Gillette India Ltd. announces results for the Fourth quarter and Fiscal Year ended March 31, 2026

*Sales up 8%, PAT up 23% for the fiscal year
Sales up 3%, PAT up 21% for the quarter*

Mumbai, May 27, 2026: Gillette India Limited (GIL) today announced its financial results for the **fourth quarter** and the **fiscal year** ended March 31, 2026.

The Company ended FY 2025-26 with another quarter of balanced growth across top-line and bottom-line, delivering sales of ₹ 792 crore, up 3% versus year ago. Profit After Tax (PAT) for the fourth quarter, was ₹ 193 crore, up 21% versus the same quarter last year. For the Fiscal Year ended March 31, 2026, the Company reported sales of ₹ 3100 crore, up 8% versus the comparable period last year, driven by a robust portfolio, superior execution and a consistent pipeline of innovation to better serve Indian consumers. Profit After Tax (PAT) for the fiscal was ₹ 654 crore, up 23% versus the comparable period last year, driven by productivity and efficiency across all cost vectors.

Considering that the company, effective last year, changed its Financial Year from July 1 – June 30 to April 1 – March 31, the last Financial Year of the Company covered a period of 9 months, from July 1, 2024, to March 31, 2025. The company performance has therefore been indexed versus the comparable 12-months period in the last year (April 1, 2024, to March 31, 2025). The performance versus a 9-month past fiscal will not be comparable.

V Kumar, Managing Director, Gillette India Limited, shared, *“Gillette India continued to deliver strong top-line and bottom-line performance during the fiscal year, led by sustained growth in our Grooming category. Our consistent results over the years reflect disciplined execution of our integrated growth strategy — anchored in a focused portfolio of daily-use categories where product performance drives brand choice; superiority across product performance, packaging, brand communication, retail execution and value; productivity; constructive disruption; and an agile and accountable organization.*

This integrated approach continues to strengthen our ability to serve consumers, grow categories and create long-term stakeholder value. As we enter the new fiscal year, we remain confident that continued disciplined execution of this strategy will enable sustainable and balanced growth over the long term.”

Throughout the fiscal year, the Company continued to delight the Indian consumers and drive category growth through a continued stream of innovation, led by our loved brands. During the year, we introduced **Gillette Guard 3in1** — a significant upgrade in men’s grooming innovation designed to deliver the performance of a 3-blade shave at an accessible price point. In the Oral Care segment, **Oral-B** launched new line up for the kids battery toothbrushes featuring popular characters. Oral-B also enhanced its

The Board of Directors have recommended a final dividend of ₹60/- per Equity Share for the Financial Year ended March 31, 2026, subject to the approval of Shareholders of the company at the ensuing 42nd Annual General Meeting.
