2. GLOBAL & DOMESTIC OVERVIEW

The global economy remained resilient during FY 2025-26 despite continued geopolitical uncertainties, evolving trade policies, supply chain realignments and financial market volatility. According to the International Monetary Fund (IMF), global economic growth is projected at 3.0% in 2026, with an improvement to 3.4% in 2027, supported by easing inflation, stable labour markets and increasing investments in technology and infrastructure. However, elevated geopolitical tensions, trade disruptions and commodity price volatility continue to pose risks to the global growth outlook.

India continued to be one of the fastest-growing major economies, driven by robust domestic demand, sustained public capital expenditure, rapid urbanisation and strong policy support for infrastructure development. Government initiatives in power transmission, renewable energy, railways, roads, housing, logistics and industrial corridors continued to create significant demand for steel wire products, fasteners and industrial components across various end-user industries.

The steel wire, nails and fasteners industry witnessed steady demand during the year, supported by continued investments in power transmission & distribution networks, commercial and residential construction, renewable energy projects, manufacturing, warehousing and industrial infrastructure. Increasing emphasis on product quality, adherence to global standards and localisation of supply chains has further strengthened the competitive position of organised manufacturers.

The Government's continued focus on initiatives such as Make in India, National Infrastructure Pipeline (NIP), PM Gati Shakti, renewable energy expansion and manufacturing-led growth is expected to generate sustained demand for galvanized steel wires, transmission products, fencing solutions, industrial fasteners and construction-related products over the medium to long term.

Against this backdrop, Geekay Wires Limited remains well positioned to capitalize on emerging opportunities through its diversified product portfolio comprising galvanized steel wires, steel nails, stainless steel fasteners and fencing products catering to the power transmission, infrastructure, construction, engineering and industrial sectors. The Company's established manufacturing capabilities, stringent quality standards, in-house testing facilities, expanding export presence and long-standing relationships with customers continue to strengthen its competitive advantage in both domestic and international markets. Outlook

Steel Industry:

According to industry estimates, domestic steel demand is expected to grow by around 9-10% during FY 2026-27, supported by the Government's continued focus on infrastructure development and increased capital expenditure across roads, railways, power transmission, renewable energy, housing and industrial projects. The gradual revival of private capital expenditure and sustained growth in manufacturing are also expected to contribute to higher steel consumption. These developments are expected to create favourable demand for value-added steel products, including galvanized wires, steel nails, fasteners and fencing solutions, thereby providing growth opportunities for companies such as Geekay Wires Limited.

Construction Industry:

According to ICRA, the Indian construction sector is expected to witness **6–8% revenue growth in FY 2026-27**, supported by a healthy order book, sustained Government capital expenditure and improving execution across infrastructure projects. Continued investments in roads, railways, metro rail, airports, urban infrastructure, industrial corridors and affordable housing are expected to drive construction activity. The Union Budget's continued emphasis on infrastructure development and the gradual revival in private sector investments are likely to provide long-term growth momentum to the sector. These factors are expected to generate sustained demand for steel and value-added steel products used in construction and infrastructure projects.

Power Sector:

India's electricity demand is expected to grow by around **5% in FY 2026-27**, supported by increasing industrial activity, urbanisation, higher commercial consumption and expanding renewable energy capacity. Significant investments in transmission networks, grid modernisation and renewable energy integration are expected to create sustained demand for galvanized steel wires, transmission accessories and related products. The sector is expected to benefit from the Government's continued focus on energy security, power infrastructure expansion and clean energy initiatives, thereby offering long-term growth opportunities for companies catering to the power value chain.

Fastener Industry:

The India industrial fasteners market is projected to witness a CAGR of approximately 6.3% during the forecast period FY2026–FY2033, expanding from an estimated market size of USD 6.08 billion in FY2025 to around USD 10.04 billion by FY2033. The market growth is expected to be driven by increasing infrastructure and construction activities, rising automotive production, expansion of industrial manufacturing, renewable energy projects and continued Government initiatives such as 'Make in India' and 'Atmanirbhar Bharat'. These factors are expected to sustain demand for high-quality industrial fasteners across automotive, construction, engineering, power and other industrial sectors.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. 1. Evaluation of Contingent Liabilities:

Refer Note 12 of Notes to accounts forming part of the Standalone Financial Statements. Claims against the company not acknowledged as debts are disclosed in Notes to Accounts. The existence of the payments against these claims requires management judgment to ensure disclosure of most appropriate values of contingent liabilities. Auditors Response: Our audit procedures include, among others, assessing the appropriateness of the management's judgment in estimating the value of claims against the company not acknowledged as debts as given in the Note 12 of Notes to accounts.

2. Evaluation of Contingent Assets:

Refer Note 12 (B) of Notes to accounts forming part of the Standalone Financial Statements, The company is having a pending case regarding recovery of Dues upto period 2025-25 amounting to RS 98,91,556 towards outstanding from M/s Punjab State Forest Corporation. During the year 24-25 company has submitted certificate claiming interest amounting to Rs 10324331 to be received as per the provisions of Clause Number 16 of Chapter V of MSME Act 2006 which is yet to receive. The same is not considered during the year as Contingent assets are not recognized in financial statements since this may result in the recognition of income that may never be realized. However, when the realization of income is virtually certain, then the related asset is not a contingent asset and its recognition is appropriate

Other Matter Para

1. The Company has made an application under Advance Ruling on reversal of input tax credit of goods destroyed in fire. The outcome of the same is not in company's favour. The company has filed an appeal against Advance Ruling before the Authority for clarification & Advance Ruling, Commercial Taxes Department. However there may be a contingent liability regarding reversal of input tax credit amounting to Rs 35, 72,577/- based on the calculation, in which input tax credit availed on cost of production is reduced by GST payable on scrap sales based on the outcome of Appeal. The company has not made any provision in this year and the liability will be determined only on the outcome of the appeal petition pending before the Authority for clarification & Advance Ruling, Commercial Taxes Department.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis; Board's Report including Annexure to Board's Report, Corporate Governance Report but does not include the Standalone Financial Statements and our auditor's report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

For M. M. PALOD & CO
(PARTNER)

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance of the Company in accordance with the accounting principles generally accepted in India, including Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts), Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatements, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also: • Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or

error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE - B TO AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion:

We have audited the internal financial controls over financial reporting of **GEEKAY WIRES LIMITED** ("the Company") as of 31st March, 2026 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating

effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate

All other repair and maintenance costs, including regular servicing, are recognized in the statement of profit and loss as incurred.

No further charge is provided in respect of assets that are fully written down but are still in use. Depreciation on assets under construction commences only when the assets are ready for their intended use.
