SUB: Request to issue a duplicate share certificate for the Folio No: 921

Dear Sir/Madam,

I, Prakash Ranjan Mukhopadhyay, husband of Smt. Mita Mukherjee would like to draw your kind attention regarding a concern for the shares that I purchased in the year 1993.

As per my knowledge and the documentations I have with respect to the receipts and certificates, I was under the impression that I had purchased 300 shares in the name of my wife Mita Mukherjee and all those relevant documents are present intact.

However, I received a document last year regarding e-Voting and there, it is mentioned that the number of shares held is 400. I am worried that I do not have any documentation present for the missing 100 shares that I had purchased, which might have got misplaced during the course of shifting from my old premise.

I earnestly request you to kindly check for the missing certificate and if possible, kindly issue a duplicate certificate for the missing folio and post it to my address.

Place: Kolkata

Yours Faithfully,

Dated: 30-Sep-23
