Dear Sirs,

Sub: Gammon Infrastructure Projects Ltd., Scrip Code-532959, Scrip ID-GAMMNINFRA: Clarification on Sidhi-Singrauli and Birmitrapur-Barkote projects.

We refer to the news item being carried in a section of the electronic media that we are the lowest bidders for the 102 km Sidhi – Singrauli road project of the Madhya Pradesh Road Development Corporation and the 107 km Birmitrapur – Barkote road project of the National Highways Authority of India and that our Managing Director, Mr.Kishor Kumar Mohanty has confirmed the same.

We hereby clarify that our Managing Director has denied conveying or clarifying any such information to the news media or anyone else for that matter.

However, we had bid for these two projects and while we are the lowest bidder for the 102.6 km Sidhi – Singrauli project, we are the only bidder for the 125.61 km Birmitrapur – Barkote project. We do not have any documentary evidence to prove this status; however we were present when the bids were opened.

Being the lowest bidder or sole bidder does not mean that the concerned projects will be awarded to us. We do not normally make any public announcement of projects won by us till we receive the letter of intent from the client and we decide to accept the same. However, we are issuing this clarification in view of the news being flashed by the electronic media.

Yours Faithfully
For **Gammon Infrastructure Projects Limited**
