We are writing to submit our clarification on Financial Results for the quarter ended June 30, 2025. We would like to inform you that Ginni Filaments Limited ("Company") understand the importance of compliance and transparency in our relationship with the stock exchange and all other stakeholders of the Company and we are committed to upholding the highest standards of corporate governance. The Company has always intended and acted to build trust and value for all the stakeholders, which is evident from our timely disclosures.

Further, reference to your queries in the above captioned email; we submit our response as under:

1. "Financial results submitted in XBRL with discrepancies"

The company had submitted the Financial Result (XBRL) for the quarter ended June 30, 2025 inadvertently on August 05, 2025 in the wrong path i.e. "NON BANKING NON IND AS" instead of "NON BANKING IND AS". However, after noticing the mistake we submitted again the said XBRL file on August 12, 2025 under the correct path i.e. "NON BANKING IND AS".

Kindly find the revised filing status in attached **Annexure A**

We request to kindly accept our clarification and oblige.

**Thanking You.**

**Yours faithfully,**
