Ganesh Infraworld Ltd.: A New Era of Growth, Commitment & Transformation

As we publish our first-ever financial results after our NSE listing, I feel an overwhelming sense of gratitude and responsibility. This is more than just a milestone—it is a reflection of the hard work, resilience, and vision that has shaped Ganesh Infraworld Ltd. into a formidable force in the infrastructure sector. Our journey from a partnership firm to a listed company has been built on trust, integrity, and excellence, and today, we reaffirm our commitment to sustainable growth and stakeholder value creation.

A Strong Financial Performance

Ganesh Infraworld Ltd. has delivered outstanding financial results, with Q3 FY25 revenue increasing by 57% to ₹14,919.48 lakhs and EPS improved to ₹2.65, highlighting our focus on profitability and shareholder value.

Commitment to Predictable Growth & Future Focus

Our strategic priorities focus on sustainable expansion, cost optimization, and operational excellence. We are increasing our focus on water infrastructure projects, aligning with India's vision for efficient resource management. Our order book remains robust, and we aim to enhance margins, streamline execution, and optimize costs to deliver consistent, high-quality results.

People-First Culture: The Heart of Ganesh Infraworld

Our team members are the backbone of our success. Their dedication, expertise, and resilience drive our growth, and we are committed to nurturing their well-being. We prioritize their well-being with a comprehensive health insurance policy, recognizing the importance of mental and physical health for long-term success.

Building a Resilient & Sustainable Future

As India approaches its 100th year of independence, we take pride in contributing to national growth through sustainable infrastructure projects that drive economic, social, and environmental progress.

Looking Ahead: A Shared Vision for Success

This is just the beginning of an exciting new era. With your unwavering trust and support, we are well-positioned to achieve new heights, set industry benchmarks, and create lasting value for all stakeholders. We remain committed to excellence, innovation, and impact, and I assure you—the best is yet to come!

About us

Ganesh Infraworld Limited, formerly known as Ganesh International, stands out as among the fastest growing Infrastructure Company in Eastern India, specializing in servicing EPC Giants. Our mission is to **offer comprehensive end-to-end solutions for all Erection Services required in complex Infrastructure projects.**

With a dynamic team of young and passionate individuals, we tirelessly strive to revolutionize the EPC Industry by providing unparalleled service accessibility round-the-clock, 365 days a year, right at our clients' doorsteps. We pride ourselves as the ultimate destination for all EPC service needs.

Specializing in Civil & Electrical Infra, Road & Rail Infra, and Water Infra. Our commitment lies in delivering professional, client-centric project solutions. As an employee-owned company, we uphold the highest standards of integrity, ensuring that we consistently go above and beyond on every project and fulfill our promises with precision and punctuality - every time!

Focus and Takeaway for our company

Key Focus Areas

Tech-Driven Expansion: Adopting Aluminium Formwork in civil construction and smart metering in the electrical sector to enhance efficiency.

Market Growth: Expanding presence in Maharashtra's power sector and scaling urban infrastructure projects.

Operational Excellence: Focusing on fast execution, quality, and cost optimization for improved profitability.

Sustainable Growth: Building investor trust through compliance, financial discipline, and long-term project sustainability.

Key Takeaways for Investors

Steady Business Growth – Expansion into new verticals and geographies demonstrates our growth momentum.

Innovation & Competitive Edge – Integration of advanced construction and electrical technologies for improved efficiency.

Strong Execution Pipeline – A well-defined roadmap with secured projects ensures revenue visibility.

Commitment to Value Creation – Focused on delivering sustainable and profitable growth to stakeholders.

How will we scale?

Strengthen relationship with existing customers
by leveraging execution capabilities

Enhance execution capabilities and geographical
reach (nation wide)

Participating in the construction projects initiated
by Central, various State Govts. and PSUs.

Effective management of our working capital
cycle and increase financial efficiency

“

“Good infrastructure is the foundation of a strong economy. Without world-class infrastructure, economic progress remains a distant dream. If India has to develop, then the most important thing is connectivity. Good roads, railways, ports, and airways are necessary for progress.

Infrastructure development must go hand in hand with sustainability. Our vision is to build a green and energy-efficient India with renewable sources like solar and wind energy.”

”

Shri Narendra Modi
Hon'ble Prime Minister of India

Indian Infrastructure Industry Overview

The government's focus on building infrastructure of the future has been evident as it would help India to become a US \$26 trillion economy

India Advantage

- Capital investment outlay for infrastructure has been increased by 11.1% to Rs. 11.11 lakh crore (US\$ 133.86 billion),
- The "Smart Cities Mission" and "Housing for All" programmes have benefited
- Govt. extensive drives to make India self sufficient (Make in India)
- Gati Sahakti - US\$ 1.3 trillion national master plan for infrastructure
- National Infrastructure Pipeline to meet India's US\$ 5 Tn economy plan by 2025
- Various PLIs offered by the Govt. to encourage Small & Medium Scale enterprises

Key Drivers

- India's population growth and economic development requires transport infrastructure, airports, dams, power, bridges, etc.
- Investments in building especially in synergy with the ease of doing business initiatives
- Increase efficiency and reduce manufacture costs requires an infrastructure push
- Multiple connectivity projects totaling to US\$ 1.8 Bn inaugurated in Kolkata on March 2024.
- As per IMF, Global growth, estimated at 3.2 percent in 2023, is projected to continue at the same pace in 2024 and 2025

GOI has released Rs. 45,841.39 Crore to 26 eligible States for the implementation of Jal Jeevan Mission in the FY 2023-24.

Real estate sector in India is expected to reach US\$ 1 Tn by 2030. By 2025, it will contribute 13% to the country's GDP

Under the Interim Budget 2024-25, the Government of India allocated ~US\$ 33 Bn to the Ministry of Road Transport and Highways

Water Industry Outlook and our Growth

In Water segment, our execution capabilities and timely execution of projects have increased helping us to procure repeat orders and achieve the growth in our revenue from operations. **By Q3 FY25, we have achieved a order value growth of 542.92% in water segment**

Investment in Water Sector in India (Irrigation + WSS)

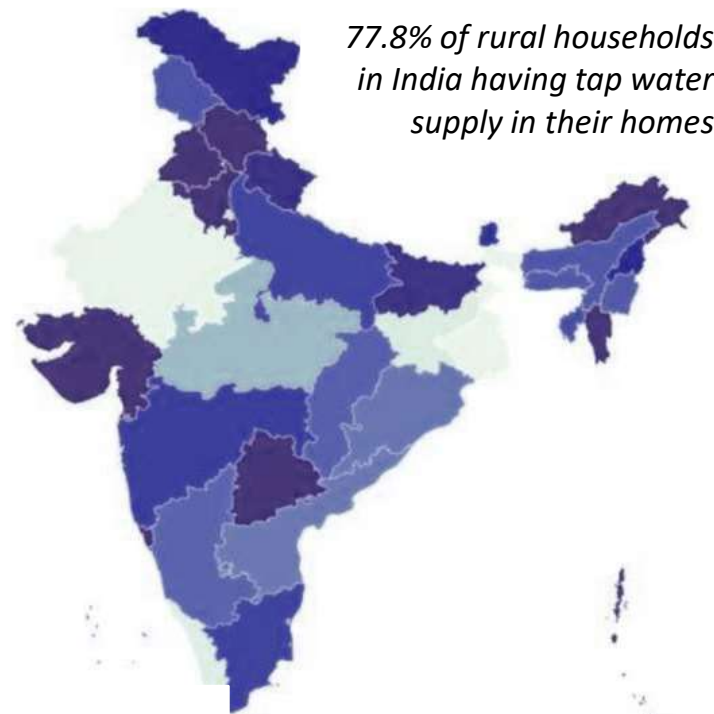

Non-EPC Investments, 20%

EPC Investments, 80%

Status of Tap Water Supply for Households across India as on 29th July 2024

Civil & Electrical Division

Civil Division:

Ganesh Infraworld Ltd. has recently commenced execution of Aluminium Formwork technology for a G+20 building in Mumbai. This marks a significant milestone, adding Aluform Work Technology to our portfolio and enhancing our capability to deliver high-speed, high-quality construction with greater precision and efficiency.

Electrical Division:

Ganesh Infraworld Ltd. has achieved a major breakthrough in the electrical sector by securing a smart meter installation project across four districts in Maharashtra—Kalyan, Sangli, Kolhapur, and Konkan. This expansion strengthens our position in the power infrastructure domain, reinforcing our commitment to modernizing and upgrading India's electrical distribution network

Company Strengths

Strong Order Book from Large Engineering and Construction Companies with Repeat Orders

- This provides visibility of future revenues, sustainable growth opportunities and the ability to enhance shareholder value in the future
- We believe timely execution capacities enable them to secure repeat contracts from the contractors and large EPC players

End to End Project Management and Execution Capabilities

- Company offers integrated construction solutions tailored to the client's needs, leveraging design, engineering, and project execution capabilities
- Promoter and senior management include a team of technical and experienced professionals in the construction industry

Managing diverse segments of infrastructure projects spread across India

- Company has successfully executed various construction projects such as industrial construction projects, non-industrial construction projects (including the construction of residential and commercial buildings), etc.
- Diverse range of projects spread across India helps us to mitigate risks in the event of industry setback

Experienced promoter, Young and Dynamic Management Team

- Leadership team, our Promoter Vibhoar Agrawal and our management team is well qualified and experienced in Infrastructure projects to fulfil projects as per timeline and maintain client relationships
- 42 permanent employees that includes 18 engineers and technicians

Key Developments in 9 Months

Successfully completed structural work for 5 lakh sq. ft. at the Nucleus Residential Project one month ahead of schedule

Water infrastructure project in Odisha, opening up long-term opportunities for the next seven years in a high-potential region

New office and operational setup in Bhubaneswar, ensuring seamless execution of the Odisha fresh water project

Successfully installed digital smart meters across Maharashtra for Adani Energy: our expertise in large-scale utility Infra

Successfully raised fund via Ganesh Infraworld Ltd.'s IPO, positioning the company for accelerated growth.

Relocated to a 6,000 sq. ft. office in Sector V, Kolkata: a dedicated design and planning division, for operational efficiency
