Press Release

GHCL Textiles Announces Strong Performance for Q1 FY27

Accelerates its value-added growth journey through premium fabrics and sustainability

-PAT grew by 191% to Rs. 39 crores in Q1 FY27

-Revenue grew by 52% to Rs. 410 crores in Q1 FY27

New Delhi, 31st July 2026: GHCL Textiles, a leading manufacturer of premium yarns and fabrics, announced its financial results for Q1 FY27.

Commenting on the financial performance, Mr. R S Jalan, Non-Executive Director, GHCL Textiles Ltd. Said *"GHCL Textiles' strong performance in Q1 FY27 reflects the steady execution of our strategy to build a differentiated, value-added textiles business. Our growth continues to gain momentum in Q1 FY27, with Phase 1 of the knitting expansion now operational and Phase 2 progressing as planned.*

Guided by our strategic levers of operational discipline, cost efficiency, working capital optimization, scale and vertical integration, we are building a more resilient and future-ready business. Our vertical integration journey continues to gather momentum, with its contribution to revenue increasing from 9% in Q1 FY26 to 16% in Q1 FY27, underscoring the success of our value-addition strategy.

Backed by 65 MW of green energy capacity, currently meeting around 70% of our energy requirements, and with an additional 11 MW under development, we remain committed to further strengthening our sustainability agenda while enhancing our long-term cost competitiveness."

Financial Performance (Standalone performance)

Q1 FY27 VS Q1 FY26

- **Total Revenue** increased by 52% to Rs. 410 crores as compared to Rs. 270 crores in the corresponding quarter ended June 30, 2025
- **EBIDTA** increased by 116% to Rs. 70 crores as compared to Rs. 32 crores in the corresponding quarter of last year
- **Net Profit** increased by 191% to Rs. 39 crores as compared to Rs. 14 crores in the corresponding quarter of last year

Key Highlights

- Fabric Sales Volumes grew significantly compared to previous quarter, with GHCL Textile well positioned to benefit from any sector tailwinds in the coming period.
- Phase-2 commissioning of knitting machines remains on track, supporting the planned expansion of fabric capacity.

- 11 MW renewable energy capacity under progress and will lower energy costs while strengthening sustainability and ESG performance.
- Focus on strong operational discipline and working capital control, with scale, mix and integration upside supporting RoCE.
