Globe Civil Projects Ltd.

Globe Civil Projects Secures ₹ 172.99 Cr EPC Order from NBCC for Central University of Punjab Campus Development

New Delhi, July 19th, 2025 – Globe Civil Projects Limited, (NSE – GLOBECIVIL | BSE - 544424), Company engaged in diverse infrastructure and non-infrastructure EPC projects across India, is pleased to announce the receipt of a prestigious order from NBCC (India) Ltd. valued at ₹172.99 Cr. The project entails the development of infrastructure facilities and buildings for the Central University of Punjab at Village Ghudda, District Bathinda, Punjab, on an EPC basis.

The scope of work under this comprehensive infrastructure contract includes construction of key institutional and residential buildings such as:

- A 400-seater Girls Hostel
- A 600-seater Boys Hostel
- One Academic Block
- A 100-seater International Students Hostel
- Vice Chancellor's Residence
- Extensive external development works for campus infrastructure

The project is scheduled to be completed within a span of approximately 21 months.

This order underscores Globe Civil Projects Limited's strong execution capabilities in large-scale institutional and educational infrastructure. It reflects the continued trust placed by government bodies like NBCC in the company's ability to deliver quality EPC solutions, on time and across diverse geographies.

On the receipt of the order, Mr. Ved Prakash Khurana, Chairman and Whole-time Director of Globe Civil Projects Limited said, "We are delighted to win this landmark ₹ 172.99 Cr mandate from NBCC for the Central University of Punjab. The project deepens our presence in the education-infrastructure segment and validates Globe Civil Projects Limited's ability to deliver end-to-end EPC solutions for large, multifaceted campuses. We appreciate NBCC's continued confidence in our expertise and look forward to partnering closely with all stakeholders to create future-ready academic and residential facilities that will serve students and faculty for decades to come.

Our multidisciplinary team spanning civil, structural, MEP, and project-management specialists is fully mobilised to complete the works within the stipulated 21-month schedule. We will leverage proven construction technologies, rigorous safety protocols, and robust quality-assurance systems to ensure on-time, on-budget delivery while upholding the highest standards of workmanship and environmental stewardship. This project exemplifies our commitment to engineering excellence, operational efficiency, and value creation for our clients and the communities we serve."

About Globe Civil Projects Limited

Globe Civil Projects Limited is a New Delhi-headquartered integrated engineering, procurement, and construction (EPC) company engaged in executing diverse infrastructure and non-infrastructure projects

across India. With a growing footprint spanning eleven states, the company has built a strong track record in delivering Transport & Logistics, Social & Commercial infrastructure, as well as Premium Commercial and Residential Developments.

Historically known for its expertise in constructing railway infrastructure and educational institution buildings, the company has strategically diversified into complex and specialized projects such as railway bridges, elevated railway terminals, airport terminals, and hospitals. In addition to core construction, Globe Civil Projects also offers Mechanical, Electrical & Plumbing (MEP) services, HVAC systems, firefighting and fire alarm systems, and architectural and structural work as part of its turnkey project capabilities.

The company is also engaged in the trading of construction materials, particularly TMT steel, further expanding its value chain presence in the infrastructure ecosystem.

Globe Civil Projects Limited marked a key milestone with its successful IPO of ₹119 Cr and listing on both NSE and BSE on July 1, 2025, positioning itself for the next phase of growth in India's infrastructure sector.
