^SUBJECT TO FINALISATION OF THE BASIS OF ALLOTMENT
****AFTER EMPLOYEE DISCOUNT***

THE FACE VALUE OF THE EQUITY SHARE IS ₹ 2 EACH AND THE ISSUE PRICE WAS 152.50 TIMES THE FACE VALUE OF EQUITY SHARE. THE PRICE BAND AND THE MINIMUM BID LOT WAS DETERMINED BY OUR COMPANY IN CONSULTATION WITH THE BOOK RUNNING LEAD MANAGERS (THE "BRLMS") AND WAS ADVERTISED IN ALL EDITIONS OF THE FINANCIAL EXPRESS (A WIDELY CIRCULATED ENGLISH NATIONAL NEWSPAPER), ALL EDITIONS OF JANSATTA (A WIDELY CIRCULATED HINDI NATIONAL NEWSPAPER) AND MUMBAI EDITION OF NAVSHAKTI (A WIDELY CIRCULATED MARATHI DAILY NEWSPAPER, MARATHI BEING THE REGIONAL LANGUAGE OF MAHARASHTRA, WHERE THE REGISTERED AND CORPORATE OFFICE IS LOCATED) TWO WORKING DAYS PRIOR TO THE BID/ISSUE OPENING DATE AND WAS MADE AVAILABLE TO THE STOCK EXCHANGES FOR UPLOADING ON THEIR RESPECTIVE WEBSITES IN ACCORDANCE WITH THE SEBI ICDR REGULATIONS.

THE ISSUE INCLUDED A RESERVATION OF 120,274 EQUITY SHARES OF FACE VALUE OF ₹ 2 EACH, AGGREGATING TO ₹ 35.00 MILLION (CONSTITUTING 0.08% OF THE POST-ISSUE PAID-UP EQUITY SHARE CAPITAL) FOR SUBSCRIPTION BY ELIGIBLE EMPLOYEES ("EMPLOYEE RESERVATION PORTION"). OUR COMPANY, IN CONSULTATION WITH THE BRLMS HAS OFFERED A DISCOUNT OF 4.59% OF THE ISSUE PRICE TO ELIGIBLE EMPLOYEES BIDDING IN THE EMPLOYEE RESERVATION PORTION ("EMPLOYEE DISCOUNT"), SUBJECT TO NECESSARY APPROVALS AS MAY BE REQUIRED. THE ISSUE LESS THE EMPLOYEE RESERVATION PORTION IS HEREINAFTER REFERRED TO AS THE "NET ISSUE". THE ISSUE AND THE NET ISSUE SHALL CONSTITUTE 11.10% AND 11.01% OF THE POST-ISSUE PAID-UP EQUITY SHARE CAPITAL OF OUR COMPANY, RESPECTIVELY.

The Issue was made in terms of Rule 19(2)(b) of the SCRR, read with Regulation 31 of the SEBI ICDR Regulations. The Issue was made through the Book Building Process and was in compliance with Regulation 6(1) of the SEBI ICDR Regulations, wherein in terms of Regulation 32(1) of the SEBI ICDR Regulations, not more than 50% of the Net Issue was made available for allocation on a proportionate basis to Qualified Institutional Buyers ("**QIBs**", and such portion, the "**QIB Portion**"), provided that our Company in consultation with the BRLMs allocated 60% of the QIB Portion to Anchor Investors on a discretionary basis, in accordance with the SEBI ICDR Regulations, of which 40% was reserved in the following manner (i) 33.33% of the Anchor Investor Portion was reserved for domestic Mutual Funds; and (ii) 6.67% of the Anchor Investor Portion was reserved for Life Insurance Companies and Pension Funds, subject to valid Bids been received from domestic Mutual Funds, Life Insurance Companies and Pension Funds, as applicable, at or above the Anchor Investor Allocation Price. Any under-subscription in the Life Insurance Companies and Pension Funds category specified in (ii) above was allocated to domestic Mutual Funds, in accordance with the SEBI ICDR Regulations. In the event of under-subscription or non-allocation in the Anchor Investor Portion, the balance Equity Shares were added to the QIB Portion (other than the Anchor Investor Portion) (the "**Net QIB Portion**"). Further, 5% of the Net QIB Portion was made available for allocation on a proportionate basis only to Mutual Funds and the remainder of the net QIB Portion was made available for allocation on a proportionate basis to all QIB Bidders (other than Anchor Investors) including Mutual Funds, subject to valid Bids been received at or above the Issue Price. Further, not less than 15% of the Net Issue was made available for allocation to Non-Institutional Bidders out of which (a) one-third of such portion was reserved for applicants with application size of more than ₹ 0.2 million and up to ₹ 1.00 million; and (b) two-third of such portion was reserved for applicants with application size of more than ₹ 1.00 million, provided that the unsubscribed portion in either of such sub-categories was made available for allocation to applicants in the other sub-category of Non-Institutional Bidders, subject to valid Bids been received at or above the Issue Price and not less than 35% of the Net Issue was made available for allocation to Retail Individual Bidders ("**RIBs**") in accordance with the SEBI ICDR Regulations, subject to valid Bids been received from them at or above the Issue Price. All potential Bidders (except Anchor Investors) were required to mandatorily utilise the Application Supported by Blocked Amount ("**ASBA**") process by providing details of their respective bank accounts (including UPI ID for UPI Bidders using UPI Mechanism) in which the Bid Amount was blocked by the SCSBs or the Sponsor Bank(s), as the case may be, to the extent of their respective Bid Amounts. Anchor Investors were not permitted to participate in the Issue through the ASBA process. For details, specific attention is invited to "*Issue Procedure*" on page 537.

All references to the "U.S.", "US", "USA" or the "United States" are to the United States of America and its territories and possessions.

Unless otherwise specified, any time mentioned in this Prospectus is in Indian Standard Time **("IST**"**).** Unless indicated otherwise, all references to a year in this Prospectus are to a calendar year.

Unless stated otherwise, all references to page numbers in this Prospectus are to the page numbers of this Prospectus.

Financial and Operational Data

Our Company's financial year commences on April 1 of the immediately preceding calendar year and ends on March 31 of that particular calendar year. Unless stated otherwise, all references in this Prospectus to the terms "Fiscal" or "Financial Year" or "FY" unless stated otherwise, are to the 12-month period commencing on April 1 of the immediately preceding calendar year and ending on March 31 of that particular calendar year.

Unless stated otherwise or where the context otherwise requires, the financial information and financial ratios in this Prospectus is derived from the Restated Consolidated Financial Information.

The Restated Consolidated Financial Information of our Company and our Subsidiaries, our Associate and our Joint Ventures, comprising of the restated consolidated statement of assets and liabilities of our Company and our Subsidiaries, our Associate and our Joint Ventures for the financial years ended March 31, 2026 , March 31, 2025 and March 31, 2024 , the restated consolidated statements of profit and loss (including other comprehensive income), the restated consolidated statement of changes in equity and the restated statement of cash flows of our Company and our Subsidiaries, our Associate and our Joint Ventures for the financial years ended March 31, 2026 , March 31, 2025 and March 31, 2024 , the summary statement of material accounting policies, and other explanatory notes derived from our audited financial statements for the financial years ended March 31, 2026 , March 31, 2025 and March 31, 2024, each prepared in accordance with Ind AS and restated in terms of the requirements of Section 26 of Part I of Chapter III of the Companies Act, SEBI ICDR Regulations and the Guidance Note on "Reports in Company Prospectuses (Revised 2019)" issued by Institute of Chartered Accountants of India, as amended from time to time. Further, certain operational data presented in this Prospectus for Fiscals 2024 and 2025 includes the relevant operational data of (i) Evie Real Estate Private Limited, which was acquired by our Company in Fiscal 2025, and (ii) Horizon Projects Private Limited, which was amalgamated with our Subsidiary, Evie Realty Private Limited ("**ERPL**"), and subsequently, ERPL was renamed as 'Horizon Projects Private Limited' in Fiscal 2026. For further details, please see "*History and Certain Corporate Matters*" on page 230.

For further information, see "*Restated Consolidated Financial Information*" on page 283.

Our Statutory Auditors have provided no assurance or services related to any prospective financial information in this Prospectus.

There are significant differences between the Ind AS, the IFRS and the Generally Accepted Accounting Principles in the United States of America (the "**U.S. GAAP**"). Accordingly, the degree to which the financial information included in this Prospectus will provide meaningful information is entirely dependent on the reader's level of familiarity with Indian accounting practices. Any reliance by persons not familiar with accounting standards in India, the Ind AS, the Companies Act, 2013 and the SEBI ICDR Regulations, on the financial disclosures presented in this Prospectus should accordingly be limited. We have not attempted to quantify or identify the impact of the differences between the financial data (prepared under Ind AS and IFRS/ U.S. GAAP), nor have we provided a reconciliation thereof. We urge you to consult your own advisors regarding such differences and their impact on our financial data included in this Prospectus.

In this Prospectus, any discrepancies in any table between the total and the sums of the amounts listed are due to rounding off. All figures in decimals have been rounded off to the second decimal and all percentage figures have been rounded off to two decimal places. In certain instances, (i) the sum or percentage change of such numbers may not conform exactly to the total figure given; and (ii) the sum of the numbers in a column or row in certain tables may not conform exactly to the total figure given for that column or row. However, where any figures that may have been sourced from third-party industry sources are rounded-off to other than two decimal points in their respective sources, such figures appear in this Prospectus as rounded-off to such number of decimal points as provided in such respective sources.

Unless the context otherwise indicates, any percentage amounts, or ratios (excluding certain operational metrics), relating to the financial information of our Company as set forth in "*Risk Factors*", "*Our Business*", "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" and "*Other Financial Information*" on pages 18, 183, 401 and 394, respectively, and elsewhere in this Prospectus have been calculated on the basis of amounts derived from our Restated Consolidated Financial Information.

Non-GAAP Financial Measures

Certain Non-GAAP financial measures relating to our financial performance such as Gross Margin, EBITDA, EBITDA Margin, Adjusted EBITDA, Adjusted EBITDA Margin, Net Debt and Net Debt to Equity Ratio (together, "**Non-GAAP Measures**"), and certain other industry metrics and financial parameters have been included in this Prospectus. We compute and disclose such financial measures relating to our financial performance as we consider such information, when taken collectively with financial measures prepared in accordance with Ind AS, to be useful measures of our business and financial performance for investors and other users. Further, these Non-GAAP Measures are not a measurement of our financial performance or liquidity under Ind AS, Indian GAAP, or IFRS and should not be considered in isolation or construed as an alternative to cash flows, profit/ (loss) for the years/ period or any other measure of financial performance or as an indicator of our operating performance, liquidity, profitability or cash flows generated by operating, investing or financing activities derived in accordance with Ind AS, Indian GAAP, or IFRS. These Non-GAAP Measures and other information relating to our financial and operational performance may not be computed on the basis of any standard methodology that is applicable across the industry and therefore may not be comparable to financial measures of similar nomenclature that may be computed and presented by other companies and are not measures of operating performance, liquidity, profitability or cash flows defined by Ind AS. Such supplemental financial and operational information should not be considered in isolation or as a substitute for an analysis of our financial information prepared in accordance with Ind AS and presented in the form of the Restated Consolidated Financial Information disclosed elsewhere in this Prospectus. For further details see "*Other Financial Information – Non-GAAP Measures*" on page 394 and "*Risk Factors — Internal Risk Factors — We have included certain Non-GAAP Measures, industry metrics and key performance indicators related to our operations and financial performance in this Prospectus that are subject to inherent measurement challenges. These Non-GAAP Measures, industry metrics and key performance indicators may not be comparable with financial, or industry-related statistical information of similar nomenclature computed and presented by other companies. Such supplemental financial and operational information is therefore of limited utility as an analytical tool for investors and there can be no assurance that there will not be any issues or such tools will be accurate going forward*" on page 55.

Currency and Units of Presentation

All references to "Rupees" or "₹" or "INR" or "Rs." are to Indian Rupee, the official currency of the Republic of India. All references to "USD" or "US$" or "$" are to United States Dollar, the official currency of the United States of America.

Our Company has presented certain numerical information in this Prospectus in "million" units or in whole numbers where the numbers have been too small to represent in such units. One million represents 1,000,000, one billion represents 1,000,000,000 and one trillion represents 1,000,000,000,000. One lakh represents 100,000 and one crore represents 10,000,000.

Figures sourced from third-party industry sources may be expressed in denominations other than millions or may be rounded off to other than two decimal points in the respective sources, and such figures have been expressed in this Prospectus in such denominations or rounded-off to such number of decimal points as provided in such respective sources. Any percentage amounts, as set forth in *'Risk Factors'*, *'Our Business'* and *'Management's Discussion and Analysis of Financial Conditions and Results of Operations'* on pages 18, 183, and 401 and elsewhere in this Prospectus, unless otherwise indicated, have been calculated based on our Restated Consolidated Financial Information.

Industry and Market Data

Unless stated otherwise, information pertaining to the industry in which our Company operates in and market data used in this Prospectus has been obtained or derived from the JLL Report and publicly available information as well as other industry publications and sources. Unless otherwise indicated, all financial, operational, industry and other related information derived from the JLL Report and included herein with respect to any particular year refers to such information for the relevant calendar year.

JLL is an independent agency which has no relationship with our Company, our Subsidiaries, our Promoter, any of our Directors, Key Managerial Personnel, Senior Management or the Book Running Lead Managers. The JLL Report has been commissioned by and paid for by our Company pursuant to engagement letter with JLL dated August 18, 2026, exclusively for the purposes of confirming our understanding of the industry in which our Company operates, in connection with the Issue. The JLL Report is available on the website of our Company at https://runwalenterprises.com/investor-relations.php from the date of this Prospectus until the Bid/ Issue Closing Date. JLL has, through its letter dated September 11, 2026, accorded its consent to use the JLL Report in this Prospectus.

No investment decisions should be based on such information. Although we believe that the industry and market data used in this Prospectus is reliable, the data used in these sources may have been re-classified by us for the purposes of presentation. Data from these sources may also not be comparable.

The extent to which the market and industry data used in this Prospectus is meaningful depends on the reader's familiarity with and understanding of the methodologies used in compiling such data. There are no standard data gathering methodologies in the industry in which business of our Company is conducted, and methodologies and assumptions may vary widely among different industry sources. Such data involves risks, uncertainties and numerous assumptions and is subject to change based on various factors, including those discussed in "*Risk Factors – Internal Risk Factors – Industry information included in this Prospectus has been derived from an industry report commissioned by us, and paid for by us for such purpose. There can be no assurance that such third-party statistical, financial and other industry information is either complete or accurate.*" on page 52.

In accordance with the SEBI ICDR Regulations, "*Basis for Issue Price*" on page 113 includes information relating to our peer group companies. The data included herein includes excerpts from the JLL Report. There are no parts, data or information (which may be relevant for the proposed Issue), that have been left out or changed in any manner. Data from these sources may also not be comparable. Such industry and third-party related information have been derived from publicly available sources. Such industry sources and publications are also prepared based on information as at specific dates and may no longer be current or reflect current trends.

FORWARD-LOOKING STATEMENTS

This Prospectus contains certain statements which are not statements of historical fact and may be described as "forward-looking statements". These forward-looking statements include statements which can generally be identified by words or phrases such as "aim", "anticipate", "are likely", "believe", "continue", "can", "could", "expect", "estimate", "intend", "may", "likely", "objective", "plan", "project", "propose", "shall", "will continue", "seek to", "will achieve", "will likely", "will pursue" or other words or phrases of similar import. Similarly, statements that describe the strategies, objectives, plans or goals of our Company and statements regarding our expected financial conditions, results of operations, business plans and prospects are also forward-looking statements. These forward-looking statements include statements as to our business strategy, plans, revenue and profitability (including, without limitation, any financial or operating projections or forecasts) and other matters discussed in this Prospectus that are not historical facts. However, these are not the exclusive means of identifying forward-looking statements.

These forward-looking statements are based on our current plans, estimates, presumptions and expectations and actual results may differ materially from those suggested by such forward-looking statements. All forward-looking statements are subject to risks, uncertainties and assumptions about us that could cause actual results to differ materially from those contemplated by the relevant forward-looking statement. This may be due to risks or uncertainties associated with our expectations with respect to, but not limited to, regulatory changes pertaining to the real estate industry in which we operate and our ability to respond to them, our ability to successfully implement our strategies, our growth and expansion, technological changes, our exposure to market risks, general economic and political conditions in India and globally, which have an impact on our business activities or investments, the monetary and fiscal policies of India, inflation, deflation, unanticipated turbulence in interest rates, foreign exchange rates, equity prices or other rates or prices, the performance of the financial markets in India and globally, changes in domestic laws, regulations and taxes, changes in competition in our industry and incidence of any natural calamities and/or acts of violence.

For a discussion of the important factors that could cause our actual results to differ from expectations, see "*Risk Factors*", "*Our Business*" and "*Management's Discussion and Analysis of Financial Conditions and Results of Operations*" on pages 18, 183 and 401, respectively. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. As a result, actual future gains or losses could be materially different from those that have been estimated. Forward-looking statements reflect our current views as of the date of this Prospectus and are not a guarantee of future performance. These statements are based on our management's belief and assumptions, which in turn are based on currently available information. Although we believe that the assumptions on which such statements are based are reasonable, any such assumptions as well as statements based on them could prove to be inaccurate.

We cannot assure investors that the expectations reflected in these forward-looking statements will prove to be correct. Given these uncertainties, investors are cautioned not to place undue reliance on such forward-looking statements and not to regard such statements as a guarantee of future performance.

Neither our Company, our Directors, our Promoter, the BRLMs nor the Syndicate or any of their respective affiliates have any obligation to update or otherwise revise any statements reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition.

In accordance with the requirements of SEBI ICDR Regulations, our Company ensured that Bidders in India were informed of material developments from the date of this Prospectus in relation to the statements and undertakings made by our Company in this Prospectus until the time of the grant of listing and trading permission by the Stock Exchanges for the Issue.

SECTION II – RISK FACTORS

An investment in Equity Shares involves a high degree of risk. Potential investors should carefully consider all of the information in this Prospectus, including the risks and uncertainties described below, before making an investment in the Equity Shares.

This Prospectus contains certain forward-looking statements that involve risks, assumptions, estimates and uncertainties. Our actual results could differ materially from those anticipated in these forward-looking statements as a result of various factors, including the considerations described in this section and elsewhere in this Prospectus. See "Forward-Looking Statements" on page 17 of this Prospectus.

We have described the risks and uncertainties that we believe are material, but these risks and uncertainties may not be the only risks relevant to us, our Equity Shares, or the industry in which we currently operate or propose to operate. Additional risks and uncertainties not presently known to us or that we currently believe to be immaterial may also have an adverse impact on our business, reputation, results of operations, cash flows and financial condition. If any or a combination of the following risks, or other risks that are not currently known or are currently deemed immaterial, actually occur, our business, reputation, results of operations, cash flows and financial condition may be adversely affected, the price of the Equity Shares could decline, and investors may lose all or part of their investment.

In making an investment decision, investors were advised to rely on their own examination of us, our business and the terms of the Issue including the merits and risks involved.

Unless specified or quantified in the relevant risk factors below, we are unable to quantify the financial or other impact of any of the risks described in this section. Investors were advised to pay particular attention to the fact that our Company is incorporated under the laws of India and is subject to a legal and regulatory environment, which may differ in certain respects from that of other countries. To obtain a complete understanding of our business, you should read this section in conjunction with the sections titled "Our Business", "Industry Overview", "Key Regulations and Policies" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" beginning on pages 183, 128, 219 and 401, respectively, of this Prospectus, as well as the financial, statistical and other information contained in this Prospectus.

We have, in this Prospectus, included various operational and financial performance indicators, some of which may not be derived from our Restated Consolidated Financial Information and may not have been subjected to an audit or review by our Statutory Auditor. The manner in which such operational and financial performance indicators are calculated and presented, and the assumptions and estimates used in such calculation, may vary from that used by other real estate companies in India and other jurisdictions. Investors are accordingly cautioned against placing undue reliance on such information in making an investment decision and should consult their own advisors and evaluate such information in the context of the Restated Consolidated Financial Information and other information relating to our business and operations included in this Prospectus.

*Unless otherwise indicated, industry and market data used in this section have been derived from the JLL Report dated September 11, 2026 prepared and issued by Jones Lang LaSalle Property Consultants (India) Private Limited ("**JLL**"), appointed by us on August 18, 2026, and exclusively commissioned and paid for by us in connection with the Issue. Unless otherwise indicated, all financial, operational, industry and other related information derived from the JLL Report and included herein with respect to any particular year refers to such information for the relevant calendar year. Also see, "Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation" on page 14. The JLL Report was made available on our Company's website at www.runwalenterprises.com.*

Internal Risk Factors

Risks relating to our business

1. As of March 31, 2026, 66.65% of our real estate development projects were located in Mumbai. Consequently, we face risks stemming from economic, regulatory and other changes, including natural disasters in these areas affecting the performance of the real estate market in Mumbai, which might adversely impact our business, results of operations, cash flows and financial condition.

As of March 31, 2026, 66.65% of our real estate development projects were located in Mumbai, which may perform differently from, and may be subjected to market conditions and regulatory developments that are different from, real estate markets in other parts of India or the World.

Save in respect of the two Upcoming Projects near Alibaug, there are no Ongoing Projects or Upcoming Projects planned outside of Mumbai as of the date of this Prospectus. For detailed information about our Completed Projects, Ongoing Projects and Upcoming Projects (together, "**Projects**"), refer to "*Our Business – Business Operations – Projects*" on page 199. Given this geographic concentration, our business, financial condition and results of operations are closely tied to the performance and prevailing conditions of the real estate markets in Mumbai.

Set out in the table below are details of the number of our Projects and Developable Area within and outside of Mumbai as of March 31, 2026, March 31, 2025, and March 31, 2024:

Particulars	As of March 31, 2026			As of March 31, 2025			As of March 31, 2024

The real estate market in Mumbai may be influenced by numerous factors that are beyond our control, such as local and economic conditions, fluctuations in supply and demand for properties similar to ours, changes in relevant governmental regulations, demographic trends, employment and income levels and interest rates, among others. These variables can lead to fluctuations in real estate prices and the availability of land in Mumbai, which could adversely impact our business, financial condition and results of operations. Additionally, these factors may lower the demand for and valuation of our Ongoing Projects and Upcoming Projects.

Moreover, developing real estate projects requires a considerable amount of time. The costs associated with acquiring land, either through outright purchases or joint development rights and the sale prices of our Ongoing Projects and Upcoming Projects are determined by the aforementioned factors. If market conditions force us to sell units in these projects at lower than expected prices, our results of operations may suffer. Additionally, the real estate market for both land and developed properties is relatively illiquid, restricting our ability to quickly adapt to changing market conditions. While there have been no instances where our profitability was affected by virtue of real estate market conditions in Mumbai in Fiscals 2026, 2025 and 2024, should market conditions deteriorate, causing a sharp fall in real estate prices in Mumbai, our business, financial condition and results of operations could be adversely affected.

2. As of March 31, 2026, we had 28 Ongoing Projects and 33 Upcoming Projects which consists of 86.33% of our total Developable Area. Failure to complete these projects or future projects within their expected timelines, or at all, and any cost overruns could adversely affect our business, reputation, financial condition and results of operations.

As of March 31, 2026, we had 28 Ongoing Projects and 33 Upcoming Projects with varying completion timelines and which constitute 86.33% of our total Developable Area. If we are unable to complete these projects or future projects within their expected timelines, or at all, or in the event we face unanticipated cost overruns, our business, reputation, financial condition and results of operations could be adversely affected. Set out in the table below are details of the total Developable Area of our Ongoing Projects and Upcoming Projects as of March 31, 2026, March 31, 2025, and March 31, 2024.

Notes:

(1) Developable Area is estimated in the case of Upcoming Projects.

(2) Ongoing Projects are projects in respect of which (i) all title or development rights, or other interest in the land is held either directly or indirectly by the Company and / or Subsidiaries; (ii) the requisite approvals for commencement of development have been obtained; and (iii) sale and/or development work is ongoing/started as at the end of the relevant financial period.

(3) Upcoming Projects are residential and/or commercial projects where (i) the land (or rights thereto) has been acquired; (ii) the business *plan of the project is being finalized; and (iii) the design development and preconstruction activities and the process for seeking necessary approvals for the development of the project or part thereof has been initiated, but for which construction and/or sales have not yet commenced as at the end of the relevant financial period.*

(4) Total Developable Area includes Completed Projects, Ongoing Projects and Upcoming Projects.

For more details on our Ongoing Projects and Upcoming Projects and their expected timelines, see "*Our Business – Business Operations – Projects*" on page 199.

Our ability to finalize these and future projects within the projected timelines, or at all, is contingent on various risks and unforeseen events. These include, but are not limited to, obtaining clear title to the respective land plot, clearance of encroachments, potential changes in applicable regulations, securing adequate financing on commercially viable

terms and obtaining necessary statutory or regulatory approvals, including any revisions of such approvals for Ongoing Projects and Upcoming Projects. Revisions to the existing plans, permits or licenses by relevant authorities may necessitate unplanned rework or even demolition of parts of the Ongoing Projects. While there have been no such instances in Fiscals 2026, 2025 and 2024, there can be no assurance that such risks will not materialize in the future.

We also face risks related to a shortage of labor and supply chain disruptions for raw materials, which could lead to delays in project timelines. Labor shortages or delays in the procurement of raw materials can severely impede our construction schedules. Moreover, reliance on third-party contractors may subject us to additional uncertainties; any delays or failures on their part to deliver services or complete work to standards can stall project progress.

In addition, prolonged legal disputes associated with the title of land plots can introduce significant delays and additional costs, as can other unforeseen events such as pandemics. For further information, see "*Outstanding Litigations and Material Developments*" on page 480. Construction activities were notably delayed in 2020 and 2021 due to lockdowns imposed in India to control the COVID-19 pandemic. Any pandemics or health epidemics in the future could have a similar effect on our project timelines.

The tables below provide details of our Completed Projects and Ongoing Projects which have been delayed as a result of COVID-19 and/or have experienced non-COVID-19-related timeline extensions as of March 31, 2026:

Note:

(1) Amended due to change of design.
(2) All inventory sold.

Our project execution process commences only after obtaining all necessary approvals for construction commencement. Since March 31, 2026, we have not obtained the necessary approvals or commenced the construction of our Upcoming Projects there are no delays thus far. While our construction schedules are designed to ensure that delays do not affect our overall timelines, there can be no assurance that there will be no major delays once we commence the construction of these Projects. In the post-COVID-19 environment, we had sought extensions from MahaRERA for 18 projects, as of March 31, 2026. Save as disclosed above, we have not faced any project delays in Fiscals 2026, 2025 and 2024. All project costs account for contingency measures to accommodate potential rises in raw material prices, ensuring our projects' profitability remains unaffected by such fluctuations, whether post-COVID or otherwise. Therefore, our business operations and financial performance have not been adversely affected in relation to our projects in the past. For further details of the delays and reason for delays in these Projects, please see "*Our Business – Business Operations – Projects*" on page 199.

Any delays in completing our projects or achieving necessary milestones could also result in cost overruns. Prolonged construction timelines can escalate both operational costs and financing expenses, thereby impacting our financial performance. Cost overruns can occur due to numerous factors such as increased prices for construction materials, unexpectedly high labor costs and changes in project scope or design specifications. Such increases can lead to a higher-than-anticipated budget, adversely affecting our business, financial condition and results of operations. While there have been no instances of cost overruns in Fiscals 2026, 2025 and 2024, there can be no assurance that we will not incur cost overruns in the future.

Furthermore, persistent delays and cost overruns could result in significant reputational damage. Our reputation for timely delivering our projects is integral to our ability to attract and retain customers, secure financing and obtain regulatory approvals. Should our reputation be adversely impacted, our business prospects, financial condition and results of operations could be adversely affected.

Furthermore, agreements with customers for our Ongoing Projects and Upcoming Projects may require us to pay interest if project completion is delayed or in the event of project cancellations. Consequently, such delays or cancellations, leading to financial obligations on our part, may adversely impact our business, financial condition, reputation and results of operations. Recently, one of our Ongoing Projects, Runwal Bliss Phase 3 – Strata, and one of our Upcoming Projects, Runwal Bliss Phase 3 – School, were cancelled following our assessment, based on early-stage market feedback, that reallocating the corresponding FSI to a leased Grade-A commercial office offered a more attractive opportunity. While there were no cancellation charges in Runwal Bliss Phase 3 – School, Runwal Bliss Phase 3 – Strata had pre-sales to an aggregate of 114 customers at the time of cancellation. Of these 114 customers, refunds aggregating to ₹50.70 million have been issued to 67 customers, while 45 customers were transferred to other projects of our Company based on their consent. Further, two customers have approached the Maharashtra Real Estate Regulatory Authority in relation to such cancellations, and these matters have since been settled and refunds have been issued to such customers. Further, the execution of definitive documents does not guarantee that we will be able to conclude our Projects. For instance, we had executed a definitive document dated November 26, 2024, with Grace MSK Realtors of India in relation to an SRA redevelopment project at Bandra (West). However, pursuant to an order dated August 25, 2026, we were terminated as developers for the aforesaid redevelopment project and are currently evaluating and determining the appropriate course of action in relation thereto. For further details, see "*Outstanding Litigations and Material Developments*" on page 480.

Given these factors, there can be no assurance that we will be able to complete our Ongoing Projects and Upcoming Projects within the expected timelines or within budgeted costs.

3. **As of March 31, 2026, we had an aggregate of 7,072 unsold units consisting of a total unsold Developable Area of 7.55 million square feet across our Completed Projects and Ongoing Projects. If we are unable to sell our existing or future inventory within our expected timelines or at all, our business, financial condition and results of operations may be adversely affected.**

Our business, financial condition and results of operations are dependent on our ability to sell our inventory within expected timelines. The table below provides the number of unsold units and unsold Developable Area in respect of our Completed Projects and Ongoing Projects as of March 31, 2026, March 31, 2025, and March 31, 2024.

Notes:

(1) Includes only those projects where units have been / are being constructed for sale and excludes projects developed for leasing purposes.

(2) We have not commenced the construction or the sale of our Upcoming Projects, consequently, all units remain unsold.

The table below provides the average age of unsold units of our Completed Projects as of March 31, 2026, March 31, 2025 and March 31, 2024:

Particulars	As of March 31, 2026		As of March 31, 2025		As of March 31, 2024	
	Unsold Units	Average age[(1)] (in years)	Unsold Units	Average age[(1)] (in years)	Unsold Units	Average age[(1)] (in years)
Completed Projects	219	2.06	338	1.11	303	1.17

Note:

(1) The age of an unsold unit is calculated from the date of the occupancy certificate. The ages of the unsold units have been averaged to arrive at the figures shown above.

The real estate market is inherently cyclical, and demand for residential and commercial properties can be influenced by, among others, general economic conditions, fluctuations in interest rates, availability of financing, consumer confidence and changes in government policies that encourage or discourage real estate investment. Any downturn in market conditions or consumer confidence could prolong the time required to sell our properties and may limit our ability to do so at satisfactory prices or at all.

The failure to sell our inventory in a timely manner could lead to increased holding costs such as interest expenses and property maintenance costs which could adversely affect our cash flow and liquidity. Prolonged delays in selling our inventories would impair our ability to reinvest capital into new projects, thus hampering our growth and potentially eroding our competitive position in the market.

In addition, unsold inventory might necessitate marked-down prices to expedite sales, which could adversely affect our profit margins. Lower-than-expected sales velocity and pricing could contribute to decreased revenues and profitability, further affecting our financial condition.

While we have not previously encountered any material difficulties with selling our inventories in a timely manner or been adversely affected by the same, there can be no assurance that we will be able to sell our existing or future inventory within our expected timelines. Any such delays or failure to successfully monetize our inventory could have an adverse effect on our business, financial condition and results of operations.

4. **Our Company and Runwal Residency Private Limited have in the past entered into certain related party transactions which have been identified by the respective statutory auditors for the respective period in which such related party transactions have been undertaken, to be prejudicial to the interest of the respective entity, and may continue to enter into such related party transactions that may involve conflicts of interest, which, may adversely affect our business, results of operations, cash flows and financial condition.**

In the ordinary course of our business, we and our Subsidiaries enter into and will continue to enter into transactions with related parties. These transactions include management fees, purchase of services, interest expense, interest income, security deposits, sale of goods and services, intercorporate deposits, purchase of services.

Our Statutory Auditors have confirmed that all related party transactions disclosed in the Restated Consolidated Financial Information or our audited financial statements have been entered into in accordance with Indian Accounting Standard 24 – Related Party Disclosures and on an "arm's length basis" except the following related party transactions entered into by our Company and Runwal Residency Private Limited which were identified to be prejudicial to the interest of the respective entity by their statutory auditors for the respective period in which such related party transactions have been undertaken:

Entity	Period	Observation	Company's Response to Adverse Observation	Impact on the Financial Statements and Financial Position of the Company
Runwal Residency Private Limited	Fiscal 2026	As represented to us and based on the audit procedures performed by us, we are of the opinion that the balance outstanding as at balance sheet date ₹179.68 million is prejudicial to the interest of the company.	There has been no additional contribution to current account of SR Constructions, a partnership firm ("**Partnership Firm**"). The balance in current capital of Partnership Firm pertains to preceding years.	Nil
Runwal Residency Private Limited	Fiscal 2025	As represented to us and based on the audit procedures performed by us, we are of the opinion that the investments made during the year in a partnership firm by contribution to current capital of ₹77.99 million (balance outstanding as at balance sheet date ₹862.26 million) are prejudicial to the interest of the company.	Contribution of capital in current accounts of Partnership Firm and subsequent withdrawals from the same account.	Nil
Runwal Residency Private Limited	Fiscal 2024	As represented to us and based on the audit procedures performed by us, we are of the opinion that the investments made during the year in a partnership firm by contribution to current capital of ₹765.23 million (balance outstanding as at balance sheet date ₹784.28 million) are prejudicial to the interest of the company.	Contribution of capital in current accounts of Partnership Firm and subsequent withdrawals from the same account.	Nil

As certified by our Statutory Auditor by way of their certificate dated September 29, 2026, the above transactions are outside the scope of Section 188 of the Companies Act, 2013, as amended and therefore, were not required to comply with its provisions. For details, see "*Management's Discussion and Analysis of Financial Condition and Results of Operations – Qualifications, Matters of Emphasis and Adverse Observations*" on page 426.

While we and our Subsidiaries will conduct all related party transactions post-listing of the Equity Shares subject to the Board's or Shareholders' approval, as applicable, and in compliance with the applicable accounting standards, provisions of Companies Act, 2013, as amended, provisions of the SEBI Listing Regulations and other applicable law, such related party transactions may potentially involve conflicts of interest. Our Company and our Subsidiaries will strive to address such conflicts as they arise, but we cannot guarantee that these transactions, whether individually or in aggregate, will not have an adverse effect on our business, results of operations, cash flows, and financial condition of our Company and our Subsidiaries. In respect of loans or advances that our Company and Subsidiaries provide to related parties, there can be no assurance that we will be able to recover all or any part of such loans or advances which, if unrecoverable, may have an adverse effect on our business, results of operations, cash flows and financial condition.

5. **We propose to either repay or pre-pay, in full or part, all or a portion of certain outstanding borrowings availed by our wholly owned Material Subsidiaries namely, Runwal Residency Private Limited and Evie Real Estate Private Limited, from the Net Proceeds. However, as of the date of this Prospectus, Evie Real Estate Private Limited has not obtained any credit rating letters for their borrowings and has also incurred losses in Fiscal 2025. The non-availability of a credit rating poses risks to the ability of this entity to secure financing as lenders are unable to assess its creditworthiness and this may limit its ability to raise debt financing. If Evie Real Estate Private Limited is unable to raise adequate capital in a timely manner and on acceptable terms, or at all, its business, results of operations, cash flows and financial condition could be adversely affected.**

We propose to either repay or pre-pay, in full or part, all or a portion of certain outstanding borrowings availed by our wholly owned Material Subsidiaries namely, Runwal Residency Private Limited and Evie Real Estate Private Limited ("**EREPL**"), from the Net Proceeds. For details of these financing arrangements, see "*Objects of the Issue – Details of the objects - 2. Investment in our wholly owned Material Subsidiaries namely, Runwal Residency Private Limited and Evie Real Estate Private Limited, for repayment/ pre-payment, in full or in part, of all or a portion of certain of their outstanding borrowings"* and *"Financial Indebtedness – Principal terms of the facilities sanctioned to our Company and Subsidiaries*" on pages 103 and 398, respectively. However, as of the date of this Prospectus, EREPL has not obtained any credit rating letters.

The non-availability of a credit rating means that EREPL's creditworthiness has not been independently verified by any external party. This poses risks to its ability to secure financing as the lenders have no way to assess its creditworthiness and may limit its ability to raise debt financing. In addition, EREPL incurred a loss of ₹117.42 million in Fiscal 2025, which may further constrain its ability to attract financing on acceptable terms. If it is unable to raise adequate capital in a timely manner and on acceptable terms, or at all, their business, results of operations, cash flows and financial condition could be adversely affected. EREPL may also become subject to additional restrictive covenants in the financing agreements it may enter into, which could limit its ability to access cash flows from operations and undertake certain types of transactions. If any of the foregoing were to occur, its expansion plans, its business, financial condition and results of operations and consequently that of our Group may be adversely affected.

6. **Any uncertainty in land acquisition and title could adversely affect our business and growth prospects.**

Our ability to identify, acquire and secure clear title to land is critical for our growth, development of projects and overall business. Except for the lands admeasuring 178 acres at Village Mithagar, Taluka Murud, District Raigad, as of the date of this Prospectus, we or our Subsidiaries are the owners of certain land parcels upon which some of our Completed Projects, Ongoing Projects and Upcoming Projects are located and have development rights with respect to the remaining projects. Except for the lands admeasuring 178 acres at Village Mithagar, Taluka Murud, District Raigad, our Company or our Subsidiaries have clear title to the land, which is owned by our Company or our Subsidiaries and, apart from the disclosures made herein, there are no other deficiencies with our Company's or our Subsidiaries' right to develop the projects. As regards the lands admeasuring 178 acres at Village Mithagar, Taluka Murud, District Raigad, Evie Constructions Private Limited has a right to purchase these properties under registered agreements for sale subject to fulfilment of the conditions contained therein. While we conduct assessments for any land or interest in land we acquire or intend to acquire and evaluate land titles through independent lawyers, the challenges in securing title guarantees in India pose significant risks. Title records generally provide presumptive rather than guaranteed titles and may feature title irregularities such as improperly executed or non-executed conveyance instruments, unregistered or insufficiently stamped instruments, unregistered encumbrances, adverse possession rights, ownership claims from family members of previous owners and other defects. These irregularities may not always be uncovered through our due diligence processes, especially when titles over a piece of land are fragmented and involve multiple owners.

Moreover, any inaccuracies, defects or irregularities in the land title could complicate land acquisition, impede title transfers, expose us to legal disputes and adversely affect land valuation. This encompasses situations where a seller from whom we acquired land has failed to fulfil its obligations related to the transaction, thereby exposing us to legal disputes. For further information, see "*Outstanding Litigations and Material Developments*" on page 480. Such issues could disrupt the development of our projects, potentially leading to the write-off of related expenses and delays in project timelines. Furthermore, if we fail to make deferred payments for certain land acquisitions, it could impede our ability to develop the land, affecting the return on our initial investment. As of the date of this Prospectus, there are certain deficiencies in the title of one of our projects namely 7 Mahalaxmi, such as non-registration and non-payment of adequate stamp duty on certain supplementary agreements. There are certain common issues subsisting for these as well as other projects pertaining to objections to public notices received during course of title diligence, failure to obtain consent from competent authorities prior to transfer, reservations, subsisting mortgages in respect of the entitlement of Runwal entities in the properties, payment of property taxes, updation of revenue/city survey records, among others. As regards the lands admeasuring 178 acres at Village Mithagar, Taluka Murud, District Raigad, the present landowners are in breach of applicable ceiling regulations. Further, despite being non-agriculturists, these landowners are holding agricultural land without obtaining prior permission from the relevant revenue authorities. The

purchase of the land admeasuring 178 acres at Village Mithagar, Taluka Murud, District Raigad will be completed by Evie Constructions Private Limited once all such identified issues and infirmities are resolved. There is also a likelihood of claims being made for the period subsequent to the issuance of public notice as part of the title diligence. For instance, the public notices for the lands admeasuring 178 acres at Village Mithagar, Taluka Murud, District Raigad were issued on January 9, 2025 and there may be a likelihood of there being any claims arising in relation to the period after issuance of the public notice. Further, we understand from certain media reports that approximately 59.43 acres of land owned by our Subsidiary, Horizon Projects Private Limited is reportedly under investigation in relation to a probe regarding 174 acres of Government-owned cattle grazing land in Kalyan Taluka (Thane District) being improperly covered, split and monetized into premium commercial real estate in violation of original land use rules. While we have not received any notices or formal communication in this regard, we cannot assure that whether such investigation will materialise, and if so, any adverse decision in the alleged investigation will not have an adverse effect on our project 'Runwal My City', and on our overall business, results of operations, cash flows, and financial condition.

Despite securing independent title reports and conducting robust due diligence, these measures may not fully capture all risks, such as unregistered encumbrances or adverse possession rights. The limited availability and uptake of title insurance in India in general, combined with our own lack of title insurance for any of our projects, further increases our exposure to third-party claims. In the event we are unable to acquire the land for which we have entered into agreements for purchase, or if such agreements are deemed invalid or expire, we may forfeit any advances paid towards their acquisition, further impacting our business and financial condition. While there have been no such instances in Fiscals 2026, 2025 and 2024, there can be no assurance that such events will not occur in the future. Certain conditions under the development agreements executed for our projects namely Runwal Lakeview, 7 Mahalaxmi and Runwal Woods remain to be completed as on date. Similarly, there may be instances where projects earlier awarded to us or in respect of which we have entered into definitive documents may not ultimately be pursued by us. For instance, we had, through our Subsidiary RCPPL, executed a definitive document dated November 26, 2024, with Grace MSK Realtors of India in relation to an SRA redevelopment project at Bandra (West). However, pursuant to an order dated August 25, 2026 passed by the Chief Executive Officer, Slum Rehabilitation Authority, Brihanmumbai ("**SRA**") under Section 13(2) of the Maharashtra Slum Areas (Improvement, Clearance and Redevelopment) Act, 1971, the appointment of Grace MSK Realtors of India JV together with RCPPL as developers of the aforesaid slum rehabilitation scheme was terminated. We are currently evaluating and determining the appropriate course of action in relation to the foregoing. For further details, see "*Outstanding Litigations and Material Developments*" on page 480.

Additionally, our ability to identify suitable parcels for development is tied to market demands and the increased competition for land in a high-demand region like Mumbai could result in a shortage of suitable land and increased prices. Land use and development are also regulated by various local authorities, with certain parcels reserved for specific purposes or subjected to restrictions under zoning regulations, which may restrict our developmental activities. For more information, see "*Key Regulations and Policies*" on page 219.

Unresolved title issues, legal disputes, failure to acquire key parcels of land, failure to meet payment or contractual obligations and regulatory restrictions can adversely impact our ability to market and develop our projects, which in turn may adversely affect our business, financial condition and growth prospects.

7. Our Subsidiaries, Runwal Real Estates Private Limited, Evie Holdings Private Limited, Wheelabrator Realty Private Limited, Runwal Milestone Developers Private Limited, Runwal Highrise Private Limited, Runwal Commercial Plaza Private Limited, Evie Infrapark Private Limited, Horizon Projects Private Limited (formerly Evie Realty Private Limited), Susneh Developers Private Limited, Evie Real Estate Private Limited, Evie Construction Private Limited, Evie Developers Private Limited, Susneh Infrapark Private Limited, Susneh Homes Private Limited, Susneh Real Estate Private Limited and Garden City Malls Private Limited have incurred losses in certain of Fiscals 2026, 2025 and 2024. In addition, our Subsidiaries, Runwal Real Estates Private Limited, Evie Holdings Private Limited, Wheelabrator Realty Private Limited, Runwal Highrise Private Limited, Runwal Commercial Plaza Private Limited, Evie Infrapark Private Limited, Horizon Projects Private Limited (formerly Evie Realty Private Limited), Evie Developers Private Limited, Susneh Homes Private Limited, Susneh Real Estate Private Limited and Runwal Milestone Developers Private Limited have had negative net worth in certain of Fiscals 2026, 2025 and 2024. Any similar losses or negative Net Worth in the future may adversely affect our business, financial condition, cash flows and results of operations.

Most of our Subsidiaries have incurred losses in certain of the periods within Fiscals 2026, 2025 and 2024. The details of profit / (loss) for the year / period of such Subsidiaries are set forth in the table below:

The losses our Subsidiaries incurred were primarily due to the manner in which we recognize revenue under Ind AS 115. Under this accounting standard, revenue with respect to contracts for sale of the units is recognized only when the control over such units is passed on to our customers, which is based on the fulfilment of performance obligations set out in the contracts with our customers such as the receipt of an occupancy certificate for the relevant project and the issuance of a possession letter of the property to our customers. Thus (i) operating revenue is recognized only when a project receives an occupation certificate, the customer has paid the full purchase consideration for the sale of the relevant unit and the possession letter of the relevant unit has been issued to the customer; and (ii) selling and marketing expenses, including sales manpower costs and indirect overheads, are expensed as incurred during the relevant financial period.

Sustained losses by such Subsidiaries could negatively affect our reputation and financial condition (on a consolidated basis), and any requirement for us to provide financial support to such Subsidiaries in the future could adversely affect our business, financial condition, results of operations and cash flows.

Similarly, certain of our Subsidiaries and Group Companies have experienced negative Net Worth in the past and may continue to experience negative Net Worth going forward. The following table sets forth details of the Net Worth of these Subsidiaries and Group Companies as of March 31, 2026, March 31, 2025, and March 31, 2024:

Any continued failure of these Subsidiaries or Group Companies to achieve or sustain profitability may adversely impact our consolidated Net Worth and the value of our Equity Shares. For further details on our Net Worth, see "*Management's Discussion and Analysis of Financial Condition and Results of Operations – Non-GAAP Financial Measures*" on page15.

8. We had negative cash flows of ₹(560.43) million in Fiscal 2025 and may continue to have negative cash flows in the future. Any such negative cash flows in the future would adversely affect our cash flow requirements, which may adversely affect our ability to operate our business and implement our growth plans, thereby affecting our financial condition.

We have in the past experienced, and may in the future experience negative cash flows. The following table sets forth certain information relating to our cash flows on a consolidated basis for Fiscals 2026, 2025 and 2024:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
	(₹ in million)		
Net cash generated from / (used in) operating activities	(1,807.13)	(1,981.36)	(5,494.82)
Net cash generated from / (used in) investing activities	(2,132.31)	(1,676.74)	2,514.86
Net cash generated from / (used in) financing activities	4,960.10	3,097.63	3,518.10
Net increase / (decrease) in cash and cash equivalents	**1,020.72**	**(560.43)**	**538.10**
Cash and cash equivalents at the beginning of the year	991.92	1,552.35	1,014.25
Cash and cash equivalents at the end of the year	**2,012.64**	**991.92**	**1,552.35**

The negative cash flows from operating activities experienced in Fiscals 2026, 2025 and 2024 were primarily due to working capital changes such as increases in inventories, other current assets and payment of income tax, notwithstanding restated profits before tax during these periods.

In Fiscals 2026 and 2025, we experienced negative cash flows from investing activities primarily due to the purchase of property, plant and equipment and intangible assets, investments in inter-corporate deposits, fixed deposits and investment in subsidiaries.

Negative cash flows over extended periods, or significant negative cash flows in the short term, could materially impact our ability to operate our business and implement our growth plans. As a result, our cash flows, business, future financial performance and results of operations could be materially and adversely affected. For further information, see "*Restated Consolidated Financial Information*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 283 and 401.

9. As of March 31, 2026, 84.39% of our total Developable Area and 93.93% of our total sales across our Completed Projects, Ongoing Projects and Upcoming Projects are attributable to residential projects. Our significant reliance on residential development necessitates a deep understanding of our customers' needs and preferences to deliver projects that align with their expectations. Failure to consistently anticipate and respond to these needs could adversely impact our business, financial condition and results of operations.

We have considerable reliance on our residential development business which is classified into affordable, mid-income and luxury segments wherein (i) the "affordable" category refers to residential units developed and sold in the Dombivli micro-market of Mumbai, (ii) the "mid-income" category refers to residential units developed and sold in the Mulund, Kanjurmarg, Bandra and Chembur micro-markets of Mumbai and Alibaug and (iii) the "luxury" category

refers to residential units developed and sold in the South Mumbai sub-market of Mumbai. The table below provides the details of the Developable Area for each of the three segments as of March 31, 2026.

Particulars	As of March 31, 2026	
	Developable Area (million square feet)	Percentage of total Developable Area (%)
Affordable	30.38	34.38
Mid-income	40.77	46.13
Luxury	3.43	3.88
Total	**74.58**	**84.39**

Historically, we have concentrated on the affordable and mid-income segments but have recently expanded our focus to include the luxury segment. The tables below set out the Developable Area of residential projects under our Completed Projects, Ongoing Projects and Upcoming Projects as of March 31, 2026, March 31, 2025, and March 31, 2024, and the sales value of residential projects during Fiscals 2026, 2025 and 2024, respectively.

Particulars	As of March 31, 2026		As of March 31, 2025		As of March 31, 2024	
	Developable Area *(in million square feet)*	Percentage of total Developable Area *(%)*	Developable Area *(in million square feet)*	Percentage of total Developable Area *(%)*	Developable Area *(in million square feet)*	Percentage of total Developable Area *(%)*
Developable Area of residential projects[(1)]	74.58	84.39	49.58	85.60	48.71	84.80

Note:
(1) Developable Area is estimated in the case of Upcoming Projects.

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount *(₹ million)*	Percentage of total sales *(%)*	Amount *(₹ million)*	Percentage of total sales *(%)*	Amount *(₹ million)*	Percentage of total sales *(%)*
Sales value of residential projects	22,107.36	93.93	18,139.59	95.52	14,440.49	94.53

As part of our growth strategy, we plan to increase our focus across all categories of residential projects. For more information, see "*Our Business — Our Strategies — Continue to focus on all segments of residential projects while selectively developing retail, commercial and other projects as part of mixed-use developments*" on page 197. Our success depends on our ability to understand customer preferences in the regions where we operate and within each segment, and to develop projects that meet those preferences. This is particularly crucial for the luxury segment, in which we have limited experience. Given the significant variation in customer preferences across different price segments, any failure to deliver quality construction on time, or at all, or to continuously anticipate and respond to customer needs, could adversely affect our business, financial condition and results of operations.

10. Our Statutory Auditors and the auditors for our Subsidiaries and Joint Venture have included certain remarks in their audit reports and examination reports. There can be no assurance that our audit reports for any future periods or financial years will not contain qualifications, matters of emphasis or other observations, including any observations that may have an effect on our financial statements and which could adversely affect our financial condition and results of operations.

While there are no qualifications from our Statutory Auditors that have not been given effect to in the Restated Consolidated Financial Information, the audit reports for the audited financial statements of certain of our Subsidiaries and Joint Venture for the years ended March 31, 2026, March 31, 2025, and March 31, 2024 include emphasis of matters as follows:

Our auditors are required to comment upon the matters included in the Companies (Auditor's Report) Order, 2020 / Companies (Auditor's Report) Order, 2016 (together, the "**CARO Report**") issued by the Central Government of India under Section 143(11) of the Companies Act, 2013 on the audited financial statements as at and for years ended March 31, 2026, March 31, 2025, and March 31, 2024, respectively. Some of the audit reports for the audited financial statements of our Company, Runwal Heights Private Limited, Runwal Residency Private Limited, Shubhsneh Infraheights Private Limited, Wheelabrator Realty Private Limited, Runwal Commercial Plaza Private Limited, Susneh Infrapark Private Limited, Runwal Highrise Private Limited, Wheelabrator Alloy Castings Limited, Runwal Real Estates Private Limited, Evie Infrapark Private Limited, Runwal Milestone Developers Private Limited, Horizon Project Private Limited, Susneh Homes Private Limited, Susneh Real Estate Private Limited, Evie Real Estate Private Limited, Evie Developers Private Limited, Garden City Malls Private Limited, Evie Construction Private Limited, Susneh Developers Private Limited and Evie Holdings Private Limited, for Fiscals 2026, 2025 and 2024 include certain adverse observations in relation to the CARO Report. Further details of such adverse observations are set out in "*Management's Discussion and Analysis of Financial Condition and Results of Operations – Qualifications, Matters of Emphasis and Adverse Observations*" on page 426.

We cannot assure you that our audit reports for any future periods or financial years will not contain qualifications, matters of emphasis or other observations, including any observations that may have an effect on our financial statements and which could adversely affect our financial condition and results of operations. For further details, see "*Restated Consolidated Financial Information*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations – Qualifications, Matters of Emphasis and Adverse Observations*" on pages 283 and 426, respectively.

11. As of the date of this Prospectus, the development plans for all of our 33 Upcoming Projects are still pending finalization and approval. Any difficulties in fulfilling certain conditions precedent in respect of our projects, and any delay or failure to obtain required approvals or renewal of approvals may require us to reschedule our Ongoing Projects and Upcoming Projects which may have an adverse effect on our operations. Further, our Company has to stop the construction activity in the event of withdrawal of such licenses/approval.

We may face challenges in meeting certain conditions precedent for our projects such as regulatory approvals. Any delay or failure to obtain necessary approvals or renewals could require us to reschedule our Ongoing Projects and Upcoming Projects, adversely affecting our operations. We are also required to halt construction activities if any licenses or approvals are withdrawn. While there have been no previous instances of halts in construction due to failure in obtaining requisite approvals or renewals or withdrawal of licenses or approvals, there can be no assurance that this may not occur in the future. Additionally, the development plans for all of our 33 Upcoming Projects are still pending finalization and approval as of the date of this Prospectus.

To execute each project successfully, we must secure various statutory and regulatory approvals and permits by submitting applications to the appropriate authorities at different project stages. Examples include building plan approvals, layout plan approvals, environmental clearances, no objection certificates from fire safety authorities, no objection certificates for height clearance, commencement certificates, and occupation certificates.

We may need some additional approvals to complete our Ongoing Projects, and may be required to renew our existing approvals from time to time, for which we will seek their renewal, where appropriate, within the requisite timelines. Further, our Upcoming Projects are in the preliminary stages of planning and development and we are yet to apply for certain approvals in order to commence the development of such projects. Despite timely applications, we cannot guarantee that these approvals will be granted promptly. Any failure to renew these approvals could adversely impact our operations. For more information on pending material approvals, see "*Government and Other Approvals*" on page 504.

We may also experience material difficulties in fulfilling other conditions precedent such as obtaining a certificate of change of land use for non-real estate designated land. Moreover, adapting to new laws, regulations or policies affecting the real estate industry or the approval processes may delay project implementation.

We may not be able to secure approvals or renewals for new projects when needed, if at all. Regulatory changes affecting our operations or our subcontractors could lead to construction delays or stoppages, incurring substantial compliance costs and other increased expenses. These restrictions may severely limit our ability to acquire, construct and develop land, adversely affecting our business, financial condition and results of operations.

12. Increase in prices of, shortages of, or delays or disruptions in the supply of building materials could harm our results of operations and financial condition.

We procure building materials for our projects, such as steel, cement, ready-mix concrete, aluminium shuttering, tiles, cables, chrome plating sanitary wares, doors, and windows, among others, from third-party suppliers. The prices and supply of such building materials depend on factors not under our control, including general economic conditions, competition, production levels and import duties. Our ability to develop and construct projects profitably is dependent upon our ability to source adequate building supplies for use by our construction contractors. During periods of shortages in building materials, especially cement and steel, we may not be able to complete projects according to our construction schedules, at our estimated property development cost, or at all, which could harm our financial condition and results of operations. In addition, during periods where the prices of building materials significantly increase, we may not be able to pass these price increases on to our customers, which could reduce or eliminate our targeted profits with regard to our projects.

Prices of certain building materials, such as ready-mix concrete, cement, aluminium shuttering, tiles, cables, chrome plating sanitary wares and steel, in particular are susceptible to rapid increases. Additionally, our supply chain for these building supplies may be periodically interrupted by circumstances beyond our control, including work stoppages and labor disputes affecting our suppliers, their distributors or the transporters of our supplies, including poor quality roads and other transportation related infrastructure problems, inclement weather and road accidents.

13. Our development projects have extended gestation periods, and any delays or cost overruns related to our Ongoing Projects and Upcoming Projects could adversely impact our prospects, business operations and financial results.

Real estate developments often require significant time to complete. Delays and cost overruns might occur concerning our Ongoing Projects and Upcoming Projects, and we cannot guarantee their completion within the anticipated budgets and timelines. For information on delays and cost overruns we have experienced in Fiscals 2026, 2025 and 2024, see "- *As of March 31, 2026, we had 28 Ongoing Projects and 33 Upcoming Projects which consists of 86.33% of our total Developable Area. Failure to complete these projects or future projects within their expected timelines, or at all, and any cost overruns could adversely affect our business, reputation, financial condition and results of operations*." on page 19. These projects are prone to substantial modifications and variations from our current management plans and schedules due to factors beyond our control, including:

- changes in local development regulations;
- outbreaks of infectious diseases, such as COVID-19;
- unavailability of necessary financing;
- legal proceedings initiated against us, landowners or development partners by any persons or regulatory authorities seeking to restrain development of our projects;
- expiration of agreements to develop land or leases, and our inability to renew them in time or at all;
- failure or delay in securing necessary statutory or regulatory approvals and permits for us to develop our projects;

- defects or challenges to our land titles, including failure or delay in obtaining consent of current occupants for development and redevelopment purposes;
- reliance on third-party contractors and the ability of third parties to complete their services on schedule and within budget;
- risk of decreased market demand subsequent to a project's launch;
- natural disasters and adverse weather conditions; and
- failure of our partners to fulfil their obligations in a timely manner.

Although such factors have not impacted our operations during Fiscals 2026, 2025 and 2024—except for the COVID-19 pandemic-related industry-wide delays there can be no assurance that future adverse developments arising from these factors will not occur. Such changes and timeline modifications might significantly influence our Ongoing Projects and Upcoming Projects. Consequently, the development of these projects as envisaged, including the timely monetization of land parcels post-acquisition, may not occur, which could negatively affect our business, operational results, financial condition, and cash flows.

Additionally, we are required to comply with the rules and regulations issued under RERA, according to which, if we fail to give possession of an apartment, plot or building in accordance with the terms of the agreement for sale or as the case may be, duly completed by the date specified therein, or due to discontinuance of business as a developer on account of suspension or revocation of registration under the RERA or for any other reason, and in case the allottee wishes to withdraw from the project, we must return the amount received from the allottee, along with interest and compensation as provided under the RERA or for any other reason. Further, where an allottee does not intend to withdraw from the project, without prejudice to any other remedy available, we shall pay interest for every month of delay, till the handing over of the possession, at such rate as may be prescribed. Thus, our customers may cancel their agreements if units are not delivered on time, obliging us to refund amounts with interest. Although we have had no cancellation of agreements attributable to delay in delivery and have not had to issue refunds with interest due to delivery delays in Fiscals 2026, 2025 and 2024, the timely and on-budget completion of our Ongoing Projects and Upcoming Projects in the future cannot be assured. Delays and cost overruns could adversely impact our business, operational results, financial condition, and cash flows. For details pertaining to delays in our projects, see "*– As of March 31, 2026, we had 28 Ongoing Projects and 33 Upcoming Projects which consists of 86.33% of our total Developable Area. Failure to complete these projects or future projects within their expected timelines, or at all, and any cost overruns could adversely affect our business, reputation, financial condition and results of operations*." on page 19 of this Prospectus.

14. There have been instances of delays in payment of employee-related statutory dues by our Company in the past. Any failure or delay in payment of such statutory dues may expose us to statutory and regulatory action, as well as significant penalties, and may adversely affect our business, results of operations, cash flows and financial condition.

Our Company is required to pay statutory dues, including, among others, provident fund contributions and employee state insurance contributions under the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 and the Employees' State Insurance Act, 1948, respectively, and professional taxes and labor welfare fund charges. During Fiscal 2023, our Company has had certain instances of delays in the payment of certain statutory dues with respect to employee provident fund payments.

The table below sets out details of number of employees for which provident fund ("**PF**"), employees' state insurance ("**ESIC**"), professional tax ("**PT**"), tax deducted at source ("**TDS**") under income tax and Maharashtra Labour Welfare Fund ("**MLWF**") are applicable and, paid and unpaid dues for Fiscals 2026, 2025 and 2024:

	MLWF	366	0.04	—	—	843

The below table sets forth details of delay in payment of statutory dues for Fiscals 2026, 2025 and 2024:

Nature of payment	Fiscal 2026 *(₹ in million)*	Number of employees	Fiscal 2025 *(₹ in million)*	Number of employees	Fiscal 2024 *(₹ in million)*	Number of employees
Provident fund	0.02	6	—	—	0.01	3

Profession tax	—	—	—	—	—	—
TDS payments under Income Tax Act	—	—	—	—	—	—
MLWF	—	—	—	—	—	—

Every instance of the delay in provident fund payments occurred because the relevant employee's Aadhaar details were not linked to their Provident Fund Unique Account Numbers (UANs). As per the requirements set by the Indian Provident Fund authorities, Aadhaar seeding is mandatory for processing provident fund contributions and withdrawals. Employers can only file Employee-cum-Return (ECR) challans and deposit funds into their employees' provident fund accounts only if such accounts are linked to their respective employees' Aadhaar card. Failure to complete this linkage resulted in payment delays.

While our Company has subsequently made payment of all pending statutory dues, we cannot assure that we will not incur delays in payment of statutory dues in the future. Further, any failure or delay in payment of such statutory dues may expose us to statutory and regulatory action, as well as significant penalties, which may adversely affect our business, results of operations, cash flows and financial condition.

15. Our financing agreements impose certain restrictions on our operations, and our failure to comply with operational and financial covenants may adversely affect our reputation, business and financial condition.

Our financing agreements include various operational and financial covenants, which impose certain restrictions on our operations. These restrictions may limit our ability to engage in specific activities, such as incurring additional indebtedness, making certain investments or disposing of assets. Further, our Company has provided guarantees to secure borrowings availed by our Subsidiaries. Similarly, our Promoter has also provided personal guarantees in respect of our borrowings. While there have not been any instances of invocation of any guarantees in the past, in the event any such guarantees are invoked and if we are unable to meet our guarantee requirements, then legal proceedings may be initiated against us, or we may incur additional costs. Non-compliance with any covenants in our financing agreements and ancillary documents, whether due to factors within or outside of our control, may result in the acceleration of our debt obligations, increased borrowing costs or financial penalties. Such events could adversely affect our liquidity, reputation, business operations and financial condition.

Further, pursuant to the terms of certain of our borrowings, following are the details of shareholding of our Subsidiaries, being pledged as security, as on the date of this Prospectus:

**Created in favour of IDBI Trusteeship Services Limited, in their capacity as trustees for the respective lenders.*

For details pertaining to the Equity Shares of the Company pledged, please see "*Capital Structure – Shareholding pattern of our Company"* on page 94. In the event, any of the above-mentioned pledges are invoked due to a breach of the terms of the corresponding borrowings, we will no longer be the owner of such shareholding, which may result in the respective entities ceasing to be our Subsidiaries, which may adversely impact our business, financial condition and results of our operations. For details in relation to the shareholding pattern of such Subsidiaries, see "*Our Subsidiaries, our Associate and our Joint Venture*" on page 239. Further, for details in relation to contribution of such Subsidiaries to the consolidated profit and loss, other comprehensive income and total comprehensive income as included in the Restated Consolidated Financial Information, see "*Restated Consolidated Financial Information – Annexure VI - Consolidated Statement of notes and other Explanatory Information forming part of Restated Consolidated Statements – Note 59*" on page 372.

16. All our lenders have the right to appoint a nominee director on the board of directors of our Company or our Subsidiaries pursuant to the loan agreements we have entered into. Such nominee directors may influence

decisions of the respective boards of directors in a manner which is not aligned with the interest of the respective shareholders which in turn may adversely affect our business operations, financial condition and results of operations.

Loan agreements entered into with our lenders (i.e. ICICI Bank Limited and IndusInd Bank Limited) grant these lenders the right to appoint a nominee director to our Board and/or the board of our Subsidiaries. With respect to our loan agreements with IndusInd Bank, the right arises upon an occurrence of an event of default. While none of our lenders have exercised their right to appoint a nominee director on the board of directors of our Company or our Subsidiaries as of the date of this Prospectus, there can be no assurance that they will not exercise this right in the future. The presence of a nominee director may result in different perspectives or influence over board decisions, which may not always align with the interests of all shareholders. Additionally, this could result in disclosures of sensitive or strategic matters to the nominee director, who may have conflicting interests. Such influence could potentially impact our operational flexibility and decision-making process, which might adversely affect our business operations, financial condition and results of operations.

17. A portion of the Net Proceeds is proposed to be utilized for repayment or pre-payment, in full or part, all or a portion of certain loans availed by our Subsidiary namely Runwal Residency Private Limited, from ICICI Bank Limited, an affiliate of one of the BRLMs to the Issue.

We propose to either repay or pre-pay, in full or part, all or a portion of certain outstanding borrowings availed by our Subsidiary namely Runwal Residency Private Limited, from ICICI Bank Limited ("**ICICI Bank**"), an affiliate of ICICI Securities Limited ("**ICICI Securities**"), from the Net Proceeds. The amount outstanding, as of July 31, 2026, in relation to the facility availed from ICICI Bank, which is proposed to be repaid, in full or part, from the Net Proceeds, is set out below:

Name of the lender	Nature of borrowing	Amount sanctioned *(₹ in million)*	Principal amount outstanding as of July 31, 2026 *(₹ in million)*
ICICI Bank Limited	Term loan	5,250.00*	2,865.10*
Total		5,250.00*	2,865.10*

** As certified by our Statutory Auditor, Singhi & Co., Chartered Accountants, by way of their certificate dated September 29, 2026.*

ICICI Securities is one of the BRLMs to the Issue. The loans were sanctioned by ICICI Bank as part of their separate lending activities in the ordinary course of business and we do not believe that there is any conflict of interest under the Securities and Exchange Board of India (Merchant Bankers) Regulations, 1992, as amended, or any other applicable SEBI rules or regulations. The Board of Directors of our Company have chosen the loans and facilities to be repaid/ prepaid based on commercial considerations. For further information, see "*Objects of the Issue – Details of the Objects – Investment in our wholly owned Material Subsidiaries namely, Runwal Residency Private Limited and Evie Real Estate Private Limited, for repayment/ pre-payment, in full or in part, of all or a portion of certain of their outstanding borrowings*" beginning on page 103.

18. Our Promoter may have interests other than reimbursement of expenses incurred and receipt of remuneration or benefits from our Company. Further, our Promoter and Promoter Group may have interests in entities, which are in businesses similar to ours and this may result in conflict of interest with us.

Our Promoter is interested in our Company, in addition to regular remuneration or benefits and reimbursement of expenses, to the extent of their shareholding, direct and indirect. Furthermore, our Promoter may also be deemed to be interested in arrangements entered into by our Company with entities in which they or their relatives hold directorships or partnership interests. For further information, see "*Our Promoter and Promoter Group*" on page 278.

Further, our Promoter and Promoter Group may have interests in entities, to the extent of their shareholding and/or directorships, which are in businesses similar to ours and this may result in conflict of interest with us. For instance, our Promoter, Subodh Subhash Runwal, is a shareholder in Evie Commercial Plaza Private Limited, Evie Commercial Assets Private Limited, Freeway Contractors Private Limited, Runwal Real Estates Private Limited, New Rajasthan Builders Private Limited and Runwal Developers Limited all of which engage in various construction-related activities that our Company also engages in. We cannot assure you that our Promoter or Promoter Group will not provide competitive services or otherwise compete in business lines in which we are already present or will enter into in the future. In the event that any conflicts of interest arise, our Promoter and Promoter Group may make or influence decisions regarding our operations, financial structure or commercial transactions that may not be in our shareholders' best interest. It may also enable a competitor to take advantage of a corporate opportunity at our expense. Such decisions could have a material adverse effect on our business, financial condition, results of operations and prospects. Should we face any such conflicts in the future, there is no guarantee that they will be resolved in our favor.

Our Promoter holding Equity Shares may also take or block actions with respect to our business which may conflict with the best interests of our Company or that of minority shareholders. For further details, see "*Capital Structure*" on page 87.

19. Certain of our corporate records and filings may have inadvertent errors or inaccuracies. We cannot assure you that regulatory proceedings or actions will not be initiated against us in the future or that we will not be subject to any penalty imposed by the competent regulatory authority.

There may be inadvertent errors or inaccuracies in our historical corporate and secretarial filings. For instance, in 2018, there was an error in the filing of Form DIR-12, wherein Lucy Roychoudhury was incorrectly classified as a Promoter.

We cannot assure you that we will not be subject to any legal proceedings, regulatory action or penalties imposed by statutory or regulatory authorities due to inadvertent errors in such documents in the future, which may adversely affect our business, financial condition, results of operations and reputation.

20. Our funding requirements and proposed deployment of the Net Proceeds are based on management estimates and may be subject to change based on various factors, some of which are beyond our control. Any variation in the utilization of the Net Proceeds would be subject to certain compliance requirements, including prior shareholders' approval.

We intend to use the Net Proceeds for (i) the repayment or prepayment, in full or part, of certain outstanding borrowings availed by our Company; (ii) investment in our wholly owned Material Subsidiaries namely Runwal Residency Private Limited and Evie Real Estate Private Limited, for repayment/ pre-payment, in full or in part, of all or a portion of certain of their outstanding borrowings; and (iii) funding the acquisition of future real estate projects and general corporate purposes in the manner specified in "*Objects of the Issue*" on page 100. The amount of Net Proceeds to be actually used will be based on our management's discretion. However, the deployment of the Net Proceeds will be monitored by a monitoring agency appointed pursuant to the SEBI ICDR Regulations. Our internal management estimates may exceed fair market value or the value that would have been determined by third-party appraisals, which may require us to reschedule or reallocate our capital expenditure and may have an adverse impact on our business, financial condition, results of operations and cash flows. We may have to reconsider our estimates or business plans due to changes in underlying factors, some of which are beyond our control, such as interest rate fluctuations, changes in input cost and other financial and operational factors. In relation to the above, our Company proposes to deploy ₹ 1,171.19 million from the Net Proceeds towards funding acquisition of future real estate projects and general corporate purposes, in a manner as approved by our Board from time to time, subject to such utilisation not individually exceeding 25%, and collectively not exceeding 35% of the Gross Proceeds, in compliance with the SEBI ICDR Regulations. Although we have identified broad aspects on which the Company intends to utilise the foregoing amount, the Company has not identified the specific projects which will be funded and accordingly, there are no definitive arrangements for such potential acquisitions.

In accordance with Section 27 of the Companies Act, 2013 and Regulation 59 of the SEBI ICDR Regulations, we cannot undertake any variation in the utilization of the Net Proceeds without obtaining the Shareholders' approval through a special resolution. In the event of any such circumstances that require us to undertake variation in the disclosed utilization of the Net Proceeds, we may not be able to obtain the shareholders' approval in a timely manner, or at all. Any delay or inability in obtaining such shareholders' approval may adversely affect our business or operations. Further, we may not be able to undertake variation of objects of the Issue to use any unutilized proceeds of the Issue, if any, or vary the terms of any contract referred to in this Prospectus, even if such variation is in the interest of our Company. This may restrict our Company's ability to respond to any change in our business or financial condition by re-deploying the unutilized portion of Net Proceeds, if any, or varying the terms of contract, which may adversely affect our business and results of operations.

21. Our Company proposes to utilize part of the Net Proceeds for repayment or pre-payment, in full or in part, of all or certain borrowings availed by (i) our Company, and (ii) our wholly owned Material Subsidiaries namely Runwal Residency Private Limited and Evie Real Estate Private Limited. Accordingly, the utilization of that portion of the Net Proceeds will not result in the creation of any tangible assets.

Our Company intends to utilize a part of the Net Proceeds for (i) repayment or pre-payment, in full or in part, of all or certain outstanding borrowings availed by our Company, and (ii) investment in our wholly owned Material Subsidiaries namely, Runwal Residency Private Limited and Evie Real Estate Private Limited, which such Material Subsidiaries shall in turn utilize for the repayment or pre-payment, in full or in part, of all or a portion of certain outstanding borrowings availed by them, as identified in the section titled "*Objects of the Issue*" on page 100. The form of infusion of such investment is proposed to be undertaken in the form of equity or debt, including optionally convertible debentures, compulsorily convertible debentures, non-convertible debentures or a combination of both or through any other manner, which shall be determined by our Board after considering certain commercial and financial factors at the time of investment. Furthermore, the repayment of the loans identified by us, are subject to various

factors including pre-payment penalty. While we believe that utilization of Net Proceeds for repayment of secured loans would help us to reduce our cost of debt and enable the utilization of our funds for further investment in business growth and expansion, the pre-payment of loans will not result in the creation of any tangible assets for our Company.

22. There is a lack of specificity regarding one of the proposed objects of the Issue, and we have not explicitly earmarked the use of the Net Proceeds under this objective.

A portion of the Net Proceeds is proposed to be utilized to fund the acquisition of future real estate projects subject to approval by our Board from time to time. While we have broadly outlined the intended uses of the Net Proceeds, specific projects to be undertaken by our Company have not yet been identified, and we currently have no definitive arrangements in place with any parties for these acquisitions. These initiatives will be influenced by a variety of factors, including our business plans, prevailing market conditions, assessment of economic and competitive trends by our Board, regulatory developments and other general factors affecting our financial performance and access to capital. Delay or inability to finalise such activities within an appropriate timeframe may postpone the deployment of the Net Proceeds and negatively impact our business operations and growth prospects. For additional information, please refer to the section titled "*Objects of the Issue – Details of the Objects- Funding acquisitions of future real estate projects and general corporate purposes*" on page 107.

23. Our business is highly capital-intensive, necessitating significant expenditure for land acquisition and development. Consequently, we rely substantially on the availability of real estate financing, which might not always be accessible on terms favorable to us, if at all, in a timely manner.

The development of real estate projects involves incurring various costs, which we partially finance through real estate loans from banks and other financial institutions. As of March 31, 2026, our total financial indebtedness was ₹29,091.28 million on a consolidated basis. Details of our total borrowings as of March 31, 2026, March 31, 2025, and March 31, 2024, are as follows:

Particulars	As of March 31,					
	2026		2025		2024	
	Amount	Percentage of total borrowings	Amount	Percentage of total borrowings	Amount	Percentage of total borrowings
	(₹ million)	*(%)*	*(₹ million)*	*(%)*	*(₹ million)*	*(%)*
Secured borrowings	25,427.16	87.40	19,870.81	85.92	17,602.99	98.69
Unsecured borrowings	3,664.12	12.60	3,254.97	14.08	233.51	1.31
Total	**29,091.28**	**100.00**	**23,125.78**	**100.00**	**17,836.50**	**100.00**

Below are the details of our total debt and debt/equity ratio as of the periods indicated:

Particulars	As of March 31,		
	2026	2025	2024
Total Debt[(1)] (₹ million)	29,793.74	23,498.52	17,864.62
Debt / Equity ratio[(2)]	3.29	4.64	3.62

Notes:
(1) Debt refers to the sum of non-current borrowings, current borrowings and interest payable, if any.
(2) Debt / Equity Ratio is calculated as Debt divided by Total Equity for the relevant period.

For further information on the principal terms of the facilities sanctioned to our Company and Subsidiaries, including details of security and consequences of events of default, see "*Financial Indebtedness*" on page 398.

As we aim to continue investing in our land acquisition and development activities, we will incur further expenses in the current and future fiscal periods. We plan to finance this expenditure through a mix of debt, equity and internal accruals.

Our ability to borrow and the terms of our borrowings will depend on our financial condition, the stability of our cash flows and our capacity to service debt. Our funding requirements are based on management estimates and may be subject to change based on various factors, some of which are beyond our control. We may require additional equity or debt in the future in order to continue to grow our business, which may not be available on favorable terms or at all. Further, in our ordinary course of business, we refinance our existing loans for various reasons including amongst others to optimize borrowing costs, extend repayment periods, or align with project timelines. Set out below are the details of certain refinancing transactions undertaken by our Subsidiaries during Fiscals 2025 and 2026.

The actual amount and timing of our future capital requirements may differ from estimates due to unforeseen delays or cost overruns in our projects, changing business plans due to evolving economic conditions, unexpected expenses, regulatory changes and engineering design modifications. Should our planned expenditure exceed available resources, we will need to seek additional debt or equity financing. Accessing capital markets might also become challenging, potentially making future financing more difficult or costly.

Our loan agreements entail provisions that could limit our ability to incur future debt, make certain payments or take certain actions. Specifically, our existing financing agreements contain a number of covenants that require prior written consent or notification before (a) any investments or loans or advances, (b) any change in ownership or control or management, (c) change in shareholding pattern or the capital structure, (d) undertaking any new project, diversification, modernization which are material in nature in the opinion of the lender, or expansion of any of its projects, that is substantial in the opinion of the lender, (e) declaring dividends for any year except out of profits relating to that year after meeting all the financial commitments to the lender and making all necessary provisions and (f) amending our constitutional documents. For further details see, "*Financial Indebtedness*" on page 398. Furthermore, the availability of borrowed funds for our business could significantly decrease, with lenders possibly requiring us to commit more funds to specific projects or provide security for higher quantum of the loans, for both new loans and extensions of existing loans. We may not be successful in obtaining these additional funds in a timely manner, on favorable terms, or at all.

Insufficient funding could hinder our ability to acquire more land or develop new projects, thereby negatively impacting our results of operations. Without additional capital, we may need to delay, postpone or abandon some or all projects, reduce capital expenditures or scale down operations, any of which may adversely affect our business, financial condition and results of operations

24. We are significantly dependent on third party vendors and suppliers to provide us our construction supplies. In Fiscals 2026, 2025 and 2024, our top 10 suppliers accounted for approximately 76.05%, 54.80%, and 50.66% of our total expenses, respectively. Any failure in procuring such construction supplies or any breakdown of our relations with our vendors and suppliers could adversely affect our business, results of operations and financial condition.

We significantly depend on third party vendors and suppliers for the operations of our business. In Fiscals 2026, 2025 and 2024, our top 10 suppliers accounted for approximately 76.05%, 54.80%, and 50.66% of our total expenses, respectively. The loss of any of our top 10 suppliers for any reason (including due to possible bankruptcy or liquidation or other financial hardship faced by such suppliers, decline in their sales, labor strikes or other work stoppages affecting production) could have a material adverse effect on our business. The table below sets out the contribution of our top three, top five and top 10 suppliers as a percentage of total expenses for the years / period indicated below:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
	(% of total expenses)		
Contribution of top 3 suppliers	64.05	30.80	23.01
Contribution of top 5 suppliers	70.87	43.43	33.49
Contribution of top 10 suppliers	76.05	54.80	50.66

For a further breakdown on the contribution of our top 10 suppliers, please see "*Our Business – Business Operations – Key Business Partners and Suppliers*" on page 211.

Majority of our relationships with our suppliers are not governed under long term contracts. Accordingly, there is no assurance that we can maintain stable and long-term business relationships with any supplier. Failure to maintain existing relationships with the suppliers or to establish new relationships in the future could negatively affect our ability to obtain goods used in our business. If we are unable to obtain ample supply of goods from existing suppliers or alternative sources of supply, we may be unable to meet the orders from our customers, adversely affecting our business, financial condition and results of operations.

25. We do not provide any construction services and are entirely dependent on third party contractors for the construction of our projects. Our reliance on third-party contractors and other service providers, and any failure on their part to perform their obligations, may adversely affect our business, financial condition, results of operations, and cash flows.

We engage various third-parties to design, construct and sell our projects according to our specifications, quality standards and timelines. These services also involve architects, engineers and suppliers of labor and materials. As our Company does not provide any construction services, we are entirely reliant on these third-party contractors for the timely completion of our projects according to our specifications and quality requirements. These contractors are selected based on, among others, their reputation, past performance, team size and cost. However, our control over the timing, cost and quality of the services provided by these contractors is limited.

The table below provides the details of the attrition amongst the top 20 third party contractors that were awarded contracts for the construction of our projects for the years indicated:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Number of third-party contractors amongst top 20 third party contractors of the relevant period that discontinued post award of work	—	—	—
Attrition rate amongst top 20 third party contractors (%)	—	—	—

The timely and quality completion of our projects depends significantly on the availability and expertise of these third-parties, which may be affected by issues such as labor and material shortages, industrial actions, strikes, lockouts and other external factors like work stoppages or labor disputes. Finding appropriately skilled third-parties may be challenging and we cannot guarantee their continued availability at reasonable rates.

If a contractor fails to perform its obligations satisfactorily or within the prescribed time periods, or if a contractor terminates its arrangements with us, we may be unable to develop the project within the intended timeframe or at the intended cost. Should this occur, we may incur additional costs or delays to ensure the property meets the appropriate quality standards, potentially resulting in reduced profits or significant penalties and losses. This might include substantial additional costs or efforts to maintain quality standards. Instances of default or delay by our contractors, even though none have occurred during Fiscals 2026, 2025 and 2024 aside from those caused by the COVID-19 pandemic, could adversely affect our profitability and reputation.

Although we conduct regular inspections during the construction process to continuously review the progress of work, we cannot assure you that these measures will prevent delays or quality issues. Contractors generally provide warranties for construction defects and while we obtain back-to-back warranties from them, these may not fully cover the liabilities we face. These contractors might also claim defenses not available to us against customer claims, further affecting our business, financial condition and results of operations.

Moreover, we may face legal claims (including by way of long-drawn arbitration) related to our business dealings with contractors, including our default or late payments to contractors, which could adversely impact our cash flows. Consequently, the inability or unwillingness of these third-parties to perform their obligations satisfactorily or within the prescribed timelines could result in project delays or increased costs, thereby adversely affecting our business, financial condition and results of operations.

26. Work stoppages, labor shortages, and other labor-related issues could negatively impact our business. Our operations depend heavily on contract labor and any difficulty in securing sufficient contract labor at reasonable costs for our project sites could adversely affect our business prospects and results of operations.

Our industry is labor-intensive and we rely on our construction contractors to hire contract labor for our projects. Should the relationships between third-party contractors and their personnel deteriorate, we may face labor unrest, strikes or other labor actions and work stoppages.

Additionally, we depend on third-party contractors for various services integral to our business, and their employees or workers are subject to labor legislations. Although we do not directly hire these laborers, we may be held responsible for wage payments in the event that such third-party contractors default on these payments. Furthermore, we have had no instances in Fiscals 2026, 2025 and 2024 where we have absorbed any of our contract laborers as permanent employees of our Company. Any requirement to cover these wage payments could adversely impact our results of operations and financial condition. Moreover, under the Contract Labour (Regulation and Abolition) Act, 1970, as implemented by the Central Government and adapted by State Governments, we may even be required to absorb some of these contract laborers as permanent employees, subject to the nature and terms of engagement of such contract laborers.

There have been instances of failure by contractors in relation to the payment obligations to laborers, which have negatively affected us. In Fiscals 2026, 2025 and 2024, we have paid a total of ₹6.45 million to subcontractors whose wages were failed to be paid by our contractors. However, there have been no labor unrest, strikes or work stoppages which have affected our projects in Fiscals 2026, 2025 and 2024, though any non-compliance by third-party contractors in the future could lead to legal proceedings against us. If these factors materialize, our business, financial position, results of operations and cash flows could be adversely affected.

27. Our Company and Promoter has made investments in certain partnership firms and an association of persons (AOP), both of which expose us to risks due to their liability obligations being unlimited in nature.

Our Company has made investments in Runwal & Kunal Venture ("**RKV**") and SR Constructions, an association of persons ("**AOP**") and a partnership firm, respectively, both of which expose us to risks due to their unlimited liability nature and operational dependencies. RKV, formed under a joint venture agreement dated March 10, 2007, with Kunal Housing ("**JV Agreement**"), is an AOP established to undertake real estate development on land located at village Lohegaon, Taluka Haveli, District Pune. RKV is classified as a subsidiary in our Restated Consolidated Financial Information under Ind AS, and binds our Company and Kunal Housing to joint and several liability for all project-related obligations until its completion. SR Constructions, a partnership firm registered pursuant to a deed dated October 14, 2014, operates in the real estate sector, with our Promoter, Subodh Subhash Runwal, holding a 31.25% profit-sharing ratio, and our Company maintaining an investment interest therein for 5.00%. Due to the liability obligations being joint and unlimited in nature by virtue of the framework of these entities, our Company, and potentially our Promoter in the case of SR Constructions, could be held accountable for their debts and liabilities, including those arising from project delays, cost overruns, regulatory non-compliance, or partner insolvency, without limitation to our invested capital irrespective of the extent of shareholding or profit sharing ratio. For further details on related party transactions, see "*Restated Consolidated Financial Information – Annexure VI - Consolidated Statement of notes and other Explanatory Information forming part of Restated Consolidated Statements – Note 52 (A) – Related Party Transactions*" on page 345.

The table below provides details of our share of profits/(losses) from RKV and S R Constructions as accounted for in our Restated Consolidated Financial Information for the periods indicated:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
	(₹ million)		
RKV	(0.05)	(3.63)	(0.14)
S R Constructions	(0.12)	(0.04)	(0.02)

Any failure by RKV or SR Constructions to complete their respective projects or satisfy its respective contractual obligations; or failure to sustain operations by RKV or SR Constructions could lead to losses, legal disputes, or reputational damage, adversely affecting our financial condition, cash flows, and results of operations. We may also be liable for the obligations, liabilities and claims of these entities, to the extent of our capital contribution or share of profits or losses, depending on the nature and terms of our agreements and applicable laws. In the case of general partnership firms in which we have controlling or non-controlling interests, we may incur unlimited liability under applicable laws. We may also be subject to joint and several liability with other partners or members of these entities, or may be required to indemnify them for any losses or damages arising from our acts or omissions. Our ability to mitigate these risks may be limited by the irrevocable nature of the JV Agreement and the lack of majority control over SR Constructions. Should these entities incur significant liabilities or fail to generate expected returns, the value of the Equity Shares and your investment in this Issue could be materially impacted.

28. There are outstanding litigation proceedings involving our Company, Promoter, Directors, Subsidiaries, Joint Venture, Associate, Key Managerial Personnel and Senior Management. Any adverse outcome in such proceedings may have an adverse impact on our reputation, business, financial condition, results of operations and cash flows.

As of the date of this Prospectus, there are outstanding legal proceedings involving our Company, Promoter, Directors, Subsidiaries, Joint Venture, Associate, Key Managerial Personnel and Senior Management, which are pending at various levels of adjudication before various courts, tribunals and other authorities.

There can be no assurance that these legal proceedings will be decided in our favor or in favor of our Promoter, Directors, Subsidiaries, Joint Venture and Associate. Further, as of March 31, 2026, we have not considered any provisioning as necessary to be made by us for any possible liabilities arising out of these litigations and have accordingly not made any such provisioning. In addition, we cannot assure you that no additional liability will arise out of these proceedings.

Our Company, along with certain of its Subsidiaries, namely Runwal Residency Private Limited, Evie Real Estate Private Limited, Susneh Infrapark Private Limited, and Wheelabrator Alloy Castings Limited, have received notices under Section 156 of the Income Tax Act, 1961 and have been subject to penalty proceedings and search and seizure operations conducted pursuant to Section 132 of the Income Tax Act, 1961. Additionally, our Promoter, Subodh Subhash Runwal, and certain individuals forming part of our Promoter Group namely, Sandeep Subhash Runwal, Chanda Subhash Runwal and Subhash Suganlal Runwal have received notices under Section 142(1), 143(2), 142(3), 147, 148, 156 and 272A(1)(d) of the Income Tax Act, 1961.

Further, some of our promoter group members and group companies, including Horizon Projects Private Limited, Runwal Developers Limited, Runwal Construction Private Limited, R Retail Ventures Private Limited, R Mall Developers Private Limited have received notices under Section 142 (1), 143 (3), 147, 139 (9), 148A of the Income Tax Act, 1961. The decisions in such proceedings adverse to our interests may have an adverse effect on our reputation, business, financial condition, results of operations and cash flows.

29. We receive customer complaints pertaining to construction quality, amenities, non-refund of booking amount, interest due to delays in delivery of our units, amongst others, in our projects during the ordinary course of our business. There can be no assurance that we will not receive similar complaints in the future or that we will be able to address such customer complaints in a timely manner or at all.

We receive customer complaints in relation to the construction quality, amenities, non-refund of booking amount, interest due to delays in delivery of our units, amongst others, in the ordinary course of business. We have not established a standard procedure to process and handle customer complaints, and there can be no assurance that such procedures, if established in the future, will be effective in addressing all complaints received.

The following table provides details of the number of customer complaints received and filed before RERA and their resolution for Fiscals 2026, 2025 and 2024.

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Opening balance of unresolved customer complaints	43	26	23
Number of new customer complaints received during the period/year	63	26	12
Number of customer complaints resolved during the period/ year	28	9	9
Percentage of customer complaints resolved to the total number of opening unresolved customer complaints plus those received during the period/year (%)	26.42	17.31	25.71

While customer complaints received in Fiscals 2026, 2025 and 2024 have not had a material impact on our business or results of operations in the above mentioned periods, there can be no assurance that we will be able to adeptly resolve customer complaints received in the future. Any failure to do so may lead to litigation or regulatory proceedings, which may require us to compensate customers, if an order is rendered in favour of the customers, resulting in additional costs, or cause damage to our reputation. For details of existing litigations against our Company, Subsidiaries, Joint Venture and Associate see "*Outstanding Litigations and Material Developments*" on page 480.

30. Our registered trademarks and brand may be subject to infringement by third-parties, potentially leading to intellectual property disputes and adversely affecting our business prospects, reputation and goodwill.

As of the date of this Prospectus, we together with our subsidiaries have 62 registered trademarks and 26 trademarks are pending registration, for the names and logos of our brand "Runwal Enterprises" and our projects, including, amongst others, "Runwal Pinnacle", "Runwal Greens", "Runwal Gardens", "Runwal Bliss", "7 Mahalakshmi", "HHQ – Home Health Quotient" and "Runwal Forests" which have been filed under various classes with the registrar of trademarks. Out of the 26 applications pending registration, 6 have been opposed, 7 trademark applications are objected, 13 trademark applications are accepted and advertised, and one trademark application has been refused by the trademark registry and the Company is not re-applying for the same.

The trademarks "  " and "  " have been registered in our name.

There is a risk that third-parties may infringe upon our trademarks harming our business prospects, reputation and goodwill. Unauthorized use of our "Runwal Enterprises" brand by third-parties may also harm our business prospects, reputation and goodwill, potentially leading to a dilution of the value of our trademarks. Relatedly, the group of companies operated by Sandeep Runwal which, similar to our group, emerged from the reorganization of the legacy "Runwal group" in 2014, also operate under a "Runwal" brand name within Mumbai. Pursuant to a letter dated November 6, 2023, Runwal Developers Limited i.e. one of our Group Companies and the registered proprietor of the trademark 'Runwal', granted its no-objection to the use of the word 'Runwal' as a prefix in our name, i.e., 'Runwal Enterprises Private Limited'. No-objections have also been issued by Runwal Developers Limited in respect of some of the trademarks registered in our name. We have recently launched a new logo for our Group in an effort to better differentiate ourselves from the group of companies operated by Sandeep Runwal, there nevertheless remains a risk of customers identifying us with other group of companies as being that of our Group or vice versa. Failure to effectively enforce our intellectual property rights could materially and adversely affect our business and competitive standing.

Additionally, we may face allegations of infringing upon the trademark or proprietary rights of third-parties. Defending against such charges could require substantial expenditures and significant diversion of our technical and management resources. Such disputes could result in the loss of our rights to use the "Runwal Enterprises" brand or compel us to pay monetary damages or royalties to license proprietary rights from third-parties. An unfavorable outcome to any dispute regarding our trademark or other proprietary rights could negatively impact our business, financial condition and results of operations.

Moreover, we might not have sufficient mechanisms in place to protect our confidential information. Although we take precautions to safeguard confidential information against breaches of trust by employees, consultants, customers and suppliers, unauthorized disclosures may still occur.

31. As of March 31, 2026, we have contingent liabilities of ₹79,800.81 million, which if they materialize, may adversely affect our business, financial condition and results of operations.

The following is a summary table of our contingent liabilities as per Ind AS 37 as of March 31, 2026 as indicated in our Restated Consolidated Financial Information:

Particulars	Amount *(₹ in million)*
Direct and indirect tax matters in dispute	6,292.78
Bank guarantees	21.66
Corporate guarantees[(1)]	18,400.00
Personal Guarantee Received	54,900.00
Claims by parties against the Group not acknowledged as debt	70.47
MahaRERA	1.27
Vendor disputes	—
Contractual Agreements	114.63
Total	**79,800.81**

Note:

(1) (i) Runwal Enterprises Limited has provided corporate guarantee to IndusInd Bank Limited towards financial assistance of ₹4,000.00 million availed by M/s Runwal Real Estates Private Limited; (ii) Runwal Commercial Plaza Pvt Ltd has provided corporate guarantee to HDFC Capital Limited towards financial assistance of ₹4,500.00 million availed by M/s Wheelabrator Realty Private Limited; and (iii) Horizon Projects Private Limited has provided corporate guarantee to ICICI Bank Limited towards financial assistance of ₹9,900.00 million availed by Runwal Residency Private Limited.

For further details, see "*Restated Consolidated Financial Information*" on page 283.

As of March 31, 2026, our contingent liabilities were 42.96 times of the restated net profit and 39.65 times of the cash and cash equivalents. While there have been no such instances in the past, if a significant portion of these liabilities materialize, it could have an adverse effect on our business, financial condition and results of operations.

32. If we are unable to collect our dues and receivables from our customers in accordance with the terms and conditions of the contracts and the payment schedules, our business, financial condition and results of operations could be adversely affected.

When customers book units in our projects, they initially pay a booking amount, which typically constitutes a small fraction of the total consideration. Upon receipt of this booking amount, we allocate the unit to the customer, who is then obligated to make instalment payments to complete the total consideration. Occasionally, customers default on

these instalment payments. In such cases, we reserve the right to: (i) first, impose monetary penalties for delay of payment; (ii) second, send a notice of demand requesting payment; and (iii) failing steps (i) and (ii), exercise our right to forfeit the customer's booking amount and cancel the registration of the unit held by the defaulting customer. Consequently, we may not receive the outstanding receivables for the booked units in the future, and we may be unable to resell these units, adversely affecting our business prospects, financial condition and results of operations. Our business depends on our ability to successfully obtain payment from our customers that they owe us against the bookings.

The table below sets forth details of our trade receivables as of the dates indicated:

Particulars	As of March 31, 2026	As of March 31, 2025	As of March 31, 2024
	(₹ in million)		
Trade receivables	1.35	3.42	1.18

The table below sets forth details of our trade receivables ageing as of the dates indicated:

Particulars	Outstanding for the following periods from due date of payment					
	Less than 6 months	6 months - 1 year	1-2 years	2-3 years	More than 3 years	Total
	(₹ in million)					
Trade receivables ageing as of March 31, 2026	1.02	—	—	0.33	—	1.35
Trade receivables ageing as of March 31, 2025	3.09	—	0.33	—	—	3.42
Trade receivables ageing as of March 31, 2024	1.18	—	—	—	—	1.18

Economic conditions could also result in financial difficulties for our customers. Such conditions could cause customers to delay payment, request modifications of their payment terms, cause us to enter into litigation for non-payment, all of which could increase our dues and receivables from our customers. Timely collection also depends on our ability to complete our contractual commitments. If we are unable to meet our contractual obligations including delivery schedule, we might experience delays in the collection of, or be unable to collect, our customer balances, and if this occurs, our business, financial condition and results of operations could be adversely affected.

Additionally, in the event if we are contractually not obligated to issue allotment letters post receipts of nominal consideration from prospective customers, we may be exposed to related legal proceedings (including civil, criminal, and/or regulatory) counter-claiming against us. For details, see "*Outstanding Litigations and Material Developments*" on page 480.

33. Certain information contained in this Prospectus including those in relation to our Completed Projects, Ongoing Projects and Upcoming Projects and the area expressed to be covered by our projects are based on management estimates which may change for various reasons. Certain statistical and financial data from third-parties contained herein may be incomplete or unreliable.

The square footage data presented in this Prospectus with regard to Completed Projects, Ongoing Projects and Upcoming Projects and the area and make-up of our Developable Area are based on management estimates, current development plans and real estate regulations. The square footage that we may in the future develop with regard to a particular project may differ from the figures presented in this Prospectus based on various factors such as market conditions, title defects, any inability to obtain required regulatory approvals and any change in government policies. Moreover, title defects may prevent us from having valid rights enforceable against all third-parties to lands over which we believe we hold interests or development rights, rendering our management's estimates of the area and make-up of our developable land incorrect and subject to uncertainty. Additionally, any change in existing real estate regulations or plans may lead to changes in the estimated Developable Area, including a reduction in such area, which could adversely affect our business and results of operations. Our estimates with respect to such areas necessarily contain assumptions that may not prove to be correct.

We have also not independently verified data from government and industry publications and other sources contained in this Prospectus and therefore cannot assure you that they are complete or reliable. Therefore, discussions of matters relating to India, its economy or our industry are subject to the statistical and other data upon which such discussions are based and are not verified by us and may be incomplete or unreliable.

We may also change our management plans and timelines for strategic, marketing, internal planning and other reasons. Therefore, management's estimates and plans with respect to our projects are subject to uncertainty. Also see "*Risk Factors – Internal Risk Factors – As of March 31, 2026, we had an aggregate of 7,072 unsold units consisting of a total unsold Developable Area of 7.55 million square feet across our Completed Projects and Ongoing Projects. If we*

are unable to sell our existing or future inventory within our expected timelines or at all, our business, financial condition and results of operations may be adversely affected." on page 25.

34. We rely on third-party channel partners to market and sell our Projects. For Fiscals 2026, 2025 and 2024, our third-party channel partners contributed 58.60%, 53.87% and 44.38% of our total Sales Value, respectively. Any failure to maintain or effectively manage these relationships could adversely affect our business, financial condition, and results of operations

We depend on a network of channel partners for the sale of our Projects. This reliance exposes us to several risks, including limited direct control over their activities, where their marketing strategies, and interactions with potential customers may not always align with our standards or objectives, potentially harming our reputation pursuant to any misconduct or misrepresentations made by such external parties. Our sales volumes are also dependent on the performance and effectiveness of these external parties. If our channel partners are unsuccessful or prioritize our competitors, our sales could decline and our unsold inventory may increase.

The table below provides details of the Sale Value generated from our third-party channel partners for the periods indicated:

Particulars	Fiscal					
	2026		2025		2024	
	Amount	Percentage of Sales Value	Amount	Percentage of Sales Value	Amount	Percentage of Sales Value
	(₹ million)	(%)	(₹ million)	(%)	(₹ million)	(%)
Sales Value generated from channel partners	13,792	58.60	10,231	53.87	7,651	44.38

Furthermore, we compete with other developers to attract and retain channel partners, and there is no assurance we can maintain existing relationships or establish new ones on favorable terms. While there have been no instances in Fiscals 2026, 2025 and 2024, the loss of key channel partners could negatively impact our sales capabilities. Consequently, any disruption in these relationships, a decline in their performance or an inability to engage suitable channel partners on acceptable terms could materially and adversely affect our ability to sell our properties, leading to lower revenues and a negative impact on our business, financial condition, results of operations and prospects

35. Our income from property development may vary significantly between periods, depending on the size of projects under development and construction, and the stage of development. It is difficult to compare our performance between periods, as our revenues and expenses may vary significantly between periods.

Our income from property development activities is subject to significant variability between periods. This variability is largely dependent on the size and scope of projects under development and construction, as well as the stage of development during such periods. Due to these factors, it is challenging to make period-to-period comparisons of our performance. Our revenues and expenses can fluctuate substantially for reasons including, but not limited to, project delays, changes in market conditions, regulatory changes and the inherent uncertain nature of the real estate development business. Such variability can make it difficult for investors to assess our financial performance, thereby affecting investor confidence and the market price of our Equity Shares.

36. We are dependent on our Promoter, Directors, Key Managerial Personnel, Senior Management and employees for the growth and development of our Company. Given this dependency, the loss of any key team member or our inability to attract or retain such persons may adversely affect our business performance.

Our Promoter, Directors, Key Managerial Personnel, Senior Management and employees have been instrumental in the growth and development of our Company. We benefit from the experience of our Promoter, and any strain in our relationship with them could have a material adverse effect on our business, results of operations, financial condition, cash flows and future prospects.

Further, our business is dependent upon an experienced senior management team and we believe that the experience and skill of our Board of Directors, Key Managerial Personnel and Senior Management allows us to possess an advantage over our competitors. If one or more members of our Board of Directors, Key Managerial Personnel and Senior Management were unable or unwilling to continue in their present positions, such persons would be difficult to replace and our business, results of operations, financial condition, cash flows and future prospects could be adversely affected. To maintain and grow our business, we will need to identify, hire, develop, motivate and retain highly skilled employees. Identifying, recruiting, training, integrating and retaining qualified individuals requires significant time, expense and attention. We may need to invest significant amounts of cash to attract and retain new employees and expend significant time and resources to identify, recruit, train and integrate such employees and we may not realize any anticipated returns on these investments. If we are not able to retain and motivate our current personnel or effectively manage our hiring needs or successfully integrate and retain new hires, our efficiency, ability to achieve

our strategic objectives and employee morale, productivity and engagement could suffer, which could adversely affect our business, financial condition, cash flows and results of operations.

The following table sets forth the attrition rate of our Key Managerial Personnel, Senior Management and employees for the years indicated:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Total number of Key Managerial Personnel	3	3	1
Key Managerial Personnel attrition rate (%)	—	—	50.00
Total number of Senior Management	4	4	3
Senior Management attrition rate (%)	—	—	25.00
Total number of employees	1,181	911	843
Employee attrition rate (%)	19.77	15.98	21.75

Note:

(1) Attrition rate has been calculated as the number of Key Managerial Personnel, Senior Management or employees who have resigned during the period, divided by the number of Key Managerial Personnel, Senior Management or employees existing as of the beginning of the period and the numbers of Key Managerial Personnel, Senior Management or employees who have joined during the period (as the case may be).

Any loss of members of our Board of Directors, Key Managerial Personnel or Senior Management could significantly delay or prevent the achievement of our business objectives, affect our succession planning and could harm our business and customer relationships.

37. We may incur losses that are uninsured or exceed the limits of our insurance coverage, which may have a material adverse effect on our business, financial condition and results of operations.

We maintain insurance coverage in connection with our operations that we believe aligns with industry standards such as project insurance under standard fire and special perils policies, vehicle insurance, machinery insurance and contractor's all-risk insurance. Set out below are the details of our total assets and the insurance coverage on such assets:

Particulars	Fiscal 2026 *(₹ in million, except %)*	Fiscal 2025 *(₹ in million, except %)*	Fiscal 2024 *(₹ in million, except %)*
Total assets (A)	102,544.96	83,281.39	70,797.38
Insurance coverage (B)	84,786.64	62,178.46	57,557.79
% of insurance coverage (%) (B/A)	82.68	74.66	81.30

In Fiscals 2026, 2025 and 2024, we did not encounter any claims that exceeded our insurance coverage.

Our real estate projects are subject to risks such as physical damage from fire or other causes, which may not be fully covered by our insurance policies. Additionally, certain losses, including those from earthquakes, floods, other natural disasters, terrorism or acts of war, may not be insurable at a reasonable cost. We may also face claims arising from defects in our projects. The proceeds from any insurance claims made by us or our contractors may be insufficient to cover expenses such as higher rebuilding costs due to inflation, changes in building regulations, environmental issues and other factors. If an uninsured loss or a loss exceeding our insured limits occurs, we may lose the capital invested in and the expected revenue from the affected property and we could remain liable for any debt or other financial obligations related to that property. We cannot guarantee that future losses will not exceed insurance proceeds. Additionally, any payments we make to cover uninsured losses could significantly impact our business, financial condition and results of operations. If we experience losses, damages or liabilities during our operations and real estate development, we may not have sufficient insurance or funds to cover such losses.

Our Promoter holding Equity Shares may also take or block actions with respect to our business which may conflict with the best interests of our Company or that of minority shareholders. For further details, see "*Capital Structure*" on page 87.

38. Certain of our Directors and Key Managerial Personnel may have interest in entities which are in businesses similar to ours or have objects which would allow them to engage in the business similar to ours. Further, certain entities forming part of our Promoter Group, Group Companies, our Subsidiaries, Joint Venture and Associate are in the same line of business as ours. There are no non-compete agreements between our Company and such Promoter Group Entities, Subsidiaries, Joint Venture, Associate or Group Companies. We cannot assure that the said entity will not expand which may increase our competition, which may adversely affect our business operations and financial condition.

Certain of the entities forming part of our Promoter Group and Group Companies, our Subsidiaries, Joint Venture and Associate are in similar line of business as our Company. Certain of our Directors and Key Managerial Personnel may

have interest in such entities and there can be no assurance that conflicts of interest will not occur between our business and the businesses of such entities, which could have an adverse effect on our business and prospects.

Further, we have not entered into any non-compete agreement with said entities. The main objects of these entities allow them to engage in competing lines of business. To the extent similar business is conducted by our Subsidiaries, we do not perceive any conflict of interest in this regard given our majority shareholding and interest in these entities.

We cannot assure you that our Directors and Key Managerial Personnel who have common interest in the said entities will not favour the interest of the said entities in future. Any such present and future conflicts could have a material adverse effect on our reputation, business, results of operations and financial condition which may adversely affect our profitability and results of operations. Additionally, we cannot assure that the said entities will not expand, which may increase our competition and, in turn, adversely affect the business operations and financial condition of our Company. For further details, please refer to "*Our Group Companies – Common Pursuits*" and "*History and Certain Corporate Matters – Our Subsidiaries*" on pages 512 and 237, respectively. While there is presently no conflict of interest between our Company, entities forming part of our Promoter Group and Group Companies and our Subsidiaries, Joint Venture or Associate on the date of this Prospectus, there is no assurance that our Directors and Key Managerial Personnel will not provide competitive services or otherwise compete in business lines in which we are already present or will enter into in future. Such factors may have an adverse effect on the results of our operations and financial condition.

39. As of the date of this Prospectus, our Promoter and Promoter Group holds 95.16% of the issued, subscribed and paid-up Equity Share capital of our Company on a fully diluted basis and will continue to exercise significant influence over our Company after completion of the Issue.

The table below sets out the number of Equity Shares held by our Promoter and Promoter Group and their percentage against the issued, subscribed and paid-up Equity Share capital of our Company on a fully diluted basis as of the date of this Prospectus:

Particulars	No. of Equity Shares Held	Percentage of issued, subscribed and paid-up Equity Share capital on a non-diluted basis (%)	Percentage of issued, subscribed and paid-up Equity Share capital on a fully diluted basis (%)
Promoter and Promoter Group	125,037,495	95.16	95.16

After the completion of the Issue, our Promoter and Promoter Group will continue to control our Company and exercise significant influence over our business policies and affairs and all matters requiring shareholders' approval, including the composition of our Board, the adoption of amendments to our constitutional documents, the approval of mergers, strategic acquisitions or joint ventures or the sales of substantially all of our assets, and the policies for dividends, lending, investments and capital expenditures through their shareholding after the Issue. We cannot assure you that our Promoter will act to resolve any conflicts of interest in our favor and any such conflict may adversely affect our ability to execute our business strategy or to operate our business.

40. Our Company cannot assure payment of dividends on the Equity Shares in the future.

Our Company has not declared dividends in Fiscals 2026, 2025 and 2024 and from April 1, 2026 until the date of this Prospectus. Our ability to pay dividends in the future will depend on a number of factors identified in the dividend policy of our Company, liquidity position, profits, capital requirements, financial commitments and other relevant or material factors considered relevant by our Board. The declaration and payment of dividends will be recommended by the Board of Directors and approved by the shareholders, at their discretion, subject to the provisions of our Articles of Association and applicable law, including the Companies Act 2013. We may retain all future earnings, if any, for use in the operations and expansion of the business. We cannot assure you that we will be able to pay dividends in the future. Further, our Subsidiaries may not pay dividends on equity shares that we hold in them. Additionally, our ability to pay dividends may also be restricted by the terms of financing arrangements that we may enter into. Dividends distributed by us will attract dividend distribution tax at rates applicable from time to time. Consequently, our Company may not receive any return on investments in our Subsidiaries. See "*Dividend Policy*" on page 282.

41. Industry information included in this Prospectus has been derived from an industry report commissioned by us, and paid for by us for such purpose. There can be no assurance that such third-party statistical, financial and other industry information is either complete or accurate.

We have used the report titled "Overview of India's Real Estate Market" dated September 11, 2026 prepared by JLL ("**JLL Report**"), appointed on August 18, 2026 and exclusively commissioned by our Company for purposes of inclusion of such information in this Prospectus at an agreed fee to be paid by our Company. The information is subject

to various limitations, highlights certain industry and market data relating to us and our competitors which may not be based on any standard methodology and is based upon certain assumptions that are subjective in nature. JLL is an independent practicing research agency and it does not have any direct or indirect interest in or relationship with the Company, its Directors, Promoter, Key Managerial Personnel, Senior Management, Subsidiaries. Given the scope and extent of the JLL Report, disclosures are limited to certain excerpts and the JLL Report has not been reproduced in its entirety in this Prospectus. There are no parts, data or information (which may be relevant for the proposed issue), that has been materially left out or changed in any manner. Accordingly, investors should read the industry-related disclosures in this Prospectus in this context. Industry sources and publications are also prepared based on information as of specific dates and may no longer be current or reflect current trends. Industry sources and publications may also base their information on estimates, projections, forecasts and assumptions that may prove to be incorrect. Accordingly, investors should not place undue reliance on or base their investment decision solely on this information. Also see, "*Certain Conventions, Presentation of Financial, Industry and Market Data and Current Presentation – Industry and Market Data*" on page 15.

42. We face risks associated with selling our projects prior to their completion, and an inability to secure pre-sales may negatively impact the recovery of our capital investments.

In line with industry standards, we fund our residential projects through pre-sales before completion and through progressive payment plans based on the stages of construction completed. Revenue from the pre-sale of our projects is a crucial source of funding for their development. Should there be a failure or delay beyond the agreed contractual period in delivering our pre-sold projects to buyers, we would be obligated to refund all proceeds received from the pre-sales or progressive payment plans for those units.

The following table provides details of the number of agreements cancelled by customers after registration of the agreement and the aggregate agreement amount involved in the cancelled contracts for Fiscals 2026, 2025 and 2024.

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Number of agreements cancelled by the customers after registration of the agreement	170	107	92
Aggregate amount involved in the cancelled contracts (*in ₹ million*)	923.07	593.55	596.52

Additionally, we might be liable for any potential losses that the buyers incur as a result. Our financial capacity to promptly issue these refunds may be constrained. Any limitations on our ability to pre-sell our projects would prolong the duration required to recoup our capital investments and necessitate seeking alternative financing methods for the various stages of project development. Outside of COVID-19 pandemic-related delays and delays typical for development projects of our size, we have not otherwise experienced any significant delays in Fiscals 2026, 2025 and 2024 that affected our business, prospects or results of operations, but there can be no guarantee that we will not encounter delays in the future. See also "*Risk Factors – Internal Risk Factors – As of March 31, 2026, we had an aggregate of 7,072 unsold units consisting of a total unsold Developable Area of 7.55 million square feet across our Completed Projects and Ongoing Projects. If we are unable to sell our existing or future inventory within our expected timelines or at all, our business, financial condition and results of operations may be adversely affected.*" on page 25.

43. We have and may continue to undertake projects jointly with third-parties, which entails risks with respect to completion of the project, satisfaction of financial obligations and control over the project.

As of March 31, 2026, five Upcoming Projects and three Ongoing Projects are being undertaken in collaboration with third parties.

The details of these projects are as follows:

Project	Location	Category	Developable Area (sq. ft.)	Entity Developing the Project	Model	Details of the JDA / DA / JV Partner	Project Status	Economic Interest
7 Mahalaxmi	Mahalaxmi, Mumbai	Residential – Luxury	2,890,715	Runwal Real Estates Private Limited	JDA	Shreepati Build Infra Investment Limited	Phase I – Ongoing Phase II - Upcoming	50.00% profit share

In such projects, the title to the land may be owned by one or more of these third-parties and we, by virtue of the development agreements or otherwise, acquire development rights to the land. Most of these development agreements confer rights on us to construct, develop, market and eventually sell the Developable Area to third-party buyers. Such agreements do not convey any interest in the immovable property to us and only the development right is transferred to us.

Investments through development agreements involve risks, including the possibility that our development partners may fail to meet their obligations under the development agreement, which may lead to delays or abandonment or even failure of the project. We cannot assure you that projects that involve collaboration with third-parties will be completed as scheduled, or at all, or that our ventures with these parties will be successful. Our development agreements may permit us only partial control over the operations of the development under certain circumstances. Where we do not hold the entire interest in a development, it may be necessary for us to obtain consent from a development partner before we can cause the development partner to make or implement a particular business development decision or to distribute profits to us. These and other factors may cause our development partners to act in a way that is contrary to our interests, or otherwise be unwilling to fulfil their obligations under our development agreements. Disputes that may arise between us and our development partners may cause delay in completion, suspension or complete abandonment of that project. This may adversely affect our reputation, business prospects, financial condition or results of operations.

44. The success of our residential, commercial and retail real estate development businesses is dependent on our ability to anticipate and respond to consumer requirements.

India's economic expansion has reshaped its business landscape and consumer dynamics. As the middle and upper-income segments experience a surge in disposable income, their lifestyles have evolved significantly. This shift has fundamentally altered consumer preferences, with a growing emphasis on superior housing options and enhanced amenities in new residential projects. The market is witnessing a notable trend where homebuyers increasingly prioritize quality living spaces and modern conveniences in their property choices. (*Source: JLL Report*) In our retail business, we believe that an increase in disposable incomes, demographic changes and the change in perception of branded products has led to a greater demand for access to luxury brands. The growth and success of our commercial business depends on the provision of high quality commercial space to attract and retain clients and on our ability to anticipate the future needs and expansion plans of these clients.

Given the current global economic environment, we face an increasing pressure to service our customers commensurate to their expectations at attractive prices, which may not be profitable to us. Consequently, our inability to meet our customers' preferences or our failure to anticipate and respond to customer needs accordingly could materially and adversely affect our business and results of operations. If we fail to anticipate and respond to consumer requirements, we could lose potential customers to competitors, which in turn could adversely affect our business and prospects.

45. Our business and growth plan could be adversely affected by the incidence and change in the rate of property taxes and stamp duties.

As a real estate development company, we are liable for property taxes in the areas where we conduct our operations. Additionally, we are obligated to pay stamp duties for agreements related to the properties we transact. There is a possibility that these levies may rise in the future and new categories of property taxes and stamp duties could be introduced, thereby increasing our overall expenses. Should there be an increase in these taxes and duties, the costs associated with acquiring, disposing of, and maintaining properties could escalate. Any such alterations in the application or rates of property taxes or stamp duties could negatively affect our business, financial condition and results of operations.

46. Sales of our projects may be adversely affected by the ability of our prospective customers to purchase property which is dependent on availability of financing to potential customers.

Lower interest rates on housing finance from Indian banks and housing finance companies, particularly for residential real estate, along with favorable tax treatment on loans, facilitate the growth of the Indian real estate market. Any changes in the tax treatment concerning the repayment of principal and interest paid on housing loans are likely to affect the demand for residential real estate. There are various tax benefits under the Income Tax Act available to purchasers of residential properties who use loans from banks or financial institutions, which are relied upon by majority of our customers. This could adversely impact the ability or willingness of our potential customers to buy residential apartments. Additionally, unfavorable changes in interest rates affect the ability and willingness of prospective real estate customers, especially those interested in residential properties, to secure financing for our projects. A decision by the Reserve Bank of India to increase the repo rate could pose an inflation risk as the interest rates charged by banks on home loans for our prospective customers have historically been, and may continue to be, increased. The interest rates at which our customers can borrow funds for purchasing our properties affect the affordability of our real estate projects. Any changes in the home loan market that make home loans less attractive to our customers may adversely affect our business, future growth and results of operations.

47. Failure to effectively implement our business strategies and development plans could adversely impact our business prospects, financial condition and results of operations.

Our current focus includes developing residential, commercial and retail real estate projects in specific micro-markets within Mumbai. While we plan to continue concentrating on these areas, we also propose to extend our operations into other micro-markets within Mumbai and surrounding areas. Pursuing these strategies may place significant demands on our management, financial resources, accounting and operating systems. Despite successful execution of our business strategies in the past, we cannot assure you that we will be able to execute these strategies on time, within the estimated budget or meet the expectations of our target customers going ahead. Failure to execute our growth strategy may result in an inability to maintain previous growth rates.

Moreover, as we expand, we may face challenges in managing our business efficiently, leading to delays, increased costs and potential impacts on the quality of our projects, which may, in turn, harm our reputation. Such expansion also increases the complexities involved in maintaining a uniform culture, set of values and work environment across our operations. We must also develop and improve our internal administrative infrastructure, particularly our financial, operational, communication, internal control and other internal systems and recruit, train and retain management, technical and marketing personnel. Maintaining high levels of customer satisfaction and adhering to health, safety and environmental standards are also crucial. Our failure to manage this growth effectively could negatively impact our business and financial condition.

Each element of new project initiatives that we undertake carries significant risks and potential unexpected consequences. For instance, (i) acceptance of and sales from new project initiatives by our customers may fall short of our expectations; (ii) our marketing strategies for the new projects might be less successful and may not effectively reach the targeted consumer base or generate the desired level of consumption; (iii) we may incur costs beyond our expectations due to the continued development and launch of new projects; (iv) we may experience a decline in sales of certain existing projects due to the introduction of new projects nearby; and (v) any delays or other difficulties experienced by us, or our third-party contractors and developers, in timely project development and construction could also cause issues.

Should we fail to successfully implement our business strategies and development plans for any of the reasons mentioned above, our business, financial condition and results of operations could be adversely affected.

48. We enter into various agreements and deeds in our ordinary course of business, and we are required to pay certain stamp duty on these agreements, in accordance with the applicable laws. Any non-compliance or inadequate payment of stamp duty may render the underlying agreements and deeds inadmissible as evidence in a court of law or invalidate their enforceability.

We have entered into various agreements and deeds, in the ordinary course of business, which are subject to stamp duty under applicable laws, including the Indian Stamp Act, 1899, and respective state stamp duty legislations. In the

event any such agreements and deeds are not adequately stamped or are executed on insufficiently stamped instruments due to differing interpretations of stamp duty requirements across jurisdictions, it may render the underlying agreements and instruments inadmissible as evidence in a court of law or invalidate their enforceability. Any of the foregoing factors may expose us to potential disputes or legal challenges. Any such claims or liabilities arising from stamp duty non-compliance could adversely affect our financial condition, results of operations, and reputation. While we endeavor to ensure compliance with stamp duty obligations, there can be no assurance that all agreements have been duly stamped or that regulatory authorities will not take a contrary view in the future. Any unforeseen stamp duty demands or enforcement actions could result in unanticipated costs and disruptions to our business.

49. We have included certain Non-GAAP Measures, industry metrics and key performance indicators related to our operations and financial performance in this Prospectus that are subject to inherent measurement challenges. These Non-GAAP Measures, industry metrics and key performance indicators may not be comparable with financial, or industry-related statistical information of similar nomenclature computed and presented by other companies. Such supplemental financial and operational information is therefore of limited utility as an analytical tool for investors and there can be no assurance that there will not be any issues or such tools will be accurate going forward.

Certain non-GAAP financial measures and certain other industry measures relating to our operations and financial performance have been included in this Prospectus. We compute and disclose such non-GAAP financial and operational measures, and such other industry-related statistical and operational information relating to our operations and financial performance as we consider such information to be useful measures of our business and financial performance, and because such measures are frequently used by securities analysts, investors and others to evaluate the operational performance of businesses similar to ours, many of which provide such non-GAAP financial and operational measures, and other industry-related statistical and operational information. These non-GAAP financial and operational measures, and such other industry-related statistical and operational information relating to our operations and financial performance may not be computed on the basis of any standard methodology that is applicable across the industry and therefore may not be comparable to financial and operational measures, and industry-related statistical information of similar nomenclature that may be computed and presented by other companies pursuing similar business. See "*Definitions and Abbreviations*", "*Certain Conventions, Presentation of Financial, Industry and Market Data and Currency of Presentation*", "*Basis for Issue Price*", "*Our Business*", "*Restated Consolidated Financial Information*", "*Other Financial Information*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" beginning on pages 1, 14, 113, 183, 283, 394 and 401, respectively.

Further, in evaluating our business, we consider and use certain key performance indicators that are presented herein as supplemental measures to review and assess our operating performance. We present these key performance indicators because they are used by our management to evaluate our operating performance. These key performance indicators have limitations as analytical tools and may differ from, and may not be comparable to, estimates or similar metrics or information published by third parties and other peer companies due to differences in sources, methodologies, or the assumptions on which we rely, and hence their comparability may be limited. As a result, these metrics should not be considered in isolation or construed as an alternative to our financial statements or as an indicator of our operating performance, liquidity, profitability or results of operations. Further, as the industry in which we operate continues to evolve, the measures by which we evaluate our business may change over time. In addition, we calculate measures using internal tools, which are not independently verified by a third party. If the internal tools we use to track these measures under-count or over-count performance or contain algorithmic or other technical errors, the data and/or reports we generate may not be accurate. Such supplemental financial and operational information is therefore of limited utility as an analytical tool, and investors are cautioned against considering such information either in isolation or as a substitute for an analysis of the Restated Consolidated Financial Information of our Company in disclosed in "*Our Business*", "*Restated Consolidated Financial Information*" and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" beginning on pages 183, 283 and 401, respectively.

While we have not experienced any issues on account of such tools in the past, there can be no assurance that there will not be any issues or such tools will be accurate going forward. Limitations or errors with respect to how we measure data or with respect to the data that we measure may affect our understanding of certain details of our business, which could affect our long-term strategies. If our key performance indicators are not accurate representations of our business, or if investors do not perceive these metrics to be accurate, or if we discover material inaccuracies with respect to these figures, our reputation may be materially and adversely affected, the market price of the Equity Shares could decline, we may be subject to shareholder litigation, and our business, results of operations, and financial condition could be materially adversely affected.

50. Certain of our projects are mortgaged as security for our financing arrangements. If we default on our obligations, lenders may enforce this security, including taking possession of or otherwise exercising rights over the mortgaged projects, which could have a material adverse effect on our business, financial condition, and results of operations.

We have obtained financing from various banks and financial institutions for our working capital requirements, project development, and general corporate purposes. In connection with these financing arrangements, we have created security interests, such as mortgages and charges, over certain of our key assets, including our Completed Projects, Ongoing Projects and Upcoming Projects. For further details see, *"Financial Information – Restated Consolidated Financial Information – Annexure VI - Consolidated Statement of notes and other Explanatory Information forming part of Restated Consolidated Statements – Note 24 – Non-Current Borrowings*" and "*Financial Indebtedness*" beginning on page 309 and 398, respectively, of this Prospectus.

Upon the occurrence of an event of default, our lenders would be entitled to exercise their rights under the financing documents. This could include accelerating the repayment of all outstanding amounts, enforcing their security over our mortgaged assets, and appointing a receiver. Under the terms of our borrowing arrangements, the occurrence of an event of default may trigger certain consequences that can be exercised by the lenders without prior notice to us. These consequences include the right to set off, appropriate, or adjust any deposits maintained with the lenders; declare all or part of the outstanding loan obligations as immediately due and payable; terminate, suspend, or cancel the credit facilities, or reduce the availability of funds thereunder; cancel any undrawn commitments and suspend further withdrawals; and enforce the security provided. Such actions, if exercised, could have a material adverse impact on our business, financial condition, and results of operations. While there have been no such instances in the past, any such enforcement action would likely trigger cross-default provisions in our other financing agreements which could have a material adverse effect on our business, cash flows, financial condition, results of operations, and our ability to complete ongoing projects or undertake new ones.

51. We operate in a competitive industry with significant barriers to entry and an existing number of real estate developers. Failure to compete successfully with existing and new entrants in the industry could adversely affect our business, financial condition and results of operations.

Mumbai's real estate market is highly competitive and expensive, with various industrial areas and ports facilitating trade and exports. (*Source: JLL Report*) Both the South Mumbai and North Mumbai submarkets are characterized by limited land availability, which limits launch activity within these markets, and in North Mumbai, most new project launches are through the redevelopment route. (*Source: JLL Report*)

Furthermore, we operate in a competitive and fragmented real estate development industry in India, facing significant competition from numerous national and regional developers in the markets where we are active. Our competitors include other real estate development companies that operate within the same geographical regions and target similar market segments. Certain markets are approaching saturation, potentially leading to intensified competition among developers and the risk of price wars. (*Source: JLL Report*)

The level of competition in any given micro-market depends on several factors, including the size and type of property development, contract value and potential margins, the complexity and location of the development, and the reputation of both the customer and our Company, as well as other risks related to revenue generation. Given the fragmented nature of the industry, it is challenging to obtain comprehensive information about the property developments undertaken by our competitors, which could result in us underestimating supply in the market.

As we expand into new regions, we may face competitors who are better established, have stronger relationships with landowners and joint venture partners, and are more adept at acquiring desirable parcels of land. Some of our competitors possess greater land reserves, financial resources or a more experienced management team, which allows them to benefit from economies of scale and operational efficiencies. These advantages may enable them to offer more integrated or lower-cost solutions, thereby reducing our ability to win tenders.

Moreover, our competitors' pan-India presence may give them an edge in new geographical areas where we seek to diversify. Our ability to compete effectively in these new markets is crucial for our future success.

There is no assurance that we can maintain or increase our market share in the face of this competition. Failure to compete successfully with existing and new entrants in the industry could adversely affect our business, financial condition and results of operations.

52. We are undertaking certain redevelopment projects and may experience challenges in the execution of such projects, which may adversely affect our business, financial condition and results of operations.

Our ability to pursue redevelopment projects is contingent on the occupants providing us with peaceful vacant possession of the property. Furthermore, these projects require, among other things, obtaining consent from a majority of the occupants and consensus between various groups of occupants as well as their approval for project plans. While we have obtained consent from the majority of the occupants for our existing redevelopment projects, as required under the extant development control and promotion regulations, we cannot assure you that we will not face any delays or be able to obtain the requisite consents from the occupants in our future projects. We are also subject to the risk of

litigation in such projects, primarily from one or more non-consenting occupants, which may lead to increased costs and adversely affect our profitability.

Our ability to obtain suitable sites for our redevelopment projects in and around Mumbai and our cost to acquire land development rights over such sites, may be adversely affected by the applicable regulations. Furthermore, if the current regulations governing redevelopment projects, regulations governing planning and land use in and around Mumbai were to significantly change, it may delay the completion of the project and adversely affect our business and operations.

53. We depend on our information technology systems for our operations and their reliability and functionality are crucial to our business success. Any malfunctions or prolonged downtime of our information technology systems could materially affect our financial condition and results of operations.

Our increasing reliance on IT infrastructure, applications and data means we have a vested interest in ensuring their dependability, which can be influenced by several factors such as the growing complexity of IT systems, frequent changes and short life spans due to technological advancements, and data security concerns. We utilize various IT software across various business functions to integrate systems among our departments. Examples include: (i) SAP software to coordinate our processes across the real estate development lifecycle; (ii) Salesforce software to manage CRM activities; and (iii) a Program Management Office for each project that holistically evaluates project performance against planned project outcomes. Any malfunctions or prolonged downtime of our IT systems could hinder our ability to operate safely and efficiently, potentially resulting in significant losses in revenue, reputation and business volume, and materially affecting our financial condition and results of operations. Although we have not experienced any significant service disruptions to date, there is no guarantee that we will not encounter such disruptions in the future.

Our IT systems are susceptible to computer viruses, privacy breaches, hacking or similar disruptive issues. Such problems, often caused by third-parties, could disrupt our ability to maintain a record of our work, lead to data loss and negatively impact our operations, including our ability to assess project progress, process financial information, manage creditors/debtors or conduct normal business activities. Additionally, we may lack an adequate disaster recovery system. Addressing these issues might require interruptions or delays, adversely affecting our operations. Security breaches could result in unauthorized access to confidential information and necessitate additional expenditure to implement advanced security measures to prevent future unauthorized access.

54. Non-compliance with, and changes in, safety, health and environmental laws could negatively impact our projects.

We are subject to a wide array of safety, health and environmental regulations and these regulations cover areas such as noise emission controls, air and water discharges, the storage, handling, discharge and disposal of chemicals, employee exposure to hazardous substances and other operational aspects. Under these laws, property owners and operators can be held liable for the costs of removing or remediating certain hazardous substances or other regulated materials present on their property.

We believe our projects generally comply with these safety, health and environmental laws and there have been no instances of non-compliance which have had any impact on our business, prospects or results of operations in Fiscals 2026, 2025 and 2024. Nevertheless, we and our sub-contractors are subject to various regulations, including labour laws regarding minimum wages, working hours, and the health and safety of labourers, as well as registration requirements for contract labour. Should the contractor, through whom we engage contract labour, fail to adhere to applicable laws, such as the Contract Labour (Regulation and Abolition) Act, 1970, we, as the principal, would be responsible for providing these amenities and wages to the contract labour. Consequently, we cannot guarantee that we will not face regulatory actions in the future, including penalties or other civil or criminal proceedings. Although we have successfully obtained necessary approvals for our projects to date or have made applications before the relevant authorities seeking approvals, there is no assurance that we will be able to maintain or even secure such approvals for new projects in a timely manner, in the required form, or at all.

The obligations imposed by these laws and regulations, which also apply to our subcontractors, may lead to delays in construction and development, impose substantial compliance and related costs and potentially prohibit or severely restrict our real estate and construction activities. Should these restrictions prevent us from continuing to deliver our projects, or if compliance costs rise significantly, our revenues and earnings could be adversely affected, thereby impacting our business, financial condition and results of operations.

55. The real estate industry in India has witnessed significant downturns in the past, and any significant downturn in the future could adversely affect our business, financial condition and results of operations.

Economic developments within and outside India adversely affected the property market in India and our overall business in the recent past. The global credit markets have experienced, and may continue to experience, significant

volatility and may continue to have an adverse effect on the availability of credit and the confidence of the financial markets, globally as well as in India.

Even though the global credit and the Indian real estate markets have shown signs of recovery, market volatility and economic turmoil may continue to exacerbate industry conditions or have other unforeseen consequences, leading to uncertainty about future conditions in the real estate industry. These effects include, but are not limited to, a decrease in the sale of, or pricing for, our projects, delays in the release of certain of our projects in order to take advantage of future periods of more robust real estate demand and the inability of our contractors to obtain working capital. We cannot assure you that the government's responses to the disruptions in the financial markets will restore consumer confidence, stabilize the real estate market or increase liquidity and availability of credit. Any significant downturn in future would have an adverse effect on our business, financial condition and results of operations.

56. Our operations, workforce, customers and third-parties on property sites which are under construction are exposed to various hazards, which could adversely affect our business, reputation, financial condition, and results of operations.

We conduct comprehensive site studies to identify potential risks before acquiring or developing any parcel of land. Despite these precautions, unanticipated risks may arise due to adverse weather and geological conditions such as storms, hurricanes, lightning, floods and earthquakes. Additionally, our operations are subject to inherent hazards such as equipment failure, impact from falling objects, collisions, work accidents, fire or explosions. These hazards pose risks of injury, loss of life, severe damage to property and equipment and environmental harm. Accidents, particularly fatalities, could adversely impact our reputation and lead to fines, investigations by public authorities and litigation from injured workers or their dependents. In Fiscals 2026, 2025 and 2024, there has been one fatality at our projects due to misadventure involving a maintenance and construction worker. Compensation in respect of this incident of ₹1.68 million in Fiscal 2024 was paid by a combination of the relevant contractor, insurance companies and ourselves. The occurrence of any similar hazards involving our workforce, customers or third-parties on property sites under construction, may adversely affect our business, reputation, financial condition and results of operations. Furthermore, reconstruction costs for hazards not adequately covered by our insurance could negatively impact our business, reputation and financial condition.

57. Fraud or improper conduct could harm our reputation and disrupt project completion and adversely affect our business and results of operations.

During Fiscals 2026, 2025 and 2024, we detected seven incidents of fraud or improper practices in our projects. These include bribery, kickbacks, forgery, data theft, and security violations, among others. The following table sets forth the number of material frauds detected and reported (as referenced by the termination date of the relevant employee) and the amounts involved (to the extent ascertainable) for the years / period indicated below:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Number of material fraud cases detected and reported	2	2	2
Amount involved (*₹ in million*)	0.16[(1)]	0.83[(2)]	0.69[(3)]

Notes:

(1) The loss amount is: (i) unascertainable in one case; and (ii) ₹164,000 in one case as stated in the complaint letter.

(2) The loss amount is: (i) unascertainable in one case; and (ii) ₹825,000 in one case as stated in the complaint letter.

(3) The loss amount is: (i) unascertainable in one case; and (ii) ₹687,000 in one case as stated in the complaint letter.

The real estate development industry in India is susceptible to risks of fraud or improper practices. Large construction projects may present opportunities for corruption, fraud or improper conduct including bribery, deliberate poor workmanship, theft, embezzlement by employees, contractors or customers or the supply of low-quality materials. While the employment of the employees above have since been terminated and while these actions have not materially impacted our prospects, business or results of operations, any involvement in such practices by us or others involved in our projects could harm our reputation and disrupt project completion. This could adversely affect our business and operational outcomes.

58. Changes in technology could impact our business by rendering our construction and development capabilities less competitive or obsolete.

Our future success partly depends on our ability to respond to technological advancements and emerging industry standards and practices in a cost-effective and timely manner. For further information, see "*Risk Factors – Internal Risk Factors – We depend on our information technology systems for our operations and their reliability and functionality are crucial to our business success. Any malfunctions or prolonged downtime of our information technology systems could materially affect our financial condition and results of operations.*" on page 58. The development and implementation of these technologies carry both technical and business risks. Although we have invested in and are engaged in numerous technology and development initiatives, several technical aspects of these projects remain unproven and their eventual commercial viability is uncertain. Even if we successfully develop these

technologies, we may face challenges in deploying them promptly. Consequently, the actual costs and benefits of our investments in new technologies, along with their impacts on our financial results, may differ from current expectations. We cannot assure you that we will be able to successfully implement new technologies or adapt our systems to align with emerging industry standards. Technological changes may necessitate additional capital expenditures to upgrade our capabilities. If we are unable, whether due to technical, financial or other reasons, to adapt promptly to changing market conditions, customer requirements or technological evolutions, our business and operational results could be adversely affected.

59. We may be subject to third-party indemnification, liability claims or invocation of guarantees, which may adversely affect our business, cash flows, results of operations and reputation.

In addition to acquiring freehold and leasehold interests in land for development, we enter into redevelopment, joint development and joint venture projects with other landowners to develop their land. Our redevelopment projects involve rehabilitating and redeveloping old buildings in Mumbai. For certain of our joint venture projects, we establish joint ventures from time to time, with third parties to own and develop the land. For our joint development projects, we enter into joint development agreements with landowners, in which we acquire development rights to the underlying land. Some of the agreements that we have entered into with third parties in relation to joint development of projects and redevelopment of projects place indemnity obligations on us that require us to compensate such third parties for loss or damage suffered by them on account of a default or breach by us.

As of March 31, 2026, one of our projects is being undertaken in collaboration with third parties. Our Company has entered into a joint development agreement dated August 31, 2023, ("**7 Mahalaxmi JDA**") with Shreepati Build Infra Investment Limited for the development of the 7 Mahalaxmi project located in Mahalaxmi, Mumbai. The 7 Mahalaxmi JDA has an indemnity clause which provides for an indemnity against any and all losses, damages, costs, charges and expenses, penalties arising out of breach of any statements, declarations, warranties or covenants or any or all of the statements, declarations, representations, warranties or covenants being found to be untrue or misleading or due to obstruction caused to the development of the 7 Mahalaxmi Project or failure in the performance of the commitments, duties or obligations under the 7 Mahalaxmi JDA. Further, the indemnity clause also provides for indemnity against all losses, damages, costs, charges and penalties resulting out of criminal actions, proceedings, disputes or claims against either the Company or Shreepati Build Infra Investment Limited. Furthermore, one of our Upcoming Projects is being undertaken in collaboration with third parties. Our Company has entered into a joint development agreement dated October 14, 2024, ("**Chembur Woods JDA**") with Adishakti Bhoomi Vikas (India) Private Limited for the development of the Chembur Woods project located in Chembur, Mumbai. The Chembur Woods JDA has an indemnity clause which provides for an indemnity against any and all losses, damages, costs, charges and expenses, penalties arising out of breach of any statements, declarations, warranties or covenants or any or all of the statements, declarations, representations, warranties or covenants being found to be untrue or misleading or due to obstruction caused to the development of the Chembur Woods project or failure in the performance of the commitments, duties or obligations under the Chembur Woods JDA. While we have not faced any such instances during Fiscals 2026, 2025 and 2024, if such third parties successfully invoke these indemnity clauses under their respective agreements in the future, we may be liable to compensate them for loss or damage suffered in respect of such agreements, which may adversely affect our business, cash flows, results of operations and reputation. We may also be subject to claims resulting from defects in our developments, including claims brought under the RERA. We may also be exposed to third-party liability claims for injury or damage sustained on our properties. For details, see "*Outstanding Litigation and Other Material Developments*" on page 480. These liabilities and costs could have an adverse effect on our business, cash flows, results of operations and reputation.

60. We are subject to extensive statutory or governmental regulations, including the Real Estate (Regulation and Development) Act, 2016 and change in laws, rules, regulations and legal uncertainties, including the withdrawal of certain benefits or adverse application of tax laws or any non-compliance of any applicable law, may adversely affect our business, prospects and results of operations.

As of March 31, 2026, 24 of our Ongoing Projects are registered under the RERA. The real estate sector in India is heavily regulated by the central, state and local governments including the RERA and the rules and regulations made thereunder, the Maharashtra Tenancy and Agricultural Lands Act, 1948, the Maharashtra Land Revenue Code, 1966, the Maharashtra Regional and Town Planning Act, 1966 and regulations thereunder, such as the Unified Development Control and Promotion Regulations, 2020 for Maharashtra State, the Maharashtra Stamp Act, 1958 and the Maharashtra Ownership of Flats (Regulation of the Promotion of Construction, Sale, Management and Transfer) Act, 1963. The RERA was introduced in May 2017 to regulate the real estate industry and to ensure, amongst others, imposition of certain responsibilities on real estate developers and accountability towards customers and protection of their interest. The RERA has imposed certain obligations on real estate developers, including us, such as mandatory registration of real estate projects, not issuing any advertisements or accepting advances unless real estate projects are registered under the RERA, maintenance of a separate escrow account for amounts realized from each real estate project and restrictions on withdrawal of amounts from such escrow accounts and taking customer approval for major

changes in sanction plan. Further, most state Governments in India have rules in relation to the RERA, including Maharashtra where all our projects are located. In addition, as the RERA regime has been introduced relatively recently in the May 2017 and was amended in December 2021, we may face challenges in interpreting and complying with the provisions of the RERA due to limited jurisprudence on them. Although we are in compliance with the provisions of the RERA and have not received any notice or observation from MahaRERA, in the event our interpretation of provisions of the RERA differs from, or contradicts with, any judicial pronouncements or clarifications issued by the Government in the future, we may face regulatory actions or we may be required to undertake remedial steps. For further information on laws applicable to our business, see "*Key Regulations and Policies*" on page 219.

61. We have received complaints post the filing of the Draft Red Herring Prospectus with SEBI and any legal action initiated by the complainants may have an adverse impact on our reputation and would require us to incur expenditure in defending such legal claims.

We have received complaints post the filing of the Draft Red Herring Prospectus from (i) Anshul Khandelwal on December 15, 2025 and February 8, 2026 regarding non-disclosure of outstanding proceedings being heard before MahaRERA; (ii) Mr. Sitesh S. Sharma on February 5, 2026 on behalf of Bridge Water Realty LLP (wherein our Company was marked in copy) regarding, inter alia, an alleged invalid assignment of joint venture rights over certain land parcels; (iii) Nitin Mittal dated October 11, 2025 addressed to the auditors of our Company and certain related entities regarding, inter alia, alleged undisclosed claims and invalid transfer of certain land rights; and (iv) Nitin Fire Protection Industries Limited on February 20, 2026 regarding, inter alia, an outstanding payment; (v) Priya Bahirwani & Deepak Lal Bahirwani on September 22, 2026 and September 29, 2026 regarding a disposed-off MahaRERA complaint; and (vi) Ranjeet Darak as a designated partner of Bridge Water Realty LLP on September 22, 2026 and September 28, 2026 regarding, non-disclosure of directorship, assignment, and litigations.

While we have responded to the complaints (through submitting a response to Anshul Khandelwal on January 6, 2026 and February 23, 2026, interim reply to the complaint by Mr. Sitesh S. Sharma on behalf of Bridge Water Realty LLP on February 18, 2026 through our advocates, Wadia Ghandy and Co., response to Nitin Mittal dated November 19, 2025, and responding to Nitin Fire Protection Industries Limited on March 20, 2026, response to Priya Bahirwani & Deepak Lal Bahirwani on September 28, 2026 and September 29, 2026, and response to Ranjeet Darak on September 24, 2026 and September 29, 2026), there has been no financial impact from the complaints till date. However, we cannot assure you that the complainants will not raise further complaints on the same subject matters or that they will not seek to initiate legal action(s) against us. Any legal action initiated by any of the complainants may have an adverse impact on our reputation and would require us to incur expenditure in defending such legal claims.

External Risk Factors

62. Political, economic or other factors that are beyond our control may have an adverse effect on our business, results of operations, financial condition and cash flows.

Economic and political factors that are beyond our control, influence forecasts and directly affect performance. These factors include interest rates, rates of economic growth, fiscal and monetary policies of the Government of India, inflation, deflation, foreign exchange fluctuations, consumer credit availability, fluctuations in commodities markets, consumer debt levels, unemployment trends and other matters that influence consumer confidence, spending and tourism. Increasing volatility in financial markets may cause these factors to change with a greater degree of frequency and magnitude, which may negatively affect our stock prices.

63. Changing laws, rules and regulations and legal uncertainties, including adverse application of corporate and tax laws, may adversely affect our business, prospects and results of operations.

The regulatory and policy environment in which we operate is evolving and subject to change. Such changes, including the instances mentioned below, may adversely affect our business, results of operations and prospects, to the extent that we are unable to suitably respond to and comply with any such changes in applicable law and policy.

The Government of India has implemented a major reform in Indian tax laws, namely the GST. The indirect tax regime in India has undergone a complete overhaul. The indirect taxes on goods and services, such as central excise duty, service tax, central sales tax, state value added tax, surcharge and excise have been replaced by GST, with effect from July 1, 2017. The GST regime continues to be subject to amendments and its interpretation by the relevant regulatory authorities is constantly evolving. We cannot assure you that the relevant regulatory authorities will not make any material tax demands under GST on us in the future which could adversely impact our business, results of operations, financial condition, cash flows, and the price of the Equity Shares. Earlier, distribution of dividends by a domestic company was subject to Dividend Distribution Tax ("**DDT**"), in the hands of the company. However, the Government has amended the Income Tax Act, 1961 ("**Income Tax Act**") to abolish the DDT regime. Accordingly, any dividend distribution by a domestic company is subject to tax in the hands of the investor at the applicable rate. Additionally, the domestic company is required to withhold tax on such dividends distributed at the applicable rate. However, non-

resident shareholders may claim benefit of an applicable tax treaty, read with the Multilateral Convention to Implement Tax Treaty Related Measures to Prevent Base Erosion and Profit Shifting (Multilateral Instrument), if and to the extent applicable, subject to satisfaction of certain conditions. We may or may not grant the benefit of a tax treaty (where applicable) to a non-resident shareholder for the purposes of withholding tax pursuant to any corporate action including dividends. Further, the Government of India has recently announced the union budget for the financial year 2024-2025 ("**Budget**"). Pursuant to the Budget, the Finance Bill, 2024, inter alia, proposes to amend the capital gains tax rates with effect from the date of announcement of the Budget. However, the Finance Bill, 2024 has not yet been enacted into law. There is no certainty on the impact of the Budget on tax laws or other regulations, which may adversely affect our business, financial condition, results of operations or on the industry in which we operate. Investors are advised to consult their own tax advisors and to carefully consider the potential tax consequences of owning, investing or trading in our Equity Shares. Uncertainty in the applicability, interpretation or implementation of any amendment to, or change in, governing law, regulation or policy, including by reason of an absence, or a limited body, of administrative or judicial precedent may be time consuming as well as costly for us to resolve and may affect the viability of our current business or restrict our ability to grow our business in the future.

Additionally, the Government of India has introduced (a) the Code on Wages, 2019 ("**Wages Code**"); (b) the Code on Social Security, 2020 ("**Social Security Code**"); (c) the Occupational Safety, Health and Working Conditions Code, 2020; and (d) the Industrial Relations Code, 2020 (collectively, the "**Labour Codes**") which consolidate, subsume and replace numerous existing central labour legislations. These Labour Codes have been notified with effect from November 21, 2025, and we are yet to determine the impact of all or some such laws on our business and operations which may restrict our ability to grow our business in the future and increase our expenses. For example, the Social Security Code aims to provide uniformity in providing social security benefits to the employees which was earlier segregated under different acts and had different applicability and coverage. Furthermore, the Wages Code limits the amounts that may be excluded from being accounted toward employment benefits (such as gratuity and maternity benefits) to a maximum of 50% of the wages payable to employees.

The Parliament of India has passed the Bharatiya Nyaya Sanhita Bill, 2023, the Bharatiya Nagarik Suraksha Sanhita Bill, 2023 and the Bharatiya Sakshya Bill, which have replaced the Indian Penal Code, 1860, the Code of Criminal Procedure, 1973 and the Indian Evidence Act, 1872, respectively, with effect from July 1, 2024. The effect of the provisions of these on us and the litigations involving us cannot be predicted with certainty at this stage.

64. A downgrade in credit ratings of India may affect the trading price of the Equity Shares.

India's sovereign debt rating could be downgraded due to several factors, including changes in tax or fiscal policy or a decline in India's foreign exchange reserves, all which are outside the control of our Company.

Our borrowing costs and our access to the debt capital markets depend significantly on the credit ratings of India. As of 2025, India maintains investment-grade ratings from all three major agencies: Moody's (Baa3), S&P (BBB), and Fitch (BBB-), reflecting its economic stability and growth potential. (*Source: JLL Report*). Any adverse revisions to India's credit ratings for domestic and international debt by international rating agencies may adversely impact our ability to raise additional financing and the interest rates and other commercial terms at which such financing is available, including raising any overseas additional financing. A downgrading of India's credit ratings may occur, for reasons beyond our control such as, upon a change of government tax or fiscal policy. This could have an adverse effect on our ability to fund our growth on favourable terms or at all, and consequently adversely affect our business and financial performance and the price of the Equity Shares.

65. Financial instability in other countries may cause increased volatility in Indian financial markets.

The Indian market and the Indian economy are influenced by economic and market conditions in other countries, particularly the emerging Asian market countries. Although, economic conditions are different in each country, investors' reactions to developments in one country can have adverse effects on the securities of companies in other countries, including India. Currencies of a few Asian countries have in the past suffered depreciation against the U.S. dollar owing to various factors. A loss of investor confidence in the financial systems of other emerging markets may cause increased volatility in Indian financial markets and, indirectly, in the Indian economy in general. Any worldwide financial instability could also have a negative impact on the Indian economy. Financial disruptions may occur and could harm our business, future financial performance and the prices of our Equity Shares. Concerns related to a trade war between large economies may lead to increased risk aversion and volatility in global capital markets and consequently have an impact on the Indian economy. For example, China is one of India's major trading partners and a slowdown in the Chinese economy or adverse developments in the relationship between the two countries could have an adverse impact on the trade relations between the two countries. Any significant financial disruption could have an adverse effect on our business, financial condition and results of operation.

The global credit and equity markets have from time to time, experienced substantial dislocations, liquidity disruptions and market corrections. In response to such developments, legislators and financial regulators in the United States and

other jurisdictions, including India, may implement a number of policy measures designed to add stability to the financial markets. However, the overall impact of these and other legislative and regulatory efforts on the global financial markets is uncertain, and they may not have the intended stabilizing effects. In the event that the current difficult conditions in the global credit markets continue or if there is any significant financial disruption, such conditions could have an adverse effect on our business, future financial performance and the trading price of our Equity Shares.

66. Investors may have difficulty in enforcing foreign judgments against our Company or our management.

Our Company is incorporated under the laws of India and most of our Directors reside in India. Furthermore, a significant portion of our assets, and the assets of our Key Managerial Personnel and Directors, are located in India. As a result, it may be difficult to effect service of process outside India upon us and our Directors or to enforce judgments obtained in courts outside India against us or our Directors, including judgments predicated upon the civil liability provisions of the securities laws of jurisdictions outside India. Recognition and enforcement of foreign judgments is provided for under Section 13 and Section 44A of the Code of Civil Procedure, 1908 ("**Civil Code**"). India has reciprocal recognition and enforcement of judgments in civil and commercial matters with only a limited number of jurisdictions, which includes the United Kingdom, United Arab Emirates, Singapore and Hong Kong. In order to be enforceable, a judgment from a jurisdiction with reciprocity must meet certain requirements of the Civil Code. The Civil Code only permits the enforcement of monetary decrees, not being in the nature of any amounts payable in respect of taxes, other charges, fines or penalties. Judgments or decrees from jurisdictions which do not have reciprocal recognition with India cannot be enforced by proceedings in execution in India. Therefore, a final judgment for the payment of money rendered by any court in a nonreciprocating territory for civil liability, whether or not predicated solely upon the general laws of the non-reciprocating territory, would not be enforceable in India. Even if an investor obtained a judgment in such a jurisdiction against us, our officers or Directors, it may be required to institute a new proceeding in India and obtain a decree from an Indian court. However, the party in whose favour such final judgment is rendered may bring a fresh suit in a competent court in India based on a final judgment that has been obtained in a non-reciprocating territory within three years of obtaining such final judgment. Furthermore, there are considerable delays in the disposal of suits by Indian courts. It is unlikely that an Indian court would award damages on the same basis or to the same extent as was awarded in a final judgment rendered by a court in another jurisdiction if the Indian court believed that the amount of damages awarded was excessive or inconsistent with public policy in India. In addition, any person seeking to enforce a foreign judgment in India is required to obtain prior approval of the Reserve Bank of India (the "**RBI**") to repatriate any amount recovered pursuant to the execution of the judgment.

67. Under Indian law, foreign investors are subject to investment restrictions that limit our ability to attract foreign investors, which may adversely affect the trading price of the Equity Shares. Further, restrictions on foreign direct investments and external commercial borrowings in the real estate sector may hamper our ability to raise additional capital. Further, foreign investors are subject to certain restrictions on transfer of shares.

While the Government has permitted foreign direct investments of up to 100% without prior regulatory approval in the construction-development projects (including development of townships, construction of residential or commercial premises, roads or bridges, hotels, resorts, hospitals, educational institutions, recreational facilities, city and regional level infrastructure, subject to compliance with prescribed conditions detailed in the Foreign Direct Investment Policy issued by the Department for Promotion of Industry and Internal Trade ("**DPIIT**") dated October 15, 2020 ("**FDI Policy**"), it has also imposed certain restrictions or conditionalities on such investments pursuant to press notes, circulars, rules and regulations, including Foreign Exchange Management (Non-debt Instruments) Rules, 2019 ("**FEM Non-debt Instruments Rules, 2019**") issued by the RBI or the DPIIT or the Ministry of Finance, Government of India, from time to time, as the case may be. Further, foreign investment in industrial parks, in terms of the FEM Non-debt Instruments Rules, 2019 ("**Industrial Parks**"), shall not be subject to the conditionalities applicable to construction development projects, provided the Industrial Parks meet the following conditions: (a) it shall comprise of a minimum of 10 units and no single unit shall occupy more than 50% of the allocable area; and (b) the minimum percentage of the area to be allocated for industrial activity shall not be less than 66% of the total allocable area. For details, see "*Restrictions on Foreign Ownership of Indian Securities*" on page 557. In accordance with the FEM Non-debt Instruments Rules, 2019, participation by non-residents in the Issue is restricted to participation by: (i) FPIs under Schedule II of the FEMA Non-debt Instruments Rules, in the Issue subject to limit of the individual holding of an FPI below 10% of the post-Issue paid-up capital of our Company and the aggregate limit for FPI investment currently not exceeding 100% (sectoral limit); and (ii) Eligible NRIs only on non-repatriation basis under Schedule IV of the FEMA Non-debt Instruments Rules. Further, other non-residents such as FVCIs and multilateral and bilateral development financial institutions are not permitted to participate in the Issue. For more information on bids by FPIs and Eligible NRIs, see "*Issue Procedure*" on page 537.

Under the foreign exchange regulations currently in force in India, transfer of shares between non-residents and residents are freely permitted (subject to certain exceptions) if they comply with the pricing guidelines and reporting requirements specified by the RBI. If the transfer of shares, which are sought to be transferred, is not in compliance

with such pricing guidelines or reporting requirements or fall under any of the exceptions referred to above, then the prior approval of the RBI will be required. Furthermore, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The RBI and the concerned ministries and/or departments are responsible for granting approval for foreign investment. Additionally, shareholders who seek to convert the Rupee proceeds from a sale of shares in India into foreign currency and repatriate that foreign currency from India will require a no objection/ tax clearance certificate from the income tax authority.

Furthermore, this conversion is subject to the shares having been held on a repatriation basis and, either the security having been sold in compliance with the pricing guidelines or, the relevant regulatory approval having been obtained for the sale of shares and corresponding remittance of the sale proceeds.

In addition, in accordance with Press Note No. 3 (2020 Series), dated April 17, 2020 issued by the DPIIT as consolidated in the FDI Policy with effect from October 15, 2020, and the FEMA (Non-debt Instruments) Rules, any investment, subscription, purchase or sale of equity instruments by entities of a country which share a land border with India or where the beneficial owner of an investment into India is situated in or is a citizen of any such country, will require prior approval of the Government of India. Subsequently, vide Press Note No. 2 (2026 Series), dated March 15, 2026 issued by the DPIIT, the FDI Policy has been further amended to, inter alia, define the expression "beneficial owner" and to provide that prior approval of the Government of India shall be required only where citizen(s) and/or entity(ies) of a country sharing a land border with India hold, directly or indirectly, individually or cumulatively, more than 10% of the shares, capital or profits of the investor entity, or exercise control over such investor entity, or exercise ultimate effective control over the investee entity. Any such approval(s) would be subject to the discretion of the regulatory authorities. Restrictions on foreign investment activities and impact on our ability to attract foreign investors may cause uncertainty and delays in our future investment plans and initiatives. We cannot assure you that any required approval from the relevant governmental agencies can be obtained on any particular terms or at all. For further information, see "*Restrictions on Foreign Ownership of Indian Securities*" beginning on page 557.

68. Investors can be subject to Indian taxes arising out of capital gains on the sale of the Equity Shares or dividend paid thereon.

Under current Indian tax laws, unless specifically exempted, capital gains arising from the sale of equity shares held as investments in an Indian company are generally taxable in India. A securities transaction tax ("**STT**") is levied on and collected by an Indian stock exchange on which equity shares are sold. Any capital gain exceeding ₹100,000, realized on the sale of listed equity shares on a Stock Exchange, held for more than 12 months immediately preceding the date of transfer, will be subject to long term capital gains in India at the rate of 10% (plus applicable surcharge and cess). This beneficial provision is, inter alia, subject to payment of STT.

Furthermore, any gain realized on the sale of listed equity shares in an Indian company, held for more than 12 months, which are sold using any platform other than a recognized stock exchange and on which no STT has been paid, will be subject to long term capital gains tax in India at the rate of 10% (plus applicable surcharge and cess), without indexation benefits. Furthermore, any gain realized on the sale of the Equity Shares held for a period of 12 months or less immediately preceding the date of transfer, will be subject to short-term capital gains tax in India at the rate of 15% (plus applicable surcharge and cess), subject to STT being paid at the time of sale of such shares. Otherwise, such gains will be taxed at the applicable rates. Further, the Government of India has recently announced Budget pursuant to which the Finance Bill, 2024, inter alia, proposes to amend the capital gains tax rates with effect from the date of announcement of the Budget. However, the Finance Bill, 2024 has not yet been enacted into law.

Capital gains arising from the sale of the Equity Shares will not be chargeable to tax in India in cases where relief from such taxation in India is provided under a treaty between India and the country of which the seller is resident and the seller is entitled to avail benefits thereunder. Generally, Indian tax treaties do not limit India's ability to impose tax on capital gains. As a result, residents of other countries may be liable for tax in India as well as in their own jurisdiction on a gain upon the sale of the Equity Shares. We cannot predict whether any tax laws or other regulations impacting it will be enacted or predict the nature and impact of any such laws or regulations or whether, if at all, any laws or regulations would have an adverse effect our business, financial condition and results of operations. Investors are advised to consult their own tax advisors and to carefully consider the potential tax consequences of owning the Equity Shares.

69. Rights of shareholders under Indian laws may be different from laws of other jurisdictions.

Our Articles of Association, composition of our Board, Indian legal principles related to corporate procedures, directors' fiduciary duties and liabilities, and shareholders' rights may differ from those that would apply to a company in another jurisdiction. Shareholders' rights including in relation to class actions, under Indian law may not be as extensive as shareholders' rights under the laws of other countries or jurisdictions. Investors may face challenges in asserting their rights as shareholder in an Indian company than as shareholders of an entity in another jurisdiction. For

instance, pursuing legal remedies through the Indian judicial system can involve significant and protracted delays, meaning that the time and cost required to enforce shareholder rights in India could be substantially greater than in other jurisdictions.

70. We may be affected by competition law in India and any adverse application or interpretation of the Competition Act could in turn adversely affect our business.

The Competition Act prohibits any anti competition agreement or arrangement, understanding or action in concert between enterprises, whether formal or informal, which causes or is likely to cause an appreciable adverse effect on competition in India. Any agreement among competitors which directly or indirectly involves the determination of purchase or sale prices, limits or controls production, supply, markets, technical development, investment or provision of services, shares the market or source of production or provision of services in any manner by way of allocation of geographical area, type of goods or services or number of consumers in the relevant market or in any other similar way or directly or indirectly results in bid-rigging or collusive bidding is presumed to have an appreciable adverse effect on competition.

The Competition Act also prohibits abuse of a dominant position by any enterprise. The combination regulation (merger control) provisions under the Competition Act require acquisitions of shares, voting rights, assets or control or mergers or amalgamations that cross the prescribed asset and turnover based thresholds to be mandatorily notified to, and pre-approved by, the Competition Commission of India, or CCI. Any breach of the provisions of Competition Act, may attract substantial monetary penalties.

The Competition Act aims to, among other things, prohibit all agreements and transactions, which may have an appreciable adverse effect in India. Consequently, all agreements entered into by us could be within the purview of the Competition Act. Furthermore, the CCI has extra-territorial powers and can investigate any agreements, abusive conduct or combination occurring outside of India if such agreement, conduct or combination has an appreciable adverse effect in India. We are not currently party to any outstanding proceedings, nor have we ever received any notice in relation to non-compliance with the Competition Act. Any enforcement proceedings initiated by the CCI in future, or any adverse publicity that may be generated due to scrutiny or prosecution by the CCI may affect our business, financial condition and results of operations.

71. Pursuant to listing of the Equity Shares, we may be subject to pre-emptive surveillance measures like Additional Surveillance Measures and Graded Surveillance Measures by the Stock Exchanges in order to enhance market integrity and safeguard the interest of investors.

SEBI and the Stock Exchanges have introduced various pre-emptive surveillance measures in order to enhance market integrity and safeguard the interests of investors, including Additional Surveillance Measures ("**ASM**") and Graded Surveillance Measures ("**GSM**"). ASM and GSM are imposed on securities of companies based on various objective criteria such as significant variations in price and volume, concentration of certain customer accounts as a percentage of combined trading volume, average delivery, securities which witness abnormal price rise not commensurate with financial health and fundamentals such as earnings, book value, fixed assets, net worth, price / earnings multiple, market capitalization etc.

Upon listing, the trading of our Equity Shares would be subject to differing market conditions as well as other factors which may result in high volatility in price, low trading volumes, and a large concentration of customer accounts as a percentage of combined trading volume of our Equity Shares. The occurrence of any of the abovementioned factors or other circumstances may trigger any of the parameters prescribed by SEBI and the Stock Exchanges for placing our securities under the GSM and/or ASM framework or any other surveillance measures, which could result in significant restrictions on trading of our Equity Shares being imposed by SEBI and the Stock Exchanges. These restrictions may include requiring higher margin requirements, requirement of settlement on a trade for trade basis without netting off, limiting trading frequency, reduction of applicable price band, requirement of settlement on gross basis or freezing of price on upper side of trading, as well as mentioning of our Equity Shares on the surveillance dashboards of the Stock Exchanges. The imposition of these restrictions and curbs on trading may have an adverse effect on market price, trading and liquidity of our Equity Shares and on the reputation of our Company.

72. Our Equity Shares have never been publicly traded and may experience price and volume fluctuations following the completion of the Issue. Furthermore, our Equity Shares may not result in an active or liquid market and the price of our Equity Shares may be volatile and you may be unable to resell your Equity Shares at or above the Issue Price or at all.

Prior to the Issue, there has been no public market for the Equity Shares, and an active trading market on the Stock Exchanges may not develop or be sustained after the Issue. We cannot guarantee that an active trading market will develop or be sustained after the offering. Nor can we predict the prices at which the Equity Shares may trade after the listing.

The Issue Price of our Equity Shares may not be indicative of the market price for the Equity Shares after the Issue. If you purchase the Equity Shares in our initial public offering, you may not be able to resell them at or above the Issue Price. We cannot assure you that the Issue Price of the Equity Shares, or the market price following our initial public offering, will equal or exceed prices in privately negotiated transactions of our shares that may have occurred from time to time prior to our initial public offering. The market price of the Equity Shares may decline or fluctuate significantly due to a number of factors, some of which may be beyond our control, including:

- announcements about our earnings that are not in line with analyst expectations;
- the public's reaction to our press releases, other public announcements in relation to us or our affiliates and filings with the regulator;
- significant liability claims, complaints from our customers, shortages or interruptions in the availability of raw materials, or reports of incidents of tampering of raw materials;
- changes in senior management or key personnel;
- macroeconomic conditions in India;
- fluctuations of exchange rates;
- the operating and stock price performance of comparable companies;
- changes in our shareholder base;
- changes in our dividend policy;
- issuances, exchanges or sales, or expected issuances, exchanges or sales;
- changes in accounting standards, policies, guidance, interpretations or principles;
- changes in the regulatory and legal environment in which we operate; and
- market conditions in the construction and development industry and the domestic and worldwide economies as a whole

Any of these factors may result in large and sudden changes in the volume and trading price of the Equity Shares. In the past, following periods of volatility in the market price of a company's securities, shareholders have often instituted securities class action litigation against that company. If we were involved in a class action suit, it could divert the attention of management, and, if adversely determined, have an adverse effect on our business, results of operations and financial condition.

73. Any future issuance of Equity Shares, or convertible securities or other equity linked securities by us may dilute your shareholding and any sale of Equity Shares by our Promoter may adversely affect the trading price of the Equity Shares.

Any future issuance of the Equity Shares or securities linked to the Equity Shares by our Company, including issuance of Equity Shares to eligible employees (as defined in the ESOP Schemes), may dilute your shareholding. Any such future issuance of the Equity Shares or future sales of the Equity Shares by any of our significant shareholders may also adversely affect the trading price of the Equity Shares and impact our ability to raise funds through an offering of our securities. Any perception by investors that such issuances or sales might occur could also affect the trading price of the Equity Shares. Additionally, the disposal, pledge or encumbrance of the Equity Shares by any of our significant shareholders, or the perception that such transactions may occur, may affect the trading price of the Equity Shares. There can be no assurance that we will not issue further Equity Shares or that our existing Shareholder (i.e. our Promoter) will not dispose of further Equity Shares after the completion of the Issue (subject to compliance with the lock-in provisions under the SEBI ICDR Regulations) or pledge or encumber its Equity Shares. Any future issuances could also dilute the value of shareholder's investment in the Equity Shares and adversely affect the trading price of our Equity Shares. Such securities may also be issued at prices below the Issue Price. We may also issue convertible debt securities to finance our future growth or fund our business activities. In addition, any perception by investors that such issuances or sales might occur may also affect the market price of our Equity Shares.

74. Significant differences exist between Ind AS and other accounting principles, such as U.S. GAAP and IFRS, which investors may be more familiar with and may consider material to their assessment of our financial condition.

Our Restated Consolidated Financial Information for Fiscals 2026, 2025 and 2024, have been prepared and presented in conformity with Ind AS. Ind AS differs in certain significant respects from IFRS, U.S. GAAP and other accounting principles with which investors would be familiar in other countries. If our financial statements were to be prepared in accordance with such other accounting principles, our results of operations, cash flows and financial position may be substantially different. Investors were advised to review the accounting policies applied in the preparation of our financial statements and consult their own professional advisers for an understanding of the differences between these accounting principles and those with which they may be more familiar. Any reliance by persons not familiar with Indian accounting practices on the financial disclosures presented in this Prospectus should be limited accordingly.

75. Property litigation is common in India and may be prolonged over several years which could have an adverse impact on our financials and operations.

Property litigation particularly litigation with respect to land ownership is common in India (including public interest litigation) and is generally time consuming and involves considerable costs. If any property in which we have invested is subject to any litigation or is subjected to any litigation in future, it could delay a development project and/or have an adverse impact, financial or otherwise, on us. For further details see, "*Outstanding Litigations and Material Developments*" on page 480.

76. The Government of India or state governments may exercise rights of compulsory purchase or eminent domain over our or our development partners' land, which could adversely affect our business.

The right to own property in India is subject to restrictions that may be imposed by the GoI. In particular, the GoI, under the provisions of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (the "**Land Acquisition Act**") has the right to compulsorily acquire any land if such acquisition is for a "public purpose," after providing compensation to the owner. However, the compensation paid pursuant to such acquisition may not be adequate to compensate the owner for the loss of such property. The likelihood of such acquisitions may increase as central and state governments seek to acquire land for the development of infrastructure projects such as roads, railways, airports and townships.

Additionally, we may face difficulties in interpreting and complying with the provisions of the Land Acquisition Act due to limited jurisprudence on them or if our interpretation differs from or contradicts any judicial pronouncements or clarifications issued by the government. In the future, we may face regulatory actions, or we may be required to undertake remedial steps. Any such action in respect of any of the projects in which we are investing or may invest in the future may adversely affect our business, financial condition or results of operations.

Separately, in terms of certain approvals obtained by us, we are required to construct service roads on part of licensed area and transfer it free of cost to the relevant government. The government is also entitled to take over the project area in public interest without having to pay us any compensation.

**After Employee Discount*

(1) The Issue has been authorized by a resolution of our Board dated March 22, 2025 and by our Shareholders pursuant to a special resolution dated March 28, 2025.

(2) Eligible Employees bidding in the Employee Reservation Portion ensured that the maximum Bid Amount did not exceed ₹0.50 million (net of Employee Discount). Further, the initial Allotment to an Eligible Employee in the Employee Reservation Portion shall not exceed ₹0.20 million (net of Employee Discount). Only in the event of an under-subscription in the Employee Reservation Portion post the initial Allotment, such unsubscribed portion shall be Allotted on a proportionate basis to Eligible Employees. Bidding in the Employee Reservation Portion, for a value in excess of ₹0.20 million (net of Employee Discount), subject to the total Allotment to an Eligible Employee having not exceeded ₹500,000 (net of Employee Discount,). Our Company, in consultation with the Book Running Lead Managers, offered a discount of up to 4.59% to the Issue Price (equivalent of ₹14 per Equity Share) to Eligible Employees Bidding in the Employee Reservation Portion, subject to necessary approvals as were required, and which was announced two Working Days prior to the Bid / Issue Opening Date.

(3) Our Company, in consultation with the BRLMs allocated up to 60% of the QIB Portion to Anchor Investors on a discretionary basis. 40% of the Anchor Investor Portion was reserved as under (i) 33.33% for domestic Mutual Funds; and (ii) 6.67% for life insurance companies and pension funds, subject to valid Bids been received from domestic Mutual Funds, life insurance companies and pension funds at or above the Anchor Investor Allocation Price, in accordance with the SEBI ICDR Regulations. Any under-subscription in the reserved category specified in clause (ii) above was allocated to domestic Mutual Funds. In the event of under-subscription or non-Allotment in the Anchor Investor Portion, the remaining Equity Shares were added to the Net QIB Portion. Further, 5% of the Net QIB Portion was made available for allocation on a proportionate basis to Mutual Funds only, and the remainder

of the QIB Portion was made available for allocation on a proportionate basis to all QIB Bidders (other than Anchor Investors), including Mutual Funds, subject to valid Bids been received at or above the Issue Price. However, if the aggregate demand from Mutual Funds was less than as specified above, the balance Equity Shares available for allotment in the Mutual Fund Portion were added to the QIB Portion and allocated proportionately to the QIB Bidders (other than Anchor Investors) in proportion to their Bids. For details, see "Issue Procedure" on page 537.

(4) Subject to valid Bids been received at or above the Issue Price, under-subscription, if any, in the Non-Institutional Portion or the Retail Portion, was allowed to be met with spill over from any other category or combination of categories at the discretion of our Company, in consultation with the BRLMs and the Designated Stock Exchange. Under-subscription, if any, in the Net QIB Portion was allowed to be met with spill-over from other categories or a combination of categories. In the event of under-subscription in the Issue, Equity Shares was allocated in the manner specified in the section "Terms of the Issue" beginning on page 526.

(5) The Equity Shares available for allocation to Non-Institutional Bidders under the Non-Institutional Portion, were subject to the following: (i) one-third of the portion available to Non-Institutional Bidders was reserved for applicants with an application size of more than ₹0.20 million and up to ₹1.00 million, and (ii) two-third of the portion available to Non-Institutional Bidders was reserved for applicants with application size of more than ₹1.00 million, provided that the unsubscribed portion in either of the aforementioned sub-categories may be allocated to applicants in the other sub-category of Non-Institutional Bidders. The allotment to each Non-Institutional Bidder was not be less than the minimum application size, subject to the availability of Equity Shares in the Non-Institutional Portion, and the remaining Equity Shares, if any, shall be allotted on a proportionate basis in accordance with the conditions specified in this regard in Schedule XIII of the SEBI ICDR Regulations. SEBI through the SEBI ICDR Master Circular has prescribed that all individual investors applying in initial public offerings, where the application amount is up to ₹0.50 million, shall use the UPI Mechanism. Individual investors bidding under the Non-Institutional Portion bidding for more than ₹0.20 million and up to ₹0.50 million, using the UPI Mechanism, shall provide their UPI ID in the Bid cum Application Form for Bidding through Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs.

Allocation to all categories of Bidders, other than Anchor Investors, and Retail Individual Investors and Non-Institutional Investors, was made on a proportionate basis, subject to valid Bids been received at or above the Issue Price, as applicable. The allocation to each Retail Individual Investor and Non-Institutional Investor was not less than the minimum Bid Lot, subject to availability of Equity Shares in the Retail Portion and the Non-Institutional Portion and the remaining available Equity Shares, if any, were allocated on a proportionate basis. For more information, see "*Terms of the Issue*", "*Issue Structure*" and "*Issue Procedure*" on pages 526, 532 and 537, respectively.

Book Building Process

Book building, in the context of the Issue, referred to the process of collection of Bids from Bidder on the basis of this Prospectus, the Bid cum Application Forms and the Revision Forms within the Price Band and the minimum Bid lot was decided by our Company, in consultation with the BRLMs and was advertised in all editions of Financial Express (a widely circulated English national daily newspaper), all editions of Jansatta (a widely circulated Hindi national daily newspaper) and Mumbai edition of Navshakti (a widely circulated Marathi daily newspaper, Marathi being the regional language of Maharashtra where our Registered Office and Corporate Office is located), two Working Days prior to the Bid/Issue Opening Date and were made available to the Stock Exchanges for the purposes of uploading on their respective website. The Issue Price was determined by our Company, in consultation with the BRLMs after the Bid/Issue Closing Date, in accordance, with the SEBI ICDR Regulations. For details, see "*Issue Procedure*" beginning on page 537.

All Bidders (other than Anchor Investors) participated in this Issue only through the ASBA process by providing details of their respective ASBA Account in which the corresponding Bid Amount was blocked by SCSBs. In addition to this, the UPI Bidders could participate through the ASBA process by either (a) providing the details of their respective ASBA Account in which the corresponding Bid Amount was blocked by the SCSBs; or (b) through the UPI Mechanism. Anchor Investors were not permitted to participate in the Issue through the ASBA process.

In accordance with the SEBI ICDR Regulations, QIBs and Non-Institutional Investors were not permitted to withdraw or lower the size of their Bids (in terms of the quantity of the Equity Shares or the Bid Amount) at any stage. Retail Individual Investors and Eligible Employees Bidding in the Employee Reservation Portion could revise their Bids during the Bid/ Issue Period and withdraw their Bids until the Bid/ Issue Closing Date. Further, Anchor Investors could not withdraw their Bids after the Anchor Investor Bidding Date. Allocation to QIBs (other than Anchor Investors) were on a proportionate basis while allocation to Anchor Investors were on a discretionary basis. For further details on the Book Building Process and the method and process of Bidding, see *"Terms of the Issue", "Issue Procedure"* and "*Issue Structure*" on pages 526, 537 and 532, respectively.

The Book Building Process is in accordance with guidelines, rules and regulations prescribed by SEBI. Bidders were advised to make their own judgment about an investment through this process prior to submitting a Bid in the Issue.

Investors were required to note that the Issue was also subject to (i) filing of this Prospectus with the RoC; and (ii) obtaining final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment within three Working Days of the Bid/Issue Closing Date or such other time as prescribed under applicable law.

For an illustration of the Book Building Process, price discovery process and allocation, see "*Issue Procedure*" on page 537.

Underwriting Agreement

After the determination of the Issue Price and allocation of Equity Shares of face value of ₹ 2 each, but prior to the filing of this Prospectus with the RoC, our Company has entered into an Underwriting Agreement with the Underwriters for the Equity Shares offered through the Issue. The extent of underwriting obligations and the Bids to be underwritten by each BRLM were as per the Underwriting Agreement. Pursuant to the terms of the Underwriting Agreement, the obligations of the Underwriters are several and subject to certain conditions to closing, as specified therein.

The Underwriting Agreement is dated September 29, 2026. The Underwriters have indicated their intention to underwrite the following number of Equity Shares:

Name, address, telephone number and e-mail address of the Underwriters	Indicative number of Equity Shares to be Underwritten*	Amount underwritten (₹ in million)
ICICI Securities Limited	8,199,481	2,500.00
Jefferies India Private Limited	8,199,481	2,500.00
Total	**16,398,962**	**5,000.00**

**After Employee Discount*

The above-mentioned underwriting commitments are indicative and will be finalised after pricing of the Equity Shares pursuant to the Issue and the Basis of Allotment.

In the opinion of our Board, the resources of the Underwriters are sufficient to enable them to discharge their respective underwriting obligations in full. The Underwriters are registered with the SEBI under Section 12(1) of the SEBI Act or registered as brokers with the Stock Exchange(s). Our Board, at its meeting held on September 29, 2026, has approved the execution of the Underwriting Agreement by our Company.

Allocation amongst the Underwriters may not necessarily be in proportion to their underwriting commitments set forth in the table above. Notwithstanding the above table, the Underwriters are severally responsible for ensuring payment with respect to Equity Shares allocated to Investors procured by them in accordance with the Underwriting Agreement.

Our Promoter, Subodh Subhash Runwal, had pledged 37,515,000 Equity Shares held by him ("**Pledged Shares**") and executed a non-disposal undertaking ("**NDU**") with respect to 68,766,849 Equity Shares ("**NDU Shares**") as security for a loan availed by our Company from the Induslnd Bank Limited ("**Lender**").

Pursuant to letters dated March 12, 2025 and March 25, 2025, the Lender has released 5,470,625 Pledged Shares and 37,515,000 NDU Shares from their respective pledges and non-disposal undertakings, for the purposes of complying with the applicable minimum promoter contribution requirements, which shall continue to be free from any encumbrances, subject to the applicable law. Further, the balance Pledged Shares and NDU Shares have been released from the respective pledges and non-disposal undertakings as on the date of this Prospectus solely to comply with the statutory lock-in requirements under SEBI ICDR Regulations and shall be re-pledged/non-disposal undertaking shall be re-executed within 30 days from date of listing, subject to compliance with Regulation 21 of the SEBI ICDR Regulations (to the extent not forming part of the Promoter's Contribution, as defined hereinafter).

Details of minimum Promoter's contribution locked in as may be prescribed under applicable law

Pursuant to Regulation 14 of the SEBI ICDR Regulations, an aggregate of 20% of the fully diluted post Issue Equity Share capital of our Company held by our Promoter shall be considered as minimum promoter's contribution and, pursuant to Regulation 16 of the SEBI ICDR Regulations, shall be locked-in for a period of three years, or such other period as prescribed under the SEBI ICDR Regulations, as minimum promoter's contribution from the date of Allotment ("**Promoter's Contribution**"). Our Promoter's shareholding in excess of 20% of the fully diluted post-Issue Equity Share capital shall be locked in for a period of one year from the date of Allotment.

The details of Equity Shares held by our Promoter, which will be locked-in for a period of three years, from the date of Allotment as Promoter's Contribution are set forth below:

Name of the Promoter	Number of Equity Shares held	Date up to which Equity Shares are subject to lock-in	Number of Equity Shares locked-in**	Date of allotment/ transfer#^	Face value per Equity Share (₹)	Allotment/ Acquisition price per Equity Share (₹)	Nature of transaction	% of the pre-Issue paid-up capital	% of the post-Issue paid-up Capital

Equity Shares were fully paid-up on the respective dates of allotment/acquisition, as the case may be.
^ The face value of the equity share at the time of allotment was ₹10 each.
*** Subject to finalisation of Basis of Allotment.*

Our Promoter has given his consent to include such number of Equity Shares held by him as disclosed above, constituting 20% of the fully diluted post-Issue Equity Share capital of our Company as Promoter's Contribution. Our Promoter has agreed not to dispose, sell, transfer, charge, pledge or otherwise encumber in any manner the Promoter's Contribution from the date of the Draft Red Herring Prospectus, until the expiry of the lock-in period specified above, or for such other time as required under SEBI ICDR Regulations, except as may be permitted, in accordance with the SEBI ICDR Regulations.

Our Company undertakes that the Equity Shares that are being locked-in are not and will not be ineligible for computation of Promoter's Contribution under Regulation 15 of the SEBI ICDR Regulations. For details of the build-up of the share capital held by our Promoter, see "- *Build-up of Promoter's shareholding in our Company*" on page 90.

In this connection, we confirm the following:

(i) The Equity Shares offered for Promoter's Contribution shall not consist of Equity Shares acquired during the three years preceding the date of this Prospectus (a) for consideration other than cash and revaluation of assets or capitalisation of intangible assets, or (b) as a result of bonus shares issued by utilization of revaluation reserves or unrealised profits or from bonus issue against Equity Shares which are otherwise in-eligible for computation of Promoter's Contribution;

(ii) The Equity Shares offered for Promoter's Contribution shall not consist of Equity Shares acquired during the one year preceding the date of this Prospectus, at a price lower than the price at which the Equity Shares are being offered to the public in the Issue;

(iii) The Equity Shares offered for Promoter's Contribution shall not consist of Equity Shares held by the Promoter that are subject to any pledge or any other form of encumbrance; and

(iv) Our Company has not been formed by the conversion of one or more partnership firms or a limited liability partnership firm.

c) Details of share capital locked-in for six months or any other period as may be prescribed under applicable law

In terms of Regulation 17 and 16(1)(b) of the SEBI ICDR Regulations, except for the Promoter's Contribution and any Equity Shares held by our Promoter in excess of Promoter's Contribution, which shall be locked in as above, the entire pre-Issue Equity Share capital of our Company, shall, unless otherwise permitted under the SEBI ICDR Regulations, be locked in for a period of six months from the date of Allotment in the Issue. In terms of Regulation 17(c) of the SEBI ICDR Regulations, Equity Shares held by a venture capital fund or alternative investment fund of category I or category II or a foreign venture capital investor shall not be locked-in for a period of six months from the date of Allotment, provided that such Equity Shares shall be locked in for a period of at least six months from the date of purchase by such shareholders.

In terms of Regulation 22 of the SEBI ICDR Regulations, Equity Shares held by our Promoter which are locked-in pursuant to Regulation 16 of the SEBI ICDR Regulations, may be transferred amongst our Promoter or any member of the Promoter Group or to any new promoter, subject to continuation of lock-in in the hands of the transferees for the remaining period and compliance with provisions of the Takeover Regulations, as applicable and such transferee shall not be eligible to transfer them till the lock-in period stipulated in SEBI ICDR Regulations has expired. The Equity Shares held by persons other than our Promoter and locked-in pursuant to Regulation 17 of the SEBI ICDR Regulations, may be transferred to any other person holding Equity Shares which are locked-in, subject to the continuation of the lock-in in the hands of the transferee for the remaining period and compliance with the provisions of the Takeover Regulations.

In terms of Regulation 21 of the SEBI ICDR Regulations, the Equity Shares held by our Promoter which are locked-in as per Regulation 16 of the SEBI ICDR Regulations, may be pledged only with scheduled commercial banks or public financial institutions or NBFC-SI or housing finance companies, subject to the following:

(i) with respect to the Equity Shares locked-in for one year from the date of Allotment, such pledge of the Equity Shares must be one of the terms of the sanction of the loan; and

(ii) with respect to the Equity Shares locked-in as Minimum Promoters' Contribution for three years from the date of Allotment, the loan must have been granted to our Company for the purpose of financing one or more of the objects of the Issue, and the pledge of such Equity Shares must be one of the terms of the sanction of the loan.

In terms of Regulation 22 of the SEBI ICDR Regulations, the Equity Shares held by persons other than our Promoter prior to the Issue and locked-in for a period of 6 months, may be transferred to any other person holding the Equity Shares which are locked-in as per Regulation 17 of the SEBI ICDR Regulations, subject to continuation of the lock-in in the hands of the transferees for the remaining period and compliance with the SEBI Takeover Regulations as applicable.

However, such lock-in will continue pursuant to any invocation of the pledge and the transferee of the Equity Shares pursuant to such invocation shall not be eligible to transfer the Equity Shares until the expiry of the lock-in period stipulated above.

d) Recording of non-transferability of Equity Shares locked-in

As required under Regulation 20 of the SEBI ICDR Regulations, our Company shall ensure that the details of the Equity Shares locked-in are recorded by the relevant Depository.

e) Lock-in of Equity Shares Allotted to Anchor Investors

50% of the Equity Shares allotted to Anchor Investors under the Anchor Investor Portion shall be locked-in for a period 90 days from the date of Allotment and the remaining 50% shall be locked-in for a period of 30 days from the date of Allotment.

f) Sales or purchases of Equity Shares or other specified securities of our Company by our Promoter, members of our Promoter Group and/or our Directors and their relatives during the six months immediately preceding the date of this Prospectus

There have been no purchases or sales of Equity Shares or other specified securities of our Company by our Promoter, the members of the Promoter Group, our Directors or their relatives during the period of six months immediately preceding the date of filing of this Prospectus.

(1) The amount to be utilised for funding acquisitions of future real estate projects and general corporate purposes shall not, in aggregate, exceed 35% of the Gross Proceeds, out of which the amount utilised for (i) funding acquisitions of future real estate projects; or (ii) general corporate purposes individually, shall not exceed 25% of the Gross Proceeds.

The above fund requirements, the deployment of funds and the intended use of the Net Proceeds as described herein are based on our current business plan, management estimates, prevailing market conditions and other commercial and technical factors including interest rates and other charges, and the financing and other agreements entered into by our Company, which are subject to change in the future and have not been appraised by any bank, or financial institution or other independent agency. These are based on current conditions and are subject to revisions in light of changes in costs, our financial condition, our business operations or growth strategy or external circumstances which may not be in our control. We may have to revise our funding requirements and deployment on account of a variety of factors such as our financial and market condition, our management's estimates of economic trends and business requirements, business and strategy, competition and other external factors such as changes in the business environment and interest or exchange rate fluctuations, which may not be within the control of our management. This may entail rescheduling or revising the planned expenditure and funding requirements, including the expenditure for a particular purpose at the discretion of our management, subject to compliance with applicable laws.

Subject to applicable law, in the event of any increase in the actual utilization of funds earmarked for the purposes set forth above, such additional funds for a particular activity will be met by way of means available to us, including from internal accruals and any additional equity and/or debt arrangements. Further, if the actual utilization towards any of the stated objects is lower than the proposed deployment, the balance remaining may be utilized towards future growth opportunities, and/or towards funding any other purpose, and/or general corporate purposes, subject to applicable laws to the extent that the total amount to be utilized towards general corporate purposes will not exceed 25% of the Gross Proceeds in accordance with the SEBI ICDR Regulations and in compliance with the objectives as set out under "*—Details of the Objects — Funding acquisitions of future real estate projects and general corporate purposes*" below and will be consistent with the requirements of our business. The estimated schedule of deployment of Net Proceeds is indicative and our management may vary the amount to be utilized in a particular Financial Year at its discretion.

For further information on factors that may affect our internal management estimates, see "*Risk Factors – Our funding requirements and proposed deployment of the Net Proceeds are based on management estimates and may be subject to change based on various factors, some of which are beyond our control. Any variation in the utilization of the Net Proceeds would be subject to certain compliance requirements, including prior shareholders' approval*" on page 40.

Means of Finance

The fund requirements for the Objects are proposed to be met from the Net Proceeds and our internal accruals. Accordingly, we confirm that there is no requirement to make firm arrangements of finance through verifiable means towards at least 75% of the stated means of finance, excluding the amount to be raised through the Fresh Issue as required under Regulation 7(1)(e) the SEBI ICDR Regulations. Subject to applicable law, in the event of any increase in the actual utilization of funds earmarked for the purposes set forth above, such additional funds for a particular activity will be met by way of means available to us, including from internal accruals and any additional equity and/or debt arrangements.

Details of the Objects

1. ***Repayment/ pre-payment, in full or in part, of certain outstanding borrowings availed by our Company***

Our Company has entered into various borrowing arrangements, including borrowings in the form of terms loans and various fund based and non-fund based working capital facilities with various banks and financial institutions. As on July 31, 2026, we had outstanding borrowings (fund based) of ₹ 4,314.19 million on a standalone basis. Our Company has obtained a credit rating of "IND BBB+/Stable" *vide* a credit rating letter dated November 18, 2025, issued by India Ratings & Research. For details of these financing arrangements including indicative terms and conditions, see "*Financial Indebtedness– Principal terms of the facilities sanctioned to our Company and Subsidiaries*" on page 398.

Our Company intends to utilize an aggregate amount of ₹ 1,000.00 million from the Net Proceeds towards repayment/ prepayment of all or a portion of certain outstanding borrowings availed by our Company as of July 31, 2026. Such deployment of Net Proceeds would be undertaken in Fiscal 2027 considering the Issue opening timelines, which will be subject to receipt of necessary approvals. Pursuant to the terms of the borrowing arrangements, prepayment of certain indebtedness may attract prepayment charges as prescribed by the respective lender. Such prepayment charges, as applicable, will also be funded out of the Net Proceeds, as per the requirements of the Company. If the Net Proceeds are insufficient for making payments for such pre-payment penalties or premiums or interest, such excessive amount shall be met from our internal accruals of our Company. We believe that such repayment or prepayment or redemption will help reduce our outstanding indebtedness on a consolidated basis and debt servicing costs and enable utilization of the internal accruals for further investment towards business growth and expansion.

In addition, we believe that this would improve our ability to raise additional capital in the future to fund potential business development opportunities. The selection of borrowings proposed to be prepaid or repaid or redeemed amongst our borrowing arrangements will be based on various factors, including (i) maturity profile and the remaining tenor of the loan; (ii) cost of the borrowing, including applicable interest rates; (iii) any conditions attached to the borrowings, restricting our ability to prepay/ repay the borrowings and time taken to fulfil, or obtain waivers for fulfilment of such conditions, or relating to the terms of repayment; (iv) levy of any prepayment penalties and the quantum thereof; (v) provisions of any laws, rules and regulations governing such borrowings; and (vi) other commercial considerations including, among others, the amount of the loan outstanding.

Further, our Company may also avail additional borrowings and/ or draw down further funds under existing borrowing facilities, from time to time, after the date of this Prospectus.

The following table provides the details of the outstanding amount of borrowings including interest thereon availed by our Company, as on July 31, 2026, which we propose to pre-pay/ repay, in full or in part, along with the accrued interest from the Net Proceeds for an aggregate amount of ₹1,000.00 million and the details of estimated completion date (as per RERA, if applicable), total inventory of units and units sold as of July 31, 2026 of the project for which such borrowings have been availed for:

**As certified by our Statutory Auditor, Singhi & Co., Chartered Accountants, by way of their certificate dated September 21, 2026.*
As certified by the Independent Chartered Accountant, M.B. Agrawal & Co., Chartered Accountants, by way of their certificate dated September 29, 2026.

In accordance with Clause 9(A)(2)(b) of Part A of Schedule VI of the SEBI ICDR Regulations which requires a certificate from the statutory auditor certifying the utilisation of loans for the purposes availed, our Company has obtained the requisite certificate dated September 21, 2026, from our Statutory Auditor.

Additionally, for the purposes of the Issue, we have obtained the necessary consents from the lenders as is required under the relevant loan documentation for undertaking activities in relation to the Issue.

2. ***Investment in our wholly owned Material Subsidiaries namely Runwal Residency Private Limited and Evie Real Estate Private Limited, for repayment/ pre-payment, in full or in part, of all or a portion of certain of their outstanding borrowings***

Our wholly owned Material Subsidiaries namely Runwal Residency Private Limited and Evie Real Estate Private Limited have entered into various borrowing arrangements with banks and financial institutions including borrowings in the form of working capital facilities, term loans and cash credit facilities. Certain of the loans proposed to be repaid by Runwal Residency Private Limited, have been availed from ICICI Bank Limited, an affiliate of one of the BRLMs to the Issue. For further information, see *"Risk Factors – A portion of the Net Proceeds is proposed to be utilized for repayment or pre-payment, in full or part, all or a portion of certain loans availed by our Subsidiary namely Runwal Residency Private Limited, from ICICI Bank Limited, an affiliate of one of the BRLMs to the Issue."* on page 39. Runwal Residency Private Limited has obtained a credit rating of 'IND BBB+/Stable/IND A2' *vide* a credit rating letter dated November 18, 2025 issued by India Ratings & Research. Further, as on the date of this Prospectus, Evie Real Estate Private Limited has not obtained any credit rating letters. For details of these financing arrangements including indicative terms and conditions, see "*Financial Indebtedness – Principal terms of the facilities sanctioned to our Company and Subsidiaries*" on page 398.

Our Company intends to utilize an estimated amount of ₹ 2,250.00 million from the Net Proceeds towards partial or full repayment or prepayment of all or a portion of certain outstanding borrowings availed by the aforementioned Subsidiaries. The details of the total amount outstanding under the identified borrowings proposed to be repaid by the aforementioned subsidiaries are set forth below:

Sr. No.	Name of the subsidiary	Total outstanding amount under the identified borrowings proposed to be repaid as on July 31, 2026 (in ₹ million)
1.	Evie Real Estate Private Limited	3,564.87
2.	Runwal Residency Private Limited	2,865.10

The investment by our Company in our wholly owned Material Subsidiaries namely Evie Real Estate Private Limited and Runwal Residency Private Limited, as approved by our Board pursuant to its resolution dated September 10, 2026 is proposed to be undertaken in the form of equity or debt, including optionally convertible debentures, compulsorily convertible debentures, non-convertible debentures or a combination of both or in any other manner as may be decided by our Board. The actual mode of such deployment has not been finalised as on the date of this Prospectus. The board of directors of Evie Real Estate Private Limited and Runwal Residency Private Limited pursuant to resolutions approved by their respective board of directors each held on September 10, 2026 have undertaken to utilize this investment received from our Company (as and when received) towards funding the proposed repayment/prepayment of loan as set out below.

The selection of borrowings proposed to be prepaid or repaid amongst the borrowing arrangements availed by our Subsidiaries will be based on various factors, including (i) cost of the borrowing, including applicable interest rates, (ii) any conditions attached to the borrowings restricting our ability to prepay/ repay the borrowings and time taken to fulfil, or obtain waivers for fulfilment of such conditions, (iii) receipt of consents for prepayment from the respective lenders, (iv) terms and conditions of

such consents and waivers, (v) provisions of any laws, rules and regulations governing such borrowings, and (vi) other commercial considerations including, among others, the amount of the loan outstanding and the remaining tenor of the loan.

We believe that such repayment or prepayment will help reduce the outstanding indebtedness of our Subsidiaries and debt servicing costs and enable utilization of the internal accruals for further investment towards business growth and expansion. In addition, we believe that this would improve our Subsidiaries' ability to raise additional capital in the future to fund potential business development opportunities.

In addition to the above, Evie Real Estate Private Limited and Runwal Residency Private Limited may, from time to time, enter into fresh financing arrangements with banks and financial institutions. However, the aggregate amount to be utilised from the Net Proceeds towards prepayment or repayment of borrowings (including refinanced or additional borrowings availed, if any or otherwise), in part or full, would not exceed ₹ 2,250.00 million. The amounts proposed to be prepaid and / or repaid against each borrowing facility below is indicative and our Company may utilize the Net Proceeds to prepay and / or repay the facilities disclosed below in accordance with commercial considerations, including amounts outstanding at the time of prepayment and / or repayment.

The following table provides details of certain loans and facilities availed by Evie Real Estate Private Limited and Runwal Residency Private Limited as at July 31, 2026, out of which we propose to repay or prepay, in full or in part, any or all of the below mentioned loans and/or facilities, an amount aggregating to ₹ 2,250.00 million from the Net Proceeds and the details of estimated completion date (as per RERA, if applicable), total inventory of units and units sold as of July 31, 2026 of the projects for which such borrowings have been availed for:

(1) Refinancing of the erstwhile loan availed from HDFC Bank Limited pursuant to its sanction letter dated December 15, 2021.
(2) Down sold loan of the erstwhile loan availed from Induslnd Bank Limited amounting to ₹2,000.00 million from original sanction amount of ₹10,000.00 million to Federal Bank Limited.
(3) Refinancing of the erstwhile loan availed from Induslnd Bank Limited pursuant to its sanction letter dated June 9, 2022.

Given the nature of these borrowings and the terms of prepayment, the aggregate outstanding loan amounts may vary from time to time. In the event that there are any prepayment penalties, payment of interest, or premium, if any, and other related costs required to be paid under the terms of the relevant financing agreements, such prepayment penalties, payment of interest, or premium, if any, and other related costs shall be paid by our Company out of its internal accruals. We will take such provisions also into consideration while deciding repayment and pre-payment of identified loans from the Net Proceeds. If the Net Proceeds are insufficient for making payments for such pre-payment penalties or premiums, such excessive amount shall be met from our internal accruals.

3. ***Funding acquisitions of future real estate projects and general corporate purposes***

We expect to utilize ₹ 1,171.19 million of the Net Proceeds towards funding acquisitions of future real estate projects and general corporate purposes which shall not, in aggregate, exceed 35% of the Gross Proceeds. The amount utilized for: (i) funding acquisitions of future real estate projects; or (ii) general corporate purposes, individually, shall not exceed 25% of the Gross Proceeds.

Funding acquisitions of future real estate projects

We are a real estate developer present across the full spectrum of real estate development, specializing in residential developments that cater to affordable, mid-income, and luxury segments, as well as commercial spaces, retail malls and educational buildings. We are a recognized brand in the industry and have a strong presence in Mumbai. (*Source: JLL Report*)

As part of our business model, we focus on entering into joint development agreements and re-development agreements with landowners or developers or societies, which requires lower upfront capital expenditure compared to direct acquisition of land parcels. We identify land for development or re-development based on a detailed feasibility study for the relevant project, including factors such as location, price, purpose and design impediments. Since our inception, we have learned and honed the process of re-development and to balance the diverse needs of existing members in each project. With our experience, we have been able to institutionalize and streamline the process of re-development, which includes managing relationships with existing members and addressing their concerns, vacation of site, regulatory approvals, and harmonious integration of existing members and new sale customers. Similarly, our experience in partnerships has helped us hone and institutionalize the processes of collaborating with landowners under a joint development model. This development approach enables us to simultaneously undertake multiple projects and reduce project risks associated with land acquisition. These acquisitions are expected to generate strategic, financial, and operational benefits for our Company. Strategically, they will accelerate portfolio expansion in high-potential micro-markets and unlock redevelopment opportunities at prime locations of Mumbai. Financially, the asset-light approach through joint development and redevelopment agreements enhances capital efficiency by reducing upfront expenditure while improving return on investment and supporting steady cash flows. Operationally, these acquisitions will optimize resource allocation and strengthen our competitive edge in Mumbai's real estate market.

Our performance over the last three Fiscals in terms of our operational metrics is set out below:

Notes:

(1) Sales value is calculated as the sum of the agreement value of units sold in residential, retail and commercial projects (net of cancellations) during such period for which agreements have been entered into and the booking amount has been received, but does not include taxes, other charges, stamp duty and registration charges.

(2) Gross collections are calculated as the sum of collections against agreement value from sale of units (net of cancellations) but do not include taxes and other charges.

(3) Launches refers to million square feet of area of inventory launched in market to start taking bookings from customers.

(4) Deliveries refers to million square feet of area of inventory where occupation certificate has been received.

(5) Average sale price is calculated as sales value divided by the sales area in million square feet.

All proposed acquisitions will be directly aligned with our existing real estate development business, focusing exclusively on opportunities that enhance our existing operations. These acquisitions may span across residential, retail and commercial, with strategic diversification into slum redevelopment, cluster/society redevelopment, and plotted development projects. We are focusing on real estate development in Mumbai to leverage several strategic advantages. The real estate market in this region presents significant barriers to entry, such as limited land availability and restricted capital access for unorganized developers, which favour experienced developers with established business operations. We are strategically focusing on asset-light growth opportunities through redevelopment, joint ventures and joint development projects. For further details, see "*Our Business – Strategies – Continued focus on Mumbai*" and "*Our Business – Strategies – Continue to pursue asset-light growth opportunities through redevelopment, joint ventures and joint development projects*" on page 196.

The details of certain recent acquisitions undertaken by us are set forth below:

Company / LLP	Location	Project name	Date of the acquisition
Wheelabrator Realty Private Limited	Bandra West	Runwal Lakeview	March 17, 2025
Evie Real Estate Private Limited	Kanjurmarg East	Runwal Bliss – Phase 3	December 29, 2021

Runwal Commercial Plaza Private Limited	Bandra West	Bandra Compound (*tentative*)	November 26, 2024
Evie Holdings Private Limited	Chembur	Runwal Woods	October 14, 2024
Shubhsneh Shreepati Bayview LLP	Girgaum	Runwal Kranti Nagar *(tentative)*	December 18, 2025
Evie Construction Private Limited	Mithagar, Murud	Runwal SOBO (*tentative*)	December 18, 2025

For further details, see "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on page 401 and "*Our Business*" on page 183.

Given all of the above, we intend to acquire future real estate projects in Mumbai, and grow our real estate portfolio through (a) joint development agreements and re-development agreements with parties including landowners, developers or societies, (b) acquisition of land from landowners, developers or societies, or (c) acquisition of development rights from landowners, developers or societies (such acquisition hereinafter referred to as the "**Project**").

Our acquisition and investment process follows a structured approach, beginning with rigorous due diligence including legal title verification, feasibility studies, market demand analysis, and regulatory assessments. Each potential transaction is evaluated on key parameters such as location attractiveness, infrastructure connectivity, pricing dynamics, and overall project viability. The investment structure, whether through subsidiaries, joint ventures, or partnerships, is finalized on a project-specific basis, subject to internal approvals and commercial negotiations.

The actual deployment of funds will depend on a number of factors, including the timing, nature, size and number of real estate project acquisitions undertaken, as well as general factors affecting our results of operation, financial condition and access to capital. We do not have a pre-defined target acquisition size, as the costs of acquiring real estate projects will vary depending on various factors, such as, location of the project, profile of the population in the surrounding areas, general economic conditions and the extent of negotiations between us and the parties from whom we propose to acquire the said real estate projects. Further, besides the purchase price payable for the acquisition of the real estate projects, the cost of real estate projects acquisition would include various other components, such as cost of title searches, stamp duty, taxes, legal fees, and the cost of obtaining additional approvals, if required. We use different ways to acquire real estate projects. Real estate projects can be acquired through auctions in the market by bidding for the auction or directly through negotiations with the seller. Given our focus on capital-efficient joint development and redevelopment models, our requirement for large upfront capital is generally limited. However, in cases where direct acquisitions necessitate substantial investment, we may utilize a combination of internal accruals, project-specific financing, or Net Proceeds. Should any shortfall arise, we may explore additional options such as structured financing or strategic investor participation. All these elements, including payments to be made as set out above, would be a part of the acquisition of real estate projects. Acquisition of real estate projects is usually undertaken through our Subsidiaries where the detailed terms and conditions of such investments would be decided, from time to time, on a project-wise basis.

We intend to utilise the entire amount earmarked for the acquisition of Projects during Fiscal 2027 and Fiscal 2028.

As of the date of this Prospectus, we operate within the South Mumbai, Central Mumbai, Eastern Suburbs and Kalyan-Dombivli micro-markets of the Mumbai market. Accordingly, in line with our current business plans, the future project acquisitions are expected to be located in these micro-markets or in such other locations as may be determined by our Board of Directors, based on prevailing business requirements and strategic considerations.

Accordingly, the proposed deployment of funds from Fiscal 2027 to Fiscal 2028 may vary from year to year. The Project acquisition process is a time-consuming process which requires exhaustive set of diligence procedures to assess the title and is influenced by other factors. In the event we are unable to utilise the funds earmarked towards Project acquisition by the end of Fiscal 2028, we may, with the approval of the Board of Directors, utilise the earmarked funds towards financing the construction expenses of such of our ongoing or planned projects or any other related expenses, as may be determined by the Board of Directors. We undertake that details of any payments or expenses incurred in this regard with an adequate break-up of the costs involved would be provided to the Stock Exchanges.

Further, in accordance with the SEBI Listing Regulations, our Company will disclose to the Stock Exchanges, as and when acquired, the cost of acquisition and other details such as nature of title or interest acquired in the Project.

We undertake that, (i) the requisite material approvals are obtained as soon as reasonably possible (by paying requisite fees or charges) for commencement or completion of the relevant Project; (ii) post-acquisition, the Project land will be free of all encumbrances and have clear title or the encumbrances, if any, will be removed by undertaking negotiations and financial settlements (with parties holding pledge and in certain cases those who may have encroached on the land); and (iii) if a joint development or re-development agreement is signed, we will work with the landlord/existing developer/ relevant counter-party to remove the encumbrances except for the arrangements with banks, NBFCs or financial institutions who have supported the relevant Project.

While the details of the relevant counter parties are not available at this stage, we undertake that the Project to be acquired from the Net Proceeds shall not be acquired from the Promoter, Directors, Promoter Group entities, Group Companies, affiliates or any other related parties.

To the extent our Company deploys the Net Proceeds in any of our Subsidiaries, Associate or Joint Ventures, it shall be in the form of equity or debt or in any other manner as may be decided by the Board. The actual mode of such deployment has not been finalized as on the date of this Prospectus.

General corporate purposes

The general corporate purposes for which our Company proposes to utilise Net Proceeds include (i) funding growth opportunities, including strategic initiatives; (ii) meeting any expenses incurred in the ordinary course of business by our Company, including salaries and wages, rent, administration expenses, insurance related expenses, and the payment of taxes and duties; (iii) servicing of borrowings including payment of interest; (iv) brand building and other marketing expenses; (v) meeting expenses incurred towards any strategic initiatives, partnerships, tie-ups, joint ventures or acquisitions, investment in

our Subsidiaries, Associate and Joint Ventures (for the purposes other than repayment of loans by such entities); (vi) meeting of exigencies which our Company may face in the course of any business; and (vii) any other purpose as permitted by applicable laws and as approved by our Board or a duly appointed committee thereof.

In addition to the above, our Company may utilise the Net Proceeds towards other expenditure considered expedient and as approved periodically by our Board, subject to compliance with necessary provisions of the Companies Act. The quantum of utilisation of funds towards each of the above purposes will be determined by our Board, based on the amount available under this head and the business requirements of our Company, from time to time. Our Company's management shall have flexibility in utilising surplus amounts, if any.

SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022 read with June 2021 Circular and March 2021 Circular.

Interim use of funds

The Net Proceeds shall be retained in the Public Issue Account until receipt of the listing and trading approvals from the Stock Exchanges by our Company. Pending utilization for the purposes described above, we will temporarily invest the funds from the Net Proceeds in deposits only with one or more scheduled commercial banks included in the second schedule of the Reserve Bank of India Act, 1934, as amended. In accordance with Section 27 of the Companies Act 2013, our Company confirms that it shall not use the Net Proceeds for buying, trading or otherwise dealing in shares of any other listed company or for any investment in the equity markets.

Further, our Company confirms that no lien or encumbrance of any nature shall be created on the Net Proceeds at any time.

Bridge loan

Our Company has not raised any bridge loans from any banks or financial institutions, which are proposed to be repaid from the Net Proceeds, as on the date of this Prospectus.

Monitoring of utilisation of funds

In accordance with Regulation 41 of the SEBI ICDR Regulations, we have appointed Crisil Ratings Limited ("**CRL**"), a SEBI registered credit rating agency as the monitoring agency for monitoring the utilization of Issue Proceeds, as the Issue size exceeds ₹ 1,000.00 million. Our Audit Committee and the Monitoring Agency will monitor the utilization of the Issue Proceeds including in relation to the utilisation of the Net Proceeds towards the general corporate purposes and submit the report required under Regulation 41(2) of the SEBI ICDR Regulations on a quarterly basis, until such time as the Gross Proceeds have been utilised in full. Our Company undertakes to place the report(s) of the Monitoring Agency on receipt before the Audit Committee without any delay. Our Company will disclose the utilization of the Issue Proceeds, including interim use under a separate head in its balance sheet for such fiscal periods as required under the SEBI ICDR Regulations, the SEBI Listing Regulations and any other applicable laws or regulations, clearly specifying the purposes for which the Issue Proceeds have been utilized. Our Company will also, in its balance sheet for the applicable fiscal periods, provide details, if any, in relation to all such Issue Proceeds that have not been utilized, if any, of such currently unutilized Issue Proceeds.

The details of the Monitoring Agency are as follows:

Name: Crisil Ratings Limited
Address: Lightbridge IT Park, Saki Vihar Road, Andheri East. Mumbai- 400 072
E-mail: crisilratingdesk@crisil.com
Telephone Number: +91 2261373000
Contact Person: Shounak Chakravarty

Pursuant to Regulation 18(3) and Regulation 32(3) of the SEBI Listing Regulations, our Company shall, on a quarterly basis, disclose to the Audit Committee the uses and applications of the Issue Proceeds. Additionally, the Audit Committee shall review the report submitted by the Monitoring Agency and make recommendations to our Board for further action, if appropriate. On an annual basis, our Company shall prepare a statement of funds utilized for purposes other than those stated in this Prospectus and place it before the Audit Committee and make other disclosures as may be required until such time as the Issue Proceeds remain unutilized. Such disclosure shall be made only until such time that all the Issue Proceeds have been utilized in full. The statement shall be certified by the statutory auditor of our Company. BASIS FOR ISSUE PRICE

The Price Band and the Issue Price was determined by our Company in consultation with the Book Running Lead Managers, on the basis of assessment of market demand for the Equity Shares issued through the Book Building Process and on the basis of quantitative and qualitative factors as described below. The face value of the Equity Shares is ₹ 2 each and the Issue Price is 1.05 times the Floor Price and 1.00 times the Cap Price, and the Floor Price is 145.00 times the face value and the Cap Price is 152.50 times the face value. Bidders should also see "*Risk Factors*", "*Our Business*", "*Summary of Financial Information*", "*Other Financial Information*" "*Restated Consolidated Financial Information*", and "*Management's Discussion and Analysis of Financial Condition and Results of Operations*" on pages 18, 183, 70, 394, 283 and 401, respectively, to have an informed view before making an investment decision.

Qualitative Factors

We believe that some of the qualitative factors and our strengths which formed the basis for computing the Issue Price are:

- We are a prominent residential real estate developer in Mumbai.
- We are a well-established brand.
- Robust pipeline of Ongoing Projects and Upcoming Projects providing strong visibility of cash flows.
- Ability to sell at premium pricing and throughout the construction phase.
- We have a unique core competency in developing large townships which include schools, malls, retail shops and shopping arcades.
- Demonstrated strong project execution capabilities with in-house functional expertise and tie-ups with reputable design and architect firms.
- Strong focus on sustainable development.
- Experienced Promoter, qualified senior management and credible financial partners.

For further details, see "*Our Business – Strengths*" on page 189

Quantitative Factors

Some of the information presented below relating to our Company is derived from the Restated Consolidated Financial Information. For details, see "*Restated Consolidated Financial Information*" and "*Other Financial Information*" on pages 283 and 394, respectively.

Some of the quantitative factors which formed the basis for computing the Issue Price are as follows:

A. Basic and Diluted Earnings per share for continuing operations ("EPS") (face value of each Equity Share is ₹ 2):

As derived from the Restated Consolidated Financial Information:

Fiscal / Period ended	Basic EPS (in ₹)	Diluted EPS (in ₹)	Weight
Fiscal 2026	16.74	16.74	3
Fiscal 2025	6.27	6.27	2
Fiscal 2024	6.04	6.04	1
Weighted Average	11.46	11.46	-

Notes:

i) Weighted average = Aggregate of year-wise weighted EPS divided by the aggregate of weights i.e. (EPS x Weight) for each year/Total of weights.

ii) Basic Earnings per Equity Share (₹) = Net profit after tax attributable to owners of the Company, as restated / Weighted average no. of Equity Shares outstanding during the year

iii) Diluted Earnings per Equity Share (₹) = Net Profit after tax attributable to owners of the Company, as restated / Weighted average no. of potential Equity Shares outstanding during the year

iv) Earnings per Share calculations are in accordance with the notified Indian Accounting Standard 33 'Earnings per share'. The face value of equity shares of the Company is ₹ 2.

v) The figures disclosed above for the financial years ended March 31, 2026, 2025 and 2024 are based on the Restated Consolidated Financial Information of the Company, taking into account the share split effected pursuant to Board resolution dated October 25, 2024 and the Shareholders' resolution dated November 4, 2024, whereby each fully paid-up equity share of our Company of face value of ₹ 10 was split into Equity Shares of face value of ₹ 2 each and accordingly 25,010,000 equity shares of face value of ₹ 10 each were sub-divided into 125,050,000 Equity Shares of face value of ₹ 2.

B. Price/Earning ("P/E") ratio in relation to Price Band of ₹ 290 to ₹ 305 per Equity Share:

Particulars	P/E at the lower end of the Price Band (number of times)	P/E at the upper end of the Price Band (number of times)
Based on Basic EPS as per the Restated Consolidated Financial Information for Fiscal 2026	17.32	18.22
Based on Diluted EPS as per the Restated Consolidated Financial Information for Fiscal 2026	17.32	18.22

C. Industry Peer Group P/E ratio

Based on the peer group information (excluding our Company) given below in this section, given below are the highest, lowest, and average P/E ratio.

Particulars	P/E ratio
Highest	59.21
Lowest	20.30
Industry Composite	40.06

Notes:
The industry high and low has been considered from the industry peer set provided below. The industry composite has been calculated as the arithmetic average P/E of the industry peer set as disclosed in this section.
P/E ratio has been computed based on the closing market price of equity shares on NSE on September 25, 2026, divided by the Diluted EPS.

D. Return on Net Worth ("RoNW") as per the Restated Consolidated Financial Information

Fiscal / Period ended	RoNW (%)	Weight
Fiscal 2026	27.24	3
Fiscal 2025	17.20	2
Fiscal 2024	20.26	1
Weighted Average	22.73	-

Notes:
i) Weighted average = Aggregate of year-wise weighted RoNW divided by the aggregate of weights i.e. (RoNW x Weight) for each year/Total of weights.
ii) Return on Net Worth (%) = Net Profit after tax attributable to owners of the Company, as restated / Restated net worth at the end of the year.
iii) Net worth has been defined as the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, as per the audited balance sheet, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation as on March 31, 2026, 2025 and 2024 in accordance with Regulation 2(1)(hh) of the SEBI ICDR Regulations.
iv) The figures disclosed above for the financial years ended March 31, 2026, 2025 and 2024 are based on the Restated Consolidated Financial Information of our Company.

E. Net Asset Value ("NAV") per Equity Share of face value of ₹ 2 each

As at	Net Asset Value per Equity Share without considering conversion of CCD(s) as per the Restated Consolidated Financial Information [(i)]	Net Asset Value per Equity Share post conversion of CCD(s)[(ii)]
March 31, 2026	61.43	75.00

Notes:
(i) Net Asset Value per Equity Share = Net worth as per the Restated Consolidated Financial Information/ Number of equity shares outstanding as at the end of year.
(ii) Net Asset Value per Equity Share post CCD conversion was calculated considering the effect of the 6,341,436 Equity Shares resulting from the conversion at ₹342.49 per Equity Share as of August 28, 2026. Net asset value per Equity Share post CCD conversion is calculated by dividing the total equity post conversion by the Weighted average number of equity shares outstanding during the year/period after considering the effect of the CCD conversion.

Net Asset Value per Equity Share	Amount (₹)
After the Issue	
– At Floor Price	99.53
– At Cap Price	100.51
At Issue Price	100.51

Notes:
(i) Net worth has been defined as the aggregate value of the paid-up share capital and all reserves created out of the profits and securities premium account and debit or credit balance of profit and loss account, after deducting the aggregate value of the accumulated losses, deferred expenditure and miscellaneous expenditure not written off, as per the audited balance sheet, but does not include reserves created out of revaluation of assets, write-back of depreciation and amalgamation as on March 31, 2026, 2025 and 2024, in accordance with Regulation 2(1)(hh) of the SEBI ICDR Regulations.
(ii) The figures disclosed above for the financial year ended March 31, 2026, are based on the Restated Consolidated Financial Information of our Company.

For further details, see "*Other Financial Information*" on page 394.

H. Comparison of KPIs over time based on additions or dispositions to the business

Our Company has not undertaken a material acquisition or disposition of assets / business for the periods that are covered by the KPIs and accordingly, no comparison of KPIs over time based on additions or dispositions to the business, have been provided.

I. Weighted average cost of acquisition ("WACA"), floor price and cap price

(a) The price per share of our Company (as adjusted for corporate actions, including split, bonus issuances) based on the primary / new issuance of securities (Equity Shares / convertible securities) (excluding Equity Shares issued under the ESOP Scheme and issuance of Equity Shares pursuant to a bonus issue) during the 18 months preceding the date of this Prospectus, where such issuance is equal to or more than 5% of the fully diluted paid-up share capital of the Company in a single transaction or multiple transactions combined together over a span of rolling 30 days ("Primary Issuances") are as follows:

There has been no primary sale/acquisition of Equity Shares or any convertible securities (excluding Equity Shares issued under the ESOP Scheme and Equity Shares issued pursuant to a bonus issue) during the 18 months preceding the date of this Prospectus, where such issuance is equal to or more than 5% of the fully diluted paid-up share capital of the Company, whether in a single transaction or in multiple transactions combined together over a span of rolling 30 days.

(b) The price per share of our Company (as adjusted for corporate actions, including split, bonus issuances) based on the secondary sale / acquisition of shares (equity / convertible securities) (excluding gifts) involving any of the Promoter, members of the Promoter Group or Shareholders or securities holders with rights to nominate directors during the 18 months preceding the date of filing of this Prospectus, where the acquisition or sale is equal to or more than 5% of the fully diluted paid-up share capital of our Company- (calculated based on the pre-Issue capital before such transaction/s and excluding employee stock options granted but not vested), in a single transaction or multiple transactions combined together over a span of rolling 30 days ("Secondary Transactions")

There have been no secondary sale/ acquisitions of Equity Shares or any convertible securities ("**Security(ies)**"), where the Promoter, members of the promoter group, or shareholder(s) or securities holder(s) having the right to nominate director(s) in the board of directors of the Company are a party to the transaction (excluding gifts), during the 18 months preceding the date of this certificate, where either acquisition or sale is equal to or more than 5% of the fully diluted paid up share capital of the Company (calculated based on the pre-Issue capital before such transaction/s and excluding employee stock options granted but not vested (if any)), in a single transaction or multiple transactions combined together over a span of rolling 30 days.

(c) Since there are no transactions to report under (I) – (b) above, the details of the last five primary and secondary transactions (secondary transactions where promoter / promoter group entities or shareholder(s) having the right to nominate director(s) in the Board of the Company, are a party to the transaction), not older than 3 years prior to the date of this certificate, irrespective of the size of the transaction:

Primary transaction:

Nature of transaction	Date of transaction	Name of allottee	No. of Equity Shares transacted	Total consideration (in ₹ million)[#]	Price per Equity Share
Allotment of equity shares pursuant to conversion of CCDs	August 28, 2026	HDFC Capital Affordable Real Estate Fund – 3[#]	6,341,436	2,171.88	342.49

Note: CCDs allotted on October 19, 2024 have not been considered above since the same were converted into Equity Shares on August 28, 2026 and such Equity Shares have been included in the table above.

[#]Equity Shares were allotted upon conversion of CCDs at a conversion price of ₹342.49 per Equity Share.

Secondary transactions:

Justification for Basis of Issue Price

J. Explanation for Issue Price / Cap Price being 0.89 times of WACA of Primary Issuances and Secondary Transactions (set out above) along with our Company's KPIs and financial ratios for Fiscals 2026, 2025 and 2024.

- We are a recognized brand in the industry and have a strong presence in Mumbai. (*Source: JLL Report*)
- We are ranked third in terms of new launches and sales in Mumbai with approximate market shares of 2.33% and 2.46%, respectively, between January 2023 and March 31, 2026. (*Source: JLL Report*)
- In the eastern suburbs submarket of Mumbai (which encompasses Mulund, Vikhroli, Ghatkopar, Kanjurmarg, Powai and Bhandup), we ranked first in sales accounting for approximately 7.88% of the sales, and fourth in new launches, accounting for approximately 2.89%, between January 2023 and March 31, 2026. (Source: JLL Report) We are ranked first in terms of new launches and second in terms of sales in Kalyan, Dombivli, with approximate market shares of 11.41% and 6.33%, respectively, between January 2023 and March 31, 2026. (*Source: JLL Report*)
- We have a robust pipeline of Ongoing Projects and Upcoming Projects which provides us with strong visibility over future cash flows.
- According to JLL, our status as a renowned developer enables us to command premium pricing in some of the micro markets in Mumbai, such as Kanjurmarg and Mulund. We believe that our brand strength enables us to sell units throughout the construction phase of our projects.
- We have a unique core competency in developing large townships which include schools, malls, retail shops and shopping arcades. We have a professional and experienced management team which has notable experience in the real estate development industry.

K. Explanation for Issue Price / Cap Price being 0.89 times of WACA of Primary Issuances and Secondary Transactions (set out in VIII above) in view of the external factors which may have influenced the pricing of the Issue.

- Between January 2023 and March 2026, Mumbai was ranked first among the top seven Indian residential real estate markets (i.e., Mumbai, Pune, Bengaluru, Hyderabad, Delhi National Capital Region, Chennai and Kolkata) in terms of its contribution to market activity, accounting for approximately 24% of the overall sales, approximately 24% of the overall new launches and overall sales value in India. (*Source: JLL Report*)
- Several infrastructure projects are underway in Mumbai to achieve long-term sustainability and enhance the city's transportation networks, which include the Metro Lines project, which consists of 14 high-capacity metro railway lines and one metro line, the Coastal Road project, which is a 29.8 km stretch from Kandivali to Nariman Point, and the Navi Mumbai International Airport project. (*Source: JLL Report*) These developments are expected to improve east-west connectivity, connect areas not served by the suburban rail and reduce travel time between residential and commercial hubs. (*Source: JLL Report*)
- Upcoming infrastructure projects are set to reduce travel time from Dombivli to commercial hubs like BKC and Airoli to approximately 20 minutes. This improved connectivity is expected to substantially enhance Dombivli's attractiveness as a residential market, leading to increased demand and, consequently, higher sales volumes. (*Source: JLL Report*)
- Within the eastern suburbs, Kanjurmarg has emerged as a focal point for developers eyeing strategic growth opportunities (*Source: JLL Report*)

1. We, Singhi & Co., the statutory auditors of the Company, hereby confirm that the enclosed **Annexure A**, prepared by the Company and initialled by us and the Company for identification purpose ("**Statement**") for the proposed initial public offering of equity shares of the Company ("Issue"), provides the possible special tax benefits available to the Company, its material subsidiaries identified as per the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, being Runwal Residency Private Limited, Susneh Infrapark Private Limited and Wheelabrator Alloys Casting Limited, Horizon Projects Private Limited, Susneh Developers Private Limited, Runwal Real Estates Private Limited and Evie Real Estate Private Limited (the "**Material Subsidiaries**") and to its their respective shareholders, under direct and indirect tax laws presently in force in India, including the Income Tax Act, 2025, the Central Goods and Services Tax Act, 2017, the Integrated Goods and Services Tax Act, 2017, Union Territory Goods and Services Tax Act, 2017, applicable goods and services tax legislations, as promulgated by various states in India, Customs Act, 1962, the Customs Tariff Act, 1975 and Foreign Trade Policy 2023 (as extended), read with the rules, regulations, circulars and notifications issued in connection thereto, each as amended by the Finance Act 2026 i.e. applicable for Tax Year 2026-27.(collectively, the "**Taxation Laws**"). Several of these benefits are dependent on the Company, its Material Subsidiaries and/or their respective shareholders, as the case may be, fulfilling the conditions prescribed under the relevant provisions of the Taxation Laws. Hence, the ability of the Company, its Material Subsidiaries and/or their respective shareholders to derive the possible special tax benefits is dependent upon their fulfilling such conditions, if any, which based on business imperatives the Company and/or its shareholders face in the future, the Company, its Material Subsidiaries and/or their respective shareholders may or may not choose to fulfil.

2. The statement of possible special tax benefits available to the Company, its Material Subsidiaries and each of its shareholders is required as per (9)(L) of Part A of Schedule VI of the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended ("**SEBI ICDR Regulations**"). While the term 'special tax benefits' has not been defined under the SEBI ICDR Regulations, it is assumed that with respect to special tax benefits available to the Company, its Material Subsidiaries and/or their respective shareholders, the same would include those benefits as enumerated in the Statement. The benefits discussed in the enclosed Statement cover only the possible special tax benefits available to the Company, its Material Subsidiaries and their respective shareholders and do not cover any general tax benefits available to them. The benefits discussed in the enclosed Statement are not exhaustive. Any benefits under the Taxation Laws other than those specified in the Statement are considered to be general tax benefits and therefore not covered within the ambit of the Statement.

3. In respect of non-residents, the tax rates and the consequent taxation shall be further subject to any benefits available under the applicable Double Taxation Avoidance Agreement, if any, between India and the country in which the non-resident has fiscal domicile subject to satisfying the relevant conditions including but not limited to:

    (a) conditions (if any) present in the said DTAA read with the relevant provisions of the Multilateral Instrument ("**MLI**") as ratified by India with the respective country of which the said shareholder is a tax resident;

(b) non-applicability of General Anti-Avoidance Rule ("**GAAR**").and

(c) providing and maintaining necessary information and documents as prescribed under the IT Act read with applicable rules, circulars and/or notifications.

4. The Statement is only intended to provide general information to the investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and changing tax laws, each investor is advised to consult his or her own tax consultant with respect to the specific tax implications arising out of their participation in the Issue.

5. We do not express any opinion or provide any assurance as to whether:

- the Company, its Material Subsidiaries and/or their respective shareholders will continue to obtain the benefits as per the Statement in the future; or

- the conditions prescribed for availing of the benefits as per the Statement, where applicable have been/would be met with.

6. The contents of the enclosed Statement are based on information, explanations and representations obtained from the Company and on the basis of our understanding of the business activities and operations of the Company and its Material Subsidiaries.

7. We have conducted our examination in accordance with the 'Guidance Note on Reports or Certificates for Special Purposes (Revised 2016)' issued by the Institute of Chartered Accountants of India ("**ICAI**") which requires that we comply with ethical requirements of the Code of Ethics issued by the ICAI. We hereby confirm that while providing this certificate we have complied with the Code of Ethics issued by the ICAI. Further, we have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial information, and Other Assurance and Related Services Engagements, issued by the ICAI.

This certificate is issued for the purpose of the Issue, and can be used, in full or part, along with the Statement, for inclusion in the updated draft red herring prospectus, red herring prospectus, prospectus and any other material used in connection with the Issue (together, the "**Issue Documents**").

We further confirm that we are not and have not been engaged or interested in the formation or promotion or management of the Company or its Material Subsidiaries.

We hereby consent to our name and the aforementioned details being included in the Issue Documents and/or consent to the submission of this certificate as may be necessary, to Securities and Exchange Board of India, any regulatory / statutory authority, stock exchanges, any other authority as may be required and/or for the records to be maintained by the BRLMs in connection with the Issuer and in accordance with applicable law. We also consent to the inclusion of this certificate as a part of '*Material Contracts and Documents for Inspection*' in connection with the Issue, which will be available for public for inspection from the date of filing of the red herring prospectus until the Bid/Issue Closing Date.

This certificate may be relied on by the BRLMs, their affiliates and legal counsels to the Company and the BRLMs and to assist the BRLMs in conducting and documenting their investigation of the affairs of the Company in connection with the Issue. This letter can also be uploaded on the repository portal of the stock exchanges/ SEBI as required pursuant to the SEBI circular dated December 5, 2024 and the subsequent requirements of the Stock Exchanges/ SEBI, as applicable. We hereby consent to this certificate being disclosed by the BRLMs, if required (i) by reason of any law, regulation, order or request of a court or by any governmental or competent regulatory authority, or (ii) in seeking to establish a defence in connection with, or to avoid, any actual, potential or threatened legal, arbitral or regulatory proceeding or investigation.

We undertake to update you of any changes in the abovementioned position until the date the Equity Shares issued pursuant to the Issue commence trading on the stock exchanges. In the absence of any communication from us till the Equity Shares commence trading on the stock exchanges, you may assume that there is no change in respect of the matters covered in this certificate.

ANNEXURE TO THE STATEMENT OF POSSIBLE SPECIAL TAX BENEFIT AVAILABLE TO THE COMPANY, ITS SHAREHOLDERS AND THE MATERIAL SUBSIDIARIES.

Outlined below are the possible tax benefits available to the Company, Material Subsidiaries and their respective shareholders under the current direct tax and indirect tax laws currently in force in India. These tax benefits are dependent on the Company, Material Subsidiaries and their respective shareholders fulfilling the conditions prescribed under the relevant provisions of the Income-tax Act, 2025 ("**2025 Act**"), as amended, the Central Goods and Services Tax Act, 2017, the Integrated Goods and Services Tax Act, 2017 and the State Goods and Services Tax Act, 2017 (collectively the "**Taxation Laws**"). Hence, the Company, Material Subsidiaries and their respective shareholders can derive the possible tax benefits upon fulfilling such conditions laid down in the taxation laws, which are based on business imperatives they face in the future, they may or may not choose to fulfill.

Special Tax Benefits to the Company under the Income-tax Act, 2025

1. Lower corporate tax rate under Section 200 of the 2025 Act:

As per Section 200 read with Section 205(1) of the 2025 Act, corresponding to Section 115BAA of the Income Tax Act, 1961 (the "**1961 Act**"), a domestic company has an option to pay income tax in respect of its total income at a concessional tax rate of 22% (plus surcharge of 10% and health and education cess of 4%) provided the company does not avail of specified exemptions/ incentives/ deductions or set-off of specified losses/ unabsorbed depreciation etc., in the prescribed manner and complies with the other conditions specified in Section 200 read with Section 205(1) of the 2025 Act. In case a company opts for Section 200 of the 2025 Act, the provisions of Minimum Alternate Tax ("**MAT**") under Section 206 of the 2025 Act, corresponding Section 115JB of the 1961 Act, would not be applicable. The option needs to be exercised in the prescribed manner on or before the due date of filing the income tax return. The option once exercised cannot be subsequently withdrawn for the same or any other tax year and therefore, shall apply to subsequent tax years. Further, if the conditions mentioned in Section 200 read with Section 205(1) of the 2025 Act are not satisfied in any tax years, the option exercised shall become invalid in respect of such and subsequent tax years, and the other provisions of the 2025 Act shall apply as if the option under Section 200 of the 2025 Act had not been exercised.

We understand that the Company intends to opt for the lower tax regime under 115BAA of 1961 Act for the tax return to be filed for financial year 2025-26. Accordingly, for tax year 2026-27, the Company shall be governed by the corresponding provisions of Section 200 read with Section 205(1) of the 2025 Act. Accordingly, MAT provisions under Section 206 of the 2025 Act will not be applicable to the Company. Further, any accumulated MAT credit from earlier years would not be available for set-off, as the benefit for utilisation of MAT credit is available only to companies opting for the lower tax regime on or after 1 April 2026.

Special Tax Benefits to the Shareholders of the Company under the 2025 Act

1. The basis of charge of Indian income-tax would depend upon the residential status of the shareholder during a tax year determined in accordance of Section 6 of the 2025 Act, corresponding to section 6 of 1961 Act. If the shareholder is an Indian tax resident, he is liable to income-tax in India on his worldwide income, subject to certain tax exemptions, which are provided under the 2025 Act.

2. A shareholder who qualifies as a non-resident for Indian income-tax purposes, is subject to tax in India only on his India-sourced income (i.e. income which accrues or arises or deemed to accrue or arise in India) and income received by such persons in India. In case of shares of a company, the source of income from shares would depend on the "situs" of such shares. As per judicial precedents, generally the "situs" of the shares is where a company is "incorporated" and where its shares can be transferred.

   Accordingly, since the Company is incorporated in India, its shares are deemed to be "situated" in India and any income in respect of the Company's shares and/or gains arising to a non-resident shareholder on transfer of such shares is taxable in India

3. As per Section 393(1), Table No.1, Sl. No. 7 of the 2025 Act, corresponding Section 194 of the 1961 Act, the Company is required to deduct tax at source at the rate of 10% before making any distribution or payment of dividend, from the amount of dividend paid to shareholders. In the absence of Permanent Account Number ("**PAN**") of the shareholder, tax would be deductible at the rate of 20% as provided under section 397(2)(b)(i) of the 2025 Act, corresponding to section 206CC of 1961 Act.

4. Section 393(4) (Table: Sl. No. 10) of the 2025 Act, corresponding to section 194 of 1961 Act further provides no deduction shall be made in the following cases:

   (i) the dividend is paid to a resident individual shareholder by any mode other than cash and the amount of aggregate dividend distributed or paid or likely to be distributed or paid during the tax year does not exceed ₹10,000;

The balance loss, which is not set off, is allowed to be carried forward for subsequent eight tax years, for being set off against subsequent years' STCG as well as LTCG in accordance with Section 111 of the 2025 Act, corresponding to section 74 of the 1961 Act.

9. Long Term Capital Loss computed for a given year is allowed to be set off only against the LTCG, in terms of section 108 of the 2025 Act, corresponding to Section 70 of 1961 Act. The balance loss, which is not set off, is allowed to be carried forward for subsequent eight tax years for being set off only against subsequent years' LTCG, in terms of section 111 of the 2025 Act, corresponding to Section 74 of the 1961 Act.

10. Section 148 of the 2025 Act, corresponding to section 80M of 1961 Act, intends to eliminate the cascading tax effect in case of inter-corporate dividends by providing a deduction in respect of dividends received by a domestic company as a shareholder, to the extent such dividend is distributed by it at least one month before the due date for filing of the return of income under section 263(1) of the Act. Any shareholder being a domestic company may be entitled to the benefit of section 148.

11. Section 69 of the 2025 Act, corresponding to section 46A of 1961 Act, provides that where a shareholder receives consideration from a company on purchase of its own shares or other specified securities, the difference between the consideration received and the cost of acquisition shall be taxable as capital gains in the hands of the shareholder in the year of such purchase. Further, in case of buy-back undertaken in accordance with section 68 of the Companies Act, 2013, additional income-tax may be payable by promoter shareholders at the rates prescribed under section 69(2) of the 2025 Act.

Overview of the Indian Economy

Introduction

As of CY 2025, repositioned from fifth to sixth largest globally in 2025 due to currency fluctuations and adoption of the 2022-2023 base year, aligning with international GDP calculation standards. Despite this technical adjustment, India maintains its status as the world's fastest-growing major economy with exceptionally strong fundamentals. Looking to the future, it is projected that India will surpass Germany by 2031 to become the world's third largest economy. This underscores the significant growth potential and momentum of India's economy.

Moreover, as of 2025, India maintains investment-grade ratings from all three major agencies: Moody's (Baa3), S&P (BBB), and Fitch (BBB-), reflecting its economic stability and growth potential. These credit ratings have shown resilience despite global economic challenges, supported by India's robust economic growth, improving fiscal metrics, and ongoing structural reforms. As India continues its economic trajectory, maintaining and potentially improving these ratings will be crucial for sustaining growth and attracting international capital.

India in a Global Context

The global economy stands at a critical juncture, grappling with significant policy shifts and heightened uncertainty that are testing its resilience. After a period of gradual stabilization following multiple shocks, major economies are now navigating a complex landscape of evolving trade policies. Recent waves of tariffs and countermeasures have driven uncertainty to extraordinary levels, and the pace of disinflation has largely slowed, with inflation even ticking upward in some cases. Given these challenges, the IMF projects global GDP growth to moderate from an estimated 3.3% in CY 2025 to 3.2% in CY 2025 and further to 3.1% in CY 2026. This outlook is subject to multiple downside risks, including potential escalation of trade measures, prolonged policy uncertainty, financial market volatility, and rising long-term interest rates. The impact of tariffs on growth is expected to vary by country, influenced by trade relationships, industry structures, policy responses, and opportunities for trade diversification.

Importantly, India's GDP growth trajectory is projected to maintain relative stability at 6.5% in FY 2026-27 and 6.5% in FY 2027-28. This impressive performance, despite global headwinds and trade tensions, is a testament to the underlying strength and resilience of the Indian economy. This resilience can be attributed to the strength in domestic demand and the increasing working-age population.

India's retail inflation, as measured by the Consumer Price Index (CPI), has exhibited a decline from an average of 4.6% in FY 2024-25 to 2.1% in FY 2025-26. Headline inflation remains contained and below the target range of 4.0% (+/- 2.0%). However, upside risks to the inflation outlook, driven by increased energy price pressures and probable weather disturbances affecting food prices, have increased. Core inflation pressures remain muted, although supply chain dislocations and the risk of second-round effects render the future inflation trajectory uncertain.

Conclusion

In conclusion, while the global economic landscape faces trade-related uncertainties, India stands out with its resilient and robust growth trajectory. In FY 2025-26, domestic growth drivers have played a crucial role in supporting economic growth, even amid uncertain global economic conditions. Key structural reforms such as the Goods and Services Tax (GST) and the Insolvency and Bankruptcy Code (IBC) have matured and yielded positive outcomes. However, headwinds from global trade disruptions pose downward risks. Taking these factors into consideration, real GDP growth for FY 2026-27 is projected at 6.5%. India's retail inflation has also been decreasing, from an average of 5.4% in FY 2023-24 to 2.1% in FY 2025-26. Also, consumer confidence has continued to improve from its all-time low registered in July 2021. The long-term outlook of the Indian economy remains optimistic, driven by factors such as its expanding middle class, expected growth in working age population, competitive unit labour costs, planned infrastructure augmentation, healthy savings and investment rates, and integration into the global economy. These promising indicators signal favourable conditions for the real estate sector to thrive and expand in the coming years.

Overview of India's Real Estate Sector

India's real estate sector has been a cornerstone of the economy, consistently contributing over 7% to the overall Gross Value Added (GVA) in the past decade. The sector has undergone a significant transformation over the last two decades, driven by technological advancements, a maturing investment landscape, and regulatory reforms. As CY 2020 approached, the industry was poised for growth after navigating through disruptions such as demonetization, GST implementation, RERA, and the NBFC crisis. However, the COVID-19 pandemic and subsequent nationwide lockdown disrupted this momentum, causing turmoil in the markets and distress in the realty industry.

Despite these challenges, the real estate sector demonstrated remarkable resilience. The residential market began showing signs of recovery in Q3 CY 2021, driven by easing interest rates and improved affordability. Since then, it has achieved new milestones, with sales reaching unprecedented highs over the past 2-3 years. CY 2023 saw record-breaking sales of 290,425 units, surpassing the previous peak of CY 2010 by about 25%. New launches also hit a historic high of 306,543 units in CY 2023. The momentum continued into CY 2024 with the year achieving new historic highs. Sales was recorded at 321,518 units while new launches stood at 313,051 units. New launches maintained strong momentum in CY 2025, though slightly lower than CY 2024 reaching 96% of full-year 2024 volumes. Sales too maintained a healthy pace achieving 89% of the previous full year's record highs. Several factors have contributed to this resilience, including rapid urbanization, rising income levels, the emergence of nuclear families, and enhanced financing options for developers and homebuyers. Moreover, the COVID-19 pandemic has further reinforced the desire for homeownership, acting as a catalyst for the residential sector.

The office market has shown similar vibrancy. After reaching a historic high in net absorption of about 48.2 mn sq ft in CY 2019, the market experienced a setback due to the pandemic. However, it made a full recovery in CY 2022, surpassing the four-year pre-pandemic average (2016-19). Following 2022, the office market has demonstrated consistent growth with net absorption increasing each successive year. This upward trajectory reached its peak in 2025, when the market achieved its highest-ever annual net absorption of 57.0 mn sq ft, representing a significant milestone in India's office market.

Looking ahead, the sector has entered a phase of 'accelerated growth'. The residential market is scaling new peaks, while the office market is expected to maintain robust absorption levels. These levels are anticipated to match and even surpass pre-pandemic peaks, with annual net absorption estimated to range between 50-60 mn sq ft from CY 2026 through CY 2028. This

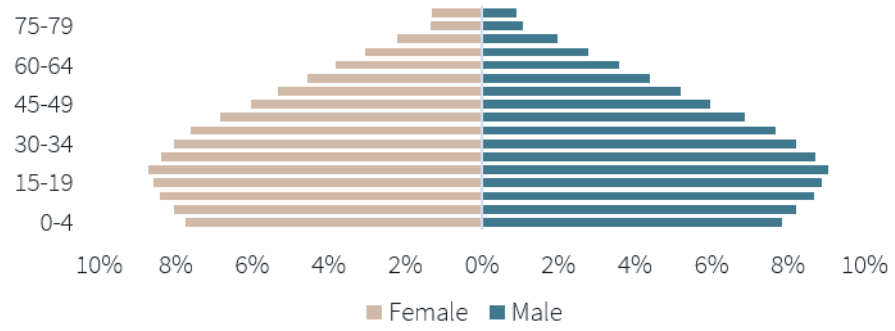

resilience and growth trajectory underscore the Indian real estate sector's vital role in the country's economic landscape and its ability to adapt and thrive in the face of challenges.

Drivers of India's Real Estate Markets

Demographic Advantage

According to recent estimates from the United Nations, India has surpassed China to become the world's most populous country. Notably, India continues to maintain its status as one of the youngest nations globally, with a median age of 28.8 years and ~43% of the population below the age of 25. The working-age population is expected to continue growing both in quantity and proportion to the total population until the middle of the century, ensuring a continuing positive contribution of demographic change to per capita economic growth.

Increasing Urbanization and Urban Housing Shortage

India has witnessed remarkable urban progress and is projected to have one of the largest urban populations in the world in 2025, at ~522 mn. According to the 2011 Census, the urban share of India's population stood at around 31%. UNDP (United Nations Development Programme) projections suggest that by CY 2050, more than 880 mn people will reside in urban areas. This rapid urbanization will consequently fuel the demand for real estate across all asset classes. Moreover, as urban development takes place, a growing concern is the massive urban housing shortage plaguing the country. The shortage, prominent within the EWS (economically weaker sections) and LIG (lower income groups), was estimated at 18.78 mn households in CY 2012[1].

Nuclearization of Families

The Indian economy witnessed an average growth rate of 6.7% between 2001 and 2011 through the transformation from an agricultural-based economy to a services-based urban economy. At the same time, the average family size in India declined with the proliferation of nuclear households. This can be attributed to an increasing rate of higher education, increased migration to cities for better education and job opportunities and increasing urban economic pressure. The result is an increase in the demand and consumption of housing.

Increasing per Capita Income

India's per capita income (at constant prices) has increased at a CAGR of ~4.6% from FY 2015-16 to FY 2025-26, despite an 8.9% decline in FY 2020-21 due to the COVID-19 pandemic. The growth in income is expected to transform India from a bottom of the pyramid economy to an economy driven by the middle class. More than 140 million households are expected to be added to the upper mid and lower mid income brackets between 2018 and 2030. Households belonging to these income brackets are expected to drive consumption and account for most of the housing demand in tier-1 and tier-2 cities.

Improving Home Purchase Affordability

In CY 2022, housing affordability. Affordability levels in CY 2023 remained largely unchanged from the previous year when it had deteriorated due to a combination of factors: the Reserve Bank of India's increase in repo rate in response to global recessionary and inflationary pressures, coupled with demand recovery driving price increases. CY 2024 has seen improved affordability across markets, with notable exceptions being Delhi NCR and Bengaluru, where strong price growth has led to declining affordability. In CY 2025, it is estimated that affordability will improve across all markets. This improvement is expected to be primarily driven by the RBI's cumulative 100 bps repo rate reduction in the first half of 2025.

Enabling Government Reforms

The last couple of decades have witnessed a measured march towards transparency, governance, and financial discipline in India's real estate market. The transformation of the sector has been driven by a confluence of factors, with technological advancements, a maturing investment landscape and regulatory reforms like RERA, GST and REITs playing a pivotal role.

Key reforms within the real estate sector

Listed below are a few noteworthy measures and government initiatives that have had or are expected to have a substantial impact on the real estate sector in India.

Real Estate (Regulation and Development) Act, 2016: The Act, introduced in 2016, is India's first comprehensive central statute for the real estate sector. It aims to promote growth, transparency, and accountability in industry. RERA has led to industry consolidation, with smaller developers partnering with larger ones or exiting the market due to stricter regulations. Key features include establishment of Real Estate Regulatory Authority (RERA), consumer protection through online grievance redressal, mandatory registration for developers and brokers, escrow account requirement for project funds, penalties for construction delays and mandatory disclosures on the RERA website.

Real Estate (Regulation and Development) Act 2.0: RERA 2.0 enhances India's Real Estate (Regulation and Development) Act, 2016, addressing critical issues including project delays, fund diversion, inconsistent enforcement, and slow dispute resolution. Key reforms include a Three-Bank-Account Escrow System where buyer payments enter a Collection Account, with 70% automatically locked for the specific project and 30% released upon verified construction milestones—preventing fund diversion across ventures. Penalty rates for delays now align with RBI benchmark rates ensuring meaningful compensation, while dispute resolution is accelerated with mandatory 60–90 day timelines replacing open-ended processes. Enhanced transparency requirements mandate detailed disclosures on construction schedules, financial status, regulatory approvals, and milestones, supported by QR-code tracking for buyers, alongside stricter agent accountability through improved RERA registration and online verification mechanisms.

Goods and Services Tax: Introduced on July 1, 2017, GST unified multiple state and central taxes into a single system, simplifying taxation for the real estate sector. The "one nation, one tax, one market" principle replaced various state-specific taxes, reducing ambiguity and providing clarity for stakeholders and consumers in the real estate industry.

GST rates on certain types on property transactions

Transaction type	*Pre-April 2019*	*Post- April 2019*
Ready to move in property	Exempt	Exempt
Land	Exempt	Exempt
Under construction affordable housing projects	8% with input tax credit ("ITC")	1% without ITC
Under construction other housing projects	12% with ITC	5% without ITC

Note: Affordable housing includes units with carpet area of up to 90 sq. m. in non-metropolitan cities, and 60 sq. m. in metropolitan cities, and having a value of up to INR 4.5 million, for both

Additionally, for under-construction housing projects which were incomplete as of March 31, 2019, developers could choose between the old and new GST structures.

Insolvency and Bankruptcy Code, 2016: The Indian real estate sector has faced significant challenges related to non-performing assets and incomplete projects. The implementation of the Insolvency and Bankruptcy Code (IBC) has brought about a time-bound and unified insolvency process, providing investors with the opportunity to resolve issues related to unpaid assets and outstanding dues.

FDI in real estate: The Government of India has implemented various initiatives to encourage foreign direct investments ("**FDI**") in the real estate sector. Thes easing of FDI policy norms has also facilitated increased private equity ("**PE**") inflows into the sector, generating significant momentum for its development.

Special Economic Zones (Fifth Amendment) Rules, 2023: This amendment is focused on converting existing vacancies in operational IT/ITeS SEZ office assets into 'relevant space' for IT/ITeS occupiers. The timely intervention is expected to infuse relevant supply in core IT markets and breathe new life into the fading attractiveness of IT/ITeS SEZs.

Small and Medium REITs (SM REITs): To formalize the nascent fractional ownership space, the Securities and Exchange Board of India (SEBI) notified Small and Medium Real Estate Investment Trusts (SM REITs) through amendments made to the already existing REIT regulations. Regulatory oversight is anticipated to inject greater market participation from retail investors, increasing liquidity in the real estate market.

Revised External Commercial Borrowing (ECB) Framework: Effective 16 February 2026, the Reserve Bank of India (RBI) has liberalized the External Commercial Borrowing (ECB) framework, expanding eligibility to all resident entities, including LLPs. The new rules increase borrowing limits to the higher of USD 1 billion or 300% of an entity's net worth and broaden permissible end-uses to include construction, real estate broking, and M&A. The framework also removes the fixed all-in-cost ceiling, standardizes the minimum average maturity period to 3 years across sectors (with an exception for manufacturing), and simplifies compliance by replacing monthly reporting with an event-based filing system.

Emphasis on Infrastructure Upgradation

As the country steadily progresses towards attaining the status of a global economic powerhouse, the significance of having a strong and well-developed infrastructure becomes increasingly evident. The government's dedication to this cause is evident through various initiatives and substantial funds allocated to bolster the infrastructure sector.

National Infrastructure Pipeline

In 2020, India introduced the National Infrastructure Pipeline (NIP) with a vision of investing INR 213 trillion from 2020 to 2026. Public-Private Partnerships (PPPs) have been identified as a valuable mechanism to accelerate infrastructure development and facilitate investments outlined in the NIP. Engaging the private sector promotes industry competitiveness, allowing access to a broader talent pool and optimized resource utilization. Initially launched with 6,835 projects, the NIP has expanded to encompass over 14,100 projects spanning 79 sub-sectors, with a capital outlay of ~USD 2,600 billion (as of March 2026).

PM Gati Shakti

In 2021, the government introduced the PM Gati Shakti National Master Plan (NMP) to consolidate the various infrastructure schemes such as Bharatmala, Sagarmala, and UDAN under a unified digital platform. Integrated with the GIS-enabled PM Gati Shakti platform, it enables streamlined planning, design, and monitoring of next-generation infrastructure projects through a single portal. Consequently, there has been a significant expansion of roads, railways, and waterways, while ports and airports have undergone substantial upgrades.

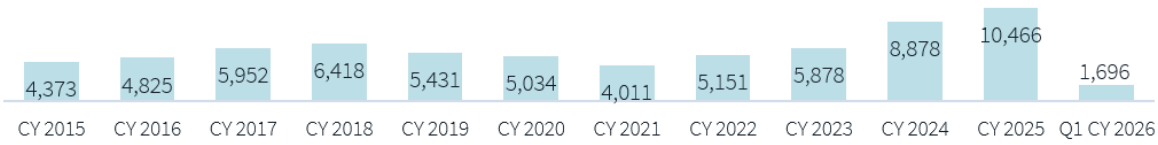

Surge in Institutional Investments in Real Estate

In CY 2025, the real estate sector in India witnessed a significant surge in institutional investments[2], with a total value exceeding USD 10.5 billion spread across 78 deals. This figure stands as the highest on record and represents a significant 18% increase compared to the previous year, showcasing sustained investor confidence in India's growth story amidst global uncertainties. The bolstered confidence can be attributed to progressive government initiatives that aim to augment transparency and accountability within the real estate sector. Notably, these efforts have resulted in a prominent rise in the proportion of

The office sector has been the preferred asset class for investors since CY 2017. But CY 2024 witnessed a reversal, with the residential sector emerging as the frontrunner. It was followed by the office and warehousing sectors, which secured 28% and 23% shares respectively. CY 2025 saw office regain its position as the preferred asset class with a share of 58% followed by residential at 20%. It is pertinent to note that investors are demonstrating a preference for development partnerships with select reputed developers, which is driving consolidation in the market.

Availability of Skilled Labour at Competitive Costs

The rapid adoption of emerging technologies like cloud computing and AI/machine learning has led to an exponential increase in the demand for tech talent. India boasts one of the world's largest pools of STEM graduates, positioning it as a major global player in producing highly skilled professionals. Additionally, one of India's key strengths is its highly competitive cost structure. This cost advantage attracts global tech companies to outsource work to Indian tech companies. The increased demand for quality office space by these companies is a significant driver for the growth of the real estate sector in India.

Growing Tech Sector

The tech industry in India has grown exponentially in the last two decades. Amid global geo-political tensions and headwinds, India's technology industry revenue (including hardware) is estimated to generate USD 315 billion in FY 2025-26, a ~11.3% year-on-year growth. Tech export revenues reached ~USD 246 billion while the domestic technology sector is expected to cross USD 69 billion. Despite the tough market conditions, the industry continues to be a net hirer, taking the total employee base to 6.0 mn, a year-on-year growth of ~2.3%.

Expansion of Innovation Driven Businesses and Start-Ups

Over the past decade, the startup ecosystem in India has experienced exponential growth, driven by innovation, substantial venture capital investments, and government support. The number of startups recognized by the Department for Promotion of Industry and Internal Trade (DPIIT) increased from around 700 back in 2016 to over 220,000 as of March 2026. This remarkable growth has positioned India as the third-largest startup ecosystem in the world, which has yielded over 100 unicorn startups.

Top Seven Residential Markets of India: Snapshot

The top seven residential markets of India have witnessed average annual sales of ~299,800 units and average annual new launches of ~307,200 units over CY 2023 to CY 2026. Notably, Mumbai has ranked at the top in terms of its contribution to market activity, accounting for ~24% of the overall sales and overall new launches during the period spanning from CY 2023 to Q1 CY 2026.

Demand Supply Dynamics

CY 2023 saw record-breaking sales of 290,425 units, surpassing the previous peak from CY 2010 by ~25%. New launches at 306,543 units were also the highest ever surpassing the previous high recorded in CY 2010. The market scaled new peaks again in 2024, with both sales and new launches setting record highs of 321,518 units and 313,051 units respectively. New launches maintained strong momentum in CY 2025, though slightly lower than CY 2024, reaching 96% of full-year 2024 volumes. Sales too maintained a healthy pace achieving 89% of the previous full year's record highs.

In terms of residential sales value, the size of Indian market increased by ~1.5 times over a two-year period from CY 2023 to CY 2025. Mumbai stands out as the largest contributor to residential sales value in India accounting for ~23% of the total residential sales value over CY 2023 to Q1 CY 2026.

Unsold inventory at different stages of construction has increased from ~551,870 units at the end of December 2023 to around 557,759 units at the end of December 2025. While the increasing inventory levels may seem concerning, it is crucial to analyze them alongside the sales velocity to gain a more accurate understanding of the market's health. The Years to Sell (YTS) level, which estimates the time required for the market to deplete existing inventory levels at the sales velocity of the preceding eight quarters, is a valuable metric for this analysis. It is worth noting that the average Years to Sell (YTS) has been consistently decreasing since December 2023 and stands at ~1.9 years as of March 2026. This provides indications of a market that is exhibiting an improvement in its fundamentals.

Segmentation Based on Ticket Size

India's economic expansion has reshaped its business landscape and consumer dynamics. As the middle and upper-income segments experience a surge in disposable income, their lifestyles have evolved significantly. This shift has fundamentally altered consumer preferences, with a growing emphasis on superior housing options and enhanced amenities in new residential projects. The market is witnessing a notable trend where homebuyers increasingly prioritize quality living spaces and modern conveniences in their property choices.

This changing landscape is further evidenced by the increasing proportion of mid and upper mid segments (ranging from INR 7.5 mn to INR 15 mn and INR 15 mn to INR 30 mn) in overall sales over the past three to four years. Moreover, high-net-worth individuals (HNIs) and non-resident Indians (NRIs) are also recognizing the attractive investment potential in this segment, especially as they seek to diversify their portfolios amid global uncertainties.

Leading developers have proactively taken note of this trend, launching lifestyle-oriented premium products that cater to the discerning requirements of buyers. They are offering a range of configurations, including independent floors, villas, and penthouses, all designed to meet the desire for top-notch quality and upgraded living spaces. This is evident in the increasing share of new launches within the INR 10 mn to INR 30 mn price segment during CY 2025.

Trends in Capital Values

The outbreak of the COVID-19 pandemic caused a temporary halt to the upward trajectory of the market. From CY 2020 to CY 2021, the market experienced a slowdown, leading developers to implement enticing discounts and flexible payment options to stimulate sales growth. This resulted in stable capital values with negligible to no recorded increases. However, starting in CY 2023, prices began to rise because of passing on of rising input costs to buyers and significant price appreciation in projects with superior performance.

In CY 2025, there was a rise in residential prices across the top seven cities of India. Maximum capital value appreciation was seen in cities such as Delhi NCR, Bengaluru and Chennai at ~13% y-o-y. This was followed by Kolkata at ~12%, Hyderabad at ~7% and Pune at ~6% on a year-over-year basis.

Mumbai clearly emerges as the market leader with the highest residential capital values on a per square feet basis. As of March 2026, the average capital values in Mumbai stand at INR 15,145 per sq ft on saleable area.

Outlook

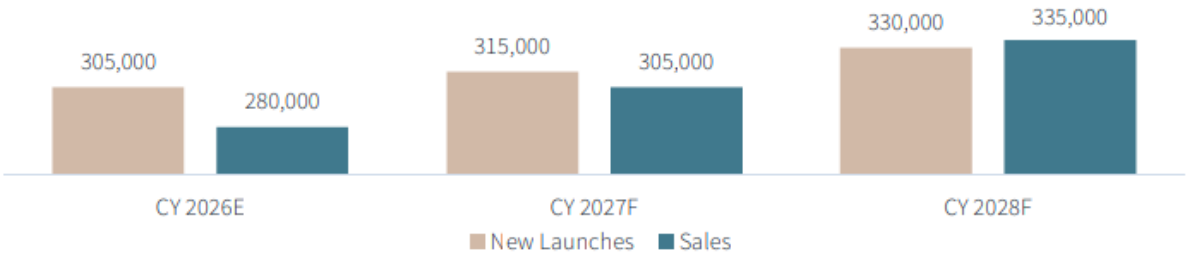

Residential market poised for growth

The current residential sector is well-positioned for continued expansion characterized by a solidifying foundation, favourable macroeconomic conditions, rapid urbanization, and rising household incomes resulting in a strong affinity for homeownership among prospective buyers. Despite the general elections and accelerating home prices in CY 2024, the market demonstrated a strong undercurrent of demand, with record sales volumes achieved in CY 2024. RBI's cumulative 125 bps repo rate reduction in CY 2025 translated into lower home loan rates, reducing EMI burdens and expanding affordability to boost property sales.

Sales volumes reached a healthy 287,433 units in CY 2025, though this reflected an 11% Y-o-Y decline from the record levels of CY 2024. Despite a temporary moderation observed during Q1 2026, we anticipate sales momentum to improve in subsequent quarters as property prices stabilize and buyers adjust to current market conditions. With the fundamentals in place, the market is estimated to witness healthy momentum during CY 2026 and medium term (2027-2028F) driven by strong developer confidence reflected in launch activity, enhanced access to housing finance and sustained demand for quality housing.

Moreover, strategic land acquisition in prime locations and along growth corridors is expected to strengthen the supply of residential properties across cities. Established developers are anticipated to explore new markets to diversify their portfolio and broaden their market reach. Additionally, the launch of diverse product offerings such as plotted developments, low-rise apartments, row houses, and villaments is expected to gain momentum.

Increasing demand for premium and luxury projects

Notably, luxury projects are garnering increased interest among buyers, reflecting a growing appetite for high-end, premium residential offerings. This trend is driven by a combination of factors, including rising disposable incomes, a desire for exclusive living experiences, and the perception of luxury real estate as a stable investment. Developers are responding to this demand by introducing innovative designs, world-class amenities, and bespoke services in their luxury projects, catering to the discerning tastes of affluent buyers. This segment's growth is particularly evident in prime locations across major cities, where luxury developments are not just homes but statements of lifestyle and prestige.

Capital value growth expected to stabilise

Supported by a strong sales momentum, capital values have witnessed double-digit growth rates in prominent markets such as Bengaluru, Delhi NCR, and Mumbai over the past one to two years. Nevertheless, we anticipate developers exercising greater prudence in their pricing decisions, leading to a moderation and stabilization of capital value appreciation in the coming years. However, projects of exceptional quality that offer convenient access to essential infrastructure will continue to outperform the market and sustain impressive growth rates.

Increased focus on sustainability and wellness aspects; expansion in tier 2 and tier 3 cities

Developers are actively prioritizing the launch of sustainable products that incorporate technology and prioritize the well-being of their consumers. As consumer preferences continue to evolve, well-established developers will persist in offering thoughtfully designed homes that provide an integrated self-sustaining ecosystem.

Furthermore, established developers are targeting tier 2 and tier 3 cities, capitalizing on the increasing demand, and purchasing power of consumers in these locations. In the Northern region, developers are expanding into cities such as Panchkula, Lucknow, Jaipur, and Ludhiana. In the Western region, national-level players are venturing into cities like Nagpur, Khalapur, Surat, and Palghar, which have shown promising market potential.

Increased preference for branded developers

The implementation of RERA has accelerated the removal of unorganized players, including fly-by-night developers, from the real estate market. As a result, consolidation activities within the industry have intensified, with financially challenged developers collaborating with larger and reputable counterparts. The COVID-19 pandemic has further shifted the preference towards branded developers such as Runwal Enterprises Limited. This growing preference is evident in three distinct ways:

On the demand side, homebuyers have become even more cautious in affecting their home purchase decisions, showing a stronger preference for investing in projects developed by branded developers with a proven track record. Given the polarization of demand, projects by such branded developers enjoy a higher sales velocity and can command premium prices when compared to the market average. Only credible developers, who possess the capability to execute projects with high quality and transparency, will thrive in the post-COVID era. This shift will ultimately lead to greater transparency, improved consumer sentiments, and a more sustainable market.

Following the NBFC crisis, lenders have become more cautious when it comes to increasing their exposure to the real estate sector. This caution is reflected in the reduced growth of outstanding credit from banks, NBFCs, and HFCs. Lenders are now focusing on tier 1 developers with a well-established track record, aiming to minimize the risk of default.

Landowners are increasingly opting to partner exclusively with Grade A developers. Additionally, there are numerous instances of cash-strapped developers monetizing their land parcels by selling them to prominent developers.

Mumbai Residential Market Overview

Introduction

Mumbai is the financial capital, an economic powerhouse and one of the key industrial hubs of India. It hosts a number of large financial institutions. The city's financial sector benefits from a favourable ecosystem enabled by the presence of the Reserve Bank of India, the Bombay Stock Exchange, as well as India's the Securities and Exchange Board of India. The strength of the city lies in its diversified economic base, with sectors such as business services, trade and transport, manufacturing, BFSI and IT being the major job creators and economic drivers.

Mumbai experienced its highest decadal population growth rate between CY 2001 and CY 2011. Importantly, the dependency ratio is low at 34% and the population is relatively young with only 7% of individuals over 64 years in age. Also, the household disposable income in Mumbai is amongst the highest compared to all cities in India with more than 60% of the spending on necessities like housing, food, and transport.

Mumbai's real estate market is highly competitive and expensive, with various industrial areas and ports facilitating trade and exports. The city is also witnessing significant infrastructure development projects, encompassing business districts, residential complexes, and transportation networks. However, Mumbai faces challenges related to overcrowding, traffic congestion, and inadequate infrastructure. To address these issues and enhance the quality of life for its residents, the city is actively involved in urban development initiatives.

Infrastructure Development

Mumbai boasts a diverse range of transportation options, catering to the needs of millions of residents and commuters. It has the largest suburban rail network in India, which helps thousands of commuters travel within the city and its suburbs daily.

However, the rapid expansion of Mumbai has resulted in more people living away from central Mumbai. This has led to a mismatch between the location of jobs and the location of the working population. For such people, the Mumbai suburban rail network has been the primary mode of commuting. However, the suburban rail only provides north south connectivity whereas east-west connectivity remains a challenge, resulting in traffic congestion during peak hours. The upcoming infrastructure developments will improve east-west connectivity, connect areas not served by the suburban rail and reduce travel time between residential and commercial hubs. The realization of the infrastructure development plan can herald a new era for public transportation in Mumbai. It is expected to drive a modal shift away from motorized vehicles, while the share of metro transport and monorail is likely to increase significantly.

Demand Supply Dynamics

Mumbai's residential market has significantly benefited from the effective implementation of MahaRERA, resulting in a strong sales recovery and an increase in new launches. In CY 2023, the market witnessed historic levels of sales and new launches, indicating a robust recovery. This positive momentum further continued CY 2024, with sales reaching successive historic milestones, reflecting the market's resilience and growth. While launches and sales activity slowed down in CY 2025, however Q1 CY 2026 recorded highest sales over last seven quarters.

Segmentation Based on Ticket Size

In terms of price segments, the sales distribution in Mumbai has remained largely consistent over the years. The INR 10 – 30 million range continues to dominate the housing market in the suburban submarkets, while most of the activity in the peripheral markets is witnessed in the less than INR 10 million segment.

When it comes to new project launches, the distribution has remained relatively stable across different price segments. Any variations observed are typically due to seasonal fluctuations or larger launches in specific areas during certain periods.

Government measures to support the residential sector

The Maharashtra Government has been proactive in implementing timely measures to support the housing sector. The section below looks at select important measures which have supported the post COVID revival of the housing sector.

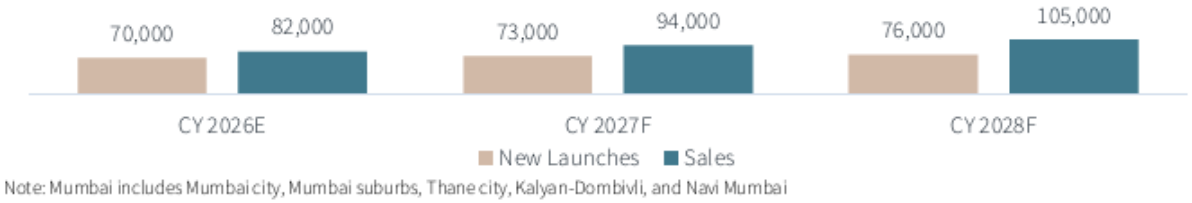

Short-term measures
• **Stamp Duty Reduction:** Maharashtra was the first state to reduce stamp duty rates, offering a substantial reduction of 300 basis points until December 31, 2020, and 200 basis points until March 31, 2021. This move significantly boosted residential sales in both the primary and secondary markets. • **Reduction in Construction Premium:** In January 2021, the Maharashtra Government implemented a 50% reduction in premiums charged on construction for a period of one year. Developers who benefited from this waiver had to pay the entire stamp duty amount on behalf of customers.

Structural Measures
• **Unified Development Control and Promotion Regulations:** The introduction of the Unified DCPR presents various benefits such as increased Floor Space Index (FSI), flexibility in FSI utilization, incentives for sustainable housing, and improved clarity in FSI regulations. These measures aim to streamline FSI utilization in the housing sector, promoting growth, affordability, and sustainable development. • **Fast track self–redevelopment projects:** The State Government has taken steps to make self-redevelopment projects more viable by reducing stamp duty on project allotments to INR 1,000, as opposed to the previous 5%-7% rate based on the total agreement value. Additionally, a dedicated single window is being established to expedite approvals for self-redevelopment projects within a streamlined timeline of three months. The process of obtaining bank loans for such projects will also be simplified. • **Maharashtra Real Estate Regulatory Authority (MahaRERA):** Maharashtra was the first state to implement the Real Estate Regulatory Authority (RERA). MahaRERA promotes transparency, accountability, and efficiency in the real estate industry. Its successful implementation in the state sets a benchmark for other states to follow.

Outlook

Over the last 2-3 years, developers have acquired 400+ acres of land in Mumbai for the purpose of residential development. The monetization of these land banks in the future will result in a residential development potential of more than 50 mn sq ft and a sales potential of more than INR 750 billion. In terms of number of units, the Mumbai market reached 73,246 units of sales in CY 2025, and the momentum is expected to continue over the next few years.

Runwal Enterprises Limited*a prominent real estate developer in Mumbai

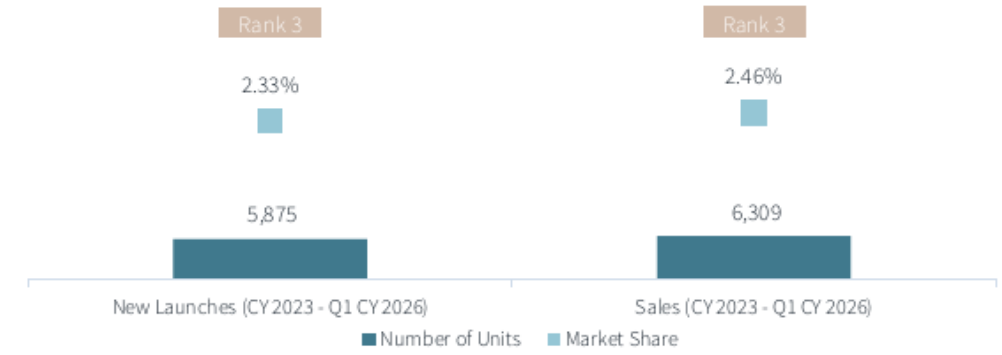

Runwal Enterprises Limited* has been a prominent name in the real estate industry. It has emerged as one of the well-established real estate developers in Mumbai, particularly known for their projects in the Eastern Suburbs and Kalyan Dombivli submarkets. Over the past decade, Runwal Enterprises Limited*, under the leadership of Subodh Subhash Runwal, has continued to build upon the reputation established by its predecessor "Runwal group" brand, which has been a prominent name in the real estate industry since its inception in 1978.

With vast experience, Runwal Enterprises Limited* has cemented its reputation as a real estate developer across the full spectrum of real estate development, specializing in residential projects that cater to affordable, mid-income, and luxury segments, as well as commercial spaces, retail malls and educational buildings. Their experience includes greenfield projects requiring land acquisition as well as flexible and asset light models like Joint Development Agreements ("JDA")/Development Agreements ("DA")/Joint Ventures ("JV").

Runwal is a recognized brand in the industry and has a strong presence in Mumbai. In addition to various projects in the Eastern Suburbs and integrated township projects in Kalyan-Dombivli, Runwal Enterprises Limited* is also venturing into South Mumbai, Central Mumbai, and the Western Suburbs, with upcoming and planned residential projects in Mahalaxmi and Chembur and commercial project in Bandra. They are further diversifying their portfolio by incorporating slum redevelopment, cluster and society redevelopment, and plotted development projects into their offerings. This expansion showcases their commitment to bringing exceptional living experiences to different parts of the city.

Notably, the launch of ~ 5,875 residential units between CY 2023 and Q1 CY 2026 demonstrates their ability to meet the housing needs of a wide range of buyers across various segments. Furthermore, with 6,309 units sold within this period, Runwal Enterprises Limited* solidifies its position as one of the most prominent residential real estate developers in Mumbai. Runwal Enterprises Limited* ranks 3rd in terms of new launches and 3rd in terms of sales, accounting for ~2.33% of the new launches and ~2.46% of the sales in the market during this period.

Eastern Suburbs Submarket Overview

Introduction

The Eastern Suburbs have emerged as a sought-after destination for homebuyers. The area is characterized by a blend of residential neighbourhoods, commercial hubs, educational institutions, and recreational facilities, catering to the diverse needs of its residents. Its strategic location provides easy access to both the central business district and key commercial hubs, making it a preferred choice for professionals looking for a convenient commute. In recent years, the Eastern Suburbs have witnessed significant infrastructural upgrades, with improved road networks, metro connectivity, and the development of social and physical infrastructure. This has further enhanced the liveability quotient of the region.

Demand Supply Dynamics

The Eastern Suburbs submarket holds a significant position as one of the key contributors to residential market activity in Mumbai. On average, it accounts for ~10-15% of the total sales and new project launches in the city. Post the COVID-19 pandemic, the market has experienced a robust recovery, characterized by strong sales performance. In CY 2024, residential sales reached nearly twice the levels observed in CY 2019, highlighting the remarkable rebound of the market. Sales in CY 2025 were marginally lower compared to CY 2024 levels, also new launches were significantly lower in CY 2025, attributing to the lower sales activity during the year.

Trends in Capital Values

Over the past 3.0 years, the Eastern Suburbs' residential capital values have witnessed a cumulative increase of ~12.0%, with the average capital value standing at ~INR 15,450 per sq ft on saleable area, as of March 2026.

While the pace of capital appreciation in the Eastern Suburbs has been slightly slower compared to the average capital value increase in Mumbai, it is important to note that quality projects by branded developers have outperformed the market, commanding premium prices. These projects have demonstrated the ability to deliver superior value and have achieved higher price appreciation due to their desirable features, meticulous design, and superior execution.

Outlook

Mumbai's real estate evolution traces a distinct pattern, originating in the southern parts of the city and progressively expanding towards the northwest and northeast. This development trajectory was significantly shaped by the construction of suburban railway lines and major arterial roads, notably the Western Express and Eastern Express Highways. These vital transportation arteries served as catalysts, accelerating residential development along their corridors, and effectively transforming the city's urban landscape.

The western and southern parts of Mumbai, hemmed in by the Arabian Sea and characterized by a saturated real estate market, now face inherent limitations in terms of further growth opportunities. In contrast, the eastern part of Mumbai has emerged as a frontier of immense potential, poised to drive the next phase of the city's real estate growth. This shift is primarily attributed to the ongoing and planned infrastructure developments enhancing east-west connectivity. Projects such as new metro lines and road linkages are set to dramatically improve accessibility between the eastern suburbs and other parts of the city. The eastern corridor's appeal is further amplified by the presence of former industrial areas ripe for redevelopment, and relatively more affordable property prices compared to the western suburbs.

As Mumbai continues to expand and evolve, the Eastern Suburbs of the city stands at the cusp of a transformative phase, offering significant opportunities for real estate development. Within the Eastern Suburbs, Kanjurmarg has emerged as a focal point for developers eyeing strategic growth opportunities. Kanjurmarg already has excellent road connectivity with the business districts of Thane, Powai, BKC as well as South Mumbai via the LBS road, JVLR and Eastern Express highway. It is also well-connected via the central line of Mumbai suburban railway network. The upcoming three-way metro connectivity through Lines 4, 6, and 14 is set to redefine the real estate dynamics of Kanjurmarg, opening opportunities for further appreciation in residential prices and growth in activity volumes.

Kanjurmarg – Linkages and Connectivity

Road Access
• JVLR provides east-west connectivity, providing access to Powai and further to the Goregaon business district through the Western Express Highway
• LBS road provides north-south connectivity connecting Kanjurmarg to the BKC commercial hub through the SCLR and to Thane
• Eastern Express Highway provides connectivity to the South Mumbai business districts as well as Thane
Mass Transit
• Central suburban rail provides north south connectivity
• Under construction Metro Line 4 will improve connectivity to Thane and provides access to the upcoming Navi Mumbai airport through the proposed Metro Line 8
• Upcoming Metro Line 6 provides east west connectivity improving access to markets in the Western Suburbs
• The proposed Metro Line 14 provides connectivity to Navi Mumbai and locations in the extended eastern suburbs of Mumbai

Kanjurmarg's attractiveness as a residential hotspot is further bolstered by its robust social infrastructure. The area's proximity to major shopping and entertainment destinations, including R-City Mall, and Powai's vibrant high streets, offers residents a diverse array of leisure options. Educational needs are well-served by prestigious institutions such as Poddar International School, Hiranandani Foundation School, Bombay Scottish, St. Xavier's, and Kendriya Vidyalaya, all located within easy reach. Moreover, the presence of the Hiranandani Hospital in the vicinity ensures access to high-quality healthcare. This comprehensive ecosystem of amenities significantly enhances the quality of life in Kanjurmarg.

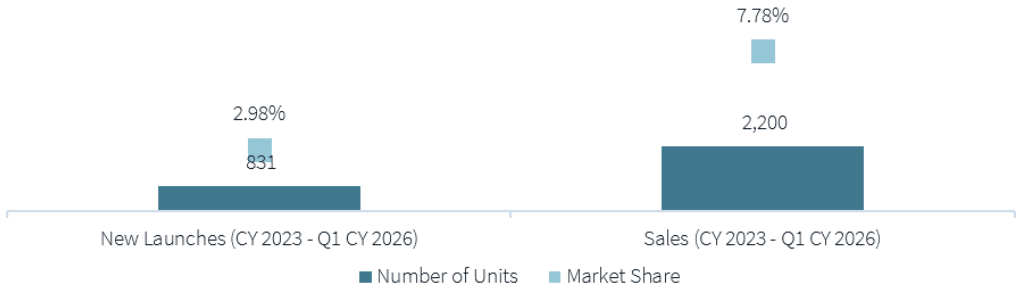

Market Share and Relative Positioning of Runwal Enterprises Limited*

Runwal Enterprises Limited* is widely recognized as one of the prominent developers in the Eastern Suburbs submarkets of Mumbai. Within the Eastern Suburbs submarket, Kanjurmarg and Mulund are two of the most prominent and active micromarkets, accounting for ~40-45% of the sales and launch activity in the overall submarket. Runwal Enterprises Limited* has a dominant presence in both these micromarkets.

In the overall Eastern Suburbs submarket, Runwal Enterprises Limited* has made a significant impact, launching ~831 units and selling around ~2,200 units between CY 2023 and Q1 CY 2026. Kalyan Dombivli Submarket Overview

Introduction

The Kalyan-Dombivli submarket has emerged as a vibrant and sought-after residential real estate market. With its rapidly developing infrastructure, affordable housing options, and strategic location, it has become an attractive destination for homebuyers and investors alike. One of the key factors driving demand in this market is the availability of affordable housing options. As property prices in Mumbai city as well as its sister cities of Thane and Navi Mumbai continue to rise, many middle-income homebuyers are turning their attention to Kalyan-Dombivli, where property prices are relatively more affordable. Furthermore, the area has witnessed commendable infrastructure development in recent years. Improved connectivity through road networks and railway lines, coupled with upcoming metro projects, has significantly enhanced accessibility. This connectivity advantage has made Kalyan-Dombivli an attractive residential choice for professionals working in Mumbai and neighbouring commercial hubs like Navi Mumbai and Thane. As a result, developers and investors are increasingly focusing on this market to capitalize on the growing demand.

Outlook

As discussed previously, Mumbai's western and southern regions, constrained by the Arabian Sea and burdened with an oversaturated real estate market, now confront intrinsic limitations to further expansion. These areas, long considered the city's prime locations, have reached a point of near saturation. In stark contrast, Mumbai's eastern sector has emerged as a dynamic frontier, brimming with untapped potential. This region stands poised to spearhead the next wave of the city's real estate evolution.

Within the eastern sector, Dombivli with its vast swathes of developable land, coupled with ongoing and planned infrastructure improvements is set to emerge as the new epicentre of Mumbai's urban real estate growth. Strategically located along the Central Railway line, Dombivli benefits from its proximity to key business districts while maintaining a reasonable distance from the congested city centre. The area's appeal is further enhanced by significant infrastructure projects, including the upcoming Metro Line 5 connecting Thane to Kalyan, proposed Metro Line 12 connecting Dombivli to Navi Mumbai, the Airoli to Katai Naka freeway which improves access to Thane, and the Mumbai–Ahmedabad high-speed rail corridor which will drastically reduce the commute time to BKC.

Moreover, compared to Mumbai's prime areas, Dombivli offers more affordable housing options, attracting first-time homebuyers and young professionals. The availability of substantial land parcels for large-scale residential projects allows developers to create integrated townships and modern housing complexes, a rarity in Mumbai's saturated core. This development is complemented by rapidly improving social infrastructure, including established educational institutions, healthcare facilities, shopping centres, and entertainment venues. The area offers a better quality of life with less congestion, more open spaces, and planned development compared to many parts of Mumbai. With ongoing and planned developments, there is potential for property values in Dombivli to appreciate significantly in the coming years, making it an attractive investment destination.

Impact of upcoming infrastructure projects

Project name	Impact
Metro Line 5: Kalyan – Thane (2026)	Improved connectivity through MRTS and reduced commute to the business district of Thane
Metro Line 12: Extension of Line 5, Kalyan – Dombivli – Taloja (planning phase)	Connectivity to Navi Mumbai airport through linkages with the Navi Mumbai metro, commute time to be reduced by ~50%
Metro Line 14: Vikhroli – Badlapur (planning phase)	Provides access to the commercial hubs like Vikhroli and Powai through MRTS, thereby reducing travel time to a large extent. Currently, travel time can vary anywhere between 1-2 hours
Mumbai–Ahmedabad high-speed rail corridor (2027)	The proposed Thane station of the corridor is situated in Dombivli. With BKC being another station, travel time to the de-facto Central Business District of Mumbai will reduce from the current 75 – 150 minutes to ~20 minutes
Airoli to Katai Naka Freeway (2026)	Travel time to Airoli, the IT hub of Mumbai will reduce from the current 45 minutes – 90 minutes to ~20 minutes

Source: JLL Research

Future Growth Potential of Dombivli

Location	Travel time to key commercial hubs	Average Residential Capital Value (INR/sq ft on saleable area)
Dombivli (Kalyan-Dombivli)	BKC: ~75 – 150 mins Airoli: ~45 – 90 mins (will reduce to ~20 mins post completion of proposed infrastructure developments)	5,000 – 6,200
Kandivali (Western Suburbs II)	BKC: ~60 – 120 mins Airoli: ~60 – 120 mins	18,000 – 21,000
Ghodbunder Road (Thane)	BKC: ~60 – 120 mins Airoli: ~30 – 60 mins	13,000 – 15,500
Kharghar (Navi Mumbai)	BKC: ~60 – 120 mins Airoli: ~30 – 60 mins	9,500 – 11,000

A significant pricing arbitrage exists between Dombivli and other mentioned peripheral locations. Upcoming infrastructure projects are set to reduce travel time from Dombivli to commercial hubs like BKC and Airoli to ~20 minutes. This improved connectivity is expected to substantially enhance Dombivli's attractiveness as a residential market, leading to increased demand and, consequently, higher sales volumes. As a result, the residential price gradient is likely to diminish, with property prices in Dombivli gradually approaching levels seen in these peripheral markets.

Overview of Township Projects

Introduction

Township residential projects in Mumbai have emerged as the perfect solution to cater to the growing demand for modern, comfortable, and sustainable living spaces. These projects offer a comprehensive lifestyle experience, combining residential units with an array of amenities and facilities, all within a self-sufficient and self-contained community.

A township project typically spans over a large area, incorporating beautifully landscaped gardens, lush green spaces, walking paths, and recreational areas. The architectural design of these projects aims to optimize space and enhance the overall living experience. A range of housing options, from luxurious high-rise apartments to spacious villas and townhouses, catering to various preferences and budget are available within township projects. These residential townships are meticulously planned with a focus on providing residents with all essential amenities within their vicinity. From schools, hospitals, and shopping complexes to sports facilities, clubhouse, and entertainment zones, townships ensure that residents have everything they need

within easy reach. This not only enhances convenience but also fosters a strong sense of community and a holistic living experience.

One of the key advantages of township residential projects in Mumbai is the focus on sustainability and eco-friendly initiatives. These projects integrate energy-efficient systems, waste management techniques, and ample green spaces to harmonize with the environment and create a healthier living environment. Residents can enjoy cleaner air, reduced carbon footprint, and a sustainable lifestyle within the city. Furthermore, townships often feature high-end security systems and a well-maintained infrastructure, ensuring a safe and secure living environment for residents and their families. Gated entrances, CCTV surveillance, and professional security personnel provide peace of mind, allowing residents to embrace a worry-free lifestyle.

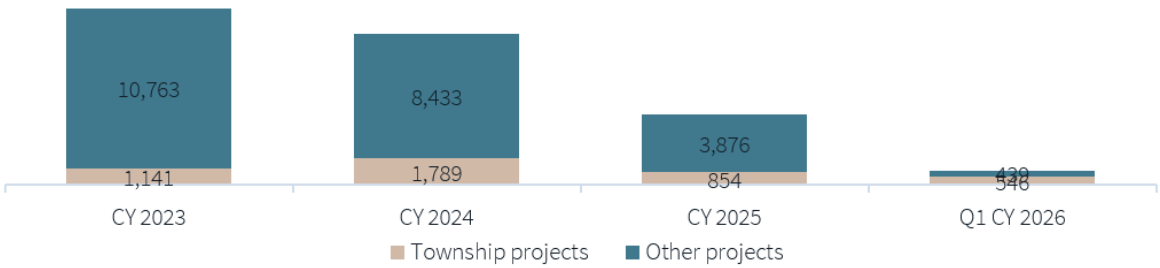

Due to the scarcity of land parcels in prime submarkets of Mumbai, most integrated townships are in peripheral submarkets such as Thane, Navi Mumbai, and Kalyan-Dombivli. These townships have flourished in terms of performance and popularity, offering residents an immersive and comprehensive living experience. Moreover, the COVID-19 pandemic has sparked renewed interest in township living, particularly among nuclear families and millennials who were previously inclined towards rental accommodations but are now actively considering residential properties within townships.

Performance in Relevant Submarkets

Eastern Suburbs

In this submarket, township projects are mostly concentrated in micro-markets like Vikhroli, Kanjurmarg and Mulund. Final Reflections

Across the analysed submarkets in Mumbai, township projects have consistently demonstrated a higher sales velocity compared to other residential developments. Township projects are able to command a price premium in their respective markets due to their unique value propositions. These integrated communities offer a comprehensive range of amenities, facilities, and conveniences, which create an enticing package for buyers. The self-sustaining nature of townships, with features such as educational institutes, healthcare facilities, retail centres, and recreational options, adds significant appeal to buyers. This indicates that potential customers show a strong preference for purchasing properties within township projects, even at a price premium.

Mumbai Redevelopment Market

Introduction

Residential redevelopment presents a compelling opportunity for developers to meet the demand for housing in Mumbai's core areas, offering modern and upgraded living options. The city's landscape is characterized by numerous old buildings, many of which are over 75 years old, creating a massive redevelopment opportunity. In the island city and suburban regions, the availability of sizable land for new greenfield development is limited, making redevelopment projects a crucial driver of new construction in these prime locations. Recognizing this need, the state government has undertaken various initiatives to unlock land parcels through the redevelopment of old residential properties, industrial establishments, conglomerate-owned land, and slums, among others. These redevelopment projects offer significant advantages, including the benefit of incremental Floor Space Index (FSI), which allows developers to construct buildings with more saleable area, thereby improving project viability and potentially offering better amenities to residents.

Types of redevelopments in Mumbai

Self Redevelopment	In the concept of self-redevelopment, individual flat owners have the opportunity to gain additional space and financial resources. This means that each member can potentially enjoy an increase of 20% to 30% in their living area, and both the society as a whole or individual members can expect to receive a corpus (funds generated from the sale of some flats). This corpus can help offset the rise in maintenance costs and property taxes.
MHADA Redevelopment	MHADA redevelopment in Mumbai involves renovating or reconstructing MHADA (Maharashtra Housing and Area Development Authority) owned housing colonies to provide affordable housing for different segments of society. Residents of MHADA buildings are offered alternative accommodation during the redevelopment process. The aim is to provide residents with improved housing units that meet modern standards and offer better amenities
Co-operative Housing Society Redevelopment	Co-operative housing society redevelopment entails the demolition or extensive renovation of an existing building. This paves the way for a developer to construct a brand-new, contemporary structure in its location. Housing societies frequently opt for this approach as it offers several advantages, such as improved amenities, upgraded infrastructure, and a boost in property value. To initiate the process, the society enters into an agreement with the builder, who assumes full responsibility for the redevelopment project.
Slum Redevelopment	Slum redevelopment focuses on improving the living conditions of slum residents. It involves upgrading the infrastructure and providing secure and improved housing options. These initiatives are typically carried out through public-private partnerships or government-led programs. The aim is to create sustainable, planned communities with access to basic amenities. Existing slum structures may be demolished, and new buildings are constructed in their place.
Cessed Building Redevelopment	Cessed buildings are the older pre-1969 buildings in Mumbai where tenants pay a nominal cess to the Maharashtra Housing and Area Development Authority (MHADA). Redevelopment projects for cessed

	buildings involve replacing these structures with new buildings that comply with modern building norms and standards while accommodating the existing tenants. The society agrees with the developer for the redevelopment project, which includes securing necessary approvals, financing, and construction.
Cluster Redevelopment	Cluster development focuses on promoting economic growth in residential areas while preserving open spaces and environmental resources. It involves building houses closer together on specific plots of land rather than dispersing them uniformly across large areas. This approach may also include rehabilitating unsafe buildings and expediting the resolution of legal disputes related to such properties. It aims to enhance the living conditions of residents, create vibrant communities, and improve the overall urban landscape.

Challenges in redevelopment projects

Some of the major issues faced during redevelopment process are as follows:

Consent of all society members: Obtaining consent from 51% of the society members for redevelopment can be challenging. Disagreements among members, varying interests, and concerns about the future of their homes can hinder the redevelopment process.

Delayed approvals and clearances: Redevelopment projects often face delays in obtaining necessary approvals and clearances from government authorities such as the BMC (Brihanmumbai Municipal Corporation) and MHADA (Maharashtra Housing and Area Development Authority). This can significantly prolong the redevelopment process.

Rehabilitation and relocation: Adequate rehabilitation and relocation of existing residents during the redevelopment process is a complex task. Providing temporary accommodation, ensuring fair compensation, and addressing concerns raised by residents can pose significant challenges.

Infrastructure and site constraints: Limited availability of open spaces, access roads, and infrastructure such as water supply and electricity can pose constraints on redevelopment projects. These challenges need to be addressed for successful implementation.

Funding and financial viability: Securing adequate funding for redevelopment projects can be a major hurdle. The financial viability and feasibility of the project, including raising funds for construction and meeting the costs of rehabilitation, need to be carefully assessed.

Litigation and legal disputes: Litigation involving ownership disputes, tenant rights, or disagreements between developers and society members can further delay the redevelopment process and add complexity to the project.

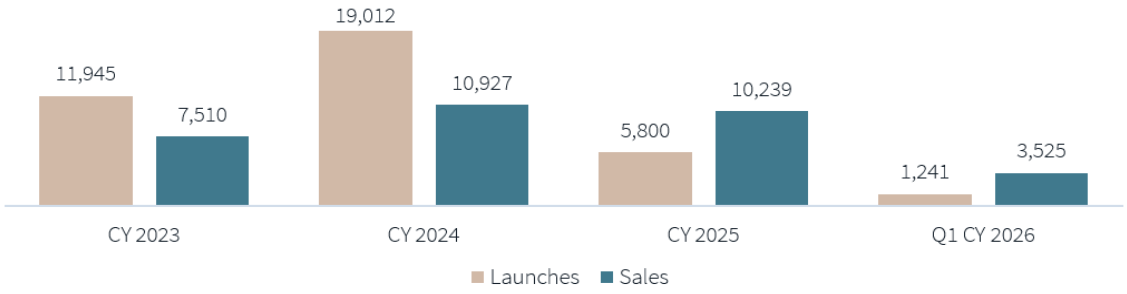

Quality of construction: Maintaining the quality of construction in tenement buildings is of utmost importance. There have been instances where developers prioritize cost savings over construction quality, leading to compromises in the final product.

These are some of the key issues faced during redevelopment projects in Mumbai, and addressing them requires coordination among stakeholders, adherence to regulations, and effective project management.

Redevelopment Demand Supply Dynamics

Redevelopment in Mumbai significantly slowed during the COVID-19 pandemic due to a lack of capital, construction manpower, and disrupted supply chains. The inconsistent functioning of government offices added to the challenges by delaying permissions and clearances required for projects. However, as the situation improved, the redevelopment momentum gained pace with robust new launches and sales of redevelopment projects during 2022 to 2024. The new launches in CY 2025 dropped significantly whereas the sales have dropped marginally in CY 2025.

Trends in sales and new launches (no. of units)

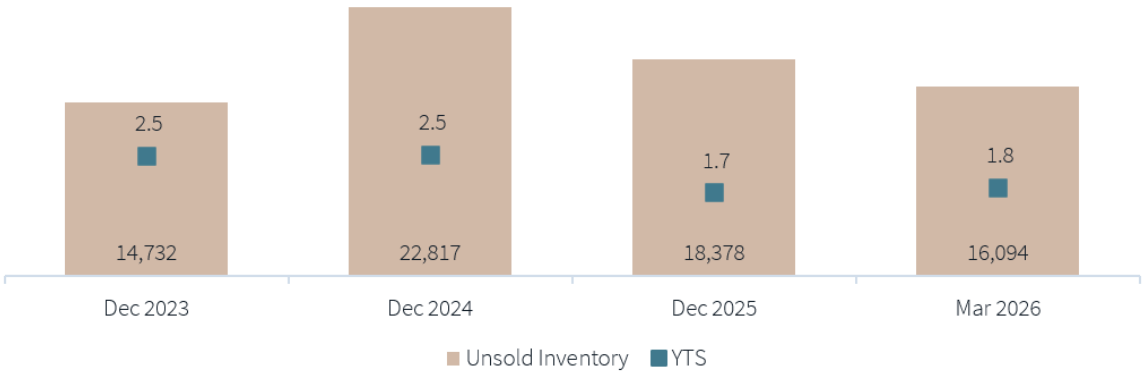

Note: Mumbai includes Mumbai city, Mumbai suburbs, Thane city, Kalyan-Dombivli, and Navi Mumbai

Source: JLL Research

In the redevelopment market, the number of launches has surpassed sales, leading to an increase in unsold inventory in Q1 CY 2026 from CY 2023 levels. However, the Years to Sell (YTS) metric, which measures the expected time to liquidate this unsold stock, stands at 1.8 years. This suggests that despite the increase in absolute numbers of unsold inventory, it is being absorbed at a relatively faster pace.

While opportunities exist for redevelopment in core markets, suburbs offer potential for greater volume. In recent years, there has been an increase in activity for redevelopment projects in suburban markets, with more than two-thirds of projects being launched in these areas. This can be attributed to the larger sizes of redevelopment projects in the suburbs, resulting in a higher average number of apartments per project compared to core city submarkets. Sales data reflects a similar trend, as redevelopment projects consistently demonstrate strong sales momentum regardless of their location in any of the key submarkets. In 2025, peripheral markets increased their share of both launches and sales, driven primarily by several large-scale projects that launched during the year and achieved strong sales performance.

Overview of Plotted Developments

The plotted development market near urban centres like Mumbai and Pune has experienced a significant resurgence, driven by a convergence of factors. The pandemic-induced shift towards hybrid working trends and a desire for spacious, customizable living environments in scenic locations has been a primary catalyst. This trend is bolstered by a growing preference for land ownership as a stable investment. The market's appeal is further enhanced by improved infrastructure, including better road connectivity and digital networks, making once-remote areas more accessible. This, coupled with the rebound in domestic

tourism, has heightened interest in destinations such as Dombivli, Alibaug, Karjat, Lonavala and Murud-Janjira. The demand is also fuelled by changing lifestyle preferences, with an increased focus on health, wellness, and sustainable living. Regulatory improvements, including RERA implementation, have brought greater transparency and security to transactions, encouraging more organized development.

The market is attracting a diverse range of buyers, from multi-generational families seeking spacious retreats to young professionals looking for weekend getaways. Environmental consciousness and the desire for eco-friendly living options are shaping development trends. Technological advancements, including virtual property tours and smart home features, are simplifying the buying process and property management. Additionally, the cultural shift towards valuing work-life balance and the aspiration of owning multiple properties for different purposes continue to drive market growth. As a result, investors are strategically positioning themselves in key second home corridors, anticipating sustained demand and potential for appreciation in these evolving markets.

Dombivli

Dombivli's plotted development market has witnessed steady growth, establishing itself as an emerging destination for affordable land ownership within the Mumbai Metropolitan Region. Located about 48 km from Mumbai, its appeal has increased with improved connectivity, particularly the enhancement of suburban railway services and ongoing metro projects. The market offers various options, from small residential plots to larger parcels suitable for individual houses and small gated communities. Prices in Dombivli's plotted development market vary, with properties in well-developed areas commanding INR 3,300 to 7,400 per sq ft, while plots in developing localities typically fetch INR 1,800 to 3,000 per sq ft. This range attracts a mix of first-time land buyers, residents looking to build custom homes, and small-scale investors. Demand is driven by the growing desire for land ownership, the flexibility to build customized homes, and the potential for long-term appreciation in a rapidly developing suburb. Local developers and some regional players have entered the market, introducing structured plot schemes with basic infrastructure and amenities. However, the market faces challenges including limited availability of large land parcels and the need for further infrastructure development to support growing populations.

Looking ahead, Dombivli's plotted development market is poised for continued growth, supported by ongoing and proposed infrastructure projects like the Mumbai Metro Line 5 and road widening initiatives. The trend towards suburban living post-pandemic has also expanded the potential buyer pool. The market's long-term sustainability depends on balanced development that addresses infrastructure needs while maintaining affordability. Dombivli remains an attractive option for those seeking land ownership opportunities near Mumbai, offering a more accessible entry point into real estate compared to the city's core areas. While it may not match the premium appeal of coastal destinations like Alibaug, Dombivli's plotted development market caters to a different segment, focusing on practical, affordable land ownership within a commutable distance to Mumbai.

Alibaug

Alibaug's plotted development market has experienced substantial growth, establishing itself as a sought-after destination for second homes and weekend retreats. Located about 100 km from Mumbai, its appeal has surged with improved accessibility, particularly the introduction of Ro-Ro ferry services. The market offers diverse options, from premium beachfront plots to inland parcels suitable for farmhouses and gated communities. Prices range widely, with beachfront properties in prime areas commanding INR 6,000 to 16,000 per sq ft, while inland plots typically fetch INR 2,000 to 5,000 per sq ft. This variety attracts both high-net-worth individuals and aspiring second-home owners.

Demand is driven by the post-pandemic preference for spacious, nature-proximate living, the allure of customizable homes, and the potential for long-term appreciation. Organized developers like Hiranandani Communities, Mahindra Group, HOABL and Emaar have entered the market, introducing structured developments with modern amenities. However, the market faces challenges including coastal regulation zone restrictions, occasional water scarcity, and the need for further infrastructure development.

Looking ahead, Alibaug's market is set for continued growth, bolstered by ongoing and proposed infrastructure projects like the Virar-Alibaug Multi-Modal Corridor. The trend towards hybrid work has also expanded the potential buyer pool. The market's long-term sustainability hinges on balanced development that preserves the region's natural beauty while addressing infrastructure needs. Alibaug remains an attractive option for those seeking coastal charm near Mumbai, offering diverse opportunities in its plotted development market.

Murud-Janjira

The plotted development market in Murud-Janjira, located approximately 165 km south of Mumbai in Maharashtra's Raigad district, is an emerging segment in the coastal real estate landscape. This area, known for its pristine beaches and the historic Janjira Fort, is gaining traction as a potential alternative to more established coastal destinations. Murud-Janjira's market is characterized by its nascent stage of development, offering a mix of beachfront plots, agricultural land suitable for farmhouses, and smaller residential plots in developing areas. Unlike more mature markets, Murud-Janjira presents a relatively unspoiled coastal environment, attracting buyers seeking serene, less commercialized locations.

Pricing in this market is generally more affordable compared to more established locations. Beachfront or sea-view plots typically range from INR 1,500 to 3,000 per sq ft, while inland plots are available from INR 500 to 1,500 per sq ft.

The market is primarily driven by Mumbai-based buyers looking for weekend retreats and long-term investment opportunities. The area's historical significance and potential for eco-tourism development add to its appeal. However, the market faces challenges including limited infrastructure, longer travel times from Mumbai, and fewer urban amenities compared to more developed coastal areas. Currently, the market is dominated by local landowners and smaller developers, with limited presence of organized real estate players. Looking ahead, Murud-Janjira's plotted development market shows potential for gradual growth. Its future appeal will largely depend on infrastructure improvements, especially in road connectivity and basic amenities. The area's development trajectory is likely to be more measured compared to rapidly growing coastal zones, potentially preserving its natural charm. For investors and buyers, Murud-Janjira offers an opportunity to enter a market at an early stage, with the potential for long-term appreciation. However, this comes with the caveat of a relatively illiquid market and the need for a long-term investment horizon. As the area develops, maintaining a balance between growth and environmental conservation will be crucial for sustaining its appeal as a serene coastal destination.

Trends in Supply, Net Absorption and Vacancy

The office market in India has shown considerable vibrancy over the past few years, setting new benchmarks in CY 2024. CY 2024 India's office market's net absorption in India's top seven markets nearly reached the 50 mn sq ft mark and stood at ~49.95 mn sq ft. 2025 set a new record with net absorption reaching an all-time high of ~ 57.0 mn sq ft for the year. This marked the highest annual absorption, surpassing the levels recorded in CY 2025. The Q1 2026 net absorption was also the highest in the first quarter across any previous years at 13.7 mn sq ft. The resilient expansion-driven occupier activity is a testament to the

country's quality talent pool and competitive costs. The year set the platform for India's office market to enter a phase of 'accelerated growth'. Over the next 2-3 years, we anticipate that net absorption will align more closely and is expected, hovering in the 50 – 60 mn sq ft range.

Trends in Supply, Net Absorption and Vacancy

Following the challenging years of CY 2020 and CY 2021, the office market in Mumbai has experienced a significant resurgence. In CY 2023, the net absorption of office space surpassed the figures observed in CY 2019, indicating a strong recovery. Additionally, CY 2024 net absorption reached 7.1 mn sq ft, representing an increase of ~18% y-o-y. For the full year of CY 2025, the net absorption was recorded at 6.3 mn sq ft, slightly lower compared to CY 2025 levels. The continued robust net absorption demonstrate the resilience and attractiveness of Mumbai's office market.

The Road Ahead

In the next 2.75 years, a total of around 22.8 mn sq ft is expected to come on-stream with Eastern Suburbs likely to contribute the maximum followed by SBD BKC, Navi Mumbai and SBD Central. BFSI, fintech, consulting, healthcare and manufacturing sectors are the likely drivers of demand moving forward. Preference for the suburbs and peripheral sub-markets will remain strong for occupiers seeking consolidation. There is rising demand for buildings with sustainability and wellness features with occupiers placing importance on high-quality buildings, business continuity planning and facility management moving ahead. Increased demand is expected from growth sectors, such as medical technology, health analytics, online education, data centres, gaming, pharma and FMCG.

India Retail Market Overview

Introduction

India's organized retail sector, particularly characterized by retail malls has undergone a period of intense change since the COVID-19 pandemic. While struggling with shutdowns, dwindling occupancies and low business volumes during the peak of the pandemic, India's retail sector showcased a strong comeback since CY 2022, and the growth momentum has continued since. The brick-and-mortar, organized retail sector demonstrated a remarkable performance bolstered by a buoyant consumer sentiment translating into increased footfalls and sales conversion. Stable economic conditions have fueled the growth in consumption parameters and propelled the strong leasing momentum, and new store launches by regional, national and global retailers. Given the strong performance of physical retail, high occupancies in quality developments and demand polarization are driving the need for new mall space.

Stock and Vacancy Trends

The organized retail stock in the top seven cities of India (Delhi, Mumbai, Pune, Bengaluru, Kolkata, Chennai, and Hyderabad) as of December 2023 stood at 91.7 mn sq ft. Over the course of 2024, while many sub-par performing malls, characterized by strata ownership, poor management and increasing vacancies have either been shut, repurposed or no longer fit the definition of a retail mall, few superior quality malls have also been added across cities during 2025 and Q1 2026. As a result, Grade A retail stock currently stands at 92.4 mn sq ft in March 2026. Vacancy has decreased from 12.9% in December 2023 to 11.9%

in March 2026, as quality mall developments have come on-stream at very healthy occupancy levels, further buttressing the strengths of India's physical retail market.

Demand Supply Dynamics

Retail leasing activity across India has been driven by retailer traction in high quality malls and therefore, net absorption has been healthy in years when quality supply has been added. Even during COVID, market activity during period of partial opening of the economy was strong and mall completions did see retailers taking up space. Post COVID, there has been greater intensity in retailer activity as consumers have flocked to malls and the inherent resilience of brick-and-mortar retail in terms of footfalls has seen leading developers add high quality mall supply to the market. In fact, net absorption in CY 2023 hit an all-time high as sizeable mall developments across Bengaluru, Pune and Hyderabad saw healthy space take-up by retailers across segments. Retailer actions now include right sizing their store formats, optimising store count, servicing under-served but potential growth catchment areas and choosing quality mall developments only.

Outlook

Given the positive demographics, stable economy, and the projected completion of high-quality retail developments within the next five years, the outlook for the retail segment is bright. India is likely to remain a key market for global brands looking to expand their store network. As the retail market in India continues to evolve, we can anticipate the growing popularity of new concepts and trends and development of more destination-oriented shopping malls which act as social meeting places and entertainment hubs. With numerous global funds partnering with prominent developers, the retail sector presents an opportune market for new REIT listings. Retailer preference for high quality malls is expected to result in tighter vacancies and quicker mall stabilisation for such assets. This will also aid rental growth as well as asset values for such high-grade malls.

Mumbai Retail Market Overview

Introduction

Mumbai has seen remarkable growth across key parameters that drive retail development, including an increasing number of young people migrating to the city for education and employment, a growing office market, strong growth in per capita income, and the development of robust physical infrastructure. The retail real estate market benefits from the city's position as having one of the highest per capita retail expenditures in the country. This highlights the higher propensity for retail spending compared to its peer cities and reinforces the opportunity for retailers to tap into a market with strong consumer purchasing power. Given the high disposable incomes and retail expenditure, there is ample scope for good quality retail developments in Mumbai. Retailers across different sectors, from fashion to electronics, home furnishings to food and beverage, have recognized the potential of Mumbai's market and eagerly sought out prime retail spaces.

As Mumbai continues to evolve and grow, its retail real estate market remains a dynamic and evolving one. With a rich mix of traditional and modern retail offerings, the city presents a compelling landscape for both established brands and emerging retailers looking to tap into the ever-expanding consumer base in India's financial capital. With strong growth indicators and a conducive market environment, Mumbai's retail real estate market holds significant potential for future development and expansion.

Stock and Vacancy Trends

The retail real estate market in Mumbai has experienced limited new supply additions in the organized retail space over the past 2.75 years. Two prominent malls, Jio World Plaza and Sky City Mall, became operational in CY 2023 and CY 2025, respectively. Without an addition in mall space in Mumbai's overall mall inventory during Q1 2026, the city's current retail stock stands at 15.5 mn sq ft, while the vacancy level declined to 7.9% by end March 2026 amid healthy leasing momentum.

Demand Supply Dynamics

Retail leasing activity in Mumbai has been primarily driven by strong retailer interest in prominent malls, leading to healthy net absorption in years when high-quality supply has been added. In the wake of the COVID-19 pandemic, there has been an increased intensity in retailer activity as consumers have returned to malls, highlighting the inherent resilience of brick-and-mortar retail and its ability to attract footfalls. Recognizing this, leading developers have responded by introducing high-quality mall developments to the market.

Retailers have adjusted their strategies to adapt to the changing landscape by optimizing store formats, rationalizing store counts, expanding into under-served but potential growth areas, and prioritizing quality mall developments. This shift has resulted in higher leasing traction and increased space take-ups by retailers in newly operational malls like Jio World Plaza and Sky City Mall, contributing to higher net absorption volumes in Mumbai's retail market. Both existing superior grade malls and newly operational malls are currently experiencing negligible available space and tight vacancy levels, indicating sustained demand for churn leasing in the city's organized retail sector. This trend reflects the continued appeal of Mumbai's retail market and the strong demand for quality retail spaces.

Trends in new completions and net absorption

Source: JLL Research

Outlook

The retail real estate market in Mumbai is expected to experience a significant supply influx of over 6.0 mn square feet of retail mall space within the next 5 years with prominent under-construction malls such as I-Ven mall (0.5 mn sq ft), The Rise I & III (0.45 mn sq ft) and Prestige Worli Mall (1.5 mn sq ft) in Island City, Runwal Gardens R Mall (0.7 mn sq ft) in Domibivli, Phoenix Mall (1.3 mn sq ft), in Thane and Lakeshore Mall (1.4 mn sq ft) in Juinagar accounting for majority of the supply addition. This anticipated growth is poised to further enhance the overall retail inventory in the city and attract retailers seeking to expand their presence in Mumbai. Notably, a substantial portion of this supply is concentrated in peripheral markets such as Dombivli, Borivali, and Thane, with renowned developers like Runwal, Lodha, and Oberoi introducing high-quality retail developments.

The demand for retail space is expected to remain robust, with upcoming locations hosting superior malls that are attracting significant retailer interest. Simultaneously, existing malls will likely continue to witness intense competition as retailers from all categories vie for prime space. The steady demand for space in superior malls with high footfall is anticipated to drive up both rental rates and capital values in the market.

Challenges for the Real Estate Industry

The real estate industry in India is a vital sector contributing to the country's economy and offering housing to a growing population. While it presents opportunities for developers and investors, it also faces several challenges and risks. Here are some key challenges and risks in the Indian real estate market:

1. **Economic Uncertainty**: The Indian real estate market is susceptible to economic fluctuations, both domestically and globally. Economic uncertainties around global trade can impact the overall demand for real estate and affect investment decisions. During economic downturns or periods of low business activity, tenant demand for office and retail spaces can reduce and potential homebuyers can delay decision making which can impact the income of developers/landlords.

2. **Affordability**: Affordability remains a significant challenge in the Indian residential market, particularly in major cities. Rising property prices, coupled with stagnant income growth, make it difficult for a large section of the population to purchase or rent homes. Moreover, high interest rates on home loans can make borrowing expensive, further impacting affordability. Lack of access to affordable housing can lead to low demand and a slowdown in the market.

3. **Market Dynamics**: Like any sector, the real estate sector in India is subject to cyclical trends and market volatility. Factors such as geopolitical events, interest rate changes, and shifts in investor sentiment can impact demand, prices, and transaction volumes. Matching supply with fluctuating demand can be challenging and requires effective market analysis and forecasting. Also, certain markets are approaching saturation, potentially leading to intensified competition among developers and the risk of price wars.

4. **Infrastructure Constraints**: The real estate market is directly impacted by the availability and quality of infrastructure. Efficient transportation networks, and connectivity play crucial roles in determining the attractiveness of residential locations. The existing infrastructure in larger markets is overloaded and delays in completing planned projects impact the attractiveness and viability of real estate projects

5. **Financing Challenges**: Limited access to financing options, high interest rates, and strict eligibility criteria for home loans are significant challenges in the Indian residential real estate market. The cost of borrowing and lack of financial assistance can hinder homebuyers' ability to afford properties and developers' capacity to complete projects.

6. **Evolving Consumer Preferences**: Rapid urbanization, demographic shifts, and evolving consumer preferences pose challenges for developers to understand and meet buyer demand effectively. Preferences for modern amenities, sustainable features, and smart homes require developers to adapt their offerings.

7. **Regulatory Environment**: The real estate sector in India is heavily governed by complex regulations at the national, state, and local levels. Delays in obtaining necessary approvals and permits, and compliance with various regulations, can increase project timelines and costs. Inconsistent implementation of regulations can also create uncertainty for developers and buyers.

8. **Land Acquisition**: The acquisition of land for real estate development can be a complex and time-consuming process in India. Issues related to land titles, fragmented ownership, and disputes may delay projects and increase costs. The scarcity of prime land in desirable locations further exacerbates this challenge.

9. **Construction Quality and Delays**: Construction quality, adherence to safety standards, and project delivery delays are persistent challenges in the residential real estate market. Buyers face concerns regarding the structural integrity of buildings and timely completion, and developers face reputational risks and cost overruns due to construction delays.

10. **Impact of Technology**: Technology-led disruptions such as automation and Artificial Intelligence could disrupt conventional work roles/profiles. As the nature of work evolves, such disruptions may have an impact on the overall direction of space demand with lower space requirements or contraction creating risks for the overall market.

To navigate these challenges, industry stakeholders need to streamline regulatory processes, invest in infrastructure development, improve financial access, ensure construction quality, and adapt to changing buyer preferences. Taking proactive steps to address these risks can contribute to the long-term growth and stability of the residential real estate market in India.

Overview

Introduction

We are a real estate developer present across the full spectrum of real estate development, specializing in residential projects that cater to affordable, mid-income, and luxury segments, as well as commercial spaces, retail malls and educational buildings. (*Source: JLL Report*) We are a recognized brand in the industry and have a strong presence in Mumbai. (*Source: JLL Report*)

We are ranked third in terms of new launches and sales in Mumbai with approximate market shares of 2.33% and 2.46%, respectively, between January 2023 and March 31, 2026. (*Source: JLL Report*) Between January 2023 and March 2026, Mumbai was ranked first among the top seven Indian residential real estate markets (i.e., Mumbai, Pune, Bengaluru, Hyderabad, Delhi National Capital Region, Chennai and Kolkata) in terms of its contribution to market activity, accounting for approximately 24% of the overall sales, approximately 24% of the overall new launches and overall sales value in India. (*Source: JLL Report*)

In the eastern suburbs submarket of Mumbai (which encompasses Mulund, Vikhroli, Ghatkopar, Kanjurmarg, Powai and Bhandup), we ranked first in sales accounting for approximately 7.88% of the sales, and fourth in new launches, accounting for approximately 2.89%, between January 2023 and March 31, 2026. (*Source: JLL Report*) We are ranked first in terms of new

launches and second in terms of sales in Kalyan, Dombivli, with approximate market shares of 11.41% and 6.33%, respectively, between January 2023 and March 31, 2026. (*Source: JLL Report*)

As of March 31, 2026, we have 19 Completed Projects, 28 Ongoing Projects and 33 Upcoming Projects. Our experience includes greenfield projects requiring land acquisition, as well as flexible models and asset light models such as via joint development agreements ("**JDA**"). Greenfield projects refer to developments undertaken on land parcels that have never been previously used, developed or constructed upon for residential dwelling purposes. For such projects, we acquire the greenfield land, obtain all necessary regulatory, statutory and environmental approvals required under applicable laws and we subsequently plan, design and develop the project, including undertaking construction and related activities.

Below are details of our projects bifurcated into greenfield projects and non-greenfield projects as of March 31, 2026:

No.	Type of Project	Developable Area (sq. ft.)
1.	Greenfield projects (A)	83,566,500.85
2.	Non-greenfield projects (B)	4,807,622.42
	Total (C = A + B)	**88,374,123.27**

Corporate history

Our Group traces its origins to the legacy "Runwal group", established in 1978 by Subhash Runwal. His son, Subodh Subhash Runwal, joined Wheelabrator Alloy Castings Limited in 1995, commencing his experience in the real estate business. Under Subodh Subhash Runwal's leadership, our Group emerged as a separate entity in 2016. For more details, see "*Our Business – Business Operations – History of our Business*" on page 197.

Real estate development business

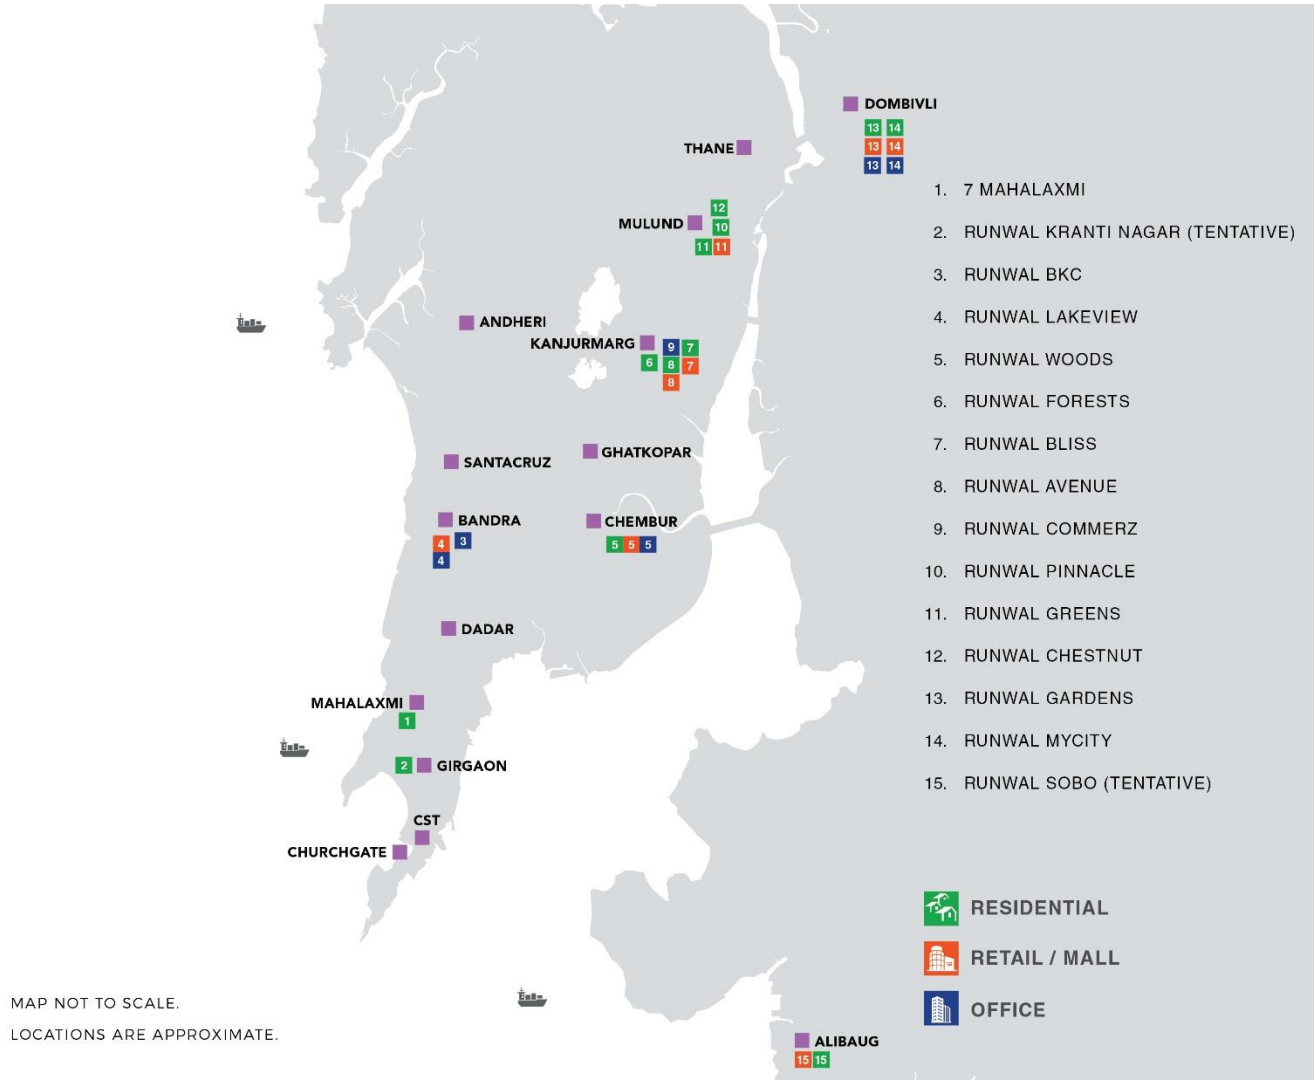

Our real estate development business spans all activities related to real estate development, from the identification and acquisition of land through to the planning, execution, marketing and sales of our development projects. It is through this process that we develop a variety of residential and commercial projects comprising apartments, retail spaces, offices, schools, hospitals, and townhalls. As of March 31, 2026, we have developed and are in the process of developing an aggregate Developable Area of 31.96 million square feet of residential, retail and commercial properties, which include residential buildings, townships, corporate offices, retail malls, retail spaces, schools and various other real estate projects spread across the eastern, central, peripheral central, south central and western suburbs of Mumbai.

Our vision is to be a full-service real estate developer in Mumbai, developing both residential and non-residential projects (across the price spectrum) and in communities (including integrated townships) that feature a wide range of amenities and iconic landmarks.

Our residential portfolio consists of an aggregate Developable Area and Estimated Developable Area (in the case of Upcoming Projects) of 74.58 million square feet of Completed Projects, Ongoing Projects and Upcoming Projects ("**Projects**") as of March 31, 2026 and is segmented into the affordable, mid-income and luxury markets. We had historically focused on the affordable and mid-income residential segments (notable examples being Runwal Gardens in Dombivli and Runwal Greens in Mulund West) but have recently expanded our focus to include the luxury residential segment (namely, 7 Mahalaxmi and Girgaum).

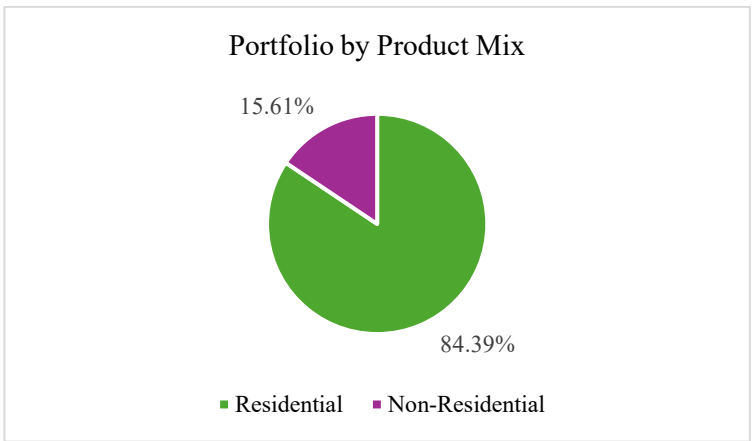

We are also expanding geographically within Mumbai, moving from the eastern suburbs to western areas such as Mahalaxmi, Girgaum and Bandra, and outside the MMR, near Alibaug. Our business also consists of the development and lease / sale of units in certain commercial and shopping complexes. As of March 31, 2026, our non-residential portfolio consists of an aggregate Developable Area and Estimated Developable Area (in the case of Upcoming Projects) of 13.80 million square feet of Projects.

Below is a map indicating the locations of our Projects in Maharashtra as of March 31, 2026:

Real estate development process

We have a five-step systematic process for real estate development. Throughout each step, we utilize, to varying degrees, a combination of our in-house expertise and independent contractors in order to: (i) strategically acquire expansive acreage for real estate development; (ii) secure timely delivery of development and construction approvals; (iii) create aesthetically pleasing, cost-efficienct, and environmentally friendly development and construction designs; (iv) complete our projects on-time, on-spec and on-budget execution with high standards of quality and safety; and (v) innovatively market and sell our projects to a broad market of customers.

Financial performance

Our financial performance for Fiscals 2026, 2025 and 2024 based on our Restated Consolidated Financial Information is set forth in the table below:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
	(₹ million, except percentages)		
Revenue from operations	17,989.49	10,077.66	24,088.65
Gross Margin[(1)]	6,022.94	3,617.72	4,741.96
Gross Margin (%)[(2)]	33.48	35.90	19.69
EBITDA[(3)]	3,498.05	1,801.10	2,017.34
EBITDA Margin[(4)] (%)	19.44	17.87	8.37

Net Debt[(7)]	27,781.10	22,506.60	16,312.27
Net Debt / Equity ratio[(8)]	3.29	4.64	3.62

Notes:

(1) Gross Margin is calculated as revenue from operations reduced by (i) cost of construction and development and (ii) changes in inventories of finished goods (including stock-in-trade) and work-in-progress.

(2) Gross Margin as a percentage is calculated by dividing Gross Margin by revenue from operations.

(3) EBITDA is calculated as profit / (loss) before exceptional items, tax, share of profit in associates and joint ventures plus depreciation and amortisation plus finance costs.

(4) EBITDA Margin is calculated as EBITDA divided by revenue from operations.

(5) Adjusted EBITDA is calculated as EBITDA plus finance cost component included in the cost of operations plus the depreciation and amortisation component included in the cost of operations.

(6) Adjusted EBITDA Margin is calculated as Adjusted EBITDA divided by revenue from operations.
(7) Net Debt refers to the sum of non-current borrowings, current borrowings, interest payable reduced by cash and cash equivalents.
(8) Net Debt / Equity Ratio is calculated as net debt divided by total equity for the relevant period.

Operational performance

Our performance for Fiscals 2026, 2025 and 2024 in terms of our operational metrics are set forth in the table below for the years indicated.

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Sales value[1] *(₹ million)*	23,535.05	18,990.49	15,276.41
Sales area (saleable area) *(million square feet)*	2.07	1.62	1.62
Sales *(No. of units)*	2,182	1,700	1,688
Gross collections[2] *(₹ million)*	18,546.13	15,562.29	19,239.85
Launches[3] *(million square feet)*	2.06	1.10	1.89
Deliveries[4] *(million square feet)*	1.17	1.33	2.23
Average sale price[5] *(₹ / sq ft)*	11,365.98	11,753.69	9,429.65

Runwal My City, which operates under Horizon Projects Private Limited (formerly Evie Realty Private Limited), became a subsidiary effective April 1, 2025. Accordingly, the numbers above have been considered from April 1, 2025. Had it been accounted for from the beginning of the period, the position would have been as follows:

Particulars	Fiscal 2026	Fiscal 2025	Fiscal 2024
Sales value[1] *(₹ million)*	23,535.05	21,180.55	16,513.91
Sales area (saleable area) *(million square feet)*	2.07	1.97	1.83
Sales *(No. of units)*	2,182	2,154	1,954
Gross collections[2] *(₹ million)*	18,546.13	18,314.88	21,741.35

Average sale price[5] *(₹ / sq ft)*	11,365.98	10,755.94	9,022.50

Notes:
(1) Sales value is calculated as the sum of the agreement value of units sold in residential, retail and commercial projects (net of cancellations) during such period for which agreements have been entered into and the booking amount has been received, but does not include taxes, other charges, stamp duty and registration charges.
(2) Gross collections are calculated as the sum of collections against agreement value from sale of units (net of cancellations) but do not include taxes and other charges.
(3) Launches refers to million square feet of area of inventory launched in market to start taking bookings from customers.
(4) Deliveries refers to million square feet of area of inventory where occupation certificate has been received.
(5) Average sale price is calculated as sales value divided by the sales area in million square feet.

Environmental, Social and Governance

We are committed to sustainable development, integrating economic, social and environmental considerations throughout our operations. We aim to emphasize the inclusion of clean energy sources in our projects (e.g. an emphasis on greener building standards, waste management, energy-efficient sourcing, and community engagement initiatives), the use of environmentally-friendly building materials, good corporate governance, and the health and safety of our internal and contracted workforce, among others.

Management

We have a management team consisting of Directors, key managerial personnel and senior management personnel, most of whom have notable experience in the real estate development industry. They consist of members who have worked with several nationally reputed organizations in the Indian real estate sector, bringing a wealth of knowledge and expertise to our projects. Some of our Directors, key managerial personnel and senior management personnel also possess advanced degrees from domestic and international universities. For more details, see "*Our Management*" on page 261.

Ability to raise capital

We have utilized relationships with international and domestic financiers in respect of our projects. These relationships have consistently enabled us to raise capital on favourable terms and grow our business. Such relationships include those with IndusInd Bank Limited, Kotak Mahindra Bank Limited, ICICI Bank Limited, HDFC Capital, Tata Capital Housing Finance Limited, Nishi Nippon Railroad Co. Ltd, Genkai Capital Secured Investment Pte. Ltd., Nexus Select Trust and Piramal Capital and Housing Finance Limited.

Save in respect of the loans availed by our Company, Runwal Residency Private Limited and Runwal Real Estates Private Limited we have not obtained any credit ratings in Fiscals 2026, 2025 and 2024.

Strengths

We benefit from the following strengths:

We are a prominent residential real estate developer in Mumbai

We are ranked third in terms of new launches and sales in Mumbai with approximate market shares of 2.33% and 2.46%, respectively, between January 2023 and March 31, 2026. (*Source: JLL Report*) We have completed 12 residential projects within Mumbai comprising 11.55 million square feet of Developable Area. These projects are designed with various amenities and facilities which include fitness centres, swimming pools, indoor games areas, badminton and tennis courts, amongst others. With respect to our ongoing residential projects, we have 17 Ongoing Projects within Mumbai as of March 31, 2026 comprising 18.11 million square feet of Developable Area and we have 19 Upcoming Projects in our residential portfolio comprising an Estimated Developable Area of 20.46 million square feet.

Our projects have contributed to our ranking in Mumbai between January 2023 and March 2026 especially with respect to the following submarkets:

Market	Particulars
Eastern suburbs submarket	Our Group launched approximately 831 units and sold around 2,200 units between January 2023 to March 2026. Our Group ranked fourth in terms of new launches and first in terms of sales representing approximately 2.89% of new launches and approximately 7.88% of sales within this submarket during this period.
Kalyan-Dombivli submarket	Our Group ranked first in terms of new launches and second in terms of sales between January 2023 and March 2026, launching approximately 4,034 units and selling approximately 3,857 units, representing approximately 11.41% of the new launches and approximately 6.33% of the sales in the submarket during this period. Within Kalyan-Dombivli, approximately 65-70% of sales and launch activity occur in Dombivli.

We are a well-established brand

For the past decade, our Company and Group, promoted by Subodh Subhash Runwal, has built on the legacy of our predecessor "Runwal group" brand, which has been a prominent name in the real estate industry since its inception in 1978. (*Source: JLL Report*) Our Group has carried forward this foundation, delivering marquee projects such as Runwal Bliss, Runwal Gardens and Runwal My City. Notably, the launch of approximately 5,875 residential units between January 2023 and March 31, 2026, has demonstrated our ability to meet the housing needs of a wide range of buyers across various segments and with 6,309 units sold within this period, we have solidified our position as one of the largest and most trusted residential real estate developers in Mumbai. (*Source: JLL Report*)

Our project Runwal Bliss has been recognized as the "Best Residential Project Segment - Mid" at the 'CNBC-AWAAZ Real Estate Awards 2023'. Runwal Pinnacle was honoured with the "Best Ongoing Highrise Tallest Project of the Year" award, and Fifth Avenue received the "Best Retail Luxury Project of the Year" award, both at the 7th Real Estate and Construction Industry Leadership Awards in 2024. On the safety front, Runwal My City, Runwal City Centre, Runwal Forests and Runwal Gardens were conferred prestigious International Safety Awards by the British Safety Council in 2025. Additionally, we have received numerous other accolades, including "Developer of the Year (Residential)" by 'Hindustan Times Real Estate Titans' in 2021, "Developer of the Year (Residential)" in the 'Realty+ Excellence Awards – West' in 2022, and "Developer of the Year (Residential)" at the 'Real Estate and Business Excellence Awards' in 2021.

The strength of our brand is built on the following five pillars, which reflect our core business philosophy:

- **Customer Centricity:** Customer centricity is fundamental to our operations and a key element of our well-established brand. We prioritize creating comfortable and sustainable living spaces tailored to our customers' needs. By leveraging digital tools such as CRM platforms, we enhance customer experience. We also measure satisfaction using the Net Promoter Score (NPS) to ensure continuous improvement.

- **Quality:** Our reputation stems from our commitment to delivering projects that meet our internal standards of quality in construction, design, and functionality. We partner with contractors and service providers to incorporate energy-efficient features and high-quality materials. This commitment to quality promotes sustainability and leverages technology and innovation to improve operational efficiency and excellence.

- **Trust:** The foundation of our brand is built on trust, which we actively maintain with our customers, landowners, financial institutions, and partners. Trust is further strengthened by referrals from our satisfied customers, which contribute to our sales. As a well-established brand, our ethical practices and reliability are key drivers of our ongoing success.

- **Transparency:** We demonstrate transparency through our financial reporting, risk disclosure, and clear communication with our stakeholders. By providing regular project updates, we foster a transparent environment that engenders confidence and assurance among our stakeholders.

- **Innovation:** Our innovation initiatives include digital experience centers, mechanized construction, and digital marketing strategies. These efforts are designed to elevate customer engagement and streamline the property purchase process. By embracing innovation, we continuously enhance our value proposition.

Leveraging the strength of our brand, we believe we are well-positioned to capitalize on opportunities arising from favorable industry trends and potential market growth.

Robust pipeline of Ongoing Projects and Upcoming Projects providing strong visibility of cash flows

We have a robust pipeline of Ongoing Projects and Upcoming Projects which provides us with strong visibility over future cash flows. As of March 31, 2026, we are executing Ongoing Projects with an aggregate Developable Area of 19.88 million square feet and have Upcoming Projects with an aggregate Estimated Developable Area of 56.41 million square feet. For further details, see "*Our Business – Business Operations – Projects*" on page 199. These projects are located in the micro-markets of the eastern, northern, western and central suburbs of Mumbai, and near Alibaug, outside of the Mumbai Metropolitan Region.

While our historical focus has been on the affordable and mid-income residential segments (notable examples being Runwal Gardens in Dombivli and Runwal Greens in Mulund West), we have recently expanded our focus to include the luxury residential segment (namely, 7 Mahalaxmi and Girgaum). We are also expanding geographically within Mumbai, moving from the eastern suburbs to western areas such as Mahalaxmi, Girgaum and Bandra, as well as near Alibaug, outside of Mumbai Metropolitan Region.

Several infrastructure projects are underway in Mumbai to achieve long-term sustainability and enhance the city's transportation networks, which include the Metro Lines project, which consists of 14 high-capacity metro railway lines and one metro line, the Coastal Road project, which is a 29.8 km stretch from Kandivali to Nariman Point, and the Navi Mumbai International Airport project. (*Source: JLL Report*) These developments are expected to improve east-west connectivity, connect areas not served by the suburban rail and reduce travel time between residential and commercial hubs. (*Source: JLL Report*) As a result, our developments in Mumbai stand to benefit from increased accessibility and enhanced infrastructure, which can contribute to higher demand and potentially elevated property values in the areas surrounding these infrastructure projects. The improved connectivity and reduced travel times may also attract a broader customer base, further strengthening our market position.

Two of our projects that are well placed to benefit from increased infrastructure development are Runwal Gardens and Runwal My City, which are both situated in Dombivli and are located at the centre of the planned expansion of roads leading to Navi Mumbai, Thane and Kalyan. Within the eastern sector, Dombivli with its vast swathes of developable land, coupled with ongoing and planned infrastructure improvements is set to emerge as the new epicentre of Mumbai's urban real estate growth. Strategically located along the Central Railway line, Dombivli benefits from its proximity to key business districts while maintaining a reasonable distance from the congested city centre. The area's appeal is further enhanced by significant infrastructure projects, including the upcoming Metro Line 5 connecting Thane to Kalyan, proposed Metro Line 12 connecting Dombivli to Navi Mumbai, the Airoli to Katai Naka freeway which improves access to Thane, and the Mumbai–Ahmedabad high-speed rail corridor which will drastically reduce the commute time to BKC. A significant pricing arbitrage exists between Dombivli and other peripheral locations such as Kandivali, Ghodbunder Road (Thane) and Kharghar (Navi Mumbai). Upcoming infrastructure projects are set to reduce travel time from Dombivli to commercial hubs like BKC and Airoli to approximately 20 minutes. This improved connectivity is expected to substantially enhance Dombivli's attractiveness as a residential market, leading to increased demand and, consequently, higher sales volumes. As a result, the residential price gradient is likely to diminish, with property prices in Dombivli gradually approaching levels seen in these peripheral markets. (*Source: JLL report*)

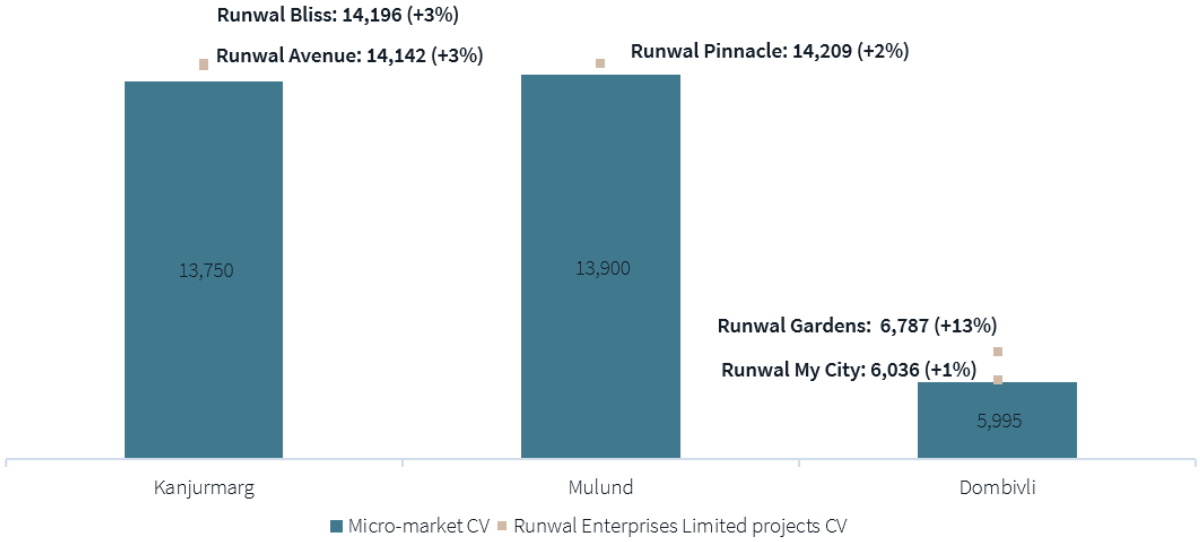

Another example is Runwal Bliss, which is located in Kanjurmarg East. Within the eastern suburbs, Kanjurmarg has emerged as a focal point for developers eyeing strategic growth opportunities. Kanjurmarg already has excellent road connectivity with the business districts of Thane, Powai, BKC as well as South Mumbai via the LBS road, JVLR and Eastern Express highway. It is also well-connected via the central line of Mumbai suburban railway network. The upcoming three-way metro connectivity through Lines 4, 6, and 14 is set to redefine the real estate dynamics of Kanjurmarg, opening opportunities for further appreciation in residential prices and growth in activity volumes. (*Source: JLL Report*)

Ability to sell at premium pricing and throughout the construction phase

According to JLL, our status as a renowned developer enables us to command premium pricing in some of the micro markets in Mumbai, such as Kanjurmarg and Mulund. This is consistent with the shift in consumer preference towards branded developers since the COVID-19 pandemic (*Source: JLL Report*). This growing preference is evident in: (i) homebuyers showing a stronger preference for investing in projects developed by established developers with a proven track record; (ii) lenders

focusing on tier 1 developers with a well-established track record, aiming to minimize the risk of default; and (iii) landowners increasingly opting to partner exclusively with Grade A developers. (*Source: JLL Report*)

Some of our projects have been able to achieve a price premium as compared to the average capital values ("**CV**") in their respective locations. The following diagrams set forth the pricing achieved by some of our projects in Mumbai as compared to the average pricing of those locations. Figures below are presented in ₹ per sq. ft.

We have a unique core competency in developing large townships which include schools, malls, retail shops and shopping arcades.

One of our key strengths lies in our ability to develop large township projects that integrate residential, educational, commercial and recreational facilities. This approach allows us to create "township and campus" style developments that provide a comprehensive living experience, resonating with the growing demand for integrated townships in India's metropolitan regions.

For instance, our projects, Runwal Bliss and Runwal Avenue, are collectively located on a 36-acre land parcel in Kanjurmarg East, Mumbai. These projects collectively have high-rise residential towers, high street retail outlets and commercial offices, all developed or proposed to be developed by us within the same land parcel. This campus-style development is designed to offer residents the convenience of having essential amenities within close proximity, reflecting the broader trend where homebuyers are increasingly drawn to self-contained communities.

Additionally, our Ongoing Projects, Runwal Gardens and Runwal My City, spans 250 acres and is planned as an integrated township. This project will feature over 100 residential towers, two schools, retail malls, shopping arcades and commercial office spaces. The development also includes various amenities such as 36 gardens, a clubhouse and multi-level car parks. Runwal Gardens exemplifies our competency in executing large-scale developments that provide a well-rounded environment for residents, highlighting our capability in township development that aligns with the emerging preference for more holistic living spaces.

Townships attract residents with their blend of luxurious living and community-centric designs, offering security, community interaction and numerous amenities. As of the date of this Prospectus, we are developing integrated townships extending over 250 acres of land. Our projects reflect the trend towards offering more than residences; they provide a lifestyle prioritizing convenience, community, and sustainability, aligning with the increasing demand for integrated township living in Mumbai.

Demonstrated strong project execution capabilities with in-house functional expertise and tie-ups with reputable design and architect firms

We have a demonstrated track record of successful project execution. As of March 31, 2026, our Group has developed 19 Completed Projects comprising 12.09 million square feet of Developable Area and sold 11,400 units.

Our project execution capabilities are bolstered by our in-house functional expertise. Throughout our many projects, we have consistently showcased our ability to complete projects on time as evidenced by some of the recently completed projects below:

Project	Location	RERA Completion Date	Actual Completion Date	Number of Months Ahead of Schedule
Runwal Forests Phase 1 (Towers 1 to 4)	Kanjurmarg West, Mumbai	April 2022[(1)]	May 2021	11
Runwal Gardens Phase 2 (Towers 15 to 17)	Village Gharivali, Dombivli	June 2025	August 2024	10
Runwal Gardens Phase 2 (Towers 18 to 21)	Village Gharivali, Dombivli	December 2024	March 2024	9
Runwal Gardens Phase 2 (Towers 13 and 14)	Village Gharivali, Dombivli	June 2025	November 2024	7
Runwal Gardens - EWS Tower 2	Village Gharivali, Dombivli	June 2025	March 2025	3

Note:

(1) The initial RERA completion date as per the registration certificate was April 2021. This, however, was extended to October 2021 and subsequently to April 2022 on account of the COVID-19 pandemic.

Our adoption of an integrated real estate development model allows us to execute projects from initiation to completion. This model includes in-house resources and capabilities across a wide range of functions—business development, land acquisition, regulatory compliance, design and architecture, execution and construction, sales and marketing, payment, handover and post-sales services. Further, with technological innovation being central to our operations, we have adopted several technologies such as the SAP Enterprise Resource Planning (ERP) system to enhance operational efficiency through the streamlining of our processes. This affords us scalability to support our business growth and expansion and benefits not only ourselves but our customers and vendors as well.

Our in-house team is capable of executing almost all aspects of a real estate project save for, among others, construction and in some cases, design. Our business development team, which consists of 10 employees (as of March 31, 2026), uses market research, micro-market and industry trend analysis and an understanding of the regulatory landscape in Mumbai to evaluate project proposals and build feasible business development pipelines. This allows us to identify and capitalize on opportunities for project development. Our team also engages with channel partners to identify potential projects based on set selection criteria. Our land acquisition strategy is robust, enabling us to acquire land at competitive costs, aggregate it from multiple owners and design master plans for efficient layouts.

Our liaison team of 19 employees (as of March 31, 2026) is experienced in the processes and requirements for obtaining necessary regulatory approvals, while our design and architecture team of 17 employees (as of March 31, 2026) focuses on innovative and integrated developments to meet consumer demands, covering several price points. We also have expertise in

designing and developing gated communities and residential-focused developments. Our construction management team of 412 employees (as of March 31, 2026) is tasked with ensuring efficient and rapid construction, with our contracts and procurement team of 76 employees (as of March 31, 2026) working closely with both domestic and international vendors to secure construction materials and equipment.

We employ a dedicated in-house sales and marketing team of 210 employees (as of March 31, 2026) that generates creative and innovative strategies, including digital experience centres for immersive customer experiences.

Additionally, we have established and maintain relationships with various domestic design firms and architects including Architect Hafeez Contractor, Edifice Consultants Private Limited and HBA, some of whom specialize in environmentally friendly designs, one of our focus areas. We have also developed relationships with domestic construction companies such as New Consolidated Construction Company Limited, as well as technical consultants like Talib & Shamsi Construction Private Limited, Mahimtura Consultants Private Limited. These strategic partnerships amplify our project execution capabilities, ensuring the quality completion of our projects.

Strong focus on sustainable development

One of our core strengths lies in our commitment to sustainable development, which integrates economic, social and environmental considerations into our business practices. Our environmental initiatives include the use of renewable fuels, the reduction of greenhouse gas emissions, climate risk management, water conservation, recycling and ensuring emergency preparedness. Socially, we prioritize health and safety, employee benefits, diversity, equity and our impact on local communities. In terms of governance, we uphold ethical standards, promote board diversity and governance, implement performance-based pay and maintain stakeholder engagement.

Our adoption of green building standards to design and construct eco-friendly buildings, demonstrates our commitment to sustainability. This includes using energy-efficient materials, installing renewable energy systems, incorporating efficient insulation and implementing waste management practices.

Our project, Runwal Gardens at Dombivli, exemplifies our focus on sustainable development. The township includes an emphasis on greenery, water management, energy-efficient living and community green initiatives. Notably, the project features a Miyawaki Forest and has planted 2,965 trees to foster ecological diversity and contribute to environmental restoration. The rainwater harvesting capacity at Runwal Gardens is 3,408 kilolitres per day ("**KLD**"). Furthermore, we have a dedicated rooftop solar plant which has a designed generation capacity of 530 kilowatts ("**KW**") and a biogas plant which has a designed generation capacity of 12 tons per day ("**TPD**") / 80 KW that underscores our dedication to clean energy and waste reduction.

The table below provides details of our sustainable development in various projects as of March 31, 2026:

Runwal Gardens has been recognized for its commitment to health, safety and sustainability, winning the OHSSAI OH&S Awards 2021 with a Gold star rating of 4.5/5 and the International Safety Award by the British Safety Council in 2024.

Further, in 2025, (i) our Company was recognized and certified for being a 'Great Place to Work"; (ii) Runwal Gardens, Runwal MyCity, Runwal Pinnacle, Runwal Forests, Runwal, 7 Mahalaxmi, and Runwal City Centre were awarded distinction awards for with International Safety Awards by the British Safety Council for demonstrating a strong commitment to good health and safety management ; (iii) Runwal Forests received a certificate of appreciation at the Lifting India Safety Awards 2026 for successful completion; (iv) Runwal City Centre received Safety Excellence award (High Rise Lifting); (v) Runwal BKC received USGBC Gold LEED Pre-Certification; and (vii) our Company received the "Green Crusader" award presented by the Bhamla Foundation. Our safety culture is driven by leadership commitment and active involvement, aiming for zero work-related fatalities. We implement comprehensive health, safety and environment training programs, conduct regular site audits, execute emergency mock drills and celebrate environment day to promote safety awareness and preparedness.

We are also engaged in environmental, social and governance ("**ESG**") reporting to disclose and communicate our progress on sustainability goals. As of the date of this Prospectus, our project, Runwal Bliss Phase 3 at Kanjurmarg East, Mumbai, has achieved GRESB certification (as part of Runwal City Centre), which provides transparent ESG data to investors and the real estate industry.

Our ability to integrate sustainable development into our operations not only sets us apart in the industry but also strengthens our market position by ensuring long-term growth, mitigating risks and building goodwill among stakeholders, employees and the communities we serve. This sustainable focus is aimed at enhancing our reputation, attracting socially conscious investors and aligning ourselves with global sustainability trends, showcasing our leadership in responsible and forward-thinking business practices.

Experienced Promoter, qualified senior management and credible financial partners

We have a professional and experienced management team which has notable experience in the real estate development industry. They operate under the guidance of a professionally managed board of directors, comprising senior executives with extensive expertise in property development and business administration.

Our management team is led by our Managing Director and Promoter, Subodh Subhash Runwal, who has over three decades of experience in the real estate industry. He holds a bachelor's degree in commerce with subject specialisation in financial accounting and auditing from R.A. Podar College of Commerce and Economics, University of Mumbai. With 31 years of professional experience in the real estate sector, Subodh Subhash Runwal has been instrumental in developing many of our Group's flagship projects such as Runwal Greens, Runwal Forests, Runwal Bliss and Runwal Gardens. He also actively participates in industry forums like the Federation of Indian Chambers of Commerce and Industry (FICCI), a wing of the Maharashtra Chamber of Housing Industry (MCHI), the National Real Estate Development Council (NAREDCO) and the Confederation of Real Estate Developers' Associations of India (CREDAI) and was awarded 'Bhoomi Namaskar' award on World Environment Day 2024.

The day-to-day operations are managed by our key managerial personnel, as well as our senior management, who are highly experienced in various aspects of real estate activities. They have worked with several nationally reputed organizations in the Indian real estate sector, bringing a wealth of knowledge and expertise to our projects.

Furthermore, we maintain relationships with various private sector banks in India, including ICICI Bank Limited, IndusInd Bank Limited, Kotak Mahindra Bank Limited. These banks have supported us through construction finance facilities, ensuring the smooth execution and timely completion of our projects. Additionally, our financial partners such as Piramal Capital and Housing Finance Limited have contributed to our growth and development.

Notably, (i) in 2019, a capital advisory firm affiliated with the a major Indian financial institution invested ₹5,000 million through non-convertible debentures in Runwal Residency Private Limited; (ii) in 2021, the same capital advisory firm invested an additional ₹3,500 million through non-convertible debentures in Susneh Infrapark Private Limited; (iii) in 2020, an alternative asset management firm focusing on the Indian market invested ₹6,054.00 million through non-convertible debentures in Evie Real Estate Private Limited in connection with Phases 1 and 2 of our Runwal Bliss project; (v) in 2021, an asset finance firm provided a ₹2,369.09 million term loan facility to Evie Real Estate Private Limited in connection with the first phase of our Runwal Bliss project; and (vi) Nishi Nippon Railroad Co. Ltd. and Genkai Capital Secured Investment Pte. Ltd., collectively infused equity of ₹1,500.00 million in our Subsidiary, Susneh Developers Private Limited, for development of Grade A commercial building i.e., Runwal BKC, and Nexus Select Trust invested ₹1,150.00 million in Runwal Residency Private Limited for development of R Mall in our Runwal Gardens project.

Strategies

Continued focus on Mumbai

We are focusing on real estate development in Mumbai to leverage several strategic advantages. The real estate market in this region presents significant barriers to entry, such as limited land availability and restricted capital access for unorganized developers, which favour experienced developers with established business operations.

We have successfully completed numerous projects in areas such as the south central and peripheral central suburbs. Currently, our business development pipeline is expanding into south Mumbai and the western suburbs, supported by several ongoing infrastructure projects aimed at long-term sustainability and enhancing the transportation network's capacity and quality. Notably, key infrastructure developments include the Mumbai Metro Network, an initiative designed to alleviate road congestion by connecting major financial hubs and providing efficient transport and the Navi Mumbai International Airport, anticipated to drive economic growth and augment demand for real estate. Additionally, the ongoing construction of the Coastal Road, linking Bandra to Kandivali, promises to enhance connectivity and boost the appeal of sea-facing properties in western Mumbai, thereby propelling the region's real estate market.

These infrastructure developments underscore the significant market potential for our projects, which encompass residential, commercial, retail, and integrated township sectors. While maintaining our focus on Mumbai, we also plan to expand into high-growth areas such as the western suburbs, luxury markets in south Mumbai, and the outskirts of Mumbai.

Continue to pursue asset-light growth opportunities through redevelopment, joint ventures and joint development projects

In light of the limited availability of large land parcels and escalating property prices in Mumbai, we are strategically focusing on asset-light growth opportunities through redevelopment, joint ventures and joint development projects.

Redevelopment projects offer significant strategic advantages by allowing us to access prime land markets without substantial upfront investments. Effective redevelopment reduces the initial costs usually associated with land acquisition. The primary cost in redevelopment is compensating homeowners for relocation during the construction period. However, redevelopment also enables us to maximize land use by demolishing existing buildings and constructing more units, capitalizing on the potential density of prime locations. We anticipate that redevelopment will play a crucial role in securing land in Mumbai, given the scarcity of available land. Consequently, we plan to increasingly focus on such projects.

JDAs are particularly beneficial for redeveloping older buildings. They help us minimize upfront land acquisition costs and promote an asset-light model, leading to improved financial flexibility and resource allocation. As of March 31, 2026, we are pursuing the following projects under JDA / DA / JV arrangements:

Project	Location	Category	Developable Area (sq. ft.)	Entity Developing the Project	Model	Details of the JDA / DA / JV Partner	Project Status	Economic Interest

We also selectively partner with institutional investors to jointly acquire, develop and manage commercial and residential real estate projects through jointly owned platforms or project special purpose vehicles, in which we or one of our Subsidiaries typically act as the development manager and the institutional partner provides capital. We also selectively agree with institutional investors to sell, on completion of specified development milestones, all or a substantial part of our shareholding, ownership and management rights in a project special purpose vehicle developing a specified commercial asset to the institutional investor (or its affiliate or a fund or investment vehicle managed or advised by it).

Our strategy is to leverage our strong brand recognition and capabilities in execution, marketing and sales to expand our existing real estate business. By utilizing a variety of development models including joint ventures, JDAs and redevelopment alongside acquiring freehold and leasehold interests in land for development, we aim to capture a greater market share. This diversified approach positions us favourably to benefit from the industry's ongoing trend towards consolidation.

Continue to focus on all segments of residential projects while selectively developing retail, commercial and other projects as part of mixed-use developments

We have historically established our presence in the affordable and mid-income residential segments, providing quality, cost-effective housing solutions that cater to a broad demographic. Building upon this foundation, we intend to continue focusing on these segments while aligning with the evolving market demands and growing affluence in key urban areas such as Mumbai. The increasing disposable income and evolving tastes of our target customers present a significant opportunity for us to expand our offerings in the luxury segment, which may yield higher margins and enhanced market positioning.

Our strategic focus encompasses a balanced approach that prioritizes residential projects while selectively pursuing retail, commercial and other developments as integral components of mixed-use projects. This approach allows us to create integrated living and working environments that meet the diverse needs of urban dwellers. Our mixed-use developments are designed to foster vibrant communities by combining residential, retail and commercial spaces in a cohesive and sustainable manner. Furthermore, we will also focus on expanding our portfolio of annuity projects, such as commercial leasing and hospitality assets, to ensure a steady stream of predictable income. This approach not only enhances financial stability and mitigates market risks but also supports our continuous growth and capital preservation.

Furthermore, we are committed to expanding our footprint through plotted development projects on the outskirts of Mumbai. Recognizing the post-COVID demand for suburban living, we are exploring new opportunities in emerging hotspots such as Alibaug. Enhancements in infrastructure connectivity, including ferry service and new bridges, support these expansions and provide convenient access between these regions and Mumbai. By capitalizing on these infrastructural advancements, we aim to offer attractive residential options in well-connected suburban localities, thus fulfilling the increasing desire for quality living spaces outside the city's core.

Expand the use of IT driven processes

We are actively developing a digital ecosystem that serves the needs of our customers, channel partners, employees, vendors and leadership. For our customers, this involves revamping the customer application, customer portal and website. Vendor interactions are streamlined with vendor management systems. Centralized dashboards are being implemented for management and leadership to monitor performance and predict trends effectively. The reporting systems in place include Salesforce and SAP, ensuring comprehensive data management and analysis capabilities across our Group.

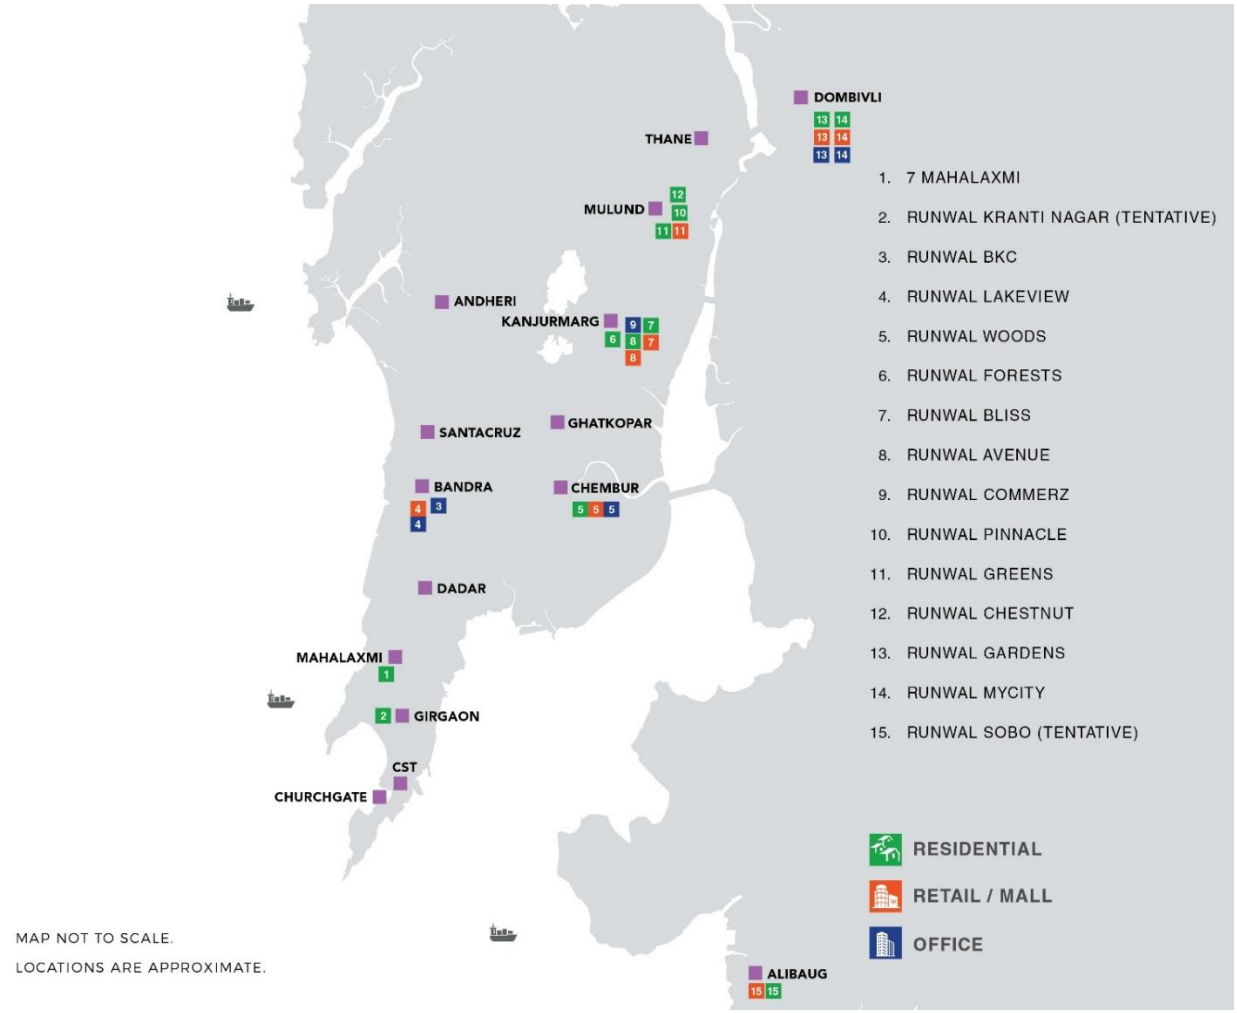

BUSINESS OPERATIONS

History of our Business

Our Group's history dates back to 1978 when Subhash Runwal established the legacy "Runwal group". The "Runwal group" was involved in the development of Runwal Nagar followed by the housing society, Runwal Plaza in Thane.

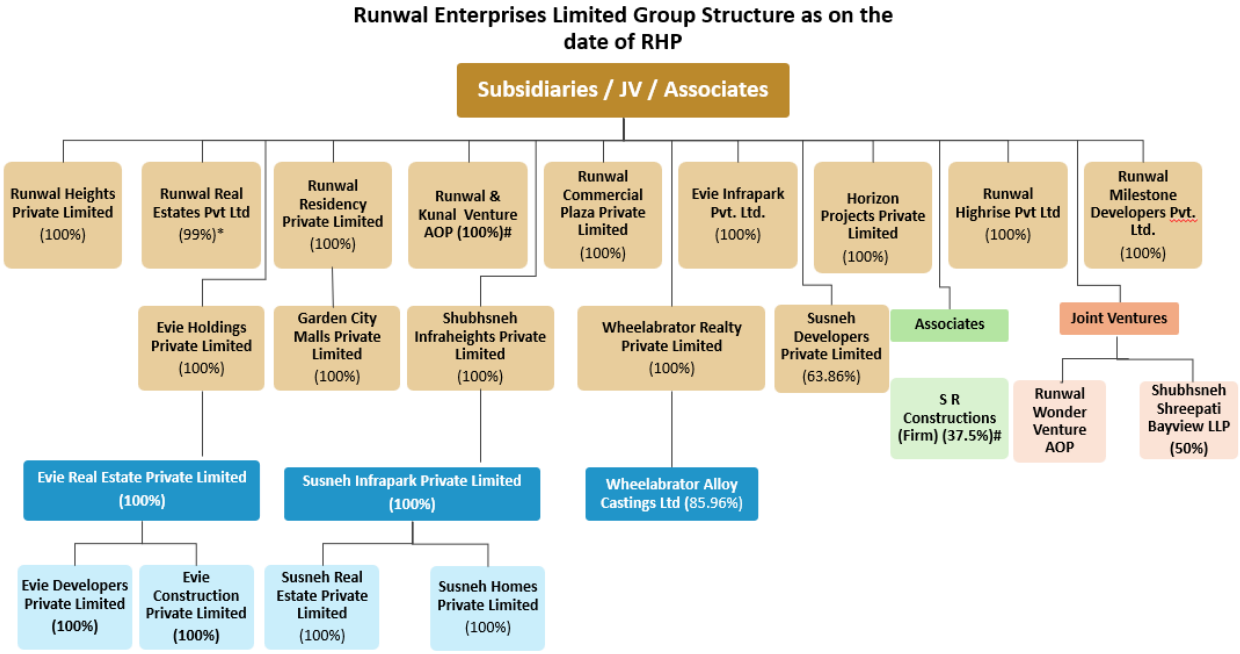

Our Group emerged as a separate entity under the leadership of Subodh Subhash Runwal when it was incorporated in 2016 (originally as "Propel Developers Private Limited"). The name of our Company was changed from "Propel Developers Private Limited" to "Runwal Apartments Private Limited" in 2021 and subsequently to "Runwal Enterprises Private Limited" in 2024. On October 4, 2024, our Company was converted into a public limited company.

The diagram below sets out the legacy "Runwal group's" presence in Maharashtra as of March 31, 2026.

Group Structure

As of the date of this Prospectus, our Group was structured as follows:

** % is given on fully diluted basis*
% held by REL together with its subsidiaries
Notes:
(1) Percentage is given on a fully diluted basis.
(2) Percentage is held by our Company together with our Subsidiaries.
(3) Pursuant to a scheme of amalgamation filed on February 4, 2025, the appointed date of amalgamation of Horizon Projects Private Limited into Evie Realty Private Limited is April 1, 2025. NCLT has approved the amalgamation by way of an order dated September 2, 2025.

Projects

Our real estate projects can be categorized into Completed Projects, Ongoing Projects and Upcoming Projects.

Completed Projects are those projects where our Company and/or Subsidiaries have completed development; and in respect of which the occupancy/completion certificate, as applicable, has been obtained as at the end of the relevant financial period. The following table sets out the number of Completed Projects and the Developable Area of our Completed Projects as of March 31, 2026:

Type of Project	Number of Projects	Developable Area *(in million square feet)*
Residential	12	11.55
Retail	5	0.42
Commercial (including schools)	2	0.12
Total	**19**	**12.09**

Ongoing Projects are those projects in respect of which (i) all title or development rights, or other interest in the land is held either directly or indirectly by our Company and/or Subsidiaries; (ii) the requisite approvals for commencement of development have been obtained; and (iii) sale and / or development work is ongoing/started as at the end of the relevant financial period. The following table sets out the number of Ongoing Projects and the Developable Area of our Ongoing Projects as of March 31, 2026:

Type of Project	Number of Projects	Developable Area *(in million square feet)*
Residential	17	18.11
Retail	7	0.97
Commercial (including schools)	4	0.80
Total	**28**	**19.88**

Upcoming Projects are those residential and/or commercial projects where (i) the land (or rights thereto) has been acquired; (ii) the business plan of the project is being finalized; and (iii) the design development and preconstruction activities and the process for seeking necessary approvals for the development of the project or part thereof has been initiated, but for which construction

and/or sales have not yet commenced as at the end of the relevant financial period. The following table sets out the number of Upcoming Projects and the Estimated Developable Area of our Upcoming Projects as of March 31, 2026:

Type of Project	Number of Projects	Estimated Developable Area *(in million square feet)*

Retail	5	5.44
Commercial (including mixed category)	8	6.05
Total	**33**	**56.41**

All of our Completed Projects, Ongoing Projects and Upcoming Projects are situated in Mumbai.

Types of Projects

Residential

Our residential projects are designed for affordable, middle-income, and luxury customers (or a combination thereof). Further, each of these projects typically contains various non-residential spaces to enhance their desirability and liveability. Our residential projects typically offer a host of lifestyle amenities including fitness centres, swimming pools, landscaped gardens, and recreational areas. Notable examples of such projects include Runwal Gardens, Runwal My City and Runwal Greens.

In each of our projects, to varying degrees, we develop the infrastructure, including roads, electricity, water and sewage systems, in phases. We also construct and sell the units in phases. Where it is advantageous, we offer a wide range of residential properties, including high-rise apartments and duplex apartments.

Our typical sales model for our residential projects is to receive a percentage of the purchase price as a down payment at the time of booking a particular unit and the remainder through periodic payments linked to certain activity or construction milestones. Units are typically sold in a phased process, beginning around the time we commence construction. We endeavour to sell a majority of the residential units prior to the completion of construction of our projects.

Set out below is a brief description of certain Upcoming Projects in our residential portfolio:

Commercial

Our commercial real estate projects comprise office, school, hospital, and townhall spaces. In some cases, we develop these projects as and when opportunities arise to complement our residential projects. In other cases, we develop these projects pursuant to legal requirements by virtue of construction in an integrated township, which is regulated by a special set of regulations that are formulated by the Maharashtra Regional Planning Board. Integrated townships are specially-defined and well-designed residential, commercial, retail and recreational areas having their own integrated waste management systems, water resource management and other amenities in place. By integrating residential projects with commercial spaces, we have sought to establish our developments as unique "destination developments" built on the theme of "live, learn, work, play". We believe such developments facilitate the creation of self-sufficient communities that enhance the desirability of the location of our residential units. We generate revenue from our commercial real estate projects through leasing.

Project Development Process

We have an established, five-step systematic process for real estate development: (i) land acquisition / joint development agreements; (ii) regulatory approvals; (iii) design and architecture; (iv) project execution; and (v) sales and marketing.

Land acquisition / Joint development

Our primary aim is to strategically secure expansive acreage for real estate development. Land acquisition is driven by our dedicated land acquisition team (along with inputs from our senior management) who work closely with various property consultants, industry bodies, architects, engineers, and design consultants who provide information regarding the availability of land, development restrictions, planned developments, and market trends specific to a location.

Our land acquisition process involves careful consideration and detailed analysis of a variety of different factors and data, including:

- Location, including surrounding developments, the neighbourhood, amenities, public services, transportation, infrastructure, landmarks, and views.
- Size of the development site.
- Zoning and end use of the site.
- Acquisition price.
- Gap analysis of current property development projects and market needs.
- Financial feasibility of the proposed project.
- Construction feasibility.
- Availability of utility services.
- Title searches.
- Environmental concerns.

- Demographic, market, population, and economic trends.
- Regulatory issues.

Upon conclusion of our due diligence, our senior management makes the final decision whether to proceed with the acquisition based on, among other things, the site's financial feasibility and the scope of the project to be developed. After a decision is made to acquire the site, we enter into negotiations with the relevant seller pursuant to which we enter into a memorandum of understanding.

Regulatory approvals

Given the constantly evolving framework of land development approvals in India, we utilize a compliance-driven approach in order to effectively manage risk and have efficient processes in place to secure timely delivery of development and construction approvals. Such tools and understanding are imperative for navigating the legal regime governing land development and maximizing a property's best use case. We also evaluate land titles through independent lawyers. Land development approvals are typically required in respect of zoning conversions, land development works, building plans, site layouts, environmental disturbance, and the infrastructure construction (e.g., electricity, water, sewer, etc.). These are required by various government, environmental authorities, airport, and fire authorities. Building completion or occupation certificates are obtained from the relevant government authorities after the construction of properties is completed.

Design and architecture

As a first step, we prepare a concept design for the project with inputs from departments across our Group, including the sales, marketing and business development teams. The concept design factors in product design, project configuration, project positioning, master-planning and landscaping. There is also a schematic design phase, following which civil aviation testing and the appointments of landscaping and interior design architects are carried out. Detailed value engineering is also undertaken to determine such criteria as building design and layout, sub-soil conditions, geological data, and site egress and ingress, in order to settle upon the optimal design and orientation of our projects.

Our internal team is responsible for carefully budgeting, planning, contracting and tracking the execution of this design development phase with third-party consultants. The work performed by these third parties must comply with our specifications and, in all cases, are subject to our ongoing review.

Further refinement of the detailed design and quality checks are conducted during the execution stage. This includes the production of: (i) detailed drawings of the planned development and construction product, along with dimensions; (ii) site paving and grading specifications; and (iii) phasing and scheduling plans. Upon finalization of the final design drawings, another set of construction drawings are prepared contained further detailed information, including minute design dimensions, wall thickness specifications, window dimensions and the location of air conditioning.

Project execution

Project execution is undertaken by a mix of internal and contracted personnel. While our construction is outsourced to reputable domestic contractors, we also have our own internal project monitoring team to ensure on-time, on-spec and on-budget execution. We issue tenders with relevant specifications and requirements for various activities including civil engineering, construction, interior, electrical, plumbing, and related services. We select third party contractors based on their past performance, expertise, quality of construction, project delivery times, and cost.

Our project monitoring team is present at every project site to ensure successful project execution in all facets of the operations. To do so, it adheres to standardized, IT-driven project execution processes. The team uses SAP enterprise resource planning software in order to constantly monitor budgeted cost and actual costs incurred, among other things. The team includes project engineers who perform the functions of managing land development and construction activities. We believe in continuous improvement and focus on identifying, testing, and implementing various new materials and mechanization options to improve productivity.

Our in-house quality control team manages our quality assurance and quality control processes for the entire lifecycle of our projects, from excavation until post-handover to our customers. We emphasize quality control to ensure that our buildings meet our own stringent standards and comply with relevant legal guidelines. We have also adopted advanced technologies and techniques to ensure the quality of our projects, including wind tunnel modelling to evaluate measures to improve the structural integrity and desirability of a project.

Our internal personnel are tasked with completing the processes required to achieve the necessary compliance and statutory certifications for each project, such as with respect to completion, occupation, fire safety, waste disposal, rain water harvesting, and recycling of water, where applicable. After completion of any project, day-to-day management and control of the project is typically transferred to the association of apartment unit purchasers. In certain circumstances, we also negotiate and arrange

for annual maintenance contracts at a property. The title of a property is only conveyed to a customer upon successful completion of the project and upon the entire consideration being paid to us, subject always to applicable laws.

Procurement

We procure building materials for our projects—including steel, cement, ready-mix concrete, aluminium shuttering, tiles, cables, sanitary ware, and door frames—from third-party suppliers. In certain cases, procurement responsibilities may also fall within the scope of third-party contractors engaged for specific works. We have an in-house procurement team that oversees sourcing, vendor management and cost efficiency to ensure timely and quality supply of materials.

Sales and marketing

Our sales and marketing effort adopts a customer-centric approach to dealing with existing and prospective buyers. This manifests itself in a variety of different ways, including implementing innovative and flexible marketing strategies to appeal to a broad market of customers, and employing transparent and customer-friendly processes to enhance customer experience and satisfaction. Our dedicated customer relationship team supports clients from property booking through to final delivery.

Our experienced marketing and sales team tracks market trends, enabling us to position our projects appropriately in terms of price point, thereby creating a consistent marketing strategy designed to build brand value and awareness. Each project is subject to differentiated sales strategies and multiple sales channels, managed either from our head office or through our branch and site offices. These include such mediums as:

- Digital marketing, which allows us to target specific customer segments efficiently.
- Traditional mass media advertising (e.g. newspaper and outdoor advertising).
- Participation in real estate exhibitions attended by potential property buyers.
- Direct sales efforts via email through our comprehensive database of existing and prospective customers.

Our projects are marketed through an in-house sales team and a network of brokers. We have dedicated in-house sales teams that interact with channel partners to drive walk-ins at our sites and facilitate deal closures. For our residential projects, we typically adopt a pre-sale model, offering units for sale before completion. We receive a portion of the purchase price as an advance at the time of the sale, with the remaining balance paid in instalments tied to construction milestones. We generally launch these projects and begin the sales process for a portion of the total units around the time construction commences.

The pricing of our projects is largely influenced by market forces of supply and demand. We typically conduct our pricing analysis prior to the pre-launch marketing of a project and periodically review prices, taking into account various factors. Our property prices are benchmarked against market rates for similar properties in the same locality. Consequently, the pricing of our properties depends on the location and the mix of properties we offer throughout the development, as well as current market supply and demand conditions. Several factors beyond our control affect the prices we can charge, including local economic and demographic conditions, purchasers' access to financing and sensitivity to interest rates, the availability of comparable properties (either completed or under development), changes in government zoning and land use policies, revisions to regulatory frameworks, and competition from other real estate developers. In setting our prices, we also consider the cost of land acquisition or development rights, estimated construction costs, a premium for the location and amenities provided, and the market trends for similar developments within the segment.

Competition

The real estate development industry in Mumbai is highly competitive. With its robust economy, abundant cost-effective talent pool, and favourable business environment, Mumbai has become an attractive destination for both domestic and international companies looking to establish their presence in the country. (*Source: JLL Report*) We face competition from various real estate developers (both large and small), corporations with large land reserves, as well as government bodies such as urban development authorities that are in the business of real estate development. We expect such competition to continue. Prominent competing real estate developers in Mumbai include: (i) the Lodha Group, the Hiranandani Group, the Rustomjee Group, Godrej Properties and the Kalpataru Group in the eastern suburbs submarket; and (ii) the Lodha Group, Dosti Realty, Marathon Realty and Raunak Group in the Kalyan Dombivli submarket. (*Source: JLL Report*)

Competition is based primarily on the availability and cost of land. The availability of suitable land parcels for our projects (particularly of the size and locations we target) is limited in Mumbai. However, we believe that our established brand and reputation in Mumbai and the quality of our design and construction provide us with a competitive advantage when competing for land development rights, as we believe third-party land owners recognize the premium that may be obtained on the sale or lease of projects developed under our brand.

To remain competitive, we also continually strive to reduce procurement costs and improve operating efficiencies.

Employees

Our employees are not covered by any collective bargaining agreements. We have not experienced any material strikes, work stoppages, labour disputes or actions by or with our employees, and we consider our relationship with our employees to be good.

As of March 31, 2026, our Company (including our Subsidiaries) had 1,181 permanent employees. The breakdown of our employees by function is as follows:

Function	Number of employees
Business development	10
Liaisoning	19
Design and architecture	17
Sales and marketing	210
Construction management	412
Contracts and procurement	76
Customer care, handover and post-sales services	164
Accounts and billing	103
Finance and corporate strategy	27
Human Resources	12
Others	131
Total	**1,181**

These figures do not include any third-party consultants or contractors (and any of their sub-contractors) who we also regularly engage on a contractual basis (e.g. labourers, engineers, architects, designers, etc.).

We believe that our employees are critical to our business. To achieve success and improve operational efficiency, we aim to hire and retain a high-performing workforce that best embodies our Group's beliefs and core values. We have in place robust training and development programs to prepare employees for their roles and view these programs as a necessary tool to maximizing employee performance.

We have in place procedures to consider any employee feedback and address any concerns that an employee may have. We believe that these procedures foster healthy employer-employee relations and help us retain our best employees.

Intellectual Property

As of the date of this Prospectus, we have 62 registered trademarks and 26 trademarks under application, for the names and logos of our brand "Runwal Enterprises" and our projects, including, amongst others, "Runwal Pinnacle", "Runwal Greens", which have been registered under various classes with the registrar of trademarks. Further, of the 26 pending applications, 6 have been opposed, 7 have been objected to and 13 have been accepted. The trademarks "  " and "  " have been registered in our name.

Health, Safety, and Environment

We are deeply committed to upholding high standards of applicable health, safety and environmental (HSE) laws and regulations in our business operations. To help ensure effective compliance and implementation of our safety policies and procedures, at the beginning of each new project we proactively identify potential material hazards and risks and throughout the project implement and monitor appropriate risk mitigation measures. We aim to both cultivate a safety-first culture, and to have zero incidents, in each of our projects. We believe that HSE breaches can be reduced through methodical analysis, risks control mechanisms, and the education and training of employees and contractors alike. We firmly recognize that HSE compliance is vital to ensure worker productivity and our reputation.

Insurance

Our operations face risks inherent to the real estate development industry, including accidents at project sites. We are also exposed to force majeure events such as fires, earthquakes, storms, floods, and explosions, including hazards that may result in personal injury or death and damage or destruction of property, equipment, and the environment. To mitigate these risks, we maintain, or in the case of our contractors procure the maintenance of, the following insurances for most projects, where applicable, for the duration of the project and the defect liability period:

- Building under construction insurance for projects under construction.

- Contractor's all-risk insurance (covering loss or damage to materials and property, price escalation, debris removal, damage to surrounding properties, etc.).

- General public liability insurance (covering damages for third-party civil claims arising out of bodily injury or property damage).

We do not have coverage for timely project completion and title insurance of our properties.

For details, see "*Risk Factors – We may incur losses that are uninsured or exceed the limits of our insurance coverage, which may have a material adverse effect on our business, financial condition and results of operations*." on page 51.

Information Technology

We utilize the following modern information technology systems and processes to ensure enhanced operational efficiency throughout our business operations:

- Software from SAP to streamline our processes across the real estate development lifecycle, including providing technology-driven solutions to help us achieve rapid business growth and expansion.

- Software from Salesforce as both: (i) a comprehensive customer relationship management (CRM) platform for managing sales, and customer service activities; and (ii) an analytics and reporting tool for performance tracking and actionable insights.

- A Program Management Office for each project that provides: (i) an independent and objective point of view of project performance against planned time, cost, and revenue, and its impact on project outcome; (ii) early identification of performance issues; and (iii) coherent management information system (MIS) reports that can enable informed, guided, and timely decisions.

We believe that these systems and technology in general allows us to streamline our processes while enhancing our monitoring and control capabilities.

Environmental, Social, and Governance

We are committed to sustainable development, integrating economic, social and environmental considerations throughout our operations. We believe that positively contributing to the lives of our diverse stakeholders in the community is critical to achieving a successful project. This commitment is evidenced in a variety of notable ways:

- Our environmental initiatives include the use of renewable fuels, the reduction of greenhouse gas emissions, water conservation and recycling. Our project, Runwal Gardens at Dombivli, exemplifies our focus on sustainable development, with an emphasis on greenery, water management, energy-efficient living and community green initiatives. In furtherance of this focus, in 2025, 7 Mahalaxmi received the pre-certification of 'Platinum' from the Indian Green Building Council, and in 2026, Runwal Forests and Runwal My City were conferred the OHSSAI Environment Award. In 2026, our Company was also conferred the "Green Crusader" award by the Bhamla Foundation.

- Our social priorities include health, safety, mental well-being, diversity and community impact, and our commitment to these priorities has been recognised across our projects. In 2021, Runwal Gardens and Runwal Bliss were conferred the OHSSAI Occupational Health & Safety Award, with a 'Gold Star' rating of 4.5 out of 5. In 2024, Runwal Gardens was conferred the International Safety Award by the British Safety Council. In 2025, Runwal Forests was conferred the International Safety Award by the British Safety Council. In 2026, (i) Runwal Gardens, Runwal My City, Runwal Pinnacle, Runwal Forests, 7 Mahalaxmi and Runwal City Centre were awarded International Safety Awards by the British Safety Council for demonstrating a strong commitment to good health and safety management during 2025; (ii) our projects received certificates of appreciation at the Lifting India Safety Awards 2026 for the successful completion of Runwal Forests and excellence in lifting safety management system for Runwal Gardens; and (iv) Runwal City Centre received the Safety Excellence Award (High Rise Lifting). In addition, our Company has been recognised and certified as a 'Great Place to Work' for three consecutive years (calendar years 2024 to 2026), reflecting our continued focus on workforce well-being.

- Our governance practices emphasize ethical standards, board diversity and active stakeholder engagement. By engaging in ESG reporting and striving for GRESB certification for our Runwal Bliss Phase 3 project (part of our Runwal City Centre project), we showcase our commitment to responsible business practices, enhancing our reputation and attracting socially conscious investors.

- Adopting green building standards to design and construct eco-friendly buildings (e.g. installing energy-efficient materials, using renewable energy systems, incorporating efficient insulation, implementing waste management practices such as reusing materials to minimize landfill waste, etc.).
- Practicing climate risk management, water conservation, and recycling.
- Upholding good corporate governance, ethical standards, board diversity, and active stakeholder engagement.
- Prioritizing the health and safety, mental well-being, diversity, and human rights of our workforce.
- Implementing comprehensive HSE training programs, conducting regular site audits, executing emergency mock drills, and promoting safety awareness and preparedness.
- The Subhash Runwal Education Foundation, a charitable organisation, was established by founder Subhash Runwal in 1983.

Corporate Social Responsibility

Our corporate social responsibility ("**CSR**") programme is integral to our commitment to contributing positively to society through activities that promote social, environmental, and economic well-being. Focusing on education, healthcare, community building and women's empowerment, our initiatives are tailored to support diverse groups in a meaningful way.

In education, we prioritize providing access to quality education for underprivileged students. We foster learning environments that promote education, including special education and vocational skills, especially among children, women, elderly, and the differently-abled.

Our healthcare initiatives aim to deliver essential services to the underprivileged. We conduct medical campaigns, improve access to preventative and curative care and support sustainable health projects.

Community building and women's empowerment are crucial to our efforts. We facilitate social development by supporting cultural and community events, fostering inclusivity and backing initiatives that enhance women's roles in economic progress.

Overall, our CSR strategy is designed to drive positive change in the communities around us, ensuring sustainable development and upliftment aligned with our corporate values.

The table below provides details on our CSR-related expenditures for Fiscals 2026, 2025 and 2024:

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024	
	Amount	Percentage of total expenses	Amount	Percentage of total expenses	Amount	Percentage of total expenses
	(₹ million)	*(%)*	*(₹ million)*	*(%)*	*(₹ million)*	*(%)*

PROPERTY RELATED LEGISLATIONS

Central Legislations

Real Estate (Regulation and Development) Act, 2016 ("RERA") and the rules thereunder

RERA seeks to regulate and promote real estate sector by establishing a specialized forum known as the Real Estate Regulatory Authority ("**Authority**") and to ensure sale of plot, apartment or building, as the case may be, or sale of real estate project, in an efficient and transparent manner and to protect the interest of consumers in the real estate sector and to establish an adjudicating mechanism for speedy dispute redressal. RERA mandates that promoters of an ongoing real estate project and for which completion certificate has not been issued can only market the project or book for selling or sell or offer apartments for sale if it has a valid registration with the Authority established under RERA. In terms of the provisions of RERA, a promoter, including that the promoters must park 70% of all project receivables in a separate account. Drawdown from such account is permitted for land and construction costs only, in proportion to the percentage of project completion (as certified by an architect, an engineer and a chartered accountant in practice). Further, a promoter can accept only up to 10% of the cost of the apartment, plot, or building as the case may be, as an advance payment or an application fee prior to entering into a written agreement for sale with any person. Further, the promoter is prohibited from creating any charge or encumbrance on any apartment after executing an agreement for sale for the same. In the event such charge or encumbrance is created, it will not affect the right and interest of the allottee. Further, the promoter shall not transfer or assign his majority rights and liabilities in respect of a real estate project to a third party without obtaining the prior written permission of two-third of the allottees and prior written approval of the Authority. RERA also ensures that the promoter does make any addition or alteration in the sanctioned plans without the previous written consent of two third of the allottees, other than the promoter, who have agreed to take apartments in such building. It is required that a promoter obtain all insurances in respect of the real estate projects such as insurance in respect of title of land and construction as and when the same is notified by the appropriate Government.

Non-registration of a real estate project as per RERA would result in penalties up to 10% of the estimated cost of the project as determined by the Authority. Contravention of any other provision of RERA or order issues by the Authority may result in penalties up to 5% of estimated cost of the project or imprisonment up to three years or both. Further, the promoter's contravention or failure to comply with any order of the Appellate Tribunal formed under the act will result in imprisonment for a term extending to three years or with a fine further up to 10% of the estimated cost of the project, or both.

Additionally, if the promoter fails to give possession of an apartment, plot or building in accordance with the terms of the agreement for sale, or due to discontinuance of business or suspension or revocation of registration under the RERA, in case the allottee wishes to withdraw from the project, he must return the amount received from the allottee, along with interest and compensation as provided under the RERA. Where an allottee does not intend to withdraw from the project, he shall be paid, by the promoter, interest for every month delay, till the handing over of the possession, at such rate as may be prescribed. In case there is a defect in the title of the land due to which the allottees suffer loss, then the promoter is liable to compensate the allottees for such loss. Further, in case of any structural defect or any other defect in workmanship, quality or provision of services or any other obligations of the promoter as per the agreement for sale brought to the notice of the promoter within five years of the handing of possession to the allottee, the promoter shall rectify such defect without further charge within thirty days and if he fails to do so, the aggrieved allottee shall be entitled to receive appropriate compensation.

We are also required to comply with the rules and regulations issued under RERA by the state governments. For instance, Maharashtra has issued the Maharashtra Real Estate (Regulation and Development) (Registration of Real Estate Projects, Registration of Real Estate Agents, Rates of Interest and Disclosure on Website) Rules, 2017 and Maharashtra Real Estate

(Regulation and Development) (Recovery of interest, Penalty, Compensation, Fine payable, Forms of Complaints and Appeal, etc.) Rules, 2017.

Transfer of Property Act, 1882 ("TP Act")

The TP Act establishes the general principles relating to the transfer of immovable property in India. It stipulates the general principles relating to the transfer of immovable property including, among other things, identifying the categories of property that are capable of being transferred, the persons competent to transfer property, the validity of restrictions and conditions imposed on the transfer and the creation of contingent and vested interest in the property. It also provides for the rights and liabilities of the vendor and purchaser and the lessor and lessee in a transaction for the sale or lease of property, as the case may be. The transfer of property as provided under the TP Act can be through sale, gift and exchange, while an interest in property can be transferred by way of a lease or mortgage.

Registration Act, 1908 ("Registration Act")

The Registration Act has been enacted with an objective, amongst other things, to provide a method of public registration of documents so as to give information to the public regarding legal rights and obligations arising or affecting a particular property, and to perpetuate documents which may afterwards be of legal importance, and also to prevent fraud. The Registration Act details the formalities for registering an instrument, and also provides for the procedure and timelines for registration, The Registration Act requires the compulsory registration of certain documents, including documents relating to the conveyance of immovable property. A document relating to the conveyance of immovable property must be registered within four months from the date of its execution and must be registered with the sub-registrar, within whose sub-district the whole or some portion of the property is situated. A document will not affect the property comprised in it, nor be treated as evidence of any transaction affecting such property (except as evidence of a contract in a suit for specific performance or as evidence of part performance under the TP Act or as collateral), unless it has been registered.

Indian Stamp Act, 1899 ("Stamp Act")

The Stamp Act requires stamp duty to be paid on all instruments specified in under the Stamp Act at the rates specified in the schedules to the Stamp Act. The applicable rates for stamp duty on instruments chargeable with duty vary from state to state. Instruments chargeable to duty under the Stamp Act, which are not duly stamped, are incapable of being admitted in a court of law as evidence of the transaction contained therein. The Stamp Act also provides for impounding of instruments that are not sufficiently stamped or not stamped at all by the collector and he may impose a penalty of the amount of the proper stamp duty, or the amount of deficient portion of the stamp duty payable.

Indian Easements Act, 1882 ("Easement Act")

The Easement Act governs easements in India, including the nature of easements as continuous or discontinuous and apparent or non-apparent. Under the Easement Act, an easement may be imposed by any person in the circumstances and to the extent to which he may transfer his interest in the property. In terms of the provisions of the Easement Act, an owner or occupier enjoys the right to enjoyment without disturbance by any other person. An easement is a right which the owner or occupier of certain land possesses for the beneficial enjoyment of that land and which permits him to do or to prevent something from being done, in or upon, other land not his own. The Easement Act prescribes certain conditions and restrictions to these rights, including confinement of exercise of these rights and liability for damages required to be paid in the event the land being subjected to such easement right is not repaired. Under the Easements Act, a license is defined as a right to use property without any interest in favour of the licensee. The period and incident upon which a license may be revoked and grounds for the same may be provided in the license agreement entered in between the licensee and the licensor.

National Building Code of India, 2016 (the "Code")

The Code a comprehensive building code prepared by the Bureau of Indian Standards, is a national instrument providing guidelines for regulating the building construction activities across the country. It serves as a model code for adoption by all agencies involved in building construction works, including the public works departments, other government construction departments, local bodies or/and private companies in the field of construction. The Code mainly contains administrative regulations, development control rules and general building requirements; fire safety requirements; stipulations regarding materials, structural design and construction (including safety) and building and plumbing services.

Ministry of Civil Aviation (Height Restrictions for Safeguarding of Aircraft Operations) Rules, 2015 ("Ministry of Civil Aviation Rules")

The Ministry of Civil Aviation Rules were notified under Section 5 read with Section 9A of the Aircraft Act, 1934 and last amended on December 5, 2023. They provide for the safety of aircraft operations by imposing restrictions on constructions situated around civil and defence airports, airstrips, communication, navigation and surveillance facilities used for aeronautical purposes in India ("**Aerodromes**"). It requires property developers to obtain no objection certificates for height clearance from

certain designated officers for constructing any structures within prescribed radius from civil, defence, state-owned and private Aerodromes.

The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 (the "Land Acquisition Act, 2013") and the rules framed thereunder

The Land Acquisition Act, 2013 was promulgated to provide a humane, participative, transparent and informed process for land acquisition by the government for its or public sector undertakings or public purpose under the Constitution of India for the purpose of industrialization, development of essential infrastructure facilities and urbanization, and fair compensation to affected persons for their resettlement and rehabilitation. The Land Acquisition Act, 2013 provides for the procedure for acquisition of land by the government, which includes, inter alia, the requirement of carrying out a social impact assessment. It contains provisions aimed at ensuring just and fair compensation to the affected families whose land has been acquired or is proposed to be acquired with least disturbance to the owners of the land.

Foreign Exchange Laws

The foreign investment in our Company is governed by *inter alia* the provisions of the Foreign Exchange Management Act, 1999, as amended read with the applicable Foreign Exchange Management (Non-Debt Instruments) Rules, 2019 as amended, the FDI Policy issued and amended by way of press notes, SEBI FPI Regulations and rules, regulations and notifications made by the Reserve Bank of India thereunder.

Currently, 100% FDI is permitted (except in the prohibited sectors) under the automatic route in companies which are engaged in construction-development projects (including development of townships, construction of residential/ commercial premises, roads or bridges, hotels, resorts, hospitals, educational institutions, recreational facilities, city and regional level infrastructure and townships) subject to compliance with prescribed conditions. The conditions prescribed are as follows:

(i) Each phase of the construction development project would be considered as a separate project;

(ii) The investor shall be permitted to exit on completion of the project or after development of trunk infrastructure i.e., roads, water supply, street lighting, drainage and sewerage. However, a person resident outside India shall be permitted to exit and repatriate foreign investment before the completion of project under automatic route, provided that a lock-in-period of three years, calculated with reference to each tranche of foreign investment has been completed. Further, transfer of stake from a person resident outside India to another person resident outside India, without repatriation of foreign investment will neither be subject to any lock-in period nor to any government approval;

(iii) The project shall conform to the norms and standards, including land use requirements and provision of community amenities and common facilities, as laid down in the applicable building control regulations, bye-laws, rules, and other regulations of the State Government/ municipal/ local body concerned;

(iv) The Indian investee company shall be permitted to sell only developed plots, i.e., plots where trunk infrastructure i.e., roads, water supply, street lighting, drainage and sewerage, have been made available;

(v) The Indian investee company shall be responsible for obtaining all necessary approvals, including those of the building/ layout plans, developing internal and peripheral areas and other infrastructure facilities, payment of development, external development and other charges and complying with all other requirements as prescribed under applicable rules/ bye-laws/ regulations of the State Government/ municipal/ local body concerned; and

(vi) The State Government/ municipal/ local body concerned, which approves the building/ development plans, will monitor compliance of the above conditions by the developer.

Condition of lock-in period does not apply to hotels and tourist resorts, hospitals, SEZs, educational institutions, old age homes and investment by NRIs or OCIs. Additionally, foreign investment up to 100% under automatic route is permitted in completed projects for operating and managing townships, malls/ shopping complexes and business centres. Consequent to such foreign investment, transfer of ownership and/ or control of the investee company from residents to non-residents is also permitted. However, there would be a lock-in-period of three years, calculated with reference to each tranche of foreign investment and transfer of immovable property or part thereof is not permitted during this period. Completion of the project will be determined as per the local bye-laws/ rules and other regulations of State Governments.

State Laws

State legislations provide for the planned development of urban areas and the establishment of regional and local development authorities charged with the responsibility of planning and development of urban areas within their jurisdiction. Real estate projects have to be planned and developed in conformity with the norms established in these laws and regulations made there under and require sanctions from the government departments and developmental authorities at various stages.

Unified Development Control and Promotion Regulations for Maharashtra ("UDCPR")

The State Government has introduced the UDCPR, which applies to building activities and development works on land within the jurisdiction of all planning authorities and regional plan areas except the Municipal Corporation of Greater Mumbai and other exclusions as specified in the UDCPR.

Key provisions of the UDCPR include:

- Increase in the floor space index ("**FSI**") enabling us to increase the size of units and correspondingly increase the Developable Area available for sale.
- Provisions for deferring payment of approval expenses that were previously required to be paid upfront. The payment of these expenses can now be deferred subject to payment of an interest at the rate of 8.5% per annum.
- A decrease in approval and other premium costs driven by a decrease in staircase premium charges, scrutiny fee, infrastructure charges and premium FSI charges.

The Maharashtra Stamp Act, 1958 (the "MS Act")

Stamp duty on instruments in the state of Maharashtra is governed by the MS Act. The MS Act levies stamp duty on documents/instruments which are specified in the schedule to the MS Act and by which any right or liability is or purports to be created, transferred, limited, extended, extinguished or recorded. All instruments chargeable with duty and executed by any person are required to be stamped before or at the time of execution or immediately thereafter on the next working day following the day of execution. It authorises the State Government on receiving information from any source, to call for examination of any instrument to satisfy itself that the market value of the property referred therein has been truly set forth and the duty paid on it is adequate. Instruments not duly stamped are incapable of being admitted in court as evidence of the transaction in question. The State Government has the authority to impound insufficiently stamped documents.

Maharashtra Land Revenue Code, 1966 (the "MLR Code")

The MLR Code is a consolidated code governing the sphere of land revenue and powers of revenue officers in the state of Maharashtra. Under the MLR Code, the commissioner is the chief controlling authority in all matters connected with the land revenue for a particular division within the state, subject to the superintendence, direction and control of the State Government. Land revenue has been defined to mean all sums and payments claimable by or on behalf of the State Government on account of any land or interest in or right exercisable over any land held or vested, and any cess or rate authorised by the State Government, any premium rent, lease money, quit rent or any other payment provided under any law or contract. All land, whether applied for agricultural or other purposes, and wherever situated, is liable for the payment of land revenue to the State Government as provided under the MLR Code, unless otherwise exempted. Further, any arrears of land revenue due on a land shall be a paramount charge on the land and shall have precedence over every other debt, demand or claim. Additionally, the Maharashtra Land Revenue (Conversion of Occupancy Class-II and Leasehold lands into Occupancy Class-I) Rules, 2019 were enacted on March 8, 2019 which provides details upon the fees applicable for conversion of Occupancy Class-II lands into Occupancy Class-I lands.

Maharashtra Tenancy and Agricultural Lands Act, 1948 (the "MTAL Act")

The MTAL Act governs the relations of landlord and tenants of agricultural lands over those areas of the state of Maharashtra within which our projects are situated. A tenancy has been defined in the MTAL Act as the relationship between the landlord and the tenant and recognises a deemed tenancy in favour of a person lawfully cultivating land belonging to another, subject to certain conditions. The MTAL Act lays down provisions with respect to the maximum and minimum rent for a tenancy, and the renewal and termination of a tenancy. The transfer of land to non-agriculturists is barred except in the manner provided under the MTAL Act. Agricultural land tribunals have been constituted under the MTAL Act with an officer not below the rank of a mamlatdar as the presiding officer.

Maharashtra Regional and Town Planning Act, 1966 (the "MRTP Act")

The MRTP Act has been enacted with the object of establishing local development authorities in Maharashtra to ensure better town planning and development of lands within their jurisdiction. The MRTP Act provides for the creation of new towns and compulsory acquisition of land required for public purposes. The MRTP Act provides a mechanism for the better preparation of planning proposal and their effective execution.

Mumbai Municipal Corporation Act, 1888 (the "Municipal Corporation Act")

The Municipal Corporation Act has been enacted to regulate the municipal administration of the city of Bombay (now Mumbai) and to secure the due administration of municipal funds. The Municipal Corporation of Brihan Mumbai, established under the

Municipal Corporation Act, carries out functions including, inter alia, granting of approvals for projects situated in Brihan Mumbai.

Mumbai Metropolitan Region Development Authority Act, 1974 (the "MMRDA Act")

The MMRDA Act has been enacted with the objective of forming Brihan Mumbai and certain areas roundabout into a Mumbai Metropolitan Region ("**Region**"), to enable the establishment of the Mumbai Metropolitan Region Development Authority ("**MMRDA**") for the purpose of planning, co-ordinating and supervising the proper, orderly and rapid development of the areas in that Region and of executing plans, projects and schemes for such development, and to deal with other matters connected therewith. The MMRDA carries out functions, *inter alia*, reviewing any project or scheme for development which may be proposed or be completed in the Mumbai Metropolitan Region, and financing any project or scheme for development in the Mumbai Metropolitan Region. The MMRDA also gives recommendations to the State Government on any matter action by the State Government or any other authority for overall development of the Mumbai Metropolitan Region, including by way of issuing regional plans for the Region.

Maharashtra Slum Areas (Improvement, Clearance and Redevelopment) Act, 1971 (the "Slums Act")

The Slums Act has been enacted with the objective of providing better provisions for the improvement and clearance of slum areas in the State of Maharashtra, redevelopment and protection of occupiers from eviction and distress warrants. It establishes a specialised authority known as the Slum Rehabilitation Authority that is engaged in surveying and reviewing existing position regarding slum areas, formulation of schemes for rehabilitation of slum areas and to get the scheme implemented. The Slums Act provides that provisional slum rehabilitation scheme will be published by the authority to invite the objections and suggestions regarding the general slum rehabilitation scheme that will be implemented for areas as specified by the State Government. The scheme generally lays down the parameters for declaration of any area as the slum rehabilitation area and indicate the manner in which rehabilitation of the area declared as the slum rehabilitation area will be carried out. The SRA is responsible to submit to the State Government each financial year, an annual financial statement and the program of work for the succeeding financial year along with the estimated receipts, expenditures during the succeeding financial year The SRA can undertake improvement works such as (i) laying of water mains, sewers and storm water drains; (ii) provision of urinals, latrines, community baths, and water taps; (iii) widening, realigning or paving of existing roads, lanes and pathways and constructing new roads, lanes and pathways; (iv) providing street lighting; (v) cutting, filling, levelling and landscaping the area; (vi) partial development of the area with a view to providing land for purposes such as parks, playgrounds, welfare and community centres, schools, dispensaries, hospitals, police stations, fire stations and other amenities run on a non-profit basis; (vii) demolition of obstructive or dilapidated buildings or portions of buildings; (viii) any other matter for which it is expedient to make provision for preventing the area from being or becoming a source of danger to safety or health or a nuisance.

Maharashtra Fire Prevention and Life Safety Measures Act, 2006 (the "Fire Safety Act")

The Fire Safety Act has been enacted to make more effective provisions for fire prevention and life safety measures in various types of buildings in different areas in the State of Maharashtra, imposition of fee and constitution of a special fund. The Director or the Chief Fire Officer or the nominated officer may, after giving three hours' notice to the occupier, or if there is no occupier, to the owner of any place or building or part thereof, enter and inspect such place or building or part thereof at any time between sunrise and sunset where such inspection appears necessary for ascertaining the adequacy or contravention of fire prevention and life safety measures. If the Director or the Chief Fire Officer is satisfied that due to inadequacy of fire prevention and life safety measures the condition of any place or building or part thereof is in imminent danger to person or property, then notwithstanding anything contained in this Act, or any other law for the time being in force, he shall, by order in writing, require the persons in possession or in occupation of such place or building or part thereof to remove themselves forthwith from such place or building or part thereof.

The Maharashtra Ownership of Flats (Regulation of the Promotion of Construction, Sale, Management and Transfer) Act, 1963 ("Ownership of Flats Act")

The Ownership of Flats Act applies throughout the State of Maharashtra. It applies to promoters who intend to construct a block or building of flats on ownership basis. The Ownership of Flats Act requires promoters to make full and true disclosures regarding the nature of title to land on which the construction is to take place and all encumbrances on the land. The promoter is required to enter into a written agreement for the sale of flats with each purchaser and the agreement contains prescribed particulars with relevant copies of documents. These agreements must be compulsorily registered. Any contravention of the provisions of the act may be punishable with imprisonment for a term of up to three years or a fine, or both.

The Maharashtra Apartment Ownership Act, 1970 ("MAO Act")

The MAO Act, as amended, was enacted to provide for the ownership of an individual apartment in a building and to make such apartment heritable and transferable property in the state of Maharashtra. The MAO Act provides for, *inter alia*, provisions related to ownership of apartments, common areas and facilities, common profits and expenses, bye-laws, insurance, disposition of property etc.

The Maharashtra Housing and Area Development Act, 1976 ("MHADA")

MHADA has been enacted for giving effect to the policy of the state towards securing distribution of ownership and control of the material resources of the community so as best to serve the common good. To give effect to this policy, MHADA provides for execution of proposals, plans or projects, acquisition of lands and buildings and transferring the lands, buildings or tenements to needy persons and cooperative societies of occupiers of such lands or buildings. MHADA consolidated the law relating to housing, repairing and reconstruction of dangerous buildings and carrying out improvement works in slum area. It establishes the Maharashtra Housing and Area Development Authority with a view to integrate the activities and functions of different corporate and statutory bodies.

Maharashtra Rent Control Act, 1999 ("**MRC Act**")

The MRC Act aims to unify and consolidate rental housing in the state including repairs and eviction and encourages the construction of new houses by assuring a fair return on investment by landlords. The MRC Act regulates all the rights and duties of landlords and tenants. The landlord is made responsible for the maintenance and modification of the residential or commercial property. The MRC Act also provides for multiple penalty provisions, these include imprisonment for a term which may extend to three months or with fine which may extend to one thousand rupees or with both in case the landlord withholds any essential service enjoyed by the tenant without any just cause.

The Development Control and Promotional Regulations (DCPR) 2034 ("DCPR 2034")

The DCPR 2034 came into effect from September 1, 2018, with some provisions coming into force on November 13, 2018. The DCPR 2034 primarily governs all the building development activity and development work in the jurisdiction of Municipal Corporation of Greater Mumbai and covers redevelopment projects that were to obtain completion certificate. All development, development, erection and/or re-erection of a building. as well as to the design, construction or reconstruction of, and additions and alterations to a building. by our Company must be in accordance with the requirements and specifications including safety requirements provided under the regulations and be compliant with the safety requirements provided in the DCPR 2034.

Maharashtra Co-operative Societies Act, 1960 ("Co-operative Societies Act")

The Co-operative Societies Act provides for the orderly development of the Co-operative movement in state of Maharashtra in accordance with the relevant directive principles of state policy enunciated in the Constitution of India. The Co-operative Societies Act provides the application process and conditions for registration of co-operative societies. Further, the Co-operative Societies Act specifies the eligibility criteria of and voting by members of co-operative societies. The Co-operative Societies Act permits the state government to subscribe to the shares of a co-operative society with limited liability or provide funds to a co-operative society for the purchase of shares in other co-operative societies. The Co-operative Societies Act, inter alia, governs management, audit and liquidation of co-operative societies. Contravention of the provisions of the Co- operative Societies Act is punishable with a fine, imprisonment or both.

Environment Laws

We are subject to various environmental regulations as the operation of our establishments might have an impact on the environment in which they are situated. The basic purpose of the statutes listed below is to control, abate and prevent pollution. In order to achieve these objectives, Pollution Control Boards ("**PCBs**"), have been set up in each state and at the central level. The PCBs are responsible for setting the standards for maintenance of clean air and water, directing the installation of pollution control devices in industries and undertaking inspections to ensure that industries are functioning in compliance with the standards prescribed. These authorities also have the power of search, seizure and investigation. All industries are required to obtain consent orders from the PCBs, which are indicative of the fact that the industry in question is functioning in compliance with the pollution control norms. These consent orders are required to be renewed periodically.

The Environment (Protection) Act, 1986 (the "EPA")

The EPA is an umbrella legislation that has been enacted with the objective of protecting and improving the environment and for matters connected therewith. As per the EPA, the Central Government has been given the power to take all such measures for the purpose of protecting and improving the quality of the environment and to prevent as well as control environmental pollution. Further, the Central Government has been given the power to give directions in writing to any person or officer or any authority for any of the purposes of the EPA, including the power to direct the closure, prohibition or regulation of any industry, operation or process.

Environment (Protection) Rules, 1986 ("Environment Rules")

The Environment Rules lay down specific provisions regarding standards for emission or discharge of environmental pollutants and prohibition on carrying out industrial activities in certain geographical locations. Pursuant to the Environment Rules, every person who carries on an industry, operation or process requiring consent under the Water (Prevention and Control of Pollution)

Act, 1974 or Air (Prevention and Control of Pollution) Act, 1981 or shall submit to the concerned Pollution Control Board ("**PCB**") an environmental statement for that financial year in the prescribed form.

The Environmental Impact Assessment Notification, 2006 ("EIA")

As per the EIA, 2006, any construction of new projects or activities or the expansion or modernisation of existing projects or activities as listed in the Schedule attached to the EIA Notification entailing capacity addition with change in process and or technology can be undertaken only after the prior environmental clearance from the Central government or as the case may be, by the State Level Environment Impact Assessment Authority, duly constituted by the Central government under the provisions of the Environment (Protection) Act, 1986, in accordance with the procedure specified in the EIA Notification. The environmental clearance process for new projects comprises of four stages viz. screening, scoping, public consultation and appraisal.

The Water (Prevention and Control of Pollution) Act, 1974 (the "Water Act")

The Water Act aims to prevent and control water pollution by factories and manufacturing units and maintain and restore the quality and wholesomeness of water. It prohibits the use of any stream or well for the disposal of polluting matter, in violation of the standards set out by the concerned PCB. The Water Act also provides that the consent of the concerned PCB must be obtained prior to opening of any new outlets or discharges, which are likely to discharge sewage or effluent.

Air (Prevention and Control of Pollution) Act, 1981 (the "Air Act")

The Air Act provides for the prevention, control and abatement of air pollution. It requires that any industry or institution emitting smoke or gases must apply in a prescribed form and obtain consent from the state PCB prior to commencing any activity. The state PCB is required to grant, or refuse, consent within four months of receipt of the application. The consent may contain conditions relating to specifications of pollution control equipment to be installed.

Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016 ("Hazardous Waste Rules")

The Hazardous Waste Rules regulate the management, treatment, storage and disposal of hazardous waste by imposing an obligation on every occupier and operator of a facility generating hazardous waste to obtain an approval from the relevant state pollution control board and to dispose of such waste without harming the environment.

Municipal Solid Wastes (Management and Handling) Rules, 2000 ("Waste Management Rules, 2000") as superseded by Solid Waste Management Rules, 2016 ("Waste Management Rules, 2016")

The Waste Management Rules, 2000 applied to every municipal authority responsible for collection, segregation, storage, transportation, processing and disposal of municipal solid wastes. Any municipal solid waste generated in a city or a town, was required to be managed and handled in accordance with the compliance criteria and the procedure laid down in Schedule II of the Waste Management Rules, 2000. The Waste Management Rules, 2000 made the persons or establishments generating municipal solid wastes responsible for ensuring delivery of wastes in accordance with the collection and segregation system as notified by the municipal authority. The Waste Management Rules, 2000 have been superseded by the Waste Management Rules, 2016 which stipulate various duties of waste generators which, *inter alia*, include segregation and storage of waste generated by them in the manner prescribed in the Waste Management Rules, 2016; separate storage of construction and demolition waste and payment of user fee for solid waste management as specified in the bye-laws of the local bodies.

Costal Regulation Zone Notification, 2019 ("CRZ")

The CRZ has been issued to protect the unique environment of coastal stretches and marine areas, and to promote sustainable development based on scientific principles taking into account the dangers of natural hazards, and sea-level rise due to global warming. As per the Notification, the coastal stretches of the country and the water area up to its territorial water limit have been declared a coastal regulation zone. The CRZ set out a list of prohibited activities within the coastal regulation zone which, *inter alia*, include land reclamation. The CRZ mandates approval from various authorities before the construction of building for residential purposes in the coastal regulation zone. Further, the CRZ has categorized all open areas indicated in the development plans of the Greater Mumbai area within CRZ-II as a no development zone and prohibited residential and commercial uses of such open spaces. However, a floor space index up to 15% is permitted for construction of civic amenities within CRZ-II, as defined in the CRZ for Greater Mumbai area.

Public Liability Insurance Act, 1991 ("Public Liability Act")

The Public Liability Act imposes a liability on the owner or controller of hazardous substances for any damage arising out of an accident involving such hazardous substances. A list of 'hazardous substances' covered by the legislation has been enumerated by the Government by way of a notification. The owner or handler is also required to take an insurance policy insuring against liability under the legislation. The rules made under the Public Liability Act mandate that the employer has to

contribute towards the Environment Relief Fund and, a sum equal to the premium paid on the insurance policies. This amount is payable to the insurer. Any party violating the provisions of the Public Liability Act can be imposed with a fine, imprisonment or both.

Digital Personal Data Protection Act, 2023 ("DPDP Act")

The DPDP Act was introduced to provide for the processing of digital personal data in a manner that recognizes both the right of individuals to protect their personal data and the need to process such personal data for lawful purposes and for matters connected therewith or incidental thereto. The DPDP Act has replaced the Section 43(A) (Compensation for failure to protect data) of Information Technology Act, 2000. Under the DPDP Act, the personal data of a data principal may only be processed for a lawful purpose for which the data principal has given consent or for certain legitimate purposes.

A notice must be given before seeking consent. It further imposes certain obligations on data fiduciaries including (i) make reasonable efforts to ensure the accuracy, consistency and completeness of personal data, (ii) build reasonable security safeguards to prevent a data breach, (iii) inform the Data Protection Board of India (the "DPB") and affected persons in the event of a breach, and (iv) erase personal data upon the data principal withdrawing consent and as soon as the purpose has been met and retention is not necessary for legal purposes (storage limitation). In case of government entities, storage limitation and the right of the data principal to erasure will not apply. The DPDP Act establishes "legitimate purpose" for which personal data can be processed such as (i) for the specified purpose for which the data principal has voluntarily provided his/her personal data to the data fiduciary and in respect of which he/she has not indicated to the data fiduciary that he/she does not consent to the use of her personal data; (ii) for the Government and Parliament of India, the Government and the Legislature of each of the States of India, all local authorities, and other authorities within the territory of India or under the control of the Government of India ("State") and any of its instrumentalities to provide or issue to the data principal such subsidy, benefit, service, certificate, licence or permit as may be prescribed, subject to certain conditions; (iii) for the performance by the State or any of its instrumentalities of any function under any law for the time being in force in India or in the interest of sovereignty and integrity of India or security of the State; (iv) for fulfilling any obligation under any law for the time being in force in India on any person to disclose any information to the State or any of its instrumentalities, subject to such processing being in accordance with the provisions regarding disclosure of such information in any other law for the time being in force (v) for compliance with any judgment or decree or order issued under any law for the time being in force in India, or any judgment or order relating to claims of a contractual or civil nature under any law for the time being in force outside India; (vi) for responding to a medical emergency involving a threat to the life or immediate threat to the health of the data principal or any other individual; (vii) for taking measures to provide medical treatment or health services to any individual during an epidemic, outbreak of disease, or any other threat to public health; (viii) for taking measures to ensure safety of, or provide assistance or services to, any individual during any disaster, or any breakdown of public order; (ix) for employment related purposes.

In January 2025, the Central Government released the draft Digital Personal Data Protection Rules, 2025 ("Rules") for public consultation, accompanied by an explanatory note that provides further context to the Rules. The DPDP Act left the prescription of various implementation details, such as the manner of seeking verifiable consent and reporting personal data breaches, to the Central Government. The Rules largely seek to provide for these matters and to introduce certain additional requirements. The Digital Personal Data Protection Rules, 2025 were notified by the Central Government on November 14, 2025 (with a corrigendum dated December 16, 2025). Rules 1, 2 and 17 to 21 came into force on the date of publication in the Official Gazette, while Rule 4 (relating to registration and obligations of consent managers) shall come into force one year after publication. The Data Protection Board of India has also been established.

Labour Laws

In addition to the aforementioned material legislations which are applicable to our Company, other legislations that may be applicable to the operations of our Company include:

- Contract Labour (Regulation and Abolition) Act, 1970;
- Factories Act, 1948;
- Child Labour (Prohibition and Regulation) Act, 1986;
- Inter State Migrant Workers Act, 1979;
- Payment of Wages Act, 1936;
- Payment of Bonus Act, 1965;
- Employees' State Insurance Act, 1948;
- Employees' Provident Funds and Miscellaneous Provisions Act, 1952;

- Equal Remuneration Act, 1976;
- Payment of Gratuity Act, 1972;
- Minimum Wages Act, 1948;
- Employee's Compensation Act, 1923;
- Building and other Construction Workers (Regulation of Employment and Condition of Service) Act, 1996;
- Maternity Benefit Act, 1961;
- Industrial Disputes Act, 1947;
- The Industries (Development and Regulation) Act, 1951;
- The Industrial Employment Standing Orders Act, 1946;
- The Trade Unions Act, 1926 and the Trade Union (Amendment) Act, 2001;
- Maharashtra Shops and Establishments (Regulation of Employment and Conditions of Service) Act, 2017; and
- Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act and Rules, 2013.

In order to rationalize and reform labour laws in India, the Government of India has framed four labour codes, namely:

(a) ***Code on Wages, 2019***, which regulates and amalgamates wage and bonus payments and subsumes four existing laws namely – the Payment of Wages Act, 1936, the Minimum Wages Act, 1948, the Payment of Bonus Act, 1965 and the Equal Remuneration Act, 1976 received the assent of the President of India on August 8, 2019. It regulates, inter alia, the minimum wages payable to employees, the manner of payment and calculation of wages and the payment of bonus to employees. Certain provisions of this code pertaining to central advisory board have been brought into force by the Ministry of Labour and Employment through a notification dated December 18, 2020, and other provisions of this code will be brought into force on a date to be notified by the Government of India.

(b) ***Industrial Relations Code, 2020***, which consolidates and amends laws relating to trade unions, the conditions of employment in industrial establishments and undertakings, and the investigation and settlement of industrial disputes received the assent of the President of India on September 28, 2020. It received the assent of the President of India on September 28, 2020. The provisions of this code are proposed to be brought into force on a date to be notified by the Central Government. It will subsume and simplify the Trade Unions Act, 1926, the Industrial Employment (Standing Orders) Act, 1946 and the Industrial Disputes Act, 1947.

(c) ***Code on Social Security, 2020***, received the assent of the President of India on September 28, 2020. Through its notification dated December 18, 2020, the Government of India brought into force sections 42(1), 42(2), 42(3), 42(10), 42(11), 67(2)(s), 67(2)(t) (to the extent that they relate to the central advisory board) and 69 (to the extent that it relates to sections 7, 9 (to the extent that they relate to the Government of India) and 8 of the Minimum Wages Act, 1986)) of the Code on Wages, 2019. The Government of India has brought into force certain provisions of the code. The remaining provisions of this code will be brought into force on a date to be notified by the Government of India. It amends and consolidates several separate legislations including the Employee's Compensation Act, 1923, the Employees' State Insurance Act, 1948, the Employees' Provident Funds and Miscellaneous Provisions Act, 1952, the Employment Exchanges (Compulsory Notification of Vacancies) Act, 1959, the Maternity Benefit Act, 1961, and the Payment of Gratuity Act, 1972.

(d) ***Occupational Safety, Health and Working Conditions Code, 2020***, received the assent of the President of India on September 28, 2020, which amends , consolidate and subsumes thirteen existing legislations, including, *inter alia* Factories Act, 1948, the Contract Labour (Regulation and Abolition) Act, 1970, the Inter-State Migrant Workmen (Regulation of Employment and Conditions of Service) Act, 1979 and the Building and Other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996.

Taxation Laws

Income Tax Act, 2025 and the Income Tax Rules, 2026, as amended by the Finance Act in respective years.

The Income Tax Act, 2025 (the "Income Tax Act") is applicable to every company, whether domestic or foreign, whose income is taxable under the provisions of the Income Tax Act or rules made thereunder depending upon its "Residential Status" and

"Type of Income" involved. The Income Tax Act provides for the taxation of persons resident in India on global income and persons not resident in India on income received, accruing or arising in India or deemed to have been received, accrued or arising in India. Every company required to pay income tax under the Income Tax Act is required to comply with the provisions thereof, including those relating to tax deduction at source, advance tax, minimum alternative tax, etc. with effect from April 1, 2026, the Government enacted the Income tax Act, 2025, pursuant to which a comprehensive and simplified framework for taxation has been introduced, including streamlined provisions relating to computation of income, classification of income, and compliance requirements.

Goods and Services Tax ("GST")

GST is levied on supply of goods or services or both jointly by the Central and State Governments. It was introduced as the Constitution (One Hundred and First Amendment) Act 2017 and is governed by the GST Council. GST provides for imposition of tax on the supply of goods or services and will be levied by central on intra-state supply of goods or services and by the States including Union territories with legislature/ Union Territories without legislature respectively. A destination-based consumption tax GST would be a dual GST with the central and states simultaneously levying tax with a common base. The GST law is enforced by various acts viz. Central Goods and Services Act, 2017 (CGST), State Goods and Services Tax Act, 2017 (SGST), Union Territory Goods and Services Tax Act, 2017 (UTGST), Integrated Goods and Services Tax Act, 2017 (IGST) and Goods and Services Tax (Compensation to States) Act, 2017 and various rules made thereunder.

Every person liable to take registration under these Acts shall do so within a period of 30 days from the date on which he becomes liable to registration. The Central/State authority shall issue the registration certificate upon receipt of application. The Certificate shall contain fifteen-digit registration numbers known as Goods and Service Tax Identification Number (GSTIN). In case a person has multiple business verticals in multiple locations in a state, a separate application will be made for registration of each and every location. The registered assessee is then required to pay GST as per the rules applicable thereon and file the appropriate returns as applicable thereon. GST has replaced following indirect taxes and duties at the central and state levels.

The Customs Act, 1962, and Customs Tariff Act, 1975

The stipulations prescribed by the Customs Act of 1962 and its corresponding regulations are enforceable during the importation of goods into India from foreign territories, as well as during the exportation of goods from India to foreign destinations. Additionally, the Customs Tariff Act of 1975 establishes the applicable rates for the imposition of customs duties as per the provisions outlined in the Customs Act of 1962.

Intellectual Property Laws

Intellectual Property in India enjoys protection under both common law and statute. Under statute, India provides for trademark protection under the Trademark Act, 1999 and design protection under the Designs Act, 2000. The above enactments provide for protection of intellectual property by imposing civil and criminal liability for infringement.

Other Legislations

Additionally, we are required to comply with other legislations such as the laws governing taxation aspects of our business. Goods and services tax legislations (including Central Goods and Services Tax Act, 2017, Integrated Goods and Services Tax Act, 2017, States Goods and Services Tax Act, 2017 are applicable to us.

Further, pursuant to the listing of the Equity Shares on the Stock Exchanges, we shall also be governed by:

SEBI Listing Regulations

The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, commonly referred to as the SEBI Listing Regulations, are a comprehensive framework established by SEBI to govern the listing of securities on recognized stock exchanges in India. These regulations aim to ensure transparency, protect investor interests, and promote fair and efficient securities markets. They prescribe continuous disclosure obligations for listed companies, including timely reporting of financial results, material events, corporate governance practices, and compliance with various operational and procedural requirements. The regulations also set forth the responsibilities of listed entities, stock exchanges, and other market participants.

Securities Exchange Board of India (Issue and Listing of Securitised Debt Instruments and Security Receipts) Regulations, 2008

The Securities and Exchange Board of India (Issue and Listing of Securitised Debt Instruments and Security Receipts) Regulations, 2008, provide a regulatory framework for the issuance and listing of securitised debt instruments and security receipts in India. These regulations are designed to facilitate the development of a transparent, efficient, and secure market for

asset-backed securities by outlining the eligibility criteria, disclosure requirements, and procedural guidelines for issuers. They aim to protect investor interests by ensuring timely and adequate disclosure of information related to the underlying assets, cash flows, and credit enhancements associated with securitized instruments.

Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021

The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021, establish a comprehensive framework governing the issuance and listing of non-convertible securities, including non-convertible debentures, in India. These regulations aim to enhance transparency, investor protection, and market efficiency by prescribing detailed disclosure requirements, eligibility criteria, and procedural norms for issuers and intermediaries involved in the issuance process. The regulations also mandate continuous listing obligations, including timely disclosure of material events and financial information, to ensure that investors have access to relevant and accurate data throughout the life cycle of the securities.

SEBI Insider Trading Regulations

The SEBI Insider Trading Regulations are a set of rules established to prevent the misuse of unpublished price-sensitive information by insiders of a listed company or an entity proposing to list its securities. These regulations aim to ensure fair and equitable securities markets by prohibiting trading in securities by individuals who possess unpublished price-sensitive information that could materially affect the price of the securities. They mandate strict disclosure requirements, establish codes of conduct for insiders and designated persons, and provide a framework for monitoring and reporting insider trading activities.

Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003

The Securities and Exchange Board of India (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulations, 2003, establish a regulatory framework aimed at preventing fraudulent and unfair trade practices in the Indian securities market. These regulations define and prohibit a wide range of manipulative and deceptive activities, including price rigging, insider trading, false or misleading statements, market manipulation, and other practices that undermine market integrity. By setting out clear guidelines and enforcement mechanisms, the regulations seek to protect investors, promote transparency, and maintain fair and orderly market conditions

DIVIDEND POLICY

Our Company has adopted a dividend distribution policy ("**Dividend Policy**") pursuant to a resolution of the Board dated March 22, 2025. In accordance with the Dividend Policy of our Company, our Articles of Association and the Companies Act, the Board shall determine the dividend for a particular period based on cashflows, profit earned and available for distribution during the financial year, business projections and taking into account the future capital/revenue expenditure requirement of the Company and other parameters set out in the Dividend Policy.

In terms of our Dividend Policy, the quantum of dividend, if any, and our ability to pay dividends will depend on several factors, including but not limited to (i) internal factors, such as the funding requirements, profits earned and distributable surplus during the year; and (ii) external factors such as economic environment, capital markets, statutory provisions or guidelines, industry outlook or any other factor as deemed fit by our Board.

The dividend pay-out shall be determined by the Board after taking into account a number of factors, including but not limited to (i) internal factors such as overall financial position of the Company, funds required to service any outstanding loans, funds required for functioning of the subsidiaries, buy-back plans, investments including mergers and acquisitions; and (ii) external factors such as any significant changes in laws, any significant change in the industry, geopolitical conditions, other political challenges and unforeseen events. Any future determination as to the declaration and payment of dividends will be at the discretion of our Board.

In addition, our ability to pay dividends may be impacted by a number of external factors, including significant macro-economic environment, regulatory and technological changes, and restrictive covenants under the loan or financing arrangements, our Company is currently availing of or may enter into, to finance our fund requirements for our business activities. For further details, see "*Financial Indebtedness*" on page 398.

Our Company has not declared and paid any dividends on the Equity Shares during the financial years ended March 31, 2026, March 31, 2025, March 31, 2024 and from April 1, 2026 until the date of this Prospectus. There is no guarantee that any dividends will be declared or paid by our Company in the future. For details, see "*Risk Factors Our Company cannot assure payment of dividends of equity shares in the future*." page 52.

Notes:
(i) There were no changes in other equity due to changes in accounting policies.
(ii) During the year, as part of a business combination under common control, the Company issued 0.01% Redeemable Preference Shares amounting to ₹10.00 million for a tenure of 20 years, as part of the purchase consideration.
In accordance with Appendix C to Ind AS 103 – Business Combinations of Entities under Common Control, the difference between the purchase consideration (fair value of the preference shares issued) and the present value of the liability component of these shares, amounting to ₹ 8.50 million, has been recognised as Capital Reserve under Other Equity.

Pursuant to the requirements of Ind AS 32 – Financial Instruments: Presentation, these preference shares, being redeemable in nature, have been classified as a financial liability rather than equity.

As prescribed by Ind AS 109 – Financial Instruments, the liability is initially recognised at its present value, determined by discounting the contractual cash flows using the effective interest rate (EIR) of 9.60% (based on comparable borrowing rates). The difference between the nominal coupon rate (0.01%) and the EIR is recognised in the Statement of Profit and Loss as finance cost through interest unwinding over the tenure of the instrument. Consequently, the carrying amount of the liability will accrete to ₹10.00 million at maturity.

** The above amount represents opening balance of retained earnings of M/s Horizon Projects Private Limited transferred to M/s Evie Realty Private Limited on account of merger.

2 Summary of Material Accounting Policies

i Basis of preparation and presentation of Restated Consolidated Financials Statements

The Restated Consolidated Financial Statements comprise financial statements of Runwal Enterprises Limited (“the Holding Company”) together with its subsidiaries (collectively referred to as the “Group”) and its joint venture and associate entity for the year ended March 31, 2026, March 31, 2025 and March 31, 2024, the Restated Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Restated Consolidated Statement of Cash Flows, the Restated Consolidated Statement of Changes in Equity and Material Accounting Policies and other explanatory information (Notes to the Restated Consolidated Financial Statements) for the year ended March 31, 2026, March 31, 2025 and March 31, 2024 (hereinafter collectively referred to as “Restated Consolidated Financial Statements”).
The accounting policies have been consistently applied by the Group in preparation of the Restated Consolidated Financial Statements.
These restated financial statements have been prepared by the Management of the Company which is to be included in the Red Herring Prospectus (RHP) and the Prospectus to be filed by the Company with Securities and Exchange Board of India (“SEBI”) in connection with its proposed Initial Public Offer (IPO) of equity shares of the Company.

These Restated Consolidated Financial Statements have been prepared to comply in all material respects with the requirements of:
a) Section 26 of Part I of Chapter III of the Companies Act, 2013 (the "Act");

b) Relevant provisions of The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018, as amended issued by the Securities and Exchange Board of India ("SEBI") on September 11, 2018 as amended from time to time in pursuance of the Securities and Exchange Board of India Act, 1992 ("The SEBI ICDR Regulations").

c) The Guidance Note on Reports in Company Prospectuses (Revised 2019) issued by the Institute of Chartered Accountants of India ("ICAl, as amended from time to time (the "Guidance Note").

The Restated Consolidated Financial Statements have been compiled by the Management from:
a) Audited consolidated financial statements of the Group as at and for the years ended March 31, 2026, March 31, 2025 and March 31, 2024 which were prepared in accordance with the Indian Accounting Standard (referred to as "Ind AS") as prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules 2015,as amended, other accounting principles generally accepted in India, and presentation requirements of Division Il of Schedule Ill of Companies Act, 2013, as applicable to Consolidated Financial Statements, which have been approved by the Board of Directors at their meeting held on August 27, 2026, September 22, 2025, August 10, 2024 respectively.

The Group has prepared its restated consolidated financial statements on the basis that it will continue to operate as a going concern.

a. Compliance with Ind AS
The restated consolidated financial statements of the Group has been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act 2013 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to this consolidated financial statements.
The restated consolidated financial statements have been prepared using the material accounting policies and measurement bases summarized as below. These accounting policies have been applied consistently over all the periods presented in these Restated Consolidated Financial Statements, except where the Group has applied certain accounting policies and exemptions upon transition to Ind AS.

b. Historical Cost Convention
The restated consolidated financial statements have been prepared on a historical cost basis, except for the following:
• Certain Financial instruments are measured at fair value.

c. Preparation of Restated Consolidated Financial Statement
As per the format prescribed under Division II of Schedule III to the Companies Act, 2013, the Group presents the Consolidated Restated Statement of Assets & Liabilities, the Consolidated Restated Statement of Profit and Loss, the Restated Consolidated statement of Cash Flows and the Restated consolidated Statement of Changes in Equity. The accounting policies have been applied consistently over all the year presented in these Restated Consolidated Financial Statements.

Principles of Consolidation and Equity Accounting
(i) Subsidiaries
Subsidiaries are all entities over which the Group has control. The Group controls an entity, when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect the returns through its power to direct the relevant activities of the entity.

Subsidiaries are fully consolidated from the date on which control is transferred to the Group. Control is reassessed whenever facts and circumstances indicate that there may be a change in any of these elements of control. They are deconsolidated from the date that control ceases.

The Group combines the financial statements of the Holding Company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains or losses on transactions between Group companies are eliminated.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the Restated Consolidated Statement of Profit and Loss, Restated Consolidated Statement of Changes in Equity and Restated Consolidated Statement of Assets & Liabilities respectively.

(ii) Associates/ Joint Venture

Associates or Joint Ventures are all entities over which the Group has significant influence or Joint control but not control. This is generally the case where the group holds between 20% and 50% of the voting rights or where decisions over the relevant activities are unanimous in case of joint venture. Investments in associates and joint ventures are accounted for using the equity method of accounting after initially being recognized at cost.

Under the equity method of accounting, the excess of cost of investment over the proportionate share in equity of the associate/ joint venture as at the date of acquisition of stake is identified as goodwill or capital reserve as the case may be and included in the carrying value of the investment in the associate/ joint venture.

The carrying amount of the investment is adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses of the investee in Consolidated Statement of Profit and Loss, and the Group's share of other comprehensive income of the investee in Consolidated Other Comprehensive Income. However, the share of losses is accounted for only to the extent of the cost of investment. Subsequent profits of such associates/ joint ventures are not accounted for unless the accumulated losses (not accounted for by the Group) are recouped. Additional losses are provided for to the extent that the Group has incurred obligations or made payments on behalf of the associate and joint venture to satisfy obligations of the associate and joint venture that the Group has guaranteed or to which the Group is otherwise committed. Unrealised gains or losses on transactions between the Group and its associates and joint ventures are eliminated to the extent of the Group's interest in these entities.

d. Business Combinations

The Group applies the acquisition method in accounting for business combinations for the businesses which are not under common control. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

a) Deferred tax assets or liabilities and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 'Income Tax' and Ind AS 19 'Employee Benefits' respectively.

b) Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.

c) Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 'Financial Instruments', is measured at fair value with changes in fair value recognised in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS.

Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and its subsequent settlement is accounted for within equity.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or OCI, as appropriate.

Business combinations under common control

Business combinations involving entities that are controlled by the group are accounted for using the pooling of interests method as follows:

• The assets and liabilities of the combining entities are reflected at their carrying amounts.
• No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.
• The financial information in the restated financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.

• The balance of the retained earnings appearing in the restated consolidated financial statements of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
• The identity of the reserves are preserved and the reserves of the transferor become the reserves of the transferee.
• The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

e. Current vs Non-Current classification

The Group presents assets and liabilities in the Restated Consolidated Balance Sheet based on current/ non-current classification.
An asset is treated as current when it is:
i) Expected to be realised or intended to be sold or consumed in normal operating cycle.
ii) Held primarily for the purpose of trading
iii) Expected to be realised within twelve months after the reporting period, or
iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.
A liability is current when:
i) It is expected to be settled in normal operating cycle
ii) It is held primarily for the purpose of trading
iii) It is due to be settled within twelve months after the reporting period, or
iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

The Group classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The operating cycle of the Group's real estate operations varies from project to project depending on the size of the project, type of development, project complexities and related approvals. Accordingly, project related assets and liabilities are classified into current and non-current based on the operating cycle of the project. All other assets and liabilities have been classified into current and non-current based on a period of twelve months.

f. Functional and Presentation Currency

The restated consolidated financial statements are presented in Indian Rupee ("₹") which is also the functional currency of the Group. All values are rounded off to the nearest Millions.

ii Use of Accounting Judgements, Assumptions and Estimates

In the application of the Group's accounting policies, management of the Group is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Following are the key areas of judgements, assumptions and estimates which have significant effect on the amounts recognized in the consolidated financial statements:

a. Estimation of Net Realisable Value (NRV) for inventory

Inventory is stated at the lower of cost and net realizable value (NRV).

NRV of completed or developed inventory is assessed by reference to market conditions, prices and trends existing at the reporting date and is determined by the Group based on comparable transactions observed /identified for similar properties in the same geographical market serving the same real estate segment.

NRV in respect of inventory under development is assessed with reference to market prices and trends existing at the reporting date for similar completed property, less the estimated cost to complete construction and an estimate of the time value of money to the date of completion.

Estimated cost to complete is reviewed at each year end by considering cost escalation and overruns basis the progress of the project.

b. Impairment of other Non-Financial Assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Group estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

c. Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about the risk of default and expected loss rates. the Group uses judgement in making these assumptions and selecting the inputs for impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

d. Useful life and residual value of Property, Plant and Equipment

Useful lives of Property, Plant and Equipment are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice. Assumptions also need to be made when the Group assesses whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

e. Recognition and Measurement of Defined Benefit Obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, expected return on plan assets, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post employment benefit obligations.

f. Fair Value Measurement of Financial Instruments

When the fair values of the financial assets and liabilities recorded in the Balance Sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market wherever possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in assumptions could affect the fair value relating to financial instruments.

g. Provision and Contingent Liability

On an ongoing basis, Group reviews pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual in restated consolidated financial statements. Loss Contingencies that are considered possible are not provided for but disclosed as Contingent liabilities in the Restated Consolidated financial statements. Contingencies the likelihood of which is remote are not disclosed in the restated consolidated financial statements. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

h. Recognition of Deferred Tax Assets

Deferred tax assets are recognised for unused tax-loss carry forwards and unused tax credits to the extent that realisation of the related tax benefit is probable. The assessment of the probability with regard to the realisation of the tax benefit involves assumptions based on the history of the entity and budgeted data for the future.

iii Measurement of Fair Values

The Group measures financial instruments, such as certain investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

The Group has an established control framework with respect to the measurement of fair values. The Management regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the Management assesses the evidence obtained from third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, the Group uses observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.
Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data.
If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.
The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

iv Property, Plant & Equipment

a. Recognition and Measurement

Items of property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. The Cost of an item of Property, Plant and Equipment comprises of:

i. its purchase price, including import duties and non-refundable purchase taxes after deducting trade discounts and rebates.

ii. any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by Management.

iii. the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which the Group incurs either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period.

iv. Borrowing costs relating to acquisition / construction / development of Property, Plant and Equipment, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use.

v. Income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by Management are recognised in Restated Statement of Profit and Loss. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

b. Subsequent Expenditure

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing Property, Plant and Equipment, including repair and maintenance expenditure and cost of replacing parts are charged to the Restated Statement of Profit and Loss for the period during which such expenses are incurred.

Expenses incurred for acquisition of capital assets excluding advances paid towards the acquisition of Property, Plant and Equipment outstanding at each Balance Sheet date are disclosed under Capital Work in Progress.

Capital Work in Progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Restated Statement of Profit and Loss of the Group in the year of disposal.

c. Depreciation

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets. The useful life of the assets are based on the useful lives as per Schedule II of the Companies Act, 2013.

Nature of the asset	**Useful life**
Computers	3 years
Plant & Machinery	15 years
Office Equipment	5 years
Vehicle	8 years
Furniture and Fittings	10 years
Server & Networks	6 years
Buildings	60 years

The estimated useful lives of assets based on management estimates and technical evaluation that are different from the life specified in Schedule II to the Companies Act, 2013, are as follows:

Nature of the asset	**Useful life**	**Useful life as per Companies Act**
Aluminium Formwork (Plant & Machinery)	5 years	15 years

The residual values, useful life and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

d. Derecognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any Gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the Restated Statement of Profit and Loss, when the asset is derecognised.

v Investment Properties

Building, that is held for long-term rental yields or for capital appreciation or both, and that is not in use by the Group, is classified as Investment Property. Investment property is measured initially at its acquisition cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an Investment property is replaced, the carrying amount of the replaced part is derecognised. The carrying amount of investment property is reviewed periodically for impairment based on internal and external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.
Investment properties (Building) are depreciated on a pro-rata basis on the straight line method over the estimated useful lives of the assets, which are in line with Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets.
Initial direct costs incurred by the Group in negotiating and arranging an operating lease shall be added to the carrying amount of the leased asset and recognised as an expense over the lease term on the same basis as the lease income.
Depreciation is provided on the straight line method to allocate the cost of assets, net of their residual values, over their estimated useful lives.
The estimated useful life of investment property is 60 years.
An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of property is recognised in the Restated Statement of Profit and Loss in the same period.

vi Intangible Assets and Amortization

Intangible Assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over their estimated useful lives. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Restated Statement of Profit and Loss.

The estimated useful life of intangible assets are as follows:

Nature of the asset	**Amortisation period**
Computer software	6 years

vii Foreign Currency Transactions / Translations

a. Foreign exchange transactions are recorded at the closing rate prevailing on the dates of the respective transactions or at the contracted rates as applicable.
b. Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.
c. Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in the Restated Statement of Profit and Loss in the period in which they arise.

viii Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

a. Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

i. Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, the Group makes an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the 'Reserve for equity instruments through other comprehensive income. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

iii. Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless the Group irrevocably elects on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

iv. Impairment of investments

the Group reviews its carrying value of investments carried at cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted in the Restated Statement of Profit and Loss.

v. Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Group's Restated Statements of Assets & Liabilities) when:

- the right to receive cash flows from the asset have expired, or

- the Group has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) the Group has transferred substantially all the risks and rewards of the asset, or (b) the Group has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Group has transferred its right to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Group continues to recognise the transferred asset to the extent of the Group's continuing involvement. In that case, the Group also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Group has retained.

vi. Impairment of financial assets

the Group assesses at each date of Restated Statements of Assets & Liabilities whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. the Group recognises lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

b. Financial Liabilities and Equity Instruments

i. Classification as Debt or Equity

Debt and equity instruments issued by a Group are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

ii. Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Group are recognised at the proceeds received, net of direct issue costs.

iii. Financial Liabilities

All financial liabilities are recognised initially at fair value and in case of financial liabilities at amortised cost, net of directly attributable transaction costs. All financial liabilities are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in restated statement of profit and loss when the liabilities are derecognised as well as through the Effective Interest Rate (EIR) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the restated statement of profit and loss.

iv. Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Restated Statement of Profit and Loss.

c. Reclassification of Financial Assets and Liabilities

The Group determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassify cation is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Group's senior management determines change in the business model as a result of external or internal changes which are significant to the Group's operations. Such changes are evident to external parties. A change in the business model occurs when the Group either begins or ceases to perform an activity that is significant to its operations. If the Group reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Group does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

d. Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

e. Redeemable preference shares

The redeemable preference shares issued by the Group is a compound financial instrument and is classified separately as financial liability and equity in accordance with the substance of the contractual arrangement and the definitions of a financial liability and an equity instrument. At the date of issue, fair value of the liability component is estimated using the prevailing market interest rate of a similar non-compound instrument. This amount is recognised as liability on an amortised cost basis using the effective interest rate method until extinguished at the instrument's maturity date. The difference between the fair value of the liability component at the date of issue and the issue price is recognised as the other equity.

ix Inventories

Direct expenditure relating to Real Estate Development activity is inventorised. Other expenditure (including borrowing costs) during construction period is inventorized to the extent the expenditure is directly attributable cost of bringing the asset to its working condition for its intended use. Other expenditure (including borrowing costs) incurred during the construction period which is not directly attributable for bringing the asset to its working condition for its intended use is charged to the restated statement of profit and loss. Direct and other expenditure is determined based on specific identification to the construction and real estate activity. Cost incurred/ items purchased specifically for projects are taken as consumed as and when incurred/ received.

a. Inventories comprise of: (i) Finished Realty Stock representing unsold premises in completed projects (ii) Construction Work in Progress representing properties under construction /development (iii) cost of unused land represents land held for development on which construction activities are yet to commence.

b. Inventories are valued at lower of cost and net realisable value.

c. Cost of Realty construction / development is charged to the Restated Statement of Profit and Loss in proportion to the revenue recognised during the period and the balance cost is carried over under Inventory as part of either Realty Work in Progress or Finished Realty Stock. Cost of Realty construction / development includes all costs directly related to the Project (including finance cost attributable to the project) and other expenditure as identified by the Management which are incurred for the purpose of executing and securing the completion of the Project (net off incidental recoveries / receipts) upto the date of receipt of Occupation Certificate of Project from the relevant authorities.

Realty Work in Progress includes cost of land, premium for development rights, transferable development rights (TDR), construction costs, allocated interest and expenses incidental to the projects undertaken by the Group.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

x Revenue Recognition

a. The Group has applied five step model as set out in Ind AS 115 to recognise revenue in this Financial Statements:

Step 1. Identify the contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2. Identify the performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3. Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4. Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group will allocate the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation.

Step 5. Recognise revenue when (or as) the entity satisfies a performance obligation.

The Group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

- The customer simultaneously receives and consumes the benefits provided by the Group's performance as the Group performs; or

- The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or

- The Group's performance does not create an asset with an alternative use to the Group and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period of time based on the conditions in the contracts with customers.

The specific revenue recognition criteria are described below:

(i) Income from Property Development
The Group has determined that the existing terms of the contract with customers does not meet the criteria to recognise revenue over a period of time. Revenue is recognized at point in time with respect to contracts for sale of residential and commercial units as and when the control is passed on to the customers which is linked to the receipt of occupancy certificate and on issuing the possession letter of the property.

(ii) Sale of Materials, Land and Development Rights
Revenue is recognized at point in time with respect to contracts for sale of Materials, Land and Development Rights as and when the control is passed on to the customers.

(iii) Income from Investment in Partnership Firms & LLP, AOPs
Share of profit / loss in Partnership firms is recognized when the right to receive is established as per agreement / agreed terms between all the partners / members.

(iv) Interest income
Interest income is accounted on an accrual basis at effective interest rate (EIR method).

(v) Dividend income
Dividend income is recognized when the right to receive the payment is established.

(vi) Commission income
Revenue is recognized when the Company's right to receive the payment is established.

b. Contract Balances

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. If the Group performs by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liability is the obligation to transfer goods or services to a customer for which the Group has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when the Group performs under the contract.

c. Cost to obtain a contract

The Group recognises as an asset the incremental costs of obtaining a contract with a customer if the Group expects to recover those costs. the Group incurs costs such as sales commission when it enters into a new contract, which are directly related to winning the contract.

xi Income Tax

a. Current Income Tax:

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable profit for the period. The tax rates and tax laws used to compute the amount are those that are enacted by the reporting date and applicable for the period.

b. Deferred Tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for all deductible and taxable temporary differences arising between the tax bases of assets and liabilities and their carrying amount in restated consolidated financial statements, except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of transaction.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax asset in respect of carry forward of unused tax credits and unused tax losses are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

c. Presentation of Current and Deferred Tax:

Current and deferred tax are recognized as income or an expense in the Restated Statement of Profit and Loss, except when they relate to items that are recognized in OCI, in which case, the current and deferred tax income/ expense are recognized in restated OCI. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Group.

xii Employee Benefits

a. Short Term Employee Benefits

Short term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

b. Post Employment Benefits

(i) Defined Contribution Plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided.
Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(ii) Defined Benefit Plans

Payment of Gratuity to employees is in the nature of a defined benefit plan. Provision for Gratuity is recorded on the basis of actuarial valuation certificate provided by the actuary using Projected Unit Credit Method.

The Group's net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for the Group, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise of actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest) are recognised immediately in Restated Other Comprehensive Income (OCI). Net interest expense/ (income) on the net defined liability / (assets) is computed by applying the discount rate, used to measure the net defined liability / (asset). Net interest expense and other expenses related to defined benefit plans are recognised in the Restated Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the Restated Statement of Profit and Loss. the Group recognises gains and losses on the settlement of a defined benefit plan when the settlement occurs.

c. Other Long Term Employee Benefits

The Group's liability towards compensated absences is determined by an independent actuary using Projected Unit Credit Method. Past services are recognised on a straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Restated Statement of Profit and Loss as income or expense or recognized under Restated Other Comprehensive Income to the extent such actuarial gains or losses arise due to experience adjustments. Obligation is measured at the present value of the estimated future cash flows using a discounted rate that is determined by reference to the market yields at the Balance Sheet date on Government Bonds where the currency and terms of the Government Bonds are consistent with the currency and estimated terms of the defined benefit obligation.

xiii Leases

a. Where Group is the Lessee

The Group applies a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. the Group recognises lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

i. Right-of-use assets

The Group recognises right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

ii. Lease liabilities

At the commencement date of the lease, the Group recognises lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, the Group uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

iii. Short term leases and leases of low value of assets

The Group applies the short-term lease recognition exemption to those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

b. Where Group is the Lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset is classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

xiv Borrowing Cost

Borrowing costs are interest and other costs that the Group incurs in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing.

Borrowing costs allocated to qualifying assets pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the time all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

xv Cash and Cash Equivalent

Cash and cash equivalent as reported in the Restated Statement of Assets & Liabilities comprise cash at banks & on hand and short term deposits with an original maturity of three months or less which are subject to an insignificant risk of changes in value. However, for the purposes of the Restated Statement of Cash Flow, cash and cash equivalents comprise of cash and short term deposits as defined in Ind AS 7.

xvi Earnings Per Share

Basic earnings per share is computed by dividing the restated profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the restated profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net off any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

xvii Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognized when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed for:

(i) possible obligations which will be confirmed only by future events not wholly within the control of the Group or

(ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognised in Restated Financial Statements. If an inflow of economic benefits has become probable, contingent assets are disclosed.

Contingent Assets are assessed continually to ensure that developments are appropriately reflected in the Restated Financial Statements. If it has become virtually certain that an inflow of economic benefits will arise, the asset and the related income are recognised in the Restated Financial Statements of the period in which the changes occurs.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting date.

xviii Segment Reporting

The Board monitors the operating results of its business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The operating segments have been identified on the basis of nature of product / services.

The Group is not engaged in any other segment other than Reat Estate.

Note :

Nature and purpose of reserves

i) Capital Reserve on account of merger

Capital Reserve generated on account of Merger of M/s Ruhel Media Private Limited & Goodwill has been recognised on account of merger of M/s Runwal Homes Private Limited with M/s Runwal Enterprises Limited (Formerly known as Runwal Enterprises Private Limited and Runwal Apartments Private Limited).

*During the period, as part of a business combination under common control, the Company issued 0.01% Redeemable Preference Shares amounting to ₹ 10.00 Million for a tenure of 20 years, as part of the purchase consideration.

In accordance with Appendix C to Ind AS 103 – Business Combinations of Entities under Common Control, the difference between the purchase consideration (fair value of the preference shares issued) and the present value of the liability component of these shares, amounting to ₹8.50 million, has been recognised as Capital Reserve under Other Equity.

Pursuant to the requirements of Ind AS 32 – Financial Instruments: Presentation, these preference shares, being redeemable in nature, have been classified as a financial liability rather than equity.

As prescribed by Ind AS 109 – Financial Instruments, the liability is initially recognised at its present value, determined by discounting the contractual cash flows using the effective interest rate (EIR) of 9.60% (based on comparable borrowing rates). The difference between the nominal coupon rate (0.01%) and the EIR is recognised in the Statement of Profit and Loss as finance cost through interest unwinding over the tenure of the instrument. Consequently, the carrying amount of the liability will accrete to ₹ 10.00 Million at maturity.

ii) Capital Reserve on account of Consolidation

Capital Reserve generated on account of consolidation of subsidiaries.

Susneh Infrapark Limited was acquired by the Holding Company in the year 2021-22. On acquisition capital reserve of ₹ 2,029.35 Millions was accounted. The capital reserves includes equity component of convertible instrument subscribed by Evie Real Estate Private Limited.

On acquisition of Evie Real Estate Private Limited by the Holding Company the above transaction was eliminated and impact has been given in the capital reserve. Since, one part of elimination was in other equity.

Capital Reserve generated on account of consolidation of subsidiaries after giving effect of inter company elimination. On account of acquisition of M/s Evie Real Estate Private Limited brief description of inter elimination tabulated as :

M/s Evie Real Estate Private Limited	**As at March 31, 2026**	**As at March 31, 2025**	**As at March 31, 2024**

* The weighted average number of shares takes into account the weighted average effect of potential equity shares.

46 Significant accounting judgements, estimates and assumptions

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances existing when the financial statements were prepared. The estimates and underlying assumptions are reviewed on an ongoing basis. Revision to accounting estimates is recognised in the period in which the estimates are revised and in any future year affected.

As at March 31, 2026

47 (I) Business Combination under Common Control

The Board of directors of the respective companies through the resolution dated July 17, 2024, has acquired 100% stake in "M/s Evie Real Estate Private Limited".

b) Defined benefit plans

The level of benefits provided depends on the member's length of service and salary at retirement age.

The gratuity plan is covered by The Payment of Gratuity Act, 1972. Under the gratuity plan, all employees are entitled to Gratuity Benefits on exit from service due to retirement, resignation or death at the rate of 15 days' salary for each year of service. The vesting period for gratuity as payable under The Payment of Gratuity Act, 1972 is 5 years.

No other post-retirement benefits are provided to these employees.

The most recent actuarial valuation of the present value of the defined benefit obligation were carried out at March 31, 2026 by Independent, Qualified Actuary. The present value of the defined benefit obligation, and the related current service cost and past service cost, were measured using the projected unit credit method.

The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.

The sensitivity analysis presented above may not be representative of the actual change in the Defined Benefit Obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

Furthermore, in presenting the above sensitivity analysis, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the Defined Benefit Obligation as recognised in the balance sheet.

There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

53 Fair values Disclosure

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.
Fair value of cash and short-term deposits, trade and other short term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short-term maturities of these instruments.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:
Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities
Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly
Level 3: techniques which use inputs that have a significant effect on the recorded fair value that are not based on observable market data

As at March 31, 2026

For the year ended March 31, 2026, March 31, 2025 and March 31, 2024 there were no transfers between Level 1 and Level 2 fair value measurements.

Description of significant unobservable inputs to valuation:

The Group assessed that cash and cash equivalents, loans, short term deposits/loans/overdrafts, trade receivables, trade payables and other current liabilities/assets approximate their carrying amounts largely due to the short-term maturities of these instruments.
As loans are current in nature, fair value of inter corporate loans given are considered to be at carrying amount.
The fair values for security deposits (Utility) approximates its carrying amount as the same are repayable on demand.

Fair Value of financial assets which are measured at amortised cost

Particulars	As at March 31, 2026	As at March 31, 2025	As at March 31, 2024

54 Capital management

For the purpose of the Group's capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the parent. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group's policy is to maintain a strong capital base so as to maintain investor, creditor, and market confidence and to sustain future development of the business. Management monitors the return on capital as well as the level of dividends to ordinary shareholders.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Group includes within net debt, interest bearing loans and borrowings, less cash and cash equivalents, excluding discontinued operations.

The Group's adjusted net debt to equity ratio is as follows -

Particulars		As at March 31, 2026	As at March 31, 2025	As at March 31, 2024
Borrowings (Refer Note 24, 30 and 33)		29,793.74	23,498.52	17,864.62
Less: Cash and Cash Equivalents (Refer Note 16)		2,012.64	991.92	1,552.35
Adjusted Net debt	(A)	**27,781.10**	**22,506.60**	**16,312.27**
Total Equity	(B)	8,448.16	4,850.75	4,510.81
Debt Equity ratio	(C) = (A)/(B)	**3.29**	**4.64**	**3.62**

In order to achieve this overall objective, the Group's capital management, amongst other things, aims to ensure that it meets financial covenants attached to the interest-bearing loans and borrowings that define capital structure requirements. Breaches in meeting the financial covenants would permit the bank to immediately call loans and borrowings. There have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current year.

No changes were made in the objectives, policies or processes for managing capital for the year ended March 31, 2026, March 31, 2025 and March 31, 2024

55 Financial risk management objectives and policies

The Group's principal financial liabilities comprise borrowings, trade and other payables. The main purpose of these financial liabilities is to finance the Group's operations. The Group's principal financial assets include loans, trade and other receivables, and cash and cash equivalents that derive directly from its operations.

The Group is exposed to market risk, credit risk and liquidity risk arising from financial instruments. The Group's senior management oversees the management of these risks. The Group's risk management policies are established to identify, analyse and measure the risk faced by the Group and to set appropriate tolerance limits and mitigation measures. These policies further help in monitoring risks and adherence to tolerance limits. These risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Group activities. The Group through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations.

a) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits.

(i) Currency Risk

Foreign currency risk is the risk that the fair value or the future cash flows of an exposure will fluctuate because of changes in the foreign exchange rate. The Group undertakes few/negligible transactions denominated in foreign currencies only for availing certain services. Hence Foreign currency risk is not significant in comparison to Group's operations.

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and floating rate loans and borrowings.

(iii) Interest Rate Sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

The following assumptions have been made in calculating the sensitivity analyses:

The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2026, March 31, 2025 and March 31, 2024.

The sensitivity analyses in the following sections relate to the position as at March 31, 2026, March 31, 2025 and March 31, 2024.

The analyses exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

Exposure to interest rate risk

In order to optimize the Company's position with regards to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio. According to the Company interest rate risk exposure is only for floating rate borrowings. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

b) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

Exposure to credit risk : The carrying amount of financial assets represents the maximum credit exposure.

Financial instruments and bank deposits

The Group held bank balances & deposits with credit worthy banks of ₹ 3,461.29 Millions at March 31, 2026 (March 31, 2025: ₹ 2,503.25 Millions, March 31, 2024: ₹ 102.78 Millions). The credit risk on bank balances & deposits is limited as the Group generally invests in deposits with banks where credit risk is largely perceived to be extremely immaterial.

Loans

The loans and advances also includes loans in the nature of advances for project and hence risk on them is minimal. Based on the above factors and historical data, loss on collection of receivables is not material and hence no provision was made in respect of these loans.

Particulars	As at March 31, 2026	As at March 31, 2025	As at March 31, 2024
Loans other than project advances	639.26	323.59	168.50

Expected credit loss assessment (ECL) :

Considering the nature of the business, the Company has a policy to provide loans to its group entities for undertaking projects, based on its primary business model of undertaking project developments. The loans given to these entities are repayable on demand and there is no past history for any default / delay / irregularity in repayments based on demands made. Moreover, all the group entities to whom loans have been advanced, have substantial potential in the projects to repay the loan based on the valuation of such entities and their activities are controlled and managed by the Company. Accordingly, in view of such control over operations and underlying security of the project / assets, these loans are considered adequately secured for repayments, except in cases where the independent valuation of underlying projects warrant provision for impairment.

Concentration of credit risk with respect to trade receivables are limited. The counterparties in trade receivables are good credit standing and absence of past defaults, the company has not made any provision for ECL.

i) Trade receivables

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Company has entered into contracts for sale / leasing of commercial premises. The payment terms are specified in the contracts. The Company is exposed to credit risk in respect of the amount due. However, in case of sale, the legal ownership is transferred to the buyer only after the entire amount is recovered. In case of leasing, the Company takes security deposit to secure the rent. In addition, the amount due is monitored on an ongoing basis with the result that the Company's exposure to bad debts is not significant. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions industries and operate in largely independent markets.

ii) Cash and Cash equivalents

Credit risk from balances with banks and financial institutions is managed by the Group's treasury department in accordance with the Group's policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Group's Board of Directors on an annual basis. The limits are set to minimise the concentration of risks and therefore mitigate financial loss through counterparty's potential failure to make payments.

The Group's maximum exposure to credit risk for the components of the balance sheet at March 31, 2026, March 31, 2025 & March 31, 2024 is the carrying amounts.

c) Liquidity risk

Liquidity risk is the risk that the Group will not be able to settle or meet its obligations as they fall due. The Group's policy on liquidity risk is to maintain sufficient liquidity in the form of cash and other liquid assets to meet the Group's fund flow requirements both under normal and stressed conditions. The Group's maintains a healthy balance between its various sources of funds such as collection from customers, bank overdraft and term loans. In addition, processes and policies related to such risks are overseen by the senior management. Management monitors the Group's net liquidity position through rolling forecasts of expected cash flows.

Contingent Liability

Runwal Wonder Venture ("RWV") through Runwal Enterprises Limited ("REL") is involved in legal proceedings relating to development rights in respect of all that piece and parcel of land admeasuring 39,392 square metres bearing Survey No. 214 Hissa No. 2 at Village Lohegaon, Taluka Haveli, District Pune ("said Land") arising from claims under a registered Joint Venture Agreement ("JVA") dated 29th March 2007. The dispute primarily concerns an purported assignment of rights by certain alleged legal heirs of Late Mr. Satish Satyanarayan Mittal in favour of Bridgewater Realty LLP ("Bridgewater"), which REL contends is invalid, fraudulent and without any legal basis. REL continues to assert its exclusive, valid, subsisting and enforceable development rights over the said Land and is actively pursuing appropriate legal remedies.

In and around October 2025, REL received a letter under which one of the alleged legal heirs of Late Mr. Satish Satyanarayan Mittal claimed a sum of Rs. 2,000 crore towards alleged loss of revenue, damages, compensation for hardships and other claims emanating from the JVA. The Advocates for REL vide a letter dated 13th November 2025 denied the allegations as fictitious, bogus, baseless and false and calling upon the alleged legal heir of Late Mr. Satish Satyanarayan Mittal to desist from issuing such correspondence. Further, upon becoming aware of the illegal mutation of the land records and related actions undertaken by Bridgewater and its partners based on the purported deed of assignment, (i) an appeal was filed before the District Superintendent of Land Records, Pune and (ii) Mr. Subodh Runwal, chairman and managing director of REL lodged a complaint with the Economic Offence Wing, Mumbai ("EOW") which culminated into a Chargesheet filed by EOW against the alleged legal heirs of Late Satish Mittal, Bridgewater and its partners ("Accused") before the Esplanade Court, Mumbai for offences of cheating, forgery and criminal conspiracy. On the basis of the investigation conducted by EOW, it was concluded in the chargesheet, inter alia, that the purported deed of assignment relied upon by Bridgewater is a forged and fabricated document. Subsequently, certain counter-proceedings and criminal complaints were initiated by Bridgewater against REL in relation to the same subject matter, which REL believes are not maintainable in law and more so are retaliatory in nature. The same are being contested before the appropriate judicial forums, including the Hon'ble Bombay High Court. Based on legal advice and management's assessment, no present obligation exists as at the reporting date and, accordingly, no provision or contingent liability has been recognized in the financial statements.

65 Event Occurred After the Reporting Period

There is no subsequent development after March 31, 2026, which materially and adversely affects, or is likely to affect, our trading or profitability, or the value of our assets, or our ability to pay our liabilities within the next twelve months.

Other significant developments occurring after March 31, 2026

Launch of Tower 3 in 7 Mahalaxmi

The Company launched Tower 3 of our flagship project, 7 Mahalaxmi, in South Mumbai on an expression of interest basis, comprising 368 units across 50 floors and offering approximately 1.89 million sq. ft. of residential area. Positioned as a premium addition to the development, the tower offers luxury residences with panoramic views of the Mumbai skyline and Arabian Sea, benefits from the project's lifestyle amenities and strategic location, and is registered under MahaRERA (PR1172022600440).

Demerger of Evie Real Estate Private Limited into Evie Developers Private Limited ("EDPL")

Scheme of Arrangement between Evie Real Estate Private Limited ("Demerged Company") and Evie Developers Private Limited ("Resulting Company") (together the "Applicant Companies")

Pursuant to an order dated July 28, 2026, the Hon'ble National Company Law Tribunal, Mumbai Bench, sanctioned the Scheme under Sections 230 and 232 of the Companies Act, 2013. Under the Scheme, the Demerged Company has been transferred to and vested in the Resulting Company, with an appointed date of April 1, 2026.

The Scheme separates the Demerged Company's Grade A commercial office business from its ongoing residential real estate projects, enabling the two businesses to operate under separate entities with greater focus and strategic flexibility and allowing the Resulting Company to attract strategic partners with specialised commercial office expertise.

Conversion of CCDs

On August 28, 2026, all outstanding Compulsorily Convertible Debentures issued by our Company to HDFC Capital Affordable Real Estate Fund – 3, together with accrued interest thereon, were converted into equity shares at a conversion price of ₹342.49, resulting in the issuance of 6,341,436 equity shares.

66 Previous year figures have been regrouped and rearranged wherever necessary to confirm to current period's presentation.

Adverse Observation in the Auditor's Reports for Audit Trail for March 31, 2026

Runwal Enterprises Limited

Based on our examination which included test checks, except for instances mentioned below, the Company, in respect of financial year ended March 31, 2026, have used accounting software for maintaining its books of account which have a feature of recording audit trail (edit log) facility and the same have been operated throughout the year for all relevant transactions recorded in the software. Further, during the course of our audit we did not come across any instance of audit trail feature being tampered with, other than the consequential impact of the exception given below:

Pursuant to the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014, which came into effect from April 1, 2024, and in accordance with the requirements of Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014, we report that, based on our audit procedures and the information and explanations provided to us, the Company has duly maintained and preserved the audit trail, as per the applicable statutory requirements for record retention other than the consequential impact of the exception given below:

Nature of exception noted	Details of Exception
Instances of accounting software for maintaining books of account for which the feature of recording audit trail (edit log) facility was not operated throughout the year for all relevant transactions recorded in the software and audit trail retention not being maintained.	The audit trail feature was not enabled at the database level for accounting software to log any direct data changes, used for maintenance of all accounting records by the Company.
Instances of accounting software maintained by a third party where we are unable to comment on the audit trail feature	The accounting software used for maintenance of customer documentation of the Company is operated by a third-party service provider. In the 'Independent Service Auditor's Assurance Report on the Description of Controls, their Design, and Operating Effectiveness' (Type 2 report) for the period April 2025 to March 2026 coverage did not extend to the database level. Accordingly, we are unable to comment on whether the audit trail feature within *Sales SDF* was enabled and operating effectively.

Non-GAAP Measures

In evaluating our business, we consider and use Non-GAAP Measures that are presented below as supplemental measures to review and assess our operating performance. The presentation of these Non-GAAP Measures are not intended to be considered in isolation or as a substitute for the Restated Consolidated Financial Information. We present these Non-GAAP Measures

because they are used by our management to evaluate our operating performance. These Non-GAAP Measures are not defined under Ind AS and are not presented in accordance with Ind AS. The Non-GAAP Measures have limitations as analytical tools. Further, these Non-GAAP Measures may differ from the similar information used by other companies, including peer companies, and hence their comparability may be limited. Therefore, these matrices should not be considered in isolation or construed as an alternative to Ind AS measures of performance or as an indicator of our operating performance, liquidity, profitability or results of operation.

g) Any change in the control of the Company or our Subsidiaries without the prior consent of the Bank;

h) Borrower fails to furnish to the Bank detailed end use certificate of the Loan issued by a practicing chartered accountant, within 30 days of each drawdown of the Loan;

i) occurrence of a material adverse change;

j) cross default in any indebtedness of the Company; and

k) If any of the post-dated cheques furnished by the borrower to the lender on being presented by the lender are dishonoured due to insufficiency of funds or any other reason whatsoever;

l) Any representations, statements or particulars made by our Company and/or our Subsidiaries are found to be incorrect or if our Company breaches the terms and conditions of any loan documents.

This is an indicative list and there may be additional requirements for creation of security under the various borrowing arrangements entered into by us.

7. ***Consequences of events of default:*** In terms of our borrowing arrangements, the following, among others, are the consequences of occurrence of events of default, whereby the lenders may, without any notice to the borrower:

a) set off, appropriate or adjust the deposits,

b) declare that that all or part of the loan obligations be immediately due and payable,

c) terminate the facilities or suspend or cancel the facilities or reduce the availability of the amounts of the facilities,

d) cancel the undrawn commitment and suspend withdrawals under the facilities; and

e) enforce the security.

8. ***Restrictive Covenants*:** Certain borrowing arrangements entered into by us contain restrictive covenants, including, inter alia, that the borrower cannot without prior written consent or intimation:

   a) any investment or loans and advances, whether by way of deposits, debt instruments, equity, quasi-equity or securities or investments in the capital / share capital or otherwise to group entities;

Overview

Introduction

We are a real estate developer present across the full spectrum of real estate development, specializing in residential projects that cater to affordable, mid-income, and luxury segments, as well as commercial spaces, retail malls and educational buildings. (*Source: JLL Report*) We are a recognized brand in the industry and have a strong presence in Mumbai. (*Source: JLL Report*)

We are ranked third in terms of new launches and sales in Mumbai with approximate market shares of 2.33% and 2.46%, respectively, between January 2023 and March 31, 2026. (*Source: JLL Report*) Between January 2023 and March 2026, Mumbai was ranked first among the top seven Indian residential real estate markets (i.e., Mumbai, Pune, Bengaluru, Hyderabad, Delhi National Capital Region, Chennai and Kolkata) in terms of its contribution to market activity, accounting for

approximately 24% of the overall sales, approximately 24% of the overall new launches and overall sales value in India. (*Source: JLL Report*)

In the eastern suburbs submarket of Mumbai (which encompasses Mulund, Vikhroli, Ghatkopar, Kanjurmarg, Powai and Bhandup), we ranked first in sales accounting for approximately 7.88% of the sales, and fourth in new launches, accounting for approximately 2.89%, between January 2023 and March 31, 2026. (*Source: JLL Report*) We are ranked first in terms of new launches and second in terms of sales in Kalyan, Dombivli, with approximate market shares of 11.41% and 6.33%, respectively, between January 2023 and March 31, 2026. (*Source: JLL Report*)

As of March 31, 2026, we have 19 Completed Projects, 28 Ongoing Projects and 33 Upcoming Projects. Our experience includes greenfield projects requiring land acquisition, as well as flexible models and asset light models such as via joint development agreements ("**JDA**"). Greenfield projects refer to developments undertaken on land parcels that have never been previously used, developed or constructed upon for residential dwelling purposes. For such projects, we acquire the greenfield land, obtain all necessary regulatory, statutory and environmental approvals required under applicable laws and we subsequently plan, design and develop the project, including undertaking construction and related activities.

Below are details of our projects bifurcated into greenfield projects and non-greenfield projects as of March 31, 2026:

No.	Type of Project	Developable Area (sq. ft.)
1.	Greenfield projects (A)	83,566,500.85
2.	Non-greenfield projects (B)	4,807,622.42
	Total (C = A + B)	**88,374,123.27**
	Greenfield projects as a percentage of total projects (A/C)	**94.56%**

Corporate history

Our Group traces its origins to the legacy "Runwal group", established in 1978 by Subhash Runwal. His son, Subodh Subhash Runwal, joined Wheelabrator Alloy Castings Limited in 1995, commencing his experience in the real estate business. Under Subodh Subhash Runwal's leadership, our Group emerged as a separate entity in 2016. For more details, see "*Our Business – Business Operations – History of our Business*" on page 197.

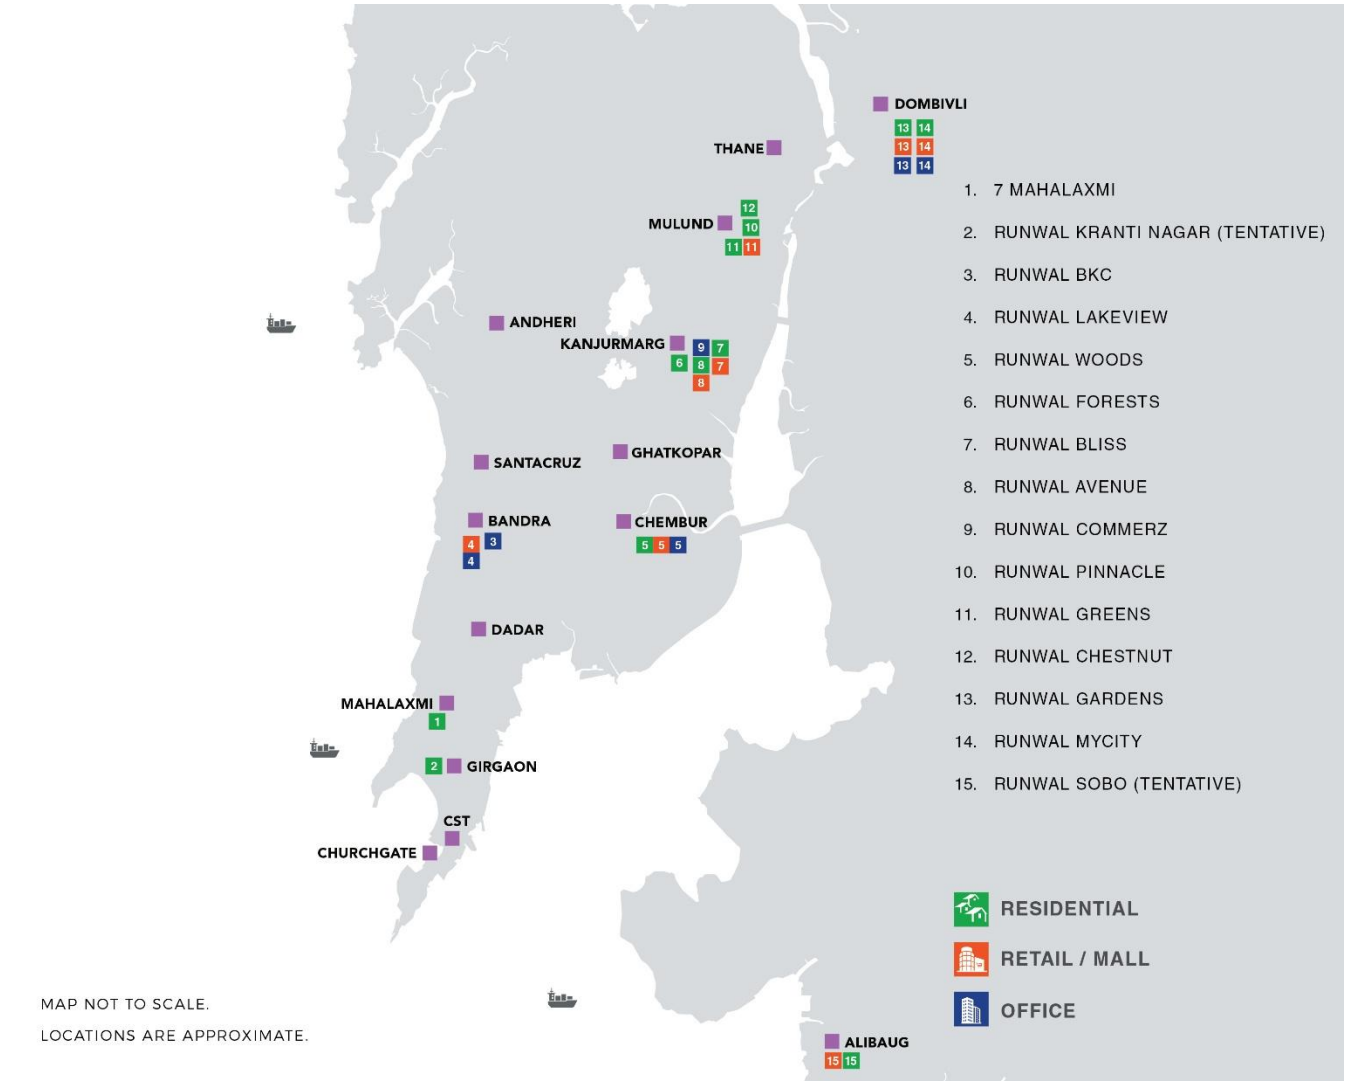

Real estate development business

Our real estate development business spans all activities related to real estate development, from the identification and acquisition of land through to the planning, execution, marketing and sales of our development projects. It is through this process that we develop a variety of residential and commercial projects comprising apartments, retail spaces, offices, schools, hospitals, and townhalls. As of March 31, 2026, we have developed and are in the process of developing an aggregate Developable Area of 31.96 million square feet of residential, retail and commercial properties, which include residential buildings, townships, corporate offices, retail malls, retail spaces, schools and various other real estate projects spread across the eastern, central, peripheral central, south central and western suburbs of Mumbai.

Our vision is to be a full-service real estate developer in Mumbai, developing both residential and non-residential projects (across the price spectrum) and in communities (including integrated townships) that feature a wide range of amenities and iconic landmarks.

Our residential portfolio consists of an aggregate Developable Area and Estimated Developable Area (in the case of Upcoming Projects) of 74.58 million square feet of Completed Projects, Ongoing Projects and Upcoming Projects ("**Projects**") as of March 31, 2026 and is segmented into the affordable, mid-income and luxury markets. We had historically focused on the affordable and mid-income residential segments (notable examples being Runwal Gardens in Dombivli and Runwal Greens in Mulund West) but have recently expanded our focus to include the luxury residential segment (namely, 7 Mahalaxmi and Girgaum). We are also expanding geographically within Mumbai, moving from the eastern suburbs to western areas such as Mahalaxmi, Girgaum and Bandra, and outside the MMR, near Alibaug. Our business also consists of the development and lease / sale of units in certain commercial and shopping complexes. As of March 31, 2026, our non-residential portfolio consists of an aggregate Developable Area and Estimated Developable Area (in the case of Upcoming Projects) of 13.80 million square feet of Projects.

Significant Factors Affecting our Results of Operations

Our financial performance and results of operations are influenced by a number of important factors, some of which are beyond our control, including without limitation, competition, general economic conditions, changes in the conditions in the markets in which we operate and evolving government regulations and policies. Some of the key factors are discussed below. Also see "*Risk Factors*" on page 18.

General economic conditions and the performance of the real estate market in India, particularly Mumbai

As of March 31, 2026, our operations are primarily focused in Mumbai. Accordingly, the economic condition of this area significantly influences our revenue from operations. All our Ongoing Projects and Upcoming Projects in India are concentrated within Mumbai, which makes us dependent on the state of both the Indian and Mumbai real estate markets, as well as the broader Indian economy.

This dependence also extends to our expenses, such as the pricing and supply of construction materials and other raw materials, which are affected by a variety of external factors. These factors include but are not limited to the cost of raw materials, high demand, prevailing economic conditions, geopolitical situations, regulatory changes and controls, competition, indirect taxes, and import duties.

The demand for new residential and commercial properties is largely driven by rising employment levels and increasing disposable income. Therefore, any slowdown or perceived slowdown in the Indian economy, or its specific sectors, could adversely impact our business and financial performance.

Fluctuations in market prices for our Projects

Our total income is affected by the sales and rental prices of our projects, which are affected by prevailing market conditions and prices in the real estate sector in Mumbai and in India generally (including market forces of supply and demand), the nature and location of our projects, and other factors such as our brand, reputation and the design of our projects.

Supply and demand market conditions are affected by various factors outside our control, including:

- prevailing local and economic, income and demographic conditions;
- changes in the supply and demand for properties comparable to those we develop;
- availability of financing for real estate projects;
- availability of consumer financing (interest rates and eligibility criteria for loans);
- changes in the applicable governmental regulations and related policies;
- decrease in or restrictions on foreign currency remittances;
- regional natural disasters or pandemics;
- performance of key industrial sectors; or
- competition from other real estate developers.

Since all our Ongoing Projects and Upcoming Projects are concentrated in Mumbai, we are particularly affected by changes in prices in the real estate market in Mumbai.

Sales volumes, revenue recognition, cost of sales and rate of progress of construction and development

The table below sets out our revenue from operations for Fiscals 2026, 2025 and 2024 also presented as a percentage of our total income:

Particulars	**Fiscal 2026**		**Fiscal 2025**		**Fiscal 2024**	
	Amount *(₹ in million)*	**Percentage of total income** *(%)*	**Amount** *(₹ in million)*	**Percentage of total income** *(%)*	**Amount** *(₹ in million)*	**Percentage of total income** *(%)*
Revenue from operations	17,989.49	97.20	10,077.66	95.91	24,088.65	98.86

We recognize revenue based on the fulfilment of performance obligations as set out in the contracts with our customers, which is further described in Note 2(x) of our Restated Consolidated Financial Information. The estimate of costs are reviewed periodically by our management and any effect of changes therein is recognized in the period in which changes are determined. Our cost estimates are affected by, among other things, volatility in expenses comprising the costs to acquire land, development rights and construction costs. Such changes may in turn affect the profit recognized during the same Fiscal. Accordingly, our income across time periods may fluctuate significantly due to a variety of factors, including the size and number of our developments, execution of agreements and/or contracts with buyers and general market conditions.

Variation of project timelines due to project delays and estimates may also have an adverse effect on our ability to recognize revenue in a particular period. Construction activities were notably delayed in 2020 and 2021 due to lockdowns imposed in India to control the COVID-19 pandemic and future pandemics or health emergencies could similarly affect our project timelines. As a result of COVID-19, the completion dates of some of our projects were or have been delayed, in some cases by up to two years:

- Runwal Gardens Phase 1, Phase 2 (Buildings 13 to 17), Phase 2 (Buildings 18 to 23), Phase 3 (Buildings 24 to 26), Phase 3 (Buildings 27 to 28) and Phase 3 (Buildings 29 to 30);

- Runwal Avenue (Wings K to J);
- Runwal Forests Phase 1 (Towers 1 to 8);
- Runwal Bliss Phase 1 (Towers A to E);
- Runwal Forests Phase 2 (Towers 9 to 11); and
- Runwal Pinnacle.

Additionally, certain of our projects also experienced non-COVID-19-related timeline extensions:

- Runwal Shopping Arcade;
- Runwal Pinnacle;
- Runwal Bliss Phase 2 (Tower F);
- Runwal Forests Phase 2 (Towers 9 to 11);
- Runwal Avenue: Residential (Wings L and M);
- Runwal Gardens Phase 1, Phase 3 ,Phase 4, Phase 5, Phase 8, Shopping Arcade and Edge; and
- Runwal My City – Cluster 6.

We estimate the total costs of a project prior to its commencement based on, among other things, the size, specifications and location of the project. We re-evaluate our project costs periodically. If, during the re-evaluation, the total project cost is estimated to exceed the total revenue from the project, we will recognize the loss in the relevant Fiscal. Re-evaluations also affect our ability to allocate resources to the project in a timely manner, which in turn affects construction progress. Our construction process is also affected by other factors including the competence of, and priority given to our projects by, our contractors, the receipt of approvals and regulatory clearances, access to utilities such as electricity and water, and the absence of contingencies such as litigation and adverse weather conditions.

Further, we may incur certain cost of sales. Cost of sales and other operational expenses include the cost of construction, which in turn primarily comprises cost of raw materials (including steel, cement, flooring, façade and other building materials) and labour. Raw material prices, particularly those of steel and cement, may be affected by price volatility caused by various factors that affect the Indian and international commodity markets.

Availability of future growth opportunities

Our growth is linked to the availability of land in areas where we intend to develop projects either by ourselves or under joint development or joint venture arrangements. Suitable land parcels are limited in Mumbai, being our primary target market.

We believe that redevelopment projects will be an important means for obtaining land in Mumbai, and we intend to increase our focus on participating in redevelopment projects. We intend to leverage our brand recall and strong execution, marketing and sales capabilities to further develop our existing real estate business. In this regard, we intend to utilize a range of development models such as JV, JDAs and redevelopment in addition to acquiring freehold and leasehold interests in land for development. In doing so, we aim to be in a strong position to capture greater market share and benefit from the industry trend towards consolidation.

Our ability to identify and acquire interests in suitable land parcels is a vital element of growing our business and is dependent on a number of factors, some of which may be beyond our control, such as identifying land with clean title at locations that are preferred by our target customers at suitable prices, the willingness of land owners to sell land or assign development rights or interest in the land on terms acceptable to us, our ability to acquire contiguous parcels of land, the availability and cost of financing, encumbrances on targeted land, Government directives on use of land, and consents and approvals for land acquisition and development. Our acquisition of interests in land is also subject to the risk that sellers may, during such time, identify and transact with alternative purchasers or decide not to sell the land. The cost of acquiring land, which includes the amounts paid for freehold rights, leasehold rights, the cost of registration and stamp duty, represents a substantial part of our project cost, and may sometimes determine whether we are able to acquire certain parcels of land at all. We acquire land from private parties and also from the Government. We enter into a deed of conveyance or a lease deed transferring title or leasehold rights in our favor. The registration charges and stamp duty are generally payable by us. Additional costs include those incurred in complying with regulatory formalities, such as fees paid for change of land use, infrastructure and development charges and premium.

Cost of financing and changes in interest rates or tax incentives

Our business is capital intensive and requires significant expenditure for land acquisition and project development. Though we believe we are able to obtain funding at competitive interest rates, cost of financing is material for us. Details of our total borrowings and finance costs as of and for Fiscals 2026, 2025 and 2024 are set out below:

Particulars	As of and for the year ended March 31,		
	2026	2025	2024
	(₹ in million)		
Total borrowings	29,091.28	23,125.78	17,836.50
Finance costs (attributable to cost of construction and development)	2,284.74	1,966.09	1,771.60

Among the major factors that drive the growth of demand for residential units is rising disposable income and availability of housing loans at affordable interest rates. Changes in interest rates also affect the ability and willingness of our prospective customers, particularly customers for our residential properties, to obtain financing for their purchase of our developments.

Further, any changes in the tax incentives available to purchasers or properties or tax treatment with respect to the repayment of principal on housing loans and interest payable on housing loans could affect demand for residential real estate. Certain of our real estate developments projects qualify for tax benefits that affect our results of operations. For example, we are subject to a minimum alternate tax ("**MAT**") of 15% on our book profits in addition to the applicable surcharge and cess. Amounts paid as MAT may be credited against future income taxes for up to 15 years from the year in which the MAT credited was paid. Indian tax policies also make our properties more affordable to customers by allowing for a deduction of principal payments and interest payments on mortgage loans up to specific amounts. The continuation of these tax benefits or the lack thereof will have an effect on the affordability of our projects and consequently, our business.

Competition

We operate our business in an intensely competitive and highly fragmented industry. Our competitors include other real estate developers that operate within the same geographical regions and target similar market segments. The extent of the competition we face in a potential property market depends on a number of factors, such as the size and type of property development, contract value and potential margins, the complexity and location of the property development, and the risks relating to revenue generation.

The level of competition in any given micro-market depends on several factors, including the size and type of property development, contract value and potential margins, the complexity and location of the development, and the reputation of both the customer and ourselves, as well as other risks related to revenue generation. While we have an established presence in Mumbai, we face the risk that some of our competitors, who are also engaged in real estate development, may be better known, enjoy better relationships with landowners and international or domestic joint venture partners, may gain early access to information regarding attractive parcels of land within Mumbai and may be better placed to acquire such land.

Some of our competitors are larger than us and have greater land reserves or financial resources or a more experienced management team. They may also benefit from greater economies of scale and operating efficiencies. Moreover, our competitors' pan-India presence may give them an edge in any new geographical areas where we seek to diversify. Our ability to compete effectively in these new markets is crucial for our future success. There can be no assurance that we can continue to compete effectively with our competitors in the future, and failure to compete effectively may have an adverse effect on our business, financial condition and results of operations. Competitive overbuilding in certain markets may have a material adverse effect on our operations in that market. According to the JLL Report, our key competitors in the areas where we currently operate and focus include real estate developers such as Ajmera Realty, Chandak Group, Dosti Realty, Godrej Properties Limited, Hiranandani Group, Kalpataru Group, K. Raheja Corp, Lodha Group, Marathon Realty, Oberoi Realty, Piramal Realty, Prestige Group, Raunak Group, Rustomjee Group and Sugee Group.

Regulatory framework

The real estate sector in India is subject to extensive regulation. Our operations must comply with multiple standards, including those related to land acquisition, the built-up area-to-land ratio, land usage, building site suitability, road access, essential community facilities, open spaces, water supply, sewage disposal systems, electricity supply, environmental suitability, and the overall size of the project. The approval of development plans depends on, among other factors, the successful acquisition of the project site and adherence to relevant conditions. Approvals are required at both national and local levels, and consequently, our operational results are likely to continue being influenced by the nature and extent of business regulations. This includes the varying time and costs associated with obtaining approvals for each new project.

For instance, the RERA imposes several obligations on real estate developers, including us. These obligations entail mandatory registration of real estate projects, prohibiting advertisements and acceptance of advances until projects are registered under the RERA, restrictions on the utilization of funds received from customers before project completion, and the requirement to obtain

customer approval for major modifications in the sanctioned plan. Additionally, under RERA, if we do not complete the developments within the specified timeframe, we are required to compensate our customers at predetermined rates for any delay, except in cases of force majeure or other situations deemed necessary for extending the timeframe. We are also obliged to provide warranties for up to five years for any construction defects and may be held liable for such defects. Also see "*Key Regulations and Policies in India*" and *Risk Factors – Internal Risk Factors – We are subject to extensive statutory or governmental regulations, including the Real Estate (Regulation and Development) Act, 2016 and change in laws, rules, regulations and legal uncertainties, including the withdrawal of certain benefits or adverse application of tax laws or any non-compliance of any applicable law, may adversely affect our business, prospects and results of operations*." on pages 219 and 60, respectively.

Material Accounting Policies

The notes to our Restated Consolidated Financial Information included in this Prospectus contain a summary of our material accounting policies. Set forth below is a summary of our material accounting policies under Ind AS.

Basis of preparation and presentation

Compliance with Ind AS

The restated consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act 2013 (as amended from time to time) and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III), as applicable to this consolidated financial statements.

The restated consolidated financial statements have been prepared using the material accounting policies and measurement bases summarized as below. These accounting policies have been applied consistently over all the periods presented in these Restated Consolidated Financial Statements, except where we have applied certain accounting policies and exemptions upon transition to Ind AS.

Historical Cost Convention

The restated consolidated financial statements have been prepared on a historical cost basis, except for certain financial instruments are measured at fair value.

Preparation of Restated Consolidated Financial Statement

As per the format prescribed under Division II of Schedule III to the Companies Act, 2013, we present the Consolidated Restated Statement of Assets and Liabilities, the Consolidated Restated Statement of Profit and Loss, the Restated Consolidated statement of Cash Flows and the Restated Consolidated Statement of Changes in Equity. The accounting policies have been applied consistently over all the year presented in these Restated Consolidated Financial Statements.

Principles of Consolidation and Equity Accounting

(i) Subsidiaries

Subsidiaries are all entities over which our Group has control. Our Group controls an entity, when we are exposed to, or have rights to, variable returns from our involvement with such entity and have the ability to affect the returns through our power to direct the relevant activities of the entity.

Subsidiaries are fully consolidated from the date on which control is transferred to our Group. Control is reassessed whenever facts and circumstances indicate that there may be a change in any of these elements of control. They are deconsolidated from the date that control ceases.

Our Group combines the financial statements of the holding company and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions, balances and unrealized gains or losses on transactions between Group companies are eliminated.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the Restated Consolidated Statement of Profit and Loss, Restated Consolidated Statement of Changes in Equity and Restated Consolidated Balance Sheet, respectively.

(ii) Associates/ Joint Venture

Associates or joint ventures are all entities over which we have significant influence or joint control but not control. This is generally the case where we hold between 20% and 50% of the voting rights or where decisions over the

relevant activities are unanimous in case of joint venture. Investments in associates and joint ventures are accounted for using the equity method of accounting after initially being recognized at cost.

Under the equity method of accounting, the excess of cost of investment over the proportionate share in equity of the associate/ joint venture as at the date of acquisition of stake is identified as goodwill or capital reserve as the case may be and included in the carrying value of the investment in the associate/ joint venture.

The carrying amount of the investment is adjusted thereafter to recognize our share of the post-acquisition profits or losses of the investee in the consolidated statement of profit and loss, and our share of other comprehensive income of the investee in consolidated other comprehensive income. However, the share of losses is accounted for only to the extent of the cost of investment. Subsequent profits of such associates/ joint ventures are not accounted for unless the accumulated losses (not accounted for by us) are recouped. Additional losses are provided for to the extent that we have incurred obligations or made payments on behalf of the associate and joint venture to satisfy obligations of the associate and joint venture that we have guaranteed or to which we are otherwise committed. Unrealised gains or losses on transactions between us and our associates and joint ventures are eliminated to the extent of our interest in these entities.

Business Combinations

We apply the acquisition method in accounting for business combinations for the businesses which are not under common control. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, we elect whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. However, the following assets and liabilities acquired in a business combination are measured at the basis indicated below:

(a) Deferred tax assets or liabilities and the assets or liabilities related to employee benefit arrangements are recognised and measured in accordance with Ind AS 12 'Income Tax' and Ind AS 19 'Employee Benefits' respectively.

(b) Potential tax effects of temporary differences and carry forwards of an acquiree that exist at the acquisition date or arise as a result of the acquisition are accounted in accordance with Ind AS 12.

(c) Reacquired rights are measured at a value determined on the basis of the remaining contractual term of the related contract. Such valuation does not consider potential renewal of the reacquired right.

Any contingent consideration to be transferred by the acquirer is recognised at fair value at the acquisition date. Contingent consideration classified as an asset or liability that is a financial instrument and within the scope of Ind AS 109 'Financial Instruments', is measured at fair value with changes in fair value recognised in profit or loss. If the contingent consideration is not within the scope of Ind AS 109, it is measured in accordance with the appropriate Ind AS.

Contingent consideration that is classified as equity is not re-measured at subsequent reporting dates and its subsequent settlement is accounted for within equity.

When we acquire a business, we assess the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date.

If the business combination is achieved in stages, any previously held equity interest is re-measured at its acquisition date fair value and any resulting gain or loss is recognised in profit or loss or other comprehensive income, as appropriate.

Business combinations under common control

Business combinations involving entities that are controlled by us are accounted for using the pooling of interests method as follows:

- The assets and liabilities of the combining entities are reflected at their carrying amounts.
- No adjustments are made to reflect fair values, or recognise any new assets or liabilities. Adjustments are only made to harmonise accounting policies.

- The restated financial information in the financial statements in respect of prior periods is restated as if the business combination had occurred from the beginning of the preceding period in the financial statements, irrespective of the actual date of the combination. However, where the business combination had occurred after that date, the prior period information is restated only from that date.
- The balance of the retained earnings appearing in the restated consolidated financial information of the transferor is aggregated with the corresponding balance appearing in the financial statements of the transferee or is adjusted against general reserve.
- The identity of the reserves are preserved and the reserves of the transferor become the reserves of the transferee.
- The difference, if any, between the amounts recorded as share capital issued plus any additional consideration in the form of cash or other assets and the amount of share capital of the transferor is transferred to capital reserve and is presented separately from other capital reserves.

Current vs Non-Current classification

We present assets and liabilities in the Restated Consolidated Balance Sheet based on current/ non-current classification.

An asset is treated as current when it is:

(i) expected to be realised or intended to be sold or consumed in normal operating cycle.

(ii) held primarily for the purpose of trading

(iii) expected to be realised within 12 months after the reporting period, or

(iv) cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

(i) it is expected to be settled in normal operating cycle

(ii) it is held primarily for the purpose of trading

(iii) it is due to be settled within 12 months after the reporting period, or

(iv) there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period.

We classify all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities respectively.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash equivalents. The operating cycle of our real estate operations varies from project to project depending on the size of the project, type of development, project complexities and related approvals. Accordingly, project related assets and liabilities are classified into current and non-current based on the operating cycle of the project. All other assets and liabilities have been classified into current and non-current based on a period of 12 months.

Functional and Presentation Currency

Our Restated Consolidated Financial Information are presented in Indian Rupee ("₹") which is also the functional currency of our Group. All values are rounded off to the nearest million(s).

Use of Accounting Judgements, Assumptions and Estimates

In the application of our accounting policies, our management is required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The following are the key areas of judgements, assumptions and estimates which have significant effect on the amounts recognized in the consolidated financial statements:

Estimation of Net Realisable Value (NRV) for Inventory

Inventory is stated at the lower of cost and net realizable value ("**NRV**").

NRV of completed or developed inventory is assessed by reference to market conditions, prices and trends existing at the reporting date and is determined by us based on comparable transactions observed /identified for similar properties in the same geographical market serving the same real estate segment.

NRV in respect of inventory under development is assessed with reference to market prices and trends existing at the reporting date for similar completed property, less the estimated cost to complete construction and an estimate of the time value of money to the date of completion.

Estimated cost to complete is reviewed at each year end by considering cost escalation and overruns basis the progress of the project.

Impairment of Other Non-Financial Assets

We assess at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, we estimate the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's fair value less costs of disposal and its value in use. When the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessment of the time value of money and the risk specific to the asset. In determining fair value less cost of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples or other available fair value indicators.

Impairment of Financial Assets

The impairment provisions for financial assets are based on assumptions about the risk of default and expected loss rates. We use judgement in making these assumptions and selecting the inputs for impairment calculation, based on our past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

Useful Life and Residual Value of Property, Plant and Equipment

Useful lives of property, plant and equipment are based on the life prescribed in Schedule II of the Companies Act, 2013. In cases, where the useful lives are different from that prescribed in Schedule II, they are based on technical advice. Assumptions also need to be made when we assess whether an asset may be capitalised and which components of the cost of the asset may be capitalised.

Recognition and Measurement of Defined Benefit Obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, expected return on plan assets, trends in salary escalation and attrition rate. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post employment benefit obligations.

Fair Value Measurement of Financial Instruments

When the fair values of the financial assets and liabilities recorded in the balance sheet cannot be measured based on the quoted market prices in active markets, their fair value is measured using valuation technique. The inputs to these models are taken from the observable market wherever possible, but where this is not feasible, a review of judgement is required in establishing fair values. Any changes in assumptions could affect the fair value relating to financial instruments.

Provision and Contingent Liability

On an ongoing basis, we review pending cases, claims by third parties and other contingencies. For contingent losses that are considered probable, an estimated loss is recorded as an accrual our Restated Consolidated Financial Information. Loss contingencies that are considered possible are not provided for but disclosed as contingent liabilities in the restated consolidated financial statements. Contingencies the likelihood of which is remote are not disclosed in our Restated Consolidated Financial Information. Gain contingencies are not recognized until the contingency has been resolved and amounts are received or receivable.

Recognition of Deferred Tax Assets

Deferred tax assets are recognised for unused tax-loss carry forwards and unused tax credits to the extent that realisation of the related tax benefit is probable. The assessment of the probability with regard to the realisation of the tax benefit involves assumptions based on the history of the entity and budgeted data for the future.

Measurement of Fair Values

We measure financial instruments, such as certain investments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either in the principal market for the asset or liability, or in the absence of a principal market, in the most advantageous market for the asset or liability. The principal or the most advantageous market must be accessible by us.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

We use valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

We have an established control framework with respect to the measurement of fair values. Our management regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then our management assesses the evidence obtained from third parties to support the conclusion that such valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which such valuations should be classified.

When measuring the fair value of a financial asset or a financial liability, we use observable market data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data.

If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

We recognise transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Property, Plant and Equipment

Recognition and Measurement

Items of property, plant and equipment are stated at cost less accumulated depreciation and impairment losses, if any. The Cost of an item of property, plant and equipment comprises of:

(i) its purchase price, including import duties and non-refundable purchase taxes after deducting trade discounts and rebates;

(ii) any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by our management;

(iii) the initial estimate of the costs of dismantling and removing the item and restoring the site on which it is located, the obligation for which we incur either when the item is acquired or as a consequence of having used the item during a particular period for purposes other than to produce inventories during that period;

(iv) borrowing costs relating to acquisition / construction / development of property, plant and equipment, which takes substantial period of time to get ready for its intended use are also included to the extent they relate to the period till such assets are ready to be put to use; and

(v) income and expenses related to the incidental operations, not necessary to bring the item to the location and condition necessary for it to be capable of operating in the manner intended by our management are recognised in the Restated Statement of Profit and Loss. If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent Expenditure

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property, plant and equipment, including repair and maintenance expenditure and cost of replacing parts are charged to the Restated Statement of Profit and Loss for the period during which such expenses are incurred.

Expenses incurred for acquisition of capital assets excluding advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date are disclosed under capital work-in-progress.

Capital work-in-progress in respect of assets which are not ready for their intended use are carried at cost, comprising of direct costs, related incidental expenses and attributable interest.

Any gain or loss on disposal of an item of property, plant and equipment is recognized in the Restated Statement of Profit and Loss in the year of disposal.

Depreciation

Depreciation is provided on a pro-rata basis on the straight-line method over the estimated useful lives of the assets. The useful life of the assets are based on the useful lives as per Schedule II of the Companies Act, 2013.

Nature of the asset	Useful life
Computers	3 years
Plant & Machinery	15 years
Office Equipment	5 years
Vehicle	8 years
Furniture and Fittings	10 years
Server & Networks	6 years
Buildings	60 years

The estimated useful lives of assets based on management estimates and technical evaluation that are different from the life specified in Schedule II to the Companies Act, 2013, are as follows:

Nature of the asset	Useful life as per estimates	Useful life as per Companies Act
Aluminium Formwork (Plant & Machinery)	5 years	15 years

The residual values, useful life and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Derecognition

An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is recognised in the Restated Statement of Profit and Loss, when the asset is derecognised.

Investment Properties

Building, that is held for long-term rental yields or for capital appreciation or both, and that is not in use by us, is classified as investment property. Investment property is measured initially at its acquisition cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to us and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. The carrying amount of investment property is reviewed periodically for impairment based on internal and external factors. An impairment loss is recognised wherever the carrying amount of assets exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use.

Investment properties (building) are depreciated on a pro-rata basis on the straight line method over the estimated useful lives of the assets, which are in line with Schedule II to the Companies Act, 2013, in order to reflect the actual usage of the assets.

Initial direct costs incurred by us in negotiating and arranging an operating lease shall be added to the carrying amount of the leased asset and recognised as an expense over the lease term on the same basis as the lease income.

Depreciation is provided on the straight line method to allocate the cost of assets, net of their residual values, over their estimated useful lives.

The estimated useful life of investment property is 60 years.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of property is recognised in the Restated Statement of Profit and Loss in the same period.

Intangible Assets and Amortization

Intangible assets are stated at acquisition cost, net of accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over their estimated useful lives. The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

Gains or losses arising from the retirement or disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset and recognised as income or expense in the Restated Statement of Profit and Loss.

The estimated useful life of intangible assets are as follows:

Nature of the asset	Amortization period
Computer software	6 years

Foreign Currency Transactions / Translations

Foreign exchange transactions are recorded at the closing rate prevailing on the dates of the respective transactions or at the contracted rates as applicable.

Monetary assets and liabilities denominated in foreign currencies at the reporting date are translated into the functional currency at the exchange rate at that date.

Exchange differences arising on the settlement of monetary items or on translating monetary items at rates different from those at which they were translated on initial recognition during the period or in previous financial statements are recognised in the Restated Statement of Profit and Loss in the period in which they arise.

Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets and financial liabilities are recognised when we become a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities measured at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

Financial Assets

All regular way purchases or sales of financial assets are recognised and derecognised on a trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the market place. All recognised financial assets are subsequently measured in their entirety at either amortised cost or fair value, depending on the classification of the financial assets.

(i) Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost using the effective interest rate method if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

(ii) Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

On initial recognition, we make an irrevocable election on an instrument-by-instrument basis to present the subsequent changes in fair value in other comprehensive income pertaining to investments in equity instruments, other than equity investment which are held for trading. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserve for equity instruments through other comprehensive income. The cumulative gain or loss is not reclassified to profit or loss on disposal of the investments.

(iii) Financial assets at fair value through profit or loss (FVTPL)

Investments in equity instruments are classified as at FVTPL, unless we irrevocably elect on initial recognition to present subsequent changes in fair value in other comprehensive income for investments in equity instruments which are not held for trading. Other financial assets are measured at fair value through profit or loss unless it is measured at amortised cost or at fair value through other comprehensive income on initial recognition.

(iv) Impairment of investments

We review our carrying value of investments carried at cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than the carrying amount, the impairment loss is accounted in the Restated Statement of Profit and Loss.

(v) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from our balance sheet) when:

- the right to receive cash flows from the asset have expired, or
- we have transferred our right to receive cash flows from the asset or have assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either (a) we have transferred substantially all the risks and rewards of the asset, or (b) we have neither transferred nor retained substantially all the risks and rewards of the asset, but have transferred control of the asset.

When we have transferred our right to receive cash flows from an asset or have entered into a pass-through arrangement, we evaluate if and to what extent we have retained the risks and rewards of ownership. When we have neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, we continue to recognise the transferred asset to the extent of our continuing involvement. In that case, we also recognise an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that we have retained.

(vi) Impairment of financial assets

We assess at each date of balance sheet whether a financial asset or a group of financial assets is impaired. Ind AS 109 requires expected credit losses to be measured through a loss allowance. We recognize lifetime expected losses for all contract assets and / or all trade receivables that do not constitute a financing transaction. For all other financial assets, expected credit losses are measured at an amount equal to the 12 month expected credit losses or at an amount equal to the life time expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

Financial Liabilities and Equity Instruments

(i) Classification as Debt or Equity

Debt and equity instruments issued by us are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definitions of a financial liability and an equity instrument.

(ii) Equity Instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by us are recognised at the proceeds received, net of direct issue costs.

(iii) Financial Liabilities

All financial liabilities are recognised initially at fair value and in case of financial liabilities at amortised cost, net of directly attributable transaction costs. All financial liabilities are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in Restated Statement of Profit and Loss when the liabilities are derecognised as well as through the Effective Interest Rate (EIR) amortisation process. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the restated statement of profit and loss.

(iv) Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Restated Statement of Profit and Loss.

Reclassification of Financial Assets and Liabilities

We determine classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. Our senior management determines change in the business model as a result of external or internal changes which are significant to our operations. Such changes are evident to external parties. A change in the business model occurs when we either begin or cease to perform an activity that is significant to our operations. If we reclassify financial assets, we apply the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. We do not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

Offsetting of Financial Instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Redeemable preference shares

The redeemable preference shares issued by us is a compound financial instrument and is classified separately as financial liability and equity in accordance with the substance of the contractual arrangement and the definitions of a financial liability and an equity instrument. At the date of issue, fair value of the liability component is estimated using the prevailing market interest rate of a similar non-compound instrument. This amount is recognised as liability on an amortised cost basis using the effective interest rate method until extinguished at the instrument's maturity date. The difference between the fair value of the liability component at the date of issue and the issue price is recognised as the other equity.

Inventories

Direct expenditure relating to real estate development activity is inventorised. Other expenditure (including borrowing costs) during construction period is inventorized to the extent the expenditure is directly attributable cost of bringing the asset to its working condition for its intended use. Other expenditure (including borrowing costs) incurred during the construction period which is not directly attributable for bringing the asset to its working condition for its intended use is charged to the restated statement of profit and loss. Direct and other expenditure is determined based on specific identification to the construction and real estate activity. Cost incurred/ items purchased specifically for projects are taken as consumed as and when incurred/ received.

(a) Inventories comprise of: (i) finished realty stock representing unsold premises in completed projects (ii) construction work-in-progress representing properties under construction /development; and (iii) cost of unused land represents land held for development on which construction activities are yet to commence.

(b) Inventories are valued at lower of cost and net realisable value.

(c) Cost of realty construction / development is charged to the Restated Statement of Profit and Loss in proportion to the revenue recognised during the period and the balance cost is carried over under inventory as part of either realty work-in-progress or finished realty stock. Cost of realty construction / development includes all costs directly related to the project (including finance cost attributable to the project) and other expenditure as identified by our management which are incurred for the purpose of executing and securing the completion of the project (net off incidental recoveries / receipts) upto the date of receipt of occupation certificate of the project from the relevant authorities.

Realty work-in-progress includes cost of land, premium for development rights, transferable development rights (TDR), construction costs, allocated interest and expenses incidental to the projects undertaken by us.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Revenue Recognition

Five-step model (Ind AS 115)

We have applied the five step model as set out in Ind AS 115 to recognise revenue in our Restated Consolidated Financial Information:

Step 1. Identify the contract(s) with a customer: A contract is defined as an agreement between two or more parties that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2. Identify the performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3. Determine the transaction price: The transaction price is the amount of consideration to which we expect to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4. Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, we will allocate the transaction price to each performance obligation in an amount that depicts the amount of consideration to which we expect to be entitled in exchange for satisfying each performance obligation.

Step 5. Recognise revenue when (or as) the entity satisfies a performance obligation.

We satisfy a performance obligation and recognise revenue over time, if one of the following criteria is met:

- the customer simultaneously receives and consumes the benefits provided by our performance as we perform; or
- our performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
- our performance does not create an asset with an alternative use to us and the entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

Revenue is recognised either at point of time and over a period of time based on the conditions in the contracts with customers.

The specific revenue recognition criteria are described below:

(i) Income from Property Development

We have determined that the existing terms of the contract with customers does not meet the criteria to recognise revenue over a period of time. Revenue is recognized at point in time with respect to contracts for sale of residential and commercial units as and when the control is passed on to the customers which is linked to the receipt of occupancy certificate and on issuing the possession letter of the property.

(ii) Sale of Materials, Land and Development Rights

Revenue is recognized at point in time with respect to contracts for sale of materials, land and development rights as and when the control is passed on to the customers.

(iii) Income from Investment in Partnership Firms & LLP, AOPs

Share of profit / loss in partnership firms is recognized when the right to receive is established as per agreement / agreed terms between all the partners / members.

(iv) Interest Income

Interest income is accounted on an accrual basis at effective interest rate (EIR method).

(v) Dividend Income

Dividend income is recognized when the right to receive the payment is established.

(vi) Commission Income

Revenue is recognized when our right to receive the payment is established.

Contract Balances

Contract asset is the right to consideration in exchange for goods or services transferred to the customer. If we perform by transferring goods or services to a customer before the customer pays consideration or before payment is due, a contract asset is recognised for the earned consideration that is conditional.

Trade receivable represents our right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due).

Contract liability is the obligation to transfer goods or services to a customer for which we have received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before we transfer goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier). Contract liabilities are recognised as revenue when we perform under the contract.

Cost to obtain a contract

We recognise as an asset the incremental costs of obtaining a contract with a customer if we expect to recover those costs. We incur costs such as sales commission when we enter into a new contract, which are directly related to winning the contract.

Income Tax

Current Income Tax:

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable profit for the period. The tax rates and tax laws used to compute the amount are those that are enacted by the reporting date and applicable for the period.

Deferred Tax:

Deferred tax is recognized using the balance sheet approach. Deferred tax assets and liabilities are recognized for all deductible and taxable temporary differences arising between the tax bases of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of transaction.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period when the asset is realized or the liability is settled, based on tax rates that have been enacted or substantively enacted at the reporting date.

Deferred tax asset in respect of carry forward of unused tax credits and unused tax losses are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized.

Presentation of Current and Deferred Tax:

Current and deferred tax are recognized as income or an expense in the Restated Statement of Profit and Loss, except when they relate to items that are recognized in other comprehensive income, in which case, the current and deferred tax income/ expense are recognized in other comprehensive income. We offset current tax assets and current tax liabilities, where we have a legally enforceable right to set off the recognized amounts and where we intend either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if we have a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on us.

Employee Benefits

Short Term Employee Benefits

Short term employee benefits are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if we have a present legal or constructive obligation to pay this amount as a result of past service provided by the employee and the obligation can be estimated reliably.

Post Employment Benefits

(i) Defined Contribution Plans

Obligations for contributions to defined contribution plans are expensed as the related service is provided.

Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in future payments is available.

(ii) Defined Benefit Plans

Payment of gratuity to employees is in the nature of a defined benefit plan. Provision for gratuity is recorded on the basis of actuarial valuation certificate provided by the actuary using projected unit credit method.

Our net obligation in respect of defined benefit plans is calculated separately for each plan by estimating the amount of future benefit that employees have earned in the current and prior periods, discounting that amount and deducting the fair value of any plan assets.

The calculation of defined benefit obligations is performed annually by a qualified actuary using the projected unit credit method. When the calculation results in a potential asset for us, the recognised asset is limited to the present value of economic benefits available in the form of any future refunds from the plan or reductions in future contributions to the plan. To calculate the present value of economic benefits, consideration is given to any applicable minimum funding requirements.

Remeasurement of the net defined benefit liability, which comprise of actuarial gains and losses and the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest) are recognised immediately in restated other comprehensive income. Net interest expense/ (income) on the net defined liability / (asset) is computed by applying the discount rate, used to measure the net defined liability / (asset). Net interest expense and other expenses related to defined benefit plans are recognised in the Restated Statement of Profit and Loss.

When the benefits of a plan are changed or when a plan is curtailed, the resulting change in benefit that relates to past service or the gain or loss on curtailment is recognised immediately in the Restated Statement of Profit and Loss. We recognise gains and losses on the settlement of a defined benefit plan when the settlement occurs.

Other Long Term Employee Benefits

Our liability towards compensated absences is determined by an independent actuary using the projected unit credit method. Past services are recognised on a straight line basis over the average period until the benefits become vested. Actuarial gains and losses are recognised immediately in the Restated Statement of Profit and Loss as income or expense or recognized under Restated other comprehensive income to the extent such actuarial gains or losses arise due to experience adjustments. Obligation is measured at the present value of the estimated future cash flows using a discounted rate that is determined by reference to the market yields at the balance sheet date on government bonds where the currency and terms of the government bonds are consistent with the currency and estimated terms of the defined benefit obligation.

Leases

Where we are the Lessee

We apply a single recognition and measurement approach for all leases, except for short-term leases and leases of low-value assets. We recognise lease liabilities to make lease payments and right-of-use assets representing the right to use the underlying assets.

(i) Right-of-use assets

We recognise right-of-use assets at the commencement date of the lease (i.e., the date the underlying asset is available for use). Right-of-use assets are measured at cost, less any accumulated depreciation and impairment losses, and adjusted for any remeasurement of lease liabilities. The cost of right-of-use assets includes the amount of lease liabilities recognised, initial direct costs incurred, and lease payments made at or before the commencement date less any lease incentives received. Right-of-use assets are depreciated on a straight-line basis over the shorter of the lease term and the estimated useful lives of the assets.

(ii) Lease liabilities

At the commencement date of the lease, we recognise lease liabilities measured at the present value of lease payments to be made over the lease term. The lease payments include fixed payments (including in substance fixed payments) less any lease incentives receivable, variable lease payments that depend on an index or a rate, and amounts expected to be paid under residual value guarantees.

In calculating the present value of lease payments, we use our incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable. After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for the lease payments made. In addition, the carrying amount of lease liabilities is remeasured if there is a modification, a change in the lease term, a change in the lease payments (e.g., changes to future payments resulting from a change in an index or rate used to determine such lease payments) or a change in the assessment of an option to purchase the underlying asset.

(iii) Short term leases and leases of low value of assets

We apply the short-term lease recognition exemption to those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Where we are the Lessor

Leases in which we do not transfer substantially all the risks and rewards incidental to ownership of an asset is classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Contingent rents are recognised as revenue in the period in which they are earned.

Borrowing Cost

Borrowing costs are interest and other costs that we incur in connection with the borrowing of funds and is measured with reference to the effective interest rate applicable to the respective borrowing.

Borrowing costs allocated to qualifying assets pertaining to the period from commencement of activities relating to construction / development of the qualifying asset up to the time all the activities necessary to prepare the qualifying asset for its intended use or sale are complete.

All other borrowing costs are recognised as an expense in the period in which they are incurred.

Cash and Cash Equivalent

Cash and cash equivalent as reported in the balance sheet comprise cash at banks and on hand and short term deposits with an original maturity of three months or less which are subject to an insignificant risk of changes in value. However, for the purposes of the cash flow statement, cash and cash equivalents comprise of cash and short term deposits as defined in Ind AS 7.

Earnings Per Share

Basic earnings per share is computed by dividing the restated profit / (loss) after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for

the events for bonus issue, bonus element in a rights issue to existing shareholders, share split and reverse share split (consolidation of shares).

Diluted earnings per share is computed by dividing the restated profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net off any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

Provisions, Contingent Liabilities & Contingent Assets

Provisions are recognized when we have a present obligation (legal or constructive) as a result of a past event, it is probable that we will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material).

Contingent liabilities are disclosed for:

(i) possible obligations which will be confirmed only by future events not wholly within the control of our Group; or

(ii) present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are not recognised in Restated Financial Statements. If an inflow of economic benefits has become probable, contingent assets are disclosed.

Contingent assets are assessed continually to ensure that developments are appropriately reflected in the Restated Financial Statements. If it has become virtually certain that an inflow of economic benefits will arise, the asset and the related income are recognised in the Restated Financial Statements of the period in which the changes occurs.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each reporting date.

Segment Reporting

Our board of directors monitor the operating results of our business segments separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss in the financial statements. The operating segments have been identified on the basis of nature of product / services.

We are not engaged in any other segment other than real estate.

Changes in accounting policies and recent accounting pronouncements

There have been no changes in our accounting policies for Fiscals 2026, 2025 and 2024.

As of the date of this Prospectus, there are no recent accounting pronouncements which would have a material effect on our financial condition or results of operations.

Key Components of our Statement of Profit and Loss

The key components of our statement of profit and loss are described below:

Income

Income consists of revenue from operations and other income.

Revenue from operations. Revenue from operations comprises (i) revenue from sales, which includes revenue from sale of residential units and retail shops; and (ii) other operating revenue, which includes license fees, sale of material, service charges and others. License fees relate to fees received through leasing of commercial premises owned by us.

Other income. Other income comprises interest income (which includes interest on income tax refund, among others), gains on sale of property, plant and equipment (net), gain on sale of investment properties, gain on financial instruments at fair value through profit or loss (net), financial guarantee commission income and miscellaneous income. Miscellaneous income relates to income from non-operating activities, such as the sale of scrap.

Expenses

Expenses consist of cost of construction and development, changes inventories of finished goods (including stock-in-trade) and work-in-progress, employee benefits expenses, finance costs, depreciation and amortization expenses, and other expenses.

Cost of construction and development. Cost of construction and development incurred during the year comprise purchases of land and development rights, project execution expenses, consultancy charges, other project expenses, overheads, depreciation, finance costs (which are distinguished from finance costs charged directly to our profit and loss account) and other operating expenses.

Changes inventories of finished goods (including stock-in-trade) and work-in-progress. Changes inventories of finished goods (including stock-in-trade) and work-in-progress is represented by difference in our opening stock and the closing stock.

Employee benefits expense. Employee benefits expense comprises salaries, allowances and bonus, contribution to provident and other funds, directors' remuneration and staff welfare.

Finance costs. Finance costs comprise interest expenses on financial liabilities at amortized cost, including borrowings and bank and other financial charges. Our finance costs are adjusted for transfers to work-in-progress (which we account for as part of our cost of sales and other operational expenses, based on the stage of completion of the relevant project for which they are incurred) and capital work-in-progress.

Depreciation and amortization expense. Depreciation and amortization expense includes depreciation and amortization on property, plant and equipment, investment property and intangible assets. Intangible assets include software and license keys.

Other expenses. The largest components of other expenses are advertisement and publicity expenses, rent and accommodation expenses and repairs and maintenance expenses. Other components of other expenses include rates and taxes, electricity charges, security charges, insurance expense, legal and professional fees, directors' sitting fees, conveyance and travelling expenses, printing and stationery, membership and subscriptions, communication charges, auditors' remuneration, brokerage and commission, loss on sale of property, plant and equipment (net), share of loss from partnership firms and miscellaneous expenses.

Tax expense

Tax expense consists of current tax and deferred tax (credit) / charge.

Results of Operations

Set out below are select financial information from our restated consolidated statement of profit and loss for Fiscals 2026, 2025 and 2024, the components of which are also expressed as a percentage of our total income for such years:

Particulars	Fiscal 2026		Fiscal 2025		Fiscal 2024

Fiscal 2026 compared to Fiscal 2025

Total income. Total income increased by 76.15% from ₹10,507.14 million for Fiscal 2025 to ₹18,507.93 million for Fiscal 2026, primarily as a result of an increase in revenue from operations.

Revenue from operations. Revenue from operations increased by 78.51% from ₹10,077.66 million for Fiscal 2025 to ₹17,989.49 million for Fiscal 2026, primarily as a result of an increase in revenue from contracts with customers from ₹10,034.94 million for Fiscal 2025 to ₹17,707.20 million for Fiscal 2026, due to higher sales recognition from our residential real estate projects, namely, Runwal Forests undertaken by Wheelabrator Alloy Castings Limited, Runwal Bliss undertaken by Evie Real Estate Private Limited, Runwal Avenue Retail undertaken by Susneh Infrapark Private Limited, Runwal My City undertaken by Horizon Projects Private Limited and Runwal Gardens undertaken by Runwal Residency Private Limited during the year.

Other income. Other income increased by 20.71% from ₹429.48 million for Fiscal 2025 to ₹518.44 million for Fiscal 2026, primarily as a result of an increase in interest income from ₹187.49 million for Fiscal 2025 to ₹205.45 million for Fiscal 2026 and profit on sale of assets of ₹112.45 million recognized in Fiscal 2026, on account of the sale of a school building previously classified as a non-current asset held for sale.

Total expenses. Total expenses increased by 70.68% from ₹9,531.54 million for Fiscal 2025 to ₹16,268.63 million for Fiscal 2026, primarily as a result of a decrease in the changes in inventories of finished goods (including stock-in-trade) and work-in-progress and an increase in employee benefits expenses, finance costs and other expenses.

Cost of construction and development. Cost of construction and development decreased by 1.80% from ₹15,422.00 million for Fiscal 2025 to ₹15,144.41 million for Fiscal 2026, primarily as a result of a decrease in other expenses allocated to project cost from ₹5,226.31 million for Fiscal 2025 to ₹2,682.74 million for Fiscal 2026, partially offset by an increase in construction materials and other expenses from ₹6,450.49 million for Fiscal 2025 to ₹9,404.41 million for Fiscal 2026 and an increase in finance costs allocated to project cost from ₹1,966.09 million for Fiscal 2025 to ₹2,284.75 million for Fiscal 2026.

Changes in inventories of finished goods (including stock-in-trade) and work-in-progress. Changes in inventories of finished goods (including stock-in-trade) and work-in-progress decreased by 64.54% from ₹(8,962.06) million for Fiscal 2025 to ₹(3,177.86) million for Fiscal 2026, primarily as a result of an increase in closing work-in-progress stock (i.e. accumulated cost of development of the project until revenue is recognized from the project) from ₹61,357.85 million to ₹77,318.95 million, partially offset by a decrease in closing finished goods stock from ₹4,397.06 million to ₹3,743.16 million during the year.

Employee benefit expenses. Employee benefit expenses increased by 48.32% from ₹660.40 million for Fiscal 2025 to ₹979.53 million for Fiscal 2026, primarily as a result of an increase in salaries, wages and bonus from ₹1,340.60 million for Fiscal 2025 to ₹1,997.75 million for Fiscal 2026, which was primarily due to an increase in headcount and routine yearly increments and promotions.

Finance costs. Finance costs increased by 46.02% from ₹788.61 million for Fiscal 2025 to ₹1,151.55 million for Fiscal 2026, primarily as a result of an increase in interest on borrowings and others from ₹2,660.59 million for Fiscal 2025 to ₹3,140.20 million for Fiscal 2026 and unwinding of discount on liabilities from ₹29.99 million for Fiscal 2025 to ₹266.29 million for Fiscal 2026, partially offset by an increase in allocation to project cost from ₹1,966.09 million for Fiscal 2025 to ₹2,284.74 million for Fiscal 2026.

Depreciation and amortization expense. Depreciation and amortization expense increased by 190.58% from ₹36.89 million for Fiscal 2025 to ₹107.20 million for Fiscal 2026, primarily on account of an increase in the depreciation of tangible and intangible assets from ₹209.60 million for Fiscal 2025 to ₹247.01 million for Fiscal 2026, coupled with a decrease in the amounts allocated to project costs from ₹172.71 million for Fiscal 2025 to ₹139.81 million for Fiscal 2026.

Other expenses. Other expenses increased by 30.15% from ₹1,585.70 million for Fiscal 2025 to ₹2,063.80 million for Fiscal 2026, primarily as a result of a decrease in the amounts allocated to project costs from ₹5,226.31 million for Fiscal 2025 to ₹2,682.75 million for Fiscal 2026, and increase in advertising expenses from ₹793.38 million for Fiscal 2025 to ₹1,025.36 million in Fiscal 2026, increase in legal & professional expenses from ₹578.51 million for Fiscal 2025 to ₹877.84 million for Fiscal 2026 and development rights and related expense of ₹282.31 million for Fiscal 2026. This was partially offset by a decrease in rates and taxes from ₹4,027.69 million for Fiscal 2025 to ₹2,227.43 million for Fiscal 2026 and increase in the amounts allocated to investment property from ₹8.75 million for Fiscal 2025 to ₹780.50 million for Fiscal 2026.

Total tax expenses. Total tax expenses decreased by 8.96% from ₹419.08 million for Fiscal 2025 to ₹381.52 million for Fiscal 2026, primarily as a result of a decrease in current tax from ₹688.13 million for Fiscal 2025 to ₹604.57 million for Fiscal 2026, along with a deferred tax credit of ₹223.05 million for Fiscal 2026 as compared to a deferred tax credit of ₹269.05 million for Fiscal 2025.

Restated net profit / (loss) for the year. As a result of the foregoing, we achieved a restated net profit of ₹1,857.63 million for Fiscal 2026 as compared to a net profit of ₹556.48 million for Fiscal 2025.

Employee benefit expenses. Employee benefit expenses increased by 44.67% from ₹456.48 million for Fiscal 2024 to ₹660.40 million for Fiscal 2025, primarily as a result of increase in salaries, wages and bonus from ₹1,103.82 million for Fiscal 2024 to ₹1,340.60 million for Fiscal 2025 which was primarily due to an increase in headcount and routine yearly increments and promotions.

Finance costs. Finance costs increased by 88.74% from ₹417.82 million for Fiscal 2024 to ₹788.61 million for Fiscal 2025, primarily as a result of increase in interest on inter-corporate deposits from ₹13.80 million for Fiscal 2024 to ₹233.05 million for Fiscal 2025, increase in interest on overdraft facility from ₹64.05 million in Fiscal 2024 to ₹229.54 million for Fiscal 2025 and increase on non-convertible debentures from ₹34.34 million in Fiscal 2024 to ₹204.90 million for Fiscal 2025.

Depreciation and amortization expense. Depreciation and amortization expense increased by 16.05% from ₹31.79 million for Fiscal 2024 to ₹36.89 million for Fiscal 2025, primarily on account of an increase in the depreciation of tangible and intangible assets from ₹187.82 million for Fiscal 2024 to ₹209.60 million for Fiscal 2025. This was partially offset by an increase in the amounts allocated to project costs from ₹156.03 million for Fiscal 2024 to ₹172.71 million for Fiscal 2025.

Other expenses. Other expenses decreased by 37.72% from ₹2,546.24 million for Fiscal 2024 to ₹1,585.70 million for Fiscal 2025, primarily as a result of a decrease in advertising expense from ₹1,099.11 million for Fiscal 2024 to ₹793.38 million for Fiscal 2025 and brokerage and incremental cost from ₹697.18 million for Fiscal 2024 to ₹414.94 million for Fiscal 2025. This was partially offset by an increase in rates and taxes from ₹1,197.79 million for Fiscal 2024 to ₹4,027.69 million for Fiscal 2025, and in amounts allocated to project costs from ₹1,034.32 million for Fiscal 2024 to ₹5,226.31 million for Fiscal 2025.

Total tax expenses. Total tax expenses increased by 166.45% from ₹(630.71) million for Fiscal 2024 to ₹419.08 million for Fiscal 2025, primarily as a result of an increase in current tax expense from ₹(668.42) million for Fiscal 2024 to ₹688.13 million for Fiscal 2025, partially offset by a decrease in deferred tax credit from ₹37.71 million for Fiscal 2024 to deferred tax charge of ₹269.05 million for Fiscal 2025.

Restated net profit / (loss) for the year. As a result of the foregoing, we achieved net profit of ₹556.48 million for Fiscal 2025 as compared to a net profit of ₹937.00 million for Fiscal 2024.

Liquidity and Capital Resources

Our primary sources of liquidity include cash generated from operating activities, and from borrowings, both current and non-current, including term loans and proceeds from the issue of non-convertible debentures. As of March 31, 2026, we had cash and cash equivalents of ₹2,012.64 million.

Our financing requirements are primarily for the construction and completion of our Ongoing Projects. We expect that cash flow from operating activities and borrowings will continue to be our principal sources of funds in the long-term. We evaluate our funding requirements periodically in light of our net cash flow from operating activities, the requirements of our business and operations, acquisition opportunities and market conditions. We expect that our cash flows from operating activities, borrowings and the Net Proceeds of the Issue will address our capital requirements for the next 12 months.

Qualifications, Matters of Emphasis and Adverse Observations

The audit reports for the audited financial statements of certain of our Subsidiaries and Joint Venture for Fiscals 2026, 2025 and 2024 include emphasis of matters as follows:

Period	Company	Emphasis of Matter	Company's Response to Emphasis of Matter	Impact on the Financial Statements and Financial Position of the Company
Fiscal 2026	Evie Developers Private Limited	*We draw attention to note 2. xxii to the financial statements; the Company's net worth is fully eroded and the Company has incurred losses during the current year amounting to ₹8.65 million indicating the existence of uncertainty that may cast doubt about the Company's ability to continue as a going concern. However, in view of the mitigating factors as described in the aforesaid note including strategic plans and decisions, the management is of the view that going concern basis of account is appropriate and accordingly the financial statements are prepared on a going concern basis. Our opinion is not qualified in respect of these matters.*	The company has an accumulated loss of ₹8.65 million owing to which the Company's net-worth has been eroded completely. However, the Management believes that by infusing funds out of borrowed capital and other strategic decisions and mitigating plans, the company will be able to meet its operational and other commitments as they arise and accordingly the financials have been prepared on a going concern basis. Adverse Observation in the Companies Auditor's Reports Order, 2016 and Companies Auditor's Reports Order, 2020

The auditors of certain of our Subsidiaries have commented upon the matters included in the CARO Report issued by the Central Government of India under Section 143(11) of the Companies Act, 2013 on the audited financial statements of said Subsidiaries as at and for Fiscals 2026, 2025 and 2024, as follows:

Period	Company	Clause	Nature of Adverse Observation	Details of Adverse Observation	Company's Response to Adverse Observation	Impact on the Financial Statements and Financial Position of the Company
Fiscal 2026	Runwal Enterprises Limited	(i)(a)	(A) The Company is in the process of maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment. (B) The Company is in the process of maintaining proper records showing full particulars of intangible assets.	No proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and intangible assets	Subsequently The company has updated the required records for property, plant and equipment other than Aluminium Form. For intangible assets will update in financial year 2026-27.	Nil
Fiscal 2026	Runwal Enterprises Limited	(i)(b)	As explained to us, the Company has a regular program of conducting physical verification of its property, plant and equipment in a phased manner. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. However, during the current year, the Company is in the process of carrying out the physical verification of Property, Plant and Equipment, and the same is yet to be completed, excluding Aluminium Formwork having a gross block value of ₹110.58 million.	The company has not carried out physical verification of aluminium formwork	Considering the nature of asset, the physical verification of Aluminium Formwork is practically not possible. This has been discussed and confirmed by the agency verifying PPE.	Nil
Fiscal 2026	Runwal Enterprises Limited	(ii)(a)	The inventory, comprise of raw materials, construction work-in-progress, cost of unused land and finished goods. During the year, raw material inventory which are under the custody of the Company has been physically verified by the management and no discrepancies of 10% or more in the aggregate were noticed on such physical verification of inventories when compared with books of account. However, for raw material inventory which are under the custody of the contractor as on the March 31, 2026, coverage and procedure of such verification is not appropriate as the Company has not physically verified the inventory but obtained the confirmation for inventories under their custody.	The company has not carried out physical verification conformation of raw material inventory under custody of contractors	The Company on monthly/ quarterly basis does the reconciliation of raw material issued, consume and the balance raw material lying with the vendor/contractor. This activity is a part of the payment process. Thus, this is a continuous process.	Nil
Fiscal 2026	Runwal Enterprises Limited	(ii)(b)	As per the information and explanation given to us, the Company has been sanctioned working capital limits in excess of ₹50.00 million in aggregate from Banks and financial institutions based on security of current assets. As stated in note no. 44 (XIII), the Company has availed borrowings from Banks which are secured against it' s current assets. The Company has submitted details as part of quarterly returns/ statements to these Banks which are based on the books of accounts of the company, who are in the process of compiling the differences, if any. We have not received the said difference, however as informed to us differences are not expected to be material.	Auditor did not receive reconciliation for difference between quarterly statement submitted to bank and books of accounts	There are no material differences.	Nil

Quantitative and qualitative disclosures regarding market and other risks

We are exposed to various types of market risks during the normal course of business. The risks we are exposed to include market risk, credit risk and liquidity risk.

Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk, such as equity price risk and commodity risk. Financial instruments affected by market risk include deposits.

(i) Currency Risk

Foreign currency risk is the risk that the fair value or the future cash flows of an exposure will fluctuate because of changes in the foreign exchange rate. The Group undertakes few/negligible transactions denominated in foreign currencies only for availing certain services. Hence, foreign currency risk is not significant in comparison to Group's operations. Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates. Our Group manages its interest rate risk by having a balanced portfolio of fixed and floating rate loans and borrowings.

(ii) Interest Rate Sensitivity

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on borrowings affected. With all other variables held constant, our profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Effect on profit before tax		
	As at March 31, 2026	As at March 31, 2025	As at March 31, 2024
	(₹ in million)		
Increase in existing interest rate by 1.00%	180.11	134.24	122.70
Decrease in existing interest rate by 1.00%	(180.11)	(134.24)	(122.70)

The following assumptions have been made in calculating the sensitivity analyses:

- the sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks. This is based on the financial assets and financial liabilities held at March 31, 2026, March 31, 2025 and March 31, 2024;
- the sensitivity analyses relate to the position as at March 31, 2026, March 31, 2025 and March 31, 2024; and
- the analyses exclude the impact of movements in market variables on the carrying values of gratuity and other post-retirement obligations; provisions; and the non-financial assets and liabilities of foreign operations.

Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. We are exposed to credit risk from its operating activities and from its financing activities, including deposits with banks and financial institutions and other financial instruments. Exposure to credit risk: The carrying amount of financial assets represents the maximum credit exposure.

(i) Trade receivables

Our credit risk is influenced mainly by the individual characteristics of each customer. However, credit risk with regard to trade receivables is almost negligible in the case of residential sales as we hand over possession to our customers only when the entire outstanding is received. No impairment is observed on the carrying value of trade receivables.

On account of adoption of Ind AS 109, we use the expected credit loss model to assess the impairment loss or gain. We use a provision matrix to compute the expected credit loss allowance for trade receivables and unbilled revenues. The provision matrix takes into account factors such as default risk of industry, historical experience for customers, etc. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets. We do not hold collateral as security. We evaluate the concentration of risk with respect to trade receivables as low as our customers are located in several jurisdictions and operate in largely independent markets.

(ii) Cash and Cash equivalents

Credit risk from balances with banks and financial institutions is managed by our treasury department in accordance with our policy. Investments of surplus funds are made only with approved counterparties and within credit limits assigned to each counterparty. Counterparty credit limits are reviewed by the Board of Directors on an annual basis. The limits are set to minimize the concentration of risks and therefore mitigate financial loss through a counterparty's potential failure to make payments.

Our maximum exposure to credit risk for the components of the balance sheet at March 31, 2026, March 31, 2025 and March 31, 2024 is the carrying amounts.

Liquidity risk

Liquidity risk is the risk that we will not be able to settle or meet our obligations as they fall due. Our policy on liquidity risk is to maintain sufficient liquidity in the form of cash and other liquid assets to meet our fund flow requirements both under normal and stressed conditions. We maintain a healthy balance between our various sources of funds such as collection from customers, bank overdraft and term loans. In addition, processes and policies related to such risks are overseen by senior management. Management monitors our net liquidity position through rolling forecasts of expected cash flows.

Other qualitative factors

Related party transactions

We have in the past entered into, and in the future may enter into, transactions with several related parties in the ordinary course of our business. Such transactions could be for, among other things, purchase of materials and services, purchase of property, plant and equipment, sale of materials and services, sale of property, plant and equipment, donations paid, directors' remuneration, reimbursement of expenses paid or received, and investment in firms. For further details of our related party transactions, see "*Restated Consolidated Financial Information – Annexure VI - Consolidated Statement of notes and other Explanatory Information forming part of Restated Consolidated Statements – Note 52 (A) – Related Party Transactions*" on page 345.

Dependence on a few suppliers or customers

Our business is significantly dependent on third party vendors and suppliers to provide us our construction supplies. In Fiscals 2026, 2025 and 2024, our top 10 suppliers accounted for approximately 76.05%, 54.80% and 50.66% of our total expenses, respectively. For further details, see "*Risk Factors — Internal Risk Factors — We are significantly dependent on third party vendors and suppliers to provide us our construction supplies. In Fiscals 2026, 2025 and 2024, our top 10 suppliers accounted for approximately 76.05%, 54.80%, and 50.66% of our total expenses, respectively. Any failure in procuring such construction supplies or any breakdown of our relations with our vendors and suppliers could adversely affect our business, results of operations and financial condition.*" on page 43.

Furthermore, given the nature of our business operations, we do not believe our business is dependent on any single or a few customers.

Significant economic changes

Other than as described above under "*— Significant Factors Affecting our Results of Operations*" on page 403, to the knowledge of our management, there are no other significant economic changes that materially affect or are likely to affect our income from continuing operations.

Unusual or infrequent events or transactions

Except as disclosed in this Prospectus, to our knowledge, there have been no "unusual" or "infrequent" events or transactions that have in the past, or may in the future, affect our business operations or future financial performance.

Known trends or uncertainties

Our business has been affected and we expect will continue to be affected by the trends identified above in "*— Significant Factors Affecting our Results of Operations*" on page 403 and the uncertainties described in "*Risk Factors*" on page 18. To our knowledge, except as described or anticipated in this Prospectus, there are no known factors which we expect will have a material adverse impact on our revenues or income from continuing operations.

Future relationship between cost and income

Other than as described in this Prospectus, to the knowledge of our management, there are no known factors that might affect the future relationship between costs and revenues.

New products or business segments

Other than as described in "*Our Business — Strategies*" on page 196, there are no new products or business segments in which we operate or propose to operate.

Seasonality of business

Our business is not subject to seasonality.

Material developments after March 31, 2026

Except as disclosed otherwise in this Prospectus, to our knowledge, there is no subsequent development after March 31, 2026, which materially and adversely affects, or is likely to affect, our trading or profitability, or the value of our assets, or our ability to pay our liabilities within the next twelve months.

Other significant developments occurring after March 31, 2026

Launch of Tower 3 in 7 Mahalaxmi

We launched Tower 3 of our flagship project, 7 Mahalaxmi, in South Mumbai on an expression of interest basis, comprising 368 units across 50 floors and offering approximately 1.89 million sq. ft. of residential area. Positioned as a premium addition to the development, the tower offers luxury residences with panoramic views of the Mumbai skyline and Arabian Sea, benefits from the project's lifestyle amenities and strategic location, and is registered under MahaRERA (PR1172022600440).

Demerger of Evie Real Estate Private Limited into Evie Developers Private Limited ("EDPL")

Scheme of Arrangement between Evie Real Estate Private Limited ("Demerged Company") and Evie Developers Private Limited ("Resulting Company") (together the "Applicant Companies")

Pursuant to an order dated July 28, 2026, the Hon'ble National Company Law Tribunal, Mumbai Bench, sanctioned the Scheme under Sections 230 and 232 of the Companies Act, 2013. Under the Scheme, the Demerged Company has been transferred to and vested in the Resulting Company, with an appointed date of April 1, 2026.

The Scheme separates the Demerged Company's Grade A commercial office business from its ongoing residential real estate projects, enabling the two businesses to operate under separate entities with greater focus and strategic flexibility and allowing the Resulting Company to attract strategic partners with specialised commercial office expertise.

Conversion of CCDs

On August 28, 2026, all outstanding Compulsorily Convertible Debentures issued by our Company to HDFC Capital Affordable Real Estate Fund – 3, together with accrued interest thereon, were converted into equity shares at a conversion price of ₹342.49, resulting in the issuance of 6,341,436 equity shares.

SECTION VI - LEGAL AND OTHER INFORMATION

OUTSTANDING LITIGATIONS AND MATERIAL DEVELOPMENTS

*Except as stated in this section, there are no (i) outstanding criminal proceedings (ii) outstanding actions taken by statutory and/or regulatory authorities; (iii) outstanding claims related to direct or indirect taxes; (iv) other pending litigation/ arbitration as determined to be material by our Board as per the Materiality Policy, in each case involving our Company, Subsidiaries, Directors, Promoter, Joint Ventures and Associate (together the "**Relevant Parties**"); (v) outstanding criminal proceedings or outstanding actions taken by statutory and/or regulatory authorities involving our Key Managerial Personnel and Senior Management; or (vi) litigation involving our Group Companies which has a material impact on our Company. Further, there are no disciplinary actions including penalties imposed by SEBI or stock exchanges against our Promoter in the last five Fiscals preceding the date of this Prospectus, including any outstanding action.*

Our Company has also disclosed any findings/observations of any of the inspections by SEBI or any other regulator (including the Real Estate Regulatory Authority and enforcement agencies) involving our Company or Subsidiaries or Joint Ventures or Associate, which are material, and which need to be disclosed or non-disclosure of which may have bearing on the investment decision.

For the purposes of (iv) above, in terms of the Materiality Policy adopted by resolution of our Board dated September 10, 2026: any outstanding litigation / arbitration proceedings (other than as covered in points (i) to (iii) above) involving our Company, Directors, Subsidiaries, Joint Ventures, Associate, and Promoter shall be considered material for the purposes of disclosure in this Prospectus, if.

(a) the aggregate monetary claim/ dispute amount/ liability involved in such proceeding is in excess of the lower of:

(i) 2% of the turnover of our Company, being ₹ 359.79 million, for the most recent financial year as per the Restated Consolidated Financial Information; or

(ii) 2% of the net worth of our Company, being ₹ 153.64 million, as at the end of the most recent financial period as per the Restated Consolidated Financial Information, except in case the arithmetic value of the net worth is negative; or

*(iii) 5% of the average of the absolute value of the profit or loss after tax of our Company, being ₹ 55.85 million, for the last three financial years as per the Restated Consolidated Financial Information ("**Threshold**");*

For the purpose of (iii) above, it is clarified that the average of the absolute value of profit after tax is to be calculated by disregarding the 'sign' (positive or negative) that denotes such value.

Accordingly, ₹ 55.85 million being the lowest of the above criteria has been considered as the materiality threshold for the purpose of (a) above: or

(b) the outcome of such proceeding (including proceedings under the Insolvency and Bankruptcy Code, 2016) could have a material adverse effect on the business, operations, performance, results of operations, cash flows, prospects, financial position or reputation of our Company, irrespective of whether the amount involved in such proceeding exceeds the Threshold or not or whether the monetary liability is not quantifiable in such proceeding; or

(c) the decision in such proceeding is likely to affect the decision in similar proceedings, such that the cumulative amount involved in such proceedings exceeds the Threshold, even though the amount involved in an individual proceeding may not exceed the Threshold.

Individual disclosures shall be included for tax matters involving our Company, Subsidiaries, Joint Ventures, Associate, Promoter and Directors in this Prospectus, where the amount involved in such tax matters exceeds the Threshold. Further, all the outstanding litigation / arbitration proceedings involving our Company, Subsidiaries, Joint Ventures and Associate which relate to the land parcels of completed, ongoing or forthcoming or planned projects of our Company, Subsidiaries, Joint Ventures and Associate or the land reserves held by our Company, Subsidiaries, Joint Ventures and Associate, respectively, where the dispute is with respect to the title of the land parcel or development interest, will be considered 'material' for the purposes of disclosure in this Prospectus (irrespective of any amount involved in such litigation).

Furthermore, consolidated disclosures are included in this Prospectus for claims filed by the buyers of the properties sold by our Company, Subsidiaries, Joint Ventures and Associate before the Real Estate Regulatory Authority established in Maharashtra, India. The disclosure shall include the aggregate number of claims and the corresponding aggregate amount, for the separate projects of our Company, Subsidiaries, Joint Ventures and Associate, as applicable.

Further, as regards outstanding litigations involving our Group Companies, would be considered to have a 'material impact' on our Company for the purpose of disclosure in this Prospectus, if an adverse outcome from such pending litigation would materially and adversely affect the business, prospects, operations, performance, financial position or reputation of our Company.

Pre-litigation notices received by our Company, Subsidiaries, Directors or Promoter, Joint Ventures, Associate, Key Managerial Personnel and Senior Management from third parties (excluding those notices issued by statutory / regulatory / governmental / tax / judicial authorities or notices threatening criminal action) shall not be considered as litigation and accordingly not be disclosed in this Prospectus until such time our Company, Subsidiaries, Directors or the Promoter, Joint Ventures, Associate, Key Managerial Personnel and Senior Management as the case may be, are impleaded as a party in the litigation/ proceeding/ investigation/ regulatory action before any judicial/ arbitral forum.

For the purposes of identification of material creditors, a creditor of our Company, shall be material for the purpose of disclosure in this Prospectus and the website of our Company, if outstanding amounts due to such creditor is equal to or in excess of 5% of the total consolidated trade payables of our Company as at the end of the most recent period covered in the Restated Consolidated Financial Information included in this Prospectus

For outstanding dues to MSMEs and other creditors, the disclosure will be based on the information available with the Company regarding the status of the creditors as MSME as defined under Section 2 read with Section 7 of the Micro, Small and Medium Enterprises Development Act, 2006, as amended, as has been relied upon by the statutory auditors in preparing their audit report.

All terms defined in a particular litigation disclosure below correspond to that litigation only.

A. Litigation involving our Company

1. Outstanding litigation against our Company

a. *Criminal proceedings against our Company*

c. Material civil proceedings

i. Our Company had issued a letter of intent dated June 28, 2010 and subsequently executed a work order dated October 6, 2011 with Gammon India Limited ("**Claimant**") for carrying out the civil and structural works at Project Runwal Greens for a contract price of ₹ 1,527.74 million ("**Work Order**"). Pursuant to an amendment in Work Order the contract price was amended and the scheduled completion date was extended up to December 31, 2014 ("**Amendment**"). The salient features of the Work Order *inter alia* included provisions for agreed rate, date of completion, agreed rate as per Amendment, amended contract amount, commencement date and completion date of each building etc. The Claimant invoked the dispute resolution clause of the Work Order by way of notice dated April 16, 2019 alleging *inter alia* delay on behalf of our Company to issue drawings/ repeated revisions to drawings issued, delay in handing over the construction site, repeated suspension of construction activity due to non-receipt of statutory approvals/clearances, delay in releasing payments towards final bill. The Claimant sought a total amount of ₹ 408.05 million from our Company. Our Company filed a statement of defence and counterclaim dated July 5, 2021 and has refuted the allegations levelled by the Claimant and has *inter alia* counter claimed liquidated damages, reimbursement of additional amounts paid to the Claimant, expenses incurred and loss of profit among others that amounts to ₹ 2,086.00

million against which the Claimant has filed a statement of defence/reply to the counter claim dated September 16, 2021. Further, the Claimant has filed an application for bifurcation of issues dated February 21, 2022 pertaining to our Company's counter claim against which our Company has filed a reply dated March 21, 2022. Further, our Company has also filed an application for bifurcation of issues dated February 28, 2022 against which the Claimant has filed reply March 9, 2022. The Hon'ble High Court of Judicature at Bombay, upon a joint request by both parties, extended the mandate of the arbitral tribunal under Section 29-A of the Arbitration and Conciliation Act, 1996, citing the voluminous nature of the record and the mandate, which had originally expired on August 31, 2023, has been extended for a period of 18 months, i.e., until November 30, 2026, vide order dated June 10, 2025. The matter is presently pending before the arbitral tribunal.

ii. Runwal Chestnut Co-operative Housing Society Limited ("**Complainant**") has filed a complaint before National Consumer Disputes Redressal Commission, New Delhi ("**Commission**") against our Company, and certain Directors, Lucy Roychoudhury and Ashutosh Navare Arvind, under Section 58 and 59 read with 35(1)(b) of the Consumer Protection Act, 2019, on grounds of deficiencies in services, unfair practices and alleged wrongful acts in the development of the project 'Runwal Greens Annexe', located in Mulund Goregaon link road, Mulund (west), Mumbai ("**Project**"). The Complainant *inter alia* alleged that, our Company has collected amounts in excess of statutory limits prescribed under Maharashtra Ownership of Flats (Regulation of the Promotion of Construction, Sale, Management and Transfer) Act, 1963, delay in conveying the title of the land, irregularities in total area of land, defects in the construction and misappropriation of funds collected for the Project. The Complainant has alleged that Company has been dishonest, fraudulent, wrongful and malafide in its conduct and has prayed for payment of compensation amounting to ₹ 186.69 million along with applicable interest, directions to convey the title to the land to the Complainant, directions for rendering inspection of true and fair accounts of our Company and directions to rectify and complete the deficiencies/ defect in the construction of the Project. Additionally, the Complainant has prayed for payment of compensation of ₹ 0.50 million to each complainant for mental agony, harassment, discomfort and undue hardships for the alleged acts stated above. The Complainant has also submitted an interlocutory application, dated February 12, 2024, seeking an order for the change of the name of our Company in the current matter. Our Company has filed an Affidavit of Evidence ("**AOE**") before the Commission in response to the Complaint, praying for the Complaint's dismissal. The AOE raises preliminary objections, including the Complaint being barred by limitation and the commission lacking pecuniary jurisdiction. On merits, it disputes the land area for conveyance due to an "inadvertent error" and denies liability for repairs, citing an expired defect liability period and poor maintenance by the Complainant. The matter is presently pending and listed for hearing on October 16, 2026.

iii. Neeraj Rameshwarkumar Jain ("**Complainant**") has filed a complaint before the State Consumer Dispute Redressal Commission, Maharashtra against our Company. The Complainant has *inter alia* alleged the illegal cancellation of letter of allotment by our Company, failure to execute agreement for sale in respect to the apartment and delay in handing over the possession of the apartment, under Section 35(1) read with Section 47(1) of the Consumer Protection Act, 2019 and deficiency in services under Sections 3, 4, 5 and 7 of the Maharashtra Ownership Flats Act, 1963 ("**MOFA**"). The Complainant has prayed for payment of compensation aggregating to ₹ 85.52 million and directions to our Company to hand over the peaceful and vacant possession of the apartment and withdraw the cancellation of the allotment letter, enter into registration agreement for sale conforming to the conditions indicated in the original allotment letter, bearing the additional charges arising out of the registration agreement due to change in the rates of taxes and stamp duty, clear all society dues, taxes, club charges, maintenance charges, development charges and to pass among others. Our Company has filed a reply dated May 28, 2021. The matter is presently pending and listed for hearing on October 22, 2026. The Complainant has also instituted a civil suit before the City Civil Court at Bombay ("**Civil Court**") against our Company, alleging that our Company has illegally demanded a sum of ₹ 1.57 million towards alleged increase in the area of the flat and sought for such alleged demand to be declared as illegal, ultra-vires, null and void and sought permanent injunction restraining our Company from selling, alienating, mortgaging, disposing of, parting with possession or creating third party rights in respect of the suit flat. Our Company has filed its written statement to the plaint, denying the allegations made by the Complainant on December 19, 2016. Further, the Complainant has also filed a miscellaneous application before the Civil Court praying that an inquiry be initiated under Section 340 of the CrPC against our Company for alleged false statements made at the time of selling the suit flat. Our Company has filed reply to the miscellaneous application denying the allegations on February 23, 2024. Further, the Complainant filed an amended copy of the plaint, a notice of motion, a chamber summons and a miscellaneous application seeking, *inter alia*, to change the name of our Company. Our Company, by way of written submissions dated February 12, 2026, opposed the Complainant's notice of motion and sought dismissal of the interim application. Our Company also filed an additional affidavit in reply dated January 30, 2026, in relation to the chamber summons, placing on record the relevant subsequent events. Pursuant to an order dated September 11, 2026,

the original chamber summons has been disposed off and the proceedings are currently pending before the Civil Court.

iv. Runwal Ebony Co-operative Housing Society Limited and Valliath Rony ("**Complainants**") have filed a complaint before the National Consumer Disputes Redressal Commission, New Delhi ("**NCDRC**") against our Company, under Section 58(a)(i) of the Consumer Protection Act, 2019, dated March 18, 2025, in relation to the project "Runwal Greens", located at Mulund Goregaon Link Road, Bhandup (West), Mumbai – 400 078. The Complainants have alleged deficiency in services and unfair trade practices in relation to the development of Runwal Ebony in the said project. The Complainants have inter alia alleged that our Company failed to provide a stretcher lift despite the agreement for sale and the statutory requirement under the National Building Code, 2016; collected excess maintenance; failed to pay property tax for common areas and individual flats prior to the maintenance commencement date; failed to pay maintenance for unsold flats; caused the society to incur additional water charges and consultancy expenses due to non-completion of formalities with the BMC water department; and failed to rectify multiple defects in the society building and deficiencies in the fire-fighting system. Based on the foregoing, the Complainants have sought directions to our Company to install a new stretcher lift within the existing lift shaft or, in the alternative, pay approximately ₹15.93 million in relation thereto, along with refund / reimbursement of approximately ₹10.45 million towards alleged excess maintenance, ₹0.61 million towards common area property tax, ₹1.60 million towards individual flats' property tax, ₹0.61 million towards maintenance for unsold flats, ₹0.69 million towards additional water-related expenditure, ₹19.94 million towards rectification of defects in the society building, and ₹0.17 million towards rectification of the fire-fighting system, together with interest at 21% per annum on the monetary claims, compensation of ₹0.50 million, and legal costs of ₹1.00 million. The Complaint further states that the cause of action arose upon our Company's reply dated October 16, 2023 to the legal notices issued by the Complainants, and contends that the complaint has been filed within limitation. Our Company has opposed the Complainants' application for condonation of delay by filing a limited reply before the NCDRC, contending that the complaint is barred by limitation under Section 69 of the Consumer Protection Act, 2019. Our Company has, inter alia, contended that the alleged cause of action first arose on December 15, 2019, when the issues were recorded in the general body meeting, or at the latest on October 4, 2021, when discussions between the parties had concluded, and that subsequent correspondence, legal notices or replies could not extend or revive the statutory limitation period. Our Company has further contended that the Complainants have taken inconsistent stands by simultaneously seeking condonation of delay and asserting that the complaint is within limitation, and has also reserved its right to file a detailed reply on merits at the appropriate stage. The limited reply also records that the present complaint was preceded by an earlier complaint, which was dismissed as withdrawn with liberty to file afresh along with an application for condonation of delay, vide order dated January 15, 2025. Thereafter, the Complainants filed an affidavit in rejoinder and written arguments disputing our Company's limitation objection. The Complainants have contended that the final and categorical refusal of their claims arose only upon our Company's reply dated October 16, 2023, and that the complaint was therefore filed within two years of such refusal. The Complainants have further argued that relevant documents were supplied in a piecemeal manner until May 23, 2021 and that negotiations continued until October 2021, thereby giving rise to a continuing cause of action and, in any event, justifying condonation of delay, if required. The Complainants have also sought to rely on the fact that our Company itself filed an application seeking condonation of delay in filing its limited reply, and have accordingly prayed that the delay condonation application be allowed and the complaint be heard on merits. The matter is currently pending and is listed for hearing on September 30, 2026.

v. Pratibha Industries Limited ("**Applicant**") filed a commercial arbitration application dated April 11, 2025 under Section 11 of the Arbitration and Conciliation Act, 1996 before the High Court of Judicature at Bombay against our Company in connection with disputes arising out of a work order dated April 30, 2012 relating to civil and structural works at the "Runwal Greens" project at Mulund (West), Mumbai ("**Work Order**"). The Applicant has alleged, inter alia, non-issuance of work completion certificates, non-payment of its final bill and retention amounts and wrongful encashment of certain bank guarantees, and has raised claims aggregating to approximately ₹182.57 million, together with interest and costs. The Applicant has further alleged that, despite invocation of the arbitration clause and nomination of proposed sole arbitrators, the respondent failed to concur in the constitution of the arbitral tribunal or propose an alternative arbitrator and, accordingly, sought appointment of an arbitrator by the High Court of Judicature at Bombay under Section 11 of the Arbitration and Conciliation Act, 1996. Pursuant to the appointment of the sole arbitrator, the Applicant filed a statement of claim dated June 15, 2026 before the sole arbitrator against our Company in relation to the Work Order. The Applicant has alleged, *inter alia*, non-payment of its final running account bill ("**R.A. Bill**"), and wrongful invocation and encashment of twelve bank guarantees aggregating to ₹ 142.00 million, including retention money and mobilisation advance bank guarantees. The Applicant has sought ₹ 173.81 million together with interest at 15% per annum, arbitration costs and other reliefs. Further, our Company has filed an application before the learned sole arbitrator challenging the maintainability of the arbitral proceedings, contending that the claims made in the statement of claim dated June 15, 2026 are ex

facie barred by limitation and that the arbitral tribunal consequently lacks jurisdiction to adjudicate such claims. Our Company has, *inter alia*, contended that the cause of action in respect of the final R.A. Bill arose on April 25, 2017 and that the cause of action in respect of the bank guarantee-related claims arose, at the latest, on June 19, 2018, when twelve bank guarantees were invoked. Our Company has further alleged prolonged inaction on the part of the Applicant and has sought dismissal of the claims as not maintainable, along with costs. Subsequently, the Applicant filed its reply dated August 10, 2026 opposing our Company's application challenging the maintainability of the arbitral proceedings. In its reply, the Applicant has, *inter alia*, contended that our Company's application is not maintainable under Section 16 of the Arbitration and Conciliation Act, 1996, as the issue of limitation involves an adjudication on the merits and is not a pure jurisdictional issue. The Applicant has further denied that its claims are barred by limitation and has contended that the benefit of the moratorium under Sections 33(5) and 60(6) of the Insolvency and Bankruptcy Code, 2016 operated to suspend the running of limitation during the liquidation process. The Applicant has also contended that, in respect of its bank guarantee-related claims, the cause of action arose upon actual encashment / receipt of funds and not merely upon invocation of the bank guarantees, and has accordingly sought dismissal of our Company's application with costs. In response, our Company filed its statement of defence dated August 10, 2026 before the learned sole arbitrator. In the statement of defence, our Company denied the material allegations made by the Applicant and reiterated its preliminary objection that the claims are ex facie barred by limitation and that the arbitral tribunal lacks jurisdiction to entertain the same. Our Company has, inter alia, contended that: (i) the claim relating to the 64th final R.A. Bill arose on April 25, 2017 and is time-barred; (ii) the claim relating to the mobilisation advance bank guarantees arose on June 19, 2018, when the guarantees were invoked, and is also time-barred; and (iii) the claim relating to the retention money bank guarantees is similarly barred by limitation. Our Company has further contended that the bank guarantees were unconditional and were validly invoked due to the Applicant's alleged failure to satisfactorily perform and complete the contracted works within the stipulated and extended timelines. Our Company has also denied that the Applicant had duly completed the works, denied wrongful withholding of completion certificates, and has alleged that third-party contractors had to be engaged to complete and rectify portions of the work at the Applicant's cost and has accordingly sought dismissal of the claims. Pursuant to the meeting held on September 11, 2026, we were granted an extension to file counter-claim along with the compilation of documents on or before October 3, 2026 and the matter is currently pending.

vi. Bridge Water Realty LLP ("**Claimant**") has initiated an arbitration proceedings before a three-member arbitral tribunal against, *inter alia*, Runwal Developers Limited, our Company and Ors., in relation to development rights concerning land situated at Village Lohegaon, Taluka Haveli, Pune. The dispute arises from a Joint Venture Agreement dated March 29, 2007 and related project documents concerning the AOP known as "Runwal Wonder Venture". The Claimant alleges that it acquired 80% of the relevant development rights from certain legal heirs of late Satish Satyanarayan Mittal under a deed of assignment dated February 19, 2021, and has asserted claims challenging, among other things, the validity of an alleged assignment dated February 17, 2021 in favour of our Company. In the arbitration, the Claimant has sought various declaratory, monetary and injunctive reliefs against Runwal Developers Limited and our Company, including claims aggregating to approximately ₹ 8,323.73 million plus interest and other damages, and has also filed an application under Section 17 of the Arbitration and Conciliation Act, 1996 seeking interim restraint and disclosure orders. Separately, Mr. Nitin Satish Mittal, one of the respondents, has filed an application under Section 16 of the Arbitration and Conciliation Act, 1996, challenging the jurisdiction and constitution of the arbitral tribunal. Our Company has opposed the application on the grounds, inter alia, that it is a lawful assignee entitled to participate in the arbitration proceedings and nominate an arbitrator. The application under section 16 was closed for orders pursuant to an order dated August 20, 2026. The matter is currently pending and is listed for hearing on October 5, 2026.

d. Claims before real estate authorities

i. There are a total of 1 complaint and 5 appeals filed by the purchasers of apartments at 'Runwal Greens' and 'Runwal Pinnacle'("**Purchasers**") against our Company pending before the Maharashtra Real Estate Regulatory Authority and Maharashtra Real Estate Appellate Tribunal. The Purchasers claim, *inter alia*, handing over the possession of the apartment, payment of interests and compensation under the provisions of the Real Estate (Regulation and Development) Act, 2016 ("**Act**") and the corresponding rules. The interests and compensation are being claimed, inter alia, for alleged delays in delivery of possession of apartments, alleged delay in processing the refund of amounts paid by the Purchasers, alleged failure to maintain the promised ceiling height developed by our Company, for allegedly demanding additional payment over and above the contracted value among others. Since these matters are currently sub-judice, the aggregate amount of claims in these matters are not quantifiable. The matters are currently pending.

e. Material tax matters

i. The National e-Assessment Centre, Delhi ("**NEAC**") issued a notice of demand dated May 19, 2021 under Section 156 of the Income Tax Act, 1961 ("**Act**") making a demand of ₹ 91.25 million ("**Demand**") for assessment year 2018-19 and passed an assessment order dated May 19, 2021 ("**Order**") under Section 143(3) read with Section 144B of the Act, stating the gross income of our Company at ₹ 505.79 million by adding an amount of ₹ 3.38 million as disallowance and initiated penalty proceedings under Section 270A of the Act ("**Proceedings**"). Our Company also received a notice for recovery of outstanding Demand on December 13, 2022, pursuant to which our Company has submitted a rectification application dated December 13, 2022 under Section 154 of the Act on the grounds that the assessing officer has not given credit of advance tax and tax deducted at source which led to such Demand. Also, our Company submitted an application of stay for recovery on outstanding demands dated December 13, 2022 on the ground that post rectification, our Company would be eligible for a refund aggregating to ₹ 0.23 million. Subsequently, aggrieved by the said Order, our Company preferred an appeal dated August 10, 2021 before the Commissioner of Income Tax on the grounds that, inter alia, the learned assessing officer had erred in adding the amount of ₹ 3.38 million ("**Appeal**"). The Appeal was dismissed vide order dated October 24, 2024 passed by the Office of the Commissioner of Income Tax, Appeal. Further, our Company has preferred another appeal dated December 24, 2024. before Hon'ble Income Tax Appellate Tribunal at Mumbai, inter alia, on the grounds that the Commissioner of Income Tax (Appeals) erred in upholding the addition of ₹ 3.38 million by the assessing officer which is disallowable under Section 43B of the Act, that was not even claimed in the computation of total income and passed an assessment order without issuing any show cause notice as per requirement of provisions of Section 144B of the Act. The matter is currently pending.

ii. The Office of the Principal Commissioner of CGST & Central Excise, Mumbai-East Commissionerate ("**Commissioner**") issued a Show Cause Notice dated June 26, 2025 ("**SCN**"), under Section 74 of the Central Goods and Services Tax Act, 2017 ("**CGST Act**") to our Company. The SCN alleges non-payment of GST for the financial years 2018-19 and 2019-20, following a scrutiny of our Company's records which revealed a mismatch between the taxable turnover reported in the annual return (Form GSTR-9) and the audited financial statements. The unreconciled taxable turnover amounts to ₹ 10,503.79 million leading to a proposed demand for GST aggregating to ₹ 1,890.68 million, along with applicable interest under Section 50(3) and penalties under Sections 74 and 122 of the CGST Act. In response to preliminary inquiries, our Company attributed the discrepancy to different revenue recognition methods, stating that it follows the project completion method for its financial accounts, whereas GST liability arises at the time of supply (i.e., the earlier of invoice issuance or payment receipt). The Commissioner has alleged suppression of facts with an intent to evade tax, as our Company failed to provide complete documentation for reconciliation despite several requests. During a pre-consultation hearing, our Company's representatives requested the issuance of the SCN, stating they would present the necessary data at the adjudication stage as its preparation required more time. In response to the SCN, our Company filed a detailed reply dated November 24, 2025, contesting the demand, arguing it wrongly compares non-comparable figures due to different revenue recognition methods (project completion v. time of supply). Our Company has asserted there was no suppression of facts, as the reason for this variance was explicitly disclosed in our GSTR-9C, which was certified by a chartered accountant. Consequently, our Company argues that the invocation of Section 74 of the CGST Act is invalid, and the demand is barred by the statute of limitations under Section 73 of the CGST Act. The SCN is also procedurally flawed for improperly bunching multiple financial years into a single SCN. Our Company has submitted a chartered accountant certificate confirming that appropriate GST has been paid on all customer collections. Based on these grounds, our Company has contended that the demand and the proposed penalties are unsustainable and should be set aside entirely. Following the submission of our Company's reply, the Commissioner conducted a personal hearing on November 28, 2025, and subsequently issued an order-in-original dated December 30, 2025, adjudicating the matter by rejecting our Company's primary contentions and confirming the demand. The Commissioner found that while our Company explained the difference in revenue recognition principles, it failed to provide documentary evidence (such as demand letters, invoices, sale registers, or occupancy certificates) to substantiate that the GST on the differential turnover of ₹ 10,503.79 million was actually paid, deeming a mere reconciliation sheet insufficient proof. Consequently, the order concludes that the failure to provide correct details and supporting documents constitutes a suppression of material facts with an intent to evade tax, as the discrepancy would have gone unnoticed without the CERA audit, thereby holding that the invocation of the extended period of limitation under Section 74 of the CGST Act was valid and the demand was not time-barred. The Commissioner also dismissed the argument against bunching multiple financial years into a single SCN, stating that there is no express bar in the CGST Act for this valid procedural mechanism. Based on these findings, the Commissioner confirmed the total GST demand of ₹ 1,890.68 million under Section 74(9) of the CGST Act, confirmed the demand for applicable interest under Section 50(3) of the CGST Act, and imposed a penalty equivalent to the tax amount under Section 74(9) read with Section 122(2)(b) of the CGST Act. However, the proposed penalty under Section 122(1)(xvi) of the CGST Act for non-maintenance of records was dropped, citing that a penalty for the same omission cannot be imposed under another provision when a penalty under Section 74 of the CGST Act has already been levied and that non-submission of records within time does not by itself lead to the

conclusion of non-maintenance of records. Additionally, our Company filed a writ petition dated March 27, 2026 before the High Court of Judicature at Bombay under Article 226 of the Constitution of India, challenging the Order-in-Original dated December 30, 2025, primarily on the grounds that consolidating multiple financial years into a single SCN is impermissible, that the order failed to take into consideration, our Company's reconciliation and documentary submissions, and that the demand is arbitrary and unsustainable in law, among other grounds. The Company has sought quashing of the Order-in-Original and interim protection against further proceedings pursuant thereto. The matter is currently pending.

iii. The Joint Commissioner, C.G.S.T & C. Ex, Mumbai East Commissionerate ("**Authority**") has issued a Show Cause Notice dated December 28, 2023 ("**SCN**") to our Company under Section 74 of the Central Goods and Services Tax Act, 2017 ("**CGST Act**") and corresponding state and central tax laws for the financial year 2018-19. The SCN alleges that a scrutiny conducted by CERA Mumbai revealed that our Company has suppressed facts to evade tax by making an excess availment of Input Tax Credit ("**ITC**"). The Authority has raised a demand for ₹ 64.96 million on account of excess ITC availed, which was identified due to high-value deviations and unreconciled amounts between the annual return (GSTR-9) and the financial statements (GSTR-9C). The allegation of suppression is based on our Company's failure to respond to the department's letters dated September 11, 2023, and November 2, 2023. Consequently, our Company was required to show cause as to why a total demand of ₹ 64.96 million should not be recovered, along with applicable interest under Section 50 of the CGST Act and a penalty under Sections 74(1) and 122(2)(b) of the CGST Act. Subsequently, our Company replied to the SCN on February 23, 2024, asserting that the alleged unreconciled ITC of ₹ 64.96 million is fully explained by disclosed accounting entries, including ITC re-availment, merger adjustments, and timing differences in reversals. Our Company argued that the SCN is procedurally invalid due to its vagueness and the failure to electronically serve the mandatory summary in Form GST DRC-01. Furthermore, the reply refutes the demand for interest, citing a sufficient ITC balance, and rejects the penalty, stating that the provisions for suppression of facts under Section 74 of the CGST Act were wrongly invoked as all information was duly declared. Further, the Authority has now issued the final Order-in-Original ("**Order**") dated December 29, 2025, adjudicating the matter. The Authority has partially confirmed the demand raised in the SCN. The Order accepts our Company's explanation for a significant portion of the unreconciled amount, specifically acknowledging the ITC of ₹ 35.30 million that was transferred to our Company's electronic credit ledger following a merger. The Authority found this transfer to be legally valid and ordered this amount to be appropriated from the total demand. However, the Authority rejected the other reconciliation explanations provided by our Company, citing a failure to furnish sufficient documentary evidence to substantiate the claims. The procedural objections raised by our Company, such as the vagueness of the SCN, were also dismissed. The Authority upheld the allegation of suppression of facts, concluding that the extended period of limitation under Section 74 of the CGST Act was correctly invoked. Consequently, the Order confirms a recoverable demand of ₹64.96 million and appropriates ₹35.30 million against such demand, having held that the ITC to that extent was legally valid. Despite the partial relief, the Authority has confirmed the levy of interest on the gross disputed amount and imposed a penalty equal to the total initial demand of ₹ 64.96 million under Section 74(9) of the CGST Act. Thereafter, our Company filed a rectification application dated March 2, 2026 under Section 161 of the CGST Act, contending that the ITC of ₹35.30 million, having been held legally valid, ought to have been dropped from the demand rather than appropriated against it, and sought rectification of the demand to ₹29.66 million. The Authority, vide Rectification Order-in-Original No. ME/JC/HD/17/GST/2026-27 dated June 10, 2026 ("**Rectification Order**"), rejected the application, holding that the scope of Section 161 is confined to errors apparent on the face of the record and cannot be invoked to reconsider issues already examined and decided in the original Order. The application was accordingly held not maintainable and disposed of without any modification, and the original demand of ₹64.96 million (including the appropriation of ₹35.30 million and penalty) was confirmed as payable by July 11, 2026. Further, our Company has filed an appeal before the Commissioner (Appeals-II), Mumbai in Form GST APL-01 dated March 27, 2026, under Section 107 of the CGST Act, challenging the Order on several grounds including that the balance ITC is duly substantiated, that the SCN was vague and not validly served, and that the extended period of limitation and penalty were wrongly invoked. Our Company has prayed that the Order be set aside in full and has further filed an appeal dated September 3, 2026, against the Rectification Order. The matter is currently pending.

iv. The Assistant Commissioner of State Tax, Mumbai ("**Authority**") has issued an Intimation dated September 16, 2025 ("**Intimation**") to our Company under Section 74A(9) of the Central Goods and Services Tax Act, 2017 ("**CGST Act**") and corresponding state laws for the financial year 2024-25. The Intimation alleges that an investigation under Section 67 of the CGST Act revealed that our Company has not discharged its tax liability on the supply of a corporate guarantee to its related party, Runwal Residency Private Limited. The Authority has raised a demand based on a corporate guarantee of ₹ 7,900 million executed on September 30, 2024, to secure a loan facility for the related party. Citing Schedule I of the CGST Act and Rule 28(2) of the CGST Rules, the Authority has treated this as a taxable supply and calculated the taxable value at 1% per annum of the guarantee amount, resulting in a taxable value of ₹ 296.30 million. Consequently, our Company

has been intimated of a total liability of ₹ 67.37 million, which includes a tax demand of ₹ 53.33 million, interest of ₹ 8.70 million under Section 50 of the CGST Act, and a penalty of ₹ 5.33 million under Section 74A(9) of the CGST Act. The Intimation provides an opportunity for our Company to make a voluntary payment of the tax, interest, and penalty to avoid the issuance of a formal show cause notice. Subsequently, our Company replied to the Intimation on October 16, 2025, stating that the proposed liability is not acceptable. The reply contends that providing a corporate guarantee is a contingent liability and a shareholder activity, not a taxable "supply" of service under Section 7 of the CGST Act. Our Company has cited several High Court rulings that have stayed the operation of the circular concerning the taxability of corporate guarantees and has requested that the proceedings be kept in abeyance. Without prejudice, it is also submitted that the demand is overstated as the loan was repaid by May 8, 2025, and should be reduced to the extent the recipient is eligible for input tax credit. Subsequently, our Company has filed Writ Petition dated February 23, 2026, before the High Court of Judicature at Bombay under Article 226 of the Constitution, challenging the levy of GST on corporate guarantees issued to subsidiaries/group companies, along with the validity of Rule 28(2) of the CGST Rules and relevant GST circulars. The Company has sought a declaration that such guarantees do not constitute a taxable "supply", quashing of the said Rule and Circulars, and restraint on coercive recovery actions. Additionally, Company has also sought interim relief to stay any demand or recovery pending disposal of the petition. The matter is currently pending.

2. Outstanding litigation by our Company

a. Criminal proceedings

i. Our Company has filed a criminal complaint against Neeraj Rameshwarkumar Jain ("**Accused**") before the Court of Ld. Metropolitan Magistrate's 51st Court at Kurla, Mumbai ("**Court**") for alleged offence of defaming the reputation and goodwill of our Company, Promoter and certain Directors by uploading defamatory content on social media website. Our Company has prayed before the Court to issue a process against the Accused for the offence punishable under Section 500 of the Indian Penal Code, 1860 and further, we have served a notice to cyber cell authority to file a report in the said matter. The matter is currently pending and listed for hearing on October 1, 2026.

b. Material civil proceedings

i. Our Company, along with our Subsidiary, Wheelabrator Alloy Castings Limited ("**WACL**"), has filed a civil suit dated September 19, 2022 ("**Suit**"), against Freyssinet Prestressed Concrete Company Limited ("**Defendant**") before the High Court of Judicature at Bombay ("**Court**"). Our Company, Evie Real Estate Private Limited ("**EREPL**") and WACL had entered into a memorandum of understanding dated October 6, 2018, with the Defendant ("**MOU**"), wherein the Defendant agreed to sell a parcel of land measuring approximately 200 acres, located at Village Pavasalwadi, Vasunde, and Jambhulpada on Khopoli Pali Road, Raigad, Maharashtra (the "**Land**"), for a total consideration of ₹ 1,500.00 million, of which, ₹ 346.60 million was paid by our Company, EREPL and WACL as earnest money, simultaneously with the execution of the MOU. As per the terms of the MOU, our Company, EREPL and WACL were required to pay the second tranche of the consideration, subject to the Defendant establishing a clear and marketable title to the Land. However, the Defendant failed to establish such a title. As a result, the Defendant refunded a portion of the earnest deposit to our Company and EREPL, amounting to ₹ 139.00 million but forfeited the remaining earnest deposit, citing the failure of our Company, EREPL and WACL to pay the second tranche as per the MOU. Our Company and WACL submitted that the forfeiture was not in accordance with the terms of the MOU, and consequently, was invalid and illegal. Accordingly, our Company and WACL have filed the Suit, praying the Court to direct the Defendant to, *inter alia*, pay our Company and WACL an amount aggregating to ₹ 207.60 million along with interest at the rate of 18% per annum, accruing from June 12, 2021 until the actual payment, and deposit ₹ 255.20 million with the Court, pending the disposal of the Suit. The matter is currently pending.

ii. Our Company has filed a writ petition dated March 22, 2024 ("**Petition**"), against the Union of India, the Commissioner of CGST & Central Excise, the Joint Commissioner of CGST & Central Excise, the Municipal Commissioner and the State of Maharashtra before the High Court of Judicature at Bombay ("**Court**"), challenging the legality and validity of order-in-original no. ME/JC/DKT/59/GST/2023-24 dated November 30, 2023 ("**Order**") issued by the Joint Commissioner, GST and Central Excise, confirming the demand and ordering recovery of ₹ 69.01 million that was not paid under reverse charge mechanism under Section 73(1) of the Central Goods and Services Tax Act, 2017 ("**CGST Act**") and corresponding section of Maharashtra Goods and Services Tax Act, 2017 ("**MGST Act**"), and imposing a penalty of ₹ 6.90 million on our Company under Section 122 read with Sections 73(1) and 125 of the CGST Act and corresponding section of the MGST Act. Aggrieved by the Order, our Company has filed the Petition praying the Court to quash the said Order, inter alia, on the grounds that the said Order is contrary to the circular no. 177/09/2022 – TRU dated August

3, 2022, the charges paid by our Company on which GST is demanded are in the nature of taxes and in any event, in lieu of activities falling under Article 243W of the Constitution of India, are exempt, and that our Company has correctly availed input tax credit and there is no excess credit availed. The matter is currently pending.

iii. Our Company has filed a writ petition dated October 29, 2025 ("**Petition**"), against the Union of India, the Commissioner of CGST & C. Ex., two Additional Commissioners of CGST & CX, the Municipal Commissioner of Greater Mumbai and the State of Maharashtra before the High Court of Judicature at Bombay ("**Court**"), challenging the legality and validity of the Show Cause Notice No. 242/CGST/ME/ADC/Propel/2025-26/2494 dated September 29, 2025 ("**Notice**") issued by the Additional Commissioner, CGST & CX. The Notice proposes a demand and recovery of ₹ 205.58 million that was allegedly not paid under the reverse charge mechanism for the financial years 2019-20 to 2022-23 under Section 74(1) of the Central Goods and Services Tax Act, 2017 ("**CGST Act**") and the corresponding section of the Maharashtra Goods and Services Tax Act, 2017 ("**MGST Act**"), along with applicable interest and penalty. Aggrieved by the Notice, our Company has filed the Petition praying the Court to quash the said Notice, *inter alia*, on the grounds that the Notice is contrary to binding circulars and FAQs, improperly consolidates multiple financial years into a single notice, and wrongly invokes Section 74 of the CGST Act without satisfying the mandatory conditions of fraud, wilful misstatement, or suppression of facts. Further grounds include that the charges paid by our Company to the Municipal Corporation of Greater Mumbai, on which GST is demanded, are statutory charges and, in any event, are in lieu of activities falling under Article 243W of the Constitution of India, making them exempt. Further, the Court, in its order dated December 2, 2025, stayed the impugned Notice and any consequential orders passed in connection with the Notice, granting interim protection until further directions. The matter is currently pending.

a. *Criminal proceedings*

*Horizon Projects Private Limited ("**HPPL**")*

i. Runwal My City Tower A1 (Astoria) Co-operative Housing Society Ltd., Thane ("**Complainant**") first approached Mumbra Police Station on May 10, 2024 under Section 154 Code of Criminal Procedure ("**CrPC**"), and subsequently filed a criminal complaint against HPPL and others dated July 2, 2024 before the Court of the Judicial Magistrate First Class, Thane, alleging various non-compliances and breaches in connection with the development and handover of the "My City" project ("**Project**"). The Complainant, representing approximately 200 flat purchasers, has alleged, *inter alia*, failures relating to transfer of title, formation of the apex body, handover of amenities, completion of construction within timelines under the Maharashtra Ownership of Flats Act, 1963 ("**MOFA**"), provision of drainage facilities, accounting and utilisation of common area funds, and alleged wrongful collection, non-payment of statutory dues, and creating encumbrances upon the land of the said building. The Complainant invoked Sections 3, 5, 10, 11 and 13 of MOFA and Sections 405, 419, 420 and 120B read with Section 34 of the Indian Penal Code ("**IPC**") and filed an application under Section 156(3) of the CrPC seeking directions for registration of a First Information Report and investigation by the police. By an order dated September 12, 2024, the Judicial Magistrate First Class, Thane, rejected the prayer for police investigation and registration of an FIR, observing that the dispute primarily arises out of alleged contractual and statutory obligations between the society and the developer and does not, at that stage, disclose cognizable criminal offences. Pursuant to a summons issued by the police on November 7, 2024 following the Complainant's original police complaint, HPPL appeared before the police and separately moved the court on November 27, 2024 for an opportunity to be heard at the pre-cognizance stage under Section 223 BNSS, for which the application was allowed. The criminal complaint was heard at length at the pre-cognizance stage, pursuant to which the Court, by a separate order dated October 10, 2025, directed the police station to submit a police report under Section 225 of the Bharatiya Nagarik Suraksha Sanhita, 2023. The police authorities have not submitted the said police report to date. The matter is currently pending, with the next date of hearing scheduled for October 27, 2026.

ii. Government of Maharashtra, through B.B. Thakur ("**Complainant**"), has filed a summary criminal case before the Judicial Magistrate First Class, Court No. 1, Thane, against HPPL. The Complaint relate to an alleged breach of the Contract Labour (Regulation & Abolition) Act and are classified as a compliance matter. However, no notice or summons has been served upon HPPL in respect of the said Complaint.

Runwal Residency Private Limited ("**RRPL**")

i. Sunil Gajanan Patil ("**Plaintiff**") has filed a suit against RRPL before the Court of Civil Judge, Junior Division, Kalyan. The Plaintiff has claimed adverse possession and permanent injunction in respect of a portion of land admeasuring about 1,200 sq. meters out of Survey no.37/21 admeasuring about 4,600 sq. meters lying, being and situated at Village – Gharivali, Taluka – Kalyan, District Thane. Our Company opposing the suit has filed a reply dated July 16, 2021, in the matter *inter alia* denying the existence of any legal rights to the Plaintiff and challenging the maintainability of the suit. The matter is currently pending and listed for hearing on November 21, 2026.

Wheelabrator Alloy Castings Limited ("**WACL**")

i. Neosym Industry Limited ("**Neosym**") has filed a commercial suit ("**Suit**") before the High Court of Judicature at Bombay ("**Court**") against WACL for alleged violation of the terms of the deed of transfer of undertaking dated August 1, 2012 ("**DTU**"), executed between Neosym and WACL, wherein Neosym agreed to sell and transfer to WACL the manufacturing facility of Neosym ("**Undertaking**") as a going concern/running business free from encumbrances, read with the letter of understanding dated August 1, 2012 and letter dated August 27, 2013 addressed by WACL to Neosym (together with the letter of understanding dated August 1, 2012, the "**Supplemental Agreements**"), and the special power of attorney dated August 1, 2012 ("**SPOA**"), executed by Neosym in favour of WACL. Neosym alleges that WACL was in possession of 62,997.75 square meters as against the area of 61,665.60 square meters as recorded in the property register cards. Neosym alleges that WACL has failed to pay the balance consideration of ₹ 91.03 million in terms of the DTU read with Supplemental Agreements within the due date of February 26, 2014 and that WACL has acted in contravention and beyond the authority and power conferred under the SPOA. Hence, Neosym has filed the said Suit praying before the Court, inter alia, to order and decree WACL to pay Neosym principal sum of ₹ 91.03 million along with interest at the rate of 18% per annum from February 26, 2014, up to the date of filing of the Suit together with further interest on the principal sum of ₹91.03 million at the rate of 18% per annum from the date of filing of the Suit till payment and/or realisation, order and decree WACL to pay Neosym a sum calculated at the rate of ₹ 0.05 million per square meter for any excess area along with an interest of 18% per annum from the date of decree till payment; and pass a permanent order of injunction restraining WACL and its servants from misusing and acting beyond the scope of SPOA. In reply to the said Suit, WACL has filed a written statement, counter claim and set off dated September 25, 2017, refuting the allegations of Neosym and claiming, *inter alia,* that the Suit for additional consideration for alleged excess/additional area of the immovable asset is barred by limitation as the joint survey was not conducted within the stipulated time frame, that the final valuation of assets and liabilities was mutually settled under the letter dated August 27, 2013, confirming no further amounts are due except the reduced balance consideration, that Neosym failed to vacate certain disputed employees from portions of the immovable asset, causing delays and losses and that Neosym also failed to comply with obligations related to labour and central excise litigation, causing further losses. WACL has prayed before the Court to dismiss the Suit against WACL with costs and sought monetary damages for the loss, harm and injury suffered by WACL due to the breach of contracts and defaults committed by Neosym and pass a permanent injunction restraining Neosym, its representatives, officers, agents, servants and persons claiming through or under them from disturbing and/or interfering with or causing any obstruction in the development of the immovable asset or any part thereof or the premises comprised in the Undertaking. Further, Neosym has filed a written statement dated February 16, 2018 to the counter claim filed by WACL seeking dismissal of the written statement, counter claim and set off with costs, asserting that WACL has failed to prove any loss or injury caused by the actions of Neosym and Neosym also seeks payment of the reduced balance consideration and additional area consideration. The matter is presently pending.

*Horizon Projects Private Limited ("**HPPL**")*

i. Nilesh Dharma Sante and others ("**Plaintiffs**") have filed Civil Suit. ("**Suit**") on December 11, 2020 against HPPL and others before the Civil Court, Junior Division, Kalyan. The Suit seeks a perpetual injunction to restrain HPPL, its agents, and representatives from disturbing the Plaintiffs' possession of the land, being Survey No. 103 Hissa No. 12 and Potkharaba at village Userghar, Taluka Kalyan ("**Land**"). The Plaintiffs have sought ad-interim relief and temporary injunction from forcibly dispossessing the Plaintiffs from the Land. The matter is currently pending.

ii. Madhukar K. Patil and others ("**Plaintiffs**") have filed Civil Suit dated October 17, 2015 ("**Suit**") against HPPL and others ("**Defendants**") before the Court of Civil Judge, Junior Division, Kalyan, seeking a declaration and permanent injunction in respect of land admeasuring approximately 17 acres and 4 gunthas

bearing Survey No. 21, Hissa No. 1, Village Sandap, Taluka Kalyan, District Thane ("**Property**"). The Plaintiffs, claim continuous, exclusive and uninterrupted possession and enjoyment of the Property, alleging that the Property has historically been used for community grazing purposes and houses a village temple stated to be over 125 years old. The Plaintiffs allege illegal trespass, interference and construction activities by HPPL and other Defendants pursuant to a disputed conveyance. HPPL has denied the allegations and contends that the Property was validly acquired in 1962 by Premier Automobiles Limited, pursuant to requisite statutory compliances and governmental approvals, including conversion to non-agricultural use, and that the Property has since lawfully vested in and is owned and possessed by HPPL. Further, the Plaintiffs have filed an objection dated January 23, 2025 before the competent authority and sub-divisional officer, Kalyan ("**SDO**") in relation to the proposed acquisition of the aforesaid Property. In the said objection, the Plaintiffs have, *inter alia*, requested that no acquisition compensation, be disbursed without a detailed inquiry to the Defendants. The matter is currently pending, with the next date of hearing scheduled for October 6, 2026.

*Runwal Commercial Plaza Private Limited ("**RCPPL**")*

i. RCPPL, had executed a definitive document dated November 26, 2024, with Grace MSK Realtors of India in relation to an SRA redevelopment project at Bandra (West). Pursuant to an order dated August 25, 2026 ("**Order**") passed by the Chief Executive Officer, Slum Rehabilitation Authority, Brihanmumbai ("**SRA**") under Section 13(2) of the Maharashtra Slum Areas (Improvement, Clearance and Redevelopment) Act, 1971, the appointment of Grace MSK Realtors of India JV together with RCPPL as developers of the aforesaid slum rehabilitation scheme was terminated. The Order records that proceedings were initiated in relation to delays in implementation of the scheme. The developers, inter alia, attributed the delays to the inclusion of adjoining land, consequent requirement for revised approvals and the requirement to obtain environmental clearance. The SRA held that, despite receipt of requisite approvals, there had been no physical construction of the rehabilitation component and that the reasons advanced did not satisfactorily explain the delay. Accordingly, the SRA concluded that there had been non-performance and delay attributable to the developers and terminated their appointment. RCPPL is currently evaluating the implications of the Order and determining the appropriate course of action in relation thereto.

All matters are currently sub-judice; the aggregate claim amounts are not quantifiable at this stage.

e. *Material tax matters*

*Runwal Residency Private Limited ("**RRPL**")*

i. The Assistant Commissioner of State Tax, Mumbai, has issued a demand order in Form GST DRC-07 dated December 26, 2025 ("**Order**") under Section 73(9) of the Central Goods and Services Tax Act, 2017, and the Maharashtra Goods and Services Tax Act, 2017 ("**GST Acts**"). The Order pertains to the financial year 2021-2022 and arises from a GST audit conducted under Section 65 of the GST Acts. The audit proceedings began with a notice in Form GST ADT-01 on December 9, 2024. Following the audit, a show cause notice in Form GST DRC-01 was issued on September 29, 2025 under Section 73(1) of the GST Acts, proposing an aggregate liability of ₹ 195.34 million, which included tax, interest, and penalty. After considering the replies, supporting documents, and personal hearings with the representatives of RRPL, the Assistant Commissioner determined a final liability. RRPL had accepted and paid the liability for certain discrepancies, including reverse charge mechanism on royalty payments, excess input tax credit claims, and interest on delayed payments to suppliers. However, other issues were either partially accepted or rejected. Pursuant to the Order, the final demand has been determined at an aggregate of ₹ 77.02 million. This comprises a tax liability of ₹ 41.45 million, interest of ₹ 31.41 million, and a penalty of ₹ 4.15 million. The key discrepancies leading to this demand were: Reverse charge mechanism liability on payments made to government authorities; non-reversal of input tax credit against credit notes issued by suppliers; and short payment of tax due to the undervaluation of sales of trading materials. RRPL has been directed to pay the determined amount within three months from the date of service of the Order, failing which recovery proceedings will be initiated. Subsequently, RRPL filed an appeal in Form GST APL-01 on March 24, 2026 before the Appellate Authority under Section 107 of the GST Acts, disputing the entire demand of ₹77.02 million, and paid the mandatory pre-deposit of ₹4.15 million (10% of the disputed tax) at the time of filing. The said matter is currently pending.

ii. The Assistant Commissioner of State Tax, Mumbai, has issued an intimation in Form GST DRC-01A dated September 16, 2025, to RRPL under Section 74A(9) of the Central and Maharashtra Goods and Services Tax Acts ("**GST Acts**") for the financial year 2024-25, following an investigation conducted under Section 67. The intimation proposes a total liability of ₹ 78.50 million, which includes a tax component of ₹ 62.67 million, interest of ₹ 9.56 million, and a penalty of ₹ 6.26 million. This demand arises from two primary discrepancies: firstly, the non-payment of GST on corporate guarantees provided to its related parties, our Company and

Runwal Real Estate Private Limited, which are treated as a deemed supply of services under the GST Acts; and secondly, the failure to discharge GST liability under the reverse charge mechanism on the ancillary floor space index attributable to residential flats that remained unsold as of the date of the occupancy certificate.. Further, RRPL has filed a reply dated October 16, 2025, contesting the demand. On the corporate guarantees, RRPL argues they are not a taxable "supply" of service but a shareholder activity, citing various High Court rulings that have stayed the governing circular on this issue. RRPL requests that the proceedings be kept in abeyance pending final court decisions. Without prejudice, it also presents a re-computation of the tax based on the early repayment of the loans, which significantly reduces the potential demand. Regarding the ancillary FSI, RRPL claims the service is exempt from GST as it was received from Mumbai Metropolitan Region Development Authority, which it qualifies as a "Governmental Authority" under Notification No. 12/2017-CT (Rate). Thereafter, RRPL filed Writ Petition dated February 2, 2026, before the High Court of Judicature at Bombay under Article 226 of the Constitution of India, challenging the levy of GST on corporate guarantees, sub-rule (2) of Rule 28 of the CGST Rules, and the related circulars, insofar as they pertain to the corporate guarantee component of the demand. RRPL has prayed for a declaration that providing a corporate guarantee is not a "supply" liable to GST and that Rule 28(2) is unconstitutional and ultra vires, along with restraint on any coercive recovery steps pending disposal of the petition. The said matter, along with the writ petition, is currently pending.

iii. The Additional Director, DGGI, Mumbai Zonal Unit issued a show cause notice dated September 28, 2025 ("**SCN**") to Runwal Residency Private Limited ("**RRPL**"), along with five other Runwal Group entities and Last Mile Enterprises Limited ("**LMEL**"), a third-party entity, under Section 74(1) of the Central Goods and Services Tax Act, 2107, alleging that RRPL had suppressed facts to evade tax by accepting cash consideration over and above the recorded sale value of residential and commercial units ("**on-money**"), and had further engaged in other unaccounted cash transactions i.e., cash received on account of discounts allowed on sale of flats, cash consideration on sale of flats/commercial units, unaccounted cash payments for various work, cash payments towards repair of a promoter-related property, and cash receipts from sale of scrap. The SCN proposed recovery from RRPL of GST of approximately ₹ 90.12 million, together with applicable interest and penalty. The Additional Commissioner (CGST & Central Excise), Palghar, vide order-in-original dated March 16, 2026 ("**Order**"), confirmed the demand against RRPL of GST amounting to ₹ 90.12 million on unaccounted cash receipts identified during the investigation for the period Financial Year 2019-20 to Financial Year 2023-24, together with a penalty equal to 100% of the confirmed GST demand and applicable interest thereon. Further, summary orders were issued in Form GST DRC-07 for each financial year on March 17, 2026, specifying the GST demand together with an equivalent penalty in respect of each respective financial year. RRPL has filed appeals against the Order in Form GST APL-01, each dated June 11, 2026, disputing the entire tax and penalty confirmed for that year. The matter is currently pending.

*Wheelabrator Alloy Castings Limited ("**WACL**")*

i. The Assessment Unit, Income Tax Department ("**Department**") issued an assessment order dated March 25, 2025 ("**Order**"), under Section 143(3) read with Section 144B of the Income Tax Act, 1961 ("**Act**") to Runwal Commercial Assets Private Limited ("**RCAPL**"). RCAPL filed its original return declaring a loss of ₹ 1.48 million for assessment year 2023-24. Pursuant to the Order, the Department determined the total income at ₹ 859.00 million and proposed to initiate penalty under Section 271AAC of the Act. The Department also issued a notice of demand dated March 25, 2025 ("**Demand Notice**"), under Section 156 of the Act, specifying a total demand of ₹ 830.82 million ("**Demand**") payable by RCAPL. In compliance with the order of the National Company Law Tribunal, Mumbai Bench - I, dated March 22, 2024, RCAPL was amalgamated into WACL, and consequently, the Demand is now payable by WACL. Aggrieved by the Order, RCAPL filed an appeal before the Commissioner of Income-tax (Appeals) ("**CIT(A)**") dated March 31, 2025, which was dismissed by an order dated September 29, 2025. The CIT(A) upheld the addition, noting that the transaction was a circular routing of funds without commercial substance and that the appellant had failed to explain the "source of the source" of the funds as required under Section 68 of the Act. WACL has since filed a further appeal dated November 17, 2025, before the Income-Tax Appellate Tribunal. As per Form No. 36 filed with this appeal, the tax effect relating to the disputed addition was computed at ₹ 670.02 million. The Income-Tax Appellate Tribunal allowing the appeal has passed an order dated February 18, 2026, in favour of WACL and has deleted the entire addition of ₹ 859.00 million. Further, consequent to the order by Income-Tax Appellate Tribunal, WACL has filed an application for order giving effect on March 30, 2026. The order giving effect is yet to be passed by the Department.

ii. The Centralized Processing Centre, Income Tax Department ("**CPC**") issued an intimation dated February 12, 2026 ("**Intimation**"), under Section 143(1) of the Income Tax Act, 1961 ("**Act**") to Wheelabrator Alloy Castings Limited ("**WACL**"). WACL had filed its original return declaring a loss of ₹145.85 million for assessment year 2025-26. Pursuant to the Intimation, CPC computed the losses eligible to be carried forward at ₹30.00 million, thereby disallowing ₹115.85 million of the claimed losses, on account of increasing the

amount disallowable under Section 43B of the Act to ₹118.31 million as against ₹2.46 million reported by WACL in its return. Aggrieved by the Intimation, WACL filed a rectification application under Section 154 of the Act, which was rejected by CPC by way of an order dated May 8, 2026 ("**Order**"). Aggrieved by the Order, WACL filed an appeal before the Commissioner of Income-tax (Appeals) dated May 25, 2026, contending, inter alia, that the disallowance of carry forward of losses was made without valid justification, that the increase in disallowance under Section 43B was incorrect, and that the rejection of the rectification application failed to recognise an error apparent on the face of the record. The matter is currently pending.

*Evie Real Estate Private Limited ("**EREPL**")*

i. The Additional Director, DGGI, Mumbai Zonal Unit issued a show cause notice dated September 28, 2025 ("**SCN**") to EREPL, along with five other Runwal Group entities and Last Mile Enterprises Limited ("**LMEL**"), a third-party entity, under Section 74(1) of the Central Goods and Services Tax Act, 2017, alleging that EREPL had suppressed facts to evade tax by accepting cash consideration over and above the recorded sale value of residential and commercial units ("**on-money**"), and had further availed ineligible input tax credit ("**ITC**") on invoices issued by LMEL without any underlying supply of goods or services. The SCN proposed recovery from EREPL of GST and ITC of approximately ₹ 92.65 million, together with applicable interest and penalty. The Additional Commissioner (CGST & Central Excise), Palghar, vide Order-in-Original dated March 16, 2026 ("**Order**"), confirmed the demand against EREPL, comprising (i) GST of ₹ 37.75 million on the alleged unaccounted cash receipts transactions identified during the investigation; and (ii) reversal of ₹ 54.90 million of ITC allegedly wrongly availed on LMEL's invoices, aggregating to ₹ 92.65 million, together with penalty equivalent to 100% of the confirmed GST demand and disallowed ITC, plus applicable interest on each component. Pursuant thereto, Form GST DRC-07 summary orders were issued financial year-wise on March 17, 2026. EREPL has filed an appeals against the Order before the Commissioner (Appeals-III), Mumbai in Form GST APL-01 dated June 11, 2026. The matter is currently pending.

*Runwal and Kunal Ventures AOP ("**RKV**")*

i. RKV has filed an appeal in Form 35 dated April 19, 2022 ("**Appeal**"), before the Commissioner of Income Tax (Appeals) challenging the assessment order ITBA/AST/S/147/2021-22/1041972397(1) dated March 29, 2022 ("**Order**") and a demand notice of ₹ 97.64 million dated March 29, 2022 ("**Notice**"). RKV had originally filed a return of income for the assessment year 2014-2015 declaring a total income of ₹ 112.27 million, which was completed under Section 143(3) of the Income Tax Act, 1961 ("Act") on March 31, 2016, with the same total income being assessed. Subsequently, the case was reopened under Section 148 of the Act, with a return filed again declaring the same income of ₹ 112.27 million on the grounds of inventory issues, since the assessing officer sought to restate the opening stock for the assessment year 2014-2015 based on the order passed for assessment year 2013-14. RKV raised objections against the reopening by way of letter dated November 8, 2021, which were disposed of by the assessing officer through order dated February 4, 2022, and the reassessment order was passed under Section 143(3) read with Section 148, resulting in an addition of ₹ 79.59 million due to the restatement of opening stock, thus assessing the total income at ₹ 191.87 million. RKV, through the Appeal has challenged the reopening and reassessment, inter alia, on the grounds that the assessing officer erred in reopening a completed assessment without valid justification, failed to properly address and provide reasons for each of RKV's objections raised against the reopening of the assessment, erred in not allowing the deduction under Section 80IB(10) of the Act, which was legitimately due to RKV and erred in the addition of ₹ 79.59 million on account of the restatement of opening stock which led to the demand of ₹ 97.64 million. The matter is currently pending.

a. Criminal proceedings

*Runwal Residency Private Limited ("**RRPL**")*

i. RRPL has filed a criminal complaint dated April 11, 2022, before the learned Metropolitan Magistrate Court at Kurla, Mumbai, under Section 138 read with Section 141 of the Negotiable Instruments Act, 1881 against Aniket Arote ("**Accused**"). RRPL alleged that the Accused was involved in the misappropriation and diversion of funds of RRPL as well as dishonour of cheque in his capacity as the vendor for payment of stamp duty and registration of flats. RRPL has prayed before the Hon'ble Court of learned Metropolitan Magistrate at Kurla, Mumbai to take cognizance of the offence committed by the Accused, issue process against the Accused, direct the accused to pay the compensation out of the fine amount as per the provisions of Section 357 of the Code of Criminal Procedure and cost as per the provisions of Section 359 of the Code of Criminal Procedure, 1973. RRPL has also lodged First Information Report no. 924 of 2023, dated November 7, 2023, under Section 420 and Section 406 of the Indian Penal Code, 1860, against the Accused. The accused has

been granted pre-arrest bail vide an order dated September 18, 2024, and in response, RRPL has filed an appeal, dated November 18, 2024, before the High Court of Judicature at Bombay, seeking the quashing and setting aside of the order dated September 18, 2024, with a prayer for the cancellation of the pre-arrest bail and for the accused to be taken into custody for a thorough investigation. The aggregate amount involved in the matter is ₹ 6.30 million. The matter is currently pending and is scheduled for hearing on February 8, 2027.

ii. RRPL, through its authorized representative, has lodged a first information report bearing no. 689 of 2022 dated September 5, 2022, before the Manpada Police Station, Thane, against two of its former employees, Shubham Somkuwar and Bharat Gupta under Sections 43, 46(A), 66, 66(B), and 72 of the Information Technology Act, 2000, and Section 34 of the Indian Penal Code, 1860, accusing them of cheating, misusing RRPL's data, and leaking the same to competitors to earn commission. RRPL had terminated the services of both the employees by issuing termination letters, each dated March 17, 2022. We are yet to receive a closure report in the said matter.

iii. RRPL, through its authorized representative, has filed two criminal complaints ("**Complaints**") dated August 29, 2023, and September 6, 2023, before the Deputy Commissioner of Police, Zone 3, Kalyan, and the Assistant Commissioner of Police, Dombivli ("**Police Authorities**"), respectively, against one of its former employees, Pradeep Gamare under Sections 405, 406, 408, 415, and 420 of the Indian Penal Code, 1860, accusing him of financial fraud and bribery. RRPL had terminated the services of the employee by issuing a termination letter dated March 13, 2023. A closure report has yet to be submitted by the Police Authorities, and the matter remains unresolved.

iv. RRPL has filed a criminal complaint ("**Complaint**") under Section 138 read with Section 142 of the Negotiable Instruments Act, 1881, dated December 6, 2025, before the Ld. Judicial Magistrate (First Class), Court, Kurla, Mumbai against Mr. Ketan Prakash Sakpal, proprietor of Ekvira Enterprises ("**Accused**"), The Complaint arises from a business arrangement where RRPL engaged the Accused as a registration agent for its real estate project, "Runwal Gardens", and transferred ₹ 124.33 million for stamp duty and registration charges. After the Accused utilized ₹ 120.98 million, a balance of ₹ 3.35 million remained outstanding. Following part-payments, the liability was reduced to ₹ 1.01 million. In discharge of this liability, the Accused issued cheque no. 000108 dated October 10, 2025, for ₹ 0.52 million, which was dishonoured for "Funds Insufficient" on October 16, 2025. A statutory legal notice dated November 3, 2025, was sent to the Accused via registered post and email, and was deemed served on November 4, 2025; however, the Accused failed to make the payment within the prescribed statutory period. The matter is currently pending and is scheduled for hearing on September 30, 2026.

v. RRPL has filed a criminal complaint ("**Complaint**") under Section 138 read with Section 142 of the Negotiable Instruments Act, 1881, dated November 26, 2025, before the Ld. Judicial Magistrate (First Class), Court, Kurla, Mumbai against Mr. Ketan Prakash Sakpal, proprietor of Ekvira Enterprises ("**Accused**"), The Complaint arises from a business arrangement where RRPL engaged the Accused as a registration agent for its real estate project, "Runwal Gardens", and transferred ₹ 124.33 million for stamp duty and registration charges. After the Accused utilized ₹ 120.98 million, a balance of ₹ 3.35 million remained outstanding. Following part-payments of ₹ 2.34 million, the liability was reduced to ₹ 1.01 million. In partial discharge of this liability, the Accused issued Cheque No. 000106 dated September 15, 2025, for ₹ 0.34 million, which was dishonoured on September 17, 2025, with the reason "Payment stopped by Drawer". A statutory legal notice dated October 13, 2025, was sent to the Accused via registered post and email, and was deemed served on October 14, 2025; however, the Accused failed to make the payment within the prescribed statutory period. The matter is currently pending and is scheduled for hearing on September 30, 2026.

i. SIPL, through its authorized representative, has lodged a first information report bearing number 491 of 2022 dated November 29, 2022, under Section 408 of the Indian Penal Code, 1860 ("**Act**"), before Sion Police Station, Greater Mumbai City ("**Police Authorities**") against one of its former employees, Ajit Ramdhar Sharma, alleging that he misused customer's data meant for SIPL and used the same to secure loans and

commission, caused financial loss to SIPL and committed forgery. SIPL had terminated the services of the employee by issuing termination letter dated June 23, 2022. A closure report has not yet been issued by the Police Authorities, and the matter remains unresolved.

ii. SIPL, through its authorized representative, has lodged a first information report bearing number 495 of 2022 dated December 8, 2022, under Sections 465, 467, 468, and 471 of the Indian Penal Code, 1860 ("**Act**"), before Sion Police Station, Greater Mumbai Area ("**Police Authorities**") against one of its former employees, Mandar Manohar Bhandarkar, alleging that he misused customer's data meant for SIPL and used the same to secure loans and commission, caused financial loss to SIPL and committed forgery. SIPL had terminated the services of the employee by issuing termination letter dated July 11, 2022. A closure report has not yet been issued by the Police Authorities, and the matter remains unresolved. Further, Mandar Manohar Bhandarkar has filed a criminal application dated May 16, 2024 under Section 482 of the Code of Criminal Procedure, 1973 and Sections 465, 467, 468 and 471 of the Indian Penal Code, 1860, against the State of Maharashtra and SIPL before the Hon'ble High Court of Judicature at Bombay. As on the date of this Prospectus, SIPL has not received summons or any other document in relation to this matter and the disclosure included herein is based on the crime check report for our Subsidiary.

*Horizon Projects Private Limited ("**HPPL**")*

i. HPPL has initiated criminal proceedings against Rohan Prakash Sawant and Janhavi Rohan Sawant ("**Accused**") under Section 138 read with 142 of the Negotiable Instruments Act, 1881 dated August 28, 2025 in relation to dishonour of a cheque issued towards unpaid clubhouse charges in respect of Flat No. 1904, Cluster 4, Runwal My City Phase II ("**Property**"). The dispute arises out of an agreement for sale dated January 29, 2019, pursuant to which the Accused was liable to pay aggregate clubhouse charges of ₹0.20 million, of which an amount ₹0.17 million remained outstanding. In discharge of the said liability, the Accused issued a cheque dated March 25, 2024, which was dishonoured upon presentation on two occasions. A statutory legal notice dated May 21, 2024 was issued by HPPL and was received by the Accused on May 22, 2024; however, the Accused failed to make payment within the prescribed statutory period. The matter is currently pending, with the next date of hearing scheduled for October 26, 2026.

ii. HPPL has filed a criminal complaint against Mr. Vasudev Baburao Palav and others ("**Accused**") under Sections 138 read with 142 of the Negotiable Instruments Act, 1881 before the Metropolitan Magistrate's Court, Kurla, Mumbai, in relation to dishonour of a cheque issued towards unpaid clubhouse charges in respect of Flat No. 1601, Tower 10, Phase II, Cluster 4, Runwal My City, Dombivli ("**Property**"). The complaint arises out of an agreement for sale dated December 19, 2018, pursuant to which the Accused was liable to pay charges aggregating to approximately ₹0.21 million, of which an amount of ₹0.15 million remained outstanding. In discharge of the said liability, the Accused issued a cheque dated March 5, 2024 for an amount approximately ₹0.15 million, which was presented on two occasions and dishonoured both times due to insufficiency of funds. A statutory demand notice dated May 21, 2024 was issued by HPPL and served on the Accused; however, the Accused failed to make payment within the prescribed statutory period. The matter is currently pending, with the next date of hearing scheduled for September 30, 2026.

iii. HPPL has filed a criminal complaint against Mr. Prakash Kashinath Dewade and Mrs. Archana Prakash Dewade ("**Accused**") under Sections 138 and 142 of the Negotiable Instruments Act, 1881, before the Ld. Judicial Magistrate First Class, Kurla, Mumbai on August 28, 2024. HPPL has alleged that, pursuant to the agreement for sale dated December 24, 2018 in respect of Flat No. 1601 on the 16th floor, Tower No. 9, in the RERA-registered project "My City Phase II Cluster 4" at Runwal My City Phase II, the Accused were liable to pay aggregate clubhouse charges of ₹ 0.20 million, out of which ₹ 0.04 million was paid and the balance amount of ₹ 0.17 million remained outstanding. In discharge of the said alleged liability, the Accused issued cheque no. 000108 dated April 10, 2024 for ₹ 0.17 million, which was dishonoured upon presentation with the remark "Payment Stopped by Drawer" vide return memo dated April 16, 2024. Thereafter, HPPL issued a statutory demand notice dated May 10, 2024, dispatched on May 13, 2024 and received by the Accused on May 14, 2024; however, the Accused allegedly failed to make payment within the prescribed 15-day period. HPPL has accordingly alleged commission of an offence under Section 138 of the Negotiable Instruments Act and has, *inter alia*, sought issuance of process, interim compensation under Section 143A, and condonation of a stated delay of 61 days in filing the complaint. The matter is currently pending, with the next date of hearing scheduled for October 26, 2026.

b. Material civil proceedings

*Evie Infrapark Private Limited ("**EIPL**")*

i. EIPL has filed a Special Civil Suit ("**Suit**") dated October 23, 2024 against Ecohomes Townships LLP and others. ("**Defendants**") before the Court of Civil Judge, Senior Division, Bhiwandi seeking specific

performance of the term sheet dated February 29, 2024 executed between EIPL and Ecohomes Townships LLP concerning the sale of land ("**Land**") in Bhiwandi. EIPL and Defendants entered into a term sheet on April 4, 2023 ("**2023 Term Sheet**") and February 29, 2024 ("**2024 Term Sheet**") for the sale of approximately 85-87 acres of land. The 2023 Term Sheet outlined payment milestones and timelines for execution of Memorandum of Understanding ("**MOU**") and conveyance deed. EIPL engaged consultants and initiated financing discussions and the Defendants subsequently proposed a change in the transaction structure. The 2023 term sheet was extended and accordingly the 2024 Term Sheet was executed on February 29, 2024 outlining a phased sale of the property ("**Property**"). The 2024 Term Sheet included conditions precedent for the Defendants, such as obtaining necessary permissions, resolving title issues, and settling litigations. EIPL conducted due diligence, but the Defendants' delayed and incomplete responses hindered the process. After further discussions, the Defendants circulated a new draft term sheet in September 2024, which EIPL responded to. However, a subsequent draft in October 2024 contradicted the previous understanding, leading EIPL to file the Suit seeking specific performance of the 2024 Term Sheet and to restrain the Defendants from disposing of or encumbering the land. Ecohomes Townships LLP filed an application on November 5, 2024, under Order 7 Rule 10 of the Code of Civil Procedure, requesting the suit be transferred to the Commercial Court, arguing the dispute is a "commercial dispute" under the Commercial Courts Act, 2015. The application also requests a stay on the suit and interim applications filed and another application dated November 5, 2024, has been filed by Ecohomes Township LLP seeking deferral of the filing of the written statement until the final disposal of the application under Order 7 Rule 10 of the Code of Civil Procedure. In response, EIPL filed two affidavits on January 21, 2025, contending that Ecohomes Townships LLP has failed to establish grounds for deferment of the written statement and that the suit does not constitute a commercial dispute under the Commercial Courts Act, 2015. Subsequently, Ecohomes Townships LLP, in turn, filed two rejoinders on February 16, 2025, asserting that their application for deferment and return of the suit is justified and maintainable, and that EIPL's affidavit fails to provide a legal basis to deny the relief sought. Thereafter, EIPL filed an interim application dated March 18, 2025 seeking ad-interim and interim reliefs restraining the Defendants from alienating, encumbering, transferring or creating third-party rights in respect of the Land. By an order dated August 4, 2025, the Court of Civil Judge, Senior Division, Bhiwandi rejected Ecohomes Townships LLP's application under Order VII Rule 10 of the Code of Civil Procedure, 1908, holding that the dispute did not constitute a commercial dispute under the Commercial Courts Act, 2015. The Defendants subsequently filed their written statement and affidavit, and arguments were heard. By an order dated December 1, 2025, the Court dismissed EIPL's application for temporary injunction, holding that EIPL had failed to establish a prima facie case. The Court observed that the 2024 Term Sheet was not a concluded contract and had automatically terminated on account of EIPL's failure to accept title to the property within the stipulated period, which was a key condition precedent. Subsequently, the other Defendants filed an application dated April 1, 2026, under Order VII Rule 11 of the Code of Civil Procedure, 1908 seeking rejection of the plaint as against them on the ground that no cause of action was disclosed against them, and a separate application under Order I Rule 10(2) of the Code of Civil Procedure, 1908 seeking deletion of their names from the array of parties. EIPL filed replies dated June 11, 2026 opposing both applications and contending that such Defendants were necessary and proper parties and that the plaint disclosed a valid cause of action against them. By an order dated September 8, 2026, the Court of the Civil Judge, Senior Division, Bhiwandi, rejected the application dated April 1, 2026, filed under Order VII Rule 11 of the Code of Civil Procedure, 1908 and allowed the application filed under Order I Rule 10(2) of the Code of Civil Procedure, 1908. The matter is currently pending and listed for hearing on November 30, 2026.

*Evie Real Estate Private Limited ("**EREPL**")*

i. EREPL has filed a writ petition dated November 27, 2024 ("**Petition**"), in the High Court of Judicature at Bombay, against the State of Maharashtra, the Commissioner of State Tax, the Deputy Commissioner of State Tax ("**Deputy Commissioner**"), the Union of India and the GST Council ("**Respondents**") challenging notification nos. 9/2023-Central Tax dated March 31, 2023 and 56/2023-Central Tax dated December 28, 2023 issued by Union of India, along with corresponding state tax notifications 9/2023 dated May 24, 2023 and 56/2023 dated January 16, 2024 issued by the State of Maharashtra ("**Notifications**"), and the order no. E-536/1106/LTU-03/ GST Audit/2019-20/2024-25/B-174, Mumbai, dated August 29, 2024 issued in form GST DRC-07 by the Deputy Commissioner of State Tax ("**Order**"). The said notifications extended the time limit for determining tax, interest, and penalty under Section 73(10) of the Central Goods and Services Tax

Act, 2017 ("**CGST Act**") read with the Maharashtra Goods and Services Tax Act, 2017 ("**MGST Act**") for the financial year 2019-2020. The Order directed EREPL to pay the demand for recovery of dues amounting to ₹ 369.78 million, including tax, interest and penalty on account of discrepancies found during the GST audit for financial year 2019-20, as intimated to EREPL through notice dated May 2, 2024 and intimation dated May 15, 2024. Hence, EREPL has filed the Petition praying the Court to, inter alia, (i) declare the Notifications as illegal, unconstitutional and ultra vires, (ii) quash the Notifications and the Order, and (iii) prohibit the Respondents from acting in furtherance of the Order. The matter is currently pending.

*Horizon Projects Private Limited ("**HPPL**")*

i. HPPL has filed a writ petition against the State of Maharashtra and others before the High Court of Judicature at Bombay, ("**Court**") challenging the legality and validity of demand notices dated December 2, 2017 and February 12, 2018 ("**Impugned Notices**") issued by the Tahsildar, Kalyan for payment of additional unearned income of ₹ 345.20 million on the transfer of land situated at Usarghar and Sandap, Thane District ("**land**"), following audit objections raised by the Accountant General (Audit) II, Maharashtra, Nagpur. HPPL contended that the Impugned Notices are without jurisdiction, that all requisite premium and transfer charges had already been paid at the time of sale in accordance with governing regulations and previous orders, and that additional recovery without following the principles of natural justice is improper. By an interim order dated April 10, 2018, the Court has stayed further coercive recovery pursuant to the Impugned Notices. The matter is currently pending for pre-admission.

ii. HPPL has filed Civil Suit ("**Suit**") before the Civil Judge, Junior Division, Kalyan against Nilesh Dharma Sante and others including the legal heirs of the deceased Eknath Sakharam Sante ("**Defendants**") in relation to property bearing Survey No. 103, Hissa No. 12, located at Village Usarghar, Taluka Kalyan, District Thane, Maharashtra ("**Land**"). The Suit is for injunction under Section 38 of the Specific Relief Act and pertains to restraining the Defendants, their representatives, agents, and all persons claiming through them, from entering, disturbing possession, interfering with development activities, trespassing or causing any damage to the Land. The matter is currently pending.

iii. Premier Limited and HPPL ("**Applicants**") have filed a Notice of Motion ("**Notice of Motion**") against the Court Receiver, High Court of Judicature at Bombay, and Metropolitan Infrahousing Limited ("**Respondents**") before the High Court of Judicature at Bombay, seeking a declaration of ownership and recovery of possession of land aggregating to approximately 22,358 square metres, comprising approximately 14,058 square metres forming part of Survey No. 93, Village Usarghar and approximately 8,300 square metres forming part of Survey No. 21, Village Sandap, Taluka Kalyan, District Thane ("**Property**"), together with consequential and interim reliefs. The Applicants contend that they sold an adjacent parcel of land to Pal Peugeot Limited ("**PPL**") in 1996, and that the Property in question was always retained by Premier Limited. Following PPL's liquidation in 2005, the Court Receiver wrongfully took possession of the Property and subsequently handed it over to Metropolitan Infrahousing Limited, which had purchased PPL's assets following a court-supervised auction in 2011. The Respondents further contend that the court-sanctioned sale related only to PPL's legitimate landholdings and did not include the wrongfully enclosed Property, an issue that arose after Premier Limited sold its remaining land, including the Property, to HPPL in 2002. An application for interim relief was filed by the Applicants and, by an order dated April 25, 2016, the High Court directed that no third-party rights be created in respect of the Property. The Notice of Motion is presently at the admission stage.

i. Runwal Wonder Venture ("**RWV**"), a constituent of our Company has filed an appeal ("**Appeal**") under Section 247 of the Maharashtra Land Revenue Code, 1966, before the District Superintendent of Land Records, Taluka Haveli, Pune against Bridgewater Realty LLP and others ("**Respondents**"). The Appeal challenges Mutation Entry No. 1077 ("**Mutation**"), sanctioned on August 24, 2024, by the City Survey Officer No. 2 ("**Respondent No. 3**"). This Mutation recorded the names of Bridgewater Realty LLP ("**Respondent No. 1**") on the property card for land at Village Mouje Lohgaon, Taluka Haveli, District Pune, bearing CTS No. 215/1 ("**Suit Property**"). The other respondents are the heirs of the late Satish Mittal ("**Respondent No. 2**"). The dispute originates from development rights for the Suit Property, which were transferred by the original owner, Shri. Umaji Mahadu Bidkar, to Wonder Properties, whose proprietor was Shri. Satish Satyanarayan Mittal ("**Satish Mittal**"), through an agreement dated February 10, 2005. Subsequently, the Suit Property was sold to Skyline Co-operative Housing Society Limited on April 20, 2006, while keeping Satish Mittal's development rights intact. On March 29, 2007, Wonder Properties and Runwal Developers Private Limited *("**RDPL**" now known as Runwal Developers Limited ("**RDL**"))* with the consent Skyline Sahakari Gruha Rachana Sanstha Maryadit, entered into a joint venture agreement to develop the Suit Property. Consequently, a general power of attorney dated August 22, 2007, was also executed. Thereafter, Wonder Properties and RDPL formed an association of persons ("**AOP**") named "Runwal Wonder Venture" to jointly develop the Suit Property. RDL and then later our Company was in possession of the Suit Property since the execution of these agreements. Following the death of Satish Mittal on January 17, 2016, RWV claims that all rights, title, and interests of the AOP, including those related to the Suit Property, vested solely in our Company as a constituent member of RWV. RWV contends that the Respondent No. 2 have no rights in the Suit Property itself, and at most would only be entitled to an accounting of Satish Mittal's share in the AOP up to the date of his death. Despite this, Respondent No. 2 allegedly transferred their purported rights in the Suit Property to Respondent No. 1 through a Deed of Assignment ("**Deed**") dated February 19, 2021. Based on this deed, Respondent No. 1 had its name entered on the property card via Mutation on August 24, 2024, which RWV discovered on March 21, 2025. Hence, our Company as a constituent member of RWV has filed the said Appeal praying before the Court to cancel the Mutation, remove Respondent No. 1's name from the property card, and to restore the property card to its original position on several grounds, inter alia, that the Mutation was made illegally and without jurisdiction as the heirs of Satish Mittal had no transferable rights in the Suit Property; the Mutation was sanctioned without providing any notice or opportunity for a hearing to RWV, which is a violation of legal procedure; Respondent No. 1 obtained the Mutation by misleading the authorities and practicing fraud upon RWV and Respondent No. 3; and the continued presence of the Mutation on the property card is causing serious prejudice, loss, and damage to RWV, who claims to be the sole owner of all rights in the AOP. Thereafter, Respondent No. 1 filed an application dated April 7, 2026 before the District Superintendent of Land Records, Pune seeking dismissal of the Appeal at the preliminary stage on the grounds that RWV lacks locus standi and that the Appeal is not maintainable under Sections 247 and 255 of the Maharashtra Land Revenue Code, 1966. Respondent No. 1 has, *inter alia*, contended that it is the lawful transferee of 80% of the development rights and possession in respect of the Suit Property pursuant to a registered Deed executed by the legal heirs of late Satish Mittal; that its name was accordingly mutated in the revenue records; that RWV has no valid right, title, interest or possession in the Suit Property; that the alleged assignment relied upon by RWV is unregistered and insufficiently stamped and therefore inadmissible in evidence; and that, accordingly, RWV is not an "aggrieved person" entitled to maintain the Appeal. RWV has filed its reply dated May 26, 2026, opposing the said application and denying the allegations made therein. RWV has, *inter alia*, asserted that the application is misconceived and filed only to delay the proceedings; that RWV continues to hold lawful possession and absolute development rights in respect of the Suit Property; that the legal heirs of late Satish Mittal had no right or authority to execute the Deed in favour of Respondent No. 1; that the mutation effected on the basis of such deed is illegal; and that RWV, being a valid assignee within the Runwal group and a person directly affected by the Mutation, has the requisite locus standi to maintain the Appeal. RWV has further stated in its reply that the Deed in favour of Respondent No. 1 was executed without the permission of Skyline Co-operative Housing Society Limited, which RWV has described as the owner of the Suit Property, and has also referred to an FIR and subsequent charge sheet filed against the respondents in support of its contention that the transaction in favour of Respondent No. 1 is illegal and prejudicial to RWV's rights. RWV has accordingly prayed for dismissal of the maintainability application with costs and for a declaration that the Appeal is maintainable in law. The matter is currently pending.

F. Litigation involving our Group Companies

Except for the proceedings involving Runwal Developers Limited, as disclosed under *"A. Litigation involving our Company – 1. Outstanding litigation against our Company – c. Material civil proceedings" and "E. Litigation involving our Joint Ventures and Associate – 2. Outstanding litigation by our Joint Ventures and Associate – b. Material civil proceedings"* on pages 481 and 501, respectively, there are no pending litigations involving our Group

Companies as on the date of this Prospectus, which could have a material impact on our Company (on a consolidated basis).

G. Litigation involving our Key Managerial Personnel and Senior Management

1. Outstanding litigations against our Key Managerial Personnel and Senior Management

a. Criminal proceedings

i. The Assistant Registrar of Companies has filed a criminal complaint before the Additional Metropolitan Magistrate, Girgaon, Mumbai against Sahara Hospitality Limited and certain of its employees, Abhishek Kumar Jain, who was a former employee of Sahara Hospitality Limited. The criminal complaint was filed under the Code of Criminal Procedure, 1973, for an extension of the period of limitation in certain cases. The complaint remains pending and the next date of hearing is November 19, 2026.

ii. My City Tower A-1 (Astoria) Co-operative Housing Private Limited, through its chairman Neha Vishal Tillu ("**Complainant**"), lodged a complaint before the Judicial Magistrate of First Class Court, Thane ("**Court**"), against Horizon Projects Private Limited ("**HPPL**") and certain of its directors, including Saurabh Shankar Natu, ("**Accused**"), under Sections 405, 419, 420, 463 read with 120(b) and 34 of the Indian Penal Code for alleged criminal breach of trust and cheating, and under Sections 3, 5, 10, 11, and 13 of the Maharashtra Ownership of Flats (Regulation of the Promotion of Construction, Sale, Management and Transfer) Act, 1963 ("**MOFA**"). The Complainant prayed the Court to inter alia direct the Senior Inspector of Police, Mumbai Police Station, Mumbra, to take action against the Accused and direct the police to conduct an investigation and file an FIR against the Accused. While the Court dismissed the Complainant's prayer by an order dated September 12, 2024, however, the Court has decided to proceed with a hearing to determine whether summons should be issued against the Accused. Subsequently, the Accused filed an application under Section 233 of the Bharatiya Nagarik Suraksha Sanhita, to intervene at the pre-cognizance stage and sought permission to file a detailed reply ("**IA**"). This IA was allowed by the Court on November 2, 2024 pursuant to which the Accused submitted their detailed reply to the complaint. The matter is currently pending and is listed for hearing on issuance of process on October 27, 2026.

iii. Except as disclosed above and under "*C. Litigation involving our Promoter - 1. Outstanding litigation against our Promoter – a. b. Actions taken by regulatory/ statutory authorities

i. The Income Tax Department issued a notice of demand dated September 5, 2014, to Shashi Bhushan demanding an amount aggregating to ₹ 0.39 million for assessment year 2013-2014 ("**Demand**"), pursuant to which, Shashi Bhushan, by way of his response dated February 20, 2015, disagreed with the Demand. Subsequently, by way of letter dated January 8, 2018, the assessing officer, deemed the demand as correct and collectible ("**Letter**"). Aggrieved by the Letter, Shashi Bhushan again contested the Demand on July 18, 2022, on the grounds that the employer failed to deposit the tax deducted at source ("**TDS**") which was collected and that as a salaried individual, he had filed the income tax return based on the salary and TDS details provided by his then employer. Further, Shashi Bhushan submitted that since the responsibility to deposit TDS lies with the employer, it is unjustified to raise a demand against an employee for the failure of an employer and requested a reconsideration of the Demand. As on date, the Demand is yet to be paid, with an option to either pay or re-submit the response for further review by the authorities.

Stock Market Data of Equity Shares

This being an initial public offer of our Company, the Equity Shares are not listed on any stock exchange, as on the date of this Prospectus, and accordingly, no stock market data is available for the Equity Shares.

Mechanism for redressal of Investor Grievances

The Registrar Agreement provides for the retention of records with the Registrar to the Issue for a period of at least eight years from the date of listing and commencement of trading of the Equity Shares on the Stock Exchanges, subject to agreement with our Company for storage of such records for longer period, to enable the investors to approach the Registrar to the Issue for redressal of their grievances.

All grievances in relation to the Bidding process may be addressed to the Registrar to the Issue with a copy to the relevant Designated Intermediary to whom the Bid cum Application Form was submitted. The Bidder should give full details such as name of the sole or first Bidder, Bid cum Application Form number, Bidder DP ID, Client ID, PAN, UPI ID, date of the submission of Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for and the name and address of the Designated Intermediary where the Bid cum Application Form was submitted by the Bidder. Further, the Bidder shall also enclose a copy of the Acknowledgment Slip duly received from the concerned Designated Intermediary in addition to the information mentioned hereinabove.

All grievances of the Anchor Investors may be addressed to the Registrar to the Issue, giving full details such as the name of the sole or First Bidder, Bid cum Application Form number, Bidders' DP ID, Client ID, PAN, date of the Bid cum Application Form, address of the Bidder, number of the Equity Shares applied for, Bid Amount paid on submission of the Bid cum Application Form and the name and address of the BRLMs where the Bid cum Application Form was submitted by the Anchor Investor.

The Registrar to the Issue shall obtain the required information from the SCSBs and Sponsor Banks for addressing any clarifications or grievances of ASBA Bidders. Our Company, the Book Running Lead Managers and the Registrar to the Issue accept no responsibility for errors, omissions, commission or any acts of SCSBs including any defaults in complying with its obligations under applicable SEBI ICDR Regulations. Investors can contact our Company Secretary and Compliance Officer or the Registrar to the Issue in case of any pre-Issue or post-Issue related problems such as non-receipt of letters of Allotment, non-credit of allotted Equity Shares in the respective beneficiary account, non-receipt of refund intimations and non-receipt of funds by electronic mode.

In terms of SEBI ICDR Master Circular and subject to applicable law, any ASBA Bidder whose Bid has not been considered for Allotment, due to failure on the part of any SCSB, shall have the option to seek redressal of the same by the concerned SCSB within three months of the date of listing of the Equity Shares. SCSBs are required to resolve these complaints within 15 days, failing which the concerned SCSB would have to pay interest at the rate of 15% per annum for any delay beyond this period of 15 days. Further, the investors shall be compensated by the SCSBs in accordance with SEBI ICDR Master Circular in the events of delayed unblock for cancelled/withdrawn/deleted applications, blocking of multiple amounts for the same UPI application, blocking of more amount than the application amount, delayed unblocking of amounts for non-allotted/partially-allotted applications, for the stipulated period. In an event there is a delay in redressal of the investor grievance in relation to unblocking of amounts, the BRLMs shall compensate the investors at the rate higher of ₹100 or 15% per annum of the application amount for the period of such delay. Further, in terms of SEBI ICDR Master Circular read with SEBI RTA Master Circular, the payment of processing fees to the SCSBs shall be undertaken pursuant to an application made by the SCSBs to the BRLMs, and such application shall be made only after (i) unblocking of application amounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB.

The processing fees for applications made by UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with the SEBI RTA Master Circular and SEBI ICDR Master Circular.

Disposal of Investor Grievances by our Company

Our Company has obtained authentication on the SCORES in terms of the SEBI ICDR Master Circular SEBI/HO/OIAE/IGRD/CIR/P/2023/156 dated September 20, 2023 and SEBI press release PR No. 06/2024 in relation to redressal of investor grievances through SCORES.

Our Company has not received any investor grievance complaint prior to the filing of this Prospectus. Further, no investor complaint in relation to our Company is pending as on the date of filing of this Prospectus. Our Company estimates that the average time required by our Company or the Registrar to the Issue or the relevant Designated Intermediary, for the redressal of routine investor grievances shall be 10 Working Days from the date of receipt of the complaint. In case of non-routine complaints and complaints where external agencies are involved, our Company will seek to redress these complaints as expeditiously as possible.

Our Company has appointed Abhishek Kumar Jain, as the Company Secretary and Compliance Officer for the Issue and he may be contacted in case of any pre-Issue or post-Issue related problems. For details, see "*General Information – Our Company Secretary and Compliance Officer*" on page 79.

Our Company has also constituted a Stakeholders' Relationship Committee comprising of Lucy Roychoudhury, Mukesh Gupta and Pradumna Kanodia as members, to review and redress shareholder and investor grievances. Dividends, if any, declared by our Company after the date of Allotment, will be payable to the Bidders who have been Allotted Equity Shares in the Issue, for the entire year, in accordance with applicable laws. For further details, in relation to dividends, see "*Dividend Policy*" and "*Description of Equity Shares and Terms of Articles of Association*" beginning on pages 282 and 559, respectively.

Face Value, Issue Price, Floor Price and Price Band

The face value of each Equity Share is ₹ 2 and the Issue Price[*] at the lower end of the Price Band is ₹ 290 per Equity Share and at the higher end of the Price Band is ₹ 305 per Equity Share. The Anchor Investor Issue Price is ₹ 305 per Equity Share.

[*]*An employee discount of ₹ 14.00 per Equity Share of face value of ₹2 was offered to Eligible Employees Bidding in the Employee Reservation Portion.*

The Issue Price, Price Band and the minimum Bid Lot size for the Issue were decided by our Company in consultation with the BRLMs, and advertised in all editions of Financial Express, an English national daily newspaper and all editions of Jansatta, a Hindi national daily newspaper and Mumbai editions of Navshakti, a Marathi daily newspaper (Marathi being the regional language of Maharashtra, where our Registered and Corporate Office is located), each with wide circulation, two Working Days prior to the Bid/ Issue Opening Date and were made available to the Stock Exchanges for the purpose of uploading the same on their websites. The Price Band, along with the relevant financial ratios calculated at the Floor Price and at the Cap Price, were pre-filled in the Bid cum Application Forms available on the respective websites of the Stock Exchanges. The Issue Price was determined by our Company in consultation with the Book Running Lead Managers, after the Bid/ Issue Closing Date on the basis of assessment of market demand for the Equity Shares offered through the Book Building Process.

At any given point of time, there shall be only one denomination for the Equity Shares.

Compliance with disclosure and accounting norms

Our Company shall comply with all disclosure and accounting norms as specified by SEBI from time to time.

Rights of the Equity Shareholders

Subject to applicable laws, rules, regulations and guidelines and the provisions of the Articles of Association, our Shareholders shall have the following rights:

- Right to receive dividends, if declared;
- Right to attend general meetings and exercise voting rights, unless prohibited by law;
- Right to vote on a poll either in person or by proxy or "e-voting", in accordance with the provisions of the Companies Act;
- Right to receive offers for rights shares and be allotted bonus shares, if announced;
- Right to receive surplus on liquidation, subject to any statutory and preferential claim being satisfied;
- Right of free transferability of their Equity Shares, subject to foreign exchange regulations and other applicable laws including any RBI rules and regulations; and
- Such other rights, as may be available to a shareholder of a listed public company under the Companies Act, the SEBI Listing Regulations and the Articles of Association of our Company.

For a detailed description of the main provisions of the Articles of Association of our Company relating to voting rights, dividend, forfeiture and lien, transfer, transmission, consolidation or sub-division, see "*Description of Equity Shares and Terms of Articles of Association*" on page 559.

Allotment only in dematerialised form

Pursuant to Section 29 of the Companies Act, 2013 and the SEBI ICDR Regulations the Equity Shares shall be Allotted only in dematerialised form. As per the SEBI ICDR Regulations and the Listing Regulations, the trading of the Equity Shares shall only be in dematerialised form on the Stock Exchanges. In this context, our Company has entered into the following agreements with the respective Depositories and Registrar to the Issue:

- Tripartite agreement dated February 22, 2017, amongst our Company, NSDL and Registrar to the Issue; and
- Tripartite agreement dated July 31, 2024, amongst our Company, CDSL and Registrar to the Issue.

For details in relation to the Basis of Allotment, see "*Issue Procedure*" on page 537.

Market Lot and Trading Lot

Since trading of the Equity Shares on the Stock Exchanges is in dematerialised form, the tradable lot is one Equity Share. Allotment in the Issue were only in dematerialised and electronic form in multiples of one Equity Share subject to a minimum Allotment of 49 Equity Shares. For further details on the Basis of Allotment, see "*Issue Procedure*" on page 537.

Joint Holders

Subject to the provisions contained in our Articles of Association, where two or more persons are registered as the holders of the Equity Shares, they are deemed to hold such Equity Shares as joint tenants with benefits of survivorship.

Jurisdiction

Exclusive jurisdiction for the purpose of the Issue is with the competent courts/authorities in Mumbai, India.

Period of operation of subscription list

See "*– Bid/ Issue Programme*" on page 528.

Nomination facility to investors

In accordance with Section 72 of the Companies Act, 2013, read with the Companies (Share Capital and Debentures) Rules, 2014, as amended, the Sole Bidder, or the First Bidder along with other joint Bidders, were required to nominate any one person in whom, in the event of the death of Sole Bidder or in case of joint Bidders, death of all the Bidders, as the case may be, the

Equity Shares Allotted, if any, shall vest to the exclusion of all other persons, unless the nomination is modified or cancelled in the prescribed manner. A person, being a nominee, entitled to the Equity Shares by reason of the death of the original holder(s), shall be entitled to the same advantages to which he or she would be entitled if he or she were the registered holder of the Equity Share(s). Where the nominee is a minor, the holder(s) may make a nomination to appoint, in the prescribed manner, any person to become entitled to Equity Share(s) in the event of his or her death during the minority. A nomination shall stand rescinded upon a sale/transfer/alienation of Equity Share(s) by the person nominating. A nomination may be cancelled or modified by nominating any other person in place of the present nominee, by the holder of the Equity Shares who made the nomination, by giving a notice of such cancellation or variation to our Company.

A buyer will be entitled to make a fresh nomination in the manner prescribed. Fresh nomination can be made only on the prescribed form available on request at our Registered and Corporate Office or to the Registrar and Transfer Agent of our Company.

Any person who becomes a nominee by virtue of the provisions of Section 72 of the Companies Act, 2013 shall upon the production of such evidence as may be required by our Board, elect either:

a) to register himself or herself as the holder of the Equity Shares; or

b) to make such transfer of the Equity Shares, as the deceased holder could have made.

Further, our Board may at any time give notice requiring any nominee to choose either to be registered himself or herself or to transfer the Equity Shares, and if the notice is not complied with within a period of 90 days, the Board may thereafter withhold payment of all dividends, interests, bonuses or other monies payable in respect of the Equity Shares, until the requirements of the notice have been complied with.

Since the Allotment of Equity Shares in the Issue will be made only in dematerialised mode, there is no need to make a separate nomination with our Company. Nominations registered with respective Depository Participant of the Bidder would prevail. If the Bidder wants to change the nomination, they are requested to inform their respective Depository Participant.

Our Company shall comply with such disclosure and accounting norms as may be specified by SEBI from time to time.

**In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Issue Closing Date for cancelled / withdrawn / deleted ASBA Forms, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the Bid Amount, whichever is higher from the date on which the request for cancellation/ withdrawal/ deletion is placed in the Stock Exchanges bidding platform until the date on which the amounts are unblocked (ii) any blocking of multiple amounts for the same ASBA Form (for amounts blocked through the UPI Mechanism), the Bidder shall be compensated at a uniform rate ₹ 100 per day or 15% per annum of the total cumulative blocked amount except the original application amount, whichever is higher from the date on which such multiple amounts were blocked till the date of actual unblock; (iii) any blocking of amounts more than the Bid Amount, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the difference in amount, whichever is higher from the date on which such excess amounts were blocked till the date of actual unblock; (iv) any delay in unblocking of non-allotted/partially allotted Bids, exceeding two Working Days from the Bid/Issue Closing Date, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the Bid Amount, whichever is higher for the entire duration of delay exceeding two Working Days from the Bid/Issue Closing Date by the SCSB responsible for causing such delay in unblocking. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. The Bidder shall be compensated in the manner specified in the SEBI ICDR Master Circular and SEBI RTA Master Circular, which for the avoidance of doubt, shall be deemed to be incorporated in the deemed agreement of the Company with the SCSBs, to the extent applicable.*

The processing fees for applications made by the UPI Bidders may be released to the remitter banks (SCSBs) only after such banks provide a written confirmation on compliance with SEBI ICDR Master Circular and SEBI RTA Master Circular. The above timetable other than the Bid/Issue Closing Date, is indicative and does not constitute any obligation or liability on our Company or the BRLMs.

Whilst our Company shall ensure that all steps for the completion of the necessary formalities for the listing and the commencement of trading of the Equity Shares on the Stock Exchanges are taken within three Working Days of the Bid/Issue Closing Date or such other period as may be prescribed by SEBI, the timetable may be extended due to various

factors, such as any delay in receiving the final listing and trading approval from the Stock Exchanges. In terms of the SEBI ICDR Master Circular, our Company shall within four days from the closure of the Issue, refund the subscription amount received in case of non – receipt of minimum subscription or in case our Company fails to obtain listing or trading permission from the Stock Exchanges for the Equity Shares. The commencement of trading of the Equity Shares will be entirely at the discretion of the Stock Exchanges and in accordance with the applicable laws.

The Registrar to the Issue had submitted the details of cancelled/withdrawn/deleted applications to the SCSBs on daily basis within 60 minutes of the Bid closure time from the Bid/ Issue Opening Date until the Bid/Issue Closing Date by obtaining the same from the Stock Exchanges. The SCSBs were required to unblock such applications by the closing hours of the Working Day.

In terms of the UPI Circulars, in relation to the Issue, the BRLMs will be required to submit reports of compliance with timelines and activities prescribed by SEBI in connection with the allotment and listing procedure within three Working Days from the Bid/ Issue Closing Date, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it.

Any circulars or notifications from SEBI after the date of this Prospectus may result in changes to the listing timelines. Further, the issue procedure is subject to change to any revised SEBI circulars to this effect.

Submission of Bids (other than Bids from Anchor Investors):

Upward or downward Revision of Bids or cancellation of Bids by RIBs and Eligible Employees bidding in the Employee Reservation Portion	Only between 10.00 a.m. on the Bid/Issue Opening Date and up to 5.00 p.m. IST on Bid/Issue Closing Date

**UPI mandate end time and date shall be at 05:00 p.m. on Bid/ Issue Closing Date.*
[#]QIBs and Non-Institutional Bidders can neither revise their bids downwards nor cancel/withdraw their bids.

On the Bid/ Issue Closing Date, the Bids were be uploaded until:

(i) 4.00 p.m. IST in case of Bids by QIBs and Non-Institutional Bidders, and

(ii) 5.00 p.m. IST or such extended time as permitted by the Stock Exchanges, in case of Bids by RIBs and Eligible Employees bidding in the Employee Reservation Portion.

On Bid/Issue Closing Date, extension of time has been granted by Stock Exchanges only for uploading Bids received RIBs and Eligible Employees bidding in the Employee Reservation Portion, after taking into account the total number of Bids received and as reported by the BRLMs to the Stock Exchanges.

It is clarified that Bids not uploaded on the electronic bidding system or in respect of which the full Bid Amount is not blocked by SCSBs, or not blocked under the UPI Mechanism in the relevant ASBA Account, as the case may be, would be rejected.

Due to limitation of time available for uploading the Bids on the Bid/Issue Closing Date, Bidders were advised to submit their Bids one day prior to the Bid/Issue Closing Date and in any case no later than 3:00 p.m. IST on the Bid/Issue Closing Date. Any time mentioned in the Red Herring Prospectus and this Prospectus is IST. Bidders were cautioned that, in the event a large number of Bids were received on the Bid/Issue Closing Date, some Bids may not get uploaded due to lack of sufficient time. Such Bids that could not be uploaded were not considered for allocation under the Issue. Bids and any revision in Bids were accepted only during Working Days during the Bid/ Issue Period. Bidders were advised to note that as per letter no. List/SMD/SM/2006 dated July 3, 2006 and letter no. NSE/IPO/25101-6 dated July 6, 2006 issued by BSE and NSE, respectively, Bids and any revision in Bids were not to be accepted on Saturdays and public holidays as declared by the Stock

Exchanges. Bids by ASBA Bidders were uploaded by the relevant Designated Intermediary in the electronic system to be provided by the Stock Exchanges.

In case of discrepancy in data entered in the electronic book vis-vis data contained in the Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges were taken as the final data for the purpose of Allotment.

Minimum Subscription

If our Company does not receive the minimum subscription in the Issue as specified under Rule 19(2)(b) of the SCRR or the minimum subscription of 90% of the Fresh Issue on the Bid/Issue Closing Date; or subscription level falls below aforesaid minimum subscription after the Bid/Issue Closing Date due to withdrawal of Bids or technical rejections or any other reason; or in case of devolvement of Underwriting, aforesaid minimum subscription is not received within 60 days from the date of Bid/Issue Closing Date or if the listing or trading permission is not obtained from the Stock Exchanges for the Equity Shares in the Issue, our Company shall forthwith refund the entire subscription amount received in accordance with applicable law including the SEBI ICDR Master Circular. If there is a delay beyond the prescribed time after our Company becomes liable to pay the amount, our Company and every Director of our Company, who are officers in default, shall pay interest at the rate of 15% per annum or such other amount prescribed under applicable law, including the SEBI ICDR Master Circular.

Under-subscription, if any, in any category except the QIB Portion, would be met with spill-over from the other categories at the discretion of our Company, in consultation with the Book Running Lead Managers, and the Designated Stock Exchange. Further, in terms of Regulation 49(1) of the SEBI ICDR Regulations, our Company shall ensure that the number of Bidders to whom the Equity Shares will be Allotted will be not less than 1,000 failing which the entire application money shall be unblocked in the respective ASBA Accounts of the Bidders. In case of delay, if any, in unblocking the ASBA Accounts within such timeline as prescribed under applicable laws, our Company shall be liable to pay interest on the application money in accordance with applicable laws.

Arrangements for Disposal of Odd Lots

There are no arrangements for disposal of odd lots since our Equity Shares will be traded in dematerialised form only and market lot for our Equity Shares will be one Equity Share.

Withdrawal of the Issue

The Issue shall be withdrawn in the event the requirement of the minimum subscription as prescribed under Regulation 45 of the SEBI ICDR Regulations is not fulfilled. Our Company in consultation with the BRLMs, reserved the right not to proceed with the Fresh Issue, in whole or in part thereof, after the Bid/ Issue Opening Date but before the Allotment. In such an event, our Company would issue a public notice in the newspapers in which the pre-Issue advertisements were published, within two days of the Bid/ Issue Closing Date or such other time as may be prescribed by SEBI, providing reasons for not proceeding with the Issue and inform the Stock Exchanges promptly on which the Equity Shares are proposed to be listed. The BRLMs, through the Registrar to the Issue, shall notify the SCSBs and the Sponsor Banks (in case of UPI Bidders), to unblock the bank accounts of the ASBA Bidders, and shall notify the Escrow Collection Bank to release the Bid Amounts to the Anchor Investors, within one Working Day from the date of receipt of such notification and also inform the Bankers to the Issue to process refunds to the Anchor Investors, as the case may be. The notice of withdrawal will be issued in the same newspapers where the pre-Issue advertisements have appeared, and the Stock Exchanges will also be informed promptly. In terms of the UPI Circulars, in relation to the Issue, the BRLMs will submit reports of compliance with T+3 listing timelines and activities, identifying non-adherence to timelines and processes and an analysis of entities responsible for the delay and the reasons associated with it. Further, in case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/ Issue Closing Date, the Bidder shall be compensated at a uniform rate of ₹100 per day or 15% per annum of the Bid Amount, whichever is higher, for the entire duration of delay exceeding two Working Days from the Bid/ Issue Closing Date by the intermediary responsible for causing such delay in unblocking. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking.

If our Company in consultation with the BRLMs withdraws the Issue after the Bid/ Issue Closing Date and thereafter determines that it will proceed with an issue of the Equity Shares, our Company shall file a fresh red herring prospectus with SEBI. Notwithstanding the foregoing, the Issue is also subject to obtaining the final listing and trading approvals of the Stock Exchanges, which our Company shall apply for after Allotment.

Restrictions, if any on transfer and transmission of Equity Shares

Except for lock-in of the pre-Issue share capital of our Company, lock-in of our Promoters' minimum contribution under the SEBI ICDR Regulations and the Anchor Investor lock-in as provided in "*Capital Structure*" on page 87 and except as provided under the Articles of Association, there are no restrictions on transfer of the Equity Shares. Further, there are no restrictions on

transmission of any shares of our Company and on their consolidation or splitting, except as provided in the Articles of Association. For details, see "*Description of Equity Shares and Terms of Articles of Association"* on page 559.

New financial instruments

Our Company is not issuing any new financial instruments through this Issue.

The unsubscribed portion, if any, in the Employee Reservation Portion (after such allocation up to ₹0.50 million), shall be added to the Net Issue. Further, an Eligible Employee Bidding in the Employee Reservation Portion can also Bid in the Net Issue and such Bids will not be treated as multiple Bids subject to applicable limits. Our Company, in consultation with the BRLMs, offered a discount of 4.59% to the Issue Price (equivalent of ₹ 14 per Equity Share) to Eligible Employees Bidding in the Employee Reservation Portion, subject to necessary approvals as may be required, and which shall be announced at least two Working Days prior to the Bid / Issue Opening Date.*

[##] *Our Company, in consultation with the BRLMs, allocated up to 60% of the QIB Portion to Anchor Investors at the Anchor Investor Allocation Price, on a discretionary basis subject to there being (i) a maximum of two Anchor Investors, where allocation in the Anchor Investor Portion is up to ₹ 100 million, (ii) minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion is more than ₹ 100 million but up to ₹ 2,500 million under the Anchor Investor Portion, subject to a minimum Allotment of ₹ 50 million per Anchor Investor, and (iii) in case of allocation above ₹ 2,500 million under the Anchor Investor Portion, a minimum of five such investors and a maximum of 15 Anchor Investors for allocation up to ₹ 2,500 million, and an additional 10 Anchor Investors for every additional ₹ 2,500 million or part thereof will be permitted, subject to minimum allotment of ₹ 50 million per Anchor Investor in accordance with the SEBI ICDR Regulations. An Anchor Investor could make a minimum Bid of such number of Equity Shares, that the Bid Amount was at least ₹ 100 million. 40% of the Anchor Investor Portion was made available for allocation as follows, (i) 33.33% shall be available for allocation to domestic Mutual Funds, and (ii) 6.67% for Life Insurance Companies and Pension Funds, subject to valid Bids been received from domestic Mutual Funds, Life Insurance Companies and Pension Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription in (ii) above, the allocation may be made to domestic Mutual Funds.*

In the event of under-subscription in (ii) above, the allocation was made to domestic Mutual Funds. In the event of under-subscription, or non-allotment in the Anchor Investor Portion, the balance Equity Shares shall be added to the Net QIB Portion. Further, 5% of the Net QIB Portion shall be available for allocation on a proportionate basis only to Mutual Funds, and spill-over from the remainder of the Net QIB Portion shall be available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids being received at or above the Issue Price. Further, not less than 15% of the Issue shall be available for allocation on a proportionate basis to Non-Institutional Bidders and not less than 35% of the Issue shall be available for allocation to RIBs in accordance with the SEBI ICDR Regulations, subject to valid Bids being received at or above the Issue Price.

(1) Further SEBI ICDR Master Circular has mandated that ASBA applications in public issues shall be processed only after the applications monies are blocked in the bank accounts of the bidders.

(2) In case of joint Bids, the Bid cum Application Form should contain only the name of the First Bidder whose name should also appear as the first holder of the beneficiary account held in joint names. Further, an Eligible Employee Bidding in the Employee Reservation Portion could also Bid in the Net Issue (either under the Retail Portion or the Non-Institutional Portion) and such Bids would not be treated as multiple Bids subject to applicable limits. The signature of only such First Bidder is required in the Bid cum Application Form and such First Bidder will be deemed to have signed on behalf of the joint holders. Bidders will be required to confirm and will be deemed to have represented to our Company, the Underwriters, their respective directors, officers, agents, affiliates and representatives that they are eligible under applicable law, rules, regulations, guidelines and approvals to acquire the Equity Shares.

(3) Subject to valid bids been received at or above the Issue Price, undersubscription, if any, in any category, except in the QIB Portion, would be allowed to be met with spill-over from any other category or combination of categories of Bidders at the discretion of our Company in consultation with the

BRLMs, and the Designated Stock Exchange, subject to applicable laws. In the event of under-subscription in the Issue, Equity Shares shall be allocated in the manner specified in "Terms of the Issue" on page 532.

The Bids by FPIs with certain structures as described under "*Issue Procedure - Bids by FPIs*" on page 544 and having same PAN will be collated and identified as a single Bid in the Bidding process. The Equity Shares Allocated and Allotted to such successful Bidders (with same PAN) will be proportionately distributed.

Bidders were required to confirm and were deemed to have represented to our Company, the Underwriters, their respective directors, officers, agents, affiliates and representatives that they are eligible under applicable law, rules, regulations, guidelines and approvals to acquire the Equity Shares.

Subject to valid Bids been received at or above the Issue Price, under-subscription, if any, in the Non-Institutional Portion or the Retail Portion will be allowed to be met with spill-over from other categories or a combination of categories at the discretion of our Company in consultation with the BRLMs and the Designated Stock Exchange, on a proportionate basis. However, under-subscription, if any, in the QIB Portion will be not allowed to be met with spill-over from other categories or a combination of categories. For further details, see "*Terms of the Issue*" on page 526.

Eligible Employees bidding in the Employee Reservation Portion at a price within the Price Band could make payment based on Bid Amount, at the time of making a Bid. Eligible Employees bidding in the Employee Reservation Portion at the Cut-Off Price were required to ensure payment at the Cap Price, at the time of making a Bid. Subject to valid Bids being received at or above the Issue Price, under-subscription, if any, in any category except the QIB Portion, were met with spill-over from the other categories or a combination of categories at the discretion of our Company, in consultation with the BRLMs, and the Designated Stock Exchange.

In case of discrepancy in the data entered in the electronic book *vis-à-vis* the data contained in the physical Bid cum Application Form for a particular Bidder, the details as per the Bid file received from the Stock Exchanges were taken as the final data for the purpose of Allotment.

ISSUE PROCEDURE

The General Information Document is available on the websites of the Stock Exchanges and the BRLMs. Please refer to the relevant provisions of the General Information Document which are applicable to the Issue, including in relation to the process for Bids by UPI Bidders. The investors were advised to note that the details and process provided in the General Information Document should be read along with this section.

Additionally, all Bidders were required to refer to the General Information Document for information in relation to (i) category of investors eligible to participate in the Issue; (ii) maximum and minimum Bid size; (iii) price discovery and allocation; (iv) payment instructions for ASBA Bidders/Applicants; (v) issuance of CAN and Allotment in the Issue; (vi) general instructions (limited to instructions for completing the Bid cum Application Form); (vii) designated date; (viii) disposal of applications and electronic registration of bids; (ix)submission of Bid cum Application Form; (x) other instructions (limited to joint bids in cases of individual, multiple bids and instances when an application would be rejected on technical grounds); (xi) applicable provisions of the Companies Act, 2013 relating to punishment for fictitious applications; (xii) mode of making refunds; (xiii) Designated Date; (xiv) disposal of applications; and (xv) interest in case of delay in Allotment or refund.

*SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2018/138 dated November 1, 2018 read with its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/50 dated April 3, 2019, has introduced an alternate payment mechanism using Unified Payments Interface ("**UPI**") and consequent reduction in timelines for listing in a phased manner. From January 1, 2019, the UPI Mechanism for RIBs applying through Designated Intermediaries was made effective along with the timeline of T+6 days. ("**UPI Phase I**"). The UPI Phase I was effective until June 30, 2019.*

*With effect from July 1, 2019, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2019/76 dated June 28, 2019, read with circular bearing number SEBI/HO/CFD/DIL2/CIR/P/2019/85 dated July 26, 2019 with respect to Bids by UPI Bidders through Designated Intermediaries (other than SCSBs), the existing process of physical movement of forms from such Designated Intermediaries to SCSBs for blocking of funds has been discontinued and only the UPI Mechanism for such Bids with existing timeline of T+6 days was mandated for a period of three months or launch of five main board public issues, whichever is later ("**UPI Phase II**"). Subsequently, however, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 had extended the timeline for implementation of UPI Phase II until further notice. The final reduced timeline of T+3 days for the UPI Mechanism for applications by UPI Bidders ("**UPI Phase III**") and modalities of the implementation of UPI Phase III was notified by SEBI vide the SEBI T+3 Circular and made effective on a voluntary basis for all issues opening on or after September 1, 2023 and on a mandatory basis for all issues opening on or after December 1, 2023. Accordingly, the Issue will be undertaken pursuant to the processes and procedures under UPI Phase III on mandatory basis, subject to any circulars, clarification or notification issued by the SEBI pursuant to the SEBI T+3 Circular.*

The Issue will be undertaken pursuant to the processes and procedures under UPI Phase III on mandatory basis, subject to any circulars, clarification or notification issued by the SEBI from time to time. Further, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021, as amended pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2021/570 dated June 2, 2021 and SEBI circular no. SEBI/HO/CFD/DIL2/CIR/P/2022/51 dated April 20, 2022, had introduced certain additional measures for streamlining the process of initial public offers and redressing investor grievances. Subsequently, vide the SEBI RTA Master Circular, consolidated the aforementioned circulars (excluding SEBI circular no. SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023) to the extent relevant for RTAs, and rescinded these circulars. Furthermore, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022, all individual bidders in initial public offerings whose application sizes are up to ₹0.50 million shall use the UPI Mechanism. Pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular), applications made using the ASBA facility in initial public offerings shall be processed only after application monies are blocked in the bank accounts of investors (all categories). These circulars are effective for initial public offers opening on/or after May 1, 2021, and the provisions of these circulars, as amended, are deemed to form part of the Red Herring Prospectus and this Prospectus.

SEBI vide the SEBI Master Circular has prescribed certain additional measures for streamlining the process of initial public issues and redressing investor grievances. Pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022 (to the extent not rescinded by the SEBI ICDR Master Circular), applications made using the ASBA facility in initial public offerings shall be processed only after application monies are blocked in the bank accounts of investors (all categories). In terms of Regulation 23(5) and Regulation 52 of SEBI ICDR Regulations, the timelines and processes mentioned in SEBI RTA Master Circular, shall continue to form part of the agreements being signed between the intermediaries involved in the public issuance process and lead managers shall continue to coordinate with intermediaries involved in the said process.

Furthermore, pursuant to SEBI Circular no. SEBI/HO/CFD/DIL2/P/CIR/P/2022/45 dated April 5, 2022, all individual bidders in initial public offerings (opening on or after May 1, 2022) whose application sizes are up to ₹500,000 shall use the UPI Mechanism. Subsequently, pursuant to SEBI circular no. SEBI/HO/CFD/DIL2/P/CIR/2022/75 dated May 30, 2022, applications made using the ASBA facility in initial public offerings (opening on or after September 1, 2022) shall be processed only after application monies are blocked in the bank accounts of investors (all categories). The aforementioned circular should be read together with the SEBI ICDR Master Circular.

In case of any delay in unblocking of amounts in the ASBA Accounts (including amounts blocked through the UPI Mechanism) exceeding two Working Days from the Bid/Issue Closing Date, in accordance with the SEBI ICDR Master Circular, the Bidder shall be compensated at a uniform rate of ₹ 100 per day or 15% per annum of the Bid Amount, whichever is higher for the entire duration of delay exceeding two Working Days from the Bid/Issue Closing Date by the intermediary responsible for causing such delay in unblocking. The BRLMs shall, in their sole discretion, identify and fix the liability on such intermediary or entity responsible for such delay in unblocking. Further, Bidders shall be entitled to compensation in the manner specified in the SEBI circular SEBI/HO/CFD/DIL2/CIR/P/2021/2480/1/M dated March 16, 2021 as amended by the T+3 Circular and as superseded by the SEBI ICDR Master Circular, in case of delays in resolving investor grievances in relation to blocking/unblocking of funds. In terms of Regulation 23(5) and Regulation 52 of SEBI ICDR Regulations, the timelines and processes mentioned in SEBI ICDR Master Circular shall continue to form part of the agreements being signed between the intermediaries involved in the public issuance process and lead managers shall continue to coordinate with intermediaries involved in the said process.

Our Company, and the BRLMs, members of the syndicate do not accept any responsibility for the completeness and accuracy of the information stated in this section and the GID and are not liable for any amendment, modification or change in the applicable law which may occur after the date of this Prospectus. Bidders were advised to make their independent investigations and ensure that their Bids were submitted in accordance with applicable laws and did not exceed the investment limits or maximum number of the Equity Shares that can be held by them under applicable law or as specified in the Red Herring Prospectus and this Prospectus, when filed.

Further, our Company, and the Members of the Syndicate are not liable for any adverse occurrences' consequent to the implementation of the UPI Mechanism for application in the Issue.

Pursuant to circular no. NSDL/CIR/II/28/2023 dated August 8, 2023, issued by NSDL and circular no. CDSL/OPS/RTA/POLCY/2023/161 dated August 8, 2023 issued by CDSL, our Company may request the Depositories to suspend/ freeze the ISIN in depository system till listing/ trading effective date. Pursuant to the aforementioned circulars, our Company may request the Depositories to suspend/ freeze the ISIN in depository system from or around the date of this Prospectus till the listing and commencement of trading of our Equity Shares. The shareholders who intend to transfer the pre-Issue shares may request our Company and/or the Registrar for facilitating transfer of shares under suspended/ frozen ISIN by submitting requisite documents to our Company and/or the Registrar. Our Company and/or the Registrar would then send the requisite documents along with applicable stamp duty and corporate action charges to the respective depository to execute the transfer of shares under suspended ISIN through corporate action. The transfer request shall be accepted by the Depositories from our Company till one day prior to Bid / Issue Opening Date.

Book Building Procedure

This Issue was made in terms of Rule 19(2)(b) of the SCRR read with Regulation 31 of the SEBI ICDR Regulations. The Issue is being made through the Book Building Process and was in accordance with Regulation 6(1) of the SEBI ICDR Regulations, wherein in terms of Regulation 32(1) of the SEBI ICDR Regulations, not more than 50% of the Net Issue was allocated on a proportionate basis to QIBs, provided that our Company, in consultation with the BRLMs, allocated up to 60% of the QIB Portion to Anchor Investors at the Anchor Investor Allocation Price on a discretionary basis in accordance with the SEBI ICDR Regulations, of which 40% of the Anchor Investor Portion was made available for allocation as follows, (i) 33.33% was made available for allocation to domestic Mutual Funds, and (ii) 6.67% for Life Insurance Companies and Pension Funds, subject to valid Bids been received from domestic Mutual Funds, Life Insurance Companies and Pension Funds at or above the Anchor Investor Allocation Price. In the event of under-subscription in (ii) above, the allocation was made to domestic Mutual Funds. In the event of under-subscription, or non-allotment in the Anchor Investor Portion, the balance Equity Shares were added to the Net QIB Portion. Further, 5% of the Net QIB Portion was made available for allocation on a proportionate basis only to Mutual Funds, and the remainder of the Net QIB Portion was made available for allocation on a proportionate basis to all QIBs (other than Anchor Investors), including Mutual Funds, subject to valid Bids been received at or above the Issue Price. Further, subject to availability of Equity Shares in the respective categories, not less than 15% of the Net Issue was made available for allocation to Non-Institutional Bidders out of which (a) one third of such portion was reserved for applicants with application size of more than ₹ 0.20 million and up to ₹ 1.00 million; and (b) two third of such portion was reserved for applicants with application size of more than ₹ 1.00 million, provided that the unsubscribed portion in either of such sub-categories was allocated to applicants in the other sub-category of Non-Institutional Bidders and not less than 35% of the Net Issue was made available for allocation to RIBs in accordance with the SEBI ICDR Regulations, subject to valid Bids been received at or above the Issue Price. Furthermore, 120,274 Equity Shares, aggregating to ₹ 35.00 million was made available for allocation on a

proportionate basis only to Eligible Employees Bidding in the Employee Reservation Portion, subject to valid Bids been received at or above the Issue Price, if any.

Under-subscription, if any, in any category, except the QIB Portion, were allowed to be met with spill over from any other category or categories of Bidders at the discretion of our Company in consultation with the BRLMs and the Designated Stock Exchange subject to valid Bids been received at or above the Issue Price. Under-subscription, if any, in the QIB Portion, were not allowed to be met with spill-over from any other category or a combination of categories.

Further, in the event of an under-subscription in the Employee Reservation Portion, such unsubscribed portion was Allotted on a proportionate basis to Eligible Employees Bidding in the Employee Reservation Portion, for a value in excess of ₹ 0.20 million, subject to the total Allotment to an Eligible Employee not exceeding ₹ 0.50 million. The undersubscription, if any, in the Employee Reservation Portion, was added to other reserved category and the remaining unsubscribed portion, if any, after such inter-se adjustments among such reserved categories, shall be added to the Net Issue.

Bidders were required to ensure that their PAN is linked with Aadhaar ID and are in compliance with CBDT notification dated February 13, 2020, press release dated June 25, 2021, September 17, 2021, March 30, 2022 and March 28, 2023.

The Equity Shares, on Allotment, shall be traded only in the dematerialized segment of the Stock Exchanges.

Investors should note that the Equity Shares will be Allotted to all successful Bidders only in dematerialised form. The Bid cum Application Forms which do not have the details of the Bidders' depository account, including DP ID, Client ID, PAN and UPI ID (for UPI Bidders), shall be treated as incomplete and will be rejected. Bidders will not have the option of being Allotted Equity Shares in physical form.

However, they may get the Equity Shares rematerialised subsequent to Allotment of the Equity Shares in the Issue, subject to applicable laws.

Phased implementation of UPI for bids by RIBs as per UPI circulars

SEBI has issued the UPI Circulars in relation to streamlining the process of public issue of, *inter alia*, equity shares. Pursuant to the UPI Circulars, the UPI Mechanism has been introduced in a phased manner as a payment mechanism (in addition to mechanism of blocking funds in the account maintained with SCSBs under ASBA) for applications by UPI Bidders through Designated Intermediaries with the objective to reduce the time duration from public issue closure to listing from six Working Days to up to three Working Days. Considering the time required for making necessary changes to the systems and to ensure complete and smooth transition to the UPI payment mechanism, the UPI Circulars have introduced the UPI Mechanism in three phases in the following manner:

Phase I: This phase was applicable from January 1, 2019 until March 31, 2019 or floating of five main board public issues, whichever was later. Subsequently, the timeline for implementation of Phase I was extended till June 30, 2019. Under this phase, an RIB had the option to submit the ASBA Form with any of the Designated Intermediary and use his/ her UPI ID for the purpose of blocking of funds. The time duration from public issue closure to listing continued to be six Working Days.

Phase II: This phase has become applicable from July 1, 2019 and was to initially continue for a period of three months or floating of five main board public issues, whichever is later. SEBI vide its circular no. SEBI/HO/CFD/DCR2/CIR/P/2019/133 dated November 8, 2019 has decided to extend the timeline for implementation of UPI Phase II until March 31, 2020. Subsequently, SEBI vide its circular no. SEBI/HO/CFD/DIL2/CIR/P/2020/50 dated March 30, 2020 extended the timeline for implementation of UPI Phase II until further notice. Under this phase, submission of the ASBA Form by RIBs through Designated Intermediaries (other than SCSBs) to SCSBs for blocking of funds was discontinued and replaced by the UPI Mechanism. However, the time duration from public issue closure to listing continued to be six Working Days during this phase.

Phase III: This phase has become applicable on a voluntary basis for all issues opening on or after September 1, 2023 and on a mandatory basis for all issues opening on or after December 1, 2023, vide SEBI circular bearing number SEBI/HO/CFD/TPD1/CIR/P/2023/140 dated August 9, 2023 ("**T+3 Notification**"). In this phase, the time duration from public issue closure to listing has been reduced to three Working Days. The Issue was undertaken pursuant to the processes and procedures as notified in the T+3 Notification as applicable, subject to any circulars, clarification or notification issued by SEBI from time to time..

The Issue was made under Phase III of the UPI (on a mandatory basis) in accordance with the SEBI ICDR Master Circular and the T+3 Notification (to the extent not rescinded by the SEBI ICDR Master Circular in relation to the SEBI ICDR Regulations).

The processing fees for applications made by UPI Bidders using the UPI Mechanism was released to the SCSBs only after such banks provide a written confirmation, in compliance with the SEBI RTA Master Circular and SEBI ICDR Master Circular in a

format as prescribed by SEBI, from time to time, and such payment of processing fees to the SCSBs were made in compliance with circulars prescribed by SEBI and applicable law.

All SCSBs offering facility of making application in public issues were required to also provide facility to make application using UPI. Our Company was required to appoint one of the SCSBs as the Sponsor Bank(s) to act as a conduit between the Stock Exchanges and NPCI in order to facilitate collection of requests and / or payment instructions of the UPI Bidders.

Individual investors bidding under the Non-Institutional Portion bidding for more than ₹ 0.20 million and up to ₹ 0.50 million using the UPI Mechanism, shall provide their UPI ID in the Bid-cum-Application Form for Bidding through Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

Pursuant to the UPI Circulars, SEBI has set out specific requirements for redressal of investor grievances for applications that have been made through the UPI Mechanism. The requirements of the UPI Streamlining Circular include, appointment of a nodal officer by the SCSB and submission of their details to SEBI, the requirement for SCSBs to send SMS alerts for the blocking and unblocking of UPI mandates, the requirement for the Registrar to submit details of cancelled, withdrawn or deleted applications, and the requirement for the bank accounts of unsuccessful Bidders to be unblocked no later than one Working Day from the date on which the Basis of Allotment is finalised. Failure to unblock the accounts within the timeline would result in the SCSBs being penalised under the relevant securities law. Further, in terms of the UPI Circulars, the payment of processing fees to the SCSBs shall be undertaken pursuant to an application made by the SCSBs to the BRLMs, and such application shall be made only after (i) unblocking of application amounts for each application received by the SCSB has been fully completed, and (ii) applicable compensation relating to investor complaints has been paid by the SCSB.

For further details, refer to the General Information Document available on the websites of the Stock Exchanges and the BRLMs. Additionally, if there is any delay in the redressal of investors' complaints, the relevant SCSB as well as the post – Issue BRLMs will be required to compensate the concerned investor.

Bid cum Application Form

Copies of the Bid cum Application Form (other than for Anchor Investors) and the Abridged Prospectus will be available with the Designated Intermediaries at the Bidding Centres, and our Registered and Corporate Office. An electronic copy of the Bid cum Application Form was also available for download on the websites of the Stock Exchanges (www.nseindia.com and www.bseindia.com) one day prior to the Bid/ Issue Opening Date.

Copies of the Anchor Investor Application Form were made available at the offices of the BRLMs.

All Bidders (other than Anchor Investors) were required to mandatorily participate in the Issue only through the ASBA process, which shall include the UPI Mechanism in case of UPI Bidders. Anchor Investors were not permitted to participate in the Issue through the ASBA process.

UPI Bidders were required to provide the valid UPI ID in the relevant space provided in the Bid cum Application Form and the Bid cum Application Forms that did not contain the UPI ID were liable to be rejected.

ASBA Bidders were required to provide either (i) the bank account details and authorisation to block funds in their respective ASBA Accounts, or (ii) the UPI ID, as applicable in the relevant space provided in the ASBA Form. The ASBA Forms that did not contain such details were liable to be rejected.

Since the Issue was made under Phase III of the UPI Circulars, ASBA Bidders were required to submit the ASBA Form in the manner below:

(i) RIBs (other than RIBs using UPI Mechanism) could submit their ASBA Forms with SCSBs (physically or online, as applicable), or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

(ii) UPI Bidders could submit their ASBA Forms with the Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs, or online using the facility of linked online trading, demat and bank account (3 in 1 type accounts), provided by certain brokers.

(iii) QIBs and Non-Institutional Bidders (other than Non-Institutional Bidders using UPI Mechanism) could submit their ASBA Forms with SCSBs, Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs.

The ASBA Bidders, including UPI Bidders, were required to ensure that they had sufficient balance in their bank accounts to be blocked through ASBA for their respective Bid as the application made by a Bidder shall only be processed after the Bid amount is blocked in the ASBA account of the Bidder pursuant to SEBI ICDR Master Circular.

ASBA Bidders were required to ensure that the Bids were made on ASBA Forms bearing the stamp of the Designated Intermediary, submitted at the Bidding Centres only (except in case of electronic ASBA Forms) and the ASBA Forms not bearing such specified stamp were liable to be rejected. UPI Bidders, could submit their ASBA Forms, including details of their UPI IDs, with the Syndicate, sub-syndicate members, Registered Brokers, RTAs or CDPs. RIBs authorising an SCSB to block the Bid Amount in the ASBA Account could submit their ASBA Forms with the SCSBs (except UPI Bidders). ASBA Bidders were required to ensure that the ASBA Account has sufficient credit balance such that an amount equivalent to the full Bid Amount can be blocked by the SCSB or the Sponsor Bank(s), as applicable at the time of submitting the Bid.

Anchor Investors were not permitted to participate in the Issue through the ASBA process. For Anchor Investors, the Anchor Investor Application Form was available with the BRLMs.

The prescribed colour of the Bid cum Application Form for the various categories was as follows:

Category	Colour of Bid cum Application Form*
Resident Indians, including resident QIBs, Non-Institutional Investors, Retail Individual Bidders and Eligible NRIs applying on a non-repatriation basis	White
Non-Residents including Eligible NRIs, their sub-accounts (other than sub-accounts which are foreign corporates or foreign individuals under the QIB Portion), FPIs applying on a repatriation basis(1)	Blue
Anchor Investors(2)	White
Eligible Employees bidding in the Employee Reservation Portion(3)	Pink

**Excluding electronic Bid cum Application Forms*

Notes:

(1) Electronic Bid cum Application forms and the Abridged Prospectus were made available for download on the websites of the Stock Exchanges (www.nseindia.com and www.bseindia.com).

(2) Bid cum Application Forms for Anchor Investors were made available at the offices of the BRLMs.

(3) The Bid Cum Application Forms for Eligible Employees were made available at our Registered Office.

In case of ASBA forms, the relevant Designated Intermediaries (other than SCSBs) were required to submit/deliver the Bid cum Application Form to the respective SCSB, where the Bidder has a bank account and would not submit it to any non-SCSB bank or any Escrow Bank. Further, SCSBs were required to upload the relevant Bid details (including UPI ID in case of ASBA Forms under the UPI Mechanism) in the electronic bidding system of the Stock Exchanges and the Stock Exchanges validate the electronic bids with the records of the CDP for DP ID/Client ID and PAN, on a real time basis and bring inconsistencies to the notice of the relevant Designated Intermediaries, for rectification and re-submission within the time specified by Stock Exchanges. The Stock Exchanges had accepted the ASBA applications in their electronic bidding system only with a mandatory confirmation on application monies blocked. For UPI Bidders, the Stock Exchanges had allowed allow modification of either DP ID/Client ID or PAN ID, bank code and location code in the Bid details already uploaded. The Stock Exchanges had shared share the Bid details (including UPI ID) with the Sponsor Bank(s) on a continuous basis to enable the Sponsor Bank(s) to initiate UPI Mandate Request to UPI Bidders for blocking of funds. For ASBA Forms (other than UPI Bidders) Designated Intermediaries (other than SCSBs) shall submit/ deliver the ASBA Forms to the respective SCSB where the Bidder has an ASBA bank account and were not required to submit it to any non-SCSB bank or any Escrow Collection Bank.

For UPI Bidders, the Stock Exchanges had shared the Bid details (including UPI ID) with the Sponsor Bank(s) on a continuous basis through API integration to enable the Sponsor Bank(s) to initiate UPI Mandate Request to UPI Bidders for blocking of funds. The Sponsor Bank(s) initiated request for blocking of funds through NPCI to UPI Bidders, who had accepted the UPI Mandate Request for blocking of funds on their respective mobile applications associated with UPI ID linked bank account. The NPCI maintained an audit trail for every Bid entered in the Stock Exchanges bidding platform, and the liability to compensate the UPI Bidders in case of failed transactions was with the concerned entity (i.e., the Sponsor Bank(s), NPCI or the Bankers to the Issue) at whose end the lifecycle of the transaction had come to a halt. The NPCI shall share the audit trail of all disputed transactions/ investor complaints to the Sponsor Bank(s) and the issuer bank. The Sponsor Bank(s) and the Bankers to the Issue had to provide the audit trail to the Book Running Lead Managers for analysing the same and fixing liability.

The Sponsor Bank(s) had undertaken a reconciliation of Bid responses received from Stock Exchanges and sent to NPCI and will also ensure that all the responses received from NPCI are sent to the Stock Exchanges platform with detailed error code and description, if any. Further, the Sponsor Bank(s) had undertaken reconciliation of all Bid requests and responses throughout their lifecycle on daily basis and shared reports with the Book Running Lead Managers in the format and within the timelines as specified under the SEBI UPI Circulars. Sponsor Bank(s) and issuer banks downloaded UPI settlement files and raw data files from the NPCI portal after every settlement cycle and did a three-way reconciliation with Banks UPI switch data, CBS data and UPI raw data. NPCI coordinated with issuer banks and Sponsor Bank(s) on a continuous basis.

For ensuring timely information to investors, SCSBs had to send SMS alerts for mandate block and unblock including details specified in SEBI ICDR Master Circular. For all pending UPI Mandate Requests, the Sponsor Bank(s) initiated requests for blocking of funds in the ASBA Accounts of relevant Bidders with a confirmation cut-off time of 5:00 pm IST on the Bid/Issue Closing Date ("**Cut-Off Time**"). Accordingly, UPI Bidders accepted UPI Mandate Requests for blocking off funds prior to the

Cut-Off Time and all pending UPI Mandate Requests at the Cut-Off Time had lapsed. Further, modification/cancellation of Bids (if any) shall be allowed in parallel during the Bid/Issue Period until the Cut-Off Time.

The Sponsor Bank(s) hosted a web portal for intermediaries (closed user group) from the date of Bid/ Issue Opening Date until the date of listing of the Equity Shares with details of statistics of mandate blocks/unblocks, performance of apps and UPI handles, down-time/network latency (if any) across intermediaries and any such processes having an impact/bearing on the Issue Bidding process.

The processing fees for applications made by the UPI Bidders using the UPI Mechanism may be released to the SCSBs only after such SCSBs provide a written confirmation in compliance with the SEBI RTA Master Circular, and SEBI ICDR Master Circular in a format prescribed by SEBI or applicable law.

Pursuant to NSE circular dated August 3, 2022, the following is applicable to all initial public offers opening on or after September 1, 2022:

a. Cut-off time for acceptance of UPI Mandate was up to 5:00 pm on the initial public offer closure date and existing process of UPI bid entry by syndicate members, registrars to the issue and depository participants could continue till further notice.

b. There was no T+1 mismatch modification session for PAN-DP mismatch and bank/ location code on T+1 day for already uploaded bids. The dedicated window provided for mismatch modification on T+1 day could be discontinued.

c. Bid entry and modification/ cancellation (if any) was allowed in parallel to the regular bidding period up to 5:00 pm on the initial public offer closure day.

d. QIBs and Non-Institutional Bidders could neither revise their bids downwards nor cancel/withdraw their bids.

e. The Stock Exchanges were required to display Issue demand details on its website and for UPI bids the demand should include/consider UPI bids only with latest status as RC 100–black request accepted by Investor/ client, based on responses/status received from the Sponsor Bank(s).

Exchanges shall display bid details of only successful ASBA blocked applications i.e. Application with latest status as RC 100 – Block Request Accepted by Investor/ Client.

Electronic registration of Bids

a) The Designated Intermediary could register the Bids using the on-line facilities of the Stock Exchanges. The Designated Intermediaries could also set up facilities for off-line electronic registration of Bids, subject to the condition that they would subsequently upload the off-line data file into the on-line facilities for Book Building on a regular basis before the closure of the Issue, subject to applicable laws.

b) On the Bid/Issue Closing Date, the Designated Intermediaries could upload the Bids until such time as may be permitted by the Stock Exchanges and as disclosed in this Prospectus.

c) Only Bids that were uploaded on the Stock Exchanges Platform are considered for Allotment. The Designated Intermediaries were given until 5:00 pm IST on the Bid/Issue Closing Date to modify select fields uploaded in the Stock Exchange Platform during the Bid/Issue Period after which the Stock Exchange(s) sent the bid information to the Registrar to the Issue for further processing.

Participation by Promoter and Promoter Group of the Company, the BRLMs and the Syndicate Members

The BRLMs and the Syndicate Members were not allowed to purchase Equity Shares in this Issue in any manner, except towards fulfilling their underwriting obligations. However, the associates and affiliates of the BRLMs and the Syndicate Members could Bid for Equity Shares in the Issue, either in the QIB Portion or in the Non-Institutional Portion as may be applicable to such Bidders, where the allocation is on a proportionate basis or in any other manner as introduced under applicable laws and such subscription may be on their own account or on behalf of their clients. All categories of investors, including associates or affiliates of the BRLMs and Syndicate Members, were treated equally for the purpose of allocation on a proportionate basis.

Neither (i) the BRLMs or any associates of the BRLMs (except Mutual Funds sponsored by entities which are associates of the BRLMs or insurance companies promoted by entities which are associate of BRLMs or AIFs sponsored by the entities which are associate of the BRLMs or FPIs other than individuals, corporate bodies and family offices which are associates of the BRLMs) or pension funds sponsored by entities which are associate of the BRLMs nor; (ii) any person related to the Promoter or Promoter Group applied in the Issue under the Anchor Investor Portion.

For the purposes of this section, a QIB who has any of the following rights shall be deemed to be a "person related to the Promoter or Promoter Group": (a) rights under a shareholders' agreement or voting agreement entered into with the Promoter or Promoter Group; (b) veto rights; or (c) right to appoint any nominee director on our Board.

Further, an Anchor Investor was deemed to be an associate of the BRLMs, if: (a) either of them controls, directly or indirectly through its subsidiary or holding company, not less than 15% of the voting rights in the other; or (b) either of them, directly or indirectly, by itself or in combination with other persons, exercises control over the other; or (c) there is a common director, excluding a nominee director, amongst the Anchor Investor and the BRLMs. Further, persons related to our Promoter and Promoter Group shall not apply in the Issue under the Anchor Investor Portion.

The Promoter Group did not participate in the Issue.

Bids by Mutual Funds

With respect to Bids by Mutual Funds, a certified copy of their SEBI registration certificate was required to be lodged along with the Bid cum Application Form. Failing this, our Company in consultation with the Book Running Lead Managers reserved the right to reject any Bid without assigning any reason thereof, subject to applicable law.

Bids made by asset management companies or custodians of Mutual Funds were required to specifically state names of the concerned schemes for which such Bids were made.

In case of a Mutual Fund, a separate Bid could have been made in respect of each scheme of the Mutual Fund registered with SEBI and such Bids in respect of more than one scheme of the Mutual Fund were not treated as multiple Bids provided that the Bids clearly indicated the scheme concerned for which the Bid was made.

No Mutual Fund scheme could invest more than 10% of its NAV in equity shares or equity related instruments of any single company provided that the limit of 10% is not be applicable for investments in case of index funds or sector or industry specific schemes. No Mutual Fund under all its schemes should own more than 10% of any company's paid-up share capital carrying voting rights.

Bids by Eligible Employees

The Bid was required to be for a minimum of 49 Equity Shares and in multiples of 49 Equity Shares thereafter so as to ensure that the Bid Amount payable by the Eligible Employee does not exceed ₹0.50 million (net of Employee Discount). However, the initial allocation to an Eligible Employee in the Employee Reservation Portion shall not exceed ₹0.20 million (net of Employee Discount). Allotment in the Employee Reservation Portion were as detailed in this section "*Issue Procedure*" on page 537.

However, Allotments to Eligible Employees in excess of ₹0.20 million was considered on a proportionate basis, in the event of under-subscription in the Employee Reservation Portion, subject to the total Allotment to an Eligible Employee not exceeding ₹0.50 million (net of Employee Discount). Subsequent under-subscription, if any, in the Employee Reservation Portion shall be added back to the Net Issue. Eligible Employees Bidding in the Employee Reservation Portion could Bid at the Cut-off Price.

Bids under the Employee Reservation Portion by Eligible Employees were required to be:

(i) Made only in the prescribed Bid cum Application Form or Revision Form (i.e. Pink colour form).

(ii) Only Eligible Employees (excluding such other persons not eligible under applicable laws, rules, regulations and guidelines) would be eligible to apply in this Issue under the Employee Reservation Portion.

(iii) In case of joint bids, the Sole Bidder or the First Bidder was to be the Eligible Employee.

(iv) Bids by Eligible Employees could be made at Cut-off Price.

(v) Only those Bids, which are received at or above the Issue Price would be considered for allocation under this portion.

(vi) The Bids were required to be for a minimum of 49 Equity Shares and in multiples of 49 Equity Shares thereafter so as to ensure that the Bid Amount payable by the Eligible Employee subject to a maximum Bid Amount of ₹0.50 million (net of Employee Discount).

(vii) Eligible Employees bidding in the Employee Reservation Portion could Bid through the UPI mechanism.

(viii) If the aggregate demand in this portion is less than or equal to 120,274 Equity Shares at or above the Issue Price, full allocation shall be made to the Eligible Employees to the extent of their demand.

(ix) Bids by Eligible Employees in the Employee Reservation Portion and in the Net Issue portion shall not be treated as multiple Bids. Our Company reserves the right to reject, in its absolute discretion, all or any multiple Bids in any or all categories.

(x) Eligible Employees should mention their employee number at the relevant place in the Bid cum Application Form or Revision Form.

In the event of under-subscription in the Employee Reservation Portion, the unsubscribed portion was made available for allocation and Allotment, proportionately to all Eligible Employees who have Bid in excess of ₹0.20 million, subject to the maximum value of Allotment made to such Eligible Employee not exceeding ₹0.50 million (net of Employee Discount).

If the aggregate demand in this portion is greater than 120,274 Equity Shares at or above the Issue Price, the allocation shall be made on a proportionate basis.

Bids by Eligible NRIs

Eligible NRIs Bidding on non-repatriation basis were advised to use the Bid cum Application Form for residents (White in colour). Only Bids accompanied by payment in Indian Rupees or freely convertible foreign exchange will be considered for Allotment.

Eligible NRIs could obtain copies of Bid cum Application Form from the Designated Intermediaries.

Eligible NRI Bidders bidding on a non-repatriation basis by using Resident Forms were required to authorize their respective SCSB to block their Non-Resident Ordinary ("**NRO**") accounts or confirm or accept the UPI mandate request (in case of UPI Bidders using the UPI Mechanism) for the full Bid Amount, at the time of the submission of the Bid cum Application Form.

Eligible NRIs applying on a non-repatriation basis in the Issue through the UPI Mechanism were advised to enquire with their relevant bank, whether their account is UPI linked, prior to submitting a Bid cum Application Form.

NRIs were permitted to apply in the Issue through Channel I or Channel II (as specified in the UPI Circulars). Further, subject to applicable law, NRIs could use Channel IV (as specified in the UPI Circulars) to apply in the Issue, provided the UPI facility was enabled for their NRE/ NRO accounts.

For further details of restrictions on investment by NRIs, see "*Restrictions on Foreign Ownership of Indian Securities*" on page 557.

Participation of Eligible NRIs in the Issue was subject to the FEMA NDI Rules. Only Bids accompanied by payment in Indian rupees or fully converted foreign exchange were considered for Allotment. By way of Press Note 1 (2021 Series) dated March 19, 2021, issued by the DPIIT, it has been clarified that an investment made by an Indian entity which is owned and controlled by NRIs on a non-repatriation basis, shall not be considered for calculation of indirect foreign investment.

Bids by HUFs

Bids by Hindu Undivided Families or HUFs were required to be made, in the individual name of the *Karta*. The Bidder/Applicant was required to specify that the Bid is being made in the name of the HUF in the Bid cum Application Form/Application Form as follows: "Name of sole or first Bidder/applicant: XYZ Hindu Undivided Family applying through XYZ, where XYZ is the name of the *Karta*". Bids/Applications by HUFs were considered at par with Bids/Applications from individuals.

Bids by FPIs

An FPI may purchase or sell equity shares of an Indian company which is listed or to be listed on a recognised stock exchange in India, and/or may purchase or sell securities other than equity instruments.

FPIs were permitted to participate in the Issue subject to compliance with conditions and restrictions which may be specified by the Government from time to time.

In terms of the SEBI FPI Regulations, the investment in Equity Shares by a single FPI or an investor group (which means multiple entities registered as FPIs and directly or indirectly having common ownership of more than 50% or common control) was required to be below 10% of our total paid-up Equity Share capital on a fully diluted basis. Further, in terms of the FEMA NDI Rules, the total holding by each FPI (or a group) shall be less than 10% of the total paid-up Equity Share capital of our Company on a fully diluted basis and the aggregate limit for FPI investments shall be sectoral caps applicable to our Company, which is 100% of the total paid-up Equity Share capital of our Company on a fully diluted basis.

In terms of the FEMA Non-debt Instruments Rules, for calculating the aggregate holding of FPIs in a company, holding of all registered FPIs shall be included.

In case the total holding of an FPI increases beyond 10% of the total paid-up Equity Share capital, on a fully diluted basis or 10% or more of the paid-up value of any series of debentures or preference shares or share warrants issued that may be issued by our Company, the total investment made by the FPI will be re-classified as FDI subject to the conditions as specified by SEBI and the RBI in this regard and our Company and the investor will be required to comply with applicable reporting requirements.

In case of Bids made by FPIs, a certified copy of the certificate of registration issued under the SEBI FPI Regulations was required to be attached to the Bid cum Application Form. As specified in the General Information Document, it is hereby clarified that bids received from FPIs bearing the same PAN shall be treated as multiple Bids and were liable to be rejected, except for Bids from FPIs that utilize the multiple investment manager structure in accordance with SEBI master circular bearing reference number SEBI/HO/AFD-2/CIR/P/2022/175 dated December 19, 2022 ("**MIM Structure**"), provided such Bids have been made with different beneficiary account numbers, Client IDs and DP IDs. Accordingly, it should be noted that multiple Bids received from FPIs, who do not utilize the MIM Structure, and bear the same PAN, were liable to be rejected. In order to ensure valid Bids, FPIs making multiple Bids using the same PAN, and with different beneficiary account numbers, Client IDs and DP IDs, were required to provide a confirmation along with each of their Bid cum Application Forms that the relevant FPIs making multiple Bids utilize the MIM Structure and indicate the name of their respective investment managers in such confirmation. In the absence of such confirmation from the relevant FPIs, such multiple Bids were liable to be rejected. Further, in the following cases, the bids by FPIs were not considered as multiple Bids: involving (i) the MIM Structure and indicating the name of their respective investment managers in such confirmation; (ii) offshore derivative instruments ("**ODI**") which have obtained separate FPI registration for ODI and proprietary derivative investments; (iii) sub funds or separate class of investors with segregated portfolio who obtain separate FPI registration; (iv) FPI registrations granted at investment strategy level/sub fund level where a collective investment scheme or fund has multiple investment strategies/sub-funds with identifiable differences and managed by a single investment manager; (v) multiple branches in different jurisdictions of foreign bank registered as FPIs; (vi) Government and Government related investors registered as Category 1 FPIs; (vii) Entities registered as Collective Investment Scheme having multiple share classes; (viii) Multiple branches in different jurisdictions of foreign bank registered as FPIs; (ix) Government and Government related investors registered as Category 1 FPIs; and (x) Offshore derivative instruments which have obtained separate FPI registration for ODI and proprietary derivative investments.

To ensure compliance with the above requirement, SEBI, pursuant to its circular dated July 13, 2018, has directed that at the time of finalisation of the Basis of Allotment, the Registrar shall (i) use the PAN issued by the Income Tax Department of India for checking compliance for a single FPI; and (ii) obtain validation from Depositories for the FPIs who have invested in the Issue to ensure there is no breach of the investment limit, within the timelines for issue procedure, as prescribed by SEBI from time to time.

Subject to compliance with all applicable Indian laws, rules, regulations, guidelines and approvals in terms of Regulation 21 of the SEBI FPI Regulations, an FPI, may issue, subscribe to or otherwise deal in offshore derivative instruments (as defined under the SEBI FPI Regulations as any instrument, by whatever name called, which is issued overseas by a FPI against securities held by it in India, as its underlying) directly or indirectly, only in the event (i) such offshore derivative instruments are issued only by persons registered as Category I FPIs; (ii) such offshore derivative instruments are issued only to persons eligible for registration as Category I FPIs; (iii) such offshore derivative instruments are issued after compliance with 'know your client' norms; and (iv) such other conditions as may be specified by SEBI from time to time.

An FPI issuing offshore derivative instruments is also required to ensure that any transfer of offshore derivative instruments issued by or on its behalf, is carried out subject to *inter alia* the following conditions:

(a) such offshore derivative instruments are transferred only to persons in accordance with Regulation 21(1) of the SEBI FPI Regulations; and

(b) prior consent of the FPI is obtained for such transfer, except when the persons to whom the offshore derivative instruments are to be transferred to are pre-approved by the FPI.

Participation of FPIs in the Issue were subject to the FEMA NDI Rules.

Please note that in terms of the General Information Document, the maximum Bid by any Bidder including QIB Bidder should not exceed the investment limits prescribed for them under applicable laws. Further, MIM Bids by an FPI Bidder utilising the MIM Structure were required to be aggregated for determining the permissible maximum Bid. Further, please note that as disclosed in the Draft Red Herring Prospectus read with the General Information Document, Bid Cum Application Forms were liable to be rejected in the event that the Bid in the Bid cum Application Form "*exceeds the Issue size and/or investment limit or maximum number of the Equity Shares that can be held under applicable laws or regulations or maximum amount permissible under applicable laws or regulations, or under the terms of the Red Herring Prospectus*."

For example, an FPI must ensure that any Bid by a single FPI and/ or an investor group (which means the same multiple entities having common ownership directly or indirectly of more than 50% or common control) (collective, the "**FPI Group**") shall be below 10% of the total paid-up Equity Share capital of our Company on a fully diluted basis. Any Bids by FPIs and/ or the FPI Group (including but not limited to (a) FPIs Bidding through the MIM Structure; or (b) FPIs with separate registrations for offshore derivative instruments and proprietary derivative instruments) for 10% or more of our total paid-up post Issue Equity Share capital were liable to be rejected.

Bids under Power of Attorney

In case of Bids made pursuant to a power of attorney or by limited companies, corporate bodies, registered societies, eligible FPIs, AIFs, Mutual Funds, insurance companies, insurance finds set up by the army, navy or air force of India, insurance funds set up by the Department of Posts, India or the National Investment Fund and provident funds with a minimum corpus of ₹ 250 million and pension funds with a minimum corpus of ₹ 250.00 million, registered with the Pension Fund Regulatory and Development Authority established under sub-section (1) of section 3 of the Pension Fund Regulatory and Development Authority Act, 2013 (in each case, subject to applicable law and in accordance with their respective constitutional documents), a certified copy of the power of attorney or the relevant resolution or authority, as the case may be, along with a certified copy of the memorandum of association and articles of association and/or bye laws, were required to be lodged along with the Bid cum Application Form. Failing this, our Company reserved the right to accept or reject any Bid in whole or in part, in either case, without assigning any reasons thereof.

Our Company in consultation with the BRLMs in their absolute discretion, reserve the right to relax the above condition of simultaneous lodging of the power of attorney along with the Bid cum Application Form.

Bids by SEBI registered VCFs, AIFs and FVCIs

The SEBI FVCI Regulations as amended, *inter alia*, prescribe the investment restrictions on VCFs, and FVCIs registered with SEBI. Further, the SEBI AIF Regulations prescribe, amongst others, the investment restrictions on AIFs. Accordingly, the holding in any company by any individual VCF or FVCI registered with SEBI should not exceed 25% of the corpus of the VCF or FVCI. Further, subject to FEMA NDI Rules, VCFs and FVCIs can invest only up to 33.33% of the investible funds in various prescribed instruments, including in public offerings.

Category I AIFs and Category II AIFs could not invest more than 25% of the investible funds in an investee company directly or through investment in the units of other AIF. A Category III AIFs could not invest more than 10% of the investible funds in an investee company directly or through investment in the units of other AIF. A VCF registered as a Category I AIF, as defined in the SEBI AIF Regulations, could not invest more than one-third of its investible funds by way of subscription to an initial public offering of a venture capital undertaking. Pursuant to the repeal of the SEBI VCF Regulations, the VCFs which have not re-registered as an AIF under the SEBI AIF Regulations shall continue to be regulated by the SEBI VCF Regulations until the existing fund or scheme managed by the fund is wound up and such fund shall not launch any new scheme after the notification of the SEBI AIF Regulations. Our Company and the Book Running Lead Managers will not be responsible for loss, if any, incurred by the Bidder on account of conversion of foreign currency.

Participation of VCFs, AIFs or FVCIs in the Issue were subject to the FEMA NDI Rules.

All non-resident investors were required to note that refunds (in case of Anchor Investors), dividends and other distributions, if any, would be required to be payable in Indian Rupees only and net of bank charges and commission.

Bids by Limited Liability Partnerships

In case of Bids made by limited liability partnerships registered under the Limited Liability Partnership Act, 2008, a certified copy of certificate of registration issued under the Limited Liability Partnership Act, 2008, was required to be attached to the Bid cum Application Form. Failing this, our Company in consultation with the BRLMs reserved the right to reject any Bid without assigning any reason thereof.

Bids by banking companies

In case of Bids made by banking companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, and (ii) the approval of such banking company's investment committee was required to be attached to the Bid cum Application Form, failing which our Company in consultation with the BRLMs reserved the right to reject any Bid without assigning any reason.

The investment limit for banking companies in non-financial services companies as per the Banking Regulation Act, 1949, as amended ("**Banking Regulation Act**") and the Master Direction - Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended, is 10% of the paid-up share capital of the investee company, not being its subsidiary engaged in non-financial services, or 10% of the banking company's own paid-up share capital and reserves, whichever is less.

Further, the aggregate investment by a banking company in subsidiaries and other entities engaged in financial and non-financial services company cannot exceed 20% of the bank's paid-up share capital and reserves.

However, a banking company would be permitted to invest in excess of 10% but not exceeding 30% of the paid-up share capital of such investee company, subject to prior approval of the RBI, if (i) the investee company is engaged in non-financial activities permitted for banking companies in terms of Section 6(1) of the Banking Regulation Act; (ii) the additional acquisition is through restructuring of debt, or to protect the banking company's interest on loans/investments made to a company; (iii) hold along with its subsidiaries, associates or joint ventures or entities directly or indirectly controlled by the bank; and mutual funds managed by asset management companies controlled by the bank, more than 20% of the investee company's paid up share capital engaged in non-financial services. However, this cap doesn't apply to the cases mentioned in (i) and (ii) above.

Further, the aggregate investment by a banking company in all its subsidiaries and other entities engaged in financial services and non-financial services, including overseas investments, cannot exceed 20% of the banking company's paid-up share capital and reserves.

The banking company is required to submit a time-bound action plan for disposal of such shares within a specified period to RBI. A banking company would require a prior approval of RBI to make investment in a (i) subsidiary or a financial services company that is not a subsidiary (with certain exceptions prescribed); and (ii) non-financial services company in excess of 10% of such investee company's paid-up share capital as stated in para 5(a)(v)(c)(i) of the Master Direction - Reserve Bank of India (Financial Services provided by Banks) Directions, 2016, as amended.

Bids by SCSBs

SCSBs participating in the Issue are required to comply with the terms of the circulars bearing numbers CIR/CFD/DIL/12/2012 and CIR/CFD/DIL/1/2013 dated September 13, 2012 and January 2, 2013, respectively, issued by SEBI. Such SCSBs were required to ensure that for making applications on their own account using ASBA, they should have a separate account in their own name with any other SEBI registered SCSBs. Further, such account shall be used solely for the purpose of making application in public issues and clear demarcated funds should be available in such account for such applications.

Bids by Insurance Companies

In case of Bids made by insurance companies registered with the IRDAI, a certified copy of certificate of registration issued by IRDAI was required to be attached to the Bid cum Application Form. Failing this, our Company in consultation with the BRLMs reserved the right to reject any Bid without assigning any reason thereof, subject to applicable law.

The exposure norms for insurers are prescribed under the IRDAI (Actuarial, Finance and Investment Functions of Insurers) Regulations, 2024, as amended ("**IRDAI Investment Regulations**"), based on investments in the equity shares of a company, the entire group of the investee company and the industry sector in which the investee company operates.

Insurance companies participating in the Issue were advised to refer to the IRDAI Investment Regulations for specific investment limits applicable to them and shall comply with all applicable regulations, guidelines and circulars issued by IRDAI from time to time.

Bids by Provident Funds/Pension Funds

In case of Bids made by provident funds/pension funds with minimum corpus of ₹ 250 million, registered with the Pension Fund Regulatory and Development Authority established under sub-section (1) of section 3 of the Pension Fund Regulatory and Development Authority Act, 2013, subject to applicable law, a certified copy of a certificate from a chartered accountant certifying the corpus of the provident fund/pension fund were required to be attached to the Bid cum Application Form. Failing this, our Company in consultation with the BRLMs reserved the right to reject any Bid, without assigning any reason thereof.

Bids by Systemically Important Non-Banking Financial Companies

In case of Bids made by Systemically Important Non-Banking Financial Companies registered with RBI, certified copies of: (i) the certificate of registration issued by RBI, (ii) certified copy of its last audited financial statements on a standalone basis, (iii) a net worth certificate from its statutory auditor, and (iv) such other approval as was required by the Systemically Important Non-Banking Financial Companies, were attached to the Bid cum Application Form. Failing this, our Company in consultation with the BRLMs reserved the right to reject any Bid without assigning any reason thereof, subject to applicable law. Systemically Important NBFCs participating in the Issue were required to comply with all applicable regulations, guidelines and circulars issued by RBI from time to time.

The investment limit for Systemically Important NBFCs shall be as prescribed by RBI from time to time.

Bids by Anchor Investors

In accordance with the SEBI ICDR Regulations, in addition to details and conditions mentioned in this section, the key terms for participation by Anchor Investors are provided below:

1. Anchor Investor Application Forms were made available for the Anchor Investor Portion at the offices of the Book Running Lead Managers.

2. The Bid was required to be for a minimum of such number of Equity Shares so that the Bid Amount did not exceed ₹ 100 million. A Bid could not be submitted for over 60% of the QIB Portion. In case of a Mutual Fund, separate Bids by individual schemes of a Mutual Fund will be aggregated to determine the minimum application size of ₹ 100 million.

3. 40% of the Anchor Investor Portion was reserved for (i) 33.33% for domestic Mutual Funds, and (ii) 6.67% for Life Insurance Companies and Pension Funds, subject to valid Bids been received from the domestic Mutual Funds, Life Insurance Companies and Pension Funds, as applicable, at or above the Anchor Investor Allocation Price. In the event of under-subscription in (ii) above, the allocation was made to domestic Mutual Funds.

4. Bidding for Anchor Investors was opened one Working Day before the Bid/Issue Opening Date and will be completed on the same day.

5. Our Company in consultation with the BRLMs finalized allocation to the Anchor Investors on a discretionary basis, provided that the minimum number of Allottees in the Anchor Investor Portion was not less than: (a) minimum of two and maximum of 15 Anchor Investors, where the allocation under the Anchor Investor Portion was up to ₹2,500 million, subject to a minimum Allotment of ₹ 50 million per Anchor Investor; and (c) in case of allocation above ₹2,500 million under the Anchor Investor Portion, a minimum of five such investors and an additional 15 Anchor Investors for every additional ₹ 2,500 million or part thereof, subject to minimum Allotment of ₹ 50 million per Anchor Investor.

6. Allocation to Anchor Investors was completed on the Anchor Investor Bidding Date. The number of Equity Shares allocated to Anchor Investors and the price at which the allocation was made, was made available in the public domain by the Book Running Lead Managers before the Bid/Issue Opening Date, through intimation to the Stock Exchanges.

7. Anchor Investors could not withdraw or lower the size of their Bids at any stage after submission of the Bid.

8. If the Issue Price is greater than the Anchor Investor Allocation Price, the additional amount being the difference between the Issue Price and the Anchor Investor Allocation Price was payable by the Anchor Investors on the Anchor Investor Pay-in Date specified in the CAN. If the Issue Price is lower than the Anchor Investor Allocation Price, Allotment to successful Anchor Investors will be at the higher price, i.e., the Anchor Investor Issue Price.

9. Equity Shares Allotted in the Anchor Investor Portion will be locked in, in accordance with the SEBI ICDR Regulations. 50% Equity Shares allotted to Anchor Investors shall be locked–in for a period of 90 days from the date of Allotment, whereas, the remaining 50% shall be locked-in for a period of 30 days from the date of Allotment.

11. Bids made by QIBs under both the Anchor Investor Portion and the QIB Portion would not be considered multiple Bids.

For more information, please read the General Information Document.

The information set out above is given for the benefit of the Bidders. Our Company and the Book Running Lead Managers are not liable for any amendments or modification or changes to applicable laws or regulations, which may occur after the date of the Red Herring Prospectus and this Prospectus. Bidders were advised to make their independent investigations and ensure that any single Bid from them did not exceed the applicable investment limits or maximum number of the Equity Shares that can be held by them under applicable law or regulations, or as will be specified in the Red Herring Prospectus and this Prospectus.

Information for Bidders

The relevant Designated Intermediary could have entered a maximum of three Bids at different price levels opted in the Bid cum Application Form and such options were not considered as multiple Bids. It was the Bidder's responsibility to obtain the acknowledgment slip from the relevant Designated Intermediary. The registration of the Bid by the Designated Intermediary did not guarantee that the Equity Shares shall be allocated/Allotted. Such Acknowledgement Slip was non-negotiable and by itself did not create any obligation of any kind. When a Bidder revised his or her Bid, he /she shall surrendered the earlier Acknowledgement Slip and could request for a revised acknowledgment slip from the relevant Designated Intermediary as proof of his or her having revised the previous Bid.

In relation to electronic registration of Bids, the permission given by the Stock Exchanges to use their network and software of the electronic bidding system could not in any way be deemed or construed to mean that the compliance with various statutory and other requirements by our Company and/or the Book Running Lead Managers were cleared or approved by the Stock Exchanges; nor did it in any manner warrant, certify or endorse the correctness or completeness of compliance with the statutory and other requirements, nor did it take any responsibility for the financial or other soundness of our Company, the management or any scheme or project of our Company; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of the Red Herring Prospectus and this Prospectus; nor did it warrant that the Equity Shares will be listed or will continue to be listed on the Stock Exchanges.

The Issue was opened after at least three Working Days from the date of filing of the Red Herring Prospectus with the RoC.

RESTRICTIONS ON FOREIGN OWNERSHIP OF INDIAN SECURITIES

Foreign investment in Indian securities is regulated through the Industrial Policy, 1991 of the Government of India and FEMA. While the Industrial Policy, 1991 prescribes the limits and the conditions subject to which foreign investment can be made in different sectors of the Indian economy, FEMA regulates the precise manner in which such investment may be made. Under the Industrial Policy, unless specifically restricted, foreign investment is freely permitted in all sectors of the Indian economy up to any extent and without any prior approvals, but the foreign investor is required to follow certain prescribed procedures for making such investment. The RBI and the concerned ministries/departments are responsible for granting approval for foreign investment.

The Government has from time to time made policy pronouncements on FDI through press notes and press releases. The Department for Promotion of Industry and Internal Trade, Ministry of Commerce and Industry, Government of India (earlier known as Department of Industrial Policy and Promotion) ("**DPIIT**"), issued the FDI Policy, which is in effect from October 15, 2020, which subsumes and supersedes all previous press notes, press releases and clarifications on FDI issued by the DPIIT that were in force and effect prior to October 15, 2020. The FDI Policy will be valid until the DPIIT issues an updated circular. FDI in companies engaged in sectors/ activities which are not listed in the FDI Policy is permitted up to 100% of the paid-up share capital of such company under the automatic route, subject to compliance with certain prescribed conditions. For further details, see "*Key Regulations and Policies in India*" on page 219.

Currently, 100% FDI is permitted under the automatic route in the companies which are engaged in construction-development projects (including development of townships, construction of residential / commercial premises, roads or bridges, hotels, resorts, hospitals, educational institutions, recreational facilities, city and regional level infrastructure and townships) and industrial parks, subject to compliance with prescribed conditions. The conditions prescribed are as follows:

- Each phase of the construction development project would be considered as a separate project;
- The investor will be permitted to exit on completion of the project or after development of trunk infrastructure i.e. roads, water supply, street lighting, drainage and sewerage. However, a person resident outside India will be permitted to exit and repatriate foreign investment before the completion of project under automatic route, provided that a lock-in-period of three years, calculated with reference to each tranche of foreign investment has been completed. Further, transfer of stake from a person resident outside India to another person resident outside India, without repatriation of foreign investment will neither be subject to any lock-in period nor to any government approval;
- The project shall conform to the norms and standards, including land use requirements and provision of community amenities and common facilities, as laid down in the applicable building control regulations, bye-laws, rules, and other regulations of the State Government or Municipal or Local Body concerned;
- The Indian investee company will be permitted to sell only developed plots, i.e. plots where trunk infrastructure i.e. roads, water supply, street lighting, drainage and sewerage, have been made available;

d. consolidate and divide all or any of its share capital into shares of larger amount than its existing shares; provided that any consolidation and division which results in changes in the voting percentage of Members shall require applicable approvals under the Act; and

e. convert all or any of its fully paid-up shares into stock, and reconvert that stock into fully paid-up shares of any denomination.

8. FURTHER ISSUE OF SHARES

8.1 Where at any time the Board or the Company, as the case may be, propose to increase the subscribed capital by the issue of further shares then such shares shall be offered, subject to the provisions of section 62 of the Act, and the rules made thereunder:

i. to the persons who at the date of the offer are holders of the Equity Shares of the Company, in proportion as nearly as circumstances admit, to the paid-up share capital on those shares by sending a letter of offer subject to the conditions mentioned in (ii) to (iv) below;

ii. The offer aforesaid shall be made by notice specifying the number of shares offered and limiting a time not being less than fifteen days (or such lesser number of days as may be prescribed under applicable law) and not exceeding thirty days from the date of the offer, within which the offer if not accepted, shall be deemed to have been declined.

Provided that the notice shall be dispatched through registered post or speed post or through electronic mode or courier or any other mode having proof of delivery to all the existing shareholders at least three days before the opening of the issue;

iii. The offer aforesaid shall be deemed to include a right exercisable by the person concerned to renounce the shares offered to him or any of them in favour of any other person and the notice referred to in sub-clause (ii) shall contain a statement of this right;

iv. After the expiry of time specified in the notice aforesaid or on receipt of earlier intimation from the person to whom such notice is given that the person declines to accept the shares offered, the Board of Directors may dispose of them in such manner which is not disadvantageous to the Members and the Company;

a. to employees under any scheme of employees' stock option subject to Special Resolution passed by the shareholders of the Company and subject to the rules and such other conditions, as may be prescribed under applicable law; or

b. to any person(s), if it is authorised by a Special Resolution, whether or not those persons include the persons referred to in Article 8.1 (a) or Article 8.1 (b) above either for cash or for a consideration other than cash, if the price of such shares is determined by the valuation report of a registered valuer subject to such conditions as may be prescribed under the Act and the rules made thereunder; provided that in respect of issue of shares as aforesaid, subsequent to listing of the equity shares of the Company on the Exchange(s) pursuant to the IPO, the price of the shares shall be determined in accordance with applicable provisions of regulations made by Securities and Exchange Board of India and/or other applicable laws and the requirement for determination of price through valuation report of a registered valuer under the Act and the rules made thereunder shall not be applicable unless otherwise required under the provisions of Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018.

8.2 Nothing in Article 8.1(a)(iii) shall be deemed:

a. To extend the time within which the offer should be accepted; or

b. To authorize any person to exercise the right of renunciation for a second time on the ground that the person in whose favour the renunciation was first made has declined to take the shares comprised in the renunciation.

8.3 Nothing in this Article shall apply to the increase of the subscribed capital of the Company caused by the exercise of an option as a term attached to the debentures issued or loans raised by the Company to convert such debentures or loans into shares in the Company or to subscribe for shares of the Company

Provided that the terms of issue of such debentures or loans containing such an option have been approved before the issue of such debentures or the raising of such loans by a Special Resolution passed by the Company in a General Meeting.

8.4 Notwithstanding anything contained in Article 8.3 hereof, where any debentures have been issued, or loan has been obtained from any government by the Company, and if that government considers it necessary in the public interest so to do, it may, by order, direct that such debentures or loans or any part thereof shall be converted into shares in the Company on such terms and conditions as appear to the Government to be reasonable in the circumstances of the case even if terms of the issue of such debentures or the raising of such loans do not include a term for providing for an option for such conversion:

Provided that where the terms and conditions of such conversion are not acceptable to the Company, it may, within sixty days from the date of communication of such order, appeal to National Company Law Tribunal which shall after hearing the Company and the Government pass such order as it deems fit.

A further issue of shares may be made in any manner whatsoever as the Board may determine including by way of preferential offer or private placement, subject to and in accordance with the Act and the rules made thereunder.

9. RIGHT TO CONVERT DEBENTURES AND LOANS INTO CAPITAL

Notwithstanding anything contained in sub-clauses(s) of Article 8 above, but subject, however, to the provisions of the Act, the Company may increase its subscribed capital on exercise of an option attached to the debentures or loans raised by the Company to convert such debentures or loans into shares or to subscribe for shares in the Company.

10. ALLOTMENT ON APPLICATION TO BE ACCEPTANCE OF SHARES

Any application signed by or on behalf of an applicant for shares in the Company followed by an allotment of any shares therein, shall be an acceptance of shares within the meaning of these Articles, and every person who thus or otherwise accepts any shares and whose name is on the Register of Members, shall, for the purpose of these Articles, be a Member.

11. RETURN ON ALLOTMENTS TO BE MADE OR RESTRICTIONS ON ALLOTMENT

The Board shall observe the restrictions as regards allotment of shares to the public contained in the Act, and as regards return on allotments, the Directors shall comply with applicable provisions of the Act.

12. MONEY DUE ON SHARES TO BE A DEBT TO THE COMPANY

The money (if any) which the Board shall, on the allotment of any shares being made by them, require or direct to be paid by way of deposit, call or otherwise in respect of any shares allotted by them, shall immediately on the inscription of the name of allottee in the Register as the name of the holder of such shares, become a debt due to and recoverable by the Company from the allottee thereof, and shall be paid by him accordingly.

13. INSTALLMENTS ON SHARES

If, by the conditions of allotment of any shares, whole or part of the amount or issue price thereof shall be payable by installments, every such installment shall, when due, be paid to the Company by the person who, for the time being and from time to time, shall be the registered holder of the share or his legal representative.

14. MEMBERS OR HEIRS TO PAY UNPAID AMOUNTS

Every Member or his heirs, executors or administrators shall pay to the Company the portion of the capital represented by his share or shares which may, for the time being remain unpaid thereon, in such amounts, at such time or times and in such manner, as the Board shall from time to time, in accordance with these Articles require or fix for the payment thereof.

15. VARIATION OF SHAREHOLDERS' RIGHTS

a. If at any time the share capital of the Company is divided into different classes of shares, the rights attached to the shares of any class (unless otherwise provided by the terms of issue of the shares of that class) may, subject to provisions of the Act and whether or not the Company is being wound up, be varied with the

consent in writing of the holders of not less than three-fourth of the issued shares of that class or with the sanction of a Special Resolution passed at a separate meeting of the holders of the issued shares of that class, as prescribed by the Act.

b. Subject to the provisions of the Act, to every such separate meeting, the provisions of these Articles relating to meeting shall *mutatis mutandis* apply.

16. PREFERENCE SHARES

a. **Redeemable Preference Shares**

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have the power to issue on a cumulative or non-cumulative basis, preference shares liable to be redeemed in any manner permissible under the Act, and the Directors may, subject to the applicable provisions of the Act, exercise such power in any manner as they deem fit and provide for redemption of such shares on such terms including the right to redeem at a premium or otherwise as they deem fit.

b. **Convertible Redeemable Preference Shares**

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have power to issue on a cumulative or non-cumulative basis convertible redeemable preference shares liable to be redeemed in any manner permissible under the Act and the Directors may, subject to the applicable provisions of the Act, exercise such power as they deem fit and provide for redemption at a premium or otherwise and/or conversion of such shares into such securities on such terms as they may deem fit.

c. **Compulsorily Convertible Preference Shares**

The Company, subject to the applicable provisions of the Act and the consent of the Board, shall have power to issue on a cumulative or non-cumulative basis compulsorily convertible preference shares, subject to the applicable provisions of the Act, exercise such power as they deem fit and provide for conversion of such shares into such securities on such terms as they may deem fit.

17. PAYMENTS OF INTEREST OUT OF CAPITAL

The Company shall have the power to pay interest out of its capital on so much of the shares which have been issued for the purpose of raising money to defray the expenses of the construction of any work or building for the Company in accordance with the Act.

18. COMPROMISE, ARRANGEMENTS AND AMALGAMATIONS

Subject to the applicable provisions of the Act, the Company is empowered to enter into any Schemes of Arrangement or compromises with its creditors and/or members of the Company and/or any class of such creditors or members, including but not limited to hive-off or demerger of any of its business or units and also to amalgamate or cause itself to be amalgamated with any other person, firm or body corporate.

SHARE CERTIFICATES

19. ISSUE OF SHARE CERTIFICATE

Every Member shall be entitled, without payment, to one share certificate for all the shares of each class or denomination registered in his name, or if the Directors so approve (upon paying such fee as the Directors so determine) to several share certificates, each for one or more of such shares and the Company shall complete and have ready for delivery such share certificates, unless prohibited by any provision of law or any order of court, tribunal or other authority having jurisdiction, within two (2) months from the date of allotment, or within one (1) month of the receipt of application of registration of transfer, transmission, sub division, consolidation or renewal of any of its shares as the case maybe or within a period of six (6) months from the date of allotment in the case of any allotment of debenture. In respect of any share or shares held jointly by several persons, the Company shall not be bound to issue more than one share certificate, and delivery of a share certificate for a share to one of several joint holders shall be sufficient delivery to all such joint holders.

New share certificates shall also be issued in the event of consolidation or sub-division of shares of the Company. Every such share certificate shall be issued in the manner prescribed under Section 46 of the Act and the rules framed thereunder.

Particulars of every share certificate issued shall be entered in the register of members against the name of the person, to whom it has been issued, indicating the date of issue. Every share certificate shall specify the shares to which it relates and the amount paid-up thereon and shall be signed by two Directors or by a Director and the company secretary, wherever the Company has appointed a company secretary.

20. RULES TO ISSUE SHARE CERTIFICATES

The Act shall be complied with in respect of the issue, reissue, renewal of share certificates and the format and signing of the share certificates and records of the share certificates issued shall be maintained in accordance with the said Act.

21. ISSUE OF NEW SHARE CERTIFICATE IN PLACE OF ONE DEFACED, LOST OR DESTROYED

If any share certificate be worn out, defaced, mutilated or torn or if there be no further space on the back thereof for endorsement of transfer, then upon production and surrender thereof to the Company, a new share certificate may be issued in lieu thereof, and if any share certificate is lost or destroyed then upon proof thereof to the satisfaction of the Company and on execution of such indemnity as the Company deem adequate, being given, a new share certificate in lieu thereof shall be given to the party entitled to such lost or destroyed share certificate. Every share certificate under the Article shall be issued upon on payment of INR 20 for each share certificate.

Provided that notwithstanding what is stated above, the Directors shall comply with such rules or regulation or requirements of any Exchanges or the rules made under the Act or the rules made under Securities Contracts (Regulation) Act, 1956 or any other act or rules applicable in this behalf. The provision of this Article shall *mutatis mutandis* apply to debentures of the Company.

UNDERWRITING & BROKERAGE

22. COMMISSION FOR PLACING SHARES, DEBENTURES, ETC.

a. Subject to the provisions of the Act and other applicable laws, the Company may at any time pay a commission to any person for subscribing or agreeing to subscribe (whether absolutely or conditionally) to any shares or debentures of the Company or underwriting or procuring or agreeing to procure subscriptions (whether absolute or conditional) for shares or debentures of the Company and provisions of the Act shall apply.

b. The Company may also, in any issue, pay such brokerage as may be lawful.

c. The commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in the one way and partly in the other.

LIEN

23. COMPANY'S LIEN ON SHARES / DEBENTURES

The Company shall subject to applicable law have a first and paramount lien:

(a) on every share / debenture (not being a fully paid share / debenture) registered in the name of each Member (whether solely or jointly with others) and upon the proceeds of sale thereof for all moneys (whether presently payable or not) called, or payable at a fixed time, in respect of that share / debenture and no equitable interest in any share shall be created upon the footing and condition that this Article will have full effect; and

(b) on all shares/debentures (not being fully paid shares) standing registered in the name of a single person, for all monies presently payable by him or his estate to the Company. Unless otherwise agreed, the registration of transfer of shares / debentures shall operate as a waiver of the Company's lien, if any, on such shares / debentures.

Provided that the Board may at any time declare any share/ debenture to be wholly or in part to be exempt from the provisions of this Article.

The company's lien, if any, on a share shall extend to all dividends payable and bonuses declared from time to time in respect of such shares.

The fully paid up shares shall be free from all lien and in the case of partly paid up shares the Company's lien shall be restricted to moneys called or payable at a fixed time in respect of such shares.

24. LIEN TO EXTEND TO DIVIDENDS, ETC.

The Company's lien, if any, on a share shall extend to all dividends or interest, as the case may be, payable and bonuses declared from time to time in respect of such shares / debentures.

25. ENFORCING LIEN BY SALE

The Company may sell, in such manner as the Board thinks fit, any shares on which the Company has a lien:

Provided that no sale shall be made—

a. unless a sum in respect of which the lien exists is presently payable; or

b. until the expiration of fourteen (14) days' after a notice in writing stating and demanding payment of such part of the amount in respect of which the lien exists as is presently payable, has been given to the registered holder for the time being of the share or to the person entitled thereto by reason of his death or insolvency or otherwise.

No Member shall exercise any voting right in respect of any shares registered in his name on which any calls or other sums presently payable by him have not been paid, or in regard to which the Company has exercised any right of lien.

26. VALIDITY OF SALE

To give effect to any such sale, the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares comprised in any such transfer. The purchaser shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings with reference to the sale.

27. VALIDITY OF COMPANY'S RECEIPT

The receipt of the Company for the consideration (if any) given for the share on the sale thereof shall (if necessary, to execution of an instrument of transfer or a transfer by relevant system, as the case maybe) constitute a good title to the share and the purchaser shall be registered as the holder of the share.

28. APPLICATION OF SALE PROCEEDS

The proceeds of any such sale shall be received by the Company and applied in payment of such part of the amount in respect of which the lien exists as is presently payable and the residue, if any, shall (subject to a like lien for sums not presently payable as existed upon the Shares before the sale) be paid to the person entitled to the shares at the date of the sale.

29. OUTSIDER'S LIEN NOT TO AFFECT COMPANY'S LIEN

In exercising its lien, the Company shall be entitled to treat the registered holder of any share as the absolute owner thereof and accordingly shall not (except as ordered by a court of competent jurisdiction or unless required by law) be bound to recognize any equitable or other claim to, or interest in, such share on the part of any other person, whether a creditor of the registered holder or otherwise. The Company's lien shall prevail notwithstanding that it has received notice of any such claim.

30. PROVISIONS AS TO LIEN TO APPLY MUTATIS MUTANDIS TO DEBENTURES, ETC.

The provisions of these Articles relating to lien shall *mutatis mutandis* apply to any other securities, including debentures, of the Company.

CALLS ON SHARES

31. BOARD TO HAVE RIGHT TO MAKE CALLS ON SHARES

The Board may subject to the provisions of the Act and any other applicable law, from time to time, make such call as it thinks fit upon the Members in respect of all moneys unpaid on the shares (whether on account of the nominal value of the shares or by premium) and not by the conditions of allotment thereof made payable at fixed times. Provided that no call shall exceed one-fourth of the nominal value of the share or be payable at less than one month from the date fixed for the payment of the last preceding call. A call may be revoked or postponed at the discretion of the Board.

The power to call on shares shall not be delegated to any other person except with the approval of the shareholders' in a General Meeting.

32. NOTICE FOR CALL

Each Member shall, subject to receiving at least fourteen (14) days' notice specifying the time or times and place of payment, pay to the Company, at the time or times and place so specified, the amount called on his shares.

The Board may, from time to time, at its discretion, extend the time fixed for the payment of any call in respect of one or more Members as the Board may deem appropriate in any circumstances.

33. CALL WHEN MADE

The Board of Directors may, when making a call by resolution, determine the date on which such call shall be deemed to have been made, not being earlier than the date of resolution making such call, and thereupon the call shall be deemed to have been made on the date so determined and if no such date is so determined a call shall be deemed to have been made at the date when the resolution authorizing such call was passed at the meeting of the Board and may be required to be paid in installments.

34. LIABILITY OF JOINT HOLDERS FOR A CALL

The joint holders of a share shall be jointly and severally liable to pay all calls in respect thereof.

35. CALLS TO CARRY INTEREST

If a Member fails to pay any call due from him on the day appointed for payment thereof, or any such extension thereof as aforesaid, he shall be liable to pay interest on the same from the day appointed for the payment thereof to the time of actual payment at the rate of ten percent or such other lower rate as shall from time to time be fixed by the Board but nothing in this Article shall render it obligatory for the Board to demand or recover any interest from any such Member. The Board shall be at liberty to waive payment of any such interest wholly or in part.

36. DUES DEEMED TO BE CALLS

Any sum which by the terms of issue of a share becomes payable on allotment or at any fixed date, whether on account of the nominal value of the share or by way of premium, shall, for the purposes of these Articles, be deemed to be a call duly made and payable on the date on which by the terms of issue such sum becomes payable.

37. EFFECT OF NON-PAYMENT OF SUMS

In case of non-payment of such sum, all the relevant provisions of these Articles as to payment of interest and expenses, forfeiture or otherwise shall apply as if such sum had become payable by virtue of a call duly made and notified.

38. PAYMENT IN ANTICIPATION OF CALL MAY CARRY INTEREST

The Board –

(a) may, if it thinks fit, receive from any Member willing to advance the same, all or any part of the monies uncalled and unpaid upon any shares held by him; and

(b) upon all or any of the monies so advanced, may (until the same would, but for such advance, become presently payable) pay interest at such rate as may be agreed upon between the Board and the Member paying the sum in advance. Nothing contained in this Article shall confer on the Member (i) any right to participate in profits or dividends; or (ii) any voting rights in respect of the moneys so paid by him, until the same would, but for such payment, become presently payable by him.

39. PROVISIONS AS TO CALLS TO APPLY MUTATIS MUTANDIS TO DEBENTURES, ETC.

The provisions of these Articles relating to calls shall *mutatis mutandis* apply to any other securities, including debentures, of the Company.

FORFEITURE OF SHARES

40. BOARD TO HAVE A RIGHT TO FORFEIT SHARES

If a Member fails to pay any call, or installment of a call or any money due in respect of any share, on the day appointed for payment thereof, the Board may, at any time thereafter during such time as any part of the call or installment remains unpaid or a judgment or decree in respect thereof remains unsatisfied in whole or in part, serve a notice on him requiring payment of so much of the call or installment or other money as is unpaid, together with any interest which may have accrued and all expenses that may have been incurred by the Company by reason of non-payment.

41. NOTICE FOR FORFEITURE OF SHARES

The notice aforesaid shall:

(a) name a further day (not being earlier than the expiry of fourteen days from the date of services of the notice) on or before which the payment required by the notice is to be made; and

(b) state that, in the event of non-payment on or before the day so named, the shares in respect of which the call was made shall be liable to be forfeited.

If the requirements of any such notice as aforesaid are not complied with, any share in respect of which the notice has been given may, at any time thereafter, before the payment required by the notice has been made, be forfeited by a resolution of the Board to that effect.

42. RECEIPT OF PART AMOUNT OR GRANT OF INDULGENCE NOT TO AFFECT FORFEITURE

Neither a judgment nor a decree in favour of the Company for calls or other moneys due in respect of any shares nor any part payment or satisfaction thereof nor the receipt by the Company of a portion of any money which shall from time to time be due from any Member in respect of any shares either by way of principal or interest nor any indulgence granted by the Company in respect of payment of any such money shall preclude the forfeiture of such shares as herein provided. There shall be no forfeiture of unclaimed dividends before the claim becomes barred by law.

43. FORFEITED SHARE TO BE THE PROPERTY OF THE COMPANY

Any share forfeited in accordance with these Articles, shall be deemed to be the property of the Company and may be sold, re-allocated or otherwise disposed of either to the original holder thereof or to any other person upon such terms and in such manner as the Board thinks fit.

44. ENTRY OF FORFEITURE IN REGISTER OF MEMBERS

When any share shall have been so forfeited, notice of the forfeiture shall be given to the defaulting Member and any entry of the forfeiture with the date thereof, shall forthwith be made in the Register of Members but no forfeiture shall be invalidated by any omission or neglect or any failure to give such notice or make such entry as aforesaid.

45. MEMBER TO BE LIABLE EVEN AFTER FORFEITURE

A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares, but shall, notwithstanding the forfeiture, remain liable to pay, and shall pay, to the Company all monies which, at the date of forfeiture, were presently payable by him to the Company in respect of the shares. All such monies payable shall be paid together with interest thereon at such rate as the Board may determine, from the time of forfeiture until payment or realization. The Board may, if it thinks fit, but without being under any obligation to do so, enforce the payment of the whole or any portion of the monies due, without any allowance for the value of the shares at the time of forfeiture or waive payment in whole or in part. The liability of such person shall cease if and when the Company shall have received payment in full of all such monies in respect of the shares.

46. EFFECT OF FORFEITURE

The forfeiture of a share shall involve extinction at the time of forfeiture, of all interest in and all claims and demands against the Company, in respect of the share and all other rights incidental to the share, except only such of those rights as by these Articles expressly saved.

47. CERTIFICATE OF FORFEITURE

A duly verified declaration in writing that the declarant is a Director, the manager or the secretary of the Company, and that a share in the Company has been duly forfeited on a date stated in the declaration, shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share.

48. TITLE OF PURCHASER AND TRANSFEREE OF FORFEITED SHARES

The Company may receive the consideration, if any, given for the share on any sale, re-allotment or disposal thereof and may execute a transfer of the share in favour of the person to whom the share is sold or disposed of. The transferee shall thereupon be registered as the holder of the share and the transferee shall not be bound to see to the application of the purchase money, if any, nor shall his title to the share be affected by any irregularity or invalidity in the proceedings in reference to the forfeiture, sale, re-allotment or disposal of the share.

49. VALIDITY OF SALES

Upon any sale after forfeiture or for enforcing a lien in exercise of the powers hereinabove given, the Board may, if necessary, appoint some person to execute an instrument for transfer of the shares sold and cause the purchaser's name to be entered in the Register of Members in respect of the shares sold and after his name has been entered in the Register of Members in respect of such shares the validity of the sale shall not be impeached by any person.

50. CANCELLATION OF SHARE CERTIFICATE IN RESPECT OF FORFEITED SHARES

Upon any sale, re-allotment or other disposal under the provisions of the preceding Articles, the share certificate(s), if any, originally issued in respect of the relative shares shall (unless the same shall on demand by the Company has been previously surrendered to it by the defaulting Member) stand cancelled and become null and void and be of no effect, and the Board shall be entitled to issue duplicate share certificate(s) in respect of the said shares to the person(s) entitled thereto.

51. BOARD ENTITLED TO CANCEL FORFEITURE

The Board may at any time before any share so forfeited shall have been sold, reallotted or otherwise disposed of, cancel the forfeiture thereof upon such conditions at it thinks fit.

52. SURRENDER OF SHARE CERTIFICATES

The Board may, subject to the provisions of the Act, accept a surrender of any share from or by any Member desirous of surrendering them on such terms as they think fit.

53. SUMS DEEMED TO BE CALLS

The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

54. PROVISIONS AS TO FORFEITURE OF SHARES TO APPLY MUTATIS MUTANDIS TO DEBENTURES, ETC.

The provisions of these Articles relating to forfeiture of shares shall *mutatis mutandis* apply to any other securities, including debentures, of the Company.

TRANSFER AND TRANSMISSION OF SHARES

55. REGISTER OF TRANSFERS

The Company shall keep a "Register of Transfers" and therein shall be fairly and distinctly entered particulars of every transfer or transmission of any shares. The Company shall also use a common form of transfer, as prescribed under the Act and rules notified thereunder and as per applicable requirements specified by the Exchanges.

56. ENDORSEMENT OF TRANSFER

In respect of any transfer of shares registered in accordance with the provisions of these Articles, the Board may, at its discretion, direct an endorsement of the transfer and the name of the transferee and other particulars on the existing share certificate and authorize any Director or Officer of the Company to authenticate such endorsement on behalf of

the Company or direct the issue of a fresh share certificate, in lieu of and in cancellation of the existing share certificate in the name of the transferee.

57. INSTRUMENT OF TRANSFER

(a) The instrument of transfer of any share shall be in writing and all the provisions of the Act, and of any statutory modification thereof for the time being shall be duly complied with in respect of all transfer of shares and registration thereof. The Company shall use the form of transfer, as prescribed under the Act, in all cases. In case of transfer of shares, where the Company has not issued any share certificates and where the shares are held in dematerialized form, the provisions of the Depositories Act, 1996 shall apply.

(b) The Board may decline to recognize any instrument of transfer unless-

(i) the instrument of transfer is in the form prescribed under the Act;

(ii) the instrument of transfer is accompanied by the certificate of shares to which it relates, and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer; and

(iii) the instrument of transfer is in respect of only one class of shares.

(c) No fee shall be charged for registration of transfer, transmission, probate, succession certificate and letters of administration, certificate of death or marriage, power of attorney or similar other document.

58. EXECUTION OF TRANSFER INSTRUMENT

Every such instrument of transfer shall be executed, both by or on behalf of both the transferor and the transferee and the transferor shall be deemed to remain holder of the shares until the name of the transferee is entered in the Register of Members in respect thereof.

59. CLOSING REGISTER OF TRANSFERS AND OF MEMBERS

Subject to compliance with the Act and other applicable law, the Board shall be empowered, on giving not less than seven (7) days' notice or such period as may be prescribed, to close the transfer books, Register of Members, the register of debenture holders at such time or times, and for such period or periods, not exceeding thirty (30) days at a time and not exceeding an aggregate forty five (45) days in each year as it may seem expedient.

60. DIRECTORS MAY REFUSE TO REGISTER TRANSFER

Subject to the provisions of these Articles and other applicable provisions of the Act or any other applicable law for the time being in force, the Board may (at its own absolute and uncontrolled discretion) decline or refuse by giving reasons, whether in pursuance of any power of the Company under these Articles or otherwise, to register or acknowledge any transfer of, or the transmission by operation of law of the right to, any securities or interest of a Member in the Company, after providing sufficient cause, within a period of thirty days from the date on which the instrument of transfer, or the intimation of such transmission, as the case may be, was delivered to the Company. Provided that the registration of transfer of any securities shall not be refused on the ground of the transferor being alone or jointly with any other person or persons, indebted to the Company on any account whatsoever except where the Company has a lien on shares. Transfer of shares/debentures in whatever lot shall not be refused.

61. TRANSFER OF PARTLY PAID SHARES

Where in the case of partly paid shares, an application for registration is made by the transferor alone, the transfer shall not be registered, unless the Company gives the notice of the application to the transferee in accordance with the provisions of the Act and the transferee gives no objection to the transfer within the time period prescribed under the Act.

62. TITLE TO SHARES OF DECEASED MEMBERS

The executors or administrators or the holders of a succession certificate issued in respect of the shares of a deceased Member and not being one of several joint holders shall be the only person whom the Company shall recognize as having any title to the shares registered in the name of such Members and in case of the death of one or more of the joint holders of any registered share, the survivor or survivors shall be entitled to the title or interest in such shares but nothing herein contained shall be taken to release the estate of a deceased joint holder from any liability on shares held by him jointly with any other person. Provided nevertheless that in case the Directors, in their absolute discretion think fit, it shall be lawful for the Directors to dispense with the production of a probate or letters of administration or a

succession certificate or such other legal representation upon such terms (if any) (as to indemnify or otherwise) as the Directors may consider necessary or desirable.

63. TRANSFERS NOT PERMITTED

No share shall in any circumstances be transferred to any minor insolvent or a person of unsound mind, except fully paid shares through a legal guardian.

64. TRANSMISSION OF SHARES

Subject to the provisions of the Act and these Articles, any person becoming entitled to shares in consequence of the death, lunacy, bankruptcy or insolvency of any Members, or by any lawful means other than by a transfer in accordance with these Articles, may with the consent of the Board (which it shall not be under any obligation to give), upon producing such evidence as the Board thinks sufficient, that he sustains the character in respect of which he proposes to act under this Article, or of his title, elect to either be registered himself as holder of the shares or elect to have some person nominated by him and approved by the Board, registered as such holder or to make such transfer of the share as the deceased or insolvent Member could have made. If the person so becoming entitled shall elect to be registered as holder of the share himself, he shall deliver or send to the Company a notice in writing signed by him stating that he so elects. Provided, nevertheless, if such person shall elect to have his nominee registered, he shall testify that election by executing in favour of his nominee an instrument of transfer in accordance with the provision herein contained and until he does so he shall not be freed from any liability in respect of the shares. Further, all limitations, restrictions and provisions of these regulations relating to the right to transfer and the registration of transfer of shares shall be applicable to any such notice or transfer as aforesaid as if the death or insolvency of the Member had not occurred and the notice or transfer were a transfer signed by that Member.

65. RIGHTS ON TRANSMISSION

A person becoming entitled to a share by transmission shall, reason of the death or insolvency of the holder shall, subject to the Directors' right to retain such dividends or money, be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share, except that he shall not, before being registered as a Member in respect of the share, be entitled in respect of it to exercise any right conferred by membership in relation to meetings of the Company.

Provided that the Board may at any time give a notice requiring any such person to elect either to be registered himself or to transfer the share and if the notice is not complied with within ninety (90) days, the Board may thereafter withhold payment of all dividends, bonus or other moneys payable in respect of such share, until the requirements of notice have been complied with.

66. SHARE CERTIFICATES TO BE SURRENDERED

Before the registration of a transfer, the certificate or certificates of the share or shares to be transferred must be delivered to the Company along with (save as provided in the Act) properly stamped and executed instrument of transfer.

67. COMPANY NOT LIABLE TO NOTICE OF EQUITABLE RIGHTS

The Company shall incur no liability or responsibility whatever in consequence of its registering or giving effect to any transfer of shares made or purporting to be made by any apparent legal owner thereof (as shown or appearing in the Register) to the prejudice of persons having or claiming any equitable rights, title or interest in the said shares, notwithstanding that the Company may have had notice of such equitable rights referred thereto in any books of the Company and the Company shall not be bound by or required to regard or attend to or give effect to any notice which may be given to it of any equitable rights, title or interest or be under any liability whatsoever for refusing or neglecting to do so, though it may have been entered or referred to in some book of the Company but the Company shall nevertheless be at liberty to regard and attend to any such notice and give effect thereto if the Board shall so think fit.

68. TRANSFER AND TRANSMISSION OF DEBENTURES

The provisions of these Articles, shall, *mutatis mutandis*, apply to the transfer of or the transmission by law of the right to any securities including, debentures of the Company.

ALTERATION OF CAPITAL

69. RIGHTS TO ISSUE SHARE WARRANTS

The Company may issue share warrants subject to, and in accordance with provisions of the Act. The Board may, in its discretion, with respect to any share which is fully paid up on application in writing signed by the person registered as holder of the share, and authenticated by such evidence (if any) as the Board may from time to time require as to the identity of the person signing the application, and the amount of the stamp duty on the warrant and such fee as the Board may from time to time require having been paid, issue a warrant.

70. BOARD TO MAKE RULES

The Board may, from time to time, make rules as to the terms on which it shall think fit, a new share warrant or coupon may be issued by way of renewal in case of defacement, loss or destruction.

71. SHARES MAY BE CONVERTED INTO STOCK

Where shares are converted into stock:

a. the holders of stock may transfer the same or any part thereof in the same manner as, and subject to the same Articles under which, the shares from which the stock arose might before the conversion have been transferred, or as near thereto as circumstances admit:

   Provided that the Board may, from time to time, fix the minimum amount of stock transferable, so, however, that such minimum shall not exceed the nominal amount of the shares from which the stock arose;

b. the holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages as regards dividends, voting at meetings of the Company, and other matters, as if they held the shares from which the stock arose; but no such privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that privilege or advantage;

c. such of the Articles of the Company as are applicable to paid-up shares shall apply to stock and the words "share" and "shareholder"/"Member" shall include "stock" and "stock-holder" respectively.

72. REDUCTION OF CAPITAL

The Company may, by a Special Resolution as prescribed by the Act, reduce in any manner and in accordance with the provisions of the Act—

a. its share capital; and/or

b. any capital redemption reserve account; and/or

c. any share premium account

and in particular without prejudice to the generality of the foregoing power may be: (i) extinguishing or reducing the liability on any of its shares in respect of share capital not paid up; (ii) either with or without extinguishing or reducing liability on any of its shares, cancel paid up share capital which is lost or is unrepresented by available assets; or (ii) either with or without extinguishing or reducing liability on any of its shares, pay off any paid up share capital which is in excess of the wants of the Company; and may, if and so far as is necessary, alter its Memorandum, by reducing the amount of its share capital and of its shares accordingly.

73. DEMATERIALISATION OF SECURITIES

a. The Company shall recognise interest in dematerialised securities under the Depositories Act, 1996.

   Subject to the provisions of the Act, either the Company or the investor may exercise an option to issue (in case of the Company only), deal in, hold the securities (including shares) with a Depository in electronic form and the share certificates in respect thereof shall be dematerialized, in which event, the rights and obligations of the parties concerned and matters connected therewith or incidental thereof shall be governed by the provisions of the Depositories Act, 1996 as amended from time to time or any statutory modification(s) thereto or re-enactment thereof, the Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and other Applicable Law.

b. Dematerialisation/Re-materialisation of securities

Notwithstanding anything to the contrary or inconsistent contained in these Articles, the Company shall be entitled to dematerialise its existing securities, re-materialise its securities held in Depositories and/or offer its fresh securities in the dematerialised form pursuant to the Depositories Act, 1996 and the rules framed thereunder, if any.

c. Option to receive security certificate or hold securities with the Depository

Every person subscribing to or holding securities of the Company shall have the option to receive the security certificate or hold securities with a Depository. Where a person opts to hold a security with the Depository, the Company shall intimate such Depository of the details of allotment of the security and on receipt of such information, the Depository shall enter in its Record, the name of the allottees as the beneficial owner of that Security.

d. Securities in electronic form

All securities held by a Depository shall be dematerialized and held in electronic form. No certificate shall be issued for the securities held by the Depository.

e. Beneficial owner deemed as absolute owner

Except as ordered by a court of competent jurisdiction or by applicable law required and subject to the provisions of the Act, the Company shall be entitled to treat the person whose name appears on the applicable register as the holder of any security or whose name appears as the beneficial owner of any security in the records of the Depository as the absolute owner thereof and accordingly shall not be bound to recognize any benami trust or equity, equitable contingent, future, partial interest, other claim to or interest in respect of such securities or (except only as by these Articles otherwise expressly provided) any right in respect of a security other than an absolute right thereto in accordance with these Articles, on the part of any other person whether or not it has expressed or implied notice thereof but the Board shall at their sole discretion register any security in the joint names of any two or more persons or the survivor or survivors of them.

f. Register and index of beneficial owners

The Company shall cause to be kept a register and index of Members with details of securities held in materialised and dematerialised forms in any media as may be permitted by law including any form of electronic media. The register and index of beneficial owners maintained by a Depository under the Depositories Act, 1996 shall be deemed to be a register and index of Members for the purposes of this Act. The Company shall have the power to keep in any state or country outside India, a Register of Members, resident in that state or country.

74. BUY BACK OF SHARES

Notwithstanding anything contained in these Articles, but subject to all applicable provisions of the Act or any other law for the time being in force, the Company may purchase its own shares or other specified securities

GENERAL MEETINGS

75. ANNUAL GENERAL MEETINGS

a. The Company shall in each year hold a General Meeting as its Annual General Meeting in addition to any other meeting in that year.

b. An Annual General Meeting of the Company shall be held in accordance with the provisions of the Act.

76. EXTRAORDINARY GENERAL MEETINGS

All General Meetings other than the Annual General Meeting shall be called “Extraordinary General Meeting”. Provided that, the Board may, whenever it thinks fit, call an Extraordinary General Meeting.

77. EXTRAORDINARY MEETINGS ON REQUISITION

The Board shall, on the requisition of Members, convene an Extraordinary General Meeting of the Company in the circumstances and in the manner provided under the Act.

78. NOTICE FOR GENERAL MEETINGS

All General Meetings shall be convened by giving not less than clear twenty one (21) days' notice, in such manner as is prescribed under the Act, specifying the place, date and hour of the meeting and a statement of the business proposed to be transacted at such a meeting, in the manner mentioned in the Act. Notice shall be given to all the Members and to such persons as are under the Act and/or these Articles entitled to receive such notice from the Company but any accidental omission to give notice to or non-receipt of the notice by any Member or other person to whom it should be given shall not invalidate the proceedings of any General Meetings.

The Members may participate in General Meetings through such modes as permitted by applicable laws.

79. SHORTER NOTICE ADMISSIBLE

Upon compliance with the relevant provisions of the Act, an Annual General Meeting or any General Meeting may be convened by giving a shorter notice of less than twenty one (21) days.

80. CIRCULATION OF MEMBERS' RESOLUTION

The Company shall comply with provisions of Section 111 of the Act, as to giving notice of resolutions and circulating statements on the requisition of Members.

81. SPECIAL AND ORDINARY BUSINESS

(a) Subject to the provisions of the Act, all business shall be deemed special that is transacted at the Annual General Meeting with the exception of declaration of any dividend, the consideration of financial statements and reports of the Directors and auditors, the appointment of Directors in place of those retiring and the appointment of and fixing of the remuneration of the auditors. In case of any other meeting, all business shall be deemed to be special.

(b) In case of special business as aforesaid, an explanatory statement as required under the applicable provisions of the Act shall be annexed to the notice of the meeting.

82. QUORUM FOR GENERAL MEETING

Five (5) Members or such other number of Members as required under the Act or the applicable law for the time being in force prescribes, personally present shall be quorum for a General Meeting and no business shall be transacted at any General Meeting unless the requisite quorum is present at the commencement of the meeting.

83. TIME FOR QUORUM AND ADJOURNMENT

Subject to the provisions of the Act, if within half an hour from the time appointed for a meeting, a quorum is not present, the meeting, if called upon the requisition of Members, shall be cancelled and in any other case, it shall stand adjourned to the same day in the next week at the same time and place or to such other day and at such other time and place as the Directors may determine. If at the adjourned meeting also a quorum is not present within half an hour from the time appointed for the meeting, the Members present shall be quorum and may transact the business for which the meeting was called.

84. CHAIRMAN OF GENERAL MEETING

The chairman, if any, of the Board of Directors shall preside as chairman at every General Meeting of the Company.

85. ELECTION OF CHAIRMAN

Subject to the provisions of the Act, if there is no such chairman or if at any meeting he is not present within fifteen minutes after the time appointed for holding the meeting or is unwilling to act as chairman, the Directors present shall elect another Director as chairman and if no Director be present or if all the Directors decline to take the chair, then the Members present shall choose a Member to be the chairman.

86. ADJOURNMENT OF MEETING

Subject to the provisions of the Act, the chairman of a General Meeting may, with the consent given in the meeting at which a quorum is present (and shall if so directed by the meeting) adjourn that meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place. When the meeting is adjourned for thirty (30) days or more, notice of the adjourned meeting shall be given as nearly to the original meeting, as may be possible. Save as aforesaid

and as provided in Section 103 of the Act, it shall not be necessary to give any notice of adjournment of the business to be transacted at an adjourned meeting.

87. VOTING AT MEETING

At any General Meeting, a demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than that on which a poll has been demanded. The demand for a poll may be withdrawn at any time by the person or persons who made the demand. Further, no objection shall be raised to the qualification of any voter except at the General Meeting or adjourned General Meeting at which the vote objected to is given or tendered, and every vote not disallowed at such meeting shall be valid for all purposes. Any such objection made in due time shall be referred to the chairperson of the General Meeting, whose decision shall be final and conclusive.

88. DECISION BY POLL

If a poll is duly demanded in accordance with the provisions of the Act, it shall be taken in such manner as the chairman directs and the results of the poll shall be deemed to be the decision of the meeting on the resolution in respect of which the poll was demanded.

89. CASTING VOTE OF CHAIRMAN

In case of equal votes, whether on a show of hands or on a poll, the chairman of the General Meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a second or casting vote in addition to the vote or votes to which he may be entitled to as a Member.

90. PASSING RESOLUTIONS BY POSTAL BALLOT

a. Notwithstanding any of the provisions of these Articles, the Company may, and in the case of resolutions relating to such business as notified under the Act, to be passed by postal ballot, shall get any resolution passed by means of a postal ballot, instead of transacting the business in the General Meeting of the Company.

b. Where the Company decides to pass any resolution by resorting to postal ballot, it shall follow the procedures as prescribed under the Act.

c. If a resolution is assented to by the requisite majority of the shareholders by means of postal ballot, it shall be deemed to have been duly passed at a General Meeting convened in that behalf.

VOTE OF MEMBERS

91. VOTING RIGHTS OF MEMBERS

Subject to any rights or restrictions for the time being attached to any class or classes of shares:

a. On a show of hands every Member holding Equity Shares and present in person shall have one vote.

b. On a poll, every Member holding Equity Shares therein shall have voting rights in proportion to his share in the paid up Equity Share capital.

c. A Member may exercise his vote at a meeting by electronic means in accordance with the Act and shall vote only once.

92. VOTING BY JOINT-HOLDERS

In case of joint holders, the vote of first named of such joint holders in the Register of Members who tender a vote whether in person or by proxy shall be accepted, to the exclusion of the votes of other joint holders.

93. VOTING BY MEMBER OF UNSOUND MIND

A Member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction in lunacy, may vote, whether on a show of hands or on a poll, by his committee or other legal guardian, and any such committee or legal guardian may, on a poll, vote by proxy.

94. NO RIGHT TO VOTE UNLESS CALLS ARE PAID

No Member shall be entitled to vote at any General Meeting unless all calls or other sums presently payable by him have been paid, or in regard to which the Company has lien and has exercised any right of lien.

95. PROXY

Any Member entitled to attend and vote at a General Meeting may do so either personally or through his constituted attorney or through another person as a proxy on his behalf, for that meeting.

96. INSTRUMENT OF PROXY

An instrument appointing a proxy shall be in the form as prescribed under the Act for this purpose. The instrument appointing a proxy shall be in writing under the hand of appointer or of his attorney duly authorized in writing or if appointed by a body corporate under the hand of its officer or attorney duly authorized in writing by it. Any person whether or not he is a Member of the Company may be appointed as a proxy.

The instrument appointing a proxy and power of attorney or other authority (if any) under which it is signed or a notarized copy of that power or authority must be deposited at the Office of the Company not less than forty eight (48) hours prior to the time fixed for holding the meeting or adjourned meeting at which the person named in the instrument proposes to vote, or, in case of a poll, not less than twenty four (24) hours before the time appointed for the taking of the poll, and in default the instrument of proxy shall not be treated as valid.

97. VALIDITY OF PROXY

A vote given in accordance with the terms of an instrument of proxy shall be valid, notwithstanding the previous death or insanity of the principal or the revocation of the proxy or of the authority under which the proxy was executed, or the transfer of shares in respect of which the proxy is given, provided that no intimation in writing of such death, insanity, revocation or transfer shall have been received by the Company at its Office before the commencement of the meeting or adjourned meeting at which the proxy is used.

98. CORPORATE MEMBERS

Any corporation which is a Member of the Company may, by resolution of its Board of Directors or other governing body, authorize such person as it thinks fit to act as its representative at any meeting of the Company and the said person so authorized shall be entitled to exercise the same powers on behalf of the corporation which he represents as that corporation could have exercised if it were an individual Member of the Company (including the right to vote by proxy).

DIRECTOR
