The views expressed here may contain information derived from publicly available sources that have not been independently verified, and no representation or warranty is made as to the accuracy, completeness, reasonableness or reliability of this information. This presentation should not be relied upon as a recommendation or forecast by Shankara Building Products Limited and any of their subsidiaries, joint ventures and associates and cannot be relied upon as a guide to future performance.

This presentation contains 'forward-looking statements' – that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as 'expects,' 'anticipates,' 'intends,' 'plans,' 'believes,' 'seeks,' or 'will.' Any forward looking information in this presentation including, without limitation, any tables, charts and/or graphs, has been prepared on the basis of a number of assumptions which may prove to be incorrect. Forward-looking statements by their nature address matters that are, to different degrees, uncertain. These uncertainties may cause our actual future results to be materially different than those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements. We caution you that reliance on any forward-looking statement involves risk and uncertainties, and that, although we believe that the assumption on which our forward-looking statements are based are reasonable, any of those assumptions could prove to be inaccurate and, as a result, the forward-looking statement based on those assumptions could be materially incorrect.

In no event shall the Company or its directors be responsible to any person or entity for any loss or damage, whether direct, indirect, incidental, consequential or otherwise, arising out of access or use or dissemination of information contained in this presentation, including, but not limited to, loss of profits. No representation, warranty, guarantee or undertaking (express or implied) is made as to, and no reliance should be placed on, the accuracy, completeness or correctness of any information, including any estimates, targets and opinions, contained herein, and no liability whatsoever is accepted as to any errors, omissions or misstatements contained herein and, accordingly, none of the Company, its advisors and representative and any of its or their affiliates, officers, directors, employees or agents, and anyone acting on behalf of such persons accepts any responsibility or liability whatsoever, in negligence or otherwise, arising directly or indirectly from this presentation or its contents or otherwise arising in connection therewith.

You must make your own assessment of the relevance, accuracy and adequacy of the information contained in this presentation and must make such independent analysis as you may consider necessary or appropriate for such purpose. Any opinions expressed in this presentation are subject to change without notice and past performance is not indicative of future results. By attending this presentation, you acknowledge that you will be solely responsible for your own assessment of the market and the market position of the Company and that you will conduct your own analysis and be solely responsible for forming your own view of the potential future performance of the Company's business.

The information in this presentation has been prepared for use in presentations by Company for information purposes only and does not constitute, or should be regarded as, or form part of any offer, invitation, inducement or advertisement to sell or issue, or any solicitation or any offer to purchase or subscribe for, any securities of the Company in any jurisdiction, including the United States and India, nor shall it, or the fact of its distribution form the basis of, or be relied on in connection with, any investment decision or any contract or commitment to purchase or subscribe for any securities of the Company in any jurisdiction, including the United States and India. This presentation does not constitute a recommendation by the Company or any other party to sell or buy any securities of the Company. This presentation and its contents are not and should not be construed as a prospectus or an offer document, including as defined under the Companies Act, 2013, to the extent notified and in force or an offer document under the Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 as amended.

This presentation contains certain supplemental measures of performance and liquidity that are not required by or presented in accordance with Indian GAAP, and should not be considered as an alternative to profit, operating revenue or any other performance measures derived in accordance with Indian GAAP or an alternative to cash flow from operations as a measure of liquidity of the Company.

By accessing this presentation, you accept this disclaimer and any claims arising out of the use of the information from this presentation shall be governed by the laws of India and only the courts in Mumbai, and no other courts, shall have jurisdiction over the same.

*In this presentation, the financial information of the Company for Fiscals 2018 and 2017 are derived from the Company's audited financial statements prepared in accordance with Ind AS ("**Ind AS Financial Information**"), and the financial information of the Company for Fiscal 2016 is derived from the Company's audited financial statements prepared in accordance with Indian GAAP ("**IGAAP Financial Information**"). The Ind AS Financial Information may not be comparable with the historical IGAAP Financial Information, included in this presentation.*

Strategies to enhance stakeholder value

Industry Overview

Buildings Material Industry estimated to grow at **8.5-9.0%**
CAGR to
Rs. **7.2-7.6** lakh crore by **2021-22** of which **34-38%** is
sold through Retail Network

Key building material required for housing unit

Opportunity for retail of 8 key building materials - Rs. 1.6 – 1.9 lakh crore

Building materials industry for the 8 key segments to grow significantly...

... with different growth models & sectors...

aided by Government initiatives to boost the housing sector

- Real Estate Regulatory Act (RERA)
- Pradhan Mantri Awas Yojana - Urban (PMAY-U)
- Goods and Services Tax (GST)
- Atal Mission for Rejuvenation and Urban Transformation, AMRUT Mission
- Pradhan Mantri Awaas Yojana –Gramin (PMAY-G)
- Smart Cities Mission

~34-38% of these building materials sold through retail channel

Building material manufacturers looking to expand presence in retail category

Manufacturers

Rs. 1.6 – 1.9 trillion home improvement retail industry - FY17

Challenges for home owners

- Trust
- Convenience

Customers

Home owners becoming increasingly involved in construction, re-modelling/renovation decisions

Emerging shift from un-organized to organized building material retailing

Strong growth potential across segments

Particulars	Market Size (in Rs.bn) in 2016-17	Growth Forecast for next 5 Years	Share of Organized Vs. Unorganized	Typical levels of Customer involvement in purchase of Products (Home Owners)	Indicative share of sales via retail channels
Cement	1,325-1,430	6.5%-7.0%			
Structural Steel	1,450-1,550	9.0%-10.0%			
Bricks	640-650	8.0%-9.0%			
Paints	380-400	10.0%-12.0%			
Plumbing – PVC Pipes	240-260	12.0%-13.0%			
Ceramics Tiles & Sanitaryware	245-250	5.0%-7.0%			
Plywood & Laminates	230-240	8.0%-9.0%			
Lighting	205-215	12.0%-14.0%
