Dear Sirs,

This is to inform you that in response to a query from CNBC-TV18, the following has been clarified:

"The Right Issue is only one of the options that the GMR is pursuing to strengthen our Balance Sheet. While the Group will be in a state of preparedness, the Board will choose its time and appropriate Price Level in the best interests of all Investors. In any case, the Right Issue is not contemplated at the Current Market Price."

This is for your kind information.

Thanking you,

Yours faithfully,
For GMR Infrastructure Limited
