We request you to kindly take the same into records.

Thanking You,

Yours truly,

For Four Soft Limited

A.SRIDHAR
Company Secretary

American Lamprecht USA Selects Four Soft Visibility Solution, 4S Visilog®

14th August'12, Hyderabad: Four Soft® (4S®) (NSE: "FOURSOFT", BSE: 532521), a global leader offering software solutions for logistics, transportation and supply-chain management (SCM) industry is pleased to announce that it has signed a new deal with American Lamprecht Transport, one of the global leading providers of supply chain solutions based out of USA for the implementation of its visibility solution 4S Visilog®. The contract was executed through Four Soft USA, a subsidiary of Four Soft Limited, India.

American Lamprecht Transport was incorporated in 1969 under New York state law as a subsidiary of Lamprecht Transport Ltd., founded in 1945 by A. Lamprecht. Since then, the Swiss company is family owned. Many years of hard work and the tireless commitment of employees have brought one success after another. The specialists have strategically located branches in Chicago, New York, Los Angeles, Houston and Duncan, SC.

Hans Peter Widmer, President and CEO, American Lamprecht Transport, said, "Deployment of Four Soft's visibility solution will benefit American Lamprecht Transport as it would monitor real-time visibility of shipments throughout the execution process, support in supply-chain integration, streamline business processes and help in maximizing our return on investment." **He further added,** "Gaining visibility is the top most priority for our business and this solution is ideal as it will not only facilitate collaborative connectivity, but also result in operational excellence and delivering highest customer satisfaction."

Krishna Rallabhandi, Vice President & MD, Four Soft USA, said, "We are proud to be associated with American Lamprecht Transport to implement our global control tower application, 4S Visilog®. We have been chosen as their partner of choice because of our proven expertise in delivering "best-in-class" applications that now are mobile enabled as well. Our solution has the capability to minimize delivery schedules, analyze shipment priorities and handle mission critical business operations with ease." **He further added,** "We are confident that American Lamprecht would deliver increased value to its customers thereby improving overall profitability of their businesses."

4S Visilog® is Four Soft's collaborative web portal for order management and visibility. Built on J2EE platform with a native browser interface, 4S VisiLog® helps linking Business Partners, Associates, Service Providers and Customers. It is designed to provide real time event information and automated alerts along with visibility across the supply chain managed by workflows. 4S VisiLog® is command and control centre for global operations.
