**Genesys International Secures additional Order of Rs 15 Crores for adoption of its 3D map stacks and analytics for additional areas around Pune.**

**Mumbai, April 17, 2025:** Genesys International, has announced that it has got a further additional order of Rs. 15 crores for adoption of its 3D maps stacks for additional outer areas of Pune from Regional Development Authorities

This order is noteworthy given the adoption of this approach to urban planning which is needed for all the urban agglomerations. Speaking about the project, Mr. Sajid Malik, CMD of Genesys International Corporation Limited, stated “67 percent of urban India lacks an urban plan . This situation needs fast addressal given the large urbanisation India is going to witness .”

**About Genesys International Corporation**

Genesys International Corporation Ltd is an advanced mapping company. With the nationwide Genesys constellation of sensors, the company is building the new India map stack. Genesys International has unique expertise, encompassing an understanding of emerging consumer applications related to mapping technology and the capability to provide cutting-edge solutions on the enterprise and government markets.
