2. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. Pending final approval of NCLT on the Scheme of Amalgamation, no effect of the Scheme has been given in these financial results.
5. During the year ended March 31, 2016, the Company has received an order from the Commissioner of Service Tax Mumbai ('the Order') which included demand for Rs. 2,201 lakhs, excluding interest and penalty, on account of disallowance of CENVAT Credit on Capital Goods (Digital Cinema Equipments) claimed by the Company for the period April 2008 to March 2014 as the possession of the equipments is not with the Company. Based on legal opinion obtained, the Company is of the view that these equipments are used for providing taxable output services and hence should be entitled to avail CENVAT credit and is therefore contesting this demand. The Company believes that its position is likely to be upheld in the appellate process and accordingly no provision has been considered necessary in these financial results. The statutory auditors have included a matter of emphasis paragraph in respect of this matter in their auditors report on the standalone and consolidated financial statements for the year ended March 31, 2016 and audit report on the standalone and consolidated financial results for the quarter and year ended March 31, 2017.
6. In June 2016, the Company had filed applications with the Central Government for the waiver of excess managerial remuneration of Rs 1,583 lakhs determined to be in excess of the limits specified under section 197 read with schedule V of the Act for the year ended March 31, 2016, resulting due to the inclusion of perquisite value of employees stock options (ESOPs) as determined as per Income Tax Act, 1961 (difference between the exercise price of the employee stock options and the market price of the shares on the date of exercise of the options) in managerial remuneration. These ESOPs were exercised by the managing and joint managing director during the year ended March 31, 2016. Based on legal opinion obtained by the management in May 2017, the Company believes that granting of ESOPs (and exercise thereof) did not involve a cash payment by the Company to the managing directors and no expense was required to be provided in the Company's profit and loss account in any financial year relating to the period of vesting. Since, IT value of perquisites is not paid or payable by the Company, it cannot be considered as managerial remuneration as per the provisions of section 197 read with schedule V of the Act. Accordingly, the Company is in compliance with section 197 of the Act for the year ended March 31, 2016. Subsequent to year end, the Company withdrew the application filed with the Central Government. Accordingly, no adjustments have been made to the financial statements for the year ended March 31, 2017.
7. On May 17, 2017, the Board of Directors have approved the acquisition of 66,609 equity shares of Scrabble Entertainment Limited (SEL), a subsidiary of the Company, from the other equity shareholders of SEL for a total consideration of Rs 1,454 Lakhs. This acquisition is likely to be completed in the quarter ended June 30, 2017, consequent to which SEL will become a wholly owned subsidiary.
8. The Board of Directors have recommended for the approval of Members a final dividend of Rs. 10/- (100%) per equity share of Rs. 10/- each for the financial year 2016-17. As per the requirement of Accounting Standard 4 (revised), the Company has not recognised any provision in financial results.
9. Previous year/period figures have been regrouped / reclassified, where necessary, to conform to current period classification.
