view of the net profit/loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued there under and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

Our objectives are to obtain reasonable assurance about whether the standalone financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial results, including the disclosures, and whether the financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

5. The independent auditors of "Barasat-Krishnagar Expressways Limited ('BKEL')" which is a step-down subsidiary to the Company, have given "Opinion" / "Emphasis of Matter Paragraph" / "Other Matter Paragraph" in their audit report, on the financial statements for the year ended March 31, 2021 which are reproduced below:

Opinion:

Due to termination of the project of the company, going concern assumption is not appropriate and financial statements have been drawn accordingly. Cost incurred on the project up to 31-3-2021 at Rs. 5,79,55,85,497/- including the Cost and expenses incurred on and for the project for the financial year covered under the audit report instead of writing-off to profit & loss have been accounted as NHAI Claims receivable under the head "Other Current Financial Assets" which is in contravention of the provisions of Indian accounting standard Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) claims being contingent asset in nature. This has resulted in over-statement of Current Assets and understatement of loss for the year accordingly and Cumulative loss to that extent. Further, no interest has been provided for on the borrowings from institutions.

Emphasis of Matter:

- 1) We draw attention to note no. 1 in the financial statements "The construction work is delayed due to pending approvals and right of way to be provided by NHAI. The Company had issued notice for termination of the project to NHAI on 31st December, 2015. The company and NHAI entered into a Supplementary Agreement to the 'Concession Agreement dated 20th June, 2011' on 2nd May, 2016 for inclusion of the clause of 'Society for Affordable Redressal of Disputes' (SAROD) Committee for arbitration. NHAI had also issued notice for terminations of the project vide its letter dated 3rd May, 2016 and the company had replied that the notice is not valid. Both Company and NHAI appointed arbitrators. The Arbitration proceeding are in progress with SAROD.
- 2) As the borrowings from secured lenders have been declared as Non-performing asset by the lender, interest on related borrowings have not been accounted for.

In view of the above going concern assumption is not appropriate and therefore financial statements have been drawn accordingly

An amount of Rs.15775.00 lacs hitherto shown as part of other equity from group companies has been now reclassified as Long term borrowings and the same have been

Other Matters:

Further to the continuous spreading of COVID-19 across India, there was a virtual & non movement of people various state governments announced a strict lockdown in the month of May, 2021 and further extended to control the spread of virus. Emphasis of Matter:

Project of the Company has been foreclosed with mutual consent, therefore, going concern assumption is not appropriate and financial statements have been drawn accordingly. As the project of the company has been foreclosed with mutual consent, cost incurred on the project up-to 31st March, 2021 Rs.8,15,39,853/- instead of writing-off, has been accounted as Claims receivable under the head "Other Current Assets" which is in contravention of the provisions of Indian accounting standard Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) claims being contingent asset in nature. Concession Period of 20 years. Later, the agreement for the said project was terminated by NHAI. NHAI has not provided 80% of the Land.

All the expenditure incurred during the year has been shown as claim receivable from NHAI and is subject to ratification by NHAI

In view of the above an amount of Rs 68,77,165/- , has been accounted as Claims receivable under the head "Other Current Assets" which is in contravention of the provisions of Indian accounting standard Ind AS 37 (Provisions, Contingent Liabilities and Contingent Assets) claims being contingent asset in nature. This has resulted in over-statement of Current Assets by Rs 68,77,165/- and understatement of cumulative loss by the same amount. However, NHAI has terminated the contract. The Company is not confident of discharging it's liabilities in the normal course of business from the available funds.

Transactions of group companies routed through the company have no relevance to the business activities of this company. This has resulted in the increase in the current assets and liabilities of the company.

An amount of Rs.83.50 lacs hitherto shown as part of other equity from group companies has been now reclassified as Long term borrowings and the same have been reclassified and regrouped in previous years for comparison purpose resulting in the overstatement of long term borrowings and corresponding understatement of Equity.

In our opinion, the termination of the Concession Agreement and pending settlement of the claim by NHAI till date indicate the existence of a material uncertainty that cast significant doubt about the Company's ability to continue as a going concern.

As per RBI guidelines, interest on such loans need to be recognized on cash basis and not on accrual basis.
