direction: reducing the friction around bringing capital into India," he added.

Before 2010, all FDI proposals worth more than ₹600 crore went to CCEA for approval. In February 2010 it was raised to ₹1,200 crore and then by April 2015 to ₹3,000 crore.

This liberalisation in limits was accompanied by abolition of Foreign Investment Promotion Board (FIPB) in May 2017.

India needs foreign capital, the rupee has been under pressure and global investors have more choices than they did a few years ago.

This latest proposal follows in a series of steps taken by the government to boost foreign investment inflows. While debt raising overseas has brought in substantial funds in the short-term, FDI will deliver long-term investments.

Recently the government operationalised FDI in e-commerce for export. Reports suggest that it is also considering a proposal to exempt foreign companies from obtaining fresh approvals for downstream investments.

In May the Department for Promotion of Industry and Internal Trade (DPIIT) had revised the Standard Operating Procedure (SOP) for Processing FDI proposals. This was done to streamline and digitise the approval framework for FDI proposals requiring government nod.

The SOP replaces the earlier framework of 2017 and introduced expanded compliance, disclosure and monitoring requirements. It extends the disposal time line to 12 weeks from 10 weeks.

It, however, puts a fixed time frame for even the security clearance from the Ministry of Home Affairs (MHA) and approvals from the Ministry of External Affairs (MEA) and Reserve Bank of India (RBI).

Under the new procedure for FDI clearance, all Ministries and Departments consulted on any proposal, including RBI, MHA and MEA shall provide their comments within the prescribed timeline.

LS approves Bill to rename Kerala as Keralam

THE LOK SABHA on Tuesday passed a Bill to rename Kerala as 'Keralam' without a debate, with the government taking a swipe at Congress MPs from the state for not participating in a discussion on the matter.

The Kerala Assembly passed a resolution in 2024 urging the Centre to bring a law to change the name of the state to Keralam. The Kerala (Alteration of Name) Bill, 2026, moved by Union Minister of State for Home, Nityanand Rai, was passed by a voice vote without any debate amid sloganeering. "It seems the Congress MPs are not in favour of the renaming," Rai said, taking a swipe at the party that governs Kerala. The Lok Sabha on Tuesday passed a Bill to broaden the mandate of the National Cooperative Development Corporation (NCDC) to give loans and grants directly to cooperative societies without a debate. MoS for Cooperation, Murlidhar Mohol, moved the National Cooperative Development Corporation (Amendment) Bill, 2026. **—PTI**

Crop insurance registrations in Maharashtra rise to 8.14 mn

PRESS TRUST OF INDIA
MUMBAI, AUGUST 11

THE NUMBER OF farmers registering for crop insurance in Maharashtra has risen to 8.14 million following a 10-day extension granted by the state government.

"The response has improved satisfactorily after the 10-day extension. A total of 81,40,913 farmers have registered as of August 10," an official from the state cooperation department told PTI.

The registration deadline for non-borrower farmers (those who have not taken crop loans) has ended, while the banks have been given time until the end of August to submit details of borrower farmers and pay their insurance premiums to the concerned crop insurance companies.

Of the total registrations, 77,16,246 are non-borrowers. The total sum insured under the scheme stands at ₹30,281 crore.

The state had initially set July-end as the deadline for registration. By then, only

61,82,218 farmers had enrolled, compared with around 9.5 million farmers who had registered under the scheme last year.

The lower response this year was attributed to farmers not receiving expected benefits from the crop insurance scheme last year and the tighter eligibility criteria introduced for the current season. The government subsequently extended the registration period by 10 days.

Banks have been allowed to complete the registration of borrower farmers and remit their insurance premiums by the end of August. They will deduct the insurance premium from the loan amount and pay it to the crop insurance company, while the remaining amount will be disbursed to the farmer as a loan.

Around 3.1 million farmers in Maharashtra had taken crop loans by July-end last year, of whom nearly 1.6 lmillion had borrowed for sugarcane cultivation. Sugarcane is not covered under the crop insurance scheme.

Considering the remaining borrower farmers, the total number of such farmers registering for crop insurance could rise to around 1 million this year.

Nanded recorded the highest number of registrations at 9,48,736, followed by Beed (9,34,802), Latur (6,21,776), Parbhani (5,23,392) and Ahilyanagar (5,00,232).

The lowest registrations were recorded in Ratnagiri (10,426), Kolhapur (11,182), Raigad (16,034), Sindhudurg (24,225) and Gadchiroli (25,182)

RS passes Tribunals Reforms Bill, 2026

THE RAJYA SABHA on Tuesday passed a Bill to set up a National Tribunal Commission to select chairpersons and members for various tribunals across the country.

The Bill was passed by the Lok Sabha on Monday.

Earlier, Opposition INDIA bloc parties staged a walkout from the Upper House in the post-lunch sitting after Leader of Opposition Mallikarjun Kharge was not allowed to speak by the Chair, as the Upper House debated The Tribunals Reforms Bill, 2026. Replying to the debate on the Bill, Minister for Law and Justice Arjun Ram Meghwal said tribunals play a complementary role to ensure speedy justice. **PTI**
