Subject: Intimation regarding adoption of new line of business

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we wish to inform that the Members of the Company at its Annual General meeting held on 23rd September, 2025 has approved adoption of a new line of business in addition to the existing logistics and transportation business.

The new business will involve activities relating to **generation and distribution of renewable energy, particularly solar power**, including establishing and operating solar power plants, solar parks, and related infrastructure.

This diversification aligns with the operations of the Company's wholly owned subsidiary already engaged in the solar power business and is expected to bring operational and financial synergies within the Group.

This is for your information and record.

Thanking You,

Yours faithfully,
For Globe International Carriers Limited
