Sub: General Announcement

Dear Sir/Madam,

We wish to inform you that Galaxy Surfactants Ltd. has signed a Partnership Growth Charter with Unilever, marking a new phase in their longstanding 45-year relationship. The charter is a framework for accelerating new chemistries and next-generation surfactant technologies, strengthening supply resilience and future growth capacity through bio-based alternatives, lower-carbon technologies and strategic planning, and enhancing competitiveness through closer collaboration and value-chain innovation. The partnership brings together Galaxy's surfactant science and value-engineering capabilities with Unilever's formulation, innovation, and consumer understanding expertise.

Kindly take the same on your records.

Thank you,

Yours faithfully,

For **Galaxy Surfactants Limited**
