## **General Announcement**

LCC has entered into a significant public-private partnership for a period of 3 years with UPSDM (2014-2017), Department of Vocational Education and Skill development, Govt. of Uttar Pradesh to enhance skills and employability for youth across state of Uttar Pradesh. This project is jointly funded by NSDC, MES – SDI, SSC, MORD, NULM etc. and LCC under this public – private partnership aims to offer skill development courses at over 19 locations in Uttar Pradesh spread across various districts during the next 3 years. The target assigned to LCC for the first year is 5400 students with an aim to provide industry and job specific training and placement to the youth to make them employable. The student allocation to LCC is expected to increase significantly over the next 2 years of the project.

We are glad to announce that under this association as Private Training Partner with the UPSDM, we impart various courses under the ICT sector (Software and Hardware ) and Banking as per MES and NSDC training courses in the state of Uttar Pradesh. Uttar Pradesh Skill Development Mission, Govt. of Uttar Pradesh has total target to provide training to over 23 lakh students over a period of 3 years to enhance livelihood of youth from less privileged sections of society across the state of U.P. through skilling and employability training. The tie-up will help youth from less privileged sections of the society chart ambitious careers by opting for the programs that suits their aptitude. LCC Infotech Limited imparts training across different service sectors – IT training including Software and Hardware and Banking.

In accordance with the mission of bringing professional and employable youth under different section of society, we are happy to partner with UPSDM, Govt of U.P. to reach out to the youth from less privileged sections of the society with job-ready training.

Our motto at LCC is to offer practical and sensible career options to a vast audience whose need for skill development has remain unattended. With this alliance with UPSDM, LCC will continue to create avenues for enhancing the employability environment by bringing jobs to local youth from different section of society.

We assure to develop and increase employability skills of students by offering professional, communication and proficient life skills to make them industry ready. Under this association, the students will also enjoy the benefits of certification and placement assistance. This proposal will expose youth to the massive opportunities available in the services sectors, the skill sets required in these sectors and the existing skill gaps. In addition LCC will help youth to achieve their goal through our unique training, course curriculum and infrastructure.
