APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

India U-19 beat Pakistan in a thriller finish to clinch Asia Cup

ANI
Al Amerat, November 14

EXTENDING THE POST-Diwali celebrations across borders, the India Under-19 cricket team delivered a nerve-wracking, last-over masterclass to defeat arch-rivals Pakistan Under-19 by just one wicket in the final of the 2026 ACC Men's Under-19 Asia Cup on Saturday.

In a high-scoring thriller at the Al Amerat Cricket Ground in Oman that went down to the absolute wire, India successfully chased down a massive target of 338 in the final over, finishing at 339/9 to lift the coveted continental trophy.

Mohit Ulva and Manal Chauhan played crucial roles in the memorable triumph, with Ulva remaining unbeaten on 49 off just 26 deliveries. Pakistan, after winning the toss and opting to bat, posted an imposing 337/9 in their 50 overs. Usman Khan led the batting charge with a brilliant 107 off 111 deliveries. Abdul Qadir provided the much-needed acceleration with 80 off just 54 balls, including eight sixes and three fours. Pakistan captain Farhan Yousaf also made a valuable contribution, scoring 63 off 60 deliveries.

For India, Kavya Patel was the standout bowler, claiming four wickets for 68 runs, while Chigurupati Venkata picked up three wickets. India got off to a steady start, with captain Lakshya Rajesh Raichandani scoring 80 off 101 balls and Aaryavir Sehwag contributed 58 off 61 deliveries. "It was a roller coaster. We always had the belief as the wicket was pretty good. We are playing with almost 11 batters, I wasn't surprised," Raichandani said after the match.

Prime Minister Narendra Modi also congratulated the team, praising the young cricketers for their impressive performance. "Outstanding day for Indian cricket! Immensely proud of our young cricketers for today's impressive performance and for winning the Men's U-19 Asia Cup 2026. Their success will inspire several youngsters. Best wishes to the team for their endeavours ahead," PM Modi said on X.

New awards celebrate AI music, its creators

REUTERS
Los Angeles, November 14

AND THE AWARD goes to ... AI music. The first AI Music Awards ceremony in the US on Friday celebrated the people who created songs at least partly with AI, a field that has sparked criticism and lawsuits while also gaining millions of streams and landing on music charts. At Friday's event in downtown Los Angeles, human presenters and winners argued that artificial intelligence-created music should be viewed as part of a new genre that requires real-life artistry as well as hours of prompting to get the right sound. "In a world where everybody calls AI fake, the human behind it is real," said music producer Drake Murphy as he presented the award for best AI hip-hop song.

The night's top awards of AI artist, song and album of the year went to Xania Monet, an AI-generated avatar known for *How Was I Supposed to Know?* Billboard said the R&B song was the first by an AI-based act to earn a spot on one of its radio charts. Monet was created by Telisha "Nikki" Jones, who said she wrote all of the lyrics and then set them to music with the help of AI. "I just feel like AI music is a new thing that people just have to get used to," Jones said on the red carpet before the ceremony. "I don't see it going anywhere anytime soon."

While the presence of AI in music-making can be traced back to the 1950s, groundbreaking advances in generative AI, with robots now making music as digital pop stars, have divided opinions in the industry.

BINANCE SAID ON Saturday that it aims to reopen withdrawals for all remaining networks and assets by the end of next week, as operations normalise for the world's biggest cryptocurrency exchange after a security breach linked to North Korea saw $6.3 billion stolen from the platform last month.

"This week, we reopened withdrawals for 87 networks. We will aim to reopen withdrawals for all remaining networks and assets by the end of next week," the company said in an X post.

US flights resume after air traffic network failure leads to chaos

REUTERS
Washington, November 14

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

Transportation Secretary Sean Duffy said US airspace reopened at 8:15 pm, but warned that it would take time for airlines to restore normal operations. Nearly 10,000 flights had been cancelled, including more than 2,200 each at Delta Air Lines and American Airlines, and 1,800 at United Airlines, according to Flightradar24. The plane-tracking website said some aircraft at major airports had waited more than five hours for a gate.

Air India on Saturday said all its flights to and from the US operated as scheduled without significant delays. The airline also said in a statement that all its flights en route to New York, Newark and San Francisco landed on time early this morning. The four-hour nationwide grounding could disrupt airline schedules for days, aviation analysts said.

"Our switches, our routers actually got overloaded with data and they started to give us inconsistencies in the data from those routers and because of that we shut the system down," Duffy said.

APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

US flights resume after air traffic network failure leads to chaos

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

India U-19 beat Pakistan in a thriller finish to clinch Asia Cup

ANI
Al Amerat, November 14

EXTENDING THE POST-Diwali celebrations across borders, the India Under-19 cricket team delivered a nerve-wracking, last-over masterclass to defeat arch-rivals Pakistan Under-19 by just one wicket in the final of the 2026 ACC Men's Under-19 Asia Cup on Saturday.

In a high-scoring thriller at the Al Amerat Cricket Ground in Oman that went down to the absolute wire, India successfully chased down a massive target of 338 in the final over, finishing at 339/9 to lift the coveted continental trophy.

Mohit Ulva and Manal Chauhan played crucial roles in the memorable triumph, with Ulva remaining unbeaten on 49 off just 26 deliveries. Pakistan, after winning the toss and opting to bat, posted an imposing 337/9 in their 50 overs. Usman Khan led the batting charge with a brilliant 107 off 111 deliveries. Abdul Qadir provided the much-needed acceleration with 80 off just 54 balls, including eight sixes and three fours. Pakistan captain Farhan Yousaf also made a valuable contribution, scoring 63 off 60 deliveries.

For India, Kavya Patel was the standout bowler, claiming four wickets for 68 runs, while Chigurupati Venkata picked up three wickets. India got off to a steady start, with captain Lakshya Rajesh Raichandani scoring 80 off 101 balls and Aaryavir Sehwag contributed 58 off 61 deliveries. "It was a roller coaster. We always had the belief as the wicket was pretty good. We are playing with almost 11 batters, I wasn't surprised," Raichandani said after the match.

Prime Minister Narendra Modi also congratulated the team, praising the young cricketers for their impressive performance. "Outstanding day for Indian cricket! Immensely proud of our young cricketers for today's impressive performance and for winning the Men's U-19 Asia Cup 2026. Their success will inspire several youngsters. Best wishes to the team for their endeavours ahead," PM Modi said on X.

New awards celebrate AI music, its creators

REUTERS
Los Angeles, November 14

AND THE AWARD goes to ... AI music. The first AI Music Awards ceremony in the US on Friday celebrated the people who created songs at least partly with AI, a field that has sparked criticism and lawsuits while also gaining millions of streams and landing on music charts. At Friday's event in downtown Los Angeles, human presenters and winners argued that artificial intelligence-created music should be viewed as part of a new genre that requires real-life artistry as well as hours of prompting to get the right sound. "In a world where everybody calls AI fake, the human behind it is real," said music producer Drake Murphy as he presented the award for best AI hip-hop song.

The night's top awards of AI artist, song and album of the year went to Xania Monet, an AI-generated avatar known for *How Was I Supposed to Know?* Billboard said the R&B song was the first by an AI-based act to earn a spot on one of its radio charts. Monet was created by Telisha "Nikki" Jones, who said she wrote all of the lyrics and then set them to music with the help of AI. "I just feel like AI music is a new thing that people just have to get used to," Jones said on the red carpet before the ceremony. "I don't see it going anywhere anytime soon."

While the presence of AI in music-making can be traced back to the 1950s, groundbreaking advances in generative AI, with robots now making music as digital pop stars, have divided opinions in the industry.

BINANCE SAID ON Saturday that it aims to reopen withdrawals for all remaining networks and assets by the end of next week, as operations normalise for the world's biggest cryptocurrency exchange after a security breach linked to North Korea saw $6.3 billion stolen from the platform last month.

"This week, we reopened withdrawals for 87 networks. We will aim to reopen withdrawals for all remaining networks and assets by the end of next week," the company said in an X post.

US flights resume after air traffic network failure leads to chaos

REUTERS
Washington, November 14

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

Transportation Secretary Sean Duffy said US airspace reopened at 8:15 pm, but warned that it would take time for airlines to restore normal operations. Nearly 10,000 flights had been cancelled, including more than 2,200 each at Delta Air Lines and American Airlines, and 1,800 at United Airlines, according to Flightradar24. The plane-tracking website said some aircraft at major airports had waited more than five hours for a gate.

Air India on Saturday said all its flights to and from the US operated as scheduled without significant delays. The airline also said in a statement that all its flights en route to New York, Newark and San Francisco landed on time early this morning. The four-hour nationwide grounding could disrupt airline schedules for days, aviation analysts said.

"Our switches, our routers actually got overloaded with data and they started to give us inconsistencies in the data from those routers and because of that we shut the system down," Duffy said.

APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

India U-19 beat Pakistan in a thriller finish to clinch Asia Cup

ANI
Al Amerat, November 14

EXTENDING THE POST-Diwali celebrations across borders, the India Under-19 cricket team delivered a nerve-wracking, last-over masterclass to defeat arch-rivals Pakistan Under-19 by just one wicket in the final of the 2026 ACC Men's Under-19 Asia Cup on Saturday.

In a high-scoring thriller at the Al Amerat Cricket Ground in Oman that went down to the absolute wire, India successfully chased down a massive target of 338 in the final over, finishing at 339/9 to lift the coveted continental trophy.

Mohit Ulva and Manal Chauhan played crucial roles in the memorable triumph, with Ulva remaining unbeaten on 49 off just 26 deliveries. Pakistan, after winning the toss and opting to bat, posted an imposing 337/9 in their 50 overs. Usman Khan led the batting charge with a brilliant 107 off 111 deliveries. Abdul Qadir provided the much-needed acceleration with 80 off just 54 balls, including eight sixes and three fours. Pakistan captain Farhan Yousaf also made a valuable contribution, scoring 63 off 60 deliveries.

For India, Kavya Patel was the standout bowler, claiming four wickets for 68 runs, while Chigurupati Venkata picked up three wickets. India got off to a steady start, with captain Lakshya Rajesh Raichandani scoring 80 off 101 balls and Aaryavir Sehwag contributed 58 off 61 deliveries. "It was a roller coaster. We always had the belief as the wicket was pretty good. We are playing with almost 11 batters, I wasn't surprised," Raichandani said after the match.

Prime Minister Narendra Modi also congratulated the team, praising the young cricketers for their impressive performance. "Outstanding day for Indian cricket! Immensely proud of our young cricketers for today's impressive performance and for winning the Men's U-19 Asia Cup 2026. Their success will inspire several youngsters. Best wishes to the team for their endeavours ahead," PM Modi said on X.

New awards celebrate AI music, its creators

REUTERS
Los Angeles, November 14

AND THE AWARD goes to ... AI music. The first AI Music Awards ceremony in the US on Friday celebrated the people who created songs at least partly with AI, a field that has sparked criticism and lawsuits while also gaining millions of streams and landing on music charts. At Friday's event in downtown Los Angeles, human presenters and winners argued that artificial intelligence-created music should be viewed as part of a new genre that requires real-life artistry as well as hours of prompting to get the right sound. "In a world where everybody calls AI fake, the human behind it is real," said music producer Drake Murphy as he presented the award for best AI hip-hop song.

The night's top awards of AI artist, song and album of the year went to Xania Monet, an AI-generated avatar known for *How Was I Supposed to Know?* Billboard said the R&B song was the first by an AI-based act to earn a spot on one of its radio charts. Monet was created by Telisha "Nikki" Jones, who said she wrote all of the lyrics and then set them to music with the help of AI. "I just feel like AI music is a new thing that people just have to get used to," Jones said on the red carpet before the ceremony. "I don't see it going anywhere anytime soon."

While the presence of AI in music-making can be traced back to the 1950s, groundbreaking advances in generative AI, with robots now making music as digital pop stars, have divided opinions in the industry.

BINANCE SAID ON Saturday that it aims to reopen withdrawals for all remaining networks and assets by the end of next week, as operations normalise for the world's biggest cryptocurrency exchange after a security breach linked to North Korea saw $6.3 billion stolen from the platform last month.

"This week, we reopened withdrawals for 87 networks. We will aim to reopen withdrawals for all remaining networks and assets by the end of next week," the company said in an X post.

US flights resume after air traffic network failure leads to chaos

REUTERS
Washington, November 14

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

Transportation Secretary Sean Duffy said US airspace reopened at 8:15 pm, but warned that it would take time for airlines to restore normal operations. Nearly 10,000 flights had been cancelled, including more than 2,200 each at Delta Air Lines and American Airlines, and 1,800 at United Airlines, according to Flightradar24. The plane-tracking website said some aircraft at major airports had waited more than five hours for a gate.

Air India on Saturday said all its flights to and from the US operated as scheduled without significant delays. The airline also said in a statement that all its flights en route to New York, Newark and San Francisco landed on time early this morning. The four-hour nationwide grounding could disrupt airline schedules for days, aviation analysts said.

"Our switches, our routers actually got overloaded with data and they started to give us inconsistencies in the data from those routers and because of that we shut the system down," Duffy said.

APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

India U-19 beat Pakistan in a thriller finish to clinch Asia Cup

ANI
Al Amerat, November 14

EXTENDING THE POST-Diwali celebrations across borders, the India Under-19 cricket team delivered a nerve-wracking, last-over masterclass to defeat arch-rivals Pakistan Under-19 by just one wicket in the final of the 2026 ACC Men's Under-19 Asia Cup on Saturday.

In a high-scoring thriller at the Al Amerat Cricket Ground in Oman that went down to the absolute wire, India successfully chased down a massive target of 338 in the final over, finishing at 339/9 to lift the coveted continental trophy.

Mohit Ulva and Manal Chauhan played crucial roles in the memorable triumph, with Ulva remaining unbeaten on 49 off just 26 deliveries. Pakistan, after winning the toss and opting to bat, posted an imposing 337/9 in their 50 overs. Usman Khan led the batting charge with a brilliant 107 off 111 deliveries. Abdul Qadir provided the much-needed acceleration with 80 off just 54 balls, including eight sixes and three fours. Pakistan captain Farhan Yousaf also made a valuable contribution, scoring 63 off 60 deliveries.

For India, Kavya Patel was the standout bowler, claiming four wickets for 68 runs, while Chigurupati Venkata picked up three wickets. India got off to a steady start, with captain Lakshya Rajesh Raichandani scoring 80 off 101 balls and Aaryavir Sehwag contributed 58 off 61 deliveries. "It was a roller coaster. We always had the belief as the wicket was pretty good. We are playing with almost 11 batters, I wasn't surprised," Raichandani said after the match.

Prime Minister Narendra Modi also congratulated the team, praising the young cricketers for their impressive performance. "Outstanding day for Indian cricket! Immensely proud of our young cricketers for today's impressive performance and for winning the Men's U-19 Asia Cup 2026. Their success will inspire several youngsters. Best wishes to the team for their endeavours ahead," PM Modi said on X.

New awards celebrate AI music, its creators

REUTERS
Los Angeles, November 14

AND THE AWARD goes to ... AI music. The first AI Music Awards ceremony in the US on Friday celebrated the people who created songs at least partly with AI, a field that has sparked criticism and lawsuits while also gaining millions of streams and landing on music charts. At Friday's event in downtown Los Angeles, human presenters and winners argued that artificial intelligence-created music should be viewed as part of a new genre that requires real-life artistry as well as hours of prompting to get the right sound. "In a world where everybody calls AI fake, the human behind it is real," said music producer Drake Murphy as he presented the award for best AI hip-hop song.

The night's top awards of AI artist, song and album of the year went to Xania Monet, an AI-generated avatar known for *How Was I Supposed to Know?* Billboard said the R&B song was the first by an AI-based act to earn a spot on one of its radio charts. Monet was created by Telisha "Nikki" Jones, who said she wrote all of the lyrics and then set them to music with the help of AI. "I just feel like AI music is a new thing that people just have to get used to," Jones said on the red carpet before the ceremony. "I don't see it going anywhere anytime soon."

While the presence of AI in music-making can be traced back to the 1950s, groundbreaking advances in generative AI, with robots now making music as digital pop stars, have divided opinions in the industry.

BINANCE SAID ON Saturday that it aims to reopen withdrawals for all remaining networks and assets by the end of next week, as operations normalise for the world's biggest cryptocurrency exchange after a security breach linked to North Korea saw $6.3 billion stolen from the platform last month.

"This week, we reopened withdrawals for 87 networks. We will aim to reopen withdrawals for all remaining networks and assets by the end of next week," the company said in an X post.

US flights resume after air traffic network failure leads to chaos

REUTERS
Washington, November 14

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

Transportation Secretary Sean Duffy said US airspace reopened at 8:15 pm, but warned that it would take time for airlines to restore normal operations. Nearly 10,000 flights had been cancelled, including more than 2,200 each at Delta Air Lines and American Airlines, and 1,800 at United Airlines, according to Flightradar24. The plane-tracking website said some aircraft at major airports had waited more than five hours for a gate.

Air India on Saturday said all its flights to and from the US operated as scheduled without significant delays. The airline also said in a statement that all its flights en route to New York, Newark and San Francisco landed on time early this morning. The four-hour nationwide grounding could disrupt airline schedules for days, aviation analysts said.

"Our switches, our routers actually got overloaded with data and they started to give us inconsistencies in the data from those routers and because of that we shut the system down," Duffy said.

APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

India U-19 beat Pakistan in a thriller finish to clinch Asia Cup

ANI
Al Amerat, November 14

EXTENDING THE POST-Diwali celebrations across borders, the India Under-19 cricket team delivered a nerve-wracking, last-over masterclass to defeat arch-rivals Pakistan Under-19 by just one wicket in the final of the 2026 ACC Men's Under-19 Asia Cup on Saturday.

In a high-scoring thriller at the Al Amerat Cricket Ground in Oman that went down to the absolute wire, India successfully chased down a massive target of 338 in the final over, finishing at 339/9 to lift the coveted continental trophy.

Mohit Ulva and Manal Chauhan played crucial roles in the memorable triumph, with Ulva remaining unbeaten on 49 off just 26 deliveries. Pakistan, after winning the toss and opting to bat, posted an imposing 337/9 in their 50 overs. Usman Khan led the batting charge with a brilliant 107 off 111 deliveries. Abdul Qadir provided the much-needed acceleration with 80 off just 54 balls, including eight sixes and three fours. Pakistan captain Farhan Yousaf also made a valuable contribution, scoring 63 off 60 deliveries.

For India, Kavya Patel was the standout bowler, claiming four wickets for 68 runs, while Chigurupati Venkata picked up three wickets. India got off to a steady start, with captain Lakshya Rajesh Raichandani scoring 80 off 101 balls and Aaryavir Sehwag contributed 58 off 61 deliveries. "It was a roller coaster. We always had the belief as the wicket was pretty good. We are playing with almost 11 batters, I wasn't surprised," Raichandani said after the match.

Prime Minister Narendra Modi also congratulated the team, praising the young cricketers for their impressive performance. "Outstanding day for Indian cricket! Immensely proud of our young cricketers for today's impressive performance and for winning the Men's U-19 Asia Cup 2026. Their success will inspire several youngsters. Best wishes to the team for their endeavours ahead," PM Modi said on X.

New awards celebrate AI music, its creators

REUTERS
Los Angeles, November 14

AND THE AWARD goes to ... AI music. The first AI Music Awards ceremony in the US on Friday celebrated the people who created songs at least partly with AI, a field that has sparked criticism and lawsuits while also gaining millions of streams and landing on music charts. At Friday's event in downtown Los Angeles, human presenters and winners argued that artificial intelligence-created music should be viewed as part of a new genre that requires real-life artistry as well as hours of prompting to get the right sound. "In a world where everybody calls AI fake, the human behind it is real," said music producer Drake Murphy as he presented the award for best AI hip-hop song.

The night's top awards of AI artist, song and album of the year went to Xania Monet, an AI-generated avatar known for *How Was I Supposed to Know?* Billboard said the R&B song was the first by an AI-based act to earn a spot on one of its radio charts. Monet was created by Telisha "Nikki" Jones, who said she wrote all of the lyrics and then set them to music with the help of AI. "I just feel like AI music is a new thing that people just have to get used to," Jones said on the red carpet before the ceremony. "I don't see it going anywhere anytime soon."

While the presence of AI in music-making can be traced back to the 1950s, groundbreaking advances in generative AI, with robots now making music as digital pop stars, have divided opinions in the industry.

BINANCE SAID ON Saturday that it aims to reopen withdrawals for all remaining networks and assets by the end of next week, as operations normalise for the world's biggest cryptocurrency exchange after a security breach linked to North Korea saw $6.3 billion stolen from the platform last month.

"This week, we reopened withdrawals for 87 networks. We will aim to reopen withdrawals for all remaining networks and assets by the end of next week," the company said in an X post.

US flights resume after air traffic network failure leads to chaos

REUTERS
Washington, November 14

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

Transportation Secretary Sean Duffy said US airspace reopened at 8:15 pm, but warned that it would take time for airlines to restore normal operations. Nearly 10,000 flights had been cancelled, including more than 2,200 each at Delta Air Lines and American Airlines, and 1,800 at United Airlines, according to Flightradar24. The plane-tracking website said some aircraft at major airports had waited more than five hours for a gate.

Air India on Saturday said all its flights to and from the US operated as scheduled without significant delays. The airline also said in a statement that all its flights en route to New York, Newark and San Francisco landed on time early this morning. The four-hour nationwide grounding could disrupt airline schedules for days, aviation analysts said.

"Our switches, our routers actually got overloaded with data and they started to give us inconsistencies in the data from those routers and because of that we shut the system down," Duffy said.

APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

India U-19 beat Pakistan in a thriller finish to clinch Asia Cup

ANI
Al Amerat, November 14

EXTENDING THE POST-Diwali celebrations across borders, the India Under-19 cricket team delivered a nerve-wracking, last-over masterclass to defeat arch-rivals Pakistan Under-19 by just one wicket in the final of the 2026 ACC Men's Under-19 Asia Cup on Saturday.

In a high-scoring thriller at the Al Amerat Cricket Ground in Oman that went down to the absolute wire, India successfully chased down a massive target of 338 in the final over, finishing at 339/9 to lift the coveted continental trophy.

Mohit Ulva and Manal Chauhan played crucial roles in the memorable triumph, with Ulva remaining unbeaten on 49 off just 26 deliveries. Pakistan, after winning the toss and opting to bat, posted an imposing 337/9 in their 50 overs. Usman Khan led the batting charge with a brilliant 107 off 111 deliveries. Abdul Qadir provided the much-needed acceleration with 80 off just 54 balls, including eight sixes and three fours. Pakistan captain Farhan Yousaf also made a valuable contribution, scoring 63 off 60 deliveries.

For India, Kavya Patel was the standout bowler, claiming four wickets for 68 runs, while Chigurupati Venkata picked up three wickets. India got off to a steady start, with captain Lakshya Rajesh Raichandani scoring 80 off 101 balls and Aaryavir Sehwag contributed 58 off 61 deliveries. "It was a roller coaster. We always had the belief as the wicket was pretty good. We are playing with almost 11 batters, I wasn't surprised," Raichandani said after the match.

Prime Minister Narendra Modi also congratulated the team, praising the young cricketers for their impressive performance. "Outstanding day for Indian cricket! Immensely proud of our young cricketers for today's impressive performance and for winning the Men's U-19 Asia Cup 2026. Their success will inspire several youngsters. Best wishes to the team for their endeavours ahead," PM Modi said on X.

New awards celebrate AI music, its creators

REUTERS
Los Angeles, November 14

AND THE AWARD goes to ... AI music. The first AI Music Awards ceremony in the US on Friday celebrated the people who created songs at least partly with AI, a field that has sparked criticism and lawsuits while also gaining millions of streams and landing on music charts. At Friday's event in downtown Los Angeles, human presenters and winners argued that artificial intelligence-created music should be viewed as part of a new genre that requires real-life artistry as well as hours of prompting to get the right sound. "In a world where everybody calls AI fake, the human behind it is real," said music producer Drake Murphy as he presented the award for best AI hip-hop song.

The night's top awards of AI artist, song and album of the year went to Xania Monet, an AI-generated avatar known for *How Was I Supposed to Know?* Billboard said the R&B song was the first by an AI-based act to earn a spot on one of its radio charts. Monet was created by Telisha "Nikki" Jones, who said she wrote all of the lyrics and then set them to music with the help of AI. "I just feel like AI music is a new thing that people just have to get used to," Jones said on the red carpet before the ceremony. "I don't see it going anywhere anytime soon."

While the presence of AI in music-making can be traced back to the 1950s, groundbreaking advances in generative AI, with robots now making music as digital pop stars, have divided opinions in the industry.

BINANCE SAID ON Saturday that it aims to reopen withdrawals for all remaining networks and assets by the end of next week, as operations normalise for the world's biggest cryptocurrency exchange after a security breach linked to North Korea saw $6.3 billion stolen from the platform last month.

"This week, we reopened withdrawals for 87 networks. We will aim to reopen withdrawals for all remaining networks and assets by the end of next week," the company said in an X post.

US flights resume after air traffic network failure leads to chaos

REUTERS
Washington, November 14

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

Transportation Secretary Sean Duffy said US airspace reopened at 8:15 pm, but warned that it would take time for airlines to restore normal operations. Nearly 10,000 flights had been cancelled, including more than 2,200 each at Delta Air Lines and American Airlines, and 1,800 at United Airlines, according to Flightradar24. The plane-tracking website said some aircraft at major airports had waited more than five hours for a gate.

Air India on Saturday said all its flights to and from the US operated as scheduled without significant delays. The airline also said in a statement that all its flights en route to New York, Newark and San Francisco landed on time early this morning. The four-hour nationwide grounding could disrupt airline schedules for days, aviation analysts said.

"Our switches, our routers actually got overloaded with data and they started to give us inconsistencies in the data from those routers and because of that we shut the system down," Duffy said.

APEC MEETING ON NOV 18-19

China & US discuss tariffs, farm trade ahead of Xi-Trump talks

Presidents of China, the US and Russia to meet on Thursday

REUTERS
Beijing, November 14

CHINA AND THE United States discussed tariff cuts, agricultural trade and other issues at their first trade council meeting on Friday, China's Commerce Ministry said on Saturday. "The two sides held candid, in-depth and constructive exchanges on implementing the outcomes of previous China-US economic and trade talks, including tariffs, a reciprocal '$30 billion-for-$30 billion' tariff-cut arrangement, agricultural trade and other issues of mutual concern," the ministry said.

It did not say whether any agreements were reached. Both sides will continue using the council to address trade concerns, expand cooperation and reduce outstanding issues, the ministry added. China is set to host the 33rd APEC Economic Leaders' Meeting next week in its high-tech Shenzhen city, where the presidents of China, the US and Russia will hold a historic trilateral summit. The meeting of the 21-nation Asia-Pacific Economic Cooperation (APEC) Economic Leaders will take place November 18-19.

It gains importance as Chinese President Xi Jinping will host a summit with his US and Russian counterparts, Donald Trump and Vladimir Putin. Discussions at the trilateral summit are expected to focus on a host of global issues, including global conflicts, AI and the reduction of nuclear weapons by big powers. The White House confirmed that the three leaders are planning to meet on the sidelines of a summit in China next week.

Following a September summit between Presidents Xi Jinping and Donald Trump in Washington, the two sides proposed a $60 billion package of reciprocal tariff cuts, including roughly $17 billion worth of US farm goods that China imported in 2024, but the plan has yet to be finalised. Chinese purchases of US farm goods other than soybeans are on track to hit a seven-year low this year, despite an agreement to buy $17 billion annually through 2028, a *Reuters* analysis of customs data showed earlier this month, underscoring persistent uncertainty over the deal.

Beijing has repeatedly urged Washington to implement the $60 billion tariff-reduction deal, calling it a prerequisite for increasing purchases of US farm goods.

The 21 APEC members are Australia, Brunei Darussalam, Canada, Chile, China, Hong Kong, Indonesia, Japan, South Korea, Malaysia, Mexico, New Zealand, Papua New Guinea, Peru, the Philippines, Russia, Singapore, Chinese Taipei, Thailand, the United States and Vietnam. No South Asian country, including India, is part of the APEC.

India U-19 beat Pakistan in a thriller finish to clinch Asia Cup

ANI
Al Amerat, November 14

EXTENDING THE POST-Diwali celebrations across borders, the India Under-19 cricket team delivered a nerve-wracking, last-over masterclass to defeat arch-rivals Pakistan Under-19 by just one wicket in the final of the 2026 ACC Men's Under-19 Asia Cup on Saturday.

In a high-scoring thriller at the Al Amerat Cricket Ground in Oman that went down to the absolute wire, India successfully chased down a massive target of 338 in the final over, finishing at 339/9 to lift the coveted continental trophy.

Mohit Ulva and Manal Chauhan played crucial roles in the memorable triumph, with Ulva remaining unbeaten on 49 off just 26 deliveries. Pakistan, after winning the toss and opting to bat, posted an imposing 337/9 in their 50 overs. Usman Khan led the batting charge with a brilliant 107 off 111 deliveries. Abdul Qadir provided the much-needed acceleration with 80 off just 54 balls, including eight sixes and three fours. Pakistan captain Farhan Yousaf also made a valuable contribution, scoring 63 off 60 deliveries.

For India, Kavya Patel was the standout bowler, claiming four wickets for 68 runs, while Chigurupati Venkata picked up three wickets. India got off to a steady start, with captain Lakshya Rajesh Raichandani scoring 80 off 101 balls and Aaryavir Sehwag contributed 58 off 61 deliveries. "It was a roller coaster. We always had the belief as the wicket was pretty good. We are playing with almost 11 batters, I wasn't surprised," Raichandani said after the match.

Prime Minister Narendra Modi also congratulated the team, praising the young cricketers for their impressive performance. "Outstanding day for Indian cricket! Immensely proud of our young cricketers for today's impressive performance and for winning the Men's U-19 Asia Cup 2026. Their success will inspire several youngsters. Best wishes to the team for their endeavours ahead," PM Modi said on X.

New awards celebrate AI music, its creators

REUTERS
Los Angeles, November 14

AND THE AWARD goes to ... AI music. The first AI Music Awards ceremony in the US on Friday celebrated the people who created songs at least partly with AI, a field that has sparked criticism and lawsuits while also gaining millions of streams and landing on music charts. At Friday's event in downtown Los Angeles, human presenters and winners argued that artificial intelligence-created music should be viewed as part of a new genre that requires real-life artistry as well as hours of prompting to get the right sound. "In a world where everybody calls AI fake, the human behind it is real," said music producer Drake Murphy as he presented the award for best AI hip-hop song.

The night's top awards of AI artist, song and album of the year went to Xania Monet, an AI-generated avatar known for *How Was I Supposed to Know?* Billboard said the R&B song was the first by an AI-based act to earn a spot on one of its radio charts. Monet was created by Telisha "Nikki" Jones, who said she wrote all of the lyrics and then set them to music with the help of AI. "I just feel like AI music is a new thing that people just have to get used to," Jones said on the red carpet before the ceremony. "I don't see it going anywhere anytime soon."

While the presence of AI in music-making can be traced back to the 1950s, groundbreaking advances in generative AI, with robots now making music as digital pop stars, have divided opinions in the industry.

BINANCE SAID ON Saturday that it aims to reopen withdrawals for all remaining networks and assets by the end of next week, as operations normalise for the world's biggest cryptocurrency exchange after a security breach linked to North Korea saw $6.3 billion stolen from the platform last month.

"This week, we reopened withdrawals for 87 networks. We will aim to reopen withdrawals for all remaining networks and assets by the end of next week," the company said in an X post.

US flights resume after air traffic network failure leads to chaos

REUTERS
Washington, November 14

THE FEDERAL AVIATION Administration (FAA) lifted a nationwide ground stop on Saturday after a communications failure at air traffic control centres caused chaos at US airports and triggered the longest shutdown since the September 11, 2001, attacks.

Transportation Secretary Sean Duffy said US airspace reopened at 8:15 pm, but warned that it would take time for airlines to restore normal operations. Nearly 10,000 flights had been cancelled, including more than 2,200 each at Delta Air Lines and American Airlines, and 1,800 at United Airlines, according to Flightradar24. The plane-tracking website said some aircraft at major airports had waited more than five hours for a gate.

Air India on Saturday said all its flights to and from the US operated as scheduled without significant delays. The airline also said in a statement that all its flights en route to New York, Newark and San Francisco landed on time early this morning. The four-hour nationwide grounding could disrupt airline schedules for days, aviation analysts said.

"Our switches, our routers actually got overloaded with data and they started to give us inconsistencies in the data from those routers and because of that we shut the system down," Duffy said.

গৃহস্থালী

দুর্গাপুজো, দীপাবলি, ভাইফোঁটায় পকেট ফাঁকা? মাসের শেষটা কীভাবে চালাবেন, ৮টি সহজ টিপস

বিশেষ প্রতিবেদক ঃ উৎসব মানেই আনঃদ, হইহুল্লোড়, নতুন জামাকাপড়, উপহার আর জমিয়ে খাওয়াদাওয়া। কিন্তু উসবের আনঃদ মিটতেই অনেক মধ্যবিত্ত পরিবারের কপালে পড়ে চিন্তার ভাঁজ। বিশেষ করে একের পর এক উসবের মরশুমে পকেটের উপর চাপ পড়ে যথেষ্ট। দুর্গাপুজোর কেনাকাটা, বাইরে খাওয়াদাওয়া, ঘোরাঘুরি, তারপর কালীপুজো ও দীপাবলির বাজি, আলো এবং ভাইফোঁটার উপহার-সব মিলিয়ে মাসের শুরুতেই অনেকের সঞ্চয়ে টান পড়েছে। এখন আবার পরবর্তী বেতন হাতে পেতে বেশ কয়েকটা দিন বাকি। ফলে সংসারের দৈনঃদিন খরচ চালানো নিয়েই চিন্তায় পড়েছেন বহু মানুষ। আপনার অবস্থাও কি একই রকম? মাসের মাঝামাঝি বা শেষের দিকে এসে বুঝতে পারছেন, হিসাবের তুলনায় অনেক বেশি টাকা খরচ হয়ে গিয়েছে? তাহলে এখনই আতঙ্কিত না হয়ে প্রয়োজন খরচের উপর নিয়ন্ত্রণ আনা। কয়েকটি সহজ নিয়ম মেনে চললেই বাকি দিনগুলি তুলনামূলক স্বস্তিতে কাটাতে পারবেন। রইল সংসারের বাজেট সামলানোর ৮টি কার্যকর টিপস।

১. প্রথমেই হিসাব করুন, বেতন পেতে কতদিন বাকি-মাসের বাকি দিনগুলি কীভাবে কাটাবেন, তা ঠিক করার আগে হিসাব করে নিন পরবর্তী বেতন কবে পাবেন। ধরুন, বেতন পেতে এখনও ১০ দিন বাকি। তাহলে এই ১০ দিনের জন্য হাতে থাকা টাকাতেই সংসার চালানোর পরিকল্পনা করতে হবে।

প্রতিদিন কত টাকা খরচ করতে পারবেন, তার একটা সীমা নির্ধারণ করুন। এতে অপ্রয়োজনীয় খরচ করার প্রবণতা কমবে।

২. জরুরি খরচের তালিকা তৈরি করুন-হাতে কত টাকা রয়েছে, শুধু সেটুকু জানলেই হবে না। আগামী কয়েকদিনে কোন কোন খরচ করতেই হবে, তার তালিকা তৈরি করুন। যেমন বাজার, ওষুধ, বিদ্যুতের বিল, যাতায়াতের খরচ, সন্তানের পড়াশোনা কিংবা বাড়ির প্রয়োজনীয় জিনিসপত্র। এই খরচগুলির টাকা প্রথমেই আলাদা করে রাখুন। বাকি টাকা দিয়েই সংসার চালানোর পরিকল্পনা করুন।

৩. বাইরের খাবার নয়, বাড়ির রান্নায় ভরসা রাখুন-উৎসবের সময় রেস্তরাঁয় খাওয়া কিংবা অনলাইনে খাবার অর্ডার করার অভ্যাস অনেকেরই বেড়ে যায়। কিন্তু মাসের বাকি দিনগুলিতে এই অভ্যাসে লাগাম টানুন। চেষ্টা করুন বাড়িতে রান্না করা খাবার খেতে। বাজার করার সময়ও প্রয়োজনীয় জিনিসের তালিকা তৈরি করে যান। অপ্রয়োজনীয় খাবার বা দামি প্যাকেটজাত সামগ্রী কেনা এড়িয়ে চলুন। এতে বেশ কিছু টাকা বাঁচবে।

৪. অনলাইন শপিং থেকে দূরে থাকুন-মোবাইল খুললেই বিভিন্ন অনলাইন শপিং অ্যাপের আকর্ষণীয় অফার চোখে পড়ে। কখনও ফ্ল্যাশ সেল, কখনও বিশেষ ছাড়, আবার কখনও সীমিত সময়ের অফার। এই প্রলোভনে পড়েই অনেক সময় প্রয়োজন নেই এমন জিনিস কিনে ফেলি। তাই আপাতত অনলাইন শপিং অ্যাপ থেকে দূরে থাকুন। কোনও জিনিস পছ ঃদ হলেও এখনই কেনার সিদ্ধান্ত নেবেন না। প্রয়োজনীয় কেনাকাটা বেতনের পরের মাস পর্যন্ত পিছিয়ে দিন।

৫. সপ্তাহান্তের আড্ডায় সাময়িক বিরতি দিন-বন্ধুবান্ধবের সঙ্গে দেখা করা, রেস্তরাঁয় খাওয়া কিংবা সপ্তাহান্তে কোথাও ঘুরতে যাওয়ার পরিকল্পনা আপাতত স্থগিত রাখুন। কারণ, ছোট ছোট আড্ডা ও ঘোরাঘুরির খরচ যোগ করলে মাসের শেষে বড় অঙ্ক হয়ে দাঁড়ায়। তার বদলে বাড়িতে বন্ধুদের সঙ্গে সময় কাটাতে পারেন। এতে আনঃদও থাকবে, আবার পকেটেও চাপ পড়বে না।

৬. ধার নেওয়ার আগে দু'বার ভাবুন-মাসের খরচ সামলাতে গিয়ে পরিচিত বা আত্মীয়দের কাছ থেকে টাকা ধার নেওয়ার কথা অনেকের মাথায় আসে। কিন্তু খুব প্রয়োজন না হলে ধার নেওয়া এড়িয়ে চলুন। কারণ, পরের মাসে বেতন পেলেও সেই টাকা ফেরত দেওয়ার অতিরিক্ত চাপ তৈরি হবে। ফলে পরবর্তী মাসের বাজেটও বিঘ্নিত হতে পারে। তাই সাময়িক সংযমের মাধ্যমে পরিস্থিতি সামাল দেওয়ার চেষ্টা করুন।

৭. ক্রেডিট কার্ড ব্যবহারে সতর্ক থাকুন-হাতে নগদ টাকা কম থাকলে ক্রেডিট কার্ড ব্যবহার করার প্রবণতা বাড়ে। কিন্তু মনে রাখবেন, ক্রেডিট কার্ডের মাধ্যমে খরচ করা মানে সেই টাকা আপনার নিজের নয়। নির্দিষ্ট সময়ের মধ্যে বিল মেটাতে হবে। সময়মতো বিল না মেটালে সুদ ও অতিরিক্ত চার্জের বোঝাও বাড়তে পারে। তাই আপাতত অপ্রয়োজনীয় কেনাকাটায় ক্রেডিট কার্ড ব্যবহার করবেন না।

৮. প্রতিদিনের খরচ লিখে রাখুন-মাসের বাকি দিনগুলিতে কোথায় কত টাকা খরচ করছেন, তার হিসাব রাখুন। ছোট ছোট খরচও নোট করুন। দিনের শেষে একবার হিসাব মিলিয়ে দেখুন। এতে কোন খাতে বেশি টাকা বেরিয়ে যাচ্ছে, তা সহজেই বুঝতে পারবেন। প্রতিদিনের জন্য একটি নির্দিষ্ট খরচের সীমা রাখুন এবং যথাসম্ভব তা মেনে চলুন।

উৎসবের সময় আনঃদ করতে গিয়ে অতিরিক্ত খরচ হয়ে যাওয়া অস্বাভাবিক নয়। কিন্তু সেই খরচের প্রভাব যাতে পরবর্তী মাসের সংসারে না পড়ে, সেদিকে নজর রাখা জরুরি। অযথা দুশ্চিন্তা না করে পরিকল্পনা করে খরচ করুন। মনে রাখবেন, কয়েকদিনের জন্য বিলাসিতা কমানো মানেই জীবনযাত্রার মান কমে যাওয়া নয়। বরং সঠিক আর্থিক পরিকল্পনাই আপনাকে মাসের শেষ পর্যন্ত নিশ্চিন্তে সংসার চালাতে সাহায্য করবে।

'সেভেন ফেল মুখ্যমন্ত্রী ডক্টরেট হয়ে যাবেন না!'প্রশান্ত কিশোর

পাটনা, ১৪ নভেম্বর ঃ বিহারের রাজনীতিতে ফের মুখোমুখি সংঘাতে মুখ্যমন্ত্রী সম্রাট চৌধুরী এবং জন সুরাজ পার্টির প্রতিষ্ঠাতা প্রশান্ত কিশোর। সম্প্রতি একটি অনুষ্ঠানে দু'জনের মুখোমুখি সাক্ষাতের ভিডিও ভাইরাল হতেই শুরু হয়েছিল জল্পনা। তাহলে কি এবার বরফ গলছে দুই রাজনৈতিক প্রতিপক্ষের মধ্যে? সেই জল্পনায় জল ঢেলে দিলেন স্বয়ং প্রশান্ত কিশোর। স্পষ্ট জানিয়ে দিলেন, মুখ্যমন্ত্রীর সঙ্গে সৌজন্য সাক্ষা হলেও তাঁর রাজনৈতিক অবস্থানের কোনও পরিবর্তন হয়নি। শুধু তাই নয়, সম্রাট চৌধুরীর শিক্ষাগত যোগ্যতা নিয়েও ফের কটাক্ষ ছুড়েছেন তিনি। পিকের মন্তব্য, মুখ্যমন্ত্রীর সঙ্গে বৈঠক করলেই তিনি ' ফেল' থেকে ডক্টরেট হয়ে যাবেন না। তাঁর এই মন্তব্য ঘিরে বিহারের রাজনৈতিক মহলে নতুন করে শুরু হয়েছে বিতর্ক। সম্প্রতি পাটনায় বিজেপি নেতা তথা প্রাক্তন রাজ্যসভা সাংসদ আরকে সিনহার স্মরণে আয়োজিত একটি প্রার্থনাসভায় মুখোমুখি হন প্রশান্ত কিশোর ও সম্রাট চৌধুরী। গত ৩০ অক্টোবর প্রয়াত হন সিনহা। তিনি বেসরকারি নিরাপত্তা সংস্থা ' অ্যান্ড ইঃটেলিজেন্স সার্ভিসেস'-এর প্রতিষ্ঠাতাও ছিলেন। তাঁর স্মরণে আয়োজিত অনুষ্ঠানে উপস্থিত ছিলেন রাজ্যের মুখ্যমন্ত্রী এবং জন সুরাজ পার্টির প্রধান। সেখানেই দু'জনের কথোপকথনের দৃশ্য ক্যামেরাবঃদ হয়। পরে সেই ভিডিও সমাজমাধ্যমে ছড়িয়ে পড়তেই রাজনৈতিক মহলে শুরু হয় নানা জল্পনা। ভিডিওটি সামনে আসার পর সাংবাদিকরা প্রশান্ত কিশোরকে প্রশ্ন করেন, মুখ্যমন্ত্রীর সঙ্গে তাঁর এই সাক্ষা কি দুই পক্ষের তিক্ত সম্পর্কের অবসানের ইঙ্গিত? রাজনৈতিক অবস্থানে কি কোনও পরিবর্তন এসেছে? জবাবে পিকে স্পষ্ট করে দেন, এই সাক্ষা সম্পূর্ণ সামাজিক সৌজন্যের বিষয়।

পূর্ব সিকিমে ভয়াবহ তুষারঝড়! বরফের চাদরে আটকে ৩০০-র বেশি গাড়ি

পাহাড়ে বেড়াতে গিয়ে ফের বিপত্তির মুখে পর্যটকরা। পূর্ব সিকিমের উঁচু এলাকাগুলিতে আচমকা প্রবল তুষারপাতের জেরে আটকে পড়লেন প্রায় এক হাজার পর্যটক। বরফের পুরু আস্তরণে ঢেকে গেল রাস্তা। একের পর এক গাড়ি চলাচলের ক্ষমতা হারিয়ে মাঝপথে আটকে পড়ে। পরিস্থিতি আরও ভয়াবহ হয়ে ওঠে রাস্তায় ' আইস' তৈরি হওয়ায়। তীব্র ঠান্ডা, প্রবল হিমেল হাওয়া এবং প্রতিকূল আবহাওয়ার মধ্যে বিপাকে পড়েন পর্যটক ও স্থানীয় বাসিন্দারা। খবর পেয়েই উদ্ধারকাজে নামে ভারতীয় সেনাবাহিনী, পুলিশ এবং সিকিম প্রশাসন। বৃহস্পতিবার গভীর রাত পর্যন্ত চলে অভিযান। সেনাবাহিনীর তপরতায় শেষ পর্যন্ত ৯০০-রও বেশি মানুষকে উদ্ধার করে নিরাপদে গ্যাংটকে ফেরানোর ব্যবস্থা করা হয়।সেনা সূত্রে জানা গিয়েছে, বৃহস্পতিবার সকাল থেকেই পূর্ব সিকিমের নাথু-লা, শেরথাং, বাবা ধাম এবং ছাঙ্গু হ্রদ সংলগ্ন উঁচু এলাকাগুলিতে তুষারপাত শুরু হয়। প্রথমদিকে পর্যটকরা বরফের সৌঃদর্য উপভোগ করলেও বেলা বাড়ার সঙ্গে সঙ্গে পরিস্থিতি দ্রুত বদলাতে থাকে। তুষারপাতের তীব্রতা ক্রমশ বাড়তে থাকায় রাস্তার উপর জমতে শুরু করে বরফের পুরু স্তর। ফলে স্বাভাবিক যান চলাচল সম্পূর্ণ বিপর্যস্ত হয়ে পড়ে।

পরিস্থিতি সবচেয়ে ভয়াবহ হয়ে ওঠে জওহরলাল নেহরু রোডের ১৫ মাইল ও ১৩ মাইলের মধ্যবর্তী থুলা খোলা এলাকায়। শেরথাং চেকপোস্ট ও পুলিশ স্টেশন সংলগ্ন এই রাস্তায় প্রায় এক ফুট গভীর বরফ জমে যায়। বরফের পুরু আস্তরণে রাস্তা এতটাই পিচ্ছিল হয়ে পড়ে যে কোনও গাড়ির পক্ষেই সামনে এগোনো সম্ভব হচ্ছিল না।এর পাশাপাশি রাস্তায় তৈরি হয় বিপজ্জনক ' আইস'। সাধারণ বরফের মতো সাদা দেখায় না এই বরফের স্তর। রাস্তার উপর স্বচ্ছ বরফ জমে থাকায় দূর থেকে তা বোঝা কঠিন। ফলে গাড়ির চাকা সহজেই পিছলে যাওয়ার আশঙ্কা থাকে। এই পরিস্থিতিতে পর্যটকদের গাড়িগুলি একের পর এক আটকে পড়ে। প্রায় ৩০০-র বেশি গাড়ি বরফের মধ্যে আটকে যায়। তার মধ্যে প্রায় ২৫০টি ছিল পর্যটকদের গাড়ি। পরিস্থিতির গুরুত্ব বুঝে বৃহস্পতিবার বিকেলের পর উদ্ধার অভিযানে নামে ভারতীয় সেনাবাহিনীর ত্রিশক্তি কর্পস। নাথু-লা, শেরথাং, বাবা ধাম এবং ছাঙ্গু হ্রদ সংলগ্ন এলাকায় বিশেষ অভিযান শুরু করেন সেনা জওয়ানরা। প্রবল তুষারপাত এবং প্রতিকূল আবহাওয়ার মধ্যেই আটকে পড়া পর্যটকদের কাছে পৌঁছন তাঁরা। সেনাবাহিনীর পাশাপাশি উদ্ধারকাজে হাত লাগায় সিকিম পুলিশ ও প্রশাসন। বরফ সরিয়ে রাস্তা চলাচলের উপযোগী করার চেষ্টা শুরু হয়। একে একে আটকে পড়া গাড়িগুলিকে নিরাপদ জায়গায় সরিয়ে নিয়ে যাওয়া হয়। রাত পর্যন্ত চলা অভিযানে ৩০০-র বেশি গাড়ি উদ্ধার করা সম্ভব হয়। শুধু গাড়ি উদ্ধার নয়, পর্যটকদের নিরাপত্তার দিকেও বিশেষ নজর দেন সেনা জওয়ানরা। কনকনে ঠান্ডায় আটকে পড়া বহু পর্যটক অসুস্থ হয়ে পড়েছিলেন। তাঁদের উদ্ধার করে সেনা ছাউনিতে নিয়ে যাওয়া হয়। সেখানে স্বাস্থ্যপরীক্ষার পাশাপাশি প্রয়োজনীয় চিকিসার ব্যবস্থা করা হয়। পর্যটকদের জন্য গরম খাবার ও পানীয়ের ব্যবস্থাও করেন জওয়ানরা।

'সামনাসামনি বিতর্কে বসলেই প্রধানমন্ত্রীর পদ থাকবে না মোদির!' বিস্ফোরক দাবি রাহুল গান্ধীর, ফের চ্যালেঞ্জ

নয়াদিল্লি, ১৪ নভেম্বর ঃ প্রধানমন্ত্রী নরেন্দ্র মোদিকে সরাসরি বিতর্কের ময়দানে নামার চ্যালেঞ্জ জানিয়ে ফের আক্রমণাত্মক মেজাজে লোকসভার বিরোধী দলনেতা রাহুল গান্ধী। এবার শুধু বিতর্কের আহ্বান নয়, রীতিমতো বিস্ফোরক দাবি করলেন তিনি। রাহুলের বক্তব্য, তাঁর স্মার্টফোনে এমন কিছু তথ্য ও প্রমাণ রয়েছে, যা প্রকাশ্যে এলে প্রধানমন্ত্রীর পদে আর থাকতে পারবেন না নরেন্দ্র মোদি। এমনকী, তাঁর দাবি, বিদেশি শক্তির সঙ্গে আপস করেছেন প্রধানমন্ত্রী। সেই সংক্রান্ত প্রমাণও রয়েছে তাঁর ফোনে। রাহুলের আরও অভিযোগ, তাঁর ফোন ট্যাপ করা হচ্ছে এবং তাঁর স্মার্টফোনকে ভয় পান স্বয়ং প্রধানমন্ত্রী। রাহুল গান্ধীর এই মন্তব্য ঘিরে জাতীয় রাজনীতিতে নতুন করে উত্তেজনা তৈরি হয়েছে। বিরোধী দলনেতার দাবি, প্রধানমন্ত্রী যদি সত্যিই তাঁর সঙ্গে মুখোমুখি বিতর্কে বসেন, তাহলে একাধিক গুরুত্বপূর্ণ বিষয়ে তাঁকে সরাসরি প্রশ্নের মুখে দাঁড় করাবেন তিনি। রাহুলের অভিযোগ, দেশের স্বার্থের সঙ্গে আপস করেছেন নরেন্দ্র মোদি। যদিও তাঁর এই গুরুতর অভিযোগের পক্ষে প্রকাশ্যে কী প্রমাণ রয়েছে, তা এখনও বিস্তারিতভাবে সামনে আসেনি। রাহুলের দাবি, প্রধানমন্ত্রী তাঁর স্মার্টফোনকে ভয় পান। সেই কারণেই তাঁর ফোন নম্বর ট্যাপ করা হচ্ছে বলে অভিযোগ বিরোধী দলনেতার। তাঁর বক্তব্য, ফোনে এমন তথ্য রয়েছে, যা সামনে এলে প্রধানমন্ত্রীর রাজনৈতিক ভবিষ্যৎ বড়সড় প্রশ্নের মুখে পড়বে। এই নিয়ে তৃতীয়বার নরেন্দ্র মোদিকে সরাসরি বিতর্কে বসার আহ্বান জানালেন রাহুল। তাঁর দাবি, কোনও পূর্বনির্ধারিত ভাষণ বা

রাজনৈতিক বক্তৃতা নয়, তিনি চান খোলামেলা মুখোমুখি আলোচনা। সেখানে প্রধানমন্ত্রী এবং বিরোধী দলনেতা দু'জনেই একে অপরকে সরাসরি প্রশ্ন করবেন। কোনও পক্ষের অভিযোগের জবাব দেওয়ার সুযোগ থাকবে অন্য পক্ষের কাছেও। রাহুলের কথায়, বিতর্কের নামে বড় বড় ভাষণ দিয়ে কোনও লাভ নেই। তিনি চান প্রধানমন্ত্রী তাঁর সামনে বসুন। দু'জনের মধ্যে সরাসরি প্রশ্নোত্তর হোক। তাঁর চ্যালেঞ্জ, এই বিতর্ক হলে প্রধানমন্ত্রীর বিরুদ্ধে ওঠা অভিযোগের বিষয়গুলি তিনি পাঁচ মিনিটের মধ্যেই তুলে ধরতে পারবেন। এর আগে রাহুল গান্ধী যখন প্রথমবার সরাসরি বিতর্কের প্রস্তাব দিয়েছিলেন, তখন বিজেপির তরফেও পালটা চ্যালেঞ্জ ছুড়ে দেওয়া হয়েছিল। কেন্দ্রীয় স্বরাষ্ট্রমন্ত্রী অমিত শাহ বলেছিলেন, বিতর্ক করতে হলে সংসদে আসুন। প্রয়োজনে সংসদের বিশেষ অধিবেশন ডাকা যেতে পারে। এবার সেই প্রসঙ্গ তুলেই অমিত শাহের বক্তব্যের জবাব দিয়েছেন রাহুল। তাঁর অভিযোগ, সংসদে বিরোধীদের গুরুত্বপূর্ণ বিষয় নিয়ে কথা বলার সুযোগ দেওয়া হয় না। কৃষি আইন, ভোট চুরি, স্পেশাল ইনটেনসিভ রিভিশন (এসআইআর), চিনের সঙ্গে সীমান্ত পরিস্থিতি, প্রাক্তন সেনাপ্রধান এম এম নারাভানের বই এবং এপস্টেইন সংক্রান্ত বিষয়-একাধিক ইস্যুতে তাঁকে বক্তব্য রাখতে বাধা দেওয়া হয়েছে বলে দাবি করেছেন তিনি। রাহুলের বক্তব্য, সংসদে যদি বিরোধী দলনেতাকে গুরুত্বপূর্ণ বিষয়ে কথা বলতেই দেওয়া না হয়, তাহলে সেখানে বিতর্কের প্রস্তাব দিয়ে কী লাভ? তাঁর মতে, প্রকৃত গণতান্ত্রিক বিতর্কের জন্য প্রয়োজন দু'পক্ষের সমান সুযোগ এবং সরাসরি প্রশ্নের উত্তর দেওয়ার মানসিকতা। বিতর্কের জায়গা নিয়েও কোনও আপত্তি নেই বলে জানিয়েছেন রাহুল। তাঁর প্রস্তাব, যে কোনও জায়গায় এই মুখোমুখি আলোচনা হতে পারে। এমনকী, বিতর্কের বিচারক হিসেবে আদানি গোষ্ঠীর চেয়ারম্যান গৌতম আদানি কিংবা রাষ্ট্রীয় স্বয়ংসেবক সংঘের প্রধানকেও রাখা যেতে পারে বলে কটাক্ষ করেছেন তিনি। রাজনৈতিক মহলের একাংশের মতে, বারবার এই বিতর্কের চ্যালেঞ্জ ছুড়ে দিয়ে রাহুল আসলে প্রধানমন্ত্রীকে সরাসরি রাজনৈতিক প্রশ্নের মুখে দাঁড় করাতে চাইছেন। একই সঙ্গে নিজেকে নির্ভীক ও আক্রমণাত্মক বিরোধী মুখ হিসেবে তুলে ধরার চেষ্টা করছেন তিনি। অন্যদিকে, প্রধানমন্ত্রীর পদমর্যাদা এবং রাজনৈতিক প্রোটোকলের কারণে এই ধরনের ব্যক্তিগত মুখোমুখি বিতর্ক বাস্তবে কতটা সম্ভব, তা নিয়েও প্রশ্ন রয়েছে। তবে রাহুলের এই চ্যালেঞ্জ যে বিজেপি ও কংগ্রেসের রাজনৈতিক সংঘাতকে আরও তীব্র করবে, তা বলাই যায়। সব মিলিয়ে, রাহুলের ফোনে কী এমন তথ্য রয়েছে, যার ভিত্তিতে তিনি প্রধানমন্ত্রীর বিরুদ্ধে এত বড় অভিযোগ তুলছেন, সেই প্রশ্নই এখন রাজনৈতিক আলোচনার কেন্দ্রে। তবে অভিযোগ ও রাজনৈতিক চ্যালেঞ্জের বাইরে গিয়ে সেই তথ্যের সত্যতা যাচাই হওয়াই সবচেয়ে গুরুত্বপূর্ণ।

রামলীলা ময়দান নিয়ে একাধিক নিষেধাজ্ঞার প্রস্তুতি

নয়াদিল্লি,১৪ নভেম্বর ঃ জ্ঞানেশ কুমারের ইস্তফার দাবিতে দিল্লির রামলীলা ময়দানে কংগ্রেসের মেগা র‍্যালির পর দু'সপ্তাহও কাটল না। রাজধানীর ঐতিহ্যবাহী ওই ময়দানে এবার বিক্ষোভ, মিছিল এবং জনসভা আয়োজনের ক্ষেত্রে একগুচ্ছ নয়া নির্দেশিকার খসড়া (ভব্বডডট্টজ্ঞ গ্বজ্ঞটঞ্জ্ঞচ গুপ্তগন্ধশ্চত ভত্বড্ডশ্চ) বা স্ট্যান্ডার্ড অপারেটিং প্রসিডিওর তৈরির পথে দিল্লি পুলিশ। তবে এই নির্দেশিকা এখনও চূড়ান্ত হয়নি। প্রাথমিক পর্যায়ে থাকা খসড়াটি অনুমোদনের জন্য দিল্লি পুলিশের সদর দফতরে পাঠানো হয়েছে। সেই এসওপি-তে বলা হয়েছে, রামলীলা ময়দানে সর্বাধিক ৫০ হাজার মানুষের জমায়েত করা যাবে এবং সকাল ১০টা থেকে বিকেল ৫টা, এই সাত ঘণ্টার মধ্যে কর্মসূচি শেষ করতে হবে। কর্মসূচির অন্তত ১০ দিন আগে আয়োজকদের অনুমতির জন্য আবেদন জানাতে হবে। মাঠের ধারন ক্ষমতা ৫০ হাজার হলেও কর্মসূচি অনুযায়ী সেটার পরিমাণ ঠিক করা হবে। যান নিয়ন্ত্রণ ও গাড়ি পার্কিংয়ের ব্যবস্থাপনার বিষয়ে আয়োজকদের পুলিশের সঙ্গে সমন্বয় রেখে চলতে হবে। কোনও ভাবেই রাস্তা, ফুটপাত কিংবা জরুরি পরিষেবার পথ অবরুদ্ধ করা যাবে না। কোনওরকম অস্ত্রশস্ত্র বা দাহ্য পদার্থ নিয়ে মিছিল করা যাবে না। মাসখানেক আগেই যন্তর মন্তরের ' হিসাবে স্বীকৃতি বাতিল করে নতুন বিক্ষোভস্থল হিসাবে রামলীলা ময়দানকে চিহ্নিত করে দিল্লি পুলিশ। কেন্দ্রীয় স্বরাষ্ট্রমন্ত্রকের তরফে জানিয়ে দেওয়া হয়েছে, যন্তর মন্তরকে আর প্রতিবাদস্থল হিসাবে ব্যবহার করা যাবে না। তিনটি বিকল্পের ব্যবস্থা করেছে পুলিশ। তারমধ্যে সবচেয়ে পরিচিত স্থান রামলীলা ময়দান। উত্তর দিল্লির বুরারি ময়দান এবং পূর্ব দিল্লির সিবিডি ময়দানকেও বিক্ষোভস্থল হিসাবে চিহ্নিত করা হয়েছে। এর মধ্যে যন্তরমন্তর থেকে সবচেয়ে কাছে এই রামলীলা ময়দানই। দূরত্ব ৩ কিলোমিটার। এই তিনটি জায়গার মধ্যে সবচেয়ে পরিচিত হল রামলীলা ময়দান। রাজধানীর কেন্দ্র থেকে সবচেয়ে কম দুরত্বে এটিই অবস্থিত। কিন্তু সূত্র মারফত জানা গিয়েছে, এই ময়দান বুক করতে গেলে ১.২১ লক্ষ টাকা খরচ।
