**Subject: Disclosure under Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015**

Dear Sir/ Madam,

Pursuant to Regulation 30 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform you that:-

1. GEM Aromatics Limited is witnessing a revival in export demand owing to improving international business conditions, with previously delayed export orders gradually resuming and translating into confirmed business. Further details are provided in the press release enclosed herewith.
2. GEM Aromatics Limited has commenced commercial production of additional products, including WS05 (Cooling Agents) and Safranal (Citral Derivatives) at its Dahej facility, under Krystal Ingredients Private Limited, a wholly owned subsidiary of the Company.

The press release of the same is attached below.

Kindly take the above information on your record.

This intimation is also being placed on the website of the Company at <https://gemaromatics.com/>

Thanking you,

Yours faithfully,

**For Gem Aromatics Limited**

**Akshita Deepak Gohil**  
Company Secretary & Compliance Officer

**Enclosed:** As Above

## Receipt of New Export Orders from USA & Europe

### Commencement of Additional Products Manufacturing at Dahej Facility

**Mumbai, India – 26 February 2026:** GEM Aromatics is pleased to announce that, with the improving international business environment following the proposed FTA with the European Union and tariff reductions by the United States, the Company is witnessing a revival in export demand. Orders that were previously delayed due to higher US tariffs on Indian goods are now gradually resuming, with increasing customer inquiries translating into confirmed business. **In line with this positive momentum, the Company has received multiple export orders aggregating to USD 1 Mn from customers across the USA and Europe.**

Further, we are also pleased to announce the **commencement of commercial production of additional products, including GEM Cool 5 (Cooling Agents) and Safranal (Citral Derivatives)**, at the Company's newly established greenfield manufacturing facility in Dahej, Gujarat, under Krystal Ingredients Private Limited, a wholly owned subsidiary of GEM Aromatics.

Additionally, the manufacturing of Catalyst for **MEHQ** is progressing in line with planned timelines, and expected to be completed by **Q4FY26**.

These additions are aligned with the Company's strategic focus on product diversification and strengthening its manufacturing capabilities, enabling it to effectively cater to growing domestic and international demand while reinforcing its position as a reliable global supplier.

**Commenting on these developments, Mr. Yash Vipul Parekh, Managing Director & CEO, stated:**

“The new export orders from the USA and Europe reflect an improving global trade environment, supported by the easing of tariff related headwinds. With previously deferred demand now gradually returning, we are witnessing a steady increase in customer inquiries, many of which are progressively converting into firm business commitments. This trend provides visibility and a positive outlook for the upcoming quarters.

On the manufacturing front, the commencement of additional products manufacturing at our greenfield facility in Dahej under Krystal Ingredients Private Limited is an important step forward in our growth strategy. New products such as GEM Cool 5 and Safranal will further diversify our product portfolio and enhance our offerings to clients across markets. We are well-positioned to serve our growing domestic and international customer base and remain committed to creating long-term value for all our stakeholders.”

### About Gem:

Established in 1997, GEM Aromatics Ltd is one of the leading manufacturers of specialty ingredients, essential oils, aroma chemicals, and value-added derivatives. Led by a management team with nearly three decades of industry experience, the Company has built a strong foundation rooted in innovation, quality, and customer trust.

With a diverse portfolio of over 80 products spanning Mint & Mint Derivatives, Clove & Clove Derivatives, and other Synthetic and Natural ingredients, GEM Aromatics continues to expand into new categories such as Citral Derivatives, Phenol Derivatives, Cooling Agents, Safranal, and Damascones. Its products cater to industries including oral care, cosmetics, pharmaceuticals, nutraceuticals, wellness, and personal care, serving over 225 domestic and 44 global customers across 18 countries. The Company partners with several leading brands, including Colgate-Palmolive, Dabur, Patanjali, SH Kelkar, Symrise, and others.

GEM Aromatics operates three manufacturing facilities across Uttar Pradesh, Gujarat, and Daman & Diu, with an installed capacity of 6,946 MTPA and an additional 9,229 MTPA under pilot run at the Dahej facility, where a major expansion is underway. The Company holds multiple international certifications, including ISO 9001:2015, ISO 14001:2015, ISO 45001:2018, FSSC 22000, ISO 22000:2018, and ISO TS 22002-1:2009.
