However, in the view of the particularized nature of tax consequences, Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.

1.9 All the shareholders of the Company holding Equity Shares as on the Record Date will be eligible to participate in the Buyback, including the promoters and members of the promoter group of the Company. 1.11 The Buyback from the Eligible Shareholders who are residents outside India including non-resident Indians, foreign nationals, foreign corporate bodies (including erstwhile overseas corporate bodies), foreign institutional investors/ foreign portfolio investors, etc, shall be subject to such approvals, if any and to the extent necessary or required from the concerned authorities including approvals from the RBI under the Foreign Exchange Management Act, 1999 and the rules and regulations framed thereunder, Income-tax Act, 2025 and rules framed there under, and that such approvals shall be required to be taken by such non-resident shareholders.

1.12 A copy of this Public Announcement is available on the website of the Company at www.genuspower.com, the website of the Manager to the Buyback i.e. IIFL Capital Services Limited (formerly known as IIFL Securities Limited) at www.iiflcapital.com and is expected to be available on the website of the SEBI at www.sebi.gov.in during the period of Buyback and on the website of the Stock Exchanges at www.bseindia.com and www.nseindia.com.

2. NECESSITY OF THE BUYBACK

In view of the Company's strong financial position and adequate liquidity, it is proposed to undertake a buyback of equity shares with the objective of optimizing the Company's capital structure, enhancing shareholder value, improving Earnings Per Share (EPS) and Return on Equity (ROE), while continuing to maintain adequate financial resources to support the Company's future growth and business requirements.

The Board at its meeting held on October 26, 2026 considered the accumulated free reserves as well as the cash liquidity reflected in the latest standalone and consolidated audited financial statements as on March 31, 2026 and, considering these, decided to allocate upto ₹148.20 Crores (Rupees One Hundred Forty Eight Crores and Twenty Lakh Only) for the Buyback, excluding any Transaction Cost.

After considering several factors and benefits to the shareholders holding Equity Shares of the Company, the Board decided to recommend Buyback of Equity Shares at a price of ₹ 312/- (Rupees Three Hundred and Twelve only) per Equity Share for an aggregate consideration upto ₹148.20 Crores (Rupees One Hundred Forty Eight Crores and Twenty Lakh Only). The Buyback is being undertaken, *inter-alia*, for the following reasons:

(i) The Buyback will help the Company to enhance the overall return to shareholders;

(ii) The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders as per Regulation 6 of the Buyback Regulations. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as 'Small Shareholder' as per Regulation 2(i)(n) of the Buyback Regulations;

(iii) The Buyback would help in improving financial ratios like earnings per share and return on Equity, by reducing the Equity base of the Company, leading to increase in long term value for shareholders; and

(iv) The Buyback gives the Eligible Shareholders the choice to either participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback or not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.

3. MAXIMUM AMOUNT REQUIRED FOR THE BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES AND SOURCE OF FUNDS FROM WHICH BUYBACK WOULD BE FINANCED

3.1 The maximum amount required for Buyback will not exceed ₹148.20 Crores (Rupees One Hundred Forty Eight Crores and Twenty Lakh Only), excluding Transaction Cost.

3.2 The maximum amount mentioned aforesaid is 6.77% and 6.72% of the aggregate of the fully paid-up equity share capital and free reserves (including securities premium) as per the latest audited standalone and consolidated financial statements of the Company, respectively, as on March 31, 2026 (being the latest audited financial statements available as on the date of the Board Meeting), which does not exceed 10% of the aggregate of the total paid-up capital and free reserves (including securities premium) of the Company as per latest audited standalone and consolidated financials of the Company as on March 31, 2026.

3.3 The funds for the implementation of the proposed Buyback will be sourced out of free reserves (including securities premium) of the Company and/or such other source as may be permitted by the Buyback Regulations or the Companies Act.

3.4 The Company shall transfer from its free reserves (including securities premium), a sum equal to the nominal value of the Equity Shares so bought to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited financial statements.

3.5 The funds borrowed, if any, from banks and financial institutions will not be used for the Buyback.

4 BUYBACK PRICE AT WHICH THE EQUITY SHARES ARE PROPOSED TO BE BOUGHT BACK AND BASIS OF ARRIVING AT THE BUYBACK PRICE

4.1 The Equity Shares of the Company are proposed to be bought back at a price of ₹312/- (Rupees Three Hundred and Twelve Only) per Equity Share.

4.2 The Buyback Price of ₹312/- (Rupees Three Hundred and Twelve Only) per Equity Share has been arrived at after considering various factors including, but not limited to, (i) the growth prospects of the Company; (ii) the price earnings ratio of the Company and its sector; and (iii) the trends in the volume weighted average prices of the Equity Shares on the Stock Exchanges.

4.3 The Buyback Price represents a premium of:

i. 20.16% and 20.37% over the closing price of the Equity Shares on BSE and NSE, respectively, as on October 23, 2026 (being one working day preceding the date of the Board Meeting approving the Buyback);

iii. 7.14% and 6.20% over the volume weighted average market price of the Equity Shares on BSE and NSE, respectively, during the two weeks preceding October 19, 2026, (being the date of intimation to the Stock Exchanges of the Board Meeting to consider the proposal for the Buyback); and

The date on which the Company intimated to the Stock Exchanges of the date of the meeting of the Board of Directors wherein the proposal of Buyback was considered was October 19, 2026. The closing market price of the Equity Shares as on Intimation Date was ₹283.95 on BSE and ₹282.75 on NSE.

The Company proposes to Buyback upto 47,50,000 (Forty Seven Lakhs and Fifty Thousand) Equity Shares of the Company, representing 1.56% of the total number of Equity Shares in the total paid-up equity capital of the Company, from the Eligible Shareholders, for an amount upto ₹148.20 Crores (Rupees One Hundred Forty Eight Crores and Twenty Lakh Only). However, the actual bought back Equity Shares may fall below the indicative maximum buyback shares, if the Buyback Price fixed by the Board/Buyback Committee exceeds the Buyback Price, subject to number of Equity Shares bought back shall not exceed 25% of the total number of Equity shares in the total paid-up Equity Share capital of the Company and the amount utilized shall not exceed Buyback Size.

12 RECORD DATE, OFFER PERIOD AND SHAREHOLDERS' ENTITLEMENT

- 12.1 As required under the Buyback Regulations, the Company has fixed October 30, 2026 as the Record Date for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buyback. Eligible Shareholders will receive a letter of offer along with a tender/ offer form indicating their entitlement. The tender period for the Buyback offer will commence from November 4, 2026 i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (five) working days, i.e., until November 11, 2026.
- 12.2 As per the Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. All of the equity shareholders of the Company as on Record Date will be eligible to participate in the Buyback.
- 12.3 As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode in accordance with the provisions of the Companies Act within two (2) working days from the Record Date along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. If the Company receives a request from any Eligible Shareholder to receive a copy of the letter of offer in physical form, the same shall be provided.
- 12.4 The Equity Shares proposed to be bought back by the Company, as a part of the Buyback, are divided into two categories:
- Reserved category for small shareholders (as defined below); and
 - General category for all Eligible Shareholders.
- As defined in Regulation 2(i)(n) of the Buyback Regulations, 'small shareholder' means a shareholder of a company, who holds shares or other specified securities whose market value, on the basis of closing price of shares or other specified securities, on the recognised stock exchange in which highest trading volume in respect of such securities, as on record date is not more than two lakh rupees;
- 12.5 In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.
- 12.6 On the basis of the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs ("Buyback Entitlement"). The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder. The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small

Shareholders". Given that the promoters and members of the promoter group of the Company have expressed their intention not to participate in the Buyback, the Equity Shares held by members of the promoter/ promoter group shall not be considered for computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the Buyback Regulations, and to that extent, the Eligible Shareholders will have a higher Buyback Entitlement ratio.

- 12.7 In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the small shareholder category, the Company will club together the Equity shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (small shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies, clearing members etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the "Registrar") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body –broker" as per the beneficial position data as on the Record Date, with common PAN, are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients

- 12.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.

- 12.9 The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. - The Seller Member would be required to place an order/bid on behalf of the Eligible Shareholders who wish to tender Equity Shares in the Buyback using the Acquisition Window of the Stock Exchanges. Details of shares blocked in the shareholders demat account shall be provided by the target depository to the Clearing Corporation.

- Upon placing the bid, the Seller Member shall provide a Transaction Registration Slip (the "TRS") generated by the exchange bidding system to the Eligible Shareholder. - It is clarified that in case of dematerialized Equity Shares, submission of the tender form and TRS to the Registrar is not required. After the receipt of the demat Equity Shares by the Clearing Corporation and a valid bid in the exchange bidding system, the Buyback shall be deemed to have been accepted for Eligible Shareholders holding Equity Shares in demat form.
- The Eligible Shareholders will have to ensure that they keep the depository participant ("DP") account active and unblocked to receive credit in case of return of Equity Shares due to rejection or due to prorated Buyback decided by the Company. Further, Eligible Shareholders will have to ensure that they keep the bank account attached with the DP account active and updated to receive credit remittance due to acceptance of Buyback of shares by the Company. In the event if any equity shares are tendered to Clearing Corporation, excess dematerialized equity shares or unaccepted dematerialized equity shares, if any, tendered by the Eligible Shareholders would be returned to them by Clearing Corporation. If the security transfer instruction is rejected in the depository system, due to any issue then such securities will be transferred to the shareholder broker's depository pool account for onward transfer to the Eligible Shareholder. In case of custodian participant orders, excess dematerialized shares or unaccepted dematerialized shares, if any, will be refunded to the respective custodian depository pool account.
- Eligible Shareholders who have tendered their demat shares in the Buyback shall also provide all relevant documents, which are necessary to ensure transferability of the demat shares in respect of the tender form to be sent. Such documents may include (but not limited to): (a) duly attested power of attorney, if any person other than the Eligible Shareholder has signed the tender form; (b) duly attested death certificate and succession certificate/legal heirship certificate, in case any Eligible Shareholder is deceased, or court approved scheme of merger/amalgamation for a company; and (c) in case of companies, the necessary certified corporate authorizations (including board and/or general meeting resolution).

In case the Eligible Shareholder, being a Non-Resident Shareholder, is not in a position to produce the said certificate, the Equity Shares would be deemed to have been acquired on non-repatriation basis, and in that case, the Eligible Shareholder shall submit a consent letter addressed to the Company, allowing the Company to make the payment on a non-repatriation basis in respect of the valid Equity Shares accepted under the Buyback.

13.12 Procedure to be followed by Eligible Shareholders holding Equity Shares in the Physical form:

One copy of the TRS will be retained by the Registrar and it will provide acknowledgement of the same to the Seller Member/Eligible Shareholder.
- Eligible Shareholders holding physical Equity Shares should note that physical Equity Shares will not be accepted unless the complete set of documents is submitted. Acceptance of the physical Equity Shares for the Buyback shall be subject to verification as per the Buyback Regulations and any further directions issued in this regard. The Registrar will verify such bids based on the documents submitted on a daily basis and all such time the Stock Exchanges shall display such bids as 'unconfirmed physical bids'. Once the Registrar confirms the bids, it will be treated as 'Confirmed Bids'.
- In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialization, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialized is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.
- An unregistered shareholder holding Equity Shares in physical form may also tender their Equity Shares in the Buyback by submitting the duly executed transfer deed for transfer of shares, purchased prior to the Record Date, in their name, along with the offer form, copy of their PAN card and of the person from whom they have purchased shares and other relevant documents as required for transfer, if any.
- In case the Equity Shares are held on repatriation basis, the Eligible Shareholder, being a Non-Resident Shareholder, should obtain and enclose a letter from its authorised dealer / bank confirming that at the time of acquiring such Equity Shares, payment for the same was made by such Eligible Shareholder, from the appropriate account as specified by RBI in its approval. In case the Eligible Shareholder, being a Non-Resident Shareholder, is not in a position to produce the said certificate, the Equity Shares would be deemed to have been acquired on non-repatriation basis, and in that case, the Eligible Shareholder shall submit a consent letter addressed to the Company, allowing the Company to make the payment on a non-repatriation basis in respect of the valid Equity Shares accepted under the Buyback.
- If any of the above stated documents (as applicable) are not enclosed along with the tender form, the Equity Shares tendered by Eligible Shareholders, being Non-Resident Shareholders, under the Buyback are liable to be rejected.
- The Buyback from the Eligible Shareholders who are residents outside India including foreign corporate bodies (including erstwhile overseas corporate bodies), foreign portfolio investors, non-resident Indians, members of foreign nationality, if any, shall be subject to the Foreign Exchange Management Act, 1999 and rules and regulations framed thereunder, if any, Income Tax Act, 2025 and rules and regulations framed thereunder, as applicable, and also subject to the receipt/provision by such Eligible Shareholders of such approvals, if and to the extent necessary or required from concerned authorities including, but not limited to, approvals from the Reserve Bank of India under the Foreign Exchange Management Act, 1999 and rules and regulations framed thereunder, if any.

- Modification/cancellation of orders and multiple bids from a single Eligible Shareholder will only be allowed during the tendering period of the Buyback. Multiple bids made by a single Eligible Shareholder for selling Equity Shares shall be clubbed and considered as "one bid" for the purposes of acceptance.
- The cumulative quantity tendered shall be made available on the website of the Stock Exchanges throughout the trading sessions and will be updated at specific intervals during the tendering period.

14 METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per Buyback Regulations:

- The settlement of trades shall be carried out in the manner similar to settlement of trades in the secondary market.
- The Company will pay the consideration (net of tax deducted at source) to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to respective Eligible Shareholders. If the Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by Reserve Bank of India/Eligible Shareholders' bank due to any reason, then such funds will be transferred to the concerned Stock Broker's settlement bank account

for onward transfer to such Eligible Shareholders in dematerialized form.

- For the Eligible Shareholders holding Equity Shares in physical form, the funds pay-out would be given to their respective Seller Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account
- In case of certain client types, i.e., NRI, foreign clients, etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Seller Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account. For this purpose, the client type details would be collected from the depositories, whereas funds payout pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by Stock Exchanges and the Clearing Corporation from time to time.
- Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporations by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporations will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporations.
- The Equity Shares bought back in the dematerialized form would be transferred directly to the demat account of the Company opened for the Buyback ("Company Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of the Stock Exchanges.
- In relation to the physical Equity Shares: If physical Equity Shares tendered by Eligible Shareholders are not accepted, the share certificate would be returned to such Eligible Shareholders by registered post or by ordinary post or courier at the Eligible Shareholders' sole risk. The Company also encourages Eligible Shareholders holding physical shares to dematerialize their physical shares.

If, however, only a portion of the physical shares held by an Eligible Shareholder is accepted in the Buyback, then the Company is authorised to split the share certificate and issue a Letter of Confirmation ("LOC") in accordance with the SEBI Master Circular No. HO/38/13(4)2026-MIRSD-POD/4298/2026 dated February 6, 2026, read with the SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2022/8 dated January 25, 2022 with respect to the new consolidated share certificate for the unaccepted Equity Shares tendered in the Buyback. The LOC shall be dispatched to the address registered with the Registrar and Transfer Agent ("RTA"). The RTA shall retain the original share certificate and deface the certificate with a stamp "Letter of Confirmation Issued" on the face/ reverse of the certificate to the extent of the excess physical shares. The LOC shall be valid for a period of 120 days from the date of its issuance, within which the Equity Shareholder shall be required to make a request to their depository participant for dematerializing the physical Equity Shares. In case the Equity Shareholder fails to submit the demat request within the aforementioned period, the RTA shall credit the physical Equity Shares to a separate demat account of the Company opened for the said purpose.

- In the case of inter depository, Clearing Corporation will cancel the excess or unaccepted shares in target depository. Source depository will not be able to release the lien without a release of IDT message from target depository. Further, release of IDT message shall be sent by target depository either based on cancellation request received from Clearing Corporation or automatically generated after matching with bid accepted detail as received from the Company or the Registrar to the Buyback. Post receiving the IDT message from target depository, source Depository will cancel/release excess or unaccepted block shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.
- The Seller Member(s) would issue contract note and pay the consideration for the Equity Shares accepted under the Buyback and return the balance unaccepted Equity Shares to their respective clients. The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.
- Any excess physical Equity Shares pursuant to proportionate acceptance/ rejection will be returned to the Shareholders directly by Registrar to the Buyback. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Equity Shares in case the Equity Shares accepted by the Company are less than the Equity Shares tendered in the Buyback by the Equity Shareholders holding Equity Shares in the physical form.
- Eligible Shareholders who intend to participate in the Buyback should consult their respective Seller Member for payment to them of any cost, applicable taxes, charges and expenses (including brokerage) that may be levied by the Seller Member upon the selling shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholder from their respective Seller Member, in respect of accepted Equity Shares, could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Shareholders.
- The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders' sole risk. Eligible Shareholders should ensure that their depository account is maintained till all formalities pertaining to the Offer are completed.
- The Equity Shares lying to the credit of the Special Demat Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations.

- 1.6 The Equity Shares are listed on the National Stock Exchange of India Limited ("NSE") and the BSE Limited ("BSE") (hereinafter together referred to as the "Stock Exchanges").
- 1.7 The Buyback shall be undertaken on a proportionate basis from the Eligible Shareholders of the Company as on the Record Date i.e. October 30, 2026 through the tender offer process prescribed under Regulation 4(iv)(a) of the Buyback Regulations. Additionally, the Buyback shall be subject to applicable laws, implemented by tendering of Equity Shares by Eligible Shareholders and settlement of the same through the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers Buy Back and Delisting" as specified by SEBI in its circular bearing reference number CIR/CFD/ POLICYCELL/1/2015 dated April 13, 2015 read with the circular bearing reference number CFD/DCR2/CIR/P/2016/131 dated December 9, 2016, SEBI circular SEBI/HO/CFD/DCR-II/CIR/P/2021/615 dated August 13, 2021 and circular SEBI/HO/CFD/PoD-2/P/CIR/2023/35 dated March 08, 2023, including all amendments and statutory modifications for the time being in force ("SEBI Circulars") or such mechanism as may be applicable. In this regard, the Company shall approach BSE and NSE to provide the acquisition window for facilitating tendering of Equity Shares under the Buyback. For the purposes of this Buyback, the BSE will be the designated stock exchange ("Designated Stock Exchange"). The Buyback is also subject to receipt of such other approvals, permissions, consents, sanctions and exemptions of the statutory, regulatory or governmental authorities, as may be required under the applicable laws including from SEBI, the Stock Exchanges, Reserve Bank of India ("RBI"), Registrar of Companies, Uttar Pradesh II ("RoC") and/or other authorities, institutions or bodies (together with SEBI, RBI and RoC, the "Appropriate Authorities").
- 1.8 Participation in the Buyback by Eligible Shareholders will trigger capital gain taxation in India and in their country of residence. The transaction of Buyback would also be chargeable to securities transaction tax ("STT") in India. In due course, Eligible Shareholders will receive a letter of offer, which will contain a more detailed note on taxation. However, in the view of the particularized nature of tax consequences, Eligible Shareholders are advised to consult their own legal, financial and tax advisors for the applicable tax implications prior to participating in the Buyback.
- 1.9 All the shareholders of the Company holding Equity Shares as on the Record Date will be eligible to participate in the Buyback, including the promoters and members of the promoter group of the Company. However, the promoters and members of the promoter group have expressed their intention not to participate in the Buyback.
- 1.10 Pursuant to the proposed Buyback and depending on the response to the Buyback, the voting rights of the promoters and members of promoter group and persons in control of the Company may increase from their existing shareholding in the total equity capital and voting rights of the Company. The Company confirms that after the completion of the Buyback, the non-promoter shareholding of the Company shall not fall below the minimum level required as per Regulation 38 of the LODR Regulations. Any change in voting rights of the promoter and members of promoter group and persons in control of the Company pursuant to completion of the Buyback will not result in any change in control over the Company as defined under Regulation 2(1) (e) of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
- 1.11 The Buyback from the Eligible Shareholders who are residents outside India including non-resident Indians, foreign nationals, foreign corporate bodies (including erstwhile overseas corporate bodies), foreign institutional investors/ foreign portfolio investors, etc. shall be subject to such approvals, if any and to the extent necessary or required from the concerned authorities including approvals from the RBI under the Foreign Exchange Management Act, 1999 and the rules and regulations framed thereunder, Income-tax Act, 2025 and rules framed there under, and that such approvals shall be required to be taken by such non-resident shareholders.
- 1.12 A copy of this Public Announcement is available on the website of the Company at www.genuspower.com, the website of the Manager to the Buyback i.e. IIFL Capital Services Limited (formerly known as IIFL Securities Limited) at www.iiflcapital.com and is expected to be available on the website of the SEBI at www.sebi.gov.in during the period of Buyback and on the website of the Stock Exchanges at www.bseindia.com and www.nseindia.com.
2. NECESSITY OF THE BUYBACK
- In view of the Company's strong financial position and adequate liquidity, it is proposed to undertake a buyback of equity shares with the objective of optimizing the Company's capital structure, enhancing shareholder value, improving Earnings Per Share (EPS) and Return on Equity (ROE), while continuing to maintain adequate financial resources to support the Company's future growth and business requirements.
- The Board at its meeting held on October 26, 2026 considered the accumulated free reserves as well as the cash liquidity reflected in the latest standalone and consolidated audited financial statements as on March 31, 2026 and, considering these, decided to allocate upto ₹148.20 Crores (Rupees One Hundred Forty Eight Crores and Twenty Lakh Only) for the Buyback, excluding any Transaction Cost.

- After considering several factors and benefits to the shareholders holding Equity Shares of the Company, the Board decided to recommend Buyback of Equity Shares at a price of ₹ 312/- (Rupees Three Hundred and Twelve only) per Equity Share for an aggregate consideration upto ₹148.20 Crores (Rupees One Hundred Forty Eight Crores and Twenty Lakh Only). The Buyback is being undertaken, *inter-alia*, for the following reasons:
- (i) The Buyback will help the Company to enhance the overall return to shareholders;
- (ii) The Buyback, which is being implemented through the tender offer route as prescribed under the Buyback Regulations, would involve allocation of number of Equity Shares as per their entitlement or 15% of the number of Equity Shares to be bought back whichever is higher, reserved for the small shareholders as per Regulation 6 of the Buyback Regulations. The Company believes that this reservation for small shareholders would benefit a large number of public shareholders, who would get classified as 'Small Shareholder' as per Regulation 2(i)(n) of the Buyback Regulations;
- (iii) The Buyback would help in improving financial ratios like earnings per share and return on Equity, by reducing the Equity base of the Company, leading to increase in long term value for shareholders; and
- (iv) The Buyback gives the Eligible Shareholders the choice to either participate in the Buyback and receive cash in lieu of their Equity Shares which are accepted under the Buyback or not to participate in the Buyback and get a resultant increase in their percentage shareholding in the Company post the Buyback, without additional investment.
3. MAXIMUM AMOUNT REQUIRED FOR THE BUYBACK AND ITS PERCENTAGE OF THE TOTAL PAID UP CAPITAL AND FREE RESERVES AND SOURCE OF FUNDS FROM WHICH BUYBACK WOULD BE FINANCED
- 3.1 The maximum amount required for Buyback will not exceed ₹148.20 Crores (Rupees One Hundred Forty Eight Crores and Twenty Lakh Only), excluding Transaction Cost.
- 3.2 The maximum amount mentioned aforesaid is 6.77% and 6.72% of the aggregate of the fully paid-up equity share capital and free reserves (including securities premium) as per the latest audited standalone and consolidated financial statements of the Company, respectively, as on March 31, 2026 (being the latest audited financial statements available as on the date of the Board Meeting), which does not exceed 10% of the aggregate of the total paid-up capital and free reserves (including securities premium) of the Company as per latest audited standalone and consolidated financials of the Company as on March 31, 2026.
- 3.3 The funds for the implementation of the proposed Buyback will be sourced out of free reserves (including securities premium) of the Company and/or such other source as may be permitted by the Buyback Regulations or the Companies Act.
- 3.4 The Company shall transfer from its free reserves (including securities premium), a sum equal to the nominal value of the Equity Shares so bought to the Capital Redemption Reserve Account and details of such transfer shall be disclosed in its subsequent audited financial statements.
- 3.5 The funds borrowed, if any, from banks and financial institutions will not be used for the Buyback.

12 RECORD DATE, OFFER PERIOD AND SHAREHOLDERS' ENTITLEMENT

- As required under the Buyback Regulations, the Company has fixed October 30, 2026 as the Record Date for the purpose of determining the entitlement and the names of the equity shareholders who are eligible to participate in the Buyback. Eligible Shareholders will receive a letter of offer along with a tender/ offer form indicating their entitlement. The tender period for the Buyback offer will commence from November 4, 2026 i.e., not later than 4 (four) working days from the Record Date and shall remain open for a period of 5 (five) working days, i.e., until November 11, 2026.
- As per the Buyback Regulations and such other circulars or notifications, as may be applicable, in due course, Eligible Shareholders will receive a letter of offer in relation to the Buyback ("Letter of Offer") along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. All of the equity shareholders of the Company as on Record Date will be eligible to participate in the Buyback.
- As required under the Buyback Regulations, the dispatch of the Letter of Offer shall be through electronic mode in accordance with the provisions of the Companies Act within two (2) working days from the Record Date along with a tender offer form indicating the entitlement of the Eligible Shareholder for participating in the Buyback. Even if the Eligible Shareholder does not receive the Letter of Offer along with a tender form, the Eligible Shareholder may participate and tender shares in the Buyback. If the Company receives a request from any Eligible Shareholder to receive a copy of the letter of offer in physical form, the same shall be provided.
- The Equity Shares proposed to be bought back by the Company, as a part of the Buyback, are divided into two categories:
 - Reserved category for small shareholders (as defined below); and
 - General category for all Eligible Shareholders.As defined in Regulation 2(i)(n) of the Buyback Regulations, "small shareholder" means a shareholder of a company, who holds shares or other specified securities whose market value, on the basis of closing price of shares or other specified securities, on the recognised stock exchange in which highest trading volume in respect of such securities, as on record date is not more than two lakh rupees;
- In accordance with Regulation 6 of the Buyback Regulations, 15% (fifteen percent) of the number of Equity Shares which the Company proposes to Buyback or such number of Equity Shares entitled as per the shareholding of small shareholders as on the Record Date, whichever is higher, shall be reserved for the small shareholders as part of this Buyback.
- On the basis of the shareholding on the Record Date, the Company will determine the entitlement of each Eligible Shareholder, including small shareholders, to tender their Equity Shares in the Buyback. This entitlement for each Eligible Shareholder will be calculated based on the number of Equity Shares held by the respective shareholder on the Record Date and the ratio of the Buyback applicable in the category to which such shareholder belongs ("Buyback Entitlement"). The final number of Equity Shares that the Company will purchase from each Eligible Shareholder will be based on the total number of Equity Shares tendered. Accordingly, the Company may not purchase all of the Equity Shares tendered by an Eligible Shareholder. The Company believes that this reservation for small shareholders would benefit a large number of the Company's public shareholders, who would be classified as "Small

Shareholders". Given that the promoters and members of the promoter group of the Company have expressed their intention not to participate in the Buyback, the Equity Shares held by members of the promoter/ promoter group shall not be considered for computing the entitlement ratio, in accordance with the proviso to Regulation 4(iv)(a) of the Buyback Regulations, and to that extent, the Eligible Shareholders will have a higher Buyback Entitlement ratio.

- 12.7 In accordance with Regulation 9(ix) of the Buyback Regulations, in order to ensure that the same shareholders with multiple demat accounts/folios do not receive a higher entitlement under the small shareholder category, the Company will club together the Equity shares held by such shareholders with a common Permanent Account Number (PAN) for determining the category (small shareholder or general) and entitlement under the Buyback. In case of joint shareholding, the Company will club together the Equity shares held in cases where the sequence of the PANs of the joint shareholders is identical. In case of physical shareholders, where the sequence of PANs is identical, the Company will club together the Equity shares held in such cases. Similarly, in case of physical shareholders where PAN is not available, the Company will check the sequence of names of the joint holders and club together the Equity shares held in such cases where the sequence of name of joint shareholders is identical. The shareholding of institutional investors like mutual funds, pension funds/trusts, insurance companies, clearing members etc. with common PAN will not be clubbed together for determining the category and will be considered separately, where these Equity Shares are held for different schemes and have a different demat account nomenclature based on information prepared by the registrar and transfer agent (the "Registrar") as per the shareholder records received from the depositories. Further, the Equity Shares held under the category of "clearing members" or "corporate body margin account" or "corporate body-broker" as per the beneficial position data as on the Record Date, with common PAN, are not proposed to be clubbed together for determining their entitlement and will be considered separately, where these Equity Shares are assumed to be held on behalf of clients.

- 12.8 After accepting the Equity Shares tendered on the basis of entitlement, the Equity Shares left to be bought back, if any, in one category shall first be accepted, in proportion to the Equity Shares tendered over and above their entitlement in the offer by Eligible Shareholders in that category, and thereafter from Eligible Shareholders who have tendered over and above their entitlement in other category.

- 12.9 The participation of Eligible Shareholders in the Buyback is voluntary. Eligible Shareholders can choose to participate and get cash in lieu of shares to be accepted under the Buyback or they may choose not to participate. Eligible Shareholders may also accept a part of their entitlement. Eligible Shareholders also have the option of tendering additional shares (over and above their entitlement) and participate in the shortfall created due to non-participation of some other Eligible Shareholders, if any. The acceptance of any Equity Shares tendered in excess of the Buyback Entitlement by the Eligible Shareholder shall be in terms of procedure outlined herein. In case any Eligible Shareholder or any person claiming to be an Eligible Shareholder cannot participate in the Buyback Offer for any reason, the Company, the Manager and Registrar to the Buyback and their officers shall not be liable in any manner for such non-participation.

- 12.10 The maximum tender under the Buyback by any Eligible Shareholder cannot exceed the number of Equity Shares held by the Eligible Shareholder as on the Record Date. In case the Eligible Shareholder holds Equity Shares through multiple demat accounts, the tender through a demat account cannot exceed the number of Equity Shares held in that demat account as on the Record Date.

- 12.11 The Equity Shares tendered as per the entitlement by the Eligible Shareholder as well as additional Equity Shares tendered, if any, will be accepted as per the procedure laid down in the Buyback Regulations. The settlement of the tenders under the Buyback will be done using the "Mechanism for acquisition of shares through Stock Exchange pursuant to Tender-Offers under Takeovers Buy Back and Delisting" notified under the SEBI Circulars. Eligible Shareholders will receive a Letter of Offer along with a tender/offer form indicating their respective entitlement for participating in the Buyback.

- 12.12 Detailed instructions for participation in the Buyback (tender of Equity Shares in the Buyback) as well as the relevant time table will be included in the Letter of Offer to be sent in due course to the Eligible Shareholders as on Record Date who have their email address registered with the Company/Registrar and transfer agent/Depositories.

Once the Registrar confirms the bids, it will be treated as "Confirmed Bids".
- e) In case any Eligible Shareholder has submitted Equity Shares in physical form for dematerialization, such Eligible Shareholders should ensure that the process of getting the Equity Shares dematerialized is completed well in time so that they can participate in the Buyback before the closure of the tendering period of the Buyback.

14 METHOD OF SETTLEMENT

Upon finalization of the basis of acceptance as per Buyback Regulations:

- a) The settlement of trades shall be carried out in the manner similar to settlement of trades in the secondary market.
- b) The Company will pay the consideration (net of tax deducted at source) to the Company's Broker who will transfer the funds pertaining to the Buyback to the Clearing Corporation's bank accounts as per the prescribed schedule. For Equity Shares accepted under the Buyback, the Clearing Corporation will make direct funds payout to respective Eligible Shareholders. If the Eligible Shareholders' bank account details are not available or if the funds transfer instruction is rejected by Reserve Bank of India/Eligible Shareholders' bank due to any reason, then such funds will be transferred to the concerned Stock Broker's settlement bank account

for onward transfer to such Eligible Shareholders in dematerialized form.

- c) For the Eligible Shareholders holding Equity Shares in physical form, the funds pay-out would be given to their respective Seller Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account.
- d) In case of certain client types, i.e., NRI, foreign clients, etc. (where there are specific RBI and other regulatory requirements pertaining to funds pay-out) who do not opt to settle through custodians, the funds pay-out would be given to their respective Seller Member's settlement accounts for releasing the same to the respective Eligible Shareholder's account. For this purpose, the client type details would be collected from the depositories, whereas funds payout pertaining to the bids settled through custodians will be transferred to the settlement bank account of the custodian, each in accordance with the applicable mechanism prescribed by Stock Exchanges and the Clearing Corporation from time to time.
- e) Details in respect of shareholder's entitlement for tender offer process will be provided to the Clearing Corporations by the Company or Registrar to the Buyback. On receipt of the same, Clearing Corporations will cancel the excess or unaccepted blocked shares in the demat account of the shareholder. On settlement date, all blocked shares mentioned in the accepted bid will be transferred to the Clearing Corporations.
- f) The Equity Shares bought back in the dematerialized form would be transferred directly to the demat account of the Company opened for the Buyback ("Company Demat Account") provided it is indicated by the Company's Broker or it will be transferred by the Company's Broker to the Company Demat Account on receipt of the Equity Shares from the clearing and settlement mechanism of the Stock Exchanges.
- g) In relation to the physical Equity Shares: If physical Equity Shares tendered by Eligible Shareholders are not accepted, the share certificate would be returned to such Eligible Shareholders by registered post or by ordinary post or courier at the Eligible Shareholders' sole risk. The Company also encourages Eligible Shareholders holding physical shares to dematerialize their physical shares.
- If, however, only a portion of the physical shares held by an Eligible Shareholder is accepted in the Buyback, then the Company is authorised to split the share certificate and issue a Letter of Confirmation ("LOC") in accordance with the SEBI Master Circular No. HO/38/13(4)2026-MIRSD-P/D/4298/2026 dated February 6, 2026, read with the SEBI Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2022/8 dated January 25, 2022 with respect to the new consolidated share certificate for the unaccepted Equity Shares tendered in the Buyback. The LOC shall be dispatched to the address registered with the Registrar and Transfer Agent ("RTA"). The RTA shall retain the original share certificate and deface the certificate with a stamp "Letter of Confirmation Issued" on the face/ reverse of the certificate to the extent of the excess physical shares. The LOC shall be valid for a period of 120 days from the date of its issuance, within which the Equity Shareholder shall be required to make a request to their depository participant for dematerializing the physical Equity Shares. In case the Equity Shareholder fails to submit the demat request within the aforementioned period, the RTA shall credit the physical Equity Shares to a separate demat account of the Company opened for the said purpose.
- h) In the case of inter depository, Clearing Corporation will cancel the excess or unaccepted shares in target depository. Source depository will not be able to release the lien without a release of IDT message from target depository. Further, release of IDT message shall be sent by target depository either based on cancellation request received from Clearing Corporation or automatically generated after matching with bid accepted detail as received from the Company or the Registrar to the Buyback. Post receiving the IDT message from target depository, source Depository will cancel/release excess or unaccepted block shares in the demat account of the shareholder. Post completion of tendering period and receiving the requisite details viz., demat account details and accepted bid quantity, source depository shall debit the securities as per the communication/message received from target depository to the extent of accepted bid shares from shareholder's demat account and credit it to Clearing Corporation settlement account in target depository on settlement date.
- i) The Seller Member(s) would issue contract note and pay the consideration for the Equity Shares accepted under the Buyback and return the balance unaccepted Equity Shares to their respective clients. The Company's Broker would also issue a contract note to the Company for the Equity Shares accepted under the Buyback.
- j) Any excess physical Equity Shares pursuant to proportionate acceptance/ rejection will be returned to the Shareholders directly by Registrar to the Buyback. The Company is authorized to split the share certificate and issue new consolidated share certificate for the unaccepted Equity Shares in case the Equity Shares accepted by the Company are less than the Equity Shares tendered in the Buyback by the Equity Shareholders holding Equity Shares in the physical form.
- k) Eligible Shareholders who intend to participate in the Buyback should consult their respective Seller Member for payment to them of any cost, applicable taxes, charges and expenses (including brokerage) that may be levied by the Seller Member upon the selling shareholders for tendering Equity Shares in the Buyback (secondary market transaction). The Buyback consideration received by the Eligible Shareholder from their respective Seller Member, in respect of accepted Equity Shares, could be net of such costs, applicable taxes, charges and expenses (including brokerage) and the Company accepts no responsibility to bear or pay such additional cost, charges and expenses (including brokerage) incurred solely by the Eligible Shareholders.
- l) The lien marked against unaccepted Equity Shares will be released, if any, or would be returned by registered post or by ordinary post or courier (in case of physical shares) at the Eligible Shareholders' sole risk. Eligible Shareholders should ensure that their depository account is maintained till all formalities pertaining to the Offer are completed.
- m) The Equity Shares lying to the credit of the Special Demat Account and the Equity Shares bought back and accepted in physical form will be extinguished in the manner and following the procedure prescribed in the Buyback Regulations.
