ADVERTORIAL

GNFC registers PAT of Rs. 177 & Rs.255 crores for the Quarter and Half year ended 30th September, 2025.

Gandhinagar, 12th November, 2025: A meeting of the Board of Directors was held today to consider and approve the unaudited Financial Results for Q-2 & H-1 FY 2025-26.

Commenting on the results, Dr. T. Natarajan, Managing Director stated that it gives me pleasure in sharing encouraging results for Q 2 FY 25-26.

While due to annual turnaround during Q-1 FY 25-26, the numbers are not comparable for Q-o-Q, the Y-o-Y Q-2 performance has significantly improved mainly due to better sales volumes and reduction in input costs.

The change in other comprehensive income is attributable to change in the fair market value of both quoted and unquoted investments as well as actuarial assumptions of employee benefit obligations.

Government of India(GoI) has announced revised rates under Nutrient Based Subsidy for Rabi season which has improved the subsidy by Rs. 872 / MT which should augur well in being competitive as well as meet higher input costs.

In case of TDI, GoI has extended the ending period of anti-dumping duty from 01.12.2025 to 01.03.2026.

GoI's outstanding support on release of fertilizer subsidy has kept the working capital levels low to that extent with resultant improved cash flow.

The revision in both energy and fixed cost is being pursued with the Government and it is expected that announcement in this regard is likely by the end of the calendar year.

The Board has approved the brown field investment of Ammonium Nitrate Melt with a capacity of 163 KTPA which is expected to coincide with WNA-III commissioning providing effective usage of planned captive capacities.
