Dear Sir/ Madam,

Sub.: Setting up of CFS facility at Kolkata Port

We are pleased to inform you that as a part of the growth strategy of the Container Freight Station Business, the Company is setting up Container Freight Station facility at Kolkata Port. The objective of setting up the said facility is to avail the opportunity of covering growing container traffic of eastern parts of the Country. The facility will also be strategically located to serve EXIM business of bordering areas of Eastern Region including Nepal and Bhutan.

The Kolkata Port Authority has recently allotted land admeasuring 16.5 Acres on long term lease basis (30 years) to the Company for setting up of CFS facility, which will be situated at a distance 2.5 km. from the Kolkata Port. The proposed CFS facility will have state of the art infrastructure like other CFS & ICD facilities at JNPT, Chennai, Mundra, Dadri & Pithampur. The total investment for setting up CFS facility at Kolkata port is envisaged at this stage to be around Rs.35 Crores and expect to fully operationalize latest by end of FY2017, subject to necessary regulatory approvals.

Brief of Kolkata CFS:

Kolkata Port is strategically located at the eastern part of the Country and current volumes are more than 600,000 containers. Kolkata Port has retained its 3rd rank amongst major Ports for container business and is a gateway for Nepal and Bhutan traffic.
